## Shower Honors Miss Tanasiuk

Miss Ivan Tanasiuk who will be married on June 18th to Mr. Gene Mazur was honored on Wednesday, May 25th with a surprise shower at the home of Mrs. Ann Mazurenki as hostess assisted by Tanasiuk as co-hostess.

Many lovely and useful gifts were presented to the guest of honor in a basket decorated with wheelbarrow.

Those present, ninety guests were invited but only about half could come, were assisted to open the gifts by two young ladies who were to be bridesmaids at the Mazur-Tanasiuk wedding. Pleasant games and lunch were enjoyed by all present for the occasion.

Invitations to Pages 47 and 48 were sent out by members of the committee.

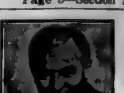
## Kitchen Shower For Miss Frederick

On Wednesday afternoon May 25th [illegible] Sid Burdett [illegible] Miss Linda Ida held a kitchen shower complimenting Miss Yvonne Frederick, a June bride-elect.

After a very tasty lunch was served Yvonne very graciously thanked the many friends for the cards and useful gifts received.

[illegible] military tattoo [illegible] Canada Centennial [illegible] will be held during

# Centennial Report



1867 1967 by JOHN W. FISHER, CENTENNIAL COMMISSIONER

The tax collector in the community might not like what I have to say but one often hears about owners neglecting to improve properties for fear of increased municipal taxes.

The argument goes something like this "If I fix up the place the assessor will be around and up will go my taxes next year"

Not necessarily so.

Here is a list of things you can do outside at your house without increasing your municipal taxes. The list varies with municipalities so you should check the local municipal clerk's office for confirmation.

Remove rugs, verandah.
Repair eaves and pipes
Repaint woodwork
Paint and repair the existing fence
Sow seed
Repair the gutters and down spouts
Weather stripping and storm doors
Lawns and landscaping

Outdoor lights
Repairing or replacing private walks
New fences or retaining walls.
Awnings or shutters.
Garbage and rubbish containers

If you do any of the things listed above you will tie in with the Centennial Committee's national program aimed at achieving a cleaner coast community for Canada for 1967 our community improvement and beautification program includes every one from John Smith at 1 Maple Street to the biggest industry in town. There are no carrots in this program. It is simply one of civic encouragement and practical information.

For the Community Improvement and Beautification Program the Centennial Committee held a "Fall to Action" seminar at Clarkes on April 22, at which guests heard federal provincial and community association representatives and brainstormers get together to devise ways of implementing the plan.

Your local civic officials should be able to tell you about the details of Community Improvement and Beautification. Very soon they will have revealed our various "how to do it" manuals on everything from paint-up plans what to do about trees in town and on private properties how to plant how to organize rural cleanups, lighting boulevards, renovations and so on.

I see by the papers that the program already is catching on well. The City of Ottawa, for example is sending out with the water bills, a list of tax-exempt improvements property owners can make. Local publicity programs are already being conducted also to encourage clean-up and beautification.

Of course there are many communities which have set good examples in programs like this long before the Centennial Commission started its program and hopefully what they have not received the credit they deserve. We can almost salute all Canadians to do the same thing in 1967 and make Vermilion, parts of Canada as beautiful as our very natural surroundings — the mountains, lakes and forests — beyond the cities and towns.

## Derwent Resident Passes Away

MATT ZAHARKO

A resident of the Derwent district, Mr. Matt Zaharko, passed away suddenly in the Myrnam hospital on Wednesday, May 25 at the age of 65 years.

He was born in the Landon valley district on Nov. 20, 1900 and farmed in the Derwent district until his untimely passing. He leaves to mourn his passing his dear wife Mrs Lena Zaharko of Derwent, three daughters Lorraine Diane and Elaine, all at home two sons Lawrence and Berry Allan, both at home his father Mr Mike Zaharko of Derwent one brother, John of Derwent, two sisters, Mrs Dan Adnier Paskuski of Derwent and Mrs Harry (Katie) Yacusko of Derwent. His funeral service was held on 1998

Funeral services for Mr Zaharko were held from the Derwent Greek Catholic Church on Saturday, May 28th at 10 a.m. with interment in the Holy Ghost Catholic cemetery at Derwent.

Donald's Funeral Home were in charge of arrangements.

# News from Allandale District

Weather — windy, cool and a few warm days.

An error: Sorry Gary McKinnon that your name was omitted from the farewell for the family.

Mr. and Mrs. Hugh Thompson of Calgary, visited at the home of Mr. and Mrs. Herb McPhee on May 12th.

Raymond Wilson, son of Mr. and Mrs. Donald Wilson, was admitted to the University Hospital in Edmonton on May 16th, for surgery on his knee, as he very suffered last fall playing football. Tuesday Orley Orcutt accompanied Don to visit Raymond and saw Mr. Ralph Wilson in the same hospital. Ray-mond has two cousins training in the University Hospital, Frances, daughter of Mr. and Mrs. Ralph Wilson and Beverley daughter of Mr. and Mrs. Frank Wilson. May 20th Mrs. Don Wilson and daughters Merinda and Donna motored to the city, while they were at the home of Mr. and Mrs. James Walsh and family. Raymond remained home with them on May 24th and is getting on very well. For the long week-end Richard and Ronald Wilson were with their grandparents at the Ormes home

Mr. and Mrs. Auburn Kepke of Greenwood, B.C., visited their son Emile Keppke on May 11.

Thursday Mr. and Mrs. Orley Ormsen visited at the home of Mr. and Mrs. Morgan Darling and family, Wesley, Lyle, Sherry and Lana at Ferguson Flats where Allanna and Nellie Kepke were visiting. Their daughter Evening callers were Ruba Kepke and daughters Lynda and Myrna.

Mr. and Mrs. Ralph Wilson in the same hospital. Ray-mond has two cousins training in the University Hospital, Frances, daughter of Mr. and Mrs. Ralph Wilson and Beverley daughter of Mr. and Mrs. Frank Wilson. May 20th Mrs. Don Wilson and daughters Merinda and Donna motored to the city, while they were at the home of Mr. and Mrs. James

Mrs. Ruth Ormsen of Calgary visited relatives in the district on May 18th. That afternoon Ruth and Linda Meyers accompanied Ellen Ormsen and called at the home of Mr. and Mrs. Hugh Hagen. They have been busy landscaping their yard.

First church service was May 15th with Miss Shirley Duncan from Ottawa. We welcome her to the Clandonald Mission Field for the United Church. The first three Sundays in June service will be at 9:30 a.m. Sunday school from here is being carried on at Ormsen home

News from Mr. and Mrs. Norman Marple . . . Joan had surgery in February and got along very well and was back to work in March. graduation for Norman was the first part of May. he also received his B.A. degree. Before Ordination, which is on June 5th, at Sackville, N.B., Joan and Norman will go to their homes at Margaree Valley, Cape Breton. After they plan on going to Boston before they go on a charge, which will be in the Maritimes.

Miss Selma Trondsen of Selma Lutheran Church, home to Norway on June 8th. She visited Mr. and Mrs. Olaf Thronsen for the summer of 1963 and made friends with many in the district.

Closing thought: "If you can't be the highway, then just be a trail, if you can't be the sun, you win or fail — be the best be a star, it isn't by size that you of whatever you are."

**READ THE LABEL CAREFULLY**

Effective weed control calls for the proper use of herbicides. Failure to comply with the label instructions can result in loss of time and money.

Your Searle Agent will be pleased to discuss your herbicide requirements and to give you prompt service in the connection.

## Vermilion Old Timer Passes Away

RALPH BENJAMIN ALCHIN

A resident of the Vermilion district since 1908, Mr. Ralph Benjamin Alchin, passed away in the Vermilion Hospital on May 25th at the age of 78 years. He was born in Oshawa, Ont. on Nov. 14th, 1888.

He leaves to mourn his passing one brother, Mr. Harold Alchin of Edmonton; three step sons Mr. Bernard Cooper of Vermilion, Mr. Dennis Cooper of Edmonton, Mr. Victor Cooper of London, England; two step daughters, Mrs. Elaine Martin of Florida, Mrs. Marie Chapman of Edmonton; three nieces, Mrs. Bernard Cooper, Vermilion, Mrs. Clive Linn, Edmonton, and Mrs. Mildred Thompson of Westlock.

Funeral services were held from the First United Church, Vermilion, on Friday, May 27th at 2 o'clock, with the Rev. C. H. Miller officiating, and interment was in the Vermilion cemetery.

Donald's Funeral Home were in charge of arrangements.

**IN MEMORIAM**

In fond memory of
ARTHUR C. MAHONY
Auf Wiedersehen.
Until we meet again! . . .
Ah yes, till then! But when
death intervening
Rends us asunder, with what
reasonless pain
We wait for the Again!
then only for a season
Our partings are, not shall we
wait in vain
Until we meet again.
With loving remembrance,
Nellie and family.

**CARD OF THANKS**

We would like to thank the Matron and staff of the Vermilion Hospital for their kindness and attention during our illness, and to our many friends and neighbors for their lovely cards; also to the young man who was so kind to our little grandson at the scene of the accident We thank you very much.

Mr. and Mrs. John Hunter.

**CARD OF THANKS**

Many thanks to Dr. Alters, borough, the matron, nurses and staff of the Vermilion Hospital for the exceptional care and kindness which my wife received during her stay in the hospital. Such kindness went far beyond the duty and was greatly appreciated and will always be remembered. Once again, thank you.

Harry Van den Dolder.

**CARD OF THANKS**

Mr. [illegible] wish to express our sincere thanks to all our relatives and friends for having made our recent visit to Vermilion so pleasant and memorable occasion. We also appreciated and many cards were deeply appreciated.

Thanks to the neighbors for the surprise party on the Saturday night, and the gifts, especially the "alarm clock". Thanks too, for the birthday cake and the good wishes for Charles.

Charles and Olive Redmond.

**CARD OF THANKS**

I would like to thank Dr. K. C. Miller, the matron and staff of the Elk Point Hospital for the care and kindness shown to me during my long stay; also many thanks to those who visited me, sent flowers, gifts and cards.

Mrs. Olive Wood,
Dewberry.

**APPRECIATION**

I wish to extend my sincere thanks to my neighbors for the help received during the recent disastrous fire at my farm. The losses would have been much greater had it not been for the timely help received.

Gerry Anderson.

**CARD OF THANKS**

I wish to extend my sincere thanks to Dr King, the matron and nurses at the Vermilion Hospital for the efficient care and kindly attention I received during my recent illness.

Mrs. Mildred Anderson.

**CARD OF THANKS**

We wish to extend a sincere thank you to all our friends and neighbors for the flowers, memorial tributes, cards and many expressions of sympathy received at the time of our recent bereavement We are truly grateful.

John Shaw and family.

**CARD OF THANKS**

We wish to extend a sincere thank you to all our friends and neighbors for their cards, memorials and other expressions of sympathy during our recent bereavement In the loss of our beloved husband and our dear father

Gertie Beattie and family.

**CARD OF THANKS**

I would like to extend my sincere thanks to Dr. Eby, matron and staff of the Vermilion Hospital for the kindness and attention I received during my recent illness. I would also like to thank all those who sent me cards, flowers, fruit baskets and took the time to come and see me. Also those who cleaned my house and did the sewing and gave baking. Such kindness will never be forgotten.

Stanley Warren.

## C.G.I.T. Hold Mother And Daughter Banquet

On Monday evening, May 16th, the C.G.I.T. girls played hosts to their mothers at their yearly Mother and Daughter banquet. Approximately 130 people sat down to the dinner, at which Nancy Hill, Department President, presided as chairman.

Following dinner, very capably served by one of the U. C. W. units, Nancy Hill gave her president's remarks and Mrs. Marion Anderson, Superintendent, spoke briefly.

A Toast to the Mothers was given by Brenda Wilkinson and responded to by Mrs. Fleshuk; Diane Heller gave the Toast to the Leaders and this was responded to by Mrs. Heller. Elizabeth Brimacombe paid tribute to the Church and Mrs. W. A. Rothwell replied. The Toast to the Graduates, very ably presented by Pat Norton, was responded to by Edna Williamson.

Mrs. Anderson was presented with a beautiful bouquet of flowers from the leaders and presentations were made to the leaders, Mrs. Beggs, Mrs. King, Mrs. Heller, Mrs. Heckbert, Mrs. Loders, Miss Jorstad and Mrs. Williamson by the various groups.

The guests were then entertained by skits performed by the different groups and the evening closed with the singing of Taps followed by the C.G.I.T. benediction.

The Sunrise Service and breakfast held on May 29th brought to a close a very successful C. G.I.T. year with able leaders and enthusiastic girls.

**SMILES**

In our local hospital, the staff members are chuckling over a child's-eye view of a tonsil operation. Here is the child's own account: "When I went into the big room, there were two lady angels, all dressed in white. Then two men angels came into the room.

"One of the men angels looked down my throat and said Lord, look at that child's tonsils!"

"And the Lord looked and said 'I'll take them out at once'."

ALL GOOD THINGS Are Cheap

Twenty years ago most prescriptions cost less than they do now. But, they did less. We had none of the costlier antibiotics, new hormones, and other "miracle" drugs which can be depended upon to produce a positive benefit and very often a certain cure.

Present prescriptions are "cheap" indeed, for they usually limit sickness-time to days instead of weeks and save more lives. Some cost more, but you benefit more.

A great many people entrust us with their prescriptions. May we compound yours?

**Five Graduate at C.G.I.T. Service**

Graduates at the beautiful Canadian Girls In Training service on Sunday evening, May 22, at the United Church, were, from the left, Jane Heckbert, Barbara Ann Carroll, Nancy Hill, Lynn Heller, Edna Williamson. The impressive service was conducted entirely by the girls.

## C.G.I.T. Conduct Impressive Graduating Ceremony

On Sunday evening, May 13th, the C. G. I. T. held the annual graduation service for the Senior Girls. The five graduates, Nancy Hill, Barbara A. Carroll, Jane Heckbert, Lynn Heller and Edna Williamson, chose as their theme "This Call Is For You". All five girls took part in this most impressive service. Edna Williamson, on behalf of the C.G.I.T. presented a lovely silver candelabra to the church.

Mr. Lloyd Smith, Chairman of the Stewards, gave white Bibles to Nancy Hill and Jane Heckbert for Sunday School attendance Grade 1 to 12 and for fulfilling C.G.I.T. graduation requirements.

The five graduates were introduced by Mrs. Marnie Beggs, their leader, after which each girl spoke briefly but meaningfully on what C.G.I.T. meant to her.

At this time the girls were presented with red roses and given by Mrs. Anderson. C.G.I.T. Superintendent.

Mrs. Angus Smith, guest speaker for the evening, spoke to the girls on their theme subject, "This Call Is For You".

The service ended with the singing of taps and the C.G.I.T. benediction. Miss Lois Cooper, a 1965 C.G.I.T. graduate, was the organist for this service

## Banquet Honors Marwayne High School Graduates

The well attended school graduation banquet and dance was held on Friday, May 20th when eighteen graduates were honored. Some former students who were at the banquet or visiting friends and present for this lovely occasion were Barbara Shaw, Norma Gray, Doreen Espetvedt, Kent Elfves, Norman Djervick, Larry Hillaby, Art Mead, Marie Wiest, Rosemary Cuford, Stan Lafoy, Robin Elliott, Larry Kvill, Bev Forbes, Jerry Sinclair, Judy Kalmanyk, Allen Johnson, Mr. and Mrs. Gordon Cooper for Rooks A complete report will be given of the graduation.

For congratulations and all good wishes go to Mr. and Mrs. Dale Shankaw - nee Judy Carmichael - daughter of Mr. and Mrs. T. Carmichael, who were married in Montreal May 14th Also to Miss Judy daughter of Mr. and Mrs. Bob Hillaby, who was married in Edmonton last week

Billy Curtis and Miss Virginia Krauss were at the home of Billy's parents, Mr. and Mrs. W. Curtis on the May 14th week end Billy has been in Lloydminster Hospital for surgery on an old ailment from basketball days.

Mrs. Dorothy Harrington and Miss Darkin of Calgary and Mrs. Betty Harrington of Edmonton were at the C.W. Harrington home Saturday, May 21st.

Mr. and Mrs. Ernest Isley and children of Altario Alta. were at the home of Sheila's parents, Mr. and Mrs. L. Franklin at the week end.

The Jack Ramsays had a family re-union during the week when Mr. and Mrs. Don Irwin and Mr. and Mrs. John Ramsey and children were at home They were also at the home of Joan's parents Mr. and Mrs. A. Fee - Prince.

Floyd Kvill who has been away working on a survey crew was at home visiting his folks Mr. and Mrs Geo Kvill.

A trash fire of unknown origin swept through the barns and yard on the farm of Dennis Alward on May 18th A large number of pigs as well as some machinery were destroyed. Only the help of many hands saved the house from the flames. Mrs. Alward and the children were alone at home when the fire started. This is the second fire in the district this spring where valuable livestock has been lost as well as buildings.

## Rural Enrollment 4-H Beef Clubs Climbs in Alberta

A total of 4,094 teenage rural young people are now carrying 41 beef projects in 253 clubs, scattered throughout Alberta.

According to Lyle Miller, provincial Supervisor of 4-H Clubs, this figure, representing an increase of nearly 400 members, surpassed by the number in 1965, is an all time high for Alberta

Three 4-H projects are offered in each beef club; they are a single animal, a pen of 3 to 5 animals and a breeding project Members enrol in these projects in the fall time and carry them through until the following June or July when the season's work A complete list of achievement day and sale

This summer 4-H Beef Club members will be exhibiting over 3,000 animals which they have personally fed and looked after during the last seven months All animals except those in the breeding project will be offered for sale after the show

A cordial invitation is extended to the public to attend this year's achievement days and sales and to see first hand the work of these young people.

A complete list of achievement days and sales is available from district agriculturists' offices.

Benjamin Franklin *defined* Man as a "tool making animal"

More than 1,500 people near the new Gilt plant in the Thorsby West every month

## Dairy Club Plans Thematic Display

(By Donald McPhee)

The evening meeting of the Vermilion Marneville Dairy Club was held at the W.A.V.C. May 11 with eleven members present. The minutes of the last meeting were adopted as read.

Mr Tom Knight of the Alberta Wheat Pool showed three interesting films The members are grateful to Mr. Knight for giving of his time

Thorndon was held on the thematic display for the fair. It was decided that a special meeting be held at the Dixon home on May 20th to assemble the display. The meeting then adjourned.

On April 12th the members went on an interesting tour of the Brewer Dairy Farm at Wainwright An enjoyable wiener roast was given to the members by Mr and Mrs Brewer at the conclusion of the tour The members wish to thank the drivers of cars taking them to Wainwright

**Broes Hall Enlarged With Grant**

One of the first centennial projects being completed in the area is the addition built to the Broes community centre The picture shows the enlarged hall and a number of the people in the community who worked long and hard to bring the project to reality. The work was done under the supervision of Mr. P. Bielesh who had high praise for the co-operation and wonderful community spirit shown by the Broes community people. When the new addition was completed a dance was held in the hall the ladies of the district rallied round and supplied refreshments for the dance.

NOTHING BUT THE TRUTH by Arnold

## C. G. I. T. At Dewberry Ends Year's Activities

The every busy summer commenced after the Mother and Daughter banquet held Thursday, May 12th in the Bethesda United Church Hall.

The banquet is an annual event, marking the end of a year's activities for C.G.I.T. and Explorer groups. Highlighting the program of the evening were slides shown by guest speaker, Mrs Agnes Gripp. Mrs. Gripp's summary nurse on furlough from Chad, Africa. Another special feature was a fashion show of garments which the C.G.I.T. girls had sewn for themselves as part of a major project on fashion and grooming.

Miss Lorraine Brett, Senior C.G.I.T. President, acted as the master of ceremonies. She translated the mysterious banquet theme, "Mish, Mosh, Moosa" as "Missionary, Models Mothers". These three ideas dominated the very full program One of the young models, Miss Olive Redmond, proposed a toast to the church. Mr John Whitelaw replied. Mrs. Floyd Cotton replied to the toast to the mothers which was proposed by her daughter, Jo-Anne In reply to the toast to the leaders, proposed by Miss Darlene Bowman Mrs. N. E. Jones, C.G.I.T. leader commented on the aims of the C.G.I.T. and Explorer groups. She expressed appreciation for the good work done by Mrs. Ivy Braithwaite as Explorer leader and thanked Mrs. C. A. Hancock for her assistance in the C.G.I.T. group.

**FASHION SHOW**

The fashion show in which some fourteen C.G.I.T. members took part, was a repeat performance of the show which accompanied the C.G.I.T. tea on April 13th. Miss Linda McLean and Miss Donna Lewis presented a brief report of the "Flair for Fashion" project in which the girls engaged this year.

Following Mrs Gripp's presentation of her musical and programmatic work in Africa, a service of Dedication to Mission was held. Representatives of each group presented offerings for mission work.

**WORSHIP SERVICE**

The evening was closed with a worship service conducted by Miss Janet Ewen and Miss Karen Orton. The message was based on one of the Women of the Bible which the senior girls had studied throughout the year

**CULMINATION BUSY YEAR**

The banquet culminated another very busy year for the C.G.I.T. group. The C.G.I.T. this year has continued to share in the support of an orphan. Funds for this purpose were raised through the sale of chocolates, tea and bake sale. Both the groups engaged in various handiwork activities The C.G.I.T. conducted three major projects in addition to their service and handiwork undertakings: (1) Bible Study Project: (2) Fashion Project: (3) Mission Project.

If the banquet was a wind-up activity, then Saturday, May 14 supplied an unwinding activity for the C.G.I.T. girls who were for a rather damp trail-ride as their own salute to a good year together

## 150 Students In New Summer Positions

OTTAWA Nearly 150 talented students from all the provinces of Canada are taking up new summer positions in other regions than their own. The students are part of the Student Exchange Program of the Institute of Public Administration of Canada.

**GRANTED $12,000**

The Centennial Commission is granting $12,000 to cover the cost of their travel and the administration of the program. The 20 chosen students from all provinces are providing the student positions.

Though the program carried out with students presently in Canada's Centennial Year, experimental experience will be gained from the host and guest leader. Students will be working and learning with others from different parts of Canada. Their activities will be on the important area of public service.

**GAIN KNOWLEDGE**

Not only will they gain knowledge of their host but they will have the opportunity to evaluate the public service as a career possibility. It is the hope of the Institute and the Centennial Commission that this program will lead to greater interest in public administration and the creation of further study in related fields with the Canadian history, economic and political base.

The Centennial Commission started in the 1st season of this program in 19— when fifteen students participated The success of the first year is the result of the success experienced last summer

The students whose travel is paid for take up their positions immediately

Bob and Muriel Heller won a prize as the most improved bowlers. For this they received a nice set of glasses.

## Kitscoty Pioneer Dies at 98 Years

A funeral service was held on May 26 for a pioneer of the Kitscoty area, John Haney, 98 of the Vermilion Valley Lodge at Vermilion.

Mr Haney homesteaded near Kitscoty in 1907 after emigrating from Pennsylvania. He later sold the homestead and bought another farm in the Streamstown area, 19 miles north east of Lloydminster.

Mr Haney later went into semi-retirement in the town of Streamstown, where he lived until four years ago, when he moved to Vermilion.

The service was held at the South Side Memorial Chapel in Edmonton with Rev. A. B. Simpson of Avonmore United Church officiating. Burial was in the Beechmount cemetery.

Not long before he died, President Kennedy issued a challenge: "For too long we have neglected the mentally ill this neglect must end. Compassionate understanding is now replacing punishment for the mentally ill, and therapies are mounting. Read about it in the free pamphlet 'What Is Mental Illness'" available from the Canadian Mental Health Association, 619 Revillon Building, Edmonton.

## Former Vermilion Girl Married in Calgary

GREEN—HUTCHISON

Spring flowers banked the altar of Northmount Baptist Church on April 30 for an early evening candlelight wedding ceremony when Catherine Doreen Hutchinson, daughter of Mr and Mrs. Glen H. Hutchinson, became the bride of Mr Edward Allan Green, son of Mr and Mrs. Stanley N. Green, all of Calgary.

Rev. K. R. Holmes performed the marriage service for the nuptials in which the bride was given in marriage by her father.

White Irish satin, fashioned the full-length bridal gown which was styled with a low neckline softened by raised appliqued flowers and complimented by a pleated cathedral-length train of the same material, which fell in soft flowing lines from the shoulder. The bride veiling cascaded from a coronet of stephanotis. The bride carried a white Bible mounted with a mauve orchid and trailing stephanotis.

To carry out the spring motif of the wedding, mauve floor-length gowns were worn by Miss Ruth Towell of Vermilion, maid of honor, Miss Doris L. Hutchinson sister of the bride, bridesmaid; Miss Linda Thompson, bride's matron and Miss Sharon D. Anderson of Vermilion as junior bridesmaid. They carried bouquets of yellow daisy mums. Miss Charlene E. Anderson of Vermilion was flower girl. She carried a basket of yellow daisy mums.

The bridegroom was attended by his brother David Green, and ushers were Mr. Bob Strohom, Mr Barry Hutchison brother of the bride, and Mr. Michael Barlas.

Prior to the wedding Mr James Towell of Vermilion sang "The Wedding Prayer" and during the signing of the register "O Promise Me" Mr. F. Jordan presided at the organ.

A reception was held at The Calgary Flying Club Lounge where the 12 guests were received by the bridal couple and their parents. The bride's uncle, Mr Angus Anderson proposed the toast to the bride Mr. Jack Howie uncle of the bride, was master of

For her going away the bride chose an off-white woven wool dress and coat ensemble complimented by pink accessories. Her corsage was a mauve orchid. After a honeymoon trip to British Columbia Mr and Mrs. E. Green will make their home in Calgary.

A GENERAL MOTORS VALUE — Pontiac Parisienne Custom Sport Convertible with Sports Option

**The only thing that says "low price" about Pontiac is its price tag... and that's removable.**

It would be easy for a guy like you to get excited about a new Pontiac. Especially when it's Beauty, full-sized styling. Rich interiors. The car has custom written all over it. Sure, you'd like to own a Pontiac. But if you're like a lot of people we know, you maybe figure that Pontiac is just too good to be true. You figure it costs a lot of money. Of course we can tell you all kinds of nice things about Pontiac; how well it's built, how much you deserve one, how the nicer we make the car sound, the more expensive you think it is. That only way we can get around this is to invite you in to have a look at the price tag. It's maybe not quite as colorful as the car, but it's liable to turn you on just the same. People forget (and who can blame them) that Pontiac is not an expensive car! And that's not just talk. We can offer you the kind of a deal that could put you behind the wheel of your own new Pontiac this week. A guy like you could really go places in a Pontiac. If there's any better way to get there, we can't think of it. And as most every one who owns one will tell ya, So drop in and get acquainted with all our price tags. You'll know us right away. Just look for one of the names listed below. So swing yes.

## Relatives Gather For Holiday

The farm home of Mr. and Mrs. Gordon Fitzpatrick of Dewberry was invaded over the Victoria Day weekend. Relatives and friends swelled the count to thirty-five. Six tents had a blow ing good time in the yard and one at the lake.

The holiday guests included Gordon's mother, Mrs. R. S. Fitzpatrick of Wainwright, Mr. and Mrs. George Fitzpatrick and girls of Wainwright; Mrs. Florence Barton of Irma; Mr. and Mrs. Tom Stewart and Mrs. Jessie Abram of Edmonton; Mr and Mrs. Bill Fitzpatrick, Mr. and Mrs Ivan Fitzpatrick and family, Mr and Mrs. Wes Ivy and Bob and their friends Miss Mary Post, Mr. Leron Barbrooke and Mr. John Baert, all of Calgary, Mr. and Mrs. Lorne Read and Mr. Les Thain of Kerrobert, Sask.; Mr. Tom West of Dewberry.

Many of them spent a good deal of their time fishing in the local lakes. The fish seemed to be in a hungry mood as each family had some filleted fish to take back home.

Thus ended a very pleasant week-end spent with brothers, sisters, aunts and uncles and friends.

## Princess Anne W. I.

The May meeting of Princess Anne W.I. was held on the 19th at the home of Mrs M Simonet. There were twelve members and one visitor, Mrs G. Simonet, present for the meeting. Minutes of last months meeting were read and gave a report on gifts and cards sent. The annual turkey supper was discussed and date set for June 15th from 5:30 to 8 p.m. Prices: adults $1.25, 13 years and under 50 cents, pre-school children free. The same committee as last year volunteered to convene the supper.

A motion was made and seconded to raffle our quilt, the draw to be made at our August meeting. Tickets will be sold by members and also at the supper.

All members' books were handed in to Secretary Mrs. F Stewart.

As the topic Mrs. A. Scarth read an interesting article on "Not Insane does it tell the whole story of farmer's stress and of living". The meeting adjourned with the Mizpah and followed by a delicious lunch. Next meeting will be June 16th at the home of Mrs. B. Richardson.

**Place 3rd In C.S.A. Bowling League**

The Mapstone team won third place in the league. From the left, Gib Stephen, Ivy Pare, Dorothy Mapstone, Stan Mapstone. Missing from the picture is team member George Lever

**What? Prize For Last Place?**

The Morley Douglas team finished up in last place in the Civil Service Bowling league and were presented with cards and trays. From the left, Wilfred Cody, Al Trober who made the presentation, Morley Douglas, Emily Douglas and Kay Doshanuk.

**MOTORISTS, CLEAR ROAD**

When the fire siren goes, all motorists are asked to pull over to the side of the road, and stay there until you are sure you will not interfere with the fire trucks

## U. G. G. Grants $5,000 For Agricultural Research

The United Grain Growers has awarded through the Alberta Agricultural Trust a $5000 John F. Rosenboe Memorial Research Grant to the University of Alberta to support a study of farm-family adjustment problems. Grant-in-the Department of Agricultural Economics. The U. G. G. made a similar grant supporting this research last year.

Dr. J. F. Parsons, Head of the Agriculture received the grant on behalf of the university. He said that it would be used for further research on the economic adjustment problems of families of Alberta agriculture.

The farm-family and prospects study which has been undertaken for the past 18 months, examines the continuous demands for farm product, and the production possibilities of the various Alberta agriculture in response

## News From Kitscoty

## Museologist Appointed For Alberta

The appointment of John B. Weaver as Museologist to the Alberta Provincial Museum and Archives has been announced by the Honourable Ambrose Hoosworth, Provincial Secretary. Mr Weaver joins the Museum following six years with the Smithsonian Institute Natural History Museum, Washington, D.C., where he was engaged in the sculpting of life-size figures and reduced scale dioramas of various ethnic groups. During this period Mr. Weaver also undertook considerable private contract work including figures of Mrs. John F. Kennedy and Mrs. Lyndon B. [illegible] First Ladies Hall dioramas for the Smithsonian National Geographic Building depicting exhibitions sponsored by that organization, and a life-size figure of Charles Russell, the Western painter, that now stands in Statuary Hall of Washington's Capitol Building. Mr Weaver's first public work, undertaken at the age of 22, was a War Memorial for his home town of Butte, Montana. After studying at the Art Institute of Chicago, he taught life drawing and sculpture at the Leyton School of Art, Milwaukee, before returning to Montana and the Historical Museum at Helena.

## Work For Town Planning Committee

Vermilion is fortunate that a planning committee stands organized and ready to study the needs of the town with an eye to the future. Such a committee must foresee and plan ahead. Even if some of the developments desired do not materialize, better to be prepared than to be sorry. In many cases opportunity knocks but once.

Right now Vermilion has need of additional residential building lots. It has need of more rental properties. These in view of some developments which are planned within the next year. Already two salaried men, newcomers to town, have reconsidered building because the only lots were in the far east end, too close in their estimation to the swimming grounds to warrant spending $15,000.00 on a home there. One of the men has already given up the idea of living here and has bought another empire.

If Vermilion is to take advantage of these opportunities additional lots must be provided, and as the burgeoning do not favor private developments of residential areas, the town must be prepared to purchase adjacent farm land, subdivide, and thus provide a choice of building sites. Speed is the essence. The town planning committee should study the conditions, recommend to the Council, and the Council must then act quickly.

## NOTICE

**(Re: The Expropriation Procedure Act Part 11, Section 24)**
**Chapter 30, 1961, R.S.**

In the matter of that portion of NW 9 53 5 w4 described as follows: Commencing at a point on the east boundary approximately 1977.65 feet south of the north east corner of the said quarter section, extending southward along the said east boundary a distance of approximately 910.00 feet thence westerly and parallel to the north boundary of the quarter section approximately 660.00 feet thence northerly and parallel to the said east boundary approximately 660 feet thence easterly to the point of commencement, containing 9.9 acres more or less, which is situated in the south boundary of road plan 19662 MD southwesterly to a point on the north boundary of the lagoon site described above, approximately 20.20 feet from the north west corner of the said lagoon site for said right-of-way to be available without further consideration to the occupier of the remainder of the quarter section for normal farming operations after the laying of the sewerage line to the lagoon the County proposes to expropriate the land for the purpose of the construction of a sewerage lagoon to serve the residents of the Hamlet of Clandonald.

And is ready to pay compensation in the amount of Ninety eight dollars per acre for the land to be expropriated.

On June 15, 1966, at 4:00 p.m. in the council chamber of the County of Vermilion River No. 24

a bylaw will first be presented to the council to authorize the expropriation of the aforementioned land.

A plan of survey of the land to be expropriated is on file in the office of the Secretary-Treasurer at Kitscoty, Alberta, and the plan is available for inspection between the hours of 9:30 a.m. and 5:00 p.m. Monday through Friday.

Before enactment of the bylaw, the owner of the land to be expropriated is entitled to make representations to the County and set forth his reasons why the land should not be expropriated.

If compensation cannot be mutually agreed upon for the land to be expropriated, then the amount of compensation will be ascertained by the Public Utilities Board at a future date.

## GREEN ACRES

By H. MORLEY DOUGLAS
District Agriculturist

**CHECK SPRAYERS NOW**

Spraying time is not far off and sprayers should be gone over now to avoid delays later on. No operators or farms in this area will be critical with regard to time and the importance of depending solely on sprayers is evident.

Until a couple of years ago sprayers were only used to apply 2,4-D type chemicals. Application rates were not very critical with the result that we became sloppy to some extent. Today we are using chemicals like Dicamba which demand accurate application rates. The old worn sprayer just won't do. Also the same sprayers may be used to apply many different chemicals, sometimes without flushing the machine out properly between chemicals and disastrous results follow.

Nozzles are the most critical part of a sprayer. Nozzles wear any other working part they are subject to a greater degree and inefficient than when new. Worn nozzles result in a greater amount of material than do new ones and improper nozzles will not deliver the material in a distorted pattern. If any nozzles are replaced they must be boom tips will need to be checked and compared with others along the boom for volume of material delivered in any given period of time. This can be done by collecting material in a glass jar for one minute. The spray pattern can be checked visually when the sprayer is operating. There are different nozzles for different purposes, and it is important that all nozzles on a boom be of the same type.

The pressure developed by the sprayer pump is also important for the chemicals to be applied properly. Low pressure sprayers of 45 pounds per square inch. The pressure should not vary as the sprayer is operated. Pressure is controlled partially by pressure Pressure also affects the spray pattern and the size of the spray drop

To do a proper job a sprayer must have good nozzles, develop adequate pressure and have a uniform boom set at the proper height. For the sprayer to apply the angle at which the spray is directed in relation to the ground is also rather important.

Even with a sprayer in good condition there are a few things to consider in sprayer operation. The sprayer should be calibrated to deliver the proper amount of material per acre. Cleanliness is vital and safety precautions are not to be spurned either. Some chemicals may be mixed and others may not These and a host of other things must be kept in mind carefully if the best and most economical results are to be obtained.

**DEMONSTRATIONS**

A number of demonstrations are co-operating again this year in forage seeding demonstrations throughout the county. On four hay fields a variety of fertilizer test strips were laid out last fall and these were duplicated this spring with fertilizer applied at the 1 year rate, 2 year rate and 3 year rate. This year soil samples were taken from several of the various sites and fertilizer tests were placed to see what results may be obtained through following recommendations based on soil tests. Yields from these plots will be studied and compared with unfertilized plots in the same fields and the results made available to the public. Plots are marked by fairly large signs and it is hoped that many people will stop to observe the results throughout the growing season.

**4-H EVENTS**

To date all the following clubs have held their Achievement Days on:

The Tulliby Lake Beef Club held their Achievement Day on May 21st. The judge was Lyle Robinson and Vermilion. The champion calf was owned by Sharon Belsheim and the Reserve Champion by David Klop.

Lyle Robinson also judged the calves at Paradise Valley. His placings were like Oldenburg's calf Champion and Jim Brown's calf as Reserve Champion.

The Dewberry Club put on a fine show on May 30. The calves were judged by Stu Duncan of Wainwright and were placed Champion to Frances Braithwaite and Reserve Champion to Jimmy Blackstock.

At Marwayne, June 1, Bob Cress of Vermilion awarded the Champion ribbon to Jim Nobuyuki and the Reserve Champion to Harvey Holowaychuk.

The Blackfoot club was judged by Oscar Peterson and Dunsee club by Norman Baley on June 7th.

Those members not forth a very good show and deserve a great deal of credit and recognition for their efforts.

## 16 Years Ago Today

**JUNE 9th, 1950**

The first general rain for the past two years really soaked the ground from Sunday to Tuesday morning. A total of 1.84 inches of rain fell in the very best way possible.

The second annual Provincial Fire Chiefs' Convention will be held in Vermilion at the V.S.A. on June 26 and 27.

Alf Logan brought in six of just about the finest yearling steers you could wish to see, on Monday, and sold them to the Co-op butcher shop for the tidy amount of 30c per lb., liveweight.

Funeral services were held on May 30th in the First United Church for Mrs. Nellie McBride who passed away May 27th.

Heat records for the month of May over the last 25 years were shattered when the mercury touched 90 in the shade. the monthly report of the Dominion Meteorological Bureau reveals.

The local creamery has made arrangements whereby they can supply ice cream in large or small quantities for tours and country sports days.

## 48 Years Ago Today

**JUNE 9th, 1966**

Showers and sunshine prevailing weather for the week. Crops are well rooted and thrived, but backward in grwth. Heavy downpour of rain is thoroughly needed to get crops moving things up.

Town walks are being constructed this week by A W Rosborough and a staff of assistants, and the work already done has made a wonderful change for the better

## Plan Hearings On School Centralization

Five members of the Alberta Legislative Assembly, R. B. Lemaire, A. Aleluia, M. Senych, C. F. Bennett and M. Macegan, have been named to a Special Committee on School Organization which is now inviting the representations of briefs by all parties interested in the study of this subject.

The Committee will be inquiring into the interest and concern of the public with respect to the centralization of schools; the educational opportunities presently being offered in the elementary and secondary schools of the province, and the problem of centralization and consolidation in the rural areas and small cities, with particular reference to vocational high schools; briefs are especially invited from local level branches of the Alberta Teachers' Association; the Alberta Trustees' Association; Home and School Association; Farmers' Union of Alberta, the Farm Women's Union of Alberta; Chambers of Commerce; school and municipal authorities, religious organizations and other associations.

After July 18th, which is the deadline for the submission of briefs, the Committee will hold public meetings in various centres of the province to hear representations in support of the briefs submitted.

## Father Charles Keenan Honored On 40th Anniversary Of Ordination

Forty years devoted to the work of the church was recognized by the parishioners of Holy Name Catholic Church on Sunday, when they gathered in goodly numbers to pay tribute to the Rev. Father Charles Keenan, on the 40th anniversary of his ordination to the priesthood.

The anniversary, held in the Elks Hall, was marked by a sumptuous banquet, presentations and tributes to Fr. Keenan and his work over the forty years.

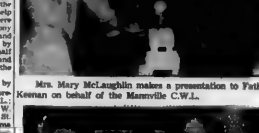
Mr. Bert Herzog ably acted as master of ceremonies, for whom tion of visitors was by Fr R A Payment Paying tribute to the great of honour were Fav Father Nearing of St. Joseph's College, St Albert, as guest speaker Rev Father Gorman of Lloyd minster, Dean of Priests of the Diocese; while thanks for help in the St Jerome's School were expressed by Principal Anthony Rogenini; congratulations and best wishes were conveyed by Mayor S. C. Heckbert on behalf of the town of Vermilion, and Ashley Cooper, M.L.A., for the Vermilion Constituency.

Presentations were made by Mrs. Mary McLaughlin, representing the Mannville C.W.L., Mrs. McGillis, Vermilion C.W.L., Miss Jeanne Macdonald, St. Jerome's School; Mrs. Emma Howgate, the Legion Auxiliary, Knights of Columbus and Mrs. Morlog.

The esteem and respect in which Father Keenan is held was indicated by the large number of priests and sisters present from many points in the diocese, included were two nieces of the honored guest.

Father Keenan replied most fit-

Mrs. Mary McLaughlin makes a presentation to Father Keenan on behalf of the Mannville C.W.L.



Mrs Susanne McGillis presents a gift from the Holy Name C.W.L.

Miss Jeanette McDonald presents a gift on behalf of St. Jerome's School.

Father Keenan receives a presentation from Mr. Joe Morlog on behalf of the Knights of Columbus.

Mrs. Emma Howgate presents a gift to Father Keenan from the Legion of Mary.

thugly to all the tributes and good wishes extended to him.

It was pleasing that the labor and administrations of those carrying out the work of God in the Church should be recognized by the people.

## Derwent Man Earns Degree At Walla Walla

DERWENT. — A Derwent, Alberta man will be receiving a Bachelor's degree in Walla Walla College's commencement on June 5th. Leslie N. Pallnka, son of Mr. and Mrs. Peter Pallnka receives his B.A. degree with a major in Theology. While on the W.W.C. campus he has been active in religious and musical activities. Mr. Pallnka will continue his studies at Andrews University, Theological Seminary located at Berrien Springs, Michigan.

## Sewing Club Achievement Day Held At Dewberry

DEWBERRY. — Dewberry 4-H Sewing Club held its Achievement Day recently. The theme was "Cotton Capers."

The program included a talk on cottons by Marie Kliness and a demonstration by Lorraine Dufresne. Two tots modelled a humorous creation in "Sewing is Short". The members also received a fashion show of easy to make beds.

Judges were Miss Marion Rhodes, District Home Economist from Wainwright and Miss Elizabeth Markle from the 4-H Department at Edmonton. The club was encouraged by the judges, showing some very good work for their first Achievement Day.

Winners announced for the two divisions were Senior — 1st, Lorraine Dufresne, 2 Dorothy Vivian, 3, Barbara Sweet. In the Junior Division 1st, Janet Bunn, 2 Janice Rinlan, 3 Susan Vivian.

Lunch was served by the girls to the many interested mothers and friends.

## WILDMERE WINKS

Some rain showers have been giving parts of the country appreciable amounts of moisture Now for some warm weather to make things come by leaps and bounds!

**SHOWER LINDA R. SMITH**

The shower at the hall for Linda R. Smith brought out a large crowd to wish this young girl congratulations. The evening was spent dancing to music of the Stagerriders followed by a delicious lunch. Mr. Floyd Sowed presented the gifts on behalf of all Linda's and Joe's friends

Mr and Mrs Ken Shepherd and family of Edmonton were weekend guests at the Orsch. ees' home Allister Crothers also came from his summer job at Grande Prairie district.

Guests at the Hughes home were Jack Hughes and Mrs. Ann Heckbert from 1 Brunton Mr and Mrs Charles Heckbert were also visitors at the Hughes home

**SHOWER LINDA HARRISON**

A large crowd attended the shower on June 4th for Linda Harrison whose marriage to Larry Smith will take place next month. The gifts were then lunch and all enjoyed the evening spent passed with dancing to music by the Stagerriders. A humorous lunch was served by the entertainment committee of the Dunsee Central Area artist of which Arnold Rund made the presentations.

A good crowd turned out on Monday evening for a general meeting to discuss a possible athletic association. A motion was recorded to send to the Queen's Canada

Remember every Sun day at the [illegible] 10 a.m.

## Former Clandonald Resident Passes On

Mr Alphonse Roberge of Edmonton, a former resident of Beaverdam and Clandonald, passed away in Edmonton May 30th.

Left to mourn his passing are his loving wife, three sons, Leon, Arlen and Wilfred of Lloydminster, and one daughter, Mrs. R. Lamp (Blanche) of Edmonton. There are twenty-five grandchildren.

"Pop" as he was known to all his friends, operated a general store in Clandonald, and moved there from Beaverdam.

## Isbay Locals

The Grandmothers' potluck dinner will be held on Thursday, June 23rd at the home of Mrs. Percy Colby. We hope to see all the grandmothers there.

Mr. and Mrs. W. Potvin, Mrs. Rose Kennedy, Robert and Donald attended the funeral of Alphonse Roberge in Lloydminster last Wednesday. He was the husband of the former Alma Potvin who now resides in Edmonton.

We were pleased to hear Mrs. Yvonne Steinhauer and several members of the Bristow family were in Isbay last Saturday and regret we were unable to visit with them.

Mr Michael Winter who came to Canada fourteen years ago and spent the first two years with the Potvins, called on them on Sunday.

Mr. and Mrs. Ed McFadyen went to Wasa, Sask., Sunday to visit Mr. and Mrs. Bruce McFadyen and children.

IN MEMORIAM

In loving memory of our dear Dad and Grandpa

FRANK Burgess

—who passed away June 15, 1965.

"One year ago today
Since our dear Dad and Grandpa passed away.
He has gone and ever know
How Dad we still miss you so.
God called him away
To be toward God still suffer today."

Always loved and remembered by Bill and Yvonne, Osana, Frank and Gladys, Ronald and Sadie and the Grandchildren.

CARD OF THANKS

My thanks to Dr. Ryan, the matron, nurses and staff of the Islay Hospital for their efficient care and friendly attitude while I was in hospital. Thanks also to all who sent cards, gifts and flowers and who came to visit. Special thanks to the kind friends who brought baking to the house.

Mrs Ethel Bell.

CARD OF THANKS

I would like to take this opportunity to thank Dr. King, Miss McPhee and the staff for the wonderful care I received while I was a patient in the Vermilion Hospital. Also to sincere thanks to all those who visited me and for all the cards, flowers, etc. I received.

Michael Yuzik

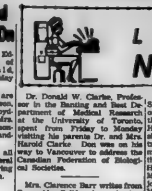
## Wins Service Award At N.A.I.T.



Ivan Olsen, son of Mr and Mrs. Arnold Olsen of Vermilion, graduated from N.A.I.T. on May 14th in Radiological Technology.

A banquet and dance followed on May 14th and was held in the luxurious New Edmonton Inn

Ivan completed his high school education in Clandonald before entering X-ray at the Royal Alex, Edmonton, for practical training and N.A.I.T for theory. Upon completion of his internship at the Royal Alex Hospital he plans to work at the Calgary Foothills Hospital for a year and then later plans on continuing his education. He hopes to specialize in Neurological Radiography

## Anglican Young People Attend Edmonton A.Y.P.A.

MANNVILLE: Eight young people from Mannville and district Ann and Robert Cosford, Kristine Geake, Lise and Gary Lunnell, Emmett Lloyd, Marie Dariene McMullen and Margaret Kenzie attended the annual meeting of the Edmonton Anglican Young People's Association in Edmonton on Sunday June 5th

The meeting began with a dinner held at the Hillcrest Church when 75 young people were present to hear the guest speaker of the day Rabbi Ginsberg.

Rabbi Ginsberg spoke eloquently on a subject so vital to all of us "Life" stating that each and everyone of us is equipped with a bag of presents and has to go to work with, the result whether it be success or a stumbling block is up to the individual. He also showing that life is not a goblet to be drained but a measure to be filled.

The young people from Mannville were accompanied by the Rev. Cosford and Jack and Vivian Cosford

Peter Link and Gary Kuebn ended with minor injuries following a car accident which happened on Saturday last Wednesday evening. Both were patients in the Royal Alex hospital for a few days.

## Showers Honor Bride-Elect Of This Month

On the evening of May 18, Mrs. H. Rohrer and Mrs. Ivan Olsen while were hostesses at the home of Mrs. Rohrer at a miscellaneous shower for Miss Lenda Smith.

Thirty ladies were present when Linda's surprise arrived having a Tea Party theme. The ladies, also Linda, were dressed in Tuxedo and beautiful, pastel, floor length gowns.

Linda with many beautiful and useful gifts.

Following the opening of the gifts at which she was assisted by her mother, Mrs. Smith and Mrs. T. Kosowatz, Linda was thanked all those present for the lovely gifts and delicious refreshments served by the hostesses.

Miss Linda Smith was the honoree at a miscellaneous bridal shower at the home of Mrs. Lettie Puckett the evening of May 24th.

She received below pink and white streamers with multi-colored balloons which showered down on her. Linda opened the lovely gifts, after which she thanked the 21 guests present.

Mrs Wm Smith who assisted her daughter and the hostesses were presented with corsages by the hostess.

The gifts were presented to the guest of honor in a twelfth replica of a hair dryer complete with stand.

Surrounded by gaily colored papers and ribbons Linda was able to find a number of useful items present for the gifts and good wishes for the future.

A dainty lunch was served by the hostesses assisted by her daughters Mrs Keith King and Miss Yvonne Pickett bringing a very enjoyable evening to a close.

The Dewdrop Community Centre was the scene of a miscellaneous shower on Saturday evening, June 4th when friends and neighbors gathered to honor Miss Linda Smith and Mr. Ken Rowe whose wedding takes place on June 11th.

Dancing highlighted the evening's entertainment until midnight when refreshments were served.

A feast table had been laid for the honored guests and they were seated with the old Linda were congratulations Mr. and Mrs. Karl Schaan Mrs. H. Rohrer, Mr. Albert Smith, Miss Mary Nelson who will attend the bride and groom at the wedding. Honorary attendants will be Miss Lenda Smith and Mr. Adam Smith Jr.

Linda received many gifts at a miscellaneous shower held at the home of Mrs. Ivan Olsen on May 18th.

Following lunch Mr. Pickett acted on behalf of the community and those present presented Linda with a shower of gifts to the bride-to-be. Linda will be married on June 11th at the Dewdrop United Church.

Joe and Linda made up the evening's entertainment with a well chosen musical selection of the bride's gifts that had received and invited them to attend their wedding and to "come back when they get a chair in their new home."

## Clandonald 4-H Beef Club

(By Rodena MacMillan)

The June meeting was held on the hall in Clandonald hall.

The main event was the up-coming achievement day which will be June 18th. Plans were made in this regard. Our achievement day will begin at 1 o'clock sharp.

The club would like to extend thanks to Mr and Mrs Schaefer who were kind enough to lend the club their garage to use as a booth for the 4-H softball tournament

The club wishes to thank Mrs. Hodgson, Dewberry, who showed slides at a recent meeting. These included various farm scenes, days and pictures of the world's fair in Seattle On behalf of the club, thanks, Mrs. Hodgson.

On Sunday, May 15th the club held its annual ball tournament in Clandonald with two of our own teams and teams from Prentice, Vermilion Dewberry and Derwent. The afternoon was a great success and proved to be fun for all.

MANNVILLE RAISES $263.22 FOR RED CROSS

## SPECIAL LEGISLATIVE COMMITTEE ON SCHOOL CENTRALIZATION

In accordance with a Resolution of the Legislative Assembly of Alberta, passed on April 15th, 1966, a Special Committee, consisting of the following Members of the Assembly

R. B. LAMOTHE (Chairman)
A. ALOSSO
M. SENYCH
E. P. BENOIT
M. MAYCAFNO

has been appointed for the purpose of enquiring into and receiving representations and recommendations as to

1. The interest and concern of the public with respect to the centralization of schools.

2. The educational opportunities presently being offered in elementary and secondary schools, and

3. The problem of centralization and consolidation in the rural areas and smaller cities with particular reference to vocational high schools.

The committee invites the submission of Briefs by all interested parties, particularly local level branches of the Alberta Teachers Association, Alberta School Trustees Association, Home and School Association, Farmers Union of Alberta, Farm Women's Union of Alberta, Chambers of Commerce, school and municipal authorities, religious organizations and all other interested individuals or associations.

Seven copies of such Brief should be forwarded to the Committee not later than July 15th, 1966, after which time public meetings will be held in various centres of the Province to hear representations in support of the Briefs submitted.

Address Briefs and correspondence to:

The Secretary,
Legislative Committee on School Centralization,
213 Legislative Building,
Edmonton, Alberta.

R. B. Lamothe, Chairman
Legislative Committee on School Centralization.

## Elementary Play Night At St. Jerome's Much Enjoyed

At the concert held on May 13 one's eye with their flashy red coats and yellow stripes, the one's ears were delighted with blackbirds in the Grade 1's second presentation "Blackbird Pies", thrilled the spectators young and old. The King (Laura Buchanan) found no better solution to the money and blackbird problem than have the chief cook (Rita Herzog) make black bird pies.

"The Broken Statue" presented by the Gr. 2 class brought everyone into imaginary gypsy land. A statue (Cheryl Brunet) presented all children in the surroundings. Unfortunately the gypsies broke the beautiful statue which was then changed into a fairy (Janice Paymen's fairy) and graceful dancing must be commended together with the group's delightful singing. The costumes and setting were well chosen and greatly admired.

Father Time (Brian Mynbak) had Mother Calendar (Kathleen McCaughey) in "Mother Calendar's Children" present her 12 children, the twelve months of the year. Very beautifully cast with apple blossom background the Gr. 3 group combined knowledge to the evening by commenting briefly on the history of each month of the year. The simplicity of this work was particularly pleasing.

"Through Fairyland", an operette presented by Grades 4, 5 and six closed the evening's program. During this three-act presentation the audience was carried from the King's court (where heralds, elves and King's (Joe Mirwaldt) daughter Rosie, were introduced) to a moonlight scene in a nearby garden where a witch cast a spell on the fair Rosie (Shannon Barber). During the first act Prince Richard (Bruce Herzog) is changed back to Rose accompanied by a beautiful prince (Richard Jones). For this good deed the witch is crowned by a good fairy (Anne Yurystowski). Congratulations to Brian McPhee, the jester and to Valerie Jaremco, the witch, for their splendid performances.

Most sincere thanks go out to the teachers who were responsible for the evening's great success and particularly to Mrs Helen Zaplitny who so unreservedly and graciously gave of her time and effort to produce entertainment for the various songs. The evening was greatly enjoyed by all.

Newspapers are the only medium offering the magnetic appeal of classified ads.

On Display at Vermilion Museum

This large antique vase, highly ornamental and hand painted, is on display at the Vermilion Museum. This type of vase, standing 4 feet high was found in large old time mansions. Mr. Sorensen purchased this, through a friend, from an antique shop in Montreal. This and hundreds of other antiques are all on display at the Vermilion Museum (formerly Kupin's Store) on 50th Avenue.

## Pleasant Valley

This is real springtime now away a lot of soil throughout everything is looking so lovely the fields.

The flowering elders are now in their prime through the town and the wild blossoms are on the French lilacs will bloom grand and it looks like a good crop of berries may be expected this year.

Anne Clarke's children came to Mrs. Clarke's home very happy on Saturday. They had entered the Coop track [illegible] and one was a [illegible] Then [illegible] pocket money for all three to spend. Alberta [illegible] for approximately three hours. On Sunday they visited the wards were busy and the Clarke home was report no dust was then. rain has fallen in their district. We were pleased to have Porta all seeing on Sunday, the rain and Jill McFadyen in for tea one [illegible] gerard down here and washed day recently.

## Auto Racing Again At Speedway On Sunday

The stock cars will be rolling at 2:00 p.m. the fun begins all over again as the drivers from Vermilion, Lloyd, Mannville and Lloydminster fight it out at the local Speedway. More bleachers, better views and improved spectator protection have been added this season, all for the benefit of the fans. These help do put on a real show, so don't miss it.

## SUNDAY AT THE ALLIANCE CHAPEL

The monthly observance of Pioneer Communion highlighted the morning service at the Alliance Chapel, Sunday, June 5th. Pastor H. Bell was in charge assisted by men of the church Mrs. A. Curtis and Mrs. J. Bell sang the duet "One Who Was Willing".

The evening service featured three young people who have just returned from attending Bible School. Miss Arleigh Stephenson Graduate of the Prairie Bible Institute, Three Hills, Alta. and Ken Tovell just finished his first year at Bevan Bible College, Calgary. Both briefly in the service. Brian Harrison, graduate of Bevan Bible Col lege Calgary, gave the evening message.

Rev. Bell left on leave shortly to further his studies preparatory to his appointment as Director of Youth for Christ in Red Deer, Alta. Mrs. R. Pilsbury sang a solo "How Long Has It Been ?" and Mrs. Albert Tovell played an accordion solo "Christ Returneth". Russell Kepin assisted in the evening service. Piano and organ accompaniment for the singing was played by Mrs. J. H. Bell and Ken Tovell.

Out of town visitors in the morning were Mrs. Werner Engelbert Prince George, and Miss Judy Davis Misericordia Hospital in Edmonton, visiting their parents Mr. and Mrs. Geo. Davis Mr. Kirk. Three Hills, in town for the week-end.

## Rev. B. A. Hart Officiates At Mannville Baptism

## Marwayne United Church Celebrate 30th Anniversary

The United Church at Marwayne celebrated its 30th anniversary on Sunday morning, May 29th.

The Rev. Dr. Johnson, professor at St. Stephen's College at Edmonton was the guest speaker. He gave a splendid address and reminisced the pioneers who had turned the first sod to build our church, over thirty years ago.

All four points of this Ministerial Charge were well represented. From Kitscoty, Dewberry, Islay and Marwayne.

After the morning service, the ladies had prepared a noon-day luncheon for all those attending the morning service.

The guests at the head table were Rev. and Mrs. Richardson, Rev. Dr. Johnson, Father Groton who serves the Catholic Church at Marwayne and representatives of the four families that are left in this district who were members of the United Church at the time our church was built. They were Mr. and Mrs. E. A. Meiklejohn, Mrs. W. Giles, Mr. Roy Fitzpert and Mr. and Mrs. S. A. Berg.

Mr. Meiklejohn and Mr. Berg were called upon to give a synopsis of the work which has been done in building our church at Marwayne

Rev. Delaney was Minister at the time We held our services in the old School House. Rev. Delaney was very keen on making a start on building a church.

A meeting was called of all those interested in building a church. But, in the days of nickels and dimes in the hungry thirties, it was not a small task to attempt building anything. However, at that meeting we learned that the Ladies Aid had gathered in approximately four hundred dollars, in nickels and dimes which they graciously presented to the church building fund. The meeting decided to go ahead with the building We hired one carpenter to erect the frame for the building and with room volunteer help of community minded men and women, we finished the job.

Then in 1932 we needed more room for our Sunday School. An addition was added behind the church building. And then in 1965 we had grown to a proportion we felt now we needed more room. Another addition was added. And now we have a banquet hall, kitchen and a full basement under the new additions.

Our thanks goes out to all those people who have helped to make our Church building possible. Now we have a comfortable place in which to worship

## Citizenship Seminar Planned For F.U.A. Goldeye Camp

Young people 16 to 21 years of age of all races and ethnic groups will take part in a Citizenship Seminar at Goldeye Lake this summer for the second year in succession of the Farm Women's Federation of Alberta. Goldeye Lake is 110 miles west of Red Deer in the Rocky Mountains. The seminar will be held August 7th to 13th.

"Citizenship integration and leadership in these fields are all talked about a great deal with no specific results" says FWU A Secretary Edna Robertson. "For this reason we feel the Citizenship Seminar planned for Goldeye Lake camp is not only a practical approach to solving some thing about it but a very severe duty step into putting these ideals into practise"

"Our aim is to develop a mature community founded on democratic procedures with freedom for the youth to plan openly and evaluate their own program. The staff will encourage in the young adults the leadership ability and acceptance of responsibilities"

To get the desired results we want to bring young representatives of Indian, Negro and Chinese races as well as various ethnic groups, together for this seminar all discuss the problems some possible solutions and methods for putting their solutions into effect By living together as a community at Goldeye they will learn to meet one another's problems and really practise Canadian Citizenship" says Mrs. Robertson

## Marwayne Friendship Club

Everyone enjoyed the Penny Auction held at the May meeting of the Marwayne Friendship Club. The Auction was brought in needed funds for the treasury.

Mystery Whist was played and the lucky four were Mrs. A. Berg Mrs. Annie Hanson Mrs. Hansen and Mr. Meiklejohn. The consolation winners were Mrs. Meiklejohn, Mrs. Mott, Mr. H. Pupper and Mrs. J. Topper.

Happy Birthday was sung to Mrs. Bykonuk

Three members in hospital at time of writing and to whom we wish a speedy recovery are Trapper Mrs. Carr and Mrs. Shaw.

The ladies of the CHURCH are treating us by serving lunch at the June 14th meeting. We would like to see a good turnout of members

# 109 Attend "Dirty Thirties" Re-union Held At Islay

(By MURIEL STONE)

ISLAY. - - May 28th, beginning at 3 p.m., was the setting for a night to Islay when a reunion of the Islay Dairyland Theatre and the Islay and Holyrood schools during the 1930's was held. 109 in all attended and it was a time from far and near from San Francisco Terrace, B.C. Calgary, Edmonton Spondin Melfort

There were hilarious greetings and much reminiscing and at long last it was learned who put those frogs in the well in Holyrood School on Halloween of 1929 and also who was responsible for many other pranks.

All sat down to a most delicious buffet supper. This was followed by a community sing arranged by Mrs. Ida Tibbs. Those were results showed ears and an old time fiddle contest between Mrs. Violet Schaffer Bessie Hanks at the piano held sway for the next half hour or so as those Hanks, Helen McGeorge and Wayne Torrance worked untiringly to help. Also thanks to those who loaned the TV tables.

Amid the goodbyes was heard the cry "Let's get together and repeat the [illegible] for another"

Old time dancing then got everyone up on their feet while Mr and Mrs Charlie Hart played for the first waltzes and two steps as they had played for the first dance in Islay's new hall in 1936 It was a thrill! Then the Allan Orchestra of Kitscoty took over. It was good music Bert Torrance called the square dances and the dancers really enjoyed it to 30 years ago!

A sort thank you is due those who assisted in any way. Mrs Ida Tibbs who helped in sending out invitations. Mrs. Edna Torrance and Mrs. Eva Tibbs engineered the supper and the midnight lunch assisted by Mrs. Bud Armstrong Mrs. Hollis Mayre and Mrs. Sora Mortenson who baked the cakes. Babs Inman Jean Inman Jean Harris Ella Van den Vinder Schaffer Bessie Hanks at the piano held sway for the next half hour or so as those Hanks, Helen McGeorge and Wayne Torrance worked untiringly to help. Also thanks to those who loaned the TV tables.

Amid the goodbyes was heard the cry "Let's get together and repeat the [illegible] for another"

Some 30 000 pictures were sent from afterward the world for the Expo 67 photographic exhibition

## Employment of Students Urged

Employment conditions in the Vermilion Lloydminster area look very good this coming summer stated Mr E Goulding the Manager of the Lloydminster National Employment Office In all probability there will again be a shortage of qualified applicants comparable with last summer therefore employers are urged to consider the use of high school students to alleviate the situation Registration of those students is now underway in the local N[illegible] office and some of those applicants will be available in the part time [illegible]

Mr. Goulding also stated that the Lloydminster National Employment Office will now be open [illegible] on Tuesday and Thursday [illegible] to 9 p.m. [illegible] but [illegible] was done in the past [illegible] the hours of the office [illegible] the year [illegible] personal service to the public

# Old-Time Clandonald Resident Passes

Francis Monaghan of Clandonald passed away suddenly at his home April 19th after a short illness, at the age of 69 years.

He was born in County Tyrone, Ireland, and came to Clandonald in 1905 where he farmed until the time of his death.

He leaves to mourn his passing, six sons, John of Whitecourt, Charlie of Edmonton, Jerry, Francis, Jim and Eugene, all of Clandonald; four daughters, Mrs. Steven (Mary) Sybor, Mrs. Jim (Jane) French, Mrs. Fred (Margaret) Dudderidge, all of Edmonton; Mrs. Jim (Kay) Dixon of Whitecourt; one brother, Charlie of Drumfollers, Ireland; one sister, Sister M. Pauline of Isleworth, Middlesex, England.

A very nice farewell party was held at the Lodge on May 20th, to honor Mrs. Sarah Kay who is leaving on May 30th to make her home in England. A tasty lunch was served by the staff, and a presentation of a purse of money was made to Mrs. Kay.

Mr and Mrs. Charlie Burt supplied the music for dancing.

Mrs. Kay will be missed by her friends who all wish her a very pleasant journey and a happy time in England.

A speedy recovery is wished for Mr James Barbert and Mr Ira Swanson who are patients in the hospital.

We are happy to welcome a new patient to the Lodge in the person of Mrs. Osterberg.

*VISITORS TO THE LODGE*

Mr. Leafus Elk Point; Ken Sloan Mr and Mrs. Ray Sloan; Mr and Mrs. George Lemon, Mr and Mrs. Carruth Mr. Hopkins, Charlie Clement, Mr. and Mrs. George Cameron, Phyllis Fahlenberg, Mr. and Mrs. Nick Stephens, Mr. and Mrs. Ed Schumacher, Mr. and Mrs. Vic Turnham, all of Edmonton.

Mrs. Fred Krause, Vancouver; Mrs. Hilda Bell, Charlotte Wilkinson, Vera and Mary Bowman, all of Islay; Mrs. Newman, Bromide; Mrs. R. S. Pidcock, Mrs. Nolle Stewart, Mrs. Peggy Browne, Mrs. Myrtle Bo-tamer, Mrs. Ted Simpson, Mrs. J. Shepard all of Kitscoty; Mr. and Mrs. R. S. Lowell and Shelton, Mr. Clandonald; Mr. and Mrs. Bert Barber Wainwright; Mr and Mrs. A. Myers, Cooks Cove, N.S.; Mrs. Newt Myers Lloydminster; Mrs. Alex Sperberg and Doreen Beck, Blackfoot, A. Forrest Calgary; Miss Doreen Turnham Calgary; Erna and Josh McEnody, Medicine Hat.

About 20,000 people are employed at the various plants of GM and in the company's zone offices and parts warehouses.

# Centennial Report

1867 1967 by JOHN W. PIDGEN CENTENNIAL COMMISSIONER

It is still possible to get a canoe trip our Canadian rivers and tributaries and paddle to one of the oceans.

Eric W. Morse, an expert on our fur trade history who has traversed and written about the old canoe routes of Canada, says there are so many miles of inland waterways in this country as in all the other nations of the world combined. In fact it is estimated that one quarter of all the fresh water in the world is to be found in Canada.

In an article published a few years ago, called "Canoe Routes of the Voyageurs", Eric Morse suggested that sometimes, as much history can be learned from a canoe as from a history book if that is the case — and I believe he is right — many of us are going to learn more about Canada's history when our attention is attracted to the 100-day Centennial Voyageur Canoe Pageant next year from Fort Rouge, Manitoba (near Emerson) to the British Columbia border, concern will dip their paddles and follow in the wake of voyageurs and fur traders along the early fur trade waterways. Their destination — Expo '67 at Montreal, a distance of some 4000 miles of it.

The Centennial Canoe Pageant will create considerable excitement because it is to be a "race" between teams chosen by the various provinces of Canada and the territories. The race will be conducted according to rules similar to those of a car rally in that competitive speed checkstops can be made at communities along the route for participation in local Centennial celebrations. Like the old fur brigades, they will travel in flotillas and judging will be done on a points system.

While the race will create excitement it also will stir our imaginations. It will remind us how some of our colorful pioneers travelled and developed the great economy of Canada. It is inevitable, as Eric Morse describes it, that in an age before air travel, in a land dotted by road or rail, on a land bound with concrete, dangers and difficulties seem burdened with hundreds of tons of fur and trade goods succeeded each year in crossing that half a continent and back again in the scant five months between breakup and freezeup.

The modern day "voyageurs" who have been chosen for the 1967 pageant have been getting into shape for the big event this summer they will participate in advance trials. One of the last races will be held in August, in conjunction with British Columbia's Centennial celebrations, from Fort St. James down the Stuart River to Prince George and then down the Fraser river through Hope to Vancouver. The crews will portage by trailer to Yale and then paddle on to Hope. New Westminster and Vancouver are across the mouth of the river.

It is the other test race crews will face — the treacherous Fraser Canyon Rapids (now within the boundaries of Metropolitan Montreal) and on to the Expo 67 site. From Montreal, the paddlers will move up the St. Lawrence, down the Richelieu through once hos-tile Mohawk country, to Lake Champlain then on to New York for the Labour Day week-end. There, Centennial against the Mississippi system and the United by the silent and modern canoe adds their journey will end for this year.

Private canoes of special design, resembling the old North-ern canoe type used by the early voyageurs, are being built in Fredericton, N.B. for the pageant. The first was tested in April on the North Saskatchewan River near Rocky Mountain House, Alberta.

The big race in the summer of 1967 will be one of the highlights of the Centennial. Many Canadians who live on the route from Fort St. James down the Stuart River to Prince George and then down the Fraser river will be able to witness the pageant and the others will enjoy following the teams by way of press radio and television reports during the 100 days.

The length is the distance in 100 days. This includes portages and days of rest, up mountainous sides — lifting their canoes and heavy loads of equipment — sleeping outdoors — soaked hundreds of times — tired, worried, sometimes plagued by black flies, and flies, mosquitoes and, well, I was commencing to our forefathers did it; I'm glad I'm not invited.

# 1966 Alberta Dairy Princess Competition

Miss Gaylene Miller of Dalemead, Alberta's charming and talented 1965 Dairy Princess, will compete in the Canadian National Exhibition finals in Toronto in September.

# Paradise Valley

ACHIEVEMENT DAY

A very interesting day was held Saturday, May 28th at the farm of Mr. Martin Sulla when the 4-H Beef Club held its Achievement Day there. Thirty-four calves were judged. In the Senior Class, Ken Oldenburg had the champion and Jim Brown the reserve champion. In the Junior Class Stuart Purser had the champion and Yvonne Young the reserve champion. In the final judging of the Senior and Junior Classes, Stuart Purser was the grand champion. Congratulations to the winners and to all competitors who showed very fine calves according to the comments of the judges. Much work and skill went into the preparation of these calves.

Congratulations also go to the 4-H Clothing Club, the members of which showed very fine workmanship in the garments made and the log of lunch, etc. showed much demonstrations, progress, and progress in this important club work. A detailed report of the club's activities will appear later.

Mrs. Roy Geddes of Oliver, B.C. has been visiting at the home of Mr. and Mrs. Raymond for a week. Mrs. T. Rayner, Mrs. Geddes, Mrs. G. Wiley, Mrs. G. Henry and Mrs. H. Smith motored to Edmonton Thursday, returning Friday evening. They visited at the J. Rogers, Rex Hatchard and E. Olsen homes.

I wish to thank the following Cancer Crusaders: Mrs. C. Bleakley, Mrs. J. Gordon and Mrs. J. Paradise. Also all the people who made it possible for us to get a total of $340.25.

Doris Fiorell.

# ISLAY

We congratulate the people of the Marwayne United Church on the 30th anniversary of their church, celebrated on Sunday, May 29th. Dr. Johnston of St. Stephens College was the guest speaker. A potluck dinner and social time completed a very fine program.

Congratulations to Mr and Mrs Raymond Bloomfield of Pleasant Valley on the birth of a baby girl.

Mrs. King arrived the holiday week-end and went fishing with Walt McCaughan in the Prince Albert area.

The Waterfield hay meadow has too much water in it so Mr. and Mrs. Eddie Waterfield went to Medicine Hat to obtain a large pump for pumping out some of this water.

Mrs D Martin was in Calgary for a delegate to United Church Conference.

# Wildwood (East)

The weather could be well described in one word, windy. The seeding is well underway with most of the wheat in. A few have all done but this is the exception.

Congratulations to the Sullins. It also became parents all nine babies in March and April. Mr. and Mrs. Jimmy Parish of Lloydminster announce the birth of a son. Mr and Mrs. Cecil Landis a daughter. Mr and Mrs. Jack Orbeck of Edmonton a son.

Lauma Shand visited with her sister Marie Stone for a month. Her son Louie Shand from Calgary and the boys brought her down.

Mrs. Hagen of Vancouver is visiting her mother Mrs. C. Shandro. Ted Shand and other relatives and friends for two weeks also. Mrs. Shandro wishes to thank Robert and Robert Shattuck, Lance Jack, Grant Peterson, Mrs. Ray Jack and a former neighbor, Blanche Towers.

Mrs. Pearson had the misfortune to break a bone in her arm and is presently out at the home of her son-in-law Mr. and Mrs. Peake. She returned to their home at Marwayne for the week-end.

Visitors for the last week-end included Mr and Mrs Jack Orbeck at the Peake home and Mr and Mrs Fred Christopher and family at the Bob Stone home. All visitors were from Edmonton.

The PTA local is holding the annual picnic June 16th. There will be races, games and races for the day with a dance at night.

# Annual Inspection Of Derwent Cadet Corps

DERWENT — Cadet Training Officer for Northern Alberta, Captain Mathews and his assistant, S-Sgt. Simmons inspected the Derwent Cadet Corps on Friday May 20th on their Ceremonial Parade with Lt. T. V. Wlisnoyk acting as Platoon Commander and Cadet Cpl. R Mudryk as Platoon Corporal.

**AWARDS PRESENTED**

The March Past was very impressive. After demonstrating First Aid exercises in battle action, awards were received by the following cadets: Perfect attendance for the year — Cadets Willmer, D. Zalasky, T. Winlosnyk and M. Yanyfon. Best Cadet for the year. Cadet R. Ewash now. Neatest dressed cadet on parade Cpl. F. McPhee chosen by the inspecting party

**MASTER CADET STAR**

Captain Mathews then gave a brief talk on awards and achievements and presented three Second Cadet Lt. T. Winlosnyk with the Master Cadet Star which is the highest achievement possible in the life of cadet work. Cadet Lt. Winlosnyk is the first cadet to achieve this award since the corps was formed in 1958.

Cadet Lt. T. Winlosnyk is the son of Mr. and Mrs. Nick Winlosnyk of Derwent. Is 16 years of age attending grade 11 in the Derwent High School. He has attended National Cadet camps at Lac La Nonne, Manitoba and Vernon, B.C., receiving his Junior and Senior Leaders and Cadet Instructor's certificates. He has been very active within the home corps as drill instructor and has received his certificates in 2nd Class Aerospace Proficiency, Aid Course and National Survival and Hunter Safety. Cadet Winlosnyk has been accepted by the Canadian Army as an instructor for a two months period at Camp Vernon and will be leaving July 2nd. Thanks are due to his teacher Mr. S. J. Wysnicki and members of the Derwent High School staff for their capable assistance and guidance which helped to make this award possible.

**TO ATTEND CADET CAMPS**

Other Cadets leaving for National Cadet camps at Clear Lake and Vernon are: R. Ewash Mw. D. Yarmuch, W Yarmuch. them all back next September.

M. Yanyfon, D. Zalasky, R. Kogawki. K. Nosker and F. Mc Phee

The program closed with Captain Mathews and Chief Instructor Lt Mich Winlosnyk congratulating the boys for a fine showing on the parade square and the co-operation they have shown during the training year and will be looking forward to seeing them all back next September.

## Clovelly Community Club News

A meeting of the social committee was held at the home of Mrs. Nancy Clark with eight members answering the roll call with a new hint.

It was decided to hold the annual picnic on Farmers' Day, June 19th, at the community centre. The lunch will be adults, cold meat, buns, pork and beans, pie and ice cream. Mrs. Kattie Tyler and Mrs. Fred Scott will head the lunch committee in charge of games for the children will be Mrs. Evelyn Scott, Mrs Ruby Bauer and Mrs Joyce Mytz. The buying committee consists of Mrs. Nancy Clark, Mrs. Jean Tod and Mrs. Joyce Mytz. Serving the ice cream will be Mr. Rube Bauer and Mrs. Nancy Clark and in charge of pop-corn and Mrs. June Scott. It was also decided to hold a lucky draw. Transport thereon the day is the purse.

The next meeting will be October 5th, date to be announced later. Mrs. Stefaniuk with some members and commentators attended the June meeting and enjoyed every bite. Next fall at the home of Mrs. Nancy Clark.

A very interesting talk was given by Mrs. Joy Mytz about her trip to Europe and Expo in Montreal.

The next meeting will be held at the home of Mrs. Joan Tod receiving second prize.

## Golden Age Friendship Club

The regular monthly meeting of the Golden Age Friendship Club was held in the Legion Hall, Wednesday, May 25th.

Whist and crib were enjoyed by a short period and this was followed by slides on China, shown by Mr Charlie Scott. Everyone enjoyed these very much and the Club wishes to thank Mr. Scott for taking time to show them.

One minute's silence was observed for Mrs. Shaw who passed away recently.

There were seven tables of whist with the prizes going to Mrs Klashinsky, Mrs. East and Mrs. Coulter low. Mrs Cameron, Mrs Jim Duncan and Mr Jack Fee exchange ladies. Mrs. Yaw, cribbage; Mrs Allen, Mrs Mrs Rivett and Mr. Castle Scott.

### EXECUTIVE MEETING

The executive meeting of the Golden Age Club was held at the home of Mrs. Preston with five members present on the evening of June 1st.

Various things were discussed but were not made until the June meeting. This thing to be the last for the season.

We plan for a larger attendance in September

The meeting was adjourned and lunch was served.

### PICNIC AT RUSTYLEA

The Rustylea 8th Annual Picnic is to be held at Rustylea Shoolgrounds on June 18, 8pm. served by the Vermilion Catholic League 66-80

WHY NOT TRY A WANT AD?

MR. AND MRS. EDWIN GEORGE MARFLEET

Photo by Woodrow of Photocraft

## Local Man Weds At Barrhead, Alberta

A very pretty wedding of local interest was solemnized in St. Anne's Roman Catholic Church at Barrhead, Alberta at 1:30 p.m. May 21, 1966 when Sylvia Catherine Evanduson daughter of Mr. and Mrs. Peter Evanduson and Edwin George Marfleet, son of Mr. and Mrs. Jack Marfleet of Vermilion, were united in the Holy Sacrament of Matrimony in a double-ring ceremony of the Nuptial Mass. The celebrant for the occasion was Rev. Fr. Poirier, assisted by Father Moreau. Altar boys were Allan Evanduson, brother of the bride, and Lance Brede, friend of the family.

The bride looked radiant as she walked up the aisle on the arm of her father to the strains of The Wedding Processional in F by Scarmolin rendered by Mrs. Alvin Gross, who was the organ ist directed by Sister Mary, who was unable to attend. The altar was tastefully flanked with baskets of white shasta daisies and pink snapdragons. The pews were marked with lily of the valley and white satin bows. For her wedding, the bride chose a floor length ensemble in Peau de Saille and ribbon re-embroidered lace topped with a coat that was caught at the front of the raised waistline by a tiny bow and studded with rhinestone fasteners sleeves. The carriage skirt flowed in soft back in a gracefully sweeping chapel train. Her bouquet a shower of red roses ribbon re-embroidered chantilly lace which was designed with a scalloped edge from her crown and veil was held in place with a cluster of lily of the valley and stephanotis. Her only jewelry was a pearl dropped necklace of tiered pearl, gift of the groom. Attending the bride were her two cousins Judy Sharon of Edmonton friend of the bride and junior bridesmaid, Iris Chaba of Redwater also cousin of the bride Violette Chaba was Mrs. Donna Meunier a close friend of the bride who was in attendance, maiden of honour Her flower girl was Cindy Mark Evanduson sister of the bride and Ronnie Senyrylyshyn of Edmonton friend of the bride. The members of the bridal party were all beautifully dressed in identical floor length gowns in baby blue sprig French import of lace and chiffon. Their tiny bonnets of lace extended into a slender sheath and flowing over short circlets. Their head gowns were of matching lace with pink natural carnations and each attendant carried a single long stemmed carnation posy and wore identical white gold cross necklaces and matching earrings gifts of the bride.

The groom in a black tuxedo with a boutonniere of carnation and baby breath was he waited up the aisle and waited for his bride at the altar. He was attended by his brother Jack Marfleet as best man, also by Dave Heath and Jerry Shoffner of Edmonton and friends of the groom and Allen Evanduson brother of the bride Master Monday Evanduson, cousin friend of the bride was ringbearer. They were all identically attired in black tuxedos and white carnation boutonnieres. The ushers at the church were cousins of the bride Eugene Chaba of Redwater and Ron Donahoe of Thorhild.

The mother of the bride chose for her daughter's wedding a misty turquoise silk sheath with a lovely lace front panel accentuated with matching shade of French imported lace. The dress was complemented with a bandeau of silk organza studded with pearls and matching shoes and clutch bag. On her shoulder she wore a cymbidium orchid corsage.

The groom's mother wore a lovely two - piece suit of pink linen trimmed in pearl and rhinestone crystal beads. Her matching hat was of pink silk organza. Also matching were her shoes and clutch bag. She too wore a cymbidium orchid corsage.

During the signing of the register Miss Robin Davies of Edmonton, friend of the bride, sang the hymn "Ave Maria", accompanied by the organ.

Following the wedding, a reception was held at the Legion Hall for some three hundred guests. In charge of the guest book was Eileen Skwerchuk of Edmonton and Betty Lepauski, sky of Thorhild, both cousins of the bride.

The bride's table was laid with a white hand-crocheted lace tablecloth and centred with a four-tier wedding cake, both made by the bride's mother. At either side of the table were arrangements of white shasta daisies, pink snapdragons and lighted tapered candles. The wedding banquet of a 4 p.m. delicious Ukrainian dishes was served by the ladies of Thorhild, long time friends of the bride's family.

The master of ceremonies for the evening was John Hohol cousin of the bride who was prepared by Mr Ray Joyce. The program very fittingly responded to by the toast to the bride and groom, Mr. Jack Marfleet jr. and a bit of humorous history was revealed of the groom's past. Interesting travel wires were read from Father Poirier and Father Perryshyn of Athabasca. Following was the response to the bride and groom The Ukrainian custom of presentation and cutting of the cake followed. Many beautiful and useful gifts were received by the happy couple The evening and reception concluded with dancing to the music of the Natrites Band of Lamont. Many out-of-town guests were in attendance

For her going away the bride chose a sleeveless, princess-lined dress of silk brocade in a blue green shade with matching topcoat Her hat was of a matching shade of silk organza and complimenting her ensemble were her matching shoes, gloves, bag and white gloves. Her were a corsage of cymbidium orchids.

The happy couple motored to the interior of British Columbia where they will make their home

## News from DEWBERRY

Congratulations are extended to our three school ball teams who won trophies at the County Tournament, Grade two and under girls, the Grade 8 and under girls and the Junior High School team were the winners.

It was good to hear that Mrs Jack Kiss is progressing favorably after a major operation in

LITTLE LEAGUERS BUSY

The Little League teams have been playing games every Thursday They won their game at Lindbrook but lost at Hewsburg last week.

## Health Unit Notes

OVERWEIGHT AND HEALTH

The way to lose weight is to increase the intake of food protective foods and decrease the intake of fattening foods. Foods to eat to feel hungry, extra quantities lettuce, cabbage, cucumber, raw, melon, tomatoes, cress and fresh fruit (not that canned in syrup) may be taken. Incidentally apples are very good at the end of a meal. They help to clean the teeth.

It is possible to lose a pound weekly with no detriment but rather improvement to the general health. To do this there must be present the intention and the will to lose weight. The odd few days of abstemious attention to eating do not produce satisfactory results. What is needed is a new attitude towards eating - not a diet but a change of habit.

Now, what about aids to suppressions of appetite? Sauce of these can be sounds and any tablets or capsules in the house do offer a hazard to young children. There are relatively safe forms of appetite suppression which rely on filling the stomach with an inert material such as methyl cellulose. This gives a feeling of repletion when it swells with the addition of water. However, long term experiments with appetite suppressors show that re-

Carbon monoxide poisoning is the favorite method of suicide in the U.S.

BOTH ARE VACCINES BUT SOMETHING'S DIFFERENT

The basic requirement is the production of antibodies in the blood which destroy germs. It has been demonstrated that better results in weight loss were achieved when the quantity of food to be taken is spread out over five meals a day rather than taken in the usual three meals. However, there is no real substitute for will power. To lose weight one must actually desire to do so and then take the appropriate steps.

## LEAVE VERMILION FOR UGANDA HOMES

Shown above are twenty of the twenty-eight lady teachers from Uganda who have spent the past six weeks taking part in a special community development course at the Vermilion Agricultural and Vocational College. The ladies had spent the previous six months with the Faculty of Education at the University of Alberta. On leaving Vermilion they will stop in Edmonton to attend a special graduation ceremony at the University. At this ceremony they will each receive a certificate signifying the completion of a special one year course in elementary education. They will all leave for homes in Uganda the next day, travelling by air. During their stay here the ladies from Uganda were treated as the special guests of town and district and were entertained by many organizations. This picture was taken by the Standard on the occasion of a tea held in honor of the visitors by the Frog Lake Chapter, I.O.D.E.

At the left of the picture are Mrs. Florence Gibson, Regent of the Chapter; Mrs. Wm. Baranyk, and Mr. Wm. Baranyk, principal of the V.A.V.C. On the right are shown Dr. and Mrs. Charles Hynam of the Dept. of Extension, University of Alberta, directors of the course.

## Expresses Heartfelt Thanks

Miss Nakiwala, in a sincere and charming manner, expressed thanks on behalf of the 28 teachers from Uganda for the wonderful experiences and hospitality enjoyed during their six weeks in Vermilion at the V.A.V.C.

Miss Nakiwala very aptly expressed appreciation on behalf of all the Uganda teachers to the Vermilion communities and to the V.A.V.C for their hospitality and interest. She was highly complimentary, and there is no doubt that in the future the Uganda have a very high regard and kind memories of Vermilion

### SIX WEEKS COURSE

During the six weeks here the teachers took part in a training course, primarily to learn techniques of teaching and to develop important community service cooking and commercial were the main items. However, many guest speakers were made available to explain to the teachers topics of interest to them. To illustrate a part of their achievement the teachers displayed the results of their efforts in the sewing classes in a fashion show. Mrs. L. Johnson was the commentator. The display was impressive and indicated many hours of work in a relatively short span of time. Dr Hynam asked the lady members of the V.A.V.C teaching staff to parade as well in an expression of appreciation for their work.

### PROGRAM OF NATIVE SONGS

The teachers from Uganda then continued with a program of native songs. Over one hundred people were present for the evening, and they appeared to be in no hurry to leave. Many expressed their appreciation. The singing

## Analyzes Results of Adventure in Citizenship

Miss Peggy Snodgrove was guest speaker at Rotary on Friday, when she told of her recent trip to Ottawa as the winner of the Rotary Club's 'Adventure in Citizenship.' Peggy dwelt on an analysis of the good which can be accomplished by so many young people from all parts of Canada gathering together Peggy is the daughter of Mr. and Mrs. Robert Snodgrove Mrs. Snodgrove was also a guest at the Rotary dinner.

was delightful and the girls were called back for encores. The evening was closed with a dance

### TEPI FOR HOME SATURDAY

On Saturday evening many staff and students gathered to bid farewell to the teachers who reunited their bus to begin the first part of their journey home. On one of the buses noted on the evening before. Its funny how we take to love home, now we are sad to leave here" Tears were in evidence even after a short six weeks

### MANY CLASSES ACTIVITIES

The Uganda teachers under took a very heavy self imposed schedule of classes and activities. Their performance made a very marked contribution to this active little corner of this fall for classes must, years service with School for Exceptional Children Thursday, June 23rd at 8 p.m. Mr. Jackson comes to Vermil New officers will be elected, and Mr. Jackson will be presenting Mr. Jackson is a well known and popular speaker. All members are urged to attend. An invitation is extended Carey and Norma all motored to Bowman for the Communion[illegible] Lutheran Church in Edmonton on June 5th to [illegible] Lee Bob receive his degree

# Uganda Teachers Bid Farewell

Friday evening, June 10th, representatives of various organizations, students and staff gathered to wish the teachers from Uganda God Speed on their journey back home. The evening started with supper. Following this, Principal W. S. Baranyk welcomed the representatives of the many organizations in the community of Vermilion who took a keen interest in the visitors and helped to make their stay here more interesting and pleasurable. He also indicated that our association with the ladies from Uganda has contributed to a better understanding and appreciation of each other; the College and community were fortunate to have the opportunity to take part in the training of these people. Mrs. L. Johnson on behalf of the staff and Don Cox on behalf of the Students' Union presented each teacher with a silver-plated Maple Leaf pin as a token of remembrance and good wishes.

Miss Nakiwala very aptly expressed appreciation on behalf of all the Uganda teachers to the Vermilion communities and to the V.A.V.C for their hospitality and interest. She was highly complimentary, and there is no doubt that in the future the Uganda have a very high regard and kind memories of Vermilion

## Gala Affair To Open New Toronto-Dominion Bank

Ribbon cutting, tour of the new bank building, coin collection displays, refreshments, plenty of officials on hand, and with the bank open as long as 9 p.m. on the opening of the new Toronto-Dominion Bank promises to be a gala event on Saturday, June 18th.

### RIBBON CUTTING 3 P.M.

The ribbon cutting is scheduled for 3:00 p.m. with Mayor S. C. Hewbert officiating. From then on there will be conducted tours of the new structure, bring-

ing to Vermilion the latest wrinkles in bank buildings and arrangements. This in turn will be followed by refreshments and [illegible] for children.

### EVERYONE INVITED

Everyone is invited to attend this opening and your special hosts for the occasion will be the local staff of The Toronto Dominion Bank. Manager R. B. Redner will be assisted by Gordon Wakefield, accountant, Miss Shirley Richardson and Miss Joan Tuniess

## M. L. A. CRIES 'THE BLUES'

Ashley Cooper, M. L. A. reproject of the province which revived the idea of a causeway planned and to the effect that it would be impossible for the Dept of Highways to complete the grading and gravelling of the last 11 miles of Highway 41 during this season, as previously announced.

This was due to the fact that construction costs on highway contracts already let this season have risen by more than 25% on the average, consequently about one-third of the road program previously planned will have to be held over. However, it is to the better priority group of highways and the improvement portion is thus in the

[illegible] of the program which is planned [illegible] Work on [illegible] by our [illegible] and [illegible] [illegible] [illegible]

## "Red Hat Value Days" in Vermilion

The Vermilion Standard is pleased to place before the people of north-eastern Alberta this special "Red Hat Value Days" issue. It will be of benefit to everyone to survey this presentation carefully, as the bargains and shopping facilities are in themselves sufficient inducement to invite patronage. Take advantage of the exceptional shopping facilities, fine stores and trade services available in Vermilion — you will find friendliness, courtesy and the desire to be helpful wherever you shop and wherever you go.

Vermilion Red Hat Value Days bring to you without a doubt the greatest line of merchandising values ever placed before the public. Through the co-operation of the business men who made this issue possible, and whose messages are carried in the succeeding pages of this Standard, the dollar will regain its old time purchasing power. Check over the advertisements of these community-minded business men and take advantage of all the goods and services offered

## Father Makes A Come-Back

The old TV image of Dad as a bumbling, stumbling stupe in a woman-dominated household is "out". "In" is the new Dad — if not exactly a dashing OUT — at least competent, sports-minded, fun-loving, hobby-oriented, and all-round "good Joe" who's doing of his household . . . at least for one day: June 19th, 1966.

* * *

## One Fact Made Clear

One fact at least was clearly demonstrated as a result of the Quebec provincial election and this was that the number of separatists in the province is small indeed. The votes cast for candidates favoring the separatist movement were practically infinitesimal. This proves the old saying that a small and vociferous group can paint a very misleading picture to the outside world.

Newspapers are the only media through which people shop the advertisements

## Minor League Ball Teams Seeing Plenty Of Action

Vermilion's minor league baseball teams are seeing plenty of action and recreation director Vern Miller supplies the following week-end ball game results to the Standard.

At Lloydminster sports on June 5 the Vermilion Midgets won their tourney 17 runs to 3.

Vermilion girls also won the 11 years and under tourney in the same game they won against Kitscoty 52 runs to 4, and then went on to defeat Lloydminster in the final 10 to 8.

**BANTAMS WIN**

Playing on the Vermilion athletic grounds on Sunday, Vermilion Bantams defeated Vegreville 9 runs to 5. Ron Jones, Wilf Beer and Cecil Jones divided the pitching duties, with Ernie Heinemann and Don Brennan doing the receiving

**MIDGETS WIN**

The Vermilion Midgets turned back Vegreville by an 11-7 count. The game was featured by two home runs. Ernie Heinemann knocked a four-bagger in the third, and Wayne Maughan clouted a grand slam homer in the fifth. The four runs brought in cinched the game.

Darwin Heinemann and Ron Jones pitched to E. Heinemann.

## After 19 Years, Tom Goes Travelling

Brian Mysheau, 10 years old, tells this interesting story about his neighbors' 19-year-old cat, Tom.

Tom belongs to Mr. and Mrs. Evan Tasker and for 9 years he lived quietly on the farm north of Vermilion. Then came he 10th year—and because he is the same age as their son John, Mr. and Mrs. Tasker left the farm and moved to Vermilion. Tom went and brought old Tom with them. Tom found that he had to act huge as they put on a big front because at 19 years a cat doesn't run far or very fast, so he just faced up to dogs and cats alike and bluffed them all.

However that is beside this story.

One night last week old Tom decided to slowly creep back to his parents found a cozy spot in the Mrs. Tasker owned by his neighbor Louis Meshak. This stood to be a nice little cubby hole so Tom just put on a big smile and it was reached from underneath. It was a one-way unfortunate Tom went in front-ward but had to back out. Anyway Tom stowed away in that hay and the way out, not knowing that before he was up and about in the morning Louis would be on his way to Edmonton.

This happened, and the first Louis knew that he had a stowaway was when he stopped in Edmonton and heard a plaintive meowing. He looked under the hood all through the car — no cat, but still the "meow" was there. So taking it for granted that it was Tom, Louis called him by name, and disappeared, little by little, backing out of his perfect little hideout.

He had weathered the trip perfectly, but was back in splendor on the back seat. Now he looks everyone over as if wanting to tell all about his big adventure — at least that is the way Brian interprets the look in old Tom's eyes.

## Teachers Guests In Vermilion Homes

The members of the Vermilion Chamber of Commerce entertained the Lloydminster ladies to supper and the evening in their honor during the stay of the ladies at the VAYC. The Ukrainian teachers were being feted at many different functions and the Chamber members felt that this was an excellent way to have the visitors become acquainted with Canadian homes and family life

Vermilion, Alberta

Dear Editor:

It must be admitted that any law enforcement agency garners the respect it deserves. Proper enforcement of duties, with courteous, helpful public servants like our local constabulary will gain this respect BUT only if they recognize the fact that they are helping to shape tomorrow's citizens. Our young people of tomorrow's citizens and one can not help but notice that the prevalent attitude toward R. C. M P officers is one of disrespect. What have our police done to deserve this disrespect? In past years this attitude was not present, but bad manners, rough and vulgar language and a marked disrespect for people under 25 years of age has rapidly developed their image. I am saying that our officers aren't efficient, they are efficient, over efficient, particularly concerning minor things like mufflers and headlamps. It gives one little pleasure to be informed of how one's headlight or a faulty muffler by reading it on a ticket.

Also, is it necessary for a patrol car to follow every strange vehicle that enters Vermilion and tail the driver becomes nervous enough to commit a driving error? After helping to cause the offence they add insult by issuing a summons telling him. What a way to publicize the hospitality of Vermilion.

It may be noted that a uniform and courteous word but is the man who commands it It is a pleasure to be able to respect a police officer for his fair and helpful attitude. Vermilion's R.C.M.P. officers should be kept for hardened criminals not people with respect for the law. The key to the problem might be found in the Force themselves who want respect should show respect

## Chamber Of Commerce Hears Report Of Annual Meeting

The Vermilion Chamber of Commerce on Wednesday last listened to a very comprehensive and interesting report of the annual meeting held by the Alberta Chamber of Commerce on May 30 and 31 in Edmonton. The report was given by the official delegate, Dr. A. R. Anderson, vice-president of the Vermilion chamber.

Business from the agenda of special interest to the Vermilion Chamber was the resolution on Highway 41, submitted by Medicine Hat. This resolved that the Minister of Highways be urged to adopt a policy for the completion of upgrading and paving of Highway 41 from the international border to Highway 36, north of Elk Point.

There were many more promotions and projects discussed of vital importance and interest to rural Alberta.

## Association To Promote Tourism

The Lakeland Tourist Association of which Vermilion is a member, has been reorganized and activated this year and immediate steps are being taken to publicize the tourist attractions in this area of Alberta.

It was felt that more could be achieved by joint action in the way of combined brochures and tourist literature. The first item of information issued will be a map of this district of Alberta showing all the tourist attractions and the roads leading thereto.

Dr. Brameen of St. Paul is the president of the Lakeland Tourist Association and Vermilion is represented on the executive by Bill Sutherland and Gus Mironiuk.

## LOCAL NEWS

**ENGAGEMENT ANNOUNCED**
Mr Leo Kosakoi of Islay, Alberta, wishes to announce the engagement of his youngest daughter, Joyce Cecilia, to Mr. Ronald Alfred Porto of Loydminster, Sask. The wedding will take place on Saturday, July 2, 1966, at 11 o'clock in the morning at the Baptist Church, Lloydminster.

**ENGAGEMENT ANNOUNCED**
Mr. and Mrs. William Hancock of Vermilion are pleased to announce the engagement of their daughter Margaret Olive to Mr. Lowry Gerald Kent, son of Mr. and Mrs. Gerald Kent, Marwayne. The wedding will take place at the First United Church, Vermilion, on Saturday, July 30, 1966 at 7:30 o'clock in the evening.

Mr. and Mrs. John Johnson had as their guests last week the former's nephew and wife Ken and Sally Richardson from 65 Dahlia St., Valley, Calif. Joe is a grandson of Mrs. Richardson who homesteaded at Landonville back in 1906. This was his very 1st visit here and he liked Alberta very much. Ken explained why his grandad left this country. Well, Joe enjoyed some fishing in the Vermilion River and had good luck.

Mrs. Robt. McIntyre returned Monday from Edmonton where she had attended the wedding of her brother, Oliver McCaben, formerly of Lloydminster. In her absence the three children stayed with their friends, Mr. and Mrs. W. J. McIntyre.

**CARD OF THANKS**
I would like to extend sincere thanks to my neighbors and friends who all helped my family and I while I was a patient in the General Hospital. Especially thanks to all who sent flowers, get well cards and the many fruit baskets.

## Recreation Information

By VERN MILLER
Recreation Director

This year some 7000 Canadians and Americans will die by drowning. About three-fourths of this will occur in public places where rescue should be possible. Persons should stop and think and recognize the number of things that could be used to save life preservers, in which case most of these lives would have been saved.

The next time you drive to the beach, think of the number of things you could assist a drowning person. Tired swimmers can hold up five or six persons for a considerable time if they have a life saving equipment.

A garden hose, clothes line, board and life preservers are examples. This summer if you are large enough with some time to think before you go to the beach, you may save a life.

## Application for Swimming Lessons

NAME (please print)
Age Qualified Trail Held
Choice of Time
July 4 - 16 July 18 - 30 Aug. 1 - 13
PLEASE SEND TO
BOX 1176, VERMILION BEFORE JUNE 23

## M.L.A. Officiates At Lloydminster Installation

Kathleen Cooper of Lloydminster, M.L.A. for Vermilion-Lloydminster constituency, presided at the installation of officers of the Lloydminster Chapter of the Order of the Eastern Star. Mrs. Cooper is a member of the Lloydminster Chapter. Mrs. Cooper had been unanimously elected to the office of Worthy Matron for the ensuing year. She succeeds Mrs. Ethel Wilson.

Mrs. Cooper, in her address to the members, ranging from the importance of the Eastern Star to the individual members, paid particular tribute to the contributions made by the Past Matrons and Past Patrons.

Mrs. Cooper also spoke on the importance of the Order of the Eastern Star in the community and the province.

Mrs. Cooper is a member of the Eastern Star and has been active in the Order for many years. She has served as Worthy Matron of the Lloydminster Chapter and has been a member of the Provincial Executive.

Mrs. Cooper is also a member of the Provincial Executive of the Rebekah Assembly.

Mrs. Cooper is a member of the Lloydminster Hospital Board and has been active in many community projects.

## Averages 84% At U. of A. Exams

Brian Wilson who is at present working at Alberta Refinery in Edmonton as a shift operator is attending the provincial university in the summer months where he is enrolled in a course of engineering physics. Brian has been a student at the university for the past four years and has successfully completed his academic requirements in the allotted years of engineering physics. Brian has now completed the second session of the course and has successfully passed all his examinations. He is presently home for the summer months and is employed at the Alberta Refinery. Brian is the son of Mr. and Mrs. Ken Wilson.

To a newspaper, service to the community is always paramount.

WHY NOT TRY A WANT AD?

*Perfect Balance.*
What is a Co-operative organization—a perfect balance between a business association and the people who use the goods and services. This is because co-operatives belong to the PEOPLE They are one and the same, a group of common folk united together in a democratic manner. There are no profits to a few individuals in a CO-OP—all members share in the savings on the basis of their patronage. Truly an embodiment of mutual effort and understanding among people from all classes and walks of life.

ENQUIRE ABOUT CO-OPERATIVE MEMBERSHIP NOW!
Will those who have not yet picked up their 1965 Dividend Cheques, please do so at the Office.

**"Slave at Work"**

**Kinsmen President Bud Baddock is a Co-op Slave**

Yes Sir, the Vermilion Co-op paid a pretty premium to purchase Bud Baddock, president of the Kinsmen Club as their slave Being a president me-first cattle were not meant for Bud, so he was given executive work selling Co-op memberships

See Bud at work selling Co-op Memberships in the Co-op Store this Friday June 17 from 2 to 9 p.m.

Drop in, see Bud at work and have him persuade you to buy a membership in the Vermilion Co-op

## NEWS from MARWAYNE

Friday with its cold wind kept the attendance down at the rodeo at Lac Park, but Saturday the attendance was good.

Some of these at their homes or with relatives and friends at the week-end were Norma Grey, Jim Darren Espetvedt, Willie Wong, Joan Harrington, Mr. and Mrs. Benny Murray from Edmonton; Mr. and Mrs. Ernest Isley from Alitario. Others at the Harring home were Lawrence Hall and his mother from Vegreville.

Mr. and Mrs. Cecil Quist have moved from their home to Edmonton.

Mr. and Mrs. Herman Bystrom have built an addition on to their home while Mr. and Mrs. Gordon Hanes have had some alterations made on theirs.

Congratulations to Mr. and Mrs. Raymond Kowalski on the birth of a daughter May 20th. Mr. Kowalski taught in the high school here two years ago and is now teaching at Paradise Valley.

## Paradise Valley

The annual meeting and election will be held in the Paradise Valley Cemetery on June 22nd in the Community Hall. Everyone interested, please attend.

Mr. and Mrs. Floyd Henry attended the wedding of her niece Miss Audrey Hall in Ottawa to Mr. Wes Cheney of Montreal on May 14th at 2 o'clock. From there they went to Montreal and picked up a new Ches car. On their way home they spent one night with Mrs. Gladys Baxter and family at Pengilly, Ontario. They also visited with Mr. and Mrs. H. Kimis and their family of children in Sudbury, Ont. They were former residents of Paradise Valley where Mr. Kimis was the station agent for a time.

Congratulations to Mr. and Mrs. Garland Sundquist on the birth of a daughter May 20th. Mrs. Sundquist received congratulations with a good average. Word has not been received from Miss Cheryl Skinner of Lloydminster Pierre Lejeune and Patricia Paradis of St. Paul. This year there was a large number of our children competing in the festival: Miriam Short, David Knaven, Connie Swanson, Leah Ford, Brent and Brian Hall to take music lessons from Mrs. Batty and participated in the Recital in Kitscoty Thursday evening which was very well attended and most enjoyable.

Bill Curtis, after sick leave, has returned to his work in the garage.

Mrs. Geo. Goodall, now of Edmonton, a very old timer from the Tring district, with her son and daughter-in-law, called on old people in the area. Mr and Mrs. Goodall are also visiting relations with the Humphreys and Barnes and settled close together near Tring. The young Mr. Goodall was making historical information and took pictures of the Humphrey buildings. He plans to return back later.

Mr and Mrs. Fred Stewart returned Sunday evening from Lethbridge where they had been to pick up a new trailer.

Mrs. A. M. West returned on Monday evening from a two weeks' visit in Banff with her daughter and family Mr and Mrs. Ted Langridge.

## Achievement Day At Paradise Valley

Paradise Valley 4-H Achievement Day was held on May 25 at the [illegible] of Martin Sobchuk. Judge for the day was Mr. [illegible] known cattleman [illegible] Lake Lilwall and E. Sundeland. Judged showmanship and [illegible]

The Senior event was won by Donald Oldenburg and the Pee Wee event was captured by Sharl Purser. The best grooming trophy went to Kenneth Oldenburg.

With a large crowd in attendance and the weather cooperating, the members of the P. V. [illegible] all take to heart everyone for attending and helping to make the day a success. [illegible]

## Mannville Locals

Mr and Mrs. D. Enfield and Mrs. Duncan, Mrs. Enfield's mother, were Mannville visitors during the past week.

Sincere sympathy is expressed to Mr. Fred Watling Sr. and the [illegible] members of the Watling family in the passing of Mrs. Ada Watling at the Vermilion Hospital [illegible] Mrs. Rae Gourley Matron of the Magdalene Chapter of the [illegible] O.E.S. at Mannville has returned [illegible] from an Eastern Rear [illegible] was master of ceremonies for Henry presented one to Mrs. [illegible] the benefit of music and [illegible] place in the life of the [illegible] Johnson.

Mr. Sunderland, in a speech [illegible] of appreciation on behalf of the [illegible] parents of [illegible] community, parents

Lunch was provided by the [illegible]

GOING AWAY FOR A VACATION
Here are a few hints to make it a more enjoyable one. First get a check-up from your physician and any needed preventative "shots". Next take with you any medicines you regularly use, plus one for indigestion, diarrhea, constipation and a good healing antiseptic. We can help you select good products.
Stop in and get from us your favorite brands of toilet articles. We have them and you may not be able to get them in distant places.
A great many people entrust us with their prescriptions. May we compound yours?
**TREDGER DRUG LIMITED**

"Through Fairyland"

Students of grades 4, 5 and 6 of St. Jerome's presented the three act play "Through Fairyland" as their contribution to the concert. Taking leading roles were Valerie Jarosenco, the witch; Brian McPhee, the jester; the king, Joe Mirenzi; Rosie, Shannon Barber; Bruce Herzog, the monster; Richard Arnold, the prince; the good fairy, Anna Yuryniowski.

Photo by Woodens of Photocraft

"Mother Calendar's Children"

The grade 3 group presented "Mother Calendar's Children" at St. Jerome's concert night recently. Shown in the centre is Father Time played by Brian Myshak, and Mother Calendar taken by Kathleen McGaughey.

## Mannville Spring Prom Enjoyed By Students

MANNVILLE — The Spring Prom, held annually to honor the Grade 9 students, was held on the evening of May 27th at the Mannville School.

The prom, highlight of the Junior High School year, was a grand success. Each student was introduced as they entered the auditorium, escorted by a Gypsy fortune teller, Miss S. Gosh ko, to their seats around a crystal ball canopied by blue and white streamers, giving a shimmering effect to the setting.

Thanks are extended to Mr. Perth and Mr. Myrtunee for making the frame for crystal, to Mrs. Thompson and the Grade 8 class for the lovely lunch, to Mrs. Ross and the Grade 7 class for decorating the gym and singing the song Que-Sara. A special thanks to Mrs. Park and Mrs. Morrison for organizing this much enjoyed event.

Music was supplied by the Roughriders as these happy future high school students and their parents enjoyed a few hours of dancing.

## PROPANE GAS EXPORT TO JAPAN

Increased heating costs of from 25 to 30 per cent for rural propane used will be one of the results of the export of propane gas to Japan. The report across the board increase of 2¢ per gallon will be equivalent to a 25% per ton increase in the price of coal, according to officials of Kirk's Heating Ltd., of Three Hills. This is using the comparison of 180 gallons of propane giving the same heat as one ton of coal. To carry the calculation further one should multiply the delivered price of propane by 180 gallons and find that 15 cent propane is around $27 per ton. Many people are now looking to coal as the answer to economical and dependable heating in rural areas.

This is especially true now that there is a modern steam coal furnace that will take the coal right out of the bin and is designed for burning coal.) Alberta coals. For further information write to Box 160 Three Hills, Alberta.

Newspapers call for conservation of natural resources, hearings on legislators, and talks read ers to the heart of a news story in the making.

## New Feature For Master Farm Family Award

An all-expense-paid trip to the World's Fair Expo '67 will be offered to Alberta's 1966 Master Farm Families and their wives.

If, for some reason, they are unable to accept the trip, they will be given the alternative prize of $1000.

Nominations for this highest agricultural award must be filed with district agriculturists by July 6th. Each nomination must be signed by at least three neighbors and submitted on the special form. Only one Master Farm Family can be chosen from each of the five regions which approximate the five main agricultural areas of the province. No award is made when a suitable candidate is not nominated.

To be eligible for nomination members of the family must be Canadian citizens, the head of the family must be the owner-operator or lease-operator and he must have spent at least 20 consecutive years operating the farm. If he is a veteran mill tary service will be accepted in lieu of time on the farm. Farmers who have incorporated their farms are also eligible provid ing that the company is owned and controlled exclusively by immediate members of the family. The size and type of farm is not important from the point of view of eligibility.

The purpose of Alberta's Master Farm Family Award is to honor farm families who have achieved outstanding success in farming, homemaking and citizenship. In this way it provides a tangible picture of the higher ideals of agriculture and the opportunities available in rural life to the young generation.

Since the inauguration of the program in 1949 Alberta has honored 63 Master Farm Families.

Nomination forms and further details are available from the D A or D H F offices.

### DANCE AT CLANDONALD

There will be a dance at the Clandonald Hall Clandonald on Friday, June 17th. Music by the Rhythm Kings. Admission $1 each. Lunch served.

See what you buy — before you buy — by shopping the advertising columns of your home town newspaper.

NOTHING BUT THE TRUTH by Arnold

## Track Stars Compete In Zone, Provincial Meets

During recent weeks the J. R. Robson track and field squad, coached by Les Lindros and Tom Hutton, have been competing in the provincial qualifying meets.

**DO WELL AT LLOYD**

The first was in Lloydminster, a district meet to qualify for the zone meet at Cold Lake air force base. The J. R. Robson athletes qualifying were Wendy Brown, shotput, discus, 880-yard run; Mary Brown, 100 yard and 220 yard dashes; Joan MacIver, shot put; Liz Brimacombe, discus; Rachel Jackson, high jump; Susan Webb, broad jump; Heather Anderson, 880-yard run; Janice Meggs, 220-yard dash.

BOYS — Albert Tisben, broad jump; Doug Inman, 110 yard dash; Wayne Maughan, discus, shotput, javelin; Bill Isley, 120 yard hurdles, 100 and 220-yard dashes; Bob Isley, 1 mile run; Ron Jones, high jump discus, broad jump; Malcolm MacLean, javelin

**COLD LAKE MEET**

At the zone meet at Cold Lake the following qualified for the Provincial Meet in Calgary.

Wendy Brown, shotput, discus. Wendy broke the zone records in both these events

Wayne Maughan, shotput, discus, javelin. Wayne set a new javelin record

Ron Jones, high jump

Malcolm MacLean, javelin.

Bill Isley, 120 yard hurdles, 220 yards. Bill set a new zone record in the hurdles event

A relay team of Bill Isley, Malcolm MacLean, Ron Jones and Wayne Maughan qualified in the junior boys' division.

The others who competed did very well with no one finishing further down than sixth place.

**MAUGHAN PLACES SECOND**

At the Provincial track and field championships in Calgary the only Robson representative to place was Wayne Maughan who took second in the javelin throw, 174 feet 4 inches. All though none of the other competitors from here placed they did very well. Competition is really keen when only the sixteen best in the province are competing in each event

**FUTURE PROSPECTS GOOD**

The future prospects for the Robson school are good as only two of the squad members are in Grade 12 and only four others are in high school. The majority of the team is composed of 8th and 9th graders, with two from Grade 7.

## Two Hundred Cubs Enjoy Cubaree Held At Marwayne

MARWAYNE, — Early morning showers on May 28th did not dampen the enthusiasm of over two hundred Cubs who journeyed to Marwayne to take part in a Cubaree. Cub Packs were from Mymeran, Derwent, Mannville, Vermilion, Marwayne and four packs from Lloydminster.

Competitions included racing, compass, skipping, ball throwing, knotting and novelty, and ended up with a rugged obstacle race and a treasure hunt. The obstacle race consisted of climbing through several tires hung one above the other, walking a rope bridge, walking a pole and other tests of skill.

The winner of the Norton Shield was the Mymeran Pack with a total of 18 points. Marshville came second with 8 and Derwent had six.

The Norton Shield was presented for competition by Mr and Mrs. M. P. Norton of Vermilion in 1961. In 1962 it was won by Kitscoty. In 1963 Lloydminster and Marwayne tied for the honors in 1964 Mymeran won the shield followed by Marwayne in 1965.

The Group Council would like to thank the businessmen of Marwayne for their donation of a soft drink to each Cub.

## Legion Ladies At Mannville Active In Many Projects

MANNVILLE — Members of the Ladies' Auxiliary to the Royal Canadian Legion Branch 33 at Mannville held their regular monthly meeting on Tuesday evening, June 7th.

Set at Arms Madame M Francois conducted the business march. Mesdames Jackson and Morrison carried the Colors in the absence of the regular standard bearers Young and Summers.

Minutes of the previous meeting and the financial statement were adopted as read

Since the last meeting the hall kitchen has been redecorated and any necessary carpenter work completed. Members expressed their approval at the "new look" of the kitchen.

**TROPHY TO BE OFFERED**

Plans are being made for a trophy to be offered by the Legion Auxiliary for track and field at the local fair. Committee reports were heard concerning that local trophy and provisions to be made as usual also for sick and sympathy cards are being sent as required.

Madame M. Dufresne, convenor of the 1966 complimentary tea reported everything went well in hand. Madame N. Crocker thanked her report in regard to enter tainment for tea.

Correspondence included an invitation to attend an auxiliary meeting at Kitscoty June 17th in honor of Madame Clare inquiry and let proof know by June 15 as to who will be able to accept the invitation.

The meeting was adjourned and the Colors marched off. The music was supplied by Mesdames Hamilton.

Lunch was served and a social period enjoyed

## Preserve Your Heritage

If you have anything of historical value such as a printing press, a miner's lamp, a butter churn or some pioneer clothes, you are one of the people the Provincial Museum and Archives staff would like to contact.

They need your help in locating and obtaining articles and collections for the Museum now being built on the old Government House grounds in Edmonton. The museum will be opened in 1967 as Alberta's official Confederation Memorial Project.

It has been designed to provide Alberta residents with a dynamic portrait of their rich heritage by depicting the lives and goals of the men and women who built this great province.

To achieve this objective, large display galleries will be constructed to house every type of historical object, including documents and natural history specimens. The historical material will be arranged in sequence so that it tells the story of the early explorers, fur traders, settlers, professional men and religious leaders. Documentary items such as photographs, diaries, newspapers and maps are all needed to complete the picture.

Major galleries now being planned will contain displays relating to Indian life in Alberta, early explorers, fur traders, industry and commerce, religion, creative activities, communications, transportation, military units stationed here and government organizations.

There will also be a room showing many of the things that were brought to Alberta previous by early settlers from a variety of national origins. These collections will include spinning and weaving equipment, musical instruments, national dress and ceremonial regalia.

Still another feature of the museum will be made up of historical rooms. Here, an early school room, blacksmith shop, general store, pioneer's kitchen, etc., will be built exactly as it was in the early days. Since each room has to be completely equipped down to the last detail, a tremendous number and variety of things as old bills, grocery containers, recipe books, cooking utensils and so on will all be appreciated.

If you think that you have anything to contribute towards preserving the story of our pioneers, please contact the Provincial Museum & Archives Branch, Department of the Provincial Secretary, 10158-103 St., Third Floor, Edmonton. Ph. 429-1704 and 429-1705.

## Guest Speaker At Ordination

Rev. Father Nearing formerly Parish Priest at Clandonald and now of St. Joseph's College, St. Albert, was guest speaker at the banquet in honor of the Rev. Father Keenan, on the occasion of the 40th anniversary of his ordination.

## Marwayne News

(Held over from last week)

Many Wolf Cubs from the Three Rivers District were in Marwayne Saturday, May 28th to enjoy the Cubaree. Showers in the early morning laid the dust enough to make it a wonderful day for the various activities.

Mrs. Roy Shaw held an open house birthday party for her mother Mrs. Corr, at her mother's home on Saturday May 28th. Many ladies called to wish Mrs. Corr a happy birthday.

**RECEIVES DEGREE**

Congratulations go to Shirley Margaret, daughter of Mr. and Mrs. Joe Hale, on attaining her Bachelor of Science degree at the U. of A.

A note of interest Brian, second son of Dr. and Mrs. Hanstoff, will receive his Bachelor of Science Degree with Honors.

David, the older son, is serving his internship for a doctor at the present time. These young men were babies when Dr. and Mrs. Hanstoff were in Marwayne.

Congratulations and all good wishes go to Mr. and Mrs. Don Heathcote, nee Diana Mass, who were married in Elk Point Friday, May 27th.

Two boys' teams, the Little League and the C Boys, brought home the cups from the County Ball meet in Kitscoty Friday.

Good news! There will be no increase in the basic rate of village this year as the Council has struck the same mill rate as formerly.

When the fire siren goes, all motorists are asked to pull over to the side of the road, and stay there until you are sure you will not interfere with the fire trucks.

(TF)

## Health Unit Notes

**RED MEASLES**

(Page 1)

Red measles is with us again. This ailment which most children usually catch is generally active in the earlier part of the year and tends to die down towards the end of the year. It is a virus illness which gives protection from catching it a second time. Rarely does it attack children of less than six months.

The number of children affected is greater in alternate years, thus we have one year when there are many sufferers followed by a year when there are fewer sufferers.

The disease has two stages. For the first 4 to 5 days the child tends to go off its food, is feverish, miserable, is very thirsty and often sleepy. The child may have the symptoms of a "cold". During this period the throat may be a little red and dry. **It is exceedingly difficult at this stage to know exactly what is wrong with the sufferer.** After about 4 days the child develops a harsh, barky like cough with a running nose, runs a fever, is thirsty, often with a coated tongue and the rash first appears inside the mouth. The eyes may be red and running and the patient tends to turn from bright light. The characteristic skin rash now appears at the hairline first and in the next 36 hours covers the body, travelling from the head down wards. Occasionally the spots coalesce into patches.

After 5 to 6 days the fever subsides, the rash clears and the child starts desquamation. There is a desquamation of the skin in small flakes when the rash has been particularly dense.

(Continued next week)

**WELL BABY CLINICS**

Monday, June 20 — Vermilion (Health Unit Office) 9:30 to 12 noon; 2 to 4 p.m. Ranfurly (School) 11 to 12 noon. Minburn (School) 2 to 3:30 p.m.

Thursday, June 23 — Innisfree (Office) 10 to 12 noon; 1 to 2:30 p.m.

Friday, June 24th — Irma (School) 2 to 3:30 p.m.

**ATTENTION**

This year the dental program will be expanding. Children's polishing and painting children's teeth with stannous fluoride was attended to take in the classes of three-year-old children. The work has proceeded more quickly than was expected. As a consequence it will be possible for all three-year-old children to receive this service. Parents of such children will receive an invitation offering them an appointment to bring their children to the Minburn Vermilion Health Unit Suboffice at Walsingham towards the end of June and to Vermilion Unit Office towards the end of August.

## SALE OF FARM LAND
BY AUCTION

## Two Views Of Old-Time Vermilion

Here are two views of old time Vermilion. On the left is a picture of the original creamery under construction. The site was in the Vermilion River valley approximately on the spot now occupied by the Canadian Utilities Power plant.

On the right is a view of early Vermilion taken from the now dismantled coal docks looking across the east end of the present park. Prominent in the picture are the Brimacombe Building, now the Provincial Government Building, and the Alberta Hotel, now the Vermilion Hotel

# Eighteen Students Honored At Marwayne Graduation

Eighteen graduands of Marwayne High School were honored on Friday, May 20th by a banquet and dance. This is the largest class to date, made up of nine boys and nine girls.

A delightful hot banquet was served at 6:30 p.m. in the dining room of the Elks Hall by the Ladies of the O.O.P.P. to 100 guests, graduands, parents, grandparents, school staff and special guests. E. Gray, President of the Home and School Association, was chairman for the program.

The Invocation was given by Rev. Trevor Wright. A toast was made to the Queen. Greetings were brought from Town Council by Mayor Gordon Hanwest; the Home and School by E. Gray.

J. S. Gardiner, school principal congratulated the graduands and challenged them to do their best to be worthy of the honor conferred on them. The graduands with their parents and grand parents were introduced.

Neil Wilson delivered the short valedictory in a most polished manner, thanking the teachers, the parents and all who had helped them in their schooling.

A. Hanvek, chairman of the local board, expressed his pride in the group of young people and replied to the valedictory with some very wise words.

Mr. Sheen, school superintendent, was called on by Mr. Gray to introduce the guest speaker, Joseph A. McLean of Vermilion. The theme of Mr. McLean's talk was "Outward Bound". He told the grads that the actual education they had already received was like a chart or a book of maps that would guide them on their way out into the world. Character is formed in education is something that no one can take away from you. It is a continuing process. The true value of education is for the betterment of mankind, continue self improvement, but do not become selfish. We must make the best of our gifts, recognize our limitations and not be afraid of criticism like quoted the words "to thine own self be true. And if we must follow, as the night the day, thou canst not then be false to any man." He concluded his talk by saying "You are now in the calm of harbour. Outward Bound! but, but out beyond are rough waters which may be overcome by doing one's best, for it is the only goal in life."

A well attended dance followed in the school gym which was tastefully decorated with silhouettes of the grads on the walls the "Stairway to Success" on the end wall with streamers in the centre and on the stage. A most impressive sight was the Grand March by the graduands and their parents. Each grad was called by name and present ed with a parent by Mr. Gardiner from the Home and School as the two came down the centre for the first part of the march. The music for the dance was supplied by the Gay Pals of Viking.

Midnight lunch was served by the ladies of the Grade 11 class. A special thank you from the Home and School Association for a job well done on this dance. Parents helping to make the whole evening such a tremendous success were: Mrs. Lavoie, Mrs. Hanvek, Mrs. Wilson, Mrs. Hall, Mrs. Lamb, Mrs. Mahaffey.

## Paradise Valley 4-H Club News

The Paradise Valley 4-H Clothing Club held their Achievement Day on May 9. The fourteen members were successful in their completed projects. The program consisted of a skit of readings by Dawn Demonstrations were given by Carole Bennett, Beverly Dobson, Dianne Diehl and Diane Hartley. A piano solo was played by Debbie Henry. Janet McLaughlin sang a solo with Miss Sandra Adams at the piano. Myrna Kragness and Barbara Diehl played a duet.

Reports on the girls activities were given by seven girls on Beverly Henry, Linda Shaw and Marilyn Diehl.

Dianne Diehl was the dress review leader. Seven girls modelled their completed garments during the review. Carole Bennett and Diane Diehl were the commentators for the dress review.

To conclude the evening the judging of the garments and demonstrations was carried out by a committee of other mothers.

Mrs. Lavoie, Mrs. Young and Mrs. Kragness were invited to their respective homes during the week-end.

Mr. and Mrs. H. R. Dobson of Irma and Fred Tibbitt and Ladder all attended a family reunion held in the Masonic Hall, Minburn, on June 5th. Refreshments were served and table prizes were Mrs. Lavoie's contribution.

Mrs. A. W. Dymond is planning a holiday visiting her brother and sisters in Ontario and will attend the wedding of a niece in Montreal.

Mrs. [illegible] returned from a visit to her daughter and son-in-law, Mr. and Mrs. Marv [illegible] on Sunday to welcome a new grandson, Jeffrey Allen, who was born on the 31st.

Mr. and Mrs. Cooper are spending a few days with Mrs. Lavoie and family in Carnduff, Sask. Mrs. Lavoie visited with them on the Thursday.

Mrs. [illegible] is extended to the family of relatives of the late Mr. Peter [illegible] of Marwayne recently.

Congratulations are extended to Mr. and Mrs. Ted Smith on the birth of their first child, a son, Mrs. Wes Ted Smith is the former Miss Jean Hall of Marwayne. Mr. Smith is employed at the Spring Corporation of the U. of A., Edmonton.

## Mannville Locals

Mrs. Beatrice Dauphinee is convalescing after having undergone surgery in the University Hospital.

Mr. and Mrs. R. Bedard [illegible] week-end visits in Mannville.

Messrs. Lavoie, Young and Jarvis were visitors at their respective homes during the week-end.

Mr. and Mrs. H. R. Dobson of Irma and Fred Tibbitt and Ladder all attended a family reunion held in the Masonic Hall, Minburn, on June 5th. Refreshments were served and table prizes were Mrs. Lavoie's contribution.

## News From Kitscoty

Mr and Mrs. R. A. McKerihan and Rob motored to Detroit, Mich., to attend the marriage of their son and brother Phillip on June 11th.

Miss Rosemary Regheini of Vermilion was a recent week-end visitor here with the Misses Grace and Jean Parker. The following week-end Grace visited with Rosemary in Vermilion.

Congratulations are extended to Mr and Mrs. Laurence Parry on the birth of a daughter on June 8th in the Islay Hospital.

Mr and Mrs. Alf Franks spent the week-end with their son Earl and family at Fort Saskatchewan. On Saturday they motored to Edmonton and called on Mrs. R. M. Mathewson. "Scotty" Mathewson is still in hospital receiving treatment.

Mrs. Ray Laycock and family from Manitoba are visiting here with Cliff's sister, Norma, and brother in-law Mr and Mrs. Fred Boetmann and the boys.

Congratulations and all best wishes for their future are extended to Mr. and Mrs. Kenneth McCourt, the former Rhoda Dawn King who were married in Vegreville on Friday, June 10.

Mumps are making the rounds again and several children are ill at present with them.

The basement is completed for the new four-suite apartment which is being built by the County of Vermilion River No. 24.

The excavation for the basements of the Anglican church and C. V. Browne's house have now been completed. The village is enjoying a building boom.

**What Hotel Is This ?**

This picture was taken some 55 to 60 years ago. Can anyone positively identify the hotel. Could it be in Islay as some claim, or Kitscoty, Mannville maybe, or Vermilion? The Standard does not know. Do you????

Newspapers are more than purveyors of news; they also have a hand in creating it by digging it out of news sources who don't realize they have a story. Life magazine reported that a survey of 25 merchandise-minded builders from coast to coast showed that builders credit 60% of their sales to newspaper ads.

**Life Membership in Canadian Legion W. A. Presented To Mrs. Ethel Thompson**

Nineteen years of devoted service to the Women's Auxiliary of the Canadian Legion was recognized recently when Mrs. Ethel Thompson was presented with a life membership in the organization. Mrs. Thompson, shown in the centre was a member of the Vermilion Branch of the Canadian Legion W.A. for 19 years. During that time she was president for three years, secretary for seven years, and a member of the executive for practically the balance of the nineteen years. Mrs. Thompson served the District Command of the W.A. Canadian Legion as Zone Commander of District No. 3 for two years, and two years as District Commander. Shown above from the left are District Commander Mrs. Kay McKenzie who came from Vegreville to make the presentation; Mrs. Thompson; and Mrs. Ivy Pare, President of the Vermilion Branch of the Canadian Legion W.A.

## NEWS from ISLAY

Mrs. Andrew Mereier of Islay, President of St. Henry's C. W. L., and Mrs. Jerry Schmidt, of Vermilion, attended the C.W.L. Convention in Edmonton.

Callers at the Dave Martin home on Sunday were Mrs. Doris Kent and Art, Mr. and Mrs. Garfield Midgley, the Kaiser family of Edmonton and Jimmy from Regina where they attended a son's wedding.

Mr. and Mrs. Frank Stone of Edmonton, daughter Mrs. Porterfield and three children were week-end guests at the Minnie Hurtel and Gladys Stone's and at Ken Stone's farm.

We, at the Stones, were pleased to have a visit from Mrs. Cain who has recently returned from a trip by plane to Holland. Along with her was Bertie Caro Mary and Esther Williams. Both Shirley and Mary are employed in Edmonton.

We are pleased to hear the voice of Mrs. Lou Hanna on the phone again. She is back to regular hours after her illness

**OBITUARY**

SAMUEL FLESHE

A resident of Mannville, Mr. Samuel Flesche, passed away at his daughter's residence in Mannville on May 30th at the age of ninety years. He was born in Poland on Sept. 13th, 1875 and came to Canada to the Mannville district in 1948. He farmed until his retirement to Mannville in 1950.

He leaves to mourn his passing two daughters, Mrs. Emma Kurfeldt of Mannville, Mrs. Elsie Lauser of Germany; two sons, Henry of Mannville, Otto of Edmonton. There are twelve grandchildren and seven great-grandchildren.

Funeral services for Mr. Flesche were held from the Mannville Lutheran Church on Wednesday, June 1st at 2 p.m. Interment was in Mannville Cemetery.

Donald Funeral Home was in charge of arrangements.

## Strike Effects Probe Is Proposed By Line Elevators

A national conference of agriculture, labor and industry to be held at Ottawa, under auspices of the Federal Cabinet has been urged on Prime Minister Pearson by the Line Elevator Companies. The conference would also be aimed at bringing before the public of Canada the long term impact which the latest road seasons and railway strikes would have on agriculture and the entire economy as well as on future trade relations and sales of grain.

In the letter to the PM, sent on behalf of the Line Elevator Companies The North West Line Elevators Association proposed that chief executive officers of the 7 Basic organizations be invited to the conference. Labor Heads Canadian Wheat Board, Board of Grain Commissioners, Shippers and Exporters, Line Elevator Companies, Lake and Ocean Carriers, United Grain Growers Limited, Wheat Pools, Manufacturers, Pulp and Paper Industry, Mining Industry in Quebec, Coal, Metals and Potash Operations, Oil Producers and Processors, Banks, Bank of Canada.

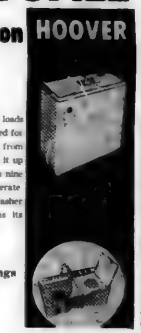
# 1¢ HOOVER SALE

**Ask for a Demonstration**

IDEAL FOR
Cottages, Homes, Trailers, etc



Washes 1 lb. of soiled clothes in 4 minutes — smaller loads in a shorter time. There is no special plumbing required for this revolutionary Hoover washer. You just wheel it from a convenient storage place (closet or nook) and hook it up to the kitchen or bathroom faucet. Requires less than nine gallons of water; less detergent too! So easy to operate. Rinse them as often as you like, then just spin dry. Washer and dryer operate simultaneously because each has its own separate motor.

Washes 24 lbs. in less than 30 minutes

## SPECIAL LEGISLATIVE COMMITTEE ON SCHOOL CENTRALIZATION

In accordance with a Resolution of the Legislative Assembly of Alberta, passed on April 15th, 1966, a Special Committee, consisting of the following Members of the Assembly:

R. B. LAMOTHE (Chairman)
A. ALOSIO
M. SENYCH
E. P. BENOIT
M. MACYAGNO

has been appointed for the purpose of enquiring into and receiving representations and recommendations as to:

1. The interest and concern of the public with respect to the centralization of schools.

2. The educational opportunities presently being offered in elementary and secondary schools, and

3. The problem of centralization and consolidation in the rural areas and smaller cities with particular reference to vocational high schools

The committee invites the submission of Briefs by all interested parties, particularly local level branches of the Alberta Teachers Association, Alberta School Trustees Association, Home and School Association, Farmers Union of Alberta, Farm Women's Union of Alberta, Chambers of Commerce, school and municipal authorities, religious organizations and all other interested individuals or associations.

Seven copies of each Brief should be forwarded to the Committee not later than July 15th, 1966, after which time public meetings will be held in various centres of the Province to hear representations in support of the Brief's submitted.

Address Briefs and correspondence to:

The Secretary,
Legislative Committee on School Centralization,
313 Legislative Building,
Edmonton, Alberta.

E. B. Lamothe, Chairman
Legislative Committee on School Centralization.

# NEWS from KITSCOTY

(Held over from last week)

Rev. and Mrs. A. R. Reid, Kenneth and Robert of Carvelburg spent the Victoria Day holiday visiting Margaret's parents Mr. and Mrs. F. O. Seward.

Mr. and Mrs. Robert Howlett and Sandra Lynne accompanied by their grandmother Mrs. A. C. Lindell of Edmonton, were recent week-end visitors here with relatives.

Mr. and Mrs. E. Joy and Mr. and Mrs. Henry Joy attended a get-together of old timers which was held at Mrs. Dursin's in Daysberry.

Mrs. Ted Sheppard has returned home after being called to Calgary last week due to the sudden illness of her son-in-law Kelly Armstrong.

Mr. and Mrs. Tom Allen spent a recent week-end with son Carl, Mrs. Allen and family at Loon Lake.

Mrs. Lawrence Watt is in Edmonton at present receiving medical treatment. Her many friends wish her a speedy recovery and better health in future

Mr. and Mrs. E. Calnapan and the boys from Edmonton spent the week-end here with Merle's folks Mr. and Mrs. A. Hale and brother Ron and family

Mr. and Mrs. Will Clifford attended the graduation of their son Alan from Alberta College in Edmonton last week

Mrs. C. N. Gray attended the graduation of her granddaughter Gloria Gray from Alberta College. This event was held in the McDougall United Church.

Mr. and Mrs. Ken Gray attended the banquet and dance in connection with Gloria's graduation. This was held at the Edmonton Inn. Patrick Watson of the CBC was guest speaker for the evening which was attended by over 500 people

ERVIN G. CAYLEY
new President of the Christian Science Church

## Observe 100th Anniversary

Ervin G. Cayley became the new President of the Christian Science Church on June 6th as members from around the world convened in Boston for their Centennial-Year annual meeting.

Simultaneously, ceremonies were being held nearby as construction workers and block away were beginning land clearance for the religion's dramatic new expansion of its headquarters area, known as The Mother Church. The First Church of Christ, Scientist, in Boston, Mass.

The area the church occupies in this year's observance of the 100th anniversary of the beginnings of Christian Science under the leadership of Mary Baker Eddy in 1866.

To the annual meeting it brought the biggest attendance in the Church's history, flowing overflowed crowds into Mother Church over into the adjacent Civic Auditorium and a nearby theatre, where the proceedings were carried on closed-circuit television. An estimated 15,000 people were on hand

## ALLIANCE CHAPEL

Pastor J. H. Bell preached at services in the Alliance Chapel on Sunday, June 12th. His sermon titles were "The Book of Joy - Philippians" and "God - Dead or Living?" A very interesting story for the boys and girls was told by Mrs. Roy Sorenson "A Sermon From a Shoe". Special music was provided vocally by Mr. A. Mix and by Mrs. A. Stauffer - Piano and organ accompaniment was played by Mrs. J. H. Bell, Miss Margaret McLennan and Ken Tovell

Mr. David Holloway, a recent graduate of Missionary Bible College Peabody, spoke briefly in the evening service.

Out-of-town visitors in the services were Miss Sue-Ellen Clendowning of Red Deer, home on vacation from the Alliance Hospital, Mr. David Holloway, Pastor visiting his sister Mrs. A. Stauffer.

## Answer Questions re. U. of A.

What is the University like? Can we visit the place? How do we become acquainted with the U of A.?

Is it an impersonal, "hooby" place?

What is the snare with it anyway?

How often do you ask these questions? The Students' Union at the University of Alberta can provide you with the answers to these important questions. Through the facilities of the Students' Union Tour Bureau, tours of the campus can be easily and quickly arranged. These tours can be tailored to your exact interests, whether they be campus wide or as specific as microbiology. No group is too big or too small.

The Golden Key Society, under its President G Burn Evans, is the co-ordinator of this service and all correspondence and inquiries should be directed to Burn Evans, c o S.U.B., University of Alberta

This service is provided for the benefit of any type of group of any age contingent. There is no cost to these tours except for meals (if desired) which can be arranged on campus in the ultra modern food service at Lister Hall for a small fee The variety of tours is unlimited and the content depends entirely on the group involved Buildings can be toured or laboratories visited various campus facilities including the Physical Education Complex and Students' Union Building are open for visiting At well as seeing the physical facilities of the campus, it will be possible to meet various campus dignitaries including administrators faculty deans and representatives student leaders and other campus officials

With the Tour Bureau now in operation it is hoped that many groups will ask for tours and will come and see the University Campus If you are at all interested in such a visit hesitate no longer write or contact Burn Evans Golden Key Society Students' Building U of A. Edmonton Alberta

## Come celebrate with us!

Saturday, June 18th is Open House at modern new premises of The Toronto-Dominion Bank, 50th Ave. and 54th St. in Vermilion

Yes, we're celebrating. Celebrating our modern new look in splendid new premises. And we hope to be overwhelmed with people this Saturday when we hold Open House to mark the formal opening of our New Bank Building.

Manager R. B. Redner and his entire staff will be on hand to bid you a cordial welcome. Mayor S. C. Heckbert will be there as well, to perform the ribbon-cutting ceremony. There'll be light refreshments, soft drinks for the children, and Toronto-Dominion's popular coin collection will be on display for your enjoyment.

So do plan to drop by for the festivities, and enjoy a friendly chat with the "people who make the difference" in banking. We'll be expecting you Saturday, June 18th between 2:00 p.m. and 4.30 p.m. The address: Southeast corner of 50th Avenue and 54th Street, Vermilion.

R. B. Redner
Manager

TORONTO-DOMINION
The Bank where people make the difference.

## I'M INNOCENT

I was just walking down the street minding my own business when . . . but Laura (played by Mary Tyler Moore) doesn't seem to believe a word of it. Just one of the many amusing moments of the Dick Van Dyke Show seen Tuesdays on the CBC-TV network.

WHY YOU MAY HAVE TO PAY MORE FOR DAIRY FOODS

Each year, Canada's dairy farmers get a smaller return for their investment and efforts. Increasing costs of operation, equipment and virtually everything a farm needs, plus a very serious shortage of farm labour, are putting dairy farmers out of business at the rate of about 10,000 each year.

Returns to the dairy farmer have not kept pace with increased costs of farm operations.

From May 1954 to the beginning of 1966, in most Canadian markets, the aggregate increase to the dairy farmer was only 2 cents per quart for standard home milk.

Consumer prices of dairy foods have not increased as much as most other food products.

From May 1954 to the beginning of 1966, in most Canadian markets, the aggregate increase in home delivered milk (standard home) was only 5 cents a quart.

Canada's dairy industry is vital to our economic and nutritional health. If dairy foods cost a little more than they used to, they'll still be your best food buy.

Dairy Farmers of Canada
Avenue East, Toronto 12 Ontario

**ATTENTION YOUTH**

Graduation days are here once again and it's that time of year that young people should be thinking seriously about their future. It is often good to seek guidance from people already employed in the field in which one is interested. There are many questions that young people should discuss before they decide. Among them are: What are my ambitions, interests, abilities? What do I want out of life and work? What jobs appeal to me? What are my goals — short term and long term? What educational "avenues" are open to me? Can I obtain bursaries, scholarships and other financial assistance?

**DISCLAIMER!**

I have some information in my office on bursaries, scholarships and loans tenable at Agricultural and Vocational Colleges at Olds, Vermilion and Fairview, Northern Alberta Institute of Technology, Southern Alberta Institute of Technology, and the University of Alberta. I also have calendars of courses available and of what they consist for most of these places. There are a number of application forms here for some of them.

There are special scholarships for 4-H members especially if they are going on into Agriculture or Household Economics. There are all sorts of financial assistance available merely for making the effort of finding out about it and getting an application form in. Most of those presented during the summer so the time to get busy on this is now.

For further financial assistance listings, write to the Department of Education, Edmonton and ask for "Financial Assistance for Alberta Students". If you are planning for hoping to attend university, write for a "Calendar of Awards" from the Bureau of the University of Alberta, Edmonton or Calgary.

I wish you the very best in your continued education as this is truly the most wonderful experience and most valuable asset you can acquire. It brings to mind the words of Benjamin Franklin and he can word it much better than I can. Remember this: "If a man empties his purse into his head, no man can take it away from him. An investment in knowledge always pays the best interest."

A Want Ad. just costs 5c.

**V.A.R.C. ANNUAL MEETING**

The annual meeting of the Vermilion Association for Retarded Children will be held in the School for Exceptional Children on Thursday, June 23rd at 8 p.m. All interested are invited to attend.

## RIVERTON

The weather has changed from cool, windy and dry to cool and wet. The ground in this district is thoroughly soaked now and warm sunny weather would be most welcome The seeding has been delayed and it will be well along in June before it is completed even with favorable conditions.

**LADIES' CLUB MEETS**

The Riverton Ladies' Club met on June 2nd at the home of Mrs. Mac MacLean who now lives in Lloydminster. It was a long way to go but three cars, with 15 members, made the trip and all enjoyed the outing Donations were made to the Islay Hospital and the Dennis Award fire fund. We omitted to mention previously that spoons for perfect attendance in 1965 were presented to Mrs. P. Hansen and Mrs. B. Tomasson. Next meeting to be held at the home of Mrs. E. S.

**SERVICE FOR A STAFF**

Mr. Ralph McCoy of Santa Maria, Calif., spent eight days in the district visiting many friends and former neighbors. The day before he left he was guest of honor at a dinner party held at the home of Mrs. Dornan with her sisters Mrs. Wood and Mrs. Hansen as co-hostesses. There were twenty-five present including, besides those from Riverton, Mr. and Mrs. E. Joy, Mr. and Mrs. Henry Joy, of Kitscoty; Mr. G. T. Skinner and Mr. and Mrs. Lee Vermilion, and Mr and Mrs. Lee Green of Edmonton.

Measles are making the rounds of the district and some children have been quite ill

## Provincial Officers Attend I.O.D.E. Zone Meeting

The two Vegreville Chapters of the I.O.D.E. joined forces to host the Zone Conference of the I.O.D.E. recently. Shown above are nine members who played key roles in the program. From the left are Mrs. M. Craddock, Vegreville, Regent of the Ada I. Wright Chapter, who introduced the guests at the noon luncheon; Mrs. Addie Mead of Vermilion, Provincial Councillor; Mrs. J. D. Robinson, organizing secretary, provincial; Mrs. J. D. McGregor, provincial first vice-president; Mrs. C. B. Linton, provincial president; Mrs. D. F. Rutherford, provincial secretary; Mrs. G. T. Fowle, Vegreville, Regent Major Fane Chapter; Mrs. S. W. Pawliuk, zone 7 provincial vice-president and chairman of the conference; Mrs. R. Scheil of Willingdon, provincial councillor. The 1967 zone conference will be held in Willingdon in April. —Picture by courtesy of Vegreville Observer

## Local Members Attend I.O.D.E. Zone Conference

The annual zone conference of the I.O.D.E. was held in Vegreville recently. Over 30 ladies of the zone attended the conference which was attended by officers from the Provincial Chapter of the I.O.D.E. Shown above is a group picture of the ladies following the noon luncheon. Special guests are seated at the table with the members grouped around them. Ladies attended from Willingdon, Vermilion, Lloydminster and the two Vegreville Chapters. —Picture by Courtesy of Vegreville Observer

## Careless Smoking, Alcohol, Causes of Eight Fire Deaths

It is possible that there is increasing concern about fire safety here in Alberta. Vital statistics tend to support this view.

During the first five months in 1966 eight deaths have been reported to the Provincial Fire Commissioner During the same period last year ten fire deaths occurred.

But there is one black side to the statistics. All the five deaths thus far in 1966 have occurred in dwellings.

Persons at their home [illegible] three victims asleep in bed one was an invalid but he was able to escape from the burning home.

Two were killed one from attempted suicide in a chemical field [illegible] a propane explosion in a [illegible]

The fifth died one having climbed [illegible] in a cigarette [illegible] the victim is an adult — [illegible] with a strange [illegible]

It must be evident that simple [illegible] could claim [illegible] as a death trap rather than home as a residence. Careless smoking coupled with excess use of alcohol must be recognized as a sure death cause if not well long enough. We have one of clear weak [illegible] doubt as fire. It is the smoldering burning cigarette [illegible] in contact coupled with the [illegible] of unconscious persons [illegible] that turns the trick.

[illegible] remains are a partial [illegible] such drastic [illegible] [illegible] anything [illegible] [illegible] about the dangerous [illegible] [illegible] character [illegible]

It is important in the only [illegible] possible consult for a buying decision.

# Allandale News

Weather a grand rain on May 30th, an unwelcome frost on June 7th and cool and cloudy.

Miss Shirley Duncan and Mr. Ernest Jarhat of Clandonald were visitors at the Omness home on May 31st.

Mr. and Mrs. Isidore Nelson and son Leslie were visitors at the home of their daughter Anne, Mr. and Mrs. Peter Lacusta and family of Riverview, for the week-end of May 28th. Mrs. Nelson stayed for the following week until Wednesday when Mrs. Nelson joined her husband and Mr. and Mrs. Corley Omness and called at the home of Mr. and Mrs. John Nelson and daughter Alva. Visiting them were their daughter Loren and husband, Mr. and Mrs. Tommy Dowsett and family of Rockyford. All attended the funeral of the late Mr. Roberge; our sympathy is extended to Mrs. Roberge and family. The hospitality of Mr. and Mrs. W. L. Roberge and families was appreciated very much.

June 3rd, Mr. Peter Lundblad and son Gary from Holden were visitors at the home of Mr. and Mrs. Gus Thorsdeson. That afternoon they called at the home of Mr. and Mrs. Alvin Thronds son and family. Gary had attended the VAVC last term.

May 30th Mrs. Stella Mayers was admitted to the Islay Hospital and was a guest at the Omness home for a time before going to the farm.

Miss Shirley Duncan and Mrs. Omness went calling on June 9 at the homes of Mr. and Mrs. Milton Farrell and son Howard, Mr. and Mrs. Harvey Anderson and son Milton and Douglas, Mr. and Mrs. Gary Crutchers and daughter Carolyn and Mr. and Mrs. Donald Wilson and family.

Mrs. Ruby Peters and a friend, Mr. Lawrie Shunka, of Edmonton, were visitors at the home of Mr. and Mrs. Gus Thorsdeson on June 6th and they called at the Omness home in the afternoon. It was good to reminisce with Ruby of school days, both in the early part of the century.

## BIRTHDAY PARTY

In honor of Mrs. Nora Banaghan's birthday on June 9th, relatives and friends called at her home. Present were Nora's daughter Rena and Leslie Sherwood and family Robin and Sandra. Mr. Tom Williamson, Mr. and Mrs. William Armstrong, Mrs. Mabel Lee, Mrs. Stella Mayers, Orley and Ellen Omness. A potluck supper was enjoyed by all. The next morning Mrs. Lee and Mrs. Armstrong left by bus for Greenwood, B.C., to visit their sister Gertie Swanson and relatives.

## U. C. W. MEETING

The Allandale U.C.W. met at the home of Mr. and Mrs. Orley Omness on the afternoon of June 8th. Correspondence — a letter from Mrs. M. Gamble of Manorville, they will be visiting U. C. W. groups in September, from Cold Lake recovering their spring rally, sponsored by the St. Paul Presbyterial and from Naramata. A schedule was made for cleaning the church. Arrangements were made for a bake sale, to be at a later date. Devotional was given by Miss Duncan. Visitors were welcomed. July meeting will be at the home of Mr. and Mrs. Woody Wilson on the 11th. Meeting closed with the Mizpah.

Closing thought - "Looking ahead is a good way to keep from falling behind."

# Minimizing Estate Taxes

According to Alberta's Agricultural Solicitor Alex Weir, there are many legitimate ways of lessening and in some cases of eliminating estate taxes altogether.

One way is for parents to give that part of their estate to their children which exceeds $50,000. There is no estate tax on an estate of $50,000 or less.

Mr. Weir points out that a farmer can make a gift of $50,000 once in a lifetime to a child who intends to carry on the family farm, providing the gift is part of the farm land. If the equivalent value of the land were given in cash, it would be subject to gift tax.

In addition to this once in a lifetime gift of land, anyone can give away $4000 each year without paying gift tax. If the sum exceeds $4000 a year the difference between the two amounts is taxable. The one exception to this rule concerns those whose net earnings are over $10,000 a year. The size of the gift they can give in a year is established by a formula based upon half the difference between their taxable income and the taxes they paid in the previous taxation year.

Finally, a person can make as many gifts not exceeding $1000 in value as he likes in one year as long as he gives them to different people. It is important to remember here, that if the gift is over $1000 in value, the total amount is taxable, e.g. if a person gave $1300 to another person, he would have to pay gift tax on the whole $1300, not just on the $300.

Incorporating the farm in such a way that the parents do not retain the participating shares is another way of keeping estate taxes down, says Mr. Weir. This does not mean that the parents must relinquish their control over the operation of the farm. Depending upon the type of arrangement, they can retain the control by holding preferred shares with voting powers. However, this type of arrangement is known as an estate tax freeze.

Mr. Weir says that Alberta farmers are becoming increasingly aware of the importance of careful estate planning. The present land boom, which has considerably increased the net worth of many farmers, is probably the main factor in this increased awareness.

# St. Joseph's C.W.L., Mannville, Reports

MANNVILLE — The May meeting of St. Joseph's C. W. L. was held at the home of Mrs. Peter Bielaert with Fr. Eneman, eight members and three visitors present.

The meeting was opened by the League Prayer. The minutes of the last meeting were heard also reports of the committees.

After the business portion of the meeting a short study of the Vatican Council was held, conducted by Fr. Keenan. The meeting was adjourned and a delicious lunch served by the hostess.

The next meeting (June) will be held at the home of Mrs. Raymond Kotnicznyi.

Lovely Barbara Eden, one of Hollywood's budest actresses, stars at a mischievous genie in the situation-comedy series, "I Dream of Jeannie", seen Thursdays on CBL television. Co-starring in the series is Larry Hagman as a serious young astronaut Tony Nelson, who is continually embarrassed by Jeannie's antics and magic tricks.

THE STRATHCONA LEGION PIPE BAND

# Pipe Band, Highland Dancers At Park Opening on Sunday

## Music Students Pass Conservatory Exams

The following is a list of successful candidates in examinations held recently by the Royal Conservatory of Music of Toronto in Vermilion. The names are arranged in order of merit

GRADE VII PIANO
Honors -- Susan Betz.

GRADE VI PIANO
First Class Honors -- Dale Eyben.
Honors Linda Olson.
Pass -- Shirley L. Fiemstra, Cleland.
Iris L. Anson, Susan Rowe, Arlene Goldsmith.

GRADE IV PIANO
Honors - Gail Rinnburgh, Patrick A. Sladen.
Pass Gwen Yeoyiou, Barbara A. Bagley.

GRADE III PIANO
Honors -- Lorna Olson.
Pass Dawn Kinnibergh.

GRADE II PIANO
First Class Honors -- Leslie

An excellent program will usher in the summer season at the Vermilion Provincial Park on Sunday afternoon, June 26, commencing at 2:30 o'clock. The Hon. Henry A. Ruste, Minister of Lands and Forests, will be the guest of honor and will officially declare the park open for the season.

STRATHCONA PIPE BAND

The Strathcona Legion Pipe Band from Edmonton will be at the park band shell, in full uniform including the kushes shown in the picture above. They will present a very pleasing program

Coming from Edmonton also will be highland dancers connected with the Strathcona Legion, and they will add variety to the program.

PARK IS BEAUTIFUL, THE WATER GOOD

The park is very beautiful and the facilities for camping, picnicking swimming and boating are excellent. Fish are plentiful with good catches reported from the spillway. The water is clear and the best it has ever been for swimming.

Arrangements for the Sunday afternoon events at the park are under the auspices of the Vermilion Chamber of Commerce, member of Bill Sutherland (ex Mounty) and Charlie Lamb.

SECOND CONCERT JULY 3

On Sunday, July 3rd the Vermilion School Boys Band, selected at both Calgary Stampede and Edmonton Exhibition, will give a concert in the Vermilion Park. Watch for further details in next week's Standard.

## Bishop Burch Confirms 12 At St. Saviour's

On Friday, June 17th, the Rt Reverend W. Gerald Burch D.D., Bishop of Edmonton, made his annual visitation to the Parish of St. Saviour's, Vermilion.

Twelve candidates were presented to the Bishop to receive the Apostolic Rite of Confirmation. In his address to the candidates the Bishop spoke of the many temptations to forsake the faith in the 20th century and the contrasts between these temptations and those of previous years. In the life of the Church The Bishop reminded the candidates that they are to follow Christ, not a set of rules, a plan or a book.

The Rev. Trevor Wright of Kitscoty presented five persons to the Bishop. The Rev. Bernard A Hart presented seven candidates. Special music for the service was under the direction of the organist and choirmaster of St. Saviour's Parish, Mr. Ian Pullen. The Bishop's Chaplain was John Tiffinger

In a delightful and ancient part of the service the Bishop laid his hands upon each candidate individually, praying for the increase of the Holy Spirit in the life of the person presented.

RECEPTION

A reception in honor of the Bishop and the newly confirmed persons was held in the parish hall immediately following the service A presentation was made to the Bishop at this time by Mr. Tom Knight, the Rector's Warden of the Parish of St. Saviour's.

Candidates presented for Confirmation by the Rev. B. A. Hart, Rector of St Saviour's are, from the left, back row: Brent Long, Richard Jones. The Rt Rev. W. Gerald Burch D.D., Bishop of Edmonton, the Rev. B. A. Hart, front row, from the left: James Green, Joyce Bell, Dona Dagnell, John Reid, and Marilyn Rowe.

## Receives Degree At Montana State U.

Murray John Ross of Vermilion was a recent graduate from Montana State University at Bozeman where he received his Bachelor of Science Degree in General Studies with a major in Zoology.

Since leaving the J. R. Robinson school in 1952 Murray has spent four years at university, where he was an active member of the Lambda Chi Alpha Fraternity.

Murray is the son of Mr. and Mrs. Gordon Ross.

## Groups Contribute To UNICEF

Buffalo Coulee School $15.80; Vermilion Girls' Softball $8.50; Vermilion Staff $18.25; Maywood School Children 11.72; First Intermed. Brownie Pack 11.00

All these contributions helped to make the Alberta total of $35,790 for the "Hallowe'en For UNICEF" project and is much appreciated

## Annual Meeting Of V. A. R. C.

The annual meeting of the Vermilion Association for Retarded Children will be held in the School for Exceptional Children on Thursday, June 23rd at 8 p. m. New officers will be elected and financial and progress reports be given An invitation is extended to all groups and individuals to attend. Lunch will be served.

## Crowds Attend Official Opening Of The Toronto-Dominion Bank

The official opening of The Toronto-Dominion Bank on Saturday, June 18th was everything that anyone could wish. The new building was crowded to capacity, the [illegible] were good, the refreshments bountiful and delicious, and the bank building itself was a pleasure to behold.

In the picture above His Worship Mayor Heckbert, centre, cuts the ribbon to officially open the new bank, on the left is Bob Redmer, manager of the local branch of the Toronto-Dominion Bank. On the right is Mr G. T. Corbett, general manager Alberta Division, who comes from Edmonton

## OFFICIALLY OPENED ON JUNE 18th

The new Toronto-Dominion Bank now occupies a corner long associated with banking services in Vermilion. Back in 1912 the Royal Bank built on this site and conducted business until 1962 since that time the building was used for other purposes until wrecked to make way for the ultra modern attractive structure pictured above This Toronto-Dominion Branch was officially opened on Saturday June 18

## Life Jacket — Life Saver

A good life jacket, correctly used and properly cared for will help save the life of a potential drowning victim.

To be a good life jacket, it must meet the specifications set by the Department of Transport, Ottawa. So any life jacket you buy should bear the "D.O.T. Approved" stamp. But that's only the beginning.

When buying a life jacket, it should be tried on. It should fit right and be reasonably comfortable. At the first opportunity it should be tested by wading out to chest-deep water and raising the knees. The life jacket should float you in a face-up position.

Life jackets should not be used as boat bumpers, cushions or pillows. During the periods when they're not needed, they should be stored in a cool, well-ventilated place or they'll deteriorate more rapidly than normal.

With good care, a life jacket should last from six to ten years, perhaps longer. In any case, it should be tested periodically to see that it still has its buoyancy properties.

The most important point about a life jacket is that it can't help save a life if its stuffed out of the way under the hull of a boat or if it's been left on shore. You have to wear it.

## Seek Advice Before Investing

A. Reddon, Livestock Supervisor with Alberta's Animal Industry Division, advises hog producers in this province to seek as much advice as possible before investing in a commercial promotional hog protection enterprise. The University of Alberta, federal experimental farm personnel, and the provincial extension personnel are all reliable sources from which to see advice.

At the present time, there are several organizations selling complete hog protection programs. The breeding stock being supplied is of satisfactory quality, but there is some doubt as to whether many of the claims regarding the superiority of these animals over native breeds, which have been carefully selected, is justified.

We hear a lot of "happy" talk. Have you ever seen a child so ill all of us were entitled to show inside himself men a lifetime of happiness, all ready, talk sick and in need of help? ped up like a sun from the There are a hundred thousand of saviors. We aren't really, but them in Canada some as young we can learn how to earn hap as two or three. Do you care? If piness. Write for "The Chart of you do, write for the free pam Happy Living," to the Canadian phlet, "A Child At-Ise In Need Mental Health Association, 619 Of Help" from the Canadian Mental Health Association, 619 Pavilion Building, Edmonton. Pavilion Building, Edmonton.

## Letters to the Editor

The Editor
Vermilion Standard
Vermilion, Alberta.

Dear Sir,

The Salvation Army Vermilion and district would like to thank all those who this year made the recent Red Shield Appeal a successful one. To those who helped in the canvassing every assistance has been greatly appreciated. To those who gave from the heart as they could we thank you for your interest and friendliness towards us which has been shown in this way.

Those whom you have helped in this way I am sure would like to thank you through us and this we do. Thank You.

Yours sincerely,
Roland A. Oates
Captain
Commanding Officer

Mr A. Cooper and Staff,
Vermilion Standard
Vermilion, Alberta

Dear Sir,

May I thank you and your staff on behalf of The Salvation Army for the good work you did in publicizing the recent Red Shield Appeal, both with the national advertising and with the extra which was placed in your paper and the articles which helped to make this year's appeal a great success both locally and throughout the district covered by the above Corps.

Thanking You,

Yours sincerely,
Roland A. Oates
Captain
Commanding Officer

## GREEN ACRES

By H. MORLEY DOUGLAS
District Agriculturist

RASPBERRY FLEA BEETLES

Raspberry flea beetles are again making their presence known. Rasp fields sown with untreated seeds should be watched closely and if flea beetles appear treatment with DDT may be necessary. There is not much time between the first indication of damage (small round holes in the leaves) and the complete destruction of the crop so keep a sharp watch. Lindane type seed treatments are the easiest method of control. However, at this stage, DDT at 1 quart of 25% strength per acre is the only solution. Flea beetles do damage from the time rasp seedlings emerge until about the end of June. In some years a second batch is of sufficient size to do damage again in late summer when they feed on the pods.

There are quite a number of other insects as well which cause damage throughout the growing season. Rage requires more crow wounding than other insects.

INSECTS ON EVERGREENS

Reports of insects on ornamental evergreens have been coming in so far we've seen spider mites and a little gall aphids. Malathion is the most commonly recommended insecticide for control of these, however, commercially prepared mixtures of malathion and DDT are acceptable. Of course, there are special cases and a proper identification should be obtained if possible. If all else fails in your identification search, bring the specimen into the D.A. office and we'll send it in to the Field Crops Clinic for positive indentification.

Check your strawberries from time to time for insects and insect damage if detected in time a serious outbreak can be prevented and the loss avoided.

In spite of insects and disease the prime evergreen killer now is still the dehydrating effect of

both hands tightly against his nose.

"Can't you move your hands now?" asked the solicitous doctor.

"Mo", said the boy.

Again the doctor "Do your hands hurt?"

"Mo".

"Will you try and move them for me?", asked the kindly doctor.

"Mo", replied the boy. "I've got to hold up my pyjama pants".

## Clandonald News

Going to the beach is like going to the attic . . . you are surprised at what you will find in it (trunks).

Dr and Mrs John Convey of Ottawa recently visited the former's brothers and families here Mr. Convey is Director of Mines and Technical Surveys.

A couple of weeks ago the parishioners of the United Church enjoyed a potluck dinner on the lawn at the home of Mr. and Mrs. Bill Thompson.

TO REESIE IN VANCOUVER

Mr and Mrs. Pat Convey and family are leaving shortly to take up residence in Vancouver, B.C. They have been an active couple in the community for the past 25 years or more and will be sadly missed. Due to health reasons Mr Convey has had to give up grain buying along with many other community activities in which he has been a leader rather than a follower. Our best wishes go for better health and that they will be happy in their new province.

We are pleased to hear Jim McCarthy is a patient in Vermilion Point Hospital where he underwent eye and ear surgery recently.

Mrs. Iwaski MacIntyre was transferred from Islay to an IDL position in Edmonton. Mr. Iwaski will soon be well and home.

We are pleased to hear that Mr. Martin Sr. is home from the Islay Hospital where he has been a patient for some time.

A card of writing Mr Stanhope in Vic Pike Hospital, Vermilion solicits hers. We hope he will soon be home.

Congratulations to Mr and Mrs. Ike Huxley on the birth of their little son recently. Mr Huxley seems brothers to "swipe or can cheese with".

Mrs. Colin McGillivray underwent a back operation recently. Our hope for her is continued improvement.

Mrs Pet. Zaharkin Curly Mac Pine and Mrs Ed. Hoover won some cash prizes at a bingo in Marwayne recently. Congratulations.

Best wishes for continued health, wealth and happiness to two of our brides and grooms of twenty-five years ago. Mr. and Mrs Mark Bykowski celebrated their anniversary in the hall here with friends and relatives in the form Hall, celebrated their 25th anniversary. Their son Peter, employed in Thompson, Man. was home for the occasion.

Johnny Chorchon of Edmonton visited his parents Mr and Mrs Bill Chorchon and friends in Bodalmadie, he drove up the plane for the Chorchon family and never system.

Leonard Redmond was home the week-end of his parents' 50th wedding anniversary. It was a surprise party given by Canada Packers.

Mr. and Mrs. Pete Mostyn of Saskatoon visited friends and relatives here last week-end.

Bill

An eastern homestead auction recently, a farm-raised publicist had the misfortune to auctioneer. He began to wail, shouting: "Here's a fine bunch of cattle, a fine bunch of horses, a fine bunch of chickens, a fine bunch of pigs, a fine bunch of sheep, a fine bunch of—" Then he stopped, looked around, and said: "Folks, I'm sorry, but I've run out of bunches."

## 4-H Dairy Club Plans Thematic Display

The regular meeting of the Vermilion - Mannville 4-H Dairy Club was held at the VAVC on June 10th with nine members present. In the absence of both the president and the vice-president, Maurice Clement acted as chairman. The pledge was led by Ken Cornish and the roll call was answered with the name I'm doing given by each.

An invitation was extended to the Club by the Vegreville Exhibition Board to enter the thematic display in their fair. It was decided to do this. A special meeting is being held at the Dixon home on Wednesday, July 6th at 2 p.m. to which all members are asked to bring their work so that the whole display can be assembled.

Correspondence was read from the U.G.G. regarding free gates for community projects. It was decided not to accept this offer.

Junior leaders Harvey Hideon and Maurice Clement gave instruction on how to judge dairy cattle. The members then judged four calves and gave their reasons for placings.

The meeting adjourned. The next one will take the form of a wiener roast at the park, each family is to bring enough for its own needs.

## 16 Years Ago Today

JUNE 23, 1950

Ratepayers and residents of the M. D. of Vermilion River and of the Vermilion School Division will have a detailed explanation of the "County" system of local government as applied to these areas. The speakers will be Hon. G. E. Gerhart, W. R. Cornish, M.L.A., and A. O. Aaborg, M.L.A.

While returning from Edmonton last Saturday morning, the car driven by Chester P. Lipsey skidded and turned over in the ditch. Chas suffered broken ribs and head injuries and is a patient in the Vegreville Hospital.

Mr and Mrs. Bert Osbaldeston were called south to Macleod last week on account of their son Marvin had been seriously injured in a motor collision. He is reported to be suffering from a skull fracture.

On Wednesday the weather broke and rain commenced fall which is general throughout the area. By 5 p.m. on Thursday 1.85 inches had fallen and it was still raining.

## 32 Years Ago Today

JUNE 21, 1934

A very quiet wedding took place on Tuesday, June 19 at St. Saviour's Church when Rose Marie, only daughter of Mr. and Mrs. Victor DeDelly, became the bride of Harry Perkins.

Bill Steele informed the editor that his wheat was in the shot blade on June 15th, somewhat in his 35 years of farming experience.

Rains of last Thursday and Friday have been followed by cool, cloudy weather with an occasional shower.

Dr Bell was in attendance at a Medical Convention in Calgary this week.

Mrs. Clarke Wilson and baby Joyce boarded the train for Edmonton last Sunday for Bellevue, Que., where they will visit Mrs. Wilson's sister.

## 48 Years Ago Today

JUNE 18, 1918

The first places in the province to get rural hospitals under the new Hospitals Act will be Vermilion and Mannville. Petitions from both have been submitted to the government.

All persons in Canada who have attained their 16th birthday are required to register on Saturday, June 22nd.

The Ladies' First Aid of Wetaskiwin is holding the annual picnic on July 10th. Proceeds in aid of the Red Cross.

A heavy rain fell here Tuesday evening and showers on Wednesday.

The Red Cross Circle of Tofield is holding a dance in J. P. Murray's barn on Friday, July 5th.

## Local Players Eligible For Molson Hockey Scholarship

A hockey scholarship program to cover the tuition fees of students entering university in Alberta has been announced by the province. The program has been established by the Molson's Edmonton Brewery, sponsors of the Oilers.

Alberta students, currently in their final year of high school year will be eligible for ten grants of $200 for entrance to Alberta universities. The province will match grants similar to this is currently being offered by Manitoba, B.C., Saskatchewan, and Manitoba.

The Molson Hockey Trust Fund Committee which will select the winners each year will be made up of prominent men in the athletic direction field and Mr. Ed. Molson's Vice-President of the Molson's Vice-President of the Oilers.

Eligibility for the scholarships will be based on hockey proficiency academic achievement and financial need. Both leadership and sportsmanship. Mr. Molson stressed that "while they are looking for hockey players, we have no intention of ignoring deserving non-hockey players. The program is being launched to help boys who have the combined talent hockey ability to further their education and develop their hockey talents. We hope the program will assist in providing well-rounded educational opportunities to young hockey players in Alberta."

Further information can be obtained by contacting the Public Relations Dept., Molson's Brewery Ltd. 10405-121 St., Edmonton.

House of Lethbridge

## 'The two best beers in the house!'

Lethbridge Pilsner

Several "best brews" blended by an age-old Bavarian process into one great beer! Its distinctive taste is brewed-in with premium barley, rice and hops. Lively and relishing Pilsner beer, from the House of Lethbridge!

Lethbridge lager

The bright and bracing lager beer in the best House of Lethbridge tradition. A pure, exclusive yeast culture helps make it an unusually smooth brew. And the mellow taste of the finest malt gives 'bridge its unique character!

Two great brews from
SICKS' LETHBRIDGE BREWERY LTD.

## Ten Bowling Tips

Never smoke while rolling. Check and clean your bowling before going out.

Wear a fully jacket in choppy weather and at night.

If upset call for help and keep on the boat until help arrives unless the boat is drifting into dangerous or too locate it entirely by oneself.

Practice with the pro. Inspect "Safety Afloat" to Safety Branch Department, Ottawa.

## M. P. For Battle River Succeeds In Sign Protest

Clifford Smallwood Member but on French lettering taking of Parliament for Battle River precedence in a basically English-speaking province. Camrose has succeeded in his efforts to have the sign on Edmonton's new post office changed.

Mr. Smallwood and William Shoreyko MP for Edmonton East, to the French lettering with English translation.

Mr. Shoreyko complained to the postmaster general, while Mr. Smallwood sent a letter to Public Works Minister McIlraith. The two Alberta Conservative MPs asked that the English take precedence over the French.

Mr. Smallwood's request was granted by Mr McIlraith and the aluminum-colored sign on a wrought iron background has been removed from the Edmonton post office building and replaced by an English French one.

Questioned on his participation in an Edmonton complaint, Mr. Smallwood said "it's an Alberta complaint and any time somebody like this occurs anywhere in Alberta, in my own constituency or another, I will be concerned in it."

Both Mr Smallwood and Mr. Shoreyko pointed out that the complaint was not based on any fact of the sign's bilingualism.

WHY NOT TRY A WANT AD!

## Shower Held For Local June Bride

A shower was held for Miss Marion Delsey Sunday evening June 19th at the home of Mr. and Mrs. Paul Dalby.

Twenty ladies were present when Marion arrived home from High Prairie with her brother Steve.

Diane Myshak hostess at the shower presented Marion with a beautiful corsage of red carnations, set off with lilies of the valley.

Marion was presented with many beautiful and useful gifts.

After the ladies sang "For She's A Jolly Good Lassie" the bride-to-be rose to thank the hostess and all those present for the gifts and good wishes she received.

A lovely lunch was served bringing the evening to a very enjoyable close.

Miss Delsey will be married on the 25th of June at the Vermilion Country Club following the lovely gift

## Erichsen-Forbes Nuptials Solemnized In Edmonton

On May 28th Strathcona Baptist Church, Edmonton, was the scene of a pretty afternoon wedding when Margaret Jean daughter of Mr and Mrs. Murgo Forbes, became the bride of Mr. Alfred W. N. Erichsen, son of Mr. and Mrs. Nils Erichsen of Bodia.

Rev. Ray D. Bell officiated and Rev. Peter Delicate presided at the pipe organ.

The bride given in marriage by her father wore a floor-length gown of white peau de charme, featuring a semi-full skirt with slight train. The fitted bodice and the sky - point sleeves were overlaid in chantilly lace. Her elbow length veil of bridal illusion was held in place with a tiny cirlet fashioned of the dress satin. She carried a cascade bouquet of pink Talisman roses.

Her two sisters as bridesmaids, Miss Bonnie and Miss Betty Forbes, were gowned in ankle-length dresses of candy pink peau de charme, topped with short back-fastened jackets of white Irish dimity lace. Their headpieces were small circlets of the dress fabric with short veils of matching tulle. They carried bouquets of white Shasta daisies.

The bridegroom was attended by his twin brothers, Messrs Donald and David Erichsen. Mr Ushers were Messrs. Gordon Forbes, brother of the groom and Mr. Allan Forbes, the bride's brother, and Mr. Alfred Erichsen.

A family reception was held in the Strathcona Baptist Church Hall where Mr. Roderic Mac Millan was harpiste soloist Mr. Jack Wakeford of Edmonton presided the toast to the bride and Mr. Allan Forbes acted as the master of ceremonies.

Following a honeymoon to Banff and area the young couple now reside in Grande Prairie.

## Gideons Conduct Service at Lodge

Sunday evening worship services were held in the Vermilion Valley Lodge when Rev. Jack Lee in charge of local members of the Gideons.

President Ken Isley was chairman for the devotional hour.

"God, the Father's Message" He was assisted by Bill Rooney and Ed Cowderoy. Miss Ellen Sorenson sang the vocal solo "Whispering Hope".

Rev. Lee's message was based on the theme "Christ Our Example" Mr. Lee's text was taken from Matthew 11:29 "Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls."

Rev. Lee's message was based on the theme "Christ Our Example" Mr. Lee's text was taken from Matthew 11:29 "Take my yoke upon you, and learn of me; for I am meek and lowly in heart: and ye shall find rest unto your souls."

## Vermilion Bears Review Enjoyable Hockey Season

At a banquet held at the conclusion of the hockey season the Vermilion Bears reviewed a very successful and enjoyable winter season at this their initial year in the Senior Alta Hockey League.

The wind-up banquet was held in the stadium with all the players and their wives as guests of the hockey club management. Special guests were Mr. Jim Hill of Hillmount Bank, president of the league and Mrs. Hill and the Mayor and members of the stadium committee and coaches Mr. and Mrs. Bill Sather Lead, Mr. and Mrs. Gus Metcalf and Mr. and Mrs. Jack Cox.

The financial statement was presented showing that the club had a profit of approximately $1,000.

Coach Roger Bilodeau was seen by John McMillan.

The most valuable player award was presented by Lee Lafrance which was presented with a fine piece of pottery. A unique presentation by Russel

A unique presentation was presented to coach Bruce Macleish from players and manager Sorenson.

All members of the Bears have now received the awards in memento of their successful hockey season.

The club also went on record as thanking the people of Vermilion and district for the support received at the hockey games.

## To Participate In Cancer Research

Dr. Tom E. Webb, formerly of Mannville will continue in Cancer research at the University of Manitoba as recently announced by Dr. H. Sanderson, president of the University of Manitoba.

Grants from the National Cancer Institute of Canada, totalling $93,765 to support research have been received by the university. It is in this program that Dr. Webb will participate. Dr. Webb is the son of Mr. and Mrs. Don Webb of Fort Saskatchewan, who in recent years, farmed in the Brosseau district north of Mannville.

## Vermilion Kinsmen Wallop Vegreville in Fastball Game

On Wednesday evening June 15, the Vermilion Kinsmen trounced the Vegreville Kinsmen to the tune of 23 to 10 in a thrill filled fastball game.

Vermilion Kinsmen have yet to lose a fastball game to the Vegreville club.

The hi lites of the game were: "Willie" Floyd Clarkson a basket catches in left field.

Burns of speed shown by "Mickey" John Stewart; The smooth fielding at 3rd base by "Chris" Biel Baldock.

The superb ball control shown by "Whitey" Mike Warawa who pitched the first three innings.

The tireless performance of Virgil Ken Sutherland.

And Kin Jack and Kin Russ making it to home plate on all fours.

Encouraged by their young sons in the cheering section, the Kinsmen team played an error less ball game.

## Bride-Elect Of July Showered

On June 16th. Mrs. V. Lyons with co-hostesses Mrs K. Buchanan and Mrs E. Blake held a shower for Miss Catherine McLellan, a bride-elect of July 2nd.

Co-workers from the Vermilion hospital and a large number of friends gathered to wish her happiness and to present her with gifts. Catherine was helped in opening the gifts by her mother Mrs. McLellan and her sister Christine, following a very enjoyable social evening.

Congratulations TO The Toronto-Dominion ON THE OPENING OF THEIR FINE NEW BANK

Painting and Decorating was done by

MAYOWSKI BROS.

## Tradesmen Unite to Erect Fine New Bank Building

Vermilion tradesmen combined to erect the fine new building for the Toronto-Dominion Bank. Shown above from the left are Tom Wilson, Gordon Cox, Wilbur Pool, Wm. Boulton, owner of the building, Ernie Mayowsky, Walter Mayowsky. All are mentioned in the following story. Missing from the picture is Dave Duguid who did the stucco work and plastering and representatives of Mix the Mover and Mills Transport.

Building and allied tradesmen in Vermilion have combined talents to complete the very fine building to accommodate the new Toronto-Dominion Bank.

Owner of the building is Mr. William Boulton. The contractor was Mr. Wilbur Pool of Pool Construction of Vermilion, who erected it according to the most exacting and approved specifications.

The architect was Mr. Don Ross of Edmonton.

Assisting Mr. Pool were the sub-contractors including the following from Vermilion.

Interior decorating which immediately attracts as a person enters the new bank was done by Mayowski Brothers Wally and Ernie and was completed in their usual pleasing style.

The extensive plastering job was expertly carried out by Dave Duguid, local plasterer and stucco worker. Mr. Duguid also did the stucco work required.

Wilson Electric with Tom Wilson directing carried out the intricate electrical wiring requirements. The classy, efficient lighting of the new building is apparent as soon as the bank is entered.

The heating, air conditioning and plumbing was a major sub contract. The furnace room with the air conditioning units is located in the second storey and certainly is a far cry from the old idea of a furnace room. All the work was completed by Vermilion Plumbing and Heating under the direction of Mr. Gordon Cox.

Extensive hauling required by the new construction was by Mills Transport.

Mix the Mover Ltd. helped with the construction doing the excavation, gravel hauling and supplying a large quantity of ready-mix cement.

All these combined to provide Vermilion with another very fine appearing and functional building in the business section.

Occupies Original Bank Site

The new Toronto-Dominion Bank is shown above with the picture taken from the east and fronting on 50th street. It occupies the same corner as the former Royal Bank, which carried on business here from 1912 to 1932. The original building was wrecked with this fine new ultra modern edifice taking its place.

Congratulations TO THE TORONTO-DOMINION ON THE OPENING OF THEIR FINE NEW BANK PREMISES

All Electrical Wiring, Lighting and Fixtures were installed BY

Wilson Electric

## Riverton News

At long last summer has arrived with temperatures in the eighties. Crops are gardens are picking up with the heat but are very late.

**CEMETERY CLEAN-UP**

Clean-up day at the Dewberry Cemetery was well attended by over 30 willing workers and about twenty lawn mowers. Many hands made the work go quickly and by 4 o'clock the cemetery was neat and clean and looked very nice. Everyone was ready about this time for the bountiful lunch and coffee served by the Riverview Ladies' Club. After getting every to a bad start the Lea Park rodeo finished up in splendid style with a huge crowd.

Congratulations to Tom Ryan who won $50 at the Marwayne Rodeo.

**OPEN AIR SERVICE**

Last Sunday was the open air service at Lake Winyette and there was a good sized congregation present. Three ministers representing seven appointments conducted the service which was followed by a picnic dinner with games, swimming and visiting. Later in the evening the large canvas tents and the day was thoroughly enjoyed by all.

Mr. Spong's sister Mrs. Lynn and daughter Marilyn came at the Spong home last week-end.

Mrs. Boughton has left for Ottawa for nine months' training in the RCMP.

Mrs. Ed Wabes go out to Mrs. Staley who celebrates her 91st birthday. Her brother Mr. Hamilton from the States is visiting her at present.

Jimmie and Jean McDonald and Jean and Ellen Gibbon are spending their vacation at the Bert Parr home.

The members of the Ladies' Club will be at the home of Kay Lynn Boughton on Spicer's announced previously.

## Auto Races Sunday at Vermilion Speedway

An excellent crowd was in attendance at the Vermilion Speedway on June 12 to see the stock car races. A good number of local cars were in action but only two cars came from Lloydminster and one from Marwayne.

Jack Jenkins was the high point winner from Vermilion with one first and five seconds. Ronnie Gruspier of Lloydminster picked up 3 firsts and 4 thirds. Steve Ludwig came out with a new car and went home with 1 first and 2 seconds while Robert McKelvie earned 11 points for 1 first, 1 second and 2 thirds.

Trevor Clark won two races and placed second in one more. Clark Ludwig, Lloydminster, a new car that not only looks good but goes good as well. Frank won the feature race by a good margin and took one other first during the day. This could be a car and driver combination to watch this summer.

Winners of the five emergency heat dinners from Scoggins Restaurant were: Barbara Card, Gloria Ludwig, Ron Smith, Brian McGuigan and Jane Kowalchuk. Five free passes will be issued to each race day for the Scoggins Newspaper/hand to holders of lucky numbers.

Seven Vermilion cars towed down to Lloydminster on June 19th to compete against the Lloydminster boys on their home track, and brought back a fair share of the honors. The race on Sunday was a charity affair with all the proceeds and drivers prize money being donated to the Rotarian Children's Association. Trevor Clark won two races, came second in one and third in three more. Jack Hodgson and Robert McKelvie each won two races and Cameron Card placed first in one. Ken Lawrence and Keith Mayhew took one first and two thirds, while Steve Ludwig, Tom Klibbestein each got one second and Ed Rudnick picked up one third.

A ladies club, called the "Feather Pushers" has been formed this year and is doing a real fine job in helping out at the race track. President of the club is Rose Arsenault and Secretary is Nita Clark. These girls are handling the refreshment booth, along with painting clean-up and organization of the race events. Their efforts are quite often behind the scenes but are now noticed by many but they are very much appreciated.

The next race will be held this Sunday, June 26 at the Vermilion Speedway. 2 miles west on highway 16. The drivers are beginning to collect a few dents and scratches now and the boys are driving harder and faster than ever, so join the fun and excitement, see the thrills of auto racing this season.

## CALENDAR OF EVENTS

**SKI CLUB TO MEET**

The Vermilion Ski Club will hold a meeting on Tuesday, June 28th, at the office of the Credit Union to discuss site and plans for camp. The meeting at 7:15 so that a drive may be taken to the hill. Everybody welcome.

## Vermilion 4-H Beef Club

(By Bob Mead, Club Reporter)

The monthly meeting of the Vermilion 4-H Beef Club was held at 8 p.m. on Tuesday, June 7th in the VAVC Plant and Science Building. President Raymond Wilson opened the meeting. The 4-H pledge was said and the minutes of the last meeting were read and approved.

An invitation to a ball tournament from the Preston 4-H Club was read. Don Jacula moved that the Vermilion Club attend. Anthony Simonet seconded the motion. Having a float in the Vermilion Fair parade was discussed. It was decided that a picnic be held on July 3rd and that all Cloverbuds 4-H members be invited. The events were then handed out. Bob Mead moved the meeting be adjourned.

**STUBBS DUBBS**

Twelve Vermilion top flight golfers took in the Lloydminster Tournament last Sunday. Hugh dubbs his way to loss. Hindy Stubbs, runnering after losing, Louis split difference. One winner in the near small quarrel was Clarence Mistal.

Insurance Advice For Senior Citizens

The ageing process can cause hardening of the arteries and liver. Elderly people are more subject to arthritis, heart trouble, bronchial coughs, prostrate and bladder troubles.

If you will immediately visit your physician at the very first signs of such troubles, the odds are you will not only get relief from distress, but also learn how to take care of yourself and live a longer, healthier life. We now have sustaining medicines to keep ageing ailments controlled.

A great many people entrust us with their prescriptions. May we compound yours?

**Presentation at St. Jerome's**

Mr. Angus MacMillan presented the MacMillan-Brimacombe Agencies Study Cup Trophy to Olgo Starko, representing MacKenzie House. This trophy is awarded to the House getting the highest aggregate in the following competitions: English Essay, Social Studies Essay, French Essay, and the General Knowledge Test.

**Softball Trophy to Frazer House**

Mr. Vic Dowhaniuk presented the Vic's Pharmacy Baseball and Softball Trophy to Laureen Ross, representing Fraser House at St. Jerome's.

## Time Extended For New Alberta Health Plan

Public enrolment under the new Alberta Health Program may be undertaken up to June 30th. Hon. Dr. J. D. Ross, Minister of Health announced at the weekend. The open enrolment period for the program, which offers many new forms of coverage under the Extended Health Benefits Plan, makes it possible to enjoy full coverage as of July 1st, as long as enrolment is made prior to that date.

Dr. Ross pointed out that there will be a two-month delay period for coverage for those enrolling under the program after July 1st.

The Alberta Health Program offers not only the benefits available under the Alberta Medical Plan but also, for an additional premium, includes benefits under the Extended Health Benefits Plan. These include pay ment for prescription drugs, ex aminations for the fitting of eye glasses, physiotherapy, psychological services, ambulance in Canada, ambulance service, medical supplies, aids and appliances, and the services of osteopaths, chiropractors, podiatrists and naturopaths.

Albertans may enrol in either or both of these plans.

Dr. Ross encouraged Albertans to avail themselves of the coverage offered before the open enrolment period closes June 30.

## Achievement Day At Dewberry

The Dewberry 4-H Beef Club Achievement Day was held on May 30 with Mr. Stuart Duncan from Wainwright as judge

Frances Braithwaite showed the Grand Champion calf and received the Donalli trophy; the Reserve Champion was won by Eleanor Blaschuk and he received the trophy donated by Swanson's Meat Market of Marwayne. The Pee Wee trophy donated by the Dewberry Co-op was received by Bruce Braithwaite This calf was also judged top calf of the show.

**SHOWMANSHIP AWARD**

Showmanship was won by Jimmy Blaschuk, second place by Phyllis Braithwaite and honorable mention to Ann Perry, the pee wee member. The best groomed calf was shown by Bruce Braithwaite, 2nd, Julie Hodgson. The judges of these two classes were Mr Harley Sweet and Mr. Stachniak of Clavicaval. A halter donated by Bill Wood was won by Julie Hodgson. Prizes for judging and records were presented to Frances Braithwaite.

**WEIGH TALT**

Tickets were sold during the year on a halter calf donated by Mr and Mrs John Maltais. The lucky winner was Harley Sweet's son. Winner of a fishing rod and reel for guessing the weight of the calf was Mrs. Ignac Perry. Pee wee calves were sold by auction at the end of the show. The Dewberry 4-H Beef Club extends thanks to all who contributed and helped to make the Achievement Day a success.

**BANQUET COMPLETES DAY**

In the evening a delicious banquet of roast beef was served in the C.W.L. for members, their families and guests. The guest speaker from Lloydminster, Mr. Gordon Stewart, gave a very interesting talk on meat packing business. John Anderson was master of ceremonies for the banquet

## Wonder Shows At Vermilion '66 Fair

The annual exhibition at Vermilion is the next major event on the social calendar of the South Side. Dates for the exhibition are here July 28, 29 and 30.

A host of the newest carnival attractions will be featured on this year's tour according to owners Mike and Wilma Smith, who promise to present a better show on an "all family" theme. One of the newest rides is called the Round-Up, and offers a unique new thrill experience as a ride in which youngsters of all ages will stand up rather than sitting.

**NEW ATTRACTIONS**

New attractions on the midway will include the appearance of a full fledged wild animal show, with tigers, lions and bears. Being shown for the first time in the most unusual cross breed animals in decades, a mean

Developed by noted animal expert Lori Studer of Phoenix, the Zeony is a cross between a zebra and a donkey, and combines the number Born last Dec. 13th, the animal is striped like a zebra, but is darker shades. So unusual is the long-sought cross breed, even the London Daily Express recently flew a reporter to Phoenix to examine the animals before the start of this year's tour Exhibition of the zeony has already been booked for Expo 67 in Montreal next year.

**MANY THRILLING RIDES**

Fifteen smaller rides, but rides rather than giant arcade and the popular bingo booth will be among other attractions to be featured on the Smith Wonder Shows this year. Sixty huge truckloads of equipment carry the show which will play at 11 Canadian towns during the 7, 903 mile tour

**Bowtell F.U.A. Donates To Swim Pool**

The Bowtell F.U.A. Local was the first to donate funds towards the Centennial Swimming Pool fund. Shown above is Jack Semeniuk, president of the Bowtell Local, presenting the cheque for $25.00 to Frank Semeniuk, who received it on behalf of the Centennial Swimming Pool Fund. This presentation was incorrectly reported previously as having been made by Frank Semeniuk.

## The Vermilion W. I.

The regular meeting of the Vermilion W.I. was held at the home of Mrs. O. Clark for the June meeting of the W.I. Three visitors were present, Mrs. Cameron, Mrs. K. Reeves and Mrs. Wheeler of the Hamlet Unit The meeting opened in the usual way with the president Mrs. J. Bell in the chair.

During the month fifteen get well and seven sympathy cards were sent and flowers to a sick member, eleven sick calls were made.

Mrs. Bell reported on the wheelchairs and crutches, many pairs of crutches have been loaned returned, so a larger display is being arranged as an inducement to return them or have them sent to the nearest one as carefully covered from Mr. Walter Thompson for the use of a wheelchair

Mrs. Green offered to take charge of the handicraft to be entered in the Vermilion Fair.

Roll call was a display picture or memory Miss Windsor then gave a talk on improper breeding and connecting troubles. A very enlightening and interesting topic and many questions were answered. The meeting closed with the singing of God Bless

Miss Windsor was the mystery box and Mrs. Reeves the guest speaker. Mrs. Reeves presented the box filled with a dainty lunch served by the hostess assisted by Mrs. McCaig and Mrs Bell

The next meeting will be in September when a meeting for the Unitarian Committee called for

## PROPANE GAS EXPORT TO JAPAN

Increased heating costs of from 15 to 20 per cent on propane used will be one of the results of the export of propane gas to Japan. The increase across the board increase of 2c per gallon will be equivalent to a $2.50 per ton increase in the price of gas, according to officials of Kirk's Heating Ltd., of Three Hills. They say using the approximate of 180 gallons of propane giving the same heat as one ton of coal, the extra the subsidy will further one should multiply the delivered price of propane by 180 gallons and find that 15 cent increase is around $27 per ton. Many people are now looking to coal as the answer to economical and dependable heating in rural areas.

This is especially true now that there is a modern, clean, coal burning unit that can be had right out of the bin, and is designed for burning local Alberta coals For further information write to Box 160, Three Hills, Alberta

**PATHFINDER PICNIC**

The Pathfinder picnic will be held on Sunday, June 26th at the Pathfinder Community Centre grounds. Games and races will start Booth on the grounds Activities commence at 12:30 p.m.

## Marwayne Club Adjourn for Summer

There were twenty-six members present for the final meeting of the season of the Marwayne Friendship Club. Progressive Whist was played, the winners being Mrs. Wilkinson and Jay Tupper, consolation, Mrs. G. Midgley and Mr. Chilton. Mr. Swan was the lucky winner of the special prize.

Happy Birthday was sung for Mrs. Mill. Mrs. Rotenbenbergh, J. Swan, Mrs. Cary, R. Miller, H. Hines Mrs. R. Saville and Mrs. Wellman

We are glad to report that three members have returned to their homes from the hospital, Mrs. Reichenbergh, Mrs. Carr and Mrs. Swan

The ladies of the O.O.R.P. supplied and served a very delicious lunch. Next meeting will be held Sept. 13th. Have a good summer

**V.A.S.C. ANNUAL MEETING**

The annual meeting of the Vermilion Association for Retarded Children will be held in the School for Exceptional Children on Thursday, June 23rd at 8 p.m. All interested are invited to attend

# Marwayne 4-H Beef Club News

(By Lloyd Grey, Club Reporter)

The Marwayne 4-H Beef Club held its local Achievement Day on June 1st at 2 p.m. The day started off by the club judging of calves. These animals were Parker of Vermilion. Placings were: 1, Jim Nobuyoshi; 2, Harvey Hlus; 3, Norman Holaway; 4, Lloyd Grey; 5, Albert Shewchuk.

There were sixteen calves in the club. Winners of trophies were: Grand champion trophy, donated by L. A. Berg, Jim Nobuyoshi; 2, Norman Holaway; reserve G r a n d Champion trophy, donated by Allie Swanson, Harvey Holaway; Shewchuk.

Sportsmanship trophy, donated by Marwayne Co-op, Lloyd Grey.

Grooming kit, donated by the T. Eaton Co., Norman Holaway; Shewchuk.

Judging trophy, donated by Searle Grain, Theresa Frenhill.

Record Keeping trophy, donated by National Grain, Norman Hale.

The club then attended the annual show and sale in Lloydminster on June 8th. Marwayne Club placed in the group of five calves. Albert Parker of Vermilion placed 4th in the Crossbred class. The local club averaged 21¢ cents per pound for their calves.

The members of the Beef Club would like to thank Marwayne merchants for donating trophies and supporting the Lloydminster sale.

Medium density overlay plywood has all the qualities of fine plywood plus a completely paint able surface. It comes in large rental boards and vertical channeled sheets. The price is only slightly higher than the regular grades of fir plywood.

Great Britain has 11,304,000 motor cars travelling 212,275 miles on the highways, a world record for national car density

MR. AND MRS. ANDREW WOOD

# Pioneers Honored on Golden Wedding

On Sunday, March 20th, the Silverton Hall was the scene of a very happy gathering. This was the evening when many friends and relatives, around 80 in number, gathered to help Mr. and Mrs. Andrew Wood celebrate their Golden Wedding anniversary and showered them with congratulations at having achieved such a very momentous point in their lives. I am sure the two sisters of Mrs. Wood present that evening envied them from the bottoms of their hearts a

When Andrew and Alice were married fifty years earlier in Kinsella, the weather was almost their undoing as it was a typical March day and driving nearly thirty miles in an open cutter was a hazardous undertaking. Andrew vowed on the way in that if the minister asked him if he were willing to take this woman to be his wedded wife he would reply, "Are you crazy." Do you think I would risk my life in this weather if I weren't?" So it was decided not to have the festivities on March 15th, the anniversary date, in case the jinx on the part of the weather still held, but in spite of all precautions the weatherman almost w r e c k e d things again. On the Friday night before the Sunday of the 20th a howling blizzard came up and soon all the Dewberry and Riverton roads were blocked and many impassable. However, due to the very kindly and co-operative efforts of the men on the snowplows who worked all night shifts the roads were soon open once more and no one wishing to come was kept at home. Many thanks to these men.

Andrew and Alice have spent all fifty years of their married lives in the Riverton area, having the last four which have been centred in Dewberry. During the years on the farm they both took an active part in all community activities but especially in first the U.F.A. then later F.U.A. affairs. Andrew was always a familiar figure at the conventions where he was in constant demand as one of the chairmen. His ability to conduct meetings in an orderly and businesslike manner, his knowledge of matters being discussed and, above all, his ready wit and

## Sloan Pamphlet

To meet the ever increasing popularity of silage as a source of winter roughage for Alberta cattle the provincial Department of Agriculture has just released a new bulletin, utilizing silage making in detail.

The increased interest in silage in Alberta is mainly due to the lower losses experienced with silage over and to hay. In many parts of the province it is difficult to cure hay without weather damage. Silage has a special appeal in such areas because the weather is not as great a factor here in silage making.

The new bulletin entitled "Silage in Alberta" can be obtained from district agriculturists or the Extension Service of the Alberta Department of Agriculture, Edmonton.

# Health Unit Notes

SIED WEAKLIEN
(Part 2)

Apart from specific medicine which the physician may prescribe for the child needs supportive measures and rlver of fluid replacing. This is where plenty of fluids, given as small quantities fairly frequent by A large quantity given all at once sometimes leads to vomit ing and the fluid is thus lost to the patient. Sponging down the body with tepid water is also to be recommended to help reduce the fever. This should be done as frequently as necessary. It is doubtless trying to persuade a sick child to eat much when he will be troubled if it is realized that food is not very essential over a few days providing plenty of fluid is provided. Most children can be persuaded to take some milk which contains all relative to the diet and most of the flavored fruit drinks which children enjoy contain some water

Occasionally there are complications to an attack of the common measles. When a child runs a high temperature there is the risk of convulsions particularly in the under three year olds. For this reason the usual sponging and frequent cold drinks is advised. From time to time as our starts to ache and then run. This should always be treated by a physician, for if allowed to go unchecked there is the possibility of permanent damage to the hearing and a slight risk of convulsions. From time to time a child with measles will produce a pneumonia. Very occasionally a child with measles will develop an encephalitis, but it should be remembered that these sequelae are quite rare.

It is possible now to protect children from measles by immunizing them against the disease. If Health Unit policy to have clinics held every spring, as of three years and this program is currently in progress. Children above this age can be immunized by the family physician if he so advises.

# Marwayne News

Mr and Mrs. Art Kent are on a motor trip by easy stages to the west coast. They plan to visit with friends and two daughters and their families at Terrace and Kitimat

Congratulations and all good wishes go to Mr and Mrs. Raymond Blankley, (nee Marie Wheat) who were married in Edmonton on Friday, June 17th. Parents relatives and friends travelled from here for the happy occasion.

Good wishes also go to Mr. and Mrs. Clair Brown on their Silver Wedding anniversary, on June 18th. Relatives and friends attended the happy get-together at Richie Hall in Edmonton.

Mrs. Betty Shaw has her mother visiting with her from Moncton on Friday, June 17th. Ashmont

## SPECIAL LEGISLATIVE COMMITTEE ON SCHOOL CENTRALIZATION

In accordance with a Resolution of the Legislative Assembly of Alberta, passed on April 13th, 1966, a Special Committee, consisting of the following Members of the Assembly:

R. B. LAMOTHE (Chairman)
A. ALOISIO
M. SENYCH
E. P. BENOIT
M. MACCAGNO

has been appointed for the purpose of enquiring into and receiving representations and recommendations as to:

1. The interest and concern of the public with respect to the centralization of schools,

2. The educational opportunities presently being offered in elementary and secondary schools, and

3. The problem of centralization and consolidation in the rural areas and smaller cities with particular reference to vocational high schools.

The committee invites the submission of Briefs by all interested parties, particularly local level branches of the Alberta Teachers Association, Alberta School Trustees Association, Home and School Association, Farmers Union of Alberta, Farm Women's Union of Alberta, Chambers of Commerce, school and municipal authorities, religious organizations and all other interested associations or individuals.

Seven copies of each Brief should be forwarded to the Committee not later than July 15th, 1966, after which time public meetings will be held in various centres of the Province to hear representations in support of the Briefs submitted.

Address Briefs and correspondence to:

The Secretary,
Legislative Committee on School Centralization,
213 Legislative Building,
Edmonton, Alberta.

R. B. Lamothe, Chairman,
Legislative Committee on School Centralization.

## Lloydminster Jaycees Executive

LLOYDMINSTER — Pictured above is the executive of the Lloydminster Jaycees, who were inducted by the MLA for the constituency of Vermilion and publisher of the Vermilion Standard, Mr. Ashley Cooper. Mr. and Mrs. Cooper were guests of the Lloydminster Jaycees at their Annual President's Ball and Awards Night, on Saturday, June 11th, in the Lloydminster Elks Hall. Back row, left to right: Ed Dumka, director; John Harvey, director; Jurgen Wiechert, Secretary; Nick Medwid, 1st Vice-President; and Dick Hough, director. Front row, left to right: Mr. Ashley Cooper; Karl Mueller, Immediate Past President; John Jarboe, President elect; Wes Stretch, 2nd Vice President and Jim Doyle, director. Missing from the picture is Garry Lee, director.

## BOWTELL BULLETIN

Congratulations to Mr. and Mrs. S. Kucharuk (nee Yvonne Frederick) who were married on June 11th. Prior to the wedding a miscellaneous shower was held in the community hall. An enjoyable social evening was had and the young couple received many beautiful and useful gifts. We are pleased to welcome them to our district. They plan to build a new home on Stanley farm, better known to the old timers as the late Vic Deeley homestead.

Ten ladies attended the June meeting of the Leaders' Club at the home of Mrs. B. Gould. One new member, Miss B. Payne, joined, making a total of seven. The lady's draw was won by Mrs. N. Harrison, a lovely rose tree. The July meeting will be held at the home of Mrs. F. Robinson.

Mrs. Rochford had the misfortune to step on a nail recently. Her dad Mr. L. Clarke came and gave a helping hand.

Congratulations to Mr. and Mrs. McKinley on the birth of a baby boy recently in Edmonton.

Work is going ahead fast on the new house on the corner for Mr and Mrs. Lee Sherwood. The work is being done by a group of neighbours.

Sorry to report that Mrs. R. Heap and son Bobby were in Leduc in the hospital since last writing our news; also one of our young men, Allen Parsons, was a measles' victim.

Grandma Rieble is at present enjoying a few weeks with her two sons Eddie and Kenny and families of Rochester.

We have certainly experienced trouble with our phones the past few weeks due to trucks pulling wires down or hitting the poles, causing twisted wires. Jim Koop, our trouble man has been busy.

### 4-H ACHIEVEMENT DAY AT RITSCOTY

The Ritscoty-Isley 4-H Beef Club will be holding its Achievement Day on July 13th commencing at 1 p.m. with the calf show. The sale will follow. If anyone wishes to acquire a section of beef please contact one of the following: Larry Watt, Ph. 846-3462; Ralph Cooper, 846-3447; John Green, 846-3453, Ritscoty. There will be trucking service to Lloydminster before the sale.

A Want Ad. just costs 50c.

## Centennial Report

1867 1967

by JOHN M. FISHER
CENTENNIAL COMMISSIONER

A young man recently asked me how I can talk with such enthusiasm about this nation Canada and stir up patriotism when he said, many of the world's ills are caused by nationalism.

That is a fair question from a young student who, perhaps for the first time is taking a serious look at the world around him and finds so many discouraging answers.

The young student sees, on the one hand, small nations with their recently-won "freedoms" jealous of their neighbors and wanting to develop power of their own . . . and on the other hand, some of the large established countries seeking to dominate the whole lot. Small wonder young people today are a little cynical of nationalism.

The best answer I could find at hand for the young student was in the text of a talk on Centennial entertainers for 1967 given by one of my own staff members to an Ottawa audience. A young man himself, the speaker reviewed some of our plans for Canada's 100th birthday and his closed his talk this way

"Is it really worth keeping Canada? Is it worth keeping Canada together? . . . Personally I don't feel moved by national ism or patriotism enough to be rouse a flag waving extrovert extolling the virtues of my country. It's a thing of the past. I want to become the most powerful country in the world.

"Nationalism" he said "is not going to save the human race from destruction. In my view the direction of internationalism is the only one in which civilization can travel and survive. That famous maxim: 'Live and let live' people it means our freedom is restricted by the freedom of others.

"I believe that the example of many people in Canada getting along well together and with others in the world is a worthwhile reason for our existence as a nation. It is with that in mind that I am an ardent Canadian, that I am working for a memorable national celebration in 1967" he said

How often I have criticized Canadians for lying on the proverbial couch searching in the recesses of their minds for some imaginary purpose or identity. Here a young man expresses a worthwhile purpose as simply as without the rolling of drums and the waving of flags. He doesn't need the old trappings of patriotism for him he need the contrived fanaticism of international ism.

We have 100 years of history behind us without the stigma of colonialism, without a reputation for aggression against others in the world and without quarrels in our own family that we could not overcome. Is not our young student Canadian right in claiming that the fact we continue to keep our country together, proving that a family of many ethnic origins and cultures can get along well, is reason enough to be proud of Canada?

## Viking Band Here Sunday

Shown above are three members of the Viking School Band dressed in their snappy new band uniforms. This band, 40 members strong, will play at the Vermilion provincial park on Sunday next, July 3rd, commencing at 2:30 p.m. Everyone is invited to attend. Shown in the centre of the picture is bandmaster Ken Hillberg. The young lady on the left is Jean Gilpin who plays the clarinet, and on the right is Craig Halso, trumpeter.

The Viking school band, organized in 1935, has been a consistent winner at the Edmonton exhibition. This year they have a special invitation to play at the Calgary Stampede on July 9th. This is an outstanding junior band and an excellent concert can be looked for this Sunday. It is hoped that a record breaking crowd will listen to them in the Vermilion park.

## Fastball Play-offs Start Here July 9

Juvenile Girls Northern Alberta Fastball playdowns will start here on Saturday, July 9 and will be completed by Sunday, July 17. Edmonton playing the Vermilion Cardinals.

The first of the best of three series will be played on Saturday, July 9 at 6:30 p.m. in the Vermilion ball park.

The second game is slated for Sunday, July 10, at 1:30 p.m. and if a third game is needed, the time is 3:30 p.m.

All three games are in Vermilion and are the regular ball parks used.

SECOND ROUND

The second round is a home and away double round robin series with the lightwood team from Edmonton playing the Vermilion Cardinals, and the winner of the latter's home grounds; 2 games at 1:30 p.m. and 3:30 p.m.

Sunday, July 23rd at Barrhead, Sunday, July 24 at 6:30 p.m. in theirs games 1:30 and 3:30 p.m.

The winner of the Northern Alberta title plays for the province championship in Calgary August 6th, 7th and 8th.

Vermilion has a good team in all the regular ball parks used headed.

## Death and Funeral of Little Murray Dowdell

Family funeral services for little Murray Dowdell, 6-year-old son of Mr. and Mrs. Lyle Dowdell of Vermilion, were held on Tuesday afternoon at 2 o'clock at the Donald Funeral Home. Interment was in the Vermilion cemetery.

The Rev Carlton Miller officiated and conducted a combining service for the bereaved family.

Murray passed away in the Vermilion hospital on Sunday evening from internal injuries received in an accident at the park, when he apparently fell from the family car. The accident was unobserved as attention of the family present were momentarily distracted as two-year-old Neil Dowdell had burned his hand on a hot camp stove and his burn was receiving attention.

Murray, 6 years of age, was the eldest child of Mr. and Mrs. Lyle Dowdell. Besides his sorrowing parents he leaves two brothers, Douglas 4 and Neil 2 years, his paternal grandparents Mr. and Mrs. Lloyd Dowdell of Vermilion, and his maternal grandparents Mr. and Mrs. Harry Hamilton of Mannville.

The sincere and heartfelt sympathy of a wide circle of friends and acquaintances is felt for the sorrowing parents and grandparents in their sudden and very sad bereavement.

## Memorial For Popular Student

On Tuesday afternoon, June 22, a very solemn presentation was made by Mr. and Mrs. Ken Stone to the J. R. Robson High School. A dictionary and stand were dedicated as a memorial to Mayson Stone, the late son of Mr. and Mrs. Stone, who died in a tractor accident on August 4, 1965. Mr. A. L. Hasby, principal, accepted the dictionary and stand on behalf of the J. R. Robson school. The dedication was made by Rev. Hart, the Rector of St. Saviour's Anglican Church. Pictured from the left are the Rev. B. A. Hart, Mr Stone, Mrs. Stone and Mr Hasby.

## Large Crowd, Perfect Day For Park Opening

Perfect weather for the outdoor occasion, a large crowd, very pleasing entertainment by the Strathcona Legion Pipe Band, and the presence of the Hon. Henry Ruste, Minister of Lands and Forests, all combined to make the annual summer opening of the Vermilion Provincial Park, held on Sunday, an outstanding success.

The Hon Henry Ruste in a short address outlined the objectives of the provincial parks policy, an effort to provide the people of Alberta with a means of relaxation and recreation. The Minister then declared the park officially open for the season.

INTRODUCED BY M.L.A.

Mr Ruste was introduced by Ashley Cooper M.L.A. with Bill Sutherland acting as emcee. The programs at the park are arranged by a special committee of the Chamber of Commerce comprised of Mr. Sutherland, Gus Minnard and Charlie Upchurch.

From Major Bob McEachern and Pipe Major Walter Muir were in command of the Strathcona Legion Pipe Band which provided an excellent program of pipe music and military tattoo.

The band regretted that owing to a highland dance contest in Edmonton on the same day, they were unable to bring any of the dancers with them.

POPULAR CAMPING SPOT

The park is very beautiful this summer and is being very well cared for by the new park warden Darrell Bignell and his maintenance crew. It is proving more popular each year with tourists and the camping facilities and trailer accommodation is being utilized to the full extend practically every night.

## Mannville To Have Covered Arena - Plebiscite Passes

MANNVILLE Mannville will have a covered arena as the result of the plebiscite to give the village council the authority to borrow $20,000.00 for this purpose was passed by the ratepayers. The official ballot result was 104 in favor and 84 against the by-law. Quite a high percentage vote was cast.

It will now be up to the Arena Association to raise a sufficient amount to supplement the $20,000.00 with the supplement to the covering plant and winter weeks program and the Arena Association has under the by-law to raise the remainder of the amount required.

## Full Staff At Clandonald Separate School

Arrangements for a full teaching staff for 1966-67 have now been completed for the Clandonald Separate School. The roster for the staff will consist of the following:

Sister M. St. Lucy, Sister M. Emil, Sister M. Ann, Sister M. Cusack, Sister M. St. Philip, Miss Teresa Cusack, Miss C. Dundon, B.A. (U. of R. Africa) Diploma of Educ. (U. of Natal) Mr. H. Arnow, B. Sc. (U. of B.C.) Dr. Diploma of Educ. (U. of W. Indies) Sister M. Bernadette, B. Sc. (U. of A.) B.A. (U. of W. Ont.).

## Historic Bible On Display At Heritage House

The Bible used on the pulpit of the Presbyterian Church in Vermilion from the beginning of that church's institution as a congregation in 1908 and the Bible used on Sunday afternoons at Camrose Lutheran Mission Church for many years by the late Rev. Mr. Meyer are on display at the Heritage House.

The Bible, a beautiful volume large in size and exquisite in workmanship in printing and binding was carefully cared for by the late J.W.G. Muirhead. It is now being displayed in the museum at the request of Mrs. E. P. Hume. This Bible has W. A. Wright affiliated and was last worth a visit to the Heritage House.

Interment took place in the Evergreen Memorial Gardens.

## Agricultural Society Opens Fair Office

The Vermilion Agricultural Society office is now open in the Legion Building. Anyone requiring information concerning this year's Fair or prize lists is invited to call. The telephone number for this office is 853-3970.

The sale of advance tickets will start shortly. Prices are the same as last year, four tickets for $1.25. These are good for both gate and grandstand.

The draw and sale of 4-H calves will be held on Thursday, July 28th and everyone is invited to attend. If you will be in need of meat for your freezer in the near future you are urged to attend this sale and buy a calf. Prices are not any higher on the average than when purchased through packing plants and it is all top quality grain fed beef. Arrangements may be made through any director or the local butcher shop the DA's office or the Fair board office for the animal to be killed and arrange for slaughter and packaging.

The citizens and businessmen of the town are urged to attend the Fair on Friday, July 29th as this is Citizens Day. The Vermilion Fair presents the best opportunity to further public relations of any event held during the year.

## Legion Ladies Honor Mrs. Batty

KITSCOTY — Mrs. Estelle Batty president of the Ladies' Auxiliary of the Royal Canadian Legion was honored at an L.A. meeting on June 21st at the home of Mrs. M. K. McDonald. On behalf of the members, Mrs. Cliff Miller, second vice-president, presented Mrs. Batty with a Life Membership in the Auxiliary. Mrs. Batty is a charter member and has occupied the president's chair for the past twenty years.

## Death of Former Vermilion Lady

On June 22 1966 Mrs. Grace Ellen Lemoine widow of Cliff, died at the Vermilion General Hospital after a lengthy illness. Funeral services were held on Friday at 2:30 p.m. at the Foster Funeral Home, Dewdney Chapel. Mrs. E. P. Hume. This Bible has W. A. Wright officiated and interment took place in the Evergreen Memorial Gardens.

DEATH OF DONALD MATHESON

Friends have received word of the death of Donald Matheson at the home of Doug Hudson at Fort Saskatchewan. The latest report was that Mr Matheson lived two weeks would be leaving here for several years being a former resident down the Amount members of the staff of the Dept. of grants Mr Ross wanted the of Transport Swan Hunter

## Learn To Swim Classes Start July 4

Learn to swim classes start July 4th and all who have registered for the lessons from July 4th to 16th should report at the Vermilion park lake on Monday, July 4th at 9:30 a.m.

Vern Miller, Recreational Director, will be on hand to organize the groups.

## Lower Taxes For Mannville People

MANNVILLE The Mannville council set the total mill rate at 37 mills at the last meeting. Although this rate is 2 mills higher than 1965 rates will be considerably lower owing to the increase in assessment. In the previous assessment which was completed in October 1965 the other towns participated in the increased

Because of the decreased assessment the requisition for the School Foundation Plan was lower, but the school supplementary requisition was higher than in 1965

The 1966 assessed value of taxable property is $3,015,000.00. The amounts required are as follows:

| | |
|---|---|
| School Foundation | $20,768.00 |
| School Supplementary | $ 6,438.00 |
| Alta. Hospitals Act | $3,183.00 |
| Mannville Hospital | $4,836.71 |
| Health Unit | $2,010.00 |
| Municipal Tax | $10,788.69 |
| School Foundation Plan was Business Tax | $4,838.24 |

## Grand Champion At Clandonald 4-H Show

Harvey Stroome exhibited his calf which won the Grand Championship ribbon at the Clandonald 4-H Achievement Day. The Judging was done by Lyle Robinson of Vermilion. Special guests at the day long event which was concluded with a banquet in the St Columba hall, included Patrick O'Donoghue, guest speaker, Gordon Ross and Ashley Cooper, M.L.A.

—Standard Press Photo

## FAREWELL DEPARTING FRIENDS AT UNITED CHURCH

Following Sunday morning service at the First United Church regretful farewells were said to many friends who are leaving Vermilion for other points for the summer. Appropriate messages of farewell and good wishes were voiced by the Rev Carlton Miller. Those leaving, from the left, are Mr and Mrs. Don Goodhand being transferred to Edmonton by Jim's Company, Imperial Oil, Mrs. Hasby, Mr. Archie Hasby and daughter Margie, all of whom move to Yukon where ArcNe has been appointed principal of a 10 room school construction. Miss Kay Fulcher of the high school staff who has accepted a position on the high school staff at Red Deer; Miss Marjorie Knapp of the J. R. Robson staff who now moves to a position on the Junior College staff at Grand Prairie; Mr. and Mrs. Dennis Kay, both members of the local teaching staff who are moving to similar positions in Red Deer.

VERMILION ALBERTA, THURSDAY, JUNE 30, 1966

## Dominion Day Week-end

In 1965, during the month of July, 15,566 persons in Canada were injured in traffic accidents — the most of any month of the year. It is understandable that the Dominion Day week-end, being the first holiday of the summer, should tempt families to seek the open road it is also understandable that the increased holiday traffic is a danger sign, warning the motorist to take extra precautions in holiday traffic.

By observing the rules of the road and exercising the common courtesies of driving, the motorist can decrease the occurrence of holiday accidents while protecting the lives of himself and his family.

## Busy Centennial For Scouts

Centennial year will be a busy travel year for Canadian Boy Scouts. In addition to some 80 Scouts who will travel across the country on Centennial Train, Centennial travel grants, 1,500 Scouts will attend the 12th World Jamboree to be held at Farragut State Park in Idaho. four provinces will hold provincial jamborees to which Scouts from all other provinces have been invited. Hundreds of Scouts will work as service Scouts at the Scout pavilion at Expo '67. Scouts from the United States will also serve at Expo, a reciprocal courtesy of the many Canadian Scouts who had the opportunity to serve at the World's Fair in New York city last year.A special hospitality camp near Montreal is expected to house thousands of Scouts who will visit Expo from all over Canada, the United States and other countries during Centennial year.

## July-August — Water Safety

Canada has a wealth of lakes, rivers and seashores and also an abundance of drownings. Increases in the yearly number of drownings can be prevented if every person will exercise an extra measure of care in his water sports.

Swimmers are reminded to seek instruction from qualified teachers and to learn the basic techniques of life-saving. At no time should persons swim when overheated or directly after a meal. In addition children, especially, should be provided with life preservers when they are playing in or near the water. These and other precautions will insure a safe and pleasant season for every swimmer.

Life preservers are essential, too, for water skiers and for boat operators. It is wise to be prepared for tumbles which on the water may happen unexpectedly. In addition, boat operators will find an excellent guide to the safe operation of watercraft in the booklet entitled "Safety Afloat", available free of charge from the Department of Transport in Ottawa or from any customs officer or R.C.M.P.

When all is said and done, water safety is a matter of common sense — the common sense which saves lives

* * *

## Canada And Poverty

Compared with the under-developed countries of Africa, Asia and Latin America, Canada has no poverty. But many Canadians exist on incomes that are well behind that of the rest of the Canadian community While poverty in Canada is by no means the kind that exists in under-developed countries, it is still a matter of concern that some of our fellow citizens do not enjoy the benefits of Canada's economic prosperity.

A recent study by the Canadian Welfare Council shows that almost one in four Canadian families in 1961 had annual incomes of less than $3,000, the figure adopted by the Economic Council of Canada as the dividing line between poverty and relative well-being.

The reasons for poverty are many and complex, and no single program will provide solutions to the problems involved. There is, however a key — education' All the studies conducted on the question of poverty have revealed that low incomes go hand in hand with low education levels One of these studies showed that 9% of Canada's low income families were headed by men with only an elementary education or no education at all — an additional 17.6% of male family heads had only 7 or 8 years of elementary schooling.

It is obvious that, in the long run programs to up-grade educational levels are fundamental to any meaningful attack on poverty Surely this is where priority should be given in the spending plans of governments at all levels.

# GREEN ACRES

By: Wilfred L. Cody, Associate D.A. Vermilion, Alberta

**RATS AGAIN!**

Thanks to the alertness of a member of the Town of Vermilion garbage pick-up crew a potential rat infestation will be nipped in the bud — we hope! When he went to empty a garbage can from Wilkinson area a rat scurry from the cans to a shed Maurice Ingersoll, Chief Pest Control Officer was notified and he immediately came to investigate. Marvin soon discovered by evidence he found that one of last week's car and machine's was the culprit and from that thus fellow hitched a ride on one of the side compartments of birds. appears logical.

Regardless of how the rat got here it points up the fact that rats do turn up mysteriously at times and it is essential every effort be vigilant so that infestations do not have a chance to develop

**FIRELIGHT**

The disease has caused considerable damage to apple and crabapple trees this year Firelight is very infectious and will spread to all trees of the same family unless diseased branches are removed and destroyed at once

Firelight is spread by insects, wind, rain and pruning shears. The disease is recognized by blossoms turned by the scorched appearance of branches The damage usually starts at the tips of the branches and proceeds downward.

Mr P D McCalla, Supervisor of Horticulture, Canada Department of Agriculture, says badly infected trees should be removed and destroyed but those which are only slightly diseased can be kept alive and productive for years if prompt control measures are taken.

When noticed, the diseased branches should be cut back 6 to 1 foot below any evidence of damage Tools should be disinfected with dilute lysol (1 tbsp. per pint of water) after each cut. Cut surfaces should also be treated with this solution.

Firelight will attack apples, pears, mountain ash and others readily and to a lesser extent plums and other stone fruits.

**NITROGEN DEFICIENCIES**

These yellowish spots in the shade are a deep-seated need. Nitrogen is in short supply almost every year in our soils in this area. A cool spring such as we've had aggravates the situation. There isn't much we can do about the symptoms of deficiencies now except wait for nature to correct the situation, which it will do as the soil warms up and the soil micro-organisms go to work to release the fixed nitrogen of the soil. The crops affected will have been mostly always has remarkably fine as well as they might have done We can suggest without a reservation of this situation next year by having soil samples analyzed this fall.

**KITSCOTY 4-H SHOW & SALE**

On Wednesday July 13th, the Kitscoty 4-H Beef Club held its Achievement Day and Sale Kits mostly always has remarkably fine animals in its club and the lead ers in this area, and parents deserve a great deal of credit for the fine job they have done on their stud dog.

Mr. and Mrs. Norman McDonald of Edmonton are celebrating their 15th Wedding Anniversary on June 28th. Norman was born and raised here. Congratulations are extended to them on the occasion.

Mr. and Mrs. Henry Joy spent last week end in Edmonton visiting with Frank Joy, Mr. R. Milligan and Hubert.

Mr. and Mrs. Sage and Mable of Edmonton spent the week-end here with Emma's mother Mrs. W. Covier and the family.

Mr. Eric Olds who lived here as a boy, was in town two days last week, visiting at the home of Mr and Mrs. Jack Potter and Harold and called on some of his old friends. Eric is now employed at Lethbridge.

Lyle Robinson left Thursday June 9 for Saskatoon and then on to Brandon where he will judge the Shorthorn classes at the Brandon Fair

# 16 Years Ago Today

JUNE 29, 1950

Jim Kirk, service manager for France Public Service since the commencement of buying the gas lines back in 1939, has resigned from that position. The former Mrs. Kirk and the Misses Noonan have purchased a business in the city and will move shortly to make their home there

Vermilion council has purchased a new Allis-Chalmers motor grader for use on the town streets.

Two Vermilion Boy Scouts are among the twelve selected from Alberta to attend the American International Jamboree being held in Valley Forge, Penn. The boys are patrol leaders and Scouts Ken Stevens, John Stewart and Bob Bentley.

Lyle Robinson left Thursday June 9 for Saskatoon and then on to Brandon where he will judge the Shorthorn classes at the Brandon Fair

# 32 Years Ago Today

JUNE 30, 1934

Extremely heavy precipitation has been experienced in this district for the month of June. According to the readings at the Demonstration Farm, 5¼ inches have fallen to date, which is much more than normal.

Four vacancies on the teaching staff of the Vermilion Public School have been filled by the following teachers: Miss Norma Colleey, Miss Kathleen Colbert, Miss Alberta Pinder and Miss Doris Ligsey from Lachine, Que.

Dr Clive Stephens of Paradise Hill, Sask., was a visitor here last week. He motored to Calgary to attend a medical convention and was accompanied on the trip by his mother Mrs. R.D. Stephens and Miss Margaret Stephens

# 48 Years Ago Today

JUNE 30, 1918

Seventy-seven candidates are writing departmental examinations at Vermilion

Monday's heavy rain has given a brighter crop outlook It fell over a wide area.

Postmaster Bell Informs the Standard that on and after July 1st the Vermilion Post Office will offer a savings bank department.

Chief of Police F. C. Oakley was run over by an auto on Thursday. He was taken to the hospital and upon examination injuries sustained were found not to be serious.

Ed Farrell has wheat 19 inches high and in the chief blade from farm in north of Campbell Lake

# Ten Boating Tips

Have engine while refueling. Check and load weather reports before going out.

Wear a life jacket in choppy waters and at night.

If upset call for help and hang on to the boat until help arrives unless the boat is drifting into danger or the water is extremely cold.

Write for the free booklet "Safety Afloat" to Marine Regulations Branch, Dept. of Transport, Ottawa.

Some 1000 villages in India have groups participating in Radio Rural Forums, the idea for which came from Canada's Farm Radio Forum.

Newspapers are more than purveyors of news. They also have a hand in creating it by digging it out of many sources who don't realize they have a story

# Letters to the Editor

Vermilion, Alberta.

TO THE RATEPAYERS OF VERMILION:

Elsewhere in this issue of the Standard there appears notice of a By-law requiring ratepayers' for the borrowing of certain funds for the purchase of land within the western limits of the town and for the necessary capacity of water and sewer services to the land in question.

The Council of the Town, after lengthy and serious research, has reached the conclusion that this land and its services are vital to the progress of the town. The area involved is roughly 160 lots which will it is believed, not readily serve they are available, as all the property time reliable information indicates that a very substantial number of persons desire to move to Vermilion to make their homes and they are unable to do so by reason of the shortage of lots suitable to the erection of homes.

Vermilion is, perhaps, not in a favored position with respect to the obtaining of industry. It is ideally situated for the development as a manufacturing centre where representatives of various Government branches and departments of mining and allied representatives of various companies would make their headquarters and businesses were available

It must be pointed out that while the purchase price of the proposed new land area must, by law be a charge against the general revenues of the town, the actual development cost will not THEREFORE THE SALE OF THESE LOTS is the responsibility and NOT be a charge against taxes on established homes and businesses

The favorable consideration of this by-law by ratepayers is earnestly sought by the Council in the prosperity which are deemed, also further essential if Vermilion is to hold its own with other centres in Alberta.

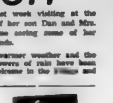
R. Cyr Herbert, Mayor,
Town of Vermilion.

# NEWS from KITSCOTY

We are pleased to report Mrs. days last week visiting at the A. Whittington is home from the home of her son Dan and Mrs. Lloydminster Hospital and Mrs. Fan, also seeing some of her Laurence Watt home from the old friends. Royal Alex in Edmonton. They are both improved in health.

The warmer weather and the low chances of rain have been very welcome in the Kitscoty district.

Mrs. J. R. Fox of the Pioneer Lodge, [illegible] spent two



Wainwright — Phone 842-3454
Vermilion — Phone 853-3553

**CLEANING VINYL UPHOLSTERY**
(Courtesy of C.I.L.)

Normal soils on vinyl upholstery should respond easily to cleaning with conventional household soaps and detergents. In this respect, regular light cleaning is preferred over less frequent scrubbings. Where these soils appear to be embedded in the grain of the vinyl or are particularly more stubborn, a soft fine bristle brush should be used. Abrasive cleaners should be discouraged since they might tend to mark or dull the vinyl surface In all cases the vinyl should be wiped clean of residual cleaning agent and dried.

Body oils may make cleaning somewhat more difficult and if normal cleaning procedures fail to remove all of the contaminate, alcohol or naptha cleaning agent might be used. Care should be exercised not to spread the soil further and avoid excessive rubbing of the vinyl might lead to premature failure in areas of heavy use. To minimize this risk, wax and dirt should be removed as noted above and the vinyl surface given a light coat of high quality hard wax which should be well polished to give a dry surface. Paste wax and some liquid waxes may contain oils or solvents which aggravate rather than reduce this problem

**ANTIQUING KITS**

Antiquing with paint and glaze is now available The glazing material for furniture, doors, etc. can be applied on new or old surfaces by the paint glaze wipe method. No removal of old varnish paint, or stain is necessary. The colors are particularly nice and can be used to cover badly scarred pieces of furniture to give it a "new lease on life" The kits retail at $5.95 and this includes one pint of Base Color, Trusting Shading and the Sealer. One kit will cover about 60 square feet

For any of you who attended the Wainwright "Pleasure from Leisure" program at the Lois Mayby School last winter, I demonstrated one of these kits It gives a very durable plastic finish The kits are available through most lumber yards.

**TRAIL RIDE SUNDAY, JULY 3**

The Vermilion Saddle Club will hold a trail ride in the Island Hill district on Sunday, July 3. The public is invited but only members of the club can have horses transported by paying $1 per horse to Dorothy Wilson. John Sanderczek is reserving space for transportation and he may be called at 875-3736 Reservations must be made before noon, July 2nd. The Lloydminster Saddle Club has been invited to participate

# Wildmere Winks

Dan Ford of Edmonton spent the week-end at the Gilmen home visiting his mother, Mrs. Ford in the hospital. She has now returned home very much improved.

Several took in the Princess Anne W.I's turkey supper and report a very delicious meal.

**4-H BALL TOURNEY**

The 4-H ball tournament went off very well. Although four teams attended it was an enjoyable afternoon, even to watch the senior men and some ladies play the junior teams. Cheadle won first prize and Preston second.

Mr. and Mrs. Ken Shepherd and family of Edmonton returned home on Wednesday after spending ten days at the Cruth ers home while Doris, Billie Leonard came down with the measles.

Mr. and Mrs. Bob Shepherd and family of Edmonton spent a few days at the Allen Smith home and got in some fishing.

Mr. and Mrs. Ron Strauch and Stephen of Pineuka spent the week-end with Mrs. Smith's home.

A large number of people attended the wedding dance of Mr. and Mrs. Joe Nelson at the Preston Hall on Friday evening to wish this p pular young couple many years of happiness together.

Mr. Jack Linguist has had his fiancee from Vancouver visiting this week-end.

Having had a card from Rev and Mrs. Brian Brown we can now report they are travelling across Canada by car with their little one, to take up their post as the United Church in St. Paul Alberta.

All the school children are busy writing exams while some have finished. Best of luck to all the grades.

**BIRTHS & MARRIAGES**

On Sunday evening a large crowd gathered at the hall for a pork chop supper to farewell Mr. and Mrs. Bill Smith and Mr. Adam Smith Sr.

Lloyd Howard in some very fine words presented the girls which were: an electric fry pan and pole lamp for Adam and a lovely battery wall clock for Bill and Lil. Adam thanked everyone on behalf of himself and Bill and Lil. As Mr. Howard said "It is not easy to say good-bye to friends and neighbors but as they are not going too far away we hope to see them often and they all know that the doors are open to them, all rumpers and all our homes will always be open to them We all wish them many years of happy retirement."

# Family Re-union

Will Kennedy family had a very happy reunion on June 19 at the home of Mrs. Eleanor Parley of Vermilion.

Present were four sisters and one brother present: Mrs. Kenneth Kennedy, Vivian of Grove Bay, Wm., Mrs. Thelma Kennedy of Victoria, Mrs. Edith Robertson of Edmonton, Mrs. Eleanor Parley and Mr. Gordon Kennedy of Grand Forks, B.C.

Twenty years had elapsed since the family had been all together Unfortunately, Gladys (Mrs. Jas. Murray) of Phoenix, Ariz., was not able to join the gathering

Other out-of-town guests who were present were members of the second generation, Mr. and Mrs. Gladwin Turner and Mr. and Mrs. Keith Snack of Edmonton.

# Sewage Systems For Islay And Clandonald

OTTAWA, June 7 Approval of federal government loans totalling $44,000 to the County of Vermilion River No. 24, Alberta, to assist in the construction of sewage treatment projects in three hamlets was announced today by the Honorable John R. Nicholson, Minister responsible to Parliament for Central Mortgage and Housing Corporation.

Made under the terms of the National Housing Act, the loans are for periods of 25 years each, with interest at 5¾% per annum and are based on a total estimated cost of $88,000

The Hamlet of Blackfoot will receive an NHA loan of $14,733 to assist in the construction of a sewage pumping station, 1300 feet of 4-inch forcemain and a sewage stabilization pond.

The Hamlet of Clandonald will receive a loan of $16,400 to assist in the construction of 1320 feet of 8-inch outfall sewer and a sewer stabilization pond.

The Hamlet of Islay will receive a loan of $15,267 to assist in the construction of a sewage pumping station, 1300 feet of 4-inch forcemain and a sewage stabilization pond.

For work completed on or before March 31, CMHC may forgive repayment of 25% of the principal amount of the NHA loan and 25% of the interest that has accrued in respect to the loan as of the date of completion of the project.

The 22.6-mile Los Angeles Hollywood freeway has the most traffic per mile in the world with 219,000 cars travelling its length every day.

Newspapers are the only media where people shop for advertisements.

*Three-Weeks-Old Fawn*

This pretty three-weeks-old fawn is now at Storyland Zoo in Edmonton, but when the Standard took the picture it was in the back yard of the local game officer, George Senz. Some children down Irma way found the fawn and carried it to school. The teacher in turn, knowing that the little animal would carry the feared man-scent and would, as a result, be disowned by its mother decided to send the little deer to Mr Senz He in turn took the fawn into Edmonton to Storyland Zoo where it is being well looked after.

IN MEMORIAM
In loving memory of
DORIS RELTEN
who passed away July 2 1965
God knew best, He was not selfish
But the hole was cruel to us
So He closed her eyes gently
And we opened ours in Thine
Asleep in the beautiful Valley of God
By the gates of rest we fair
Some day we hope to meet her
We will meet our Lord one there
Lovingly remembered by
Mom Dad and Family

IN MEMORIAM
In loving memory of
DORIS RELTEN
who passed away July 2 1965
When evening shades are falling
And we sit in quiet alone
To our hearts there comes a longing
If she only could come home
Friends may think we have forgotten
When at times they see us smile
But they little know the heart ache
Lovingly remembered by her
Husband Tom and Sons Joseph and Dennis

IN MEMORIAM
In loving memory of our dear sister Doris who passed away June 2 1965
One sad and lonely year has passed
Since our great sorrow fell
The shock that we received that day
No one can ever tell
Our hearts still ache with sad pain
This sad and lonely year
He rose us strength to take it
And courage to face the blow
But what I cannot do
No one will ever know
What we lost that day
Missed by Ronnie Margaret and Shirley

CELEBRATES 91st BIRTHDAY
A Vermilion old timer, Mrs. Harry Elliott, better known as "Grandma" to her many friends, celebrated her 91st Birthday on Wednesday, June 29th. Journeying to Wainwright where Grandma is living in the Auxiliary Hospital, to wish her happy birthday were her daughter Mrs. Doug Cooper, Miss Robin Anderson, and Mr. and Mrs. John Bauman.

Mrs. Kenneth Kennedy of Green Bay, Wis., spent ten days as the guest of her sister Mrs. Eleanor Farley, recently. Mr. Kenneth Kennedy also spent a week with his sister. It has been thirty years since Mr. Kennedy's last visit to Vermilion and of course he saw the many changes and improvements that had taken place in that time

Mrs. J. W. (Eva) Muir of Dundalk, Ontario, and her sister, Mrs. Clara Adams of Durham, Ontario, are guests at the home of their niece Mrs. Ashley Cooper. Mrs. Muir and Mrs Adams have been in Vancouver where they visited Mr. and Mrs. Walter Muir, and another niece Mrs. Clara Millward and family.

Mr and Mrs. George E. Rothwell (nee Evelyn McNeil) of Ashcroft, B. C., spent a few days last week visiting at the home of her sister and family Mr and Mrs Wilfred McCleman Mrs. Rothwell hasn't been back to Vermilion for over forty years

Miss Doreen Beattie is returning to Vermilion after working in Edmonton for the past ten months. She will be staying at home with her mother, Mrs Tom Beattie and will be employed by the firm of McCrory & Tiffen

Mr and Mrs. T. C. Marshall entertained at dinner on June 3 honoring bride-elect Miss Yvonne Frederick and her fiance Mr. Stanley Kuchmerevit.

Mrs John Pashulko of Derwent attended the funeral service of her sister Katherine Biorn son on May 7th at Port Coquitlam, B.C

Friends of Mrs. Roe Mead will be sorry to learn that her mother Mrs. Hanley had the misfortune to fall in her home on Sunday, fracturing her hip. She was taken to hospital in Edmonton Sunday night

Mr and Mrs. Bill Fiosko of Fairweather who have just returned from a holiday at the west coast are now spending a few days in town. They will attend the Eden-Petschner wedding on June 30th

Mr and Mrs J. A. Curtis and family long time residents of Vermilion are leaving at the weekend to make their home in Lloydminster Mr. Curtis is presently in Lloydminster and working for H. M. Trimble

Mr and Mrs. Joe Ratcliffe and two daughters Dorothy Lynn and Margaret Ethel of Edmonton and Mr and Mrs Joe Ratcliffe Sr. of Victoria spent a few days during the past week visiting Mr and Mrs. F. T. Rosza

Mrs. Florence Maxwell of New York State was in town on business for a few days during the past week

Mr. and Mrs. Murray Miller of Sherwood Park and Mrs. Miller's parents Mr. and Mrs. [illegible] visitors in Vermilion last Thursday

Mr. and Mrs. [illegible] of Vancouver formerly of Vermilion were visitors in town last week

IN MEMORIAM
In loving memory of a son and brother
CARL WILLIAM BERG
who passed away on July 8th 1965
The blow was great the shock severe
We little thought the end was near
And each those who have lost one dear tell
The pain of parting without farewell
Sadly missed by our sister Lyn Carl Gwendolyn Ronald and Brothers

Entertain On 25th Anniversary

On June 23rd Mr. and Mrs. Curtis Martin entertained at a dinner party in the Penthouse of the Caravan Hotel in Edmonton. The occasion was their 25th wedding anniversary.

On June 25th a family banquet was held in their honor in the Legion Hall Vermilion. Mrs. Clara Wingo of Portland, Oregon, their bridesmaid of 25 years ago was present. Other out of town guests were Mr. and Mrs. Herman Eyben from New Westminster; Mr. and Mrs. Stan Neiner and boys from Calgary; Miss Sharon Martin, Mr. and Mrs. Albert Eyben and family, Mr. Lyle Carey from Edmonton; Mr. and Mrs. Ken Caron and Casey from Hudson Lake, Mr and Mrs. Jim MacDonald and family from Vegreville; Mrs. John Taylor and family, Mr. and Mrs Wally Murray and family from Wainwright and Mr. Carl Brown from Streamstown

During the evening Miss Lyla Eyben phoned from Montreal to extend congratulations and a telegram was received from Mr. and Mrs. Stewart Little from Beaverlodge.

BORN
Don and Hazel MacLeod (nee Barr) announce the arrival of a daughter on June 27 at the Royal Alex Hospital, Edmonton, a sister for John Earle. 8 lbs. 11 ozs.

CARD OF THANKS
I would like to take this opportunity to thank Dr. Attenborough and the staff of the Vermilion Hospital for the wonderful care I received while a patient there. Also to my relations and friends for the flowers, gifts and cards and to my relations and friends for being so good to my family. Such kindnesses will never be forgotten.
Dorothy Mapstone

CARD OF THANKS
I would like to thank the nursing staff for the care I received while a patient in the hospital, and to all our friends who visited me. Also with a special thank you to Mary Wilson.
Louise Giles

To a newspaper, service to the community is always paramount.

### Addresses Rotary

Mr. Lewis Robinson of the Industrial Development Branch, Department of Industry and Development, was the guest speaker at the Rotary meeting of June 17th. Mr. Robinson was introduced by Reg Mitchell and thanked by Fred Brimacombe. The speaker emphasized that while his work was to set up communications between towns and industries, the final sale must be made by the officials of the town and people themselves. Conditions in towns must be conducive to attract industry and facilities must be available to accommodate them.

### Greenlawn Goodwill Club

The Greenlawn Goodwill Club held its June meeting at the home of Mr. and Mrs. Cecil Grant with 11 members and 4 visitors present.

A committee volunteered to look after the woodlane that are to be sent to Fairfields. Anyone wishing to send some of this order may leave them at Doris Lister before July 12th.

The secretary read the report of our tea and bazaar which was held on June 8th. We would like to thank our visitors for coming and making it a success socially and financially. Eva Clark asked the club to enter at her daughter Viola's wedding reception June 25th. The members were most willing, with Jo Gray, Laura Rainey, Ella Nicholson and Vera Madden volunteering to be in charge.

There was a miscellaneous shower at Laura Rainey's home on June 18th in honor of Viola.

It was decided to have a clean-up bee of the Community Hall on June 20th.

Dagmar Holmen invited us to hold our July meeting at her home. A pleasant afternoon was brought to a close with a delicious lunch.

The Alberta Branch of the Canadian Seed Growers' Association will hold the annual meeting in the Community Centre at Beaverlodge July 5th, 1966.

Your merchants' advertising in this newspaper brings you news of changes in style, what new products are offered.

How many servants do you have?

Range

Refrigerator

Washing Machine

Clothes Dryer

Vacuum Cleaner

Floor Polisher

Electric Hair Brush

Electric Frying Pan

Electric Iron

Can Opener

Power Tools

Radio & TV

Thanks to electricity, modern homemakers have dozens of dependable servants ready to work at the flick of a finger. There are kitchen appliances to make food preparation fun . . . laundry equipment to provide added hours to pleasure-time . . . vacuum cleaners and floor polishers to make short work of floor-maintenance . . . power tools, radio and television to supply greater hobby enjoyment and entertainment.

Be sure you have all the servants you need to maintain a modern home — see the 1966 electric servants at your appliance dealer's today.

### Linda Giles Wins With Essay On Farm Safety

The winners in the Alberta Farm Safety Contest, believed to be one of Canada's largest literary competitions with 46,224 entries, were announced recently by R. D. Jorgenson, M.L.A. for Pembina, chairman of the Committee for Safety Committee. This year's essay topic was "Water Safety".

Linda Giles, Grade 6 student in Vermilion Intermediate School, wrote the winning essay in the County of Vermilion River. Her teacher is Mrs. E. Curtis. Linda is the daughter of Mr and Mrs. Mark Giles.

Linda won a prize from the County and a hand put, as well as a special plaque.

Her winning essay follows in full:

LINDA GILES

### "Water Safety"

This is a true story that took place in 1956. This accident could have been avoided if the children had realized that ice must be four inches thick before it is perfectly safe.

One sunny, winter day in the beginning of March Sonny and Dorothy Lee, who were brother and sister, called on Jane Herzog. Shortly Jackson, my self and a few other friends of theirs, to go tobogganing on the River Hill. Before we left Mrs. Jackson told us all to be careful not to go down to the river because the ice was soft.

When we had been tobogganing for about half an hour a few of the younger children got tired of it and went home. Sonny, Dorothy and the rest of us decided to go tobogganing. We left the toboggan at the top of the hill and chose a path that led down it wards the ice. We had not gone far when we came to the place where Mrs. Jackson had told us not to go, but the ice looked hard enough. We had never played on the first two or three times we went tobogganing.

Several others followed us.

The Junior group earned its first stripe and the Senior group its Cyclists' Badge and First Aid badges. All took the study book "Safety Is Antigua. They enjoyed handicrafts and for the Duress work the Senior girls embroidered blocks for a crib blanket.

The girls participated in the Xmas Pageant were hostesses to the Tea and other preparations for the World Day of Prayer Service and the Tweenty Balls. A program and social evening was held for their parents and friends.

The singing School Discussions was drawn that this year Linda Hines was the attendance prize winner. Senior School Assistants and Pre-Schoolers all got together for a picnic on Saturday June 25th at the Lea Park picnic site. Although it was a fine day we had to be indoors inside the weather soon changed and rain and snow were ensured so all to finish a hot supper.

### W. A. REPORT

The W.A. also report a busy and successful season with many interesting meetings and fine attendance efforts. The Mission Band members have been very active and have presented with a number of programs on June 12th Mrs. Hollands is to be congratulated on her fine work with the Mission Band and also Mrs. Carver who has

**Princess Anne W. I.**

The June meeting of Princess Anne W.I. was held on the 16th at the Community Centre with twelve members and two visitors present, Mrs. Mellon and Mrs. Reeves.

After clearing the hall the meeting proceeded with the treasurer's report showed very good proceeds from the supper.

Mrs. Armstrong gave the social service report of gifts and cards to hospital patients. A farewell for the McKinnon family.

There was one correspondence so new business followed.

Arrangements were made to sell coffee and doughnuts at Mr. Field's sale. A committee volunteered to organize plans to serve supper at the Mellon wedding.

The group would like to thank everyone who helped make our supper such a success and a special thank you to the ladies who filled in for absent members. We did appreciate it very much.

Lunch was served by Mrs. Dewart and Mrs. Scarle.

The July meeting will be held at the home of Mrs. P. Pathak.

The meeting was closed with the Mizpah

**Important Advice For Senior Citizens**

The ageing process can cause hardening of the arteries and liver. Elderly people are more subject to arthritis, heart trouble, bronchial coughs, prostrate and bladder troubles.

If you will immediately visit your physician at the very first signs of such troubles, the odds are you will not only get relief from distress, but also learn how to take care of yourself and live a longer, healthier life. We now have sustaining medicines to keep ageing illnesses controlled.

A great many people entrust us with their prescriptions. May we compound yours?

**U.G.G. Offers Paint To 4-H Clubs**

United Grain Growers Limited has announced that it will be signing six gallons of red or thistle shade paint to each of the 4-H Clubs across the province in conjunction with their 50th anniversary and the Canadian Centennial celebrations, according to Mr C L. Usher, Supervisor of 4-H Clubs, Alberta Department of Agriculture

The paint will be given out on a first-come, first-serve basis and is to be used by 4-H Clubs for worthwhile community projects. He says that it is especially hoped that clubs will use the paint will be given to clubs who supply only as long as it lasts. They will only be required to supply approximately one-quarter of the clubs on the premises, as application should be made as soon as possible. He also says that clubs may join together in group projects if they wish.

Mr Usher points out that it shouldn't be difficult to find some worthwhile projects in the community. These might include painting a community hall or other community buildings, or possibly the fence around the cemetery and so on. He adds that paint might be used to paint the house of some needy person in the community such as a poor sooner or some handicapped person. Clubs wanting to obtain the paint should make application to local U.G.G. management at once

**Former Derwent Resident Passed Away In B.C.**

Funeral services were held for the late Katherine Bjornson, on May 7th, at Port Coquitlam, B.C. Rev. Fr. Gordon was the celebrant at the age of 41 years.

Mrs. Bjornson had been a resident of Derwent until 1950

She leaves to mourn her passing her loving husband, Ernest, her grandfather and father Mr. and Mrs. Harry Jarmeos of Derwent, one son Garry and three daughters, Doreen Christine and Linda, all at home; five brothers, Paul and Emil of Derwent; John and Wilmer of Vermilion and Marshall of Edmonton; three sisters, Stephanie, New Westminster, Mrs. J. Rushulm, Derwent, Mrs. Bill Rushnov, Calgary.

Prayer services were held on Friday, May 6th at 8 p.m. at the Garden Hill Funeral Chapel Port Coquitlam. Funeral service was on Saturday May 7th at 2:30 p.m. in Our Lady of Assumption Church, Port Coquitlam Rev. Fr. G. Gordon was the celebrant.

A High Mass was also held in Derwent on Monday, May 9th with the Rev Fr. Cherkawsky officiating.

**SUNDAY AT THE ALLIANCE CHAPEL**

Pastor J. H. Bell preached at both services in the Alliance Chapel on Sunday June 26th His sermon titles were "The People to Win" and On Top of the World. Solos were sung by Mrs Arnold Stauffer and Revell Eggen. They were backed by Mrs. J. H. Bell in the singing of "The Old Rugged Cross of Love" Arnold Stauffer assisted in the service with a trumpet solo and can accompaniment for the singing was played by Mrs. J. H Bell. Miss Margaret McLaughlin and Mrs. A. Stauffer

At the conclusion of the evening service a callbacks was held in the basement of the church in honor of Mr and Mrs. Al Curtis and family soon leaving to live in Edmonton. Pastor Bell was chairman After the serving of lunch by the ladies, a presentation was made to the Curtis's in appreciation of their many years of service in the chapel to which both graciously replied

Visitors in the service from out-of-town were Mr. and Mrs. A. Franklin of Whitelaw on their honeymoon and visiting her sister Mrs Lee Bell and family, en route, Mr. and Mrs Jim Newell, Edgerton; Mr. and Mrs. Edwin Pohl and family, Edmonton, visiting his sister Mrs. Stan Geske and family. Also visiting Mrs. Geske was her sister Mr. and Mrs. O. Weyerland and family making their home in Edmonton while home on furlough from missionary service in Tan

**Health Unit Notes**

SMOKING & YOUR HEALTH
( Part 1)

Almost everyone has by now heard or read about the Surgeon General's report. I'd like to look at the evidence collected and put it into perspective. Over the past twenty years at least the causes of death have been changing. Far more men and women have been dying of cancer of the lung. Over the same period many men and women have taken up the habit of smoking. This explains almost much learning but it is also known that since the cause of death is compared with smoking habits that the proportionately to the number of cigarettes smoked. Another very significant finding is that if a person who has been a smoker stops smoking and survives ten years from the time when he stopped, the likelihood of his dying of cancer of the lung falls to a level common to those who approaches that of the non smoker

No one has ever suggested that smoking is the only cause of cancer of the lung but the con sideration given alone proves that it is a significant factor The intelligent reader will take some precautions to and. Why do some smokers live to a ripe old age" Why do some non-smokers die of cancer of the lung? Every one is familiar with the children who do not get measles in a measles epidemic and of people who do not get flu in an influenza epidemic This is the law of natural selection in operation We all know the person who takes risks and appears to get away with it. Not all of us can consistently get away with

**Five Generations Attend 95th Birthday Party**

A very pleasant afternoon and evening were enjoyed on Sunday, June 19 when seventy-nine relatives, friends and neighbors gathered at the parlor site on Highway 45 near Hazeldine to celebrate the 95th birthday of Mrs. Rena Bowman.

Mr. Bowman was 95 years old in February but the invitations couldn't get together at that time so it was put off until Father's Day.

There were five generations present on Sunday, the celebration was in the form of a picnic supper consisting of fried chicken, baked beans, potato salad, buns and a large birthday cake baked and iced by her daughter Mrs. May Braithwaite

His children, grandchildren, great-grandchildren and great-great-grandchildren had a very good time, the weather was fine for sit-and on the grass and the older ones played horseshoes and ball.

The children all sang Happy Birthday and another Grandpa received many good wishes and congratulations and even though belated he enjoyed the get-together immensely

Grandpa Bowman as he is known to almost everyone in the district has lived in Minnesota back in the 1907 homestead is 8 miles north of the village of Islay where he farmed for many years He and his wife lived with in later years moved closer to town to where Arthur Bowman was carried on until he retired here are of retirement.

Grandpa still does his own housework alone Mrs. Bowman passed away Last summer he spent a few months with his eldest daughter Mrs. Hazel Braithwaite but in summer he likes to be at his own home

There are three daughters, Mrs. May Braithwaite of Dewberry, Mrs. Frank Maud of Dewberry, Mrs. Hardie Ford of Vermilion and two sons, Frank of Dewberry and Durward of Vermilion. There are eighteen grandchildren, thirty-one great-grandchildren and three great-great-grandchildren. Mrs. Braithwaite and Mr. Bowman naturally has no

**Plan A. I. Technician Course At V. A. V. C.**

Applications are now being accepted for the third artificial insemination course available to start at the Vermilion Agricultural and Vocational College on Jan 2nd 1967

Dr. H. Jeffery, Supervisor of Artificial Insemination with the Alberta Animal Industry Branch, Edmonton announced that the course to get his appointment as a technician is limited to possible facilities only 12 applicants will be accepted.

The Vermilion three-month AI course is one of the most comprehensive and comprehensive to be found on the vocational level anywhere in Canada It covers such subjects as anatomy, physiology bacteriology, nutrition, genetics, semen processing, A.I. techniques for both cattle and swine, public relations and business management

Applicants should have a diploma in Agriculture from a recognized agricultural school or college or Matriculation certificate or experience Preference will be given to those with an Animal Science Major Applicants must also provide a written statement from a qualified A I technician stating that they have spent approximately one week with the technician or his associates to familiarize themselves with the work Mr Jeffery says that applicants will also be required from outside Alberta.

The total cost of the course not including of out-of-pocket expenses will be approximately $250 Out of province students will be charged an extra $30 tuition fee

According to Mr Jeffery, salaries for A I technicians in Alberta range from $300 to $600 a month. Past experience has shown that some of the graduates do not become technicians and others use the knowledge on their own farms and ranches

The course content was recommended by an advisory committee representing the A I industry through the Alberta Association of Artificial Breeders and the heads of this committee's final ings. The Alberta Department of Agriculture through the Animal Industry Division and Agricultural and Vocational Colleges are in the course at Vermilion.

Further information on qualifications and details of the course can be obtained from Mr Tassinyk Principal V.A.V.C. Vermilion or from Dr. Jeffery Supervisor of A.I., Animal Industry Division Alberta Department of Agriculture, Edmonton.

## PUBLIC NOTICE
### By-law No. 12-66

Public Notice is hereby given that there has been introduced in the Council of the Town of Vermilion a by-law of which the following is a short synopsis:

WHEREAS it is deemed expedient and proper that the Council of the Town of Vermilion should pass a By-law to authorize the undertaking and completing of the construction of an extension to the sanitary sewer system and storm sewer line.

AND WHEREAS it has been engineered by W. J. Frantz & Associates Consulting Engineers of Edmonton Alberta that the total cost of the said extension to the sanitary sewer and to the storm sewer line is the approximate sum of $35,000.00.

AND WHEREAS it is estimate to the Council of the said Town that the undermentioned sums of grants and county Bylaws will be received by the Town of Vermilion:

1 Federal Provincial Municipal Winter Works Incentive Program $3,500.00
2 National Housing Act 1,500.00

AND WHEREAS in order to construct the extension to the sewer system and to the storm sewer line it will be necessary to borrow the sum of $30,000.00 on the credit of the said Town by issuing debentures of the said Town as hereto provided.

AND WHEREAS the said indebtedness is to be repaid over a period of 20 years in twenty annual equal instalments with interest at a rate not exceeding 6% per annum payable annually.

NOW THEREFORE the Municipal Council of the Town of Vermilion enacts as follows:

1 The Municipal Council of the Town of Vermilion is hereby empowered and authorized to enter into contract for the purpose of constructing an extension to the sewer system and to the storm sewer line.

2 That for the purpose aforesaid the sum of $30,000.00 be borrowed by way of debenture on the credit and security of the Town of Vermilion at large of which amount the sum of $30,000.00 is to be paid by the Town at large.

AND THAT a copy of the said by-law may be seen in each of the following places:

Town Office
Office of MacMillan Brimsmeade Agencies Ltd.
Office of Stan N. Waldbeiser Agencies
Office of Heckbert Agencies
Office of Northwestern Utilities & Canadian Utilities Ltd.

AND further that unless within thirty days from the publication of this notice five per cent or two hundred and fifty of the proprietary electors whichever is the lesser of the Town petition the Council to submit such a by-law to the vote of the proprietary electors of the Town the Council will proceed to consider and if it thinks fit to pass the same.

Signed D. R. MITCHELL,
Secretary-Treasurer
Town of Vermilion

## PUBLIC NOTICE
### By-law No. 11-66

Public Notice is hereby given that there has been introduced in the Council of the Town of Vermilion a by-law of which the following is a short synopsis:

WHEREAS it is deemed expedient and proper that the Council of the Town of Vermilion should pass a By-law to provide money for the purpose of the building of [illegible] in a portion of section thirty-one Township fifty-one Range of the Fourth Meridian being a portion of the town lands North of the Vermilion River and containing forty two and fifteen hundredths of one acre more or less.

AND WHEREAS the cost of the said land is $25,000.00.

AND WHEREAS in order to purchase the said land it will be necessary to borrow the sum of $25,000.00 on the credit of the said Town by issuing debentures of the said Town as hereto provided.

And AND WHEREAS the said indebtedness is to be repaid over a period of 20 years in twenty annual equal instalments with interest at a rate not exceeding 6% per annum payable annually.

NOW THEREFORE the Municipal Council of the Town of Vermilion enacts as follows:

1 The Municipal Council of the Town of Vermilion is hereby empowered and authorized to purchase the portion of section thirty-one in Township fifty-one Range five of West of the Fourth Meridian being a portion of the town lands North of the Vermilion River and containing forty two and fifteen hundredths of one acre more or less.

2 That for the purpose aforesaid the sum of $25,000.00 be borrowed by way of debenture on the credit and security of the Town of Vermilion at large, the same to be a direct charge upon and paid from the proceeds of the sale of land created by the purchase of the said land.

AND THAT a copy of the said by-law may be seen in each of the following places:

Town Office
Office of MacMillan Brimsmeade Agencies Ltd.
Office of Stan N. Waldbeiser Agencies
Office of Heckbert Agencies
Office of Northwestern Utilities & Canadian Utilities Ltd.

AND further that unless within thirty days from the publication of this notice five per cent or two hundred and fifty of the proprietary electors whichever is the lesser of the Town petition the Council to submit such a by-law to the vote of the proprietary electors of the Town, the Council will proceed to consider and if it thinks fit to pass the same.

Signed D. R. MITCHELL,
Secretary-Treasurer,
Town of Vermilion.

## ALLANDALE

Weather — cool and cloudy with a few showers and a few warm days.

June 12th to 16th Mr. and Mrs. Orley Omness visited at the home of Mr. and Mrs. James Phillips of Wainwright. They have a lovely location in the Neutral Hills, 9 miles from the Big Gap. And Mr. and Mrs. Gerald Omness and family of Lanse has one year of university, Cheryl is at St. Angela's Academy, Prelate, Sask., Maureen, Wendy, Lorraine, Danny, Geral-dine are school age Robert, Trudy, Paula, Mark and David are home, a lively, healthy family and not a dull moment. They live at Kindersley, Sask.

It was an honor and a pleasure to meet Gerald's wife's (Jeanne's) parents and family. Mr. and Mrs. Stephen Kolbuszewski and to hear for the first time his Ukrainian with its sweet and beautiful sounds, a thrilling experience for us. At the home of Jeanne's brother, Mr. and Mrs. Stewart Kolbuszewski and family is a rarity as a farm, a high large room arranged and installed by himself. He made it wonderful with love, some to low tones. We were pleased to meet Jeanne's sister Thelma and Robert Lee and family. Their daughter Sharon will be one of the teachers for ice skating at Lloydminster during the holiday. Robert drove a car for the grandmothers.

A requested visit was only a large bank of flowers from all the family and new basket from the following relatives in Nova Scotia Edgar, Hilda Tom, Joyce, Cecelia, Willis, Marie Lockeyer, Theresa, Stanley Katherine and families A telegram was also received from Mrs Helen Parsons.

Donations to Cancer Fund Mrs. Nellie Gliddon Bill and Shirley McGrath Mr. and Mrs. Ira Keare Seitz Mr. and Mrs Keith Lyons and Lee, Mr and Mrs. Art Lysons, Mr. and Mrs. Noel Garnett, Mr. and Mrs. Dell Mc-Grath and family, Mr. and Mrs. Lindy Fadden

Donations to the Vermilion Cemetery Fund: George and Beryl Seuffert Mrs. Newman, F. F. Webber Clarence and Kate Labaurie, Bob, Doris and Doreen Martin Fred Slocum

Donations to Vermilion United Church Memorial Fund: Mr. and Mrs. James Wallington Mr. and Mrs. Albert Holte, John and Irene Wilson.

Donation to the Auburndale United Church Memorial Fund: Bill and Ann Veitch.

Donations to Wilsboro United Church Memorial Fund Mr. and Mrs. Arnold Hood, Mrs. Hazel Barker Mr and Mrs. Bud Balke Mr and Mrs Walden Wenlaw Mr. and Mrs Bill Smith, Mr. Adam Smith Sr., Mr. and Mrs. Charles Sweeney.

## Bethesda U.C.W.

The June meeting of United Church Women of Dewberry was held in the Christian Education Building with fourteen members and one visitor present.

The secretary read the minutes of the last meeting and these were moved and adopted. The treasurer's report was given. The secretary read a list of relief parcels having been sent to several people. Letters were made to mem- [illegible] and Mrs. Ross Hall [illegible] wedding at the [illegible] Mrs. Ross Hall [illegible] Mrs. Ross Hall [illegible] Mrs. Ross Hall

"THE BROKEN STATUE"

"The Broken Statute", performed by Grade Two, St. Jerome's, was thoroughly enjoyed by the cast and audience. Gypsies, fairies, moths, and children helped the statue to make the play the success it was.

"THROUGH FAIRYLAND"

The pixies, ladies in waiting, and fairies, part of the cast from the play "Through Fairyland", presented by Grades IV, V and VI at St. Jerome's School.

# NEWS from DEWBERRY

Winners of the Home and School Oratory Contest this year were: Group 1 (Gr 4 and 5): 1. Marilyn Braithwaite; 2. Leonard Rauser. Group 2 (Gr. 6 and 7): — 1. Roger Braithwaite; 2. Brian Steckloch. Group 3 (Gr. 8 and 9): 1. Linda Rauser; 2. Jim Steckloch. Group 4 (Gr 10 and 11): — Ted Marie Klimish and Barbara Sweet. These winners were presented with medals.

PRIZES PRESENTED

At a recent 4-H Clothing Club meeting the winners from the achievement day were presented with their prizes. The Lion Lapelgue and compact were presented to Lorraine Ireet by Mrs. Dorothy Ostien, president of the Lion Le. Janet Ewen, first in the Junior Group received a brief case. The second and third in both divisions received a ring for second and a pendant for third. They were Donalda Vivian, Barbara Bauer, Janice Finlay and Linda Rauser.

Miss Dianne Clark of Edmonton spent last week-end visiting her grandmother Mrs. Durnin.

We are glad to see Mrs. Ray Udd Vivian home after a major operation in Edmonton.

BRIDE-ELECT SHOWERED

On June 6th a lovely shower was held in the church hall in honor of Miss Cheryl Jones. Host mess for the evening were Mrs. A. Purser and Mrs. J. Mahaia. Contests were played and then Cheryl was presented with a lovely money tree and an assortment of gifts.

FAREWELL PARTY

A farewell party was held in the Hazeldine Hall in honor of Mr and Mrs. C. Frushel who have been transferred to Donalda. The presentation was made in gurose and comsuns.

Misses Hope and Hall has won fortune in fracture her wrist a couple of weeks ago.

BALL TOURNAMENTS

In ball tourneys around the country the local teams have been putting a good showing. Dewberry's team got third at Fort Pitt and second at Elk Point. The ladies' softball team won third at Fort Pitt and the men's softball team got second at Elk Point.

Congratulations are extended to Mr and Mrs. Ray Drabble on the birth of a son, Brent, on the 18th at the Vermilion Hospital.

Guests at the home of Mr. and Mrs. George Ewen on the Sunday following the Smith-Jones wedding were Mr. and Mrs. Bob Ragstad and twin girls of Edmonton; Mr. and Mrs. Norman Heinz (nee Betty Ewen) and family of Wainwright and Mr. and Mrs. Paul Pilip (nee Peggy Ewen) and family of Dartmouth. Ed Lynn and Les Ragstad spent the day visiting with their cousins Janet, Olive and Penny Ewen.

Mr. and Mrs. W. S. Smith and daughter Carol of Vermilion, who were in Dewberry for the marriage of their son Stan to Miss Cheryl Jones, left after the wedding for a tour of Western Canada. They planned to visit Al Oenning's Game Farm, Jasper, and Banff, then to journey to the coast and continue motoring to San Francisco before flying home.

Gerald Hodgson and his mother Mrs. E. Hodgson of Red Deer spent a few days at the home of Mr. and Mrs. Milo Hodgson and visiting many friends and relatives in the district.

Mrs. Peggy Porter of Lloydminster and Mr. and Mrs. Ken Porter are holidaying at the home of Mr. and Mrs. Gary Ure.

Mr and Mrs. Kenneth Porter, High Level, are spending a vacation at the home of Mr and Mrs. Gary Ure, Dewberry. Mrs. Margaret Porter of Lloydminster is also spending a holiday at the farm home.

Mr. and Mrs. Gervase Kinsbella, Bill, Eugene and Patricia of St. Albert, spent the week-end at the M. Philbin home.

Mrs. Ivy Taylor and children and Miss Mary DePord, Clandonald, visited the same home for a few hours on Sunday.

All are pleased to hear that Mrs. Jack Kiss who underwent three operations in the University Hospital, Edmonton, is convalescing at the home of her daughter and son-in-law, Mr. and Mrs. D. Elliott, Edmonton. A speedy return to good health is wished her.

Mrs. Effie Allen who underwent surgery in the Isley Hospital is home and feeling well.

MR. BOWMAN 90 YEARS

The Bowman families and their relations gathered at the cottage on Dewberry Lake to honor Mr. Rene Bowman who is 85 years of age.

Miss Thea Wilkinson and Miss Louise Bowman spent a few days visiting at their parental homes.

Mr Alvin Bowman is attending a six weeks' mechanical course

# ISLAY LOCALS

Mr and Mrs. Wm Potvin and Brent left Sunday morning for their home in Sicamous, South. Mr. and Mrs. Florian Hees, for Mrs. Potvin, will stay with them to their home in Rycroft. They were here to attend the Maire-Tanasiuk wedding.

Mr. and Mrs. Clarence Fleck and Lori spent a few days with their parents, Mr. and Mrs. Ed Hrynkow. They also attended the Maire-Tanasiuk wedding.

The following are congratulations extended to Mr. and Mrs. Gerry Maire who were married last Saturday in Islay.

Out-of-town guests at the wedding were Mrs. Ida Kovacs, Mr. and Mrs. Neil Fenton, Mr. and Mrs. Cliff Fenton, all from Edmonton; Mr. and Mrs. Bert Stolberg of Athabasca; Mr. and Mrs. Harold Block and daughter Mittey of Calgary, and Mr. Jan. Block of Edmonton.

Mr. Joseph Mlasiuc was a caller at the Potvin home last week.

CONGRATULATIONS VERMILION

At a meeting one afternoon recently, a lady present, who has spent most of her life on a farm near our village, remarked that having reason to pass through Vermilion early one Monday morning, she was deeply impressed with the clean streets. "Just as if they had been swept with a large broom". Congratulations Vermilion!

Congratulations are extended to Mr. and Mrs. Stan Smith (nee Cheryl Jones) who were married on June 11th in Dewberry.

Many ladies gathered at the home of Mrs. Jack Ramsay Saturday night to honor Miss Viola Clark who is getting married next week.

Centennial Report

1867 1967

I have add a member of Canadian inspired by the coming Centennial celebrations, to research the family tree.

Tracing back one's lineage can be an interesting pastime and may produce some surprises. One woman from London, Ont. told me she had turned up the name of a soldier who served in the Northwest Rebellion of 1885 stored for years in an attic trunk belonging to a maiden aunt. Until the uniform was discovered she hadn't known her great father was involved with the prairie uprising.

The reason why I like to encourage people to research family history is that it may provide more than a textbook link with the history of the country. History can become alive and personal.

A woman in Ottawa, for example who has adopted Canada as her country knew about the Battle of the Plains of Abraham but she did not realize it was Captain James Cook who guided General Wolfe's men to the shores of Quebec. She learned of this when she discovered that Cook was a direct descendant of that famous navigator.

It is worth noting also that the spirit of the times rubs off on the old ancestors associated with claims of having dukes, counts and other notables as ancestors.

I recall vouchers of humor as associated with a period 25 or 30 years ago when some families went to great trouble and some times considerable expense to have their histories researched. Those who can trace their ancestry came from Europe or the British Isles often were hopeful of finding proof of heroes or royal blood in their backgrounds. Certainly a copy of the family crest on old parch ment framed and hanging in the dining room was a status symbol of sorts.

During the family crest craze various companies across the country classified advertisements in North American newspapers, offering to research official ancestors and purchase arms the family crests for a fee. It was through this racket on this side of the ocean that I would later discover that my silly had paid for a fictional coat-of-arms which came only from the mind of a second rate commercial artist in a foreign land.

Family history is a hobby that produce exciting stories too. One of our young office boys at the Centennial Commission didn't give a hoot about history until he discovered that an ancestor of his figured prominently in the Papineau uprising. He overturned in disbelief as he spotted his own unusual French name in Mason Wade's "French Canadians". They widened even more when he read on to find that a great, great grandfather was a Cavalry had been sent to St. Johns, Quebec to capture the arrestor. The arrestor evaded the Cavalry and fled to the United States.

"Yes I've often wondered why I have so many ancestors relatives," he said. "Now I know. Here in Canada we had a price on our heads."

I recommend, as a personal Centennial project for yourself that you check into old family albums as a hobby during the house. Ask the relatives tonight. There's nothing like interesting Canadian history you might find with a family researcher of your own.

Whether they have "trees" or not families also can play a big part in the Centennial celebrations by making 1967 the big year for those picnics and reunions which are such an integral part of the Canadian commemoration.

## Dewberry Garage Destroyed by Fire

DEWBERRY — At about 2.15 p.m. on Wednesday June 29 fire was discovered in Dendill's Garage. The blaze later the big building was completely levelled

The volunteer fire department with help from brigades at Vermilion and Marwayne battled the blaze and prevented it from engulfing the whole village

Dendill will erect temporary premises at once to carry on their business and will build a permanent structure later

## 86 Commence Swim Lessons at Park Lake

Swimming lessons are now underway at the provincial park/ beach with 86 students registered for the first two months of lessons. Fifty of these are beginners just learning to swim.

The send r instructor Ellen Waldenberger is conducting less ons from 9 a.m. to 12 noon and from 1 45 p.m. to 4:00 p.m. each week day.

## Old Timers Offer Special Fair Prizes

The Vermilion Old Timers Association is offering three special prizes at the Vermilion Fair for the most interesting pictures or group of pictures depicting the early days of Vermilion or district. These pictures are to be accompanied by information or stories concerning same. Exhibitors are also advised that these entrs may be used in the Centennial Edition of Vermilion's early days that is presently being prepared by the Old Timers Association.

Anyone in the district having old pictures of the early days and who will not be entering them in the above contest are asked to get in touch with Mr Alf Lyon or any member of the Old Timers Association.

Shop your newspaper ads and keep the savings in your own pocketbook.

## Little Boy Dies In Tractor Accident

Tony Borzyluk, 2½ year-old son of Mr and Mrs Mike Borzyniuk of the Buffalo Coulee district south of Vermilion, was killed in a tractor accident on Tuesday on his parents' farm.

## Local Student On Research Project

Vernon Smith son of Mr and Mrs Tom Smith is at present in La Palma Panama where he will spend the summer studying the Chaco Indians and Negroes in the surrounding area. Verner who is studying for his Masters Degree in Geography at Gainesville University, Florida, is doing this research under a grant from the Ford Motor Company of Am erica.

## Horse Shoe Tourney At Vermilion Fair

Perch — Largest fish from Brian Wilkinson, 1 lb. 11½ ozs.; 2nd, Joe Philbin, Dew berry, 1 lb. 9½ ozs.

## Pee-Wees and Mites Leagues Wind Up

The Pee Wee and Mites minor leagues wound up the regular baseball schedules this week.

Kinsmen Pee Wees, coached by Bill Sweeny, proved the class of their league while Team No. 4 coached by Bill Boyce, walked away with the Mites champion ship.

RESULTS BY ROUNDS

PEE WEES: Two game total run series. First round Kinsmen defeated Legion 32 to 10 and Masonic defeated Rotary 18 to 11.

The final series was a further two game total run series. In the first game Kinsmen defeated Masonic 8 to 3 while Masonic took the second 7 to 4, giving Kinsmen the round victory and championship 12 to 11.

Kinsmen lineup: Barry Mor sault, Albert Dewsbury, Dwayne Gay, Mark Mirsault, Joe Mirsky Jimmy Green, Garry Rodgers

Mites: Ron MacMillan (manager), James Hairsine, Brent Walker

Team 1 defeated Team 2 by 11 to 2 Team 3 defeated Team 4 by 11 to 1 Team 1 defeated Team 3 by 11 to 2 Team 2 defeated Team 4 by 11 to 1

In the final round the Rangers defeated Team 4 by 11 to 1 and Team 1 defeated Team 3 by 11 to 2.

Mark Hutter Vaughn Cooper York Lienhard Robert Thorn David Dodd James Sutherland and

## Hockey Scout Here For Four Days

Clarence Mother, well known hockey scout for the Detroit Red Wings, spent from Friday to Monday of this week in Vermilion looking young hockey players. He is interested in having at least one seaon from here attend the try out for positions with the Edmonton Oil Kings

Mr Mother stated that Vermilion has more promising hockey prospects than any other town in Alberta

## Many New Features Planned For Fair

Arrangements for the 1966 Vermilion Fair are rapidly being completed. Grounds and buildings are being cleaned and repaired for the big event of the year. New washroom facilities are being constructed in the central grounds area while the grandstand is receiving a fresh coat of paint. The addition of a weigh-scale adjacent to the Stadium will greatly improve the handling of the 4-H calf sale.

NEW CLASSIFICATIONS

New livestock classifications for beef, dairy cattle and swine will, it is hoped, bring many new exhibitors to the fair. Two classes of beef should be Registered Steer and Registered Barrow classes. Animals entered in these classes will be judged in the ring, then shipped to a packing plant and judged on the rail. It is hoped to have

SPECIAL AWARD

The Vermilion Chamber of Commerce has generously provided a special award for farm machinery and automotive displays. It is also planned to have an agricultural engineer from the Alberta Department of Agriculture present to offer advice and assistance to farmers of the area regarding problems with machinery.

PARADE BETTER THAN EVER

The Horse Parade Committee is busy with arrangements for this enjoyable part of the fair. Citizens of the town and all surrounding districts are urged to prepare something new and one requiring further information about the big parade should get in touch with Gordon Rana.

"HARMONICATS"

The grandstand show this year will be presented by McClellan Associates of Chicago. The feature attraction of the show will be "The Harmonicats", three young musicians who play harmonica and TV. The Musical Wades, a family group are noted for and pride for their versatility. M.C. for the show will be Glen Hayward an internationally known entertainer. Mr Hayward will travel to Vancouver following the close of the District fairs to be emcee of the Pacific National Exhibition.

Many other acts will be presented to make this year's show a real family program.

TEEN-AGE PROGRAM

A special teen-age program is planned for Saturday, July 30th. This will be a day of sports and fun and entertainments will be held throughout the day. The Standard a little later in the month

ADDITIONAL SHOWS, RIDES

Smith's Wonder Shows will again provide the midway and rides. They report a new and exciting shows and rides have been acquired for this year

96 young men and women received diplomas and awards during the colorful graduation ceremony on Thursday, June 30th, 1966. About three hundred and fifty parents and guests were present for the occasion. Capt. R. A. Oates, of the Salvation Army, opened the ceremony with the invocation Colonel E. W. Cormack, formerly Dean of Men and a member of the staff between 1926 and 1940, gave the Graduation address. Mr. Ken Stone of the V.A.V.C. staff introduced the guest speaker. Many fond memories and experiences were recalled by both since Mr. Stone was a student in residence when Col. Cormack was Dean Many of the experiences related could have occurred and very likely did during the 1965-66 academic year. The Guest Speaker stressed that the graduands had reached a time for personal stocktaking and the clarifying of objectives in their lives.

Prizes and scholarships were awarded as follows

## "HELP WANTED"

For two weeks of hard, outdoor labour, 12 to 16 hours per day. Experience helpful but not necessary. Automobile needed plus a willingness to drive hundreds of miles per day. Working conditions are rather crowded: temperatures sweltering, sunshine intense with occasional heavy rains, gales, thunder, lightning, dust, etc., etc. Many hazards are involved. No time off for meals, coffee breaks or chats. No wages or salary. Applicants must agree to pay all expenses. No others need apply.

What is this " A slave labour job "

Maybe, but it's commonly called a VACATION

Have one — But take time to be safe — not sorry

* * *

## Breath of Life —

Every year, the lives of Canadian adults and children are saved because someone performs mouth-to-mouth rescue breathing on them. Yet, many more lives could be saved if more people knew this artificial respiration technique.

It's taught in Red Cross Water Safety instructors and groups which are interested in first aid. It's easy to learn and takes no special skill.

Everyone should learn this life-saving technique. Too many of our children die from drowning or suffocation every year. Many of them could be saved if they had the breath of life breather into them.

For the free pamphlet "Breath of Life" write the Red Cross at 1706-1st Street S.E. Calgary

## Farm Safety Week July 24-30

The control of accidents in Canadian rural areas will be the aim of Farm Safety Week to be observed across the nation between July 24 and 30. The campaign will be promoted by the National Safety League of Canada with the co-operation of the Canadian Highway Safety Council and provincial safety authorities. Emphasis will be put on a different phase each day, moral responsibility on the opening day, a Sunday; home safety, farm and home chemicals, falls, highways, machinery and recreation on other days.

Gay McLaren, general manager of the League, pointed out that Farm Safety Week will stress safety in the home and around machinery, two top danger areas

## Owner Can Check Car For Safety

The complexity of the modern automobile and the increase in strength and life of its components tend to lessen the owner's knowledge of and interest in his vehicle's structural and mechanical systems, according to the Canadian Highway Safety Council. For this reason, the Council reports, the annual car-check campaign advises owners to "Have your vehicle checked."

P. J. Farmer, CHSC executive director, points out, however, that the owner can personally check a number of safety items on his car. These include rear-view mirrors, horn, windshield wipers, all lights, tail and headlights, directional signals, tires and the exhaust system. "For example," said Mr Farmer "an owner should switch on his vehicle's lights and walk around the vehicle to be certain all lights are working."

CHSC's nation-wide car check campaign is being observed again this year. It has the active participation of dealers, garage and service station operators, and others interested in reducing the number of mechanically-unsafe vehicles in the nation

### FACT TIME

Last summer we mentioned Face Flies in this column, just for the sake of information. This year they may be with us. They are a livestock pest new to us first discovered in Nova Scotia in 1953. Since then they have spread through most of the United States and Eastern Canada. Last summer they spread through all of central and southern Manitoba and into Saskatchewan. It is expected they will reach Alberta this year.

Control has been difficult and at present no completely satisfactory method exists. According to the Lethbridge Research Station Weekly Letter studies are being made there into the Biology of this insect and it is hoped an adequate control technique may be developed before the pest becomes widespread here.

The Face Flies do no direct harm to cattle but because of their habit of clustering around the eyes and mouth feeding on the secretions from these areas they are suspected of playing a role in the transmission of pink eye and probably also of summer mastitis.

### DON'T FEAR OFFICER

We would like to dispel once and for all the apprehension about the week of rat control. The Rat Control Officer is there to help rats not people.

Very few ... advised this fear ... people ... calling about rats. It is a ... crime of disgrace ... for a number of years ... property and ... adults will prove ... rats are ... believed from fall ... rats ... but ... rats will ... spite ... to ... to see ... with fall ... rats ... to be harmed ... but ... certainly are ... wanting to ... poison ... the regular ... rat infestation ... suspected.

Rats are a lot like fire. If given a place to start they probably will ... and ... bigger ... before ... sounding the alarm. ... the infestation becomes ... The farmers ... wants to know about ... the fire as soon as ... possible so ... we can get control ... getting control becomes ... while ... just as with the rat ... this officer ... Nobody is prosecuted ... for unavoidable fires and ... no disgrace to have one either. The situation is different with rats.

The old adage about an ounce of prevention being worth a pound of cure could well be ...

### SNACKS AND TOOTH DECAY

Trips to the dentist are costly and unpleasant. You can reduce dental caries by paying more attention to nutrition.

Presence of "fermentable" carbohydrate, sugars and starches, in the mouth is important so that frequent between meal eating readily increases caries. The length of time carbohydrate is retained is more critical than the daily intake.

"Non - fermentable" carbohydrate foods, vegetables and fruits, aid in clearing food from the mouth and hence are called detergent foods. They are especially effective when eaten raw.

Sweets, then, are best eaten at mealtime: milk or water will partially remove them from the mouth. Besides, you are more likely to wield the old toothbrush after a meal rather than after a candy bar or cookie.

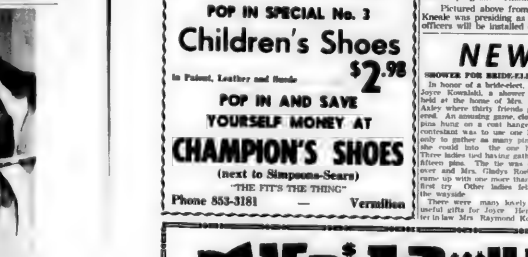
Because the sugar in a stick of gum or candy drug stays in the mouth longer, these may be as harmful as a piece of cake or whole candy bar.

If you must snack, choose milk products, avoiding sweetened ones such as chocolate milk and ice cream.

Vegetables and fruits, with the exception of dried fruits and fruits canned in sugar syrup, are excellent. Sausages and luncheon meats ... minus the bread or ... are other possibilities.

Eating three balanced meals per day will satisfy the appetite and decrease the desire for between-meal eating. A good breakfast is important to prevent mid-morning hunger. Include detergent foods and a minimum of sweets in between.

Good eating habits, three meals a day with proper nutrients and calories and the exclusion of most between meal eating, will prove to be a bonus in later life. This sort of nutritional practice forms the basis for control of body weight and perhaps helps control atherosclerosis and other circulatory diseases.



## On The Midway at Vermilion Fair, July 28th, 29th and 30th

Half zebra, half pony — it's a Zeony, the first known successful stock crossbreed in history, to be exhibited here on the midway of the Smith Wonder Shows which opens on Thursday, July 28.

## Speaks On Collective Bargaining

Don I. Gardiner, vice-chairman of the Board of Industrial Relations, Province of Alberta, was the guest speaker at the Rotary Club dinner on June 24th. The special occasion was the annual employer-employee meeting to which each Rotarian takes an employee as his guest.

Mr. Gardiner took "Collective Bargaining" as the theme of his interesting talk.

The speaker was introduced by Carman Long who was in charge of arrangements for the program. Thanks of the club were voiced by Fred Brimacombe

Pictured above from the left are Mr. Long, Mr. Gardiner and Mr. Jack Kneale. Mr. Kneale was presiding as president of the Rotary Club for his final meeting as the new officers will be installed on Friday of this week.

# NEWS from ISLAY

### SHOWER FOR BRIDE-ELECT

In honor of a bride-elect, Miss Joyce Kowalski, a shower was held at the home of Mrs. Jean Axley where thirty friends gathered. An amusing game, clothes pins hung on a coat hanger, entertained was to use one hand only to gather as many pins as she could into the one hand. Three ladies tied having gathered fifteen pins. The tie was done over and Mrs. Dudley Rosborg came up with one more than her first try. Other ladies fell by the wayside

## LOCAL NEWS

**WEDDING ANNOUNCEMENT**

Mrs. George (Betty) Richardson wishes to announce the marriage of her youngest daughter Karen Mary to Mr Robert Jack Pura, son of Mr. and Mrs. Larry Pura. The wedding took place in St. Saviour's Anglican Church, Vermilion, on Wednesday, June 29th at 8:30 o'clock in the evening.

Guests at the home of Mrs. Zelma NetGenon for a week were her daughter Rosemarie and son-in-law, Mr. and Mrs. Art Akane and their two children Richard and Rhonda of Richmond, B.C. Joining them for the long weekend were Miss Florence Nettleton and her fiance Alan Bladuch of Ft. McMurray.

Mr. and Mrs. John M. Wilson are leaving Thursday by jet from Edmonton to spend six months touring the British Isles.

Mr. Charlie Moore left from Wainwright by CNR for Hamilton, Ont., where he will spend a month visiting relatives and boyhood friends.

Mr and Mrs. Allan Gannon and family of St. Albert spent Saturday and Sunday in town visiting at the homes of their parents. Mr. and Mrs. Cecil Gannon and Mr. and Mrs. V. H. Cooper.

Mrs. Laurence J Polsenbeck of Minburn and Mr and Mrs. Mike Chichrek of Lamberville are in Vancouver to attend the wedding of their niece, a daughter of

Vegreville News

Dwaine McCafferty who is attending school in Edmonton, spent the Dominion Day weekend at home with his parents. Mr. and Mrs. Pat McCafferty and family of Landonville.

Mrs Elizabeth McLean of Riverhurst, Mrs. Nora Scott who has been a guest at the home of Mr and Mrs. Lyle Hallett, for the past two weeks. She left Wednesday for Lloydminster where she will visit at the home of Mrs. Jean Graham before continuing her western trip to Vancouver and other points in B.C. She will return to the Maritimes in October.

Rob and Betty Stonehouse and children of Wynndel, spent the holiday week-end at their parental home here.

Mr and Mrs. E. Clendenning, recent visitors to Saskatoon, June 26th to attend the wedding of her niece Miss Lois Then. While there they renewed many acquaintances and had a short visit with Emile Schurman who is attending St. Andrews College in the interests of the University of Saskatchewan.

On their way home the Clendennings called at the Delmar Lodge, Uncle Sam, and visited with Uncle who is a resident there.

No nagging backache!

## Fine Concert by Viking School Band

An exceptional junior band from Viking rendered a very pleasing concert at the park on Sunday. Owing to the fact that the weather was threatening all day up to band time, indeed it was raining quite steadily just prior to the opening number, the crowd was quite small.

Bandmaster Ken Hilliker in remarks to the audience stated that every school should have a band such as the Viking school band. After listening to them every one certainly agreed that such an organization was a valuable asset to any town and a wonderful training for young people

The program was arranged by the Chamber of Commerce program committee and Ashley Cooper, M.L.A. officially welcomed Mr Hilliker his 30 members of the band and accompanying adults. While the remaining events of the band do not allow time for a return visit this summer they have already been invited to play in the park again next season.

The audience on hand was greatly impressed by the young people the leaders and chaperones, and the beautiful uniforms. This band plays at the Calgary Stampede next week by special invitation

## Auto Racing Sunday

The last race at the Vermilion Speedway was held on Sunday, June 26th on a lengthened track. The high banked south corner of the old race track was graded up and joined on to the shorter track. This proved to be an interesting, though somewhat dusty, experiment. The cars were fast, but in the interest of getting some of the misery to gether a little longer the track has now again been graded.

The first two races were rollicking spectacles — terrible for the rich rednecks in the race and then [illegible] [illegible] on his wheels each time. The second race Northern Jewel [illegible]

Robert Ireland is now in over the high banks on the south end of the track — the fencing damaging the car considerably but he is [illegible]

The track has been improved with the two ends regraded and

DANCE IN CLANDONALD

A dance will be held in the Columbus Hall Clandonald on Friday July 8th, sponsored by The Stagriders. Dancing from 9 p.m. to 1 a.m. Admission $1.50 St. Columba Parish. Admission $1 each. Lunch served.

DANCE AT UNION

A dance will be held in the Union Hall, sponsored by the Union Community Assoc. Friday evening, July 8th. Good music. Admission $1.00. Lunch served.

## Pioneers Invited To Write Short History

Pioneer farmers, ranchers and [illegible] are invited to write [illegible] historical paragraph of [illegible] days for the history [illegible] and district which is now being compiled.

Anyone who should have this typed out — copies ready within two months. [illegible]

## Visits Wales

Mr. John Trevor Webb returned Sunday, July 3rd from London England by jet to Edmonton. He spent three weeks at his former home in Wales, it was his first trip back since having left there 36 years ago. He reports a wonderful time, visiting the old haunts and meeting all the school he had attended in his home town of Nerwyn, South Wales. He visited his brother and [illegible] who are still living in Wales

The trip and thrill were all that Mr. Webb had hoped they would be

## Death of Former District Man

Mr Leslie P. Whitmore passed away peacefully in his sleep on June 22nd at Wellington, B.C. He was 70 years of age.

He was born at Greenbank, Ont., and homesteaded in the Vanscoi district south east of Vermilion in 1913. He moved to Vancouver Island in 1941.

Surviving members of the family include his wife Elsie; two sons and one daughter, George Harris at Williams Lake B.C., Stephen Francis at Wellington, B.C. and Miss Blanche in Victoria. Interment was in the Cedar Valley Memorial Gardens, Vancouver Island.

## Pleasant Valley

Rain fell Sunday for a short while. This did freshen up the crops, flowers and gardens but is far short of what is needed. The Clark family went to Wainwright and report that it just poured rain there along with quite an electrical storm.

Sharon Clark was chosen from the 4-H Beef Project group to go to Edmonton during Klondyke Days this month to participate in the gala affair.

Mrs. Dillon is in Edmonton for a two weeks' holiday

There were quite a number from this community attending the Old Timers' picnic at Greenbank. It was a lovely day and the event was much enjoyed

Mr and Mrs. Ken West had [illegible] before they left for Germany where he will be stationed for four years at a military base.

Linda Gould spent four days at her home last week.

IN MEMORIAM

In loving memory of [illegible] who passed away July 12, 1965

You cannot say, you must not say
That she is dead, she is just away
With a cheery smile and a wave of the hand,
She has wandered into an unknown land
And left us dreaming how very fair
It must be since she lingers there
So think of her faring on, as dead
In the love of there as the love of here
Think of her still as the same sweet friend
She is not dead, she is just away
Always remembered and sadly missed by her Mother, Sisters, Brothers, Pat Clarke, Kirsten, Judy and Tom

## Service Held At Vermilion Lodge

Evening worship service at the Vermilion Valley Lodge, Sunday July 3rd, was sponsored by the Gideons. Guest speaker was Rev. W. A. Berkinshaw of the Anglican Church. His sermon and the complete service of which he was in charge was much appreciated. Guest pianist was Mr. Stan Pullen, who accompanied the singing very effectively.

THANK YOU

To the person or persons who found my shopping bag and left it at Macleods Store about two weeks ago, my sincerest thanks

Mrs. Rose McMullen,
Clandonald

CARD OF THANKS

The Golden Age Friendship Club wishes to take this opportunity to thank the following people: Mr. Israel Miller for the scrap book; Vermilion Standard for most of the pictures; Mrs. Carl Johnson for the clippings; Mrs. Ed Corley for the paintin[illegible] the memorial volume; and to the many [illegible] who helped with [illegible] plants. This greatly assisted Mrs Wallenberger to complete the scrapbook right up to date All of these acts were much appreciated by the club members.

CARD OF THANKS

I wish to extend sincere thanks to Dr Attenbrough and the staff of the Vermilion Hospital for the excellent care I received while a patient there Also to my many friends and relatives who sent me gifts flowers and cards and came to visit me while I was in the hospital in Vermilion and Edmonton A special thank you to Mr Rod MacPhee who provided transportation to and from Edmonton I will never forget the kindness all of you have shown

Mrs. Donald MacPhee

CARD OF THANKS

We would like to sincerely thank Dr. King and the nurses in the hospital for all they did for Rev. Miller for his many kind words Also a special thank you to our good friends Art and Irene Frank and Hazel Ide and Sue Fox and Ann and Bill Thanks to the many friends and acquaintances who called and sent flowers and cards to us and to the neighbors who so generously brought baking etc. to the home All these helped a little to lessen the sadness that entered our home and will never be forgotten

Lyle and Sheila Dowdell

IN MEMORIAM

In loving memory of our son and brother

WAYNE RILEY

who passed away July 5 1960

"His sad and lonely years have passed
Since our great sorrow fell
The shock that we received that night
No one can ever tell
We [illegible] ever feel
It's a lonely life without Wayne
And sad has been the day.
For life at home is not the same
Since you were called away
It was a sudden ending
Too sudden to forget
For those who loved you dearly
Are the ones who don't forget
Lovingly remembered and
sadly missed by Dad and
Mom, Trevower Charlie and
Carla, Patti Jocelynne Mar
Dynne Shelley Penny and
Nancy

# Cold Lake, Grand Centre Scene of United Church Rally

On June 23, a Presbyterial Rally was jointly held at Cold Lake and Grand Centre. Greetings of welcome were extended by the morning worship by the Presbyterial President, Mrs. R. J. Trudger, the Cold Lake U.C.W. President Miss M. Phippen and Mrs Eva Reith, area 4 vice-president.

There were 131 ladies registered and enjoyed hymn singing after being served coffee by the Cold Lake U. C. W. Mrs. A. Knapp's topic of worship was "The Church With Issues" with scripture from Rev 3 13-22 "We must all have a sense of urgency do not choose the middle road the easy way. Instead re dedicate ourselves and follow the Master's steps".

A time for a full workshop were next enjoyed by the presidents, in late September or early October. Miss Marion Thompson, field secretary, will be present with the topic "Leadership".

We were reminded to support the Bursary Fund which assists ministers deacons and C.E. workers. The offering for the day, $75.00 went towards this. Now There is excellent material for programs in the June edition of and partners leaflet The following booklets are also available for use. The New Look at Local Church — Morals — and Family.

The ladies were taken on tour of the United Church's John Neill Hospital and enjoyed interesting information from Rev. A. G. Stenson, Miss Phippen and nurses. A 13 bed addition may be built this year.

After the tour we drove to Grand Centre for lunch served by the Grace U.C.W., this build ing completed this spring. Greetings of welcome came from the Minister Rev Stenson, and the U.C.W. president Mrs. J. C. Bigelow, with Mrs. A. F. Weeks thanking for their hospitality and delicious lunch.

Shortly after 1:00 p.m. we met in the sanctuary, browsing through the literature then a singsong before our guest speaker Dr. Savage entered.

Dr. Anne Weigertschoff, Elk Point and a very good friend, introduced Dr. Savage. These two lady doctors are the only women serving in Eastern Alberta

Dr Savage is an ardent church worker, a frontier doctor Born in Ontario a graduate of West Ontario College with her B.A. and M.D. She is a lover of the outdoors In 1931 she set forth to Fort Vermilion River country and for 12 years was a saddle back doctor preacher and welfare worker In 1943 she came to Cold Lake Mission Hospital and once again became preacher doctor and welfare worker She met and retired in 1953, the mother of 3 children besides her many other activities.

Dr Savage's theme was Sharing", recalling incidents of her childhood where this experience of sharing molded her life The events of her early pioneer work in Fraser River through sharing friendships made and lasting happy This can be done today if we are willing to share our time and our service.

Dr Savage became a preacher to reach the Bible, the book of books, the answer to all their problems, she told us as we discovered all men and women to be the same, needing Jesus Christ as their personal Saviour. Dr Savage told us how Mac Intosh Red apples were introduced to the Peace River country. Dr Savage related many interesting experiences of her life in the north country. Dr Savage told us how Mac Intosh Red apples were introduced to the Peace River country. Dr Savage related many interesting experiences of her life in the north country.

Dr Savage's theme was "Share Clandonald U.C.W.

## NEWS from MARWAYNE

Congratulations and best wishes to Mr and Mrs Wayne Reid (nee Gloria McLean) who were married in the Metropolitan Church, Edmonton on Saturday July 2nd. They will make their home in Edmonton where they are both employed.

PARENTAL PARTY

A farewell party was tendered for Mr and Mrs Vernie Quist in the Elks Hall on Thursday, June 23rd. They were presented with a gift of money and give wishes from their many friends before they move to a new home in Edmonton.

Mrs Des Ross and boys have moved to Taiwan where Des has been working since the time of their sale in the spring.

Exams are behind and the school all quiet for a while Mrs Barbara Buckingham and Mrs Hathaway are going to Calgary for courses. Mrs. Tyrell Mr Gardiner are taking short courses and Mr Samra is attending summer school in Edmonton. Miss Clendenning and Mr. Dent will not be teaching here next term.

Some of those away on holidays are Mr and Mrs Earl Gray Mr and Mrs M Kleber (sub) Mrs Behrendt Mr and Mrs Bruce Wilcox. Mr and Mrs Hewson Mr and Mrs Mill and Mr and Mrs Jim Murray.

Mr and Mrs Farrow and Mrs. Ray motored to Port Nelson to visit their son who has been badly burned recently He is progressing as well as can be expected.

Mr and Mrs Stuart Laird and children and Mrs. Wayne Laird and children were at the C Laird home on the week-end Mr and Mrs Laird are now on holiday

Mr and Mrs Ed Quist and Glen were visiting with relations and friends this week.

Mrs Beatrice Dewes of Lloydminster visited at the home of her sister and brother-in-law Mr and Mrs Curtis recently.

Stan Sherbuck who worked in the bank formerly visited with friends here this week.

Those holidaying Miss Peggy Hancock and Miss Jean Hancock (cousins) were honored this past week by showers. Peggy, the gracious daughter of Mr. and Mrs. Bill Hancock on Wednesday June 29th in a shower in the United Church Hall. Jean daughter of Mr and Mrs Art Hancock by Elks Hall on the afternoon of July 14th.

Sixteen Scouts under the leadership of Tom Evans and Ron Tannas left for camp at Laurier Lake on Sunday morning. July 3rd.

Remember the very important telephone meeting in connection with the new dial system and installation of new lines, in the Marwayne Elks Hall on the afternoon of July 14th.

## Allandale News

Weather — a quarter of an inch of rain came our way last Sunday. It had been cool and dry.

Ivr Dwight Powell, Superintendent of Horse Breeding in Edmonton, was guest speaker at the Allandale United Church on June 26th. There was a good attendance to hear his message on "Love". After the service the congregation gathered at the Community house for a potluck dinner. 83 in all.

June 27th. Rev and Mrs. L. J. Ray and son Rupert of Wetaskiwin were visitors at the Community home.

In the afternoon Miss Jeanette and Rupert went call. Rupert will be attending summer school in Edmonton, working for the U. of A. In September he has accepted a position at St Andrew's College, Aurora, Ont. which is 26 miles north of Toronto. He will be teaching Grades 9 and 10. title is boys' residential school. He is wished to be remembered to all. Mrs. Ray's sister, Mr. and Mrs. Hugh McKeown from Scotland are coming in September on a holiday.

June 30th. Mrs Mabel Lee was visiting her daughter Anna and son in law Mr and Mrs. Ernie Strang and family of Lloydminster for a few days in Lea. Ernie and Anna are planning to go to Ontario to visit their mom and their families July 2nd Mrs Lee came to the farm to stay with her sister Nella Mayers They will be visiting friends and relatives and friends in the district.

June 28th Mr and Mrs Alvin Throndson and family and Mr and Mrs. Cliff Sheppard and Pat of Kitscoty left for Kamloops B.C. to holiday with Evelyn's sister Sylvia, Mr and Mrs Elmore Lodue.

Miss Donna Sheppard teaches in B.C. and will be joining the family

Wolf driller Stan Byrt and son Murray of Lloydminster were drillers in the district June 29

June 30th Mrs Della Walsh and daughter Adele and Miss Linda Wasyk of Edmonton visited the Walsh children at the Osmose home for the week-end. Della is attending summer school at U. of A. Mrs Osmose Sandra and son Laslie left for Drumheller July 2nd to visit Mrs Osmose Helen, Mr and Mrs. Frank Schmidt and family

July 1st was a perfect day for the Greenhaven Old Timers' get together, where friends came from afar to meet old friends in the evening the Homecoming was at the home of Mr. and Mrs Laird and daughters. Mr. and Mrs Stewart Laird and sons and Mrs. Marjorie Laird and family had joined the family for the holidays.

Miss Donna Wilson, daughter of Mr and Mrs. Don Wilson of Vermilion is joining others in and around town to go to Lloydminster for two weeks for studying lessons.

It was a joyful evening for all at the house-warming for Mr. and Mrs. Fred Goddard and family on Saturday, July 2. A basement full and room home. A dream come true

Lewis McPhee and Orley Ousness spent a very interesting evening on July 3rd at the home of Mr. Eddie Stockwell and Mr. and Mrs. Clement Forestall, Clandonald. Mr. Eddie's sister was much remembering of the earlier days, looking through old albums; at the Forestall home there was viewing and playing of violins Clement has made five, and right-fly so he is proud of his achievements.

Closing thought: "It is more pleasant to have the kind of past you'd like to live over than the kind you have to live down."

## ISLAY LOCALS

(Held over from last week)

Mrs. Lloyd Brigham of Edmonton, Saturday evening A very enjoyable time was had. Among the guests were Mr and Mrs. Freeman Brigham of Edmonton, Mr and Mrs. Fritz and Anna are planning to go to Ontario to visit their mom and their families July 2nd Mrs Lee came to the farm to stay with her sister Nella Mayers They will be visiting friends and relatives and friends in the district.

Hollowell and family Castor, visiting their daughter Mrs Arnold Stauffer; Mr. and Mrs. Geo Gumas Edmonton, visiting her mother Mrs. Grace Curnah; Miss Margwynne Greenwood visiting her mom Mrs. Greenwood visiting her mom Mrs. Greenwood visiting her mom Mrs.

# ALBERTA'S FIRST YOUTH SEMINAR

By KAREN STEPHENSON, Manyville 4-H Club

Last year a youth seminar was first introduced in parliament in Alberta. The first of these seminars was held in Calgary the first week in May and was completely up manned by the government of Alberta. Almost 200 Alberta teenagers representing various organizations were chosen by the government to attend. They were treated most royally and were called "Pioneers of Canada's second century and the route of Alberta's youth."

On Thursday evening the teenage guests arrived at the university and registered. Each received his meal ticket, key and room in the most beautiful modern residences. These are furnished with beautiful desks, chairs, dressers, shelves, cupboards, closets and a full length mirror.

Friday morning at seven the seminar guests had breakfast at eight and then went to the university theatre for the opening. Chairman was Mr. W. Kasa, Director of Recreation and Cultural Development. The first invocation was given by Rev. Harold Jeray of the Okotoks United Church. Greetings were given by Alderman Lou Goodwin of Calgary and Dr. H. Armstrong, President of University of Alberta, Calgary. Then Hon. R. H. McKinnon, Minister of Education officially opened the seminar. The introduction to the seminar was given by Dr. E. J. Tyler, professor and head of the Psychology Department at Brandon College. He was real humorous and called himself "Curly".

**THE CHANGING CANADIAN SOCIAL SCENE**

A round table discussion was held with Dr. B. Y. Card, a Brown Canadian Ukrainian Canadian, Indian and a British Canadian. Dr. Card's paper "The Changing Canadian Social Scene and its Implication for Canada's Second Century" Mr. Card is an associate Professor of Sociology of Edmonton. The other four represented the minority groups of Canada and the problems that Canada has concerning these groups. It appeared they wanted sympathy and tried to give the impression that they had no room to offer to Canada's future but we had to come and get it. The British Canadian did not have much to say and was just being walked over by the other three. It appeared this represented the true picture of Canada as a nation today.

Next was a break back to the food service building for refreshments which consisted of anything the teenagers wanted such as rolls pie muffins, ice cream, tube ice or all of them if they desired. They had free large meals a day.

In the programs the teenage guests were divided up into 10 groups. In Karla's group there were 10 five boys and five girls from the Friday afternoon discussion, after which they had morning refreshments.

**GROWING UP ABSURD**

The last paper "Growing Up Absurd – Youth and the Changing Canadian Moral Structure" by Charles Hobart, Professor of Sociology, was cross examined by two of the staff members, and they asked Dr. Hobart questions. The teenage guests got into groups again for the discussion of this paper. This was the last group discussion and all thought it was very good. Dr. Hobart really believed that an individual faith in God was necessary but a few of the teens felt that religion was not that important After they had gone overtime on this discussion they went for lunch. Then the group leaders met to compile reports while the teenagers were free to view the exhibitions and demonstrations that were provided by the city of Calgary Parks and Recreation Department. This was considered very good and included actual demonstrations of painting pottery, wood carving, weaving leather to ring, pottery copper and silver jewelry etc After this all gathered again and heard the section reports of the morning discussion. The seminar was then summed up by the chairman W. H. Kasa and closed by Mr. McKinnon. A light supper was served then all were free to go.

Other points of interest which came up at the Calgary Youth Seminar were: 1. Is Canada a mosaic or a melting pot society? Dr. Tyler said he liked mosaic but if Canada's society was to be a mosaic what would be the element that would hold it together? 2. The mottos of Alberta's two Universities are for Calgary "I will lift up my eyes" taken from Psalms 121:1; and Edmonton, "Whatsoever things are true" taken from Philippians 4:8

Karla Stephenson is most grateful to the Vermilion-Manville 4-H Dairy Club for submitting her name to be chosen by the government to attend the above very profitable seminar. She considered it really wonderful and received much benefit from it and others liked their viewpoints. They all felt that there is a greater need today of teens who can think deeply.

# Uganda Teachers at Vermilion Agricultural, Vocational College

**Learning To Make A Dress**

Two young teachers of the group of 28 from Uganda learning to make a dress during the six week community education cour e at the Vermilion Agricultural and Vocational College. Supervising is a student at the college

Twenty-eight young teachers from Uganda have just completed a six-week community education course at the Vermilion Agricultural and Vocational College.

These young women came to Canada under the Department of External Affairs' Program for helping developing countries by providing them with the services of professionally trained people. Prior to going to Vermilion they had completed a specially arranged nine month course in Education at the U of Alberta.

**LEADERS IN NATIVE TOWNS AND VILLAGES**

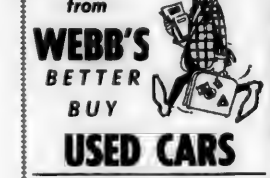
Since as teachers the girls are apt to be the position of leaders in their native towns and villages the leaders felt that a short course in community education would be helpful to them in evaluating the need for facilities and improvements in their native towns as well as in helping them to bring about these changes.

The girls varied in age from 20 to 30 with the early 20's. Some were single and some were married with one or two children at home. They were fourth primary school teachers in villages and main centres throughout Uganda.

Dr. C. S. Richardson, Assistant Professor of Sociology at the University of Alberta was in charge of the six weeks activities at Vermilion. He and Mrs. Richardson and Mr. W. C. Barrick visited out their homes on the back when the girls themselves wanted to show and see while in Vermilion

**WANT SUBJECTS CHOSEN**

The subjects they chose were sewing, home economics, home nursing, English and figures in the evening time each morning.



**Typing Lessons**

Uganda teachers learning to type during their course at the V.A.V.C. Supervising is Miss Edith Daugela, typing instructress.

**Cooking Canadian Style**

Canadian cooking recipes were given to the Uganda girls and Miss Catherine Young, Foods Instructor at the V.A.V.C. demonstrates.

**African Dance**

Some of the Uganda teachers combine physical education instructor Alan Earle at the Vermilion Agricultural and Vocational College how to do an African dance. These photos by courtesy of the Alberta Government

girl chute her own pattern and followed through all the steps and laundering it. The things they made were mainly garments they asked to see included an Indian reserve, a Hutterite colony, an integrated school, the Vermilion School for the Handicapped and some farms. All these requests were met. On the Indian reserve the girls talked to school children and described life in Uganda. One Indian Sarah child said that he had always thought that Africa was all jungle At the Minburn Hutterite Colony the girls were very impressed by the fact that the inhabitants produced cracked and sold 2000 eggs a day. Visits to neighboring farms were very popular because they gave the girls a first hand picture of living and working conditions in Canadian rural life.

**ENTERTAINERS**

All the Uganda girls had beautiful singing voices and were in great demand to sing at local concerts and sing-songs On two occasions they were taken by bus to Wainwright and Lloydminster to take part in local festivities. They also did a TV program.

**HOME TOWN BUGGED THEM**

About the only things the girls did not seem to enjoy during their visit to Canada were the mosquitoes and cold, long cold winters. Apart from the snow flakes which they found fascinating. Except for the mosquitoes and the cold, they were very enthusiastic about their visit. They particularly enjoyed meeting Canadians with the local people and were all agreed that the combination of their studies and other experiences would be very helpful to them when they got back to Uganda and took up their roles as teachers and lecturers in their respective communities.

# Health Unit Notes

**SMOKING AND HEALTH**
(Part 5)

Why are men more often affected than women? This is now only partially true. Women are rapidly catching up in their smoking habits and the evidence of lung cancer among smoking women is approximating more to that of men. There is a time lag between the start of smoking and the resulting death from cancer. Since the 1930's to 1945 war years women have smoked and the results of this are now becoming apparent.

Why is death from cancer of the lung more common in the built-up areas? As has been mentioned earlier smoking is not the only cause of cancer of the lung. Certain other pollutants of the air are dangerous in this respect and increased incidence of the disease in cities is due to the additional effect of these smoke hazards.

What other conditions does smoking influence? Coronary heart disease is more prevalent among smokers than non-smokers, and the death rate from cardiac heart disease is greater among smokers than non-smokers. When smoking is stopped either the first attacks the death rate does not appear to be influenced, but when smoking is stopped before the first heart attack the likelihood of such attack is diminished.

Emphysema, which brings about a loss of respiratory reserve and bronchitis are also more prevalent in smokers than non-smokers.

**WELL BABY CLINICS**

Friday, July 8 — Marwayne Village Office — 1.30 to 3.30 p.m.

Monday, July 11 — Vermilion Health Unit Office: 9.30 to 12 noon. 2 to 4 p.m.

Tuesday, July 12th — Wainwright Health Unit Office: 9.30 to 12 noon; 2 to 4 p.m. Tuesday Lake Hall: 2 to 3 p.m.

Tuesday, July 14 — Lloydminster: 'W' Churchill School: 9.30 to 12 noon. Clearvale School: 1 to 3.30 p.m.

Friday, July 15 — Manyville School: 10 to 12 noon; 1 to 3 p.m. Paradise Valley (School: 2 to 3 p.m.

# Wildmere Winks

Finally some rain in our area. A very welcome sight it has been.

First of all a couple of items of interest omitted in last week's paper.

The farewell party held during the UF Do's at Provost Hall was its usual gala affair with all the special guests present. After much music, much of work on the Tuesday UFI and UFW Hall, and much food, the evening's festivities were all brought to a close with the singing of "Auld Lang Syne". All those responsible are to be congratulated and especially the ladies who worked so hard in the kitchen.

Mr. and Mrs. Clarence Lee and Mrs. Lee's parents Mr. and Mrs. Charles Lee were recent visitors to the Wildmere district.

Mr. and Mrs. Ken Lee and family of Saskatchewan visited his brother Mr and Mrs. Wilfred Wiseman and family on July 1st Doug West and Lee Wiseman returned with them for a visit.

On Saturday a lovely wedding was solemnized when Linda Hartman and Larry Donally were united in marriage. A large number of friends and relatives from town and other districts enjoyed the lovely reception served by the Auburn Hall U.F.W. We all wish this popular young couple a long and happy married life.

It was nice to see the Wallingford family back from their enjoyable trip to Ontario and Quebec.

Mr and Mrs. Floyd Sweet and Mrs Teasdale are attending summer sessions at the U. of A. for six weeks.

Mrs. Ada Clark has gone to Calgary to visit her old friend Mrs Jane Morand for a week.

If anyone would like to spend an enjoyable afternoon just take your picnic lunch and go to Hawrelak Osborne's farm on Saturday, July 9th to see the 4-H Club Beef Heifer calves at 2:00 p.m.

Mr and Mrs. Geo Webb spent Sunday at the Walden Wellman home.

## Manville 4-H'rs Plan Paint-up

MANVILLE — Under the sponsorship of the United Grain Growers Co. and the local agent, Ed Lowe, Manville 4-H Club members are preparing a beautify of paint to be used in the town of Manville for the Centennial Project.

This paint is earmarked for the proposed Centennia. Arena. With enthusiastic anticipation such as this, the young people are going on this project of building an arena in Manville which, undoubtedly has been successfully done by teens much smaller than Manville.

# Mannville Locals

(Held over from last week)

Father's Day guests at the Jos Simmons' home were Mr. and Mrs. Bill Summers of Medicine Hat, B.C. and Mr. and Mrs. Pete Rudzik.

Recent visitors at the Sam Summers' home have been Tom Summers and Orville Mix of Edmonton, Mr. and Mrs. Ed Summers, also Mr. and Mrs. John Summers of Penticton, B.C.

Bill Stolinsky of Kelowna was a recent visitor to Mannville and Vermilion.

The many friends and former parishioners of the Rev. K. C. McLeod of Stony Plain were very sorry to hear of his passing. His sure sympathy is extended to his family and relatives.

A Calder family gathering was held recently at the home of Mr. and Mrs. Charles Lynch on the occasion of the visit of Dr. and Mrs. John O'Connell from Brockville, Ont. Dr. O'Connell was in Edmonton to attend the Medical Convention.

Some answers was caused when the two sons of Mr. and Mrs. Alex Henderson were missing from their home for some time. However, all turned out well when the boys returned safely, having had no encounter with a bear that has been reported around.

Centennial Souvenir Bill — special $1.00 bill will be issued to mark Canada's Centennial, the Minister of Finance reports. The centennial symbol will appear on the face of the note and the back will feature an engraving of the original centre block of the Parliament Buildings. The block was destroyed by fire in 1916. A number of the notes will be printed with the serial number 1867/1967.

1. **Surveying Today's Bond Market** — Canadian bond markets have to meet demands for capital to finance the rapid expansion of the country's economy with the result that exceptionally attractive yields are available on high grade bonds. The June edition of our Investment Securities Research contains an article on the outlook for the Canadian bond market.

2. **The Bell Telephone Co. of Canada** Owner and operator of the largest telephone system in Canada, the Company has paid dividends on its shares continuously for 85 years. Recently the annual dividend rate was increased to $2.80 per share. The yield on this high quality stock is now approximately 4.7%. The report suggests that certain changes in the Transport Board regulations under which the company operates could provide an added incentive for capital appropriation.

3. **Canadian Westinghouse Co. Limited** Manufacturer of electrical equipment ranging from giant generators to household items, such as television sets and light bulbs, Canadian Westinghouse is expected to participate in the anticipated rapid growth of the electrical products industry.

4. **The Great Lakes Paper Co., Limited** A major supplier of newsprint to the growing U.S. midwest market, Great Lakes has enjoyed steadily rising earnings for a number of years. The shares are, in our opinion attractive for reasonable investment and potential capital appreciation.

5. **Home Oil Company Limited** The discovery of natural gas by Home Oil close to industrial markets in populous Hungry England combined with the Company's aggressive exploration programme in Western Canada provides the stock with speculative attraction for capital appreciation.

# Funeral Services For Mrs. Annie Cartwright

A revered old timer of Vermilion, Mrs. Annie Cartwright, passed away on Friday, May 6th in the University Hospital, Edmonton. She was in her 81st year.

Mrs. Cartwright was born in Lincoln, England, Oct. 23rd 1885, the oldest daughter of Mr. and Mrs. John Hempsall. She came to Canada with her husband in 1913 and after living in the town of Vermilion for a short time, moved to the Union School District, there to reside on the farm she loved, until her death.

Although she was well known for her gardening ability and the lovely flowers her efforts produced, she was just as well known for her interest in church work, one of her special projects during the war years being Bundles for Britain.

Left to mourn her passing is her loving son Frederick John Cartwright at Vermilion; one daughter, Mrs. Kathleen Annie Yarwood of Port Colborne, Ont.; two grandchildren and three great grandchildren, also of Ontario. One sister Mrs May Horsfield, two nieces and a nephew still reside in the old home town of Lincoln, Eng.

She was predeceased by her husband Reginald Cartwright in 1963, four brothers, John Hempsall, Canada Army, killed in action; Arthur Hempsall, of the Royal Navy; Alfred and Fred Hempsall, also other sister Mrs Fitzi Horsfield of Lincoln, England.

Funeral services were held at the First United Church, Vermilion. Capt Oates of the Salvation Army officiated assisted by Rev Charles Miller, pastor of First United Church.

Those Mrs. Cartwright's favorite hymns were sung during the service, "Softly and Tenderly Jesus is Calling", and "Safe in the Arms of Jesus" led by the First United Church choir, and The Lord is My Shepherd" sung by Mr. Gordon Hall.

Interment followed in the Vermilion Cemetery.

Pallbearers were Messrs Ken Fallow, Clarence Lewis, Elmer Ash, Art Gannon, Gilbert Harrison, Leslie Isenhower.

Honorary pallbearers were Messrs Carman Long, Alex Galloway, Tom Wilson, Albert Wilson, Cecil Hobbis and Charlie Updike.

Floral tributes were received from: The family, the United children Doris, Jim and families; the Great-Grandchildren; Cecil and Mrs. Hobbis; Mike and Pat via Farnam and family; Mildred and Gilbert Harrison and family; Jack and Jean Wright and daughters; Clarence Lewis; Ken and Mary Fallon and family; Carl and Margaret Ashers; Robert Wilson Jack, Lurline Hobbis and family; Eileen, Wes and Larry Fennell; Tom and Jean McLean and family; Ruby and Glenn Bowers and Linda; John and Ruby Tattersall; Norman and Ina Wilson and family; Mrs. Bruno Carlson; the Webb Farm then.

Flowers and gifts to the home: Tom and Margaret Nelson and family; Mr and Mrs. Fred Hempsall; Mr and Mrs. Ernest Hempsall; Mr and Mrs. Grant Roberts; Mr and Mrs. Ted and Duff McGrath and family; Jean Harrison and family; Mr and Mrs. Sidney and family; Mr and Mrs Jim Mitchell and family; Mr and Mrs Jim Nixon and family; Mrs. Grace Carruth.

The Vimont Funeral Memorial Fund. Mr. and Mrs. Fred Rudd and family; Mrs. Alex Carruth and family; Alliance Chapel General Fund Mrs Harvey Carruth.

Pleasant Valley Church Fund Barney and Caroline Carruth and family; Leslie and Rena Sherwood and family; Isabell Sherwood and family; Jack Sherwood and Isabel Repp and family.

Canton Presbyterian Memorial Fund Mr and Mrs Raymond McQuid Mr and Mrs. Andrew McQuid and Marion Mr and Mrs H. F. Portenier.

The Alberta Heart Foundation Ann and Alvin Wyley

Gilford Ribbon Mr and Mrs John B Mix Mr and Mrs Ernie Clendenning; The Salvation Army Home League Vermilion Alta.; Vi and Agnes Anderson and family Mr. and Mrs. Walter Fish; Mr. and Mrs. H. Sommers; Ken and Mary Isley and family; Mr. and Mrs. Henry Teasdale; Frances and Fred Hepworth; Mr. and Mrs. Wes Funnell and Lady.

Vermilion Retarded Children's Association: Mrs. E. Bowman, Robert and Alwyn. Art and Betty Gaston and family; Ted and Ruby Marfleet and family; Mr. and Mrs. Joe Tillsner and family; Bob and Violet Hobbis and family; Mr. and Mrs. Carman Long; the Webb Families; Mr. and Mrs. William Walker Sr.; Mr and Mrs. George Colton, Jack and Gerald; Harry and Ruth Brake; Clarence and Mae Crosby and girls; Tom Davis, Don and Marie; Martin Sete; Irvin Whitebear; Mr. and Mrs. Jack MacIsaac; Mr. and Mrs. Jim Miller Sr. and Mrs. Garry Pringle; Dane and Olive Currie and family.

Canadian Cancer Society: Dorothy and Kaare Seter; Jack and Pringle Galloway and family; Hazel Peterman and family, the Wm. Galloway family; Mr. and Mrs. Leo Lysons; Betty and Art Lysons; Dorothy Chaffey and Carl Nelson and family; Mr. and Mrs. Robert Michael; Bill and Lenore McLaughlin; Mr. and Mrs. A. C. Thompson and family; Mr. and Mrs. Ernest Hempsall; Ralph Thompson and family; Mr and Mrs Arthur Brown and George and Mr. and Mrs. Tom Preston; Mr. and Mrs. Bert Blondin and family; Floyd and Betty Robertson and family; Archie and Margaret Hall; Mr. and Mrs. Ernest Grant and Hazel Robinson and family.

The Vermilion Cemetery Fund. Mr. E. E. Walker; Mr Fred Florum Rogge and Ethel Watt; Elmer and Margaret Walters; Mr. and Mrs. Ernest Hempsall and family; Mrs. M. Cox; Frank and Dorothy Hempsall and family; Mr. and Mrs. A. Logan.

Cards, telegrams and letters: Mrs. F. Blene; Todd and Ann Kuehn and family. Bill and Betty Hebbs and family; the Vermilion Salvation Army; Home and Loan Manager and Staff; Vermilion Agency and family; Cyprian and Vera Bell; Addie, Etta and Lela Seever; Les and Marion Noonan; Tex and Mary Tattersall and family; Florence Galloway; the C. S. R. Staff; Port Colborne Veterans Welfare Officer Vernon W. I.; Mr and Mrs. E. T. Rooks; Mrs. Rinaldo and Harry Goudy; Jimmy and Isabell Repp, Frances, Arthur Junior and Enid Sherwood; Harrison; George and Elaine Martin Sweet; Will always remain with us as previous memories; Mrs. Cartwright's family for the many cards and letters, flowers, telegrams and other expressions of sympathy and comfort.

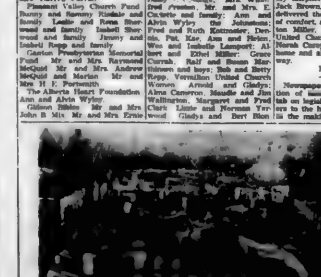
Kathleen and Jack.

**CARD OF THANKS**

We would also like to thank the Vimont Church Choir who took part in singing the hymns "Safe in the Arms of Jesus", "Softly and Tenderly Jesus is Calling", and Mr John Webb "The Lord is My Shepherd"; Mrs. Wiwer and Mrs. Jack Brown, Capt. R. Oates who officiated the service with words of comfort, assisted by Rev. Carl Miller, pastor of Vermilion United Church. Also to Mrs. Norah Carey for the use of her home and all who helped in any way.

Kathleen and Jack.

Newspapers call for conservation of human resources, keep tab on legislators, and take readership interest in heart of a news story in the making.



**On The Midway At Vermilion Fair July 28, 29, 30**

The gay, glittering Midway of the Smith Wonder Shows, opening here for 3 big days. Featuring 30 major rides and attractions, a gigantic Kiddieland and the most exciting crowds in history, the Smith Wonder Shows opens here Thursday, July 28.

# Derwent 4-H Beef Club

DERWENT. — The 5th regular meeting of the Derwent 4-H Beef Club was held Thursday, June 2nd at 7:30 p.m. in the Derwent School. The 4-H pledge was led by Edwin Trachuk and Emil Trachuk. This was followed by roll call "Something I have learned from 4-H work". After roll call the minutes of the last meeting were read by Secretary Kenneth Noster. Then the treasurer's report was given by Treasurer Emil Jarmoco. Following these reports, demonstrations and reports on showmanship and show sticks were given by the club leader, Paul Jarmoco. Plans were made for a field day.

After the meeting Larry Chaseyk gave a report on a trip to university at which he represented the Derwent 4-H Beef Club.

The next meeting is to be held on Wednesday, July 6

Present were: Leaders Mrs. Paul Jarmoco and Mrs. Walter Chaseyk; Members Edwin, Emil and Ruby Trachuk; Gordon and Linda; The Cannon-Watson Red Cross Auxiliary; Beth Wilberts; Alex Galloway; Pringle, Doris and family; Pat Tyler; Calvin and Joy Emery and family; Colleen and Jim Niven and family; Mr. and Mrs R. Knutson, Harold and Brian Chaseyk and Mrs. Jack Bowman and family; Mrs. A. M. West; Frank, Trueman and family; Fred and Margaret Scott and family; Gladys and Charlotte Wilbers; Fr. Joseph Goschter; Mrs. E. Bowman, Robert and Alwyn Clendenning Family; Major and Mrs. R. Chapman; Robert and Bertha Galloway and family; Mr. and Mrs. Clarence Dirk and family; Dirk and Mac Chrisp and family; John and Shirley Scott and family; Mr. and Mrs. Larry Francis and Fred Hopping; Cecil Robertz; Doris and family; Misses Muriel and Queenie Hutton; Rosalyn Watson and family; Mr. and Mrs. Edna and Joe Payne and family; Mr. and Mrs. Lind and George; Harry and Edna Turner and family; Les and Gladys Yarwood and family; Mildred Mitchell; Mr. and Mrs. Andrew McQuid, Mr. and Mrs. Burton Chaseyk; Mr. and Mrs Robert Galloway, Keith and Kenneth; Miss Craig; Mr. and Mrs. Jack Brown.

**CARD OF THANKS**

We wish to extend our sincere thanks to Dr. Attenborough, the nurses and staff of the Vermilion Hospital for the kindness, care and attention received by our mother, Mrs Cartwright, during her illness and at her passing. To Messrs Ken Fulton, Robert Galloway and Sandy Webb who furnished transportation to Edmonton for our mother on two occasions. We will always remember these acts of kindness and are truly grateful to each and all.

Kathleen and Jack.

**CARD OF THANKS**

The Centennial Committee expathy extended by our relatives, friends and neighbors during our recent bereavement. It will always remain with us as previous memories. Special thanks to Rev. Miller for the many cards and letters, flowers, telegrams and other expressions of sympathy and comfort.

Kathleen and Jack.

**CARD OF THANKS**

We would also like to thank the Vimont Church Choir who took part in singing the hymns "Safe in the Arms of Jesus", "Softly and Tenderly Jesus is Calling", and Mr John Webb "The Lord is My Shepherd"; Mrs. Wiwer and Mrs. Jack Brown, Capt. R. Oates who officiated the service with words of comfort, assisted by Rev. Carl Miller, pastor of Vermilion United Church. Also to Mrs. Norah Carey for the use of her home and all who helped in any way.

Kathleen and Jack.

# Centennial Report

by JOHN W. FISHER
CENTENNIAL COMMISSIONER

A few weeks ago I wrote about the Confederation Train and the Centennial Caravans which will be cross-crossing Canada during the summer months of 1967 with exhibits of Canadiana.

During the second week of June we had tour-run, set-up and dismantling trials for the Caravans at communities in the Ottawa area. It was quite an exciting operation — almost like a big army tac exercise.

The first eight enormous vehicles ever to be used extensively on North American roads travelled all the way to Ottawa from Calgary where the Caravans were made by the Alberta Trailer Company. The eight 75-foot vehicles represented one of the eight Caravan units which will visit more than 700 Canadian communities in Centennial Year.

While the trailers were not decorated on the outside because they contain interior exhibits for the trials, there was much exacting work to be done.

The setting up of a caravan on the side road like putting a giant Meccano set together. First the drivers had to be able to bring the huge vehicles to the site squeezing them through corners, through underpasses and under wires, many times to get a good angle formation on site and then remove the trailers.

Drivers were sent to all of them specially trained and under the direction of Mr. Lind and Caravan in 1967 ... must be able to park the vans with the skill of a professional machinist so that match ing ramps and bridges can be placed smoothly to connect the vans on site -This ramp arrangement allows Centennial visitors to move easily through the huge trailers and view the exhibits in a complete sequence.

Outside the trailers, in the quadrangle, large trimaran forms go up next tubular steel tangle arrangements on which will be placed the external exhibits Where the set-up job is done in about two hours' time ... the complete set is also ready for a colorful Centennial community fair.

On hand for the trials at Ottawa were observing officials of numerous organizations which will be involved with the Caravans — provincial pulp and several provinces, the RCMP which will have security officers with the units, the 1967 Centennial staff members of the Defence Production Department, the Canadian Government Exhibition Commission, the Bell Telephone Company, the Chrysler Company which provides the tractors and so on.

On the Highways, the Caravan units will travel in convoy 200 feet apart to allow traffic to pass easily. In convoy travel they will be under police escort at all times. A convoy will be a mile long. (One tractor alone with trailer is almost equal to eight car lengths.)

Be the arrival of a Centennial Caravan in your community won't go unnoticed very easily. Your local area initiation will be announcing the date of arrival well ahead of time anyway.

Be sure to visit the Caravan for a great display of interesting and entertaining exhibits about Canada. There is something for the whole family to see.

Alberta Prov. Library Govt. of Alberta Dec. 66

# Kin Pledge $20,000 To Swimming Pool Fund

At the last regular meeting of the 1965-66 term, the Kinsmen Club unanimously passed a resolution to contribute $20,000 to the swimming pool. This constitutes approximately one-third of the estimated cost of the pool. Chairman of the Swimming Pool Committee Ron Thibitt said, "With this support we can start construction this fall on the first phase of a three phase program. This means that, with the assistance from the Town of Vermilion and a Winter Works Grant, the tank will be completed in early Spring of 1967. The other phases are scheduled for completion by the fall of 1967."

**ACTIVE INTER-CLUB COMMITTEE**

The Kinsmen Club in the fall of 1965 appraised the need for increased recreation facilities in Vermilion and decided a swimming pool to be the most practical need. Therefore they organized a committee to see what could be done. Since then this committee has been active interfacing with local clubs and organizations, many donating towards the construction. Also the Kinsmen Club has received assistance from an anonymous many donation and from the Town of Vermilion.

**CONSTRUCTION TO START THIS FALL**

Engineering consultants and surveying post [illegible] have been interviewed by the committee and arrangements have been tentatively completed to start construction of the tank this fall.

Throughout the year to come, service clubs and fraternal organizations have pledged financial support for the venture and will be donating proceeds from special events to the swimming pool fund.

**SI PORT THESE EVENTS**

The Kinsmen Club says that everyone and everybody can help and support the pool. Some of the local Peanut Stand and Hamburger Stand operators have already pledged their profits to the pool and other groups wishing to have special events to do so may contact any Kinsmen.

# Cards Play Sunday

The Vermilion Cardinals meet Barrhead in the second round of the Provincial Ladies' Fastball playdowns, in a home and home series.

Two games will be played at the Vermilion Athletic park this Sunday, July 17th, at 1:30 p.m. and 3:30 p.m. A record crowd should be on hand to see the teams play in this provincial play-off series.

Vermilion goes to Barrhead on Sunday, July 24th to complete the series.

**New Officers of Rotary Club Take Office**

Newly elected president of the Vermilion Rotary Club Mark Norton and his executive of Gus Mirwaldt, Ken Greenwood, Frank Donald, Ed Corley and Tom Smith were inducted into office by retiring president Jack Kneale on Friday last. Shown seated, from the left are Ken Greenwood, secretary-treasurer; Mark Norton, president; Jack Kneale, past president. Standing, from the left are Ed Corley, Gus Mirwaldt, vice-presidents; Tom Smith and Frank Donald.

# To Host 24 Young People Under Travel Program

Vermilion, this year, is very fortunate under the Youth Travel Program. Under this plan 24 high school pupils, 12 girls and 12 boys, escorted by Mr. and Mrs. Fred Stewart, are going from out of Canada to another, enable them to see our vast country, and to meet the people in another area

**TO LEAVE JULY 17**

Vermilion's unit will leave Wainwright on July 17th and arrive in Montreal on July 20th Here they will be billeted in private homes and entertained until August 5th on which they start home They will arrive in Vermilion on August 7th, tired no doubt, but happy and thrilled at the good deal more about our fellow Canadians in Montreal and Quebec

**VERMILION TO ENTERTAIN THEIR TWIN MONTREAL**

In the meantime on August 3rd Vermilion will see the arrival of a similar group from Montreal Plans are being formulated rapidly to show these young people as many of western hospitality some of the high lights of the area and an entertainment.

Your local merchants keep the Montreal crowds of your community turning throughout the year by their advertising in this newspaper.

**Cardinals Win Two Of 3 League Games**

Cardinals won two out of three league games played during the past week. On Thursday, July 7th, they travelled to Lloydminster, losing 17-7. The pitchers were Karen Coburn, 3-1, and Kathleen Ross and Karen Coburn were the winning pitchers in the Cards winning 4-1.

## N Seen Will Be VERMILION FAIR TIME!

Two weeks from today the Fair Parade will be rolling down 50th Avenue complete with bands, with floats, with horses and dignitaries About all that remains for the success of the annual three-day event, Vermilion's biggest undertaking, is exhibition weather and the attendance of every man, woman and child in the whole area Make this a family holiday — there is something for everyone at the Vermilion Fair — so take the whole family.

## Farm Purchase Act Amended

Full cash payment to vendors of farm land willing to have it financed through the Farm Purchase Board of the Alberta Department of Agriculture and an increase in the maximum allowable amount of financing are two highlights of amendments to 210 applications out of 261 received since Parliament last year. Total value of the credit extended is an estimated $2.3 million and the land value was $3.1 million.

Due to the more attractive terms offered because of the amendments, it is expected that the number of applications received during 1966 will increase to about 360.

Previously the buyer made a down payment of 20 per cent of the purchase price and the government advanced 50 per cent of the balance, whereas was the loss or The remainder was paid in a series of regular payments Now the down payment remains the same, but the amount paid by the government has been increased to the full remaining 80 per cent or $24,000, whichever is the lesser. In this way the vendor receives all cash and the problem of continuing payments to him is eliminated.

An increase has also been made in the maximum value of land taxation under which the buyer is eligible for a loan from the Board Previously the maximum value of the land had to be less than $40,000 Now it must be less than $70,000, including the proposed purchase.

Repayment terms can still be extended for a period of up to 30 years and the interest rate remains at 5 per cent, including free life insurance for amount of the liability Repayments are also accepted without notice or bonus.

Up to the end of 1965, the Farm Purchase Board received a total of 2,397 applications of which 2,736 were approved The value of credit extended to farmers to that date is estimated at $23 million, and the value of the land purchased is $32.5 million.

## BARN STRUCK BY LIGHTNING

KITSCOTY — The barn on the farm of Henry and Carl Johnsonen in the Earle district, was struck by lightning and burned to the ground Sunday evening July 10th Fortunately there was no loss of livestock.

Taking an auto trip? Your Alberta Heart Foundation advises loosening up your trip with frequent stops. Stand for long stretches is bad for your circulation. So . . . stop the car, get out and stretch your legs. It's good for you.

## GREEN ACRES

By: Wilfred L. Cody, Associate D.A.
Vermilion, Alberta

BOOT PUSH PANE' BUTTON

Merle Douglas wrote an item in the Vermilion paper that I read two years ago. He was referring to the long period of drought this district was experiencing at that time He suggested that livestock producers should consider very carefully before selling out their herds because of short pastures and the anticipated winter feed shortage.

Because of last year's relatively good moisture situation it is unlikely that the pasture and feed situation will be so critical this year as it was two years ago However, if the current dry spell continues much longer pastures will become short and the hay crop already is nothing to write home about.

This year there may be temptations to sell out herds for more reasons than feed shortages. This last announcement of another huge wheat sale is certainly going to put pressure on the livestock industry It may well be that land now used for grazing may be turned over to grain production This will necessarily result in a reduction in the beef population We all know what reduced numbers do to the meat so once again the suggestion is to think it over carefully panel out

GOPHERS

This general area is a gopher shooters' paradise I enjoy this sport as much as anyone but to be honest about it there is just too much of it available The large population of gophers has spilled over into the grain fields from their usual habitat of grassland this year Gophers are pretty small but they do their share of damage just the same A can of gopher poison cost a dollar and is available in drug and hardware stores One can will cover a quarter section or more At that price it just doesn't pay to have gophers stealing grain in the pastures and grass in the fields, not to mention the burrows and mounds which do nothing whatever to improve yields or make for smooth machine operation.

SOLONETZIC SOILS "Gumbo"

A couple of weeks ago a Soils Field Day was organized which was ignored by a disappointingly large number of farmers This Field Day dealt to quite an extent with Solonetzic Soils manage-

## 4H Beef Club

(By Bob Hood, Club Reporter)

The monthly meeting of the Vermilion 4H Beef Club was held on July 5th at the Stewart Bros Pressdrug the meeting a judging demonstration and a judging contest were held. Mr Cody and District Agriculturist gave a few pointers on showing and judging calves.

Vice-President John Barry opened the meeting and the 4-H pledge was said After thorough discussion it was decided that Mr. Vermilion 4-H Beef Club will not have a float in the Vermilion Fair Parade.

Jim Hood moved that a trophy be presented for proficiency Club members will wear his pants while starts with the cream on the left shoulder and blank base on at the Vermilion 4-H Beef Club Achievement Day on July 16th.

Record books are to be handed in at the next meeting Aug. 6

## 48 Years Ago Today

JULY 10th, 1918

Hog exports, $300,000, to establish a record for this district. This is the best ever recorded in the history of the district.

A grant of $200 is to be made to the Vermilion Agricultural Society for the fall fair by the rural municipality of Vermilion Valley

Wm. Steele was called east to Almonte Ont., at the first of the week owing to the serious condition of his wife's health.

Sir James Outram, Bart L. O.L., Provincial Grand Master, left Monday to attend the Orange Lodge Convention in Charlottetown, P.E.I.

## 32 Years Ago Today

JULY 13th, 1934

A sad drowning tragedy occurred in the Cummings district on Sunday afternoon when Laurence Andrews, 21, was drowned in a lake on the A. C. Mabry farm.

Large balloons swept the vicinity of Blackfoot last Saturday evening and practically every pane of glass facing west was broken. The school, with nearly a solid wall of glass on the west side, was the chief sufferer.

Adelard Labossiere, a well known figure in this district ever since the early days, was taken suddenly ill while driving to his home 20 miles north of Vermilion on Wednesday, July 4th. He died shortly after reaching his residence and before medical aid could reach him.

## 16 Years Ago Today

JULY 15th, 1950

Mr. Percy Beatty has returned to Vermilion as a partner in the J. S. Friedman store.

Bob Maggs discovered a deep hole in the river where in previous years no hole existed. But Bob did it the hairy way. He stepped right into the hole and went down a couple of times before his companion at the time, Jim Pink, dived fully dressed in to the river and pulled Bob safely to shore.

Mr. W. R. Wiebe attended the funeral of his mother who passed away on July 7th at the age of 91 years at Meadow Lake Mrs. Al Hebert and little son Philip of Windsor, Ont., are visiting at the home of her parents, Mr. & Mrs. B. H. P. Nash.

## Marwayne News

Congratulations and all best wishes go to a number of folks in our district this week Mr. and Mrs. Joe Hale on their silver Wedding anniversary, July 17; Mr. and Mrs. Gerry Kent (nee Peggy Simons) married in the United Church, Vermilion, on July 9th. A reception followed there. They will make their home on the farm just north of Marwayne Mr and Mrs Jim Yinge (nee Rosemary Culford) married in St. George's Church, Marwayne, July 9th. Reception and dance followed in Heidelburg. They will reside in St. Albert. Mr. and Mrs. Lawrence Fleming (nee Linda Chittenden) married in the United Church, Lloydminster, July 9th. Reception and dance held at Alervew. Mr. and Mrs. Wayne Garnier on the birth of a daughter, June 24.

Anniversary greetings go also to Mr. and Mrs. O. K. Quist, Mr. and Mrs. Alvin Parker, Mr and Mrs. Edgar Bell, Mr. and Mrs. T. Carmichael, Mr. and Mrs. Ivan Fleming.

Special birthday greetings go to Mr. Doull Sr. on his 84th birthday., July 24th also to Mrs. Davidson, Mrs. Giles, Mrs. Holmes and John Spence

Mr. and Mrs. Jack Bishop and family have moved to Vermilion where Mr. Bishop will be farming next term

Mr. and Mrs. Benny Murray of Edmonton were among the guests attending the Vinge-Culford wedding. Mr. and Mrs. Bill Johnson accompanied them and visited at the home of their son and daughter-in-law, Mr. and Mrs. Lloyd Van Camp.

Mr and Mrs. Luther Hancock, Mr and Mrs. Angus Goode and Mr and Mrs. Howard McLachlin all from B.C. and formerly of this area, were among the guests at the Kent-Hancock wedding and visited with other relatives here.

Mrs. Lillian Ray has gone to Fort Norman to nurse in the hospital there, where her brother is recovering from burns.

Miss Linda Beaumont is attending summer school at the U. of A., Edmonton.

Miss Elmine Gray will have soon for the coast and then south to Mexico.

A few of those away on holidays are Mr. and Mrs. Lloyd Berg, Mrs. Jean Barnett, Mr. and Mrs. Vernie Hines, Mr. and Mrs. Bryan Crichton, Mr. and Mrs. Alsin Swanson and Mr. and Mrs. Hutchinson.

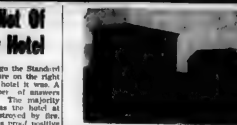
WEDDING DANCE

An open wedding dance will be held in the Allandale Community Hall on Friday, July 15 in honor of Mr. and Mrs. Wayne Humphrey (nee Phyllis Brady). Bucky Swan orchestra.

WHY NOT TRY A WANT AD?

## ISLAY OLD TIMERS WILL LOVE THIS PICTURE

## Picture Not Of The Islay Hotel



A few issues ago the Standard printed this picture on the right and asked what hotel it was. A surprising number of answers were received. The majority stated that it was the hotel at Islay, later destroyed by fire. The top picture is proof positive that they were wrong. The doors, windows and roof differ considerably. The old time bird's-eye view above gives a very good picture of Islay in the early days. About the only downtown buildings still in existence Other guesses received by the church and Ford & Mc Vaughan's store.

The identity of the first hotel thus still remains a mystery. Scoty Hotel.

Standard were that it is a picture of the Alberta Hotel here in Vermilion and that of the KR-

## Trophy For Machinery Display at The Fair

The Vermilion Chamber of Commerce in this year present ing, for annual competition, a trophy for the best display in the Machinery Row' at the Vermilion Fair.

Besides the trophy which will be awarded annually, the winner will be presented with a plaque to hire in his permanent possession.

The award will be judged on the following points by an independent panel of judges and will be presented on Saturday evening. the last night of the show.

1. Quality — not necessarily quantity, 30 points.
2. Availability of personnel and information, 30 points.
3. Neatness and appearance, 20 points.
4. Variety of equipment, 20 points.

The Chamber hopes that all of the machinery distributors in town will make a sincere and determined effort to compete for this award.

## Mrs. Gamble Honored On Retirement At Mannville

MANNVILLE — At a recent gathering of teachers and their families, Mrs. Mable Gamble (formerly of the Mannville School staff) was the guest of honor. The occasion marked the year of her retirement from a long teaching career.

Present also at this time was Mr Merle Malin Minburn County School Superintendent who has given a history of Mrs. Gamble's teaching and teaching experience Mrs. Gamble's early school days were spent at Chilliwack Ontario, where she finished grade 8 in the high school was taken at Vermilion Alberta Her teaching career was received at Camrose Normal School Mrs. Gamble's first teaching position was at Forestburg Alberta. Later she taught at Wilberforce south of Edmonton, Primrose north of Lloydminster and Birch Creek west of Grande Prairie During the second world war she taught a few months at Windermere and Brazeau where she met and married Mr. Gamble of Mannville She also taught at Lamont, Lavoy, Lamont (second time) in 1948 and 49, Mannville 1949 to 1951, Lavoy (second time) 1951 to 1953, Fort Fitzgerald 1953 2 at Lynfield, Alberta 1954 to 1956 Mrs. Gamble retires for retirement in June. She has taught grades 1 to 8 in the one room teaching area Mrs. Gamble, a total of 23 years of service. Her teaching profession. Mrs. Gamble continued to encourage high standards in the various school activities as the Provincial Council of Alberta Association of Teachers, Elementary district representative, Treasurer for 3 years, Treasurer for correspondence.

Mr. Malin stated that not only was Mrs. Gamble was a devoted teacher but she was a person who gave generously of her time to church and community activities.

Representing Mrs Gamble's service to the people of the District, Mayor Mr Malin presented her with a suitable inscribed wrist watch.

Mrs. Gamble graciously thanked Mr Malin for the honor he bestowed on her.

Mr Nestor Bobuchuk representing members of the Local Alberta Teachers Association expressed the thoughts appreciation of Mrs Gamble's co-operation as a teacher and of her active interest in the business affairs of the teachers association. A clock and pen set with inscribed plate was then presented to Mrs Gamble again expressed her thanks and spoke of the many happy memories she has.

Mr Bobuchuk surprised Mr. Gamble in calling him forth to receive a gift It was an enlargement of a stampede event in which Chester was the champion rider The negative was discovered in the basement of the former Dominion drug store recently taken over by Mr Bobuchuk's brother

Best wishes were expressed to Mr and Mrs Gamble as they prepare to enjoy retirement together shortly

## KITSCOTY

ELLEN PARK A HIT PLACE

About 100 children from the village and district are taking swimming lessons at the pool in Ellendwater this summer The children travel by schoolbus for their lessons and this enterprise is spoved by the Kitscoty Firefighters A swimming pool is certainly a great boon to a community

Mrs F. Jukubee and children spent several days last week at the Lang cottage at Lauder Lake They were accompanied by Mrs Edwin Stewart and Janet

Other folks from here who are at the lake for the summer are Mrs F. Barrs and the Alan Barry family.

Week-end visitors were the L. A. Lucas family the Jack Miller family and the J. Bobkowski family plus the Constance, including Ted and Leslie Canarroe of Winnipeg and many more Sunday visitors

## Pleasant Valley

The rain came at last, but just enough to delay the haying

Mrs Purvis arrived home from extensive and reports a wonderful time

Flowery gardens are coming out full bloom now and there are some grand displays around Everyone should make the trip to view Mr. Coonan's garden at his visitor He has so many kinds of flowers pink and yellow calla lilies double white mock orange bushes Mrs Coonan also a lemon plant with a lemon nearly big enough to pick and many more beautiful plants.

Uncle McFarlane had a lovely dramatic view in bloom It has climbed to the top of the light pole

We have plenty of beauty right here in Alberta folks, just go out and look for it.

IN MEMORIAM

In memory of my father WILLIAM CLARK who passed away July 14, 1958.

"If all the tears were mine to give
I'd give it all, you and more.
If I could see you father
Through the door
Though you fell asleep without goodbye.
Memories of you will never die."

Ever loved and sadly missed by daughter Pat, Lou and Lloyd.

Dr. K. E. GLOVER will be on Holidays July 18 to August 6 AND Dr. MICHAEL HARACH of the Royal Canadian Dental Corp will attend the office while Dr. Glover is away.

OFFICE HOURS: 8:00 a.m. - 12 — 1:30 - 4 — Tuesday through Saturday

## Re-union Held At Reeks Home

A family re-union highlighted the week-end for Mr. and Mrs. E. T. Reeks of Vermilion. The six children were together for the first time in 15 years along with six grandchildren.

Mr. and Mrs. Russel Sutton and family of Lashburn; Mr. Herbert Sutton of Edmonton; Mr. and Mrs. J. Ratcliffe (Sylvia) and family of Edmonton; Mr. and Mrs. Royce Reeks of Cherokee; Mr. and Mrs. R. Reeks (Florence) of Calgary and Mr. and Mrs. R. Carmichael (Margaret) and family, Calgary.

Twenty enjoyed a delicious turkey dinner in the garden and afterward sat for family photos. It was a time for reminiscing and fun for everyone.

## Perfect Crib Hand

The crib player's dream of holding a 29 hand was realized by Cec C. Lyle of Fort Saskatchewan playing with Bruce Bell of Edmonton. The gentlemen were guests of the Royal Canadian Legion last Friday evening where the games took place.

## Preston 4-H Beef Club

(Elrond Gibson, Club Reporter)

The Preston 4-H Beef Club's assembly meeting held July 9th following the Achievement Day which was held at Mr. Hood and Coburn's farm. It was decided that a week-end trip would tour the Hutterite Colony near Irma the following Saturday.

The Achievement Day was well attended and enjoyed by all with the D.A. Mr. Cody, giving a demonstration on the judging of a beef animal. Judging and weight guessing contests were then held. The day was brought to a close by the serving of an enjoyable potluck supper.

## Riverton News

The weather has been very hot during the past week and in the Riverton district, definitely dry. Some showers have fallen but they are quite scattered.

A number of residents are away enjoying a holiday. Among them is Mrs. P. Hansen who has gone to Vancouver to visit her son Warren and family; Mrs. Durnin who has left on her annual trip to Kamloops and the west coast; Mr. and Mrs. Rob Hyatt, accompanied by Rob's two sisters from Fort William have gone to visit their daughter Doris and family at Meadow Lake and later will drive to Lodgepole to pay a visit to another daughter Mrs. Henry Eldridge and family. Mrs. Hoga has all these folks have an early holiday.

Congratulations to Mr Andrew Wood who celebrates his 80th birthday this week. His many friends join in wishing him a happy birthday with many more to come.

Mr. Stan Pullen drove to Edmonton on Saturday to bring home his wife who had been a patient in the University Hospital for two weeks after undergoing surgery.

Two former Vermilion citizens Donald Clanton of Vancouver and Frank Pillar of Edmonton spent last Wednesday in town renewing old acquaintances and visiting relatives here.

Pamela Henry of Vancouver is spending the summer with her aunt and uncle Mr and Mrs Bill Dixon, visiting her brother Don who makes his home with them.

Mrs. M. E. Dixon spent several days in Edmonton last week as a guest at the home of her son Miles and daughter-in-law Shirley and three grandchildren Mrs. Dixon had attended treatments at the Edmonton Clinic.

Mr and Mrs. Gary Hazenbos of Edmonton were visitors at the home of Mrs. Hazenbos' parents Mr. and Mrs. Albert Dirrs. While they were here Gail was baptized by Mr. [illegible]

Mr. and Mrs. Donald [illegible] Mrs. Lawrence Dyck and her sister Miss Eva Cawthorpe are holidaying at Tofield and Beaverhill Lake.

Mr. [illegible] Chapman and Mrs. [illegible] Mrs. Chapman's parents Mr. and Mrs. [illegible] Mrs. Chapman's sister Mrs. [illegible] Mrs. Chapman's brother [illegible] Mrs. Chapman's brother [illegible] Mrs. Chapman's brother

MR. AND MRS. LESLIE L. BOWMAN
*Photo by Wooders of Photocraft*

## Dewberry Couple Wed In Pretty Ceremony

The First United Church, Vermilion was the scene of a pretty spring wedding on April 16th when Dorothy Mann, youngest daughter of Mr and Mrs. Harold Mann of Dewberry became the bride of Mr Leslie L. Bowman, son of Mr and Mrs Durward Bowman of Vermilion.

Rev. Carlton Miller performed the double-ring ceremony before an altar decorated with baskets of Easter lilies and red roses. The wedding music was played by Mr. Jack Pearce, Piano

The radiant bride entered the church on the arm of her father wearing a floor length white style gown of white peau de soie and chantilly lace The gown's bouffant skirt fashioned with lace inset panels and fabric rose and was complemented by a detachable lace trimmed train She wore a bouffant veil held in place by a rhinestone crown

She carried a bouquet of red roses and lily of the valley with love. Her only jewelry was a single strand crystal necklace

The maid of honor, Miss Carole Bowman sister of the groom and the bridesmaids Miss Matilda Forvik and Miss Dianne Johns wore identical street length dresses of pale blue peau de soie featuring a bib-top overskirt, short sleeves and bateau neck lines. They carried bouquets of daisies circles of tulle held in place by fabric roses. They carried bouquets of yellow roses and wore daisy and gold cross necklaces, a gift of the bride

Misses Sherrie and Melanie Wilcox nieces of the bride were flowergirls They were dressed in identical gowns and head pieces matching those of the bridesmaids They carried baskets of pink flowers

Attending the groom were his cousin Mr. Bruce Bowman and Mr. Jack Forvik. Mr. Dwight Berg Mr Ted Madden and Mr. Robert Pruard acted as ushers Master Clayton Burt nephew of the groom was the ringbearer

Mrs. Ila Hodgson sang "The Wedding Prayer" prior to the ceremony and "O Perfect Love" during the signing of the register

For her daughter's wedding Mrs Mallison wore a turquoise pink suit with lace collar and three-quarter length sleeves with white accessories and a corsage of white roses.

The mother of the groom Mrs Bowman, chose a two-piece suit of navy with pink accessories and a corsage of pink roses

A reception for over three hundred guests was held in the Dewberry Hall at 4:30 p.m. after entered by by the Greenlawn Community Club.

The bride's table was centred with a three-tier wedding cake, made by her mother and best cloth decorated by Mrs Walter Jones of Dewberry

Mr Frank Wilkinson acted as emcee and Mrs. Max Madden aunt of the bride cutted the bread. The toast to the bride was proposed by Mr Bruce Brock, to which the groom ably responded Misses Linda Watt and Claire Fitzpatrick were in charge of the guest book

Open house was held at the home of the bride from seven to nine in the evening

The evening ended with a wedding dance in the Dewberry Hall where music for dancing catered to what the bridal bunch liked

For travelling the bride chose a two-piece suit of navy and white with pink accessories and roses After a trip to Saskatchewan and Montana the happy couple are now residing on the groom's farm south of Dewberry

Newspaper advertising is personal communication to the consumers news of products.

## Silver Anniversary Of Marwayne Couple

MARWAYNE — On Saturday, June 18 Clair and Grace Brown, formerly of the Marwayne district, now of Edmonton, celebrated their silver wedding anniversary.

After a family supper at the Caravan, Clair and Grace were driven to the Ritchie Community Hall where on a surprise, friends and old friends of Marwayne district gathered to help celebrate this happy occasion. To make the evening a complete success, Clair's three sisters and their husbands arrived, Pern and Alan Jorgenson, Vancouver, Dennis and Ralph Thistlewaite, Swift Current; Iris and Russel Porter, Calgary

Lorie's Orchestra entertained the crowd with dance tunes of today and many old favorites of past years.

One of the highlights of the evening was the reminiscing of the best man, Bill MacDonald, as he recalled various events and incidents that took place both before and after Clair and Grace were married. Also some amusing but kind comments were spoken about the young bridesmaid, Marian Tynes.

A bountiful buffet style supper was served. The beautifully decorated wedding cake was cut by the bride and groom. The orchestra entertained all the while with favorite songs.

The evening was brought to a close with the best man presenting the bride and groom with a gift of money and many lovely comments. The following day Clair, Grace, Gary and Darrel left upon house for their many friends and relatives.

## Derwent Party Enjoy Holiday Trip

DERWENT — Mr. and Mrs. Stephen Lychak, accompanied by Mr and Mrs. John Jacula, have returned from an enjoyable trip to Kamloops, Vernon, Calgary and Drumheller, visiting relatives.

Enroute the highlights of the trip were a visit to Dinosaur Provincial Park, Drumheller, the Royal Tyrrell Museum of Palaeontology, Horseshoe Canyon, Hoodoos, Kamloops Indian Reserve, Sun Rivers, Vernon, Okanagan Lake, Penticton, Peachland, Kelowna, Summerland, Kamloops, Clearwater, Wells Gray Park, Blue River, Valemount, Jasper, Banff, Calgary, Drumheller, Hanna, Consort, Provost, Vermilion, Derwent.

## Members Of The Women's Institute Meet At Lavoy

Women's Institute members UNESCO study tour of Canada from the Vermilion, Vegreville and Wainwright Constituencies gathered at Lavoy on Friday afternoon, July 8th, to meet two distinguished visitors from Guyana Miss Dianne Abrahams, the president of Guyana Federated Women's Institutes and Mrs Ida King, vice-president, are on a

friends along the way They also had a visit with a former Derwent resident Alec Dmytruak, who is in the Barrow Auxiliary Hospital Calgary. Also their daughter Marie Lychak who is employed there for the summer months

Following their talks, Mrs. M. Johnson and Mrs D Clark presented them with an A.W.I. pin and Mrs. Mellor of Kinsella thanked the guests for their delightful and entertaining talks.

Lunch was served by the Roseparkland and Lavoy branches

Accompanying the 18 visitors were Mrs. J Bielish, Provincial President of Alberta Women's Institutes, Mrs. G McMillan, Treasurer and Mrs. R. J Whitson, Director District No. 2.

**FREEDOM OF CHOICE IS YOUR PRIVILEGE**

In this wonderful country of ours all of us are guaranteed many rights and privileges not enjoyed everywhere. We can worship whom we please, speak our minds without fear and our property cannot be seized without due process of law. When we are sick we can select the particular physician we prefer. We are not regimented or owned by the state.

Another one of your many freedoms is the right to choose the particular pharmacy you want to fill your prescriptions. When a physician prescribes a medicine he can either phone the particular pharmacy you wish or you can bring the prescription to that pharmacy yourself. May we be your personal pharmacy?

A great many people entrust us with their prescriptions. May we compound yours?

Page 1—Section 2 Vermilion, Alberta, Thursday, July 14th, 1966.

**Participate In First Centennial Dedication**

Taking part in the dedication of the first centennial project to be completed within the Vermilion-Viking Constituency were from the left: Mrs. C. Lancaster, Kinsella; Mrs. R. J. Whitson, Edmonton; Mrs. Ashley Cooper; Ashley Cooper, M.L.A.; James Findlay; Rev. M. McDermott, Viking; Mrs. L. McMillan, Picardville; Mrs. W. J. McKie, Kinsella.

These memorial gates were constructed by C. Kjorlien and R. Jarzen of the Kinsella Welding Shop.

## Centennial Project Dedicated At Kinsella, June 15

An historic event was recorded on Wednesday, June 15th, when the Kinsella Women's Institute conducted the dedication of "God's Acre" its Centennial Cemetery project.

The speakers included Ashley Cooper, M.L.A., for the Vermilion Viking Constituency, James Findlay Centennial Co-ordinator for the Province, Mrs. R. J. Whitson, formerly of Manville who is W.I Director for Dist. No 8; Mrs. C. Lancaster, Kinsella W. I. President.

The program consisted of the dedication of the new cemetery by Rev. M. McDermott; the official opening, followed by a march and a program of addresses in the community hall.

Kinsella, although the only hamlet in the Vermilion Viking Constituency and thus the smallest community from the standpoint of numbers, has the distinction of being the first community to complete a Centennial project within the constituency.

A message from your Alberta Heart Foundation: Overeating can mean overwork for your heart. Overeating followed by strenuous exercise can mean trouble. So watch what you eat and when and how you play.

## L. Usher, 4-H Supervisor Appointed Dep. Minister

C. L. Usher, former Supervisor of 4-H Clubs in Alberta, has been named Deputy Minister of Youth by the Hon. Robt. C. Clark, Minister of the Department of Youth, effective July 7th.

Mr. Usher was born and raised on a ranch at Scollard, Alta., and received his high school education at the University School for Boys, Victoria. Following discharge from the Canadian Army in 1945 with the rank of lieutenant, he earned a degree in Agriculture from the U. of A., Edmonton and took post-graduate work in Extension Education at Colorado State University in 1964-65. He joined the staff of the Alberta Department of Agriculture in 1949 as Assistant Supervisor 4-H Clubs. In February, 1956, Mr Usher became Supervisor of 4-H Clubs and has held that position until his present appointment.

**MEMBER OF COUNCIL**

Les Usher is presently an executive member of the Canadian Council on 4-H Clubs and Chairman of the Foundation Committee of the Council. He is an executive member of the General Alumni Association of the University of Alberta and is the President of Edmonton Branch of the Alberta Institute of Agrologists.

**4-H TRANSFERRED**

The headquarters and regional 4-H staff will be transferred from the Department of Agriculture to the new Youth Ministry on Sept 1st. Complete transfer to the new youth department will be effective April 1, 1968 since policy committee to be appointed immediately to act as liaison during the transition period. It is anticipated that this committee will act as a co-ordinating body between the two departments since the Department of Agriculture will continue to provide judges speakers and other assistance after the transfer is complete.

During the past fifty years the Department of Agriculture has given strong leadership to the popular 4-H Club program, which has continued to expand due to the confidence and public support it has received.

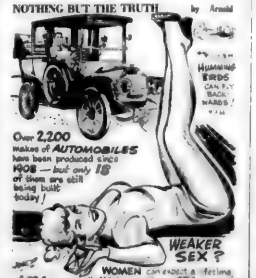
**FIRST PHASE**

The transfer of 4-H to the new Department of Youth represents the first phase only of its conception and field of activity. It is the intention of the Department to work closely with the many existing agencies and organizations serving youth and to determine where further program-ming may be required to meet the present day needs of young people in Alberta.

## Wheat Pool Appointment

Mr A. T. Baker, General Manager of the Alberta Wheat Pool, has announced the appointment of J. F. Cornwall to the position of assistant to the general manager.

Mr. Cornwall was born at Wells in Northern B.C. He graduated from the U. of B.C. in 1952 with a degree in agriculture and from the U. of Western Ontario in 1956 with a masters degree in business administration. During 1953 he spent a year with the Alberta Wheat Pool as an extension



## Honored On Occasion Of Silver Wedding

The Silver Wedding anniversary of Mr. and Mrs. Wm. Pettigrew was celebrated on Saturday, June 11th in St. Saviour's Parish Hall. Entering the hall in the anniversary waltz, led by Mr. John Webb with Mr Jack Brown at the piano, the couple was taken by complete surprise to find the many friends and relatives gathered there to express their good wishes and congratulations.

"Mom" was adorned with a corsage of red roses by her son Ken, while their daugter Marie pinned a boutonniere on "Pop".

Several inspiring solos presented by Mr John Webb, accompanied by Mr Brown, added to the pleasure of the evening.

The bread table was centred with a four-tier wedding cake baked by their daughter-in-law Mrs. Frances Miller. The cake was flanked with vases of red roses and buds. Rev. B. Hart asked the blessing and a delicious lunch of dainty sandwiches and fancy squares was served. Tea was poured by four of Mr Pettigrew's sisters, Mrs Virtie Grasley, Mrs. Marion Mathews Mrs Nora Latimer and Mrs. Pat Nelson. Mr Mark Norton presented a toast to the bride and groom and Bill replied with a few well chosen words.

Mr Lawrence Webb spoke on behalf of the many friends and neighbors, expressing the warm congratulations of each as he presented Bill and Isabella with a cheque. Mr. Pettigrew replied and expressed the sentiments of all present, thanks for all the kindness and generosity bestowed upon them. Then they opened several individual family gifts and displayed them for all to see. Their four families worked together on preparation for the occasion. Mr and Mrs. Ken Miller. Mr and Mrs. Garry Gerbrandt Mr and Mrs. Donald Miller and Mr and Mrs. Gerald Miller.

Mrs Gerbrandt also offered her sincere thanks to the Misses Linda and Lesley Webb, Jane Herbert, Pat Norton and Charlotte Nelson, who served, and Miss Susan Webb for attending the guest book and presented each with a gift as a token of her appreciation.

Marie also thanked Mrs. Dorothy Webb for her untiring efforts with arrangements and presented her with a small gift.

A delightful evening came to a close when Dorothy and Bill were surrounded by their family and friends singing "For They Are Jolly Good Fellows".

Out-of-town guests included Mr. and Mrs. H. Grasley, Edmonton; Mr. and Mrs. S. Matthews, Wainwright; Mr. and Mrs. Wm. Latimer, their daughter

## VERMILION VALLEY LODGE NEWS

Our sincere thanks to Mrs. Hilda Cowan for the beautiful bouquets of gladioli from the V. A.V.C. They are admired by everyone.

All the gentlemen who accompanied Jim Carey to the Old Timers picnic at Gresham offer him their sincere thanks. It was a wonderful outing and they all enjoyed it so much.

It is nice to have Mrs. Lowell back again after a month's holiday spent in Tofield with her son Fred. We wish him a happy holiday.

Mr Percy Wilson and Mr Hugh Mitchell are both back in the Lodge after accounts in the local hospital. They are much improved in health.

A pleasant plane journey is wished for Mr and Mrs. J Ross who have left to visit in Scotland.

**VISITORS TO THE LODGE**

# HEALTH UNIT NOTES

**COMFORTERS**

The use of comforters or duvets to severe pauce in the home is the source of a baby is a practice of some long standing Objections have been made that these devices are unsanitary and when one sees how often the comforter falls to the floor and is quickly replaced without adequate sterilization, this point can be appreciated easily

Dental surgeons have from time to time brough... out evidence to suggest that prolonged sucking can lead to deformity of the developing jaws This suggestion has been challenged and unsubstantiated. Some go so far as to predict difficulties of personality arising through the deprivation of indulgence in the strongly instinctual habit of sucking.

However, no such doubt has been voiced against the evidence that rampant dental caries has increased in recent years. This type of caries is acute in onset and affects many or all the teeth and makes rapid progress The sweetened comforter is likely to be the main cause of such caries The present fashion to use sugared comforters with a reservoir of sugared liquid can only be condemned as a means of rot ting food teeth more quickly.

Infants who suffer from acute dental caries significantly have more illness than unaffected babies mostly mild infections.

Children who are given sweetened comforters have a much higher incidence of dental caries than children who are not given them. When highly acid fruit juices are used in connection with sweetened comforters the incidence of acute dental cara is even higher

If in the future one of the new aesthetic sweetening agents is used in place of sugar to sweet en comforters, it is possible that this danger may be minimized.

**WELL BABY CLINICS**

## St. Joseph's C.W.L. Meets at Mannville

MANNVILLE. — The June meeting of St. Joseph's Catholic Women's League was held at the home of Mrs. Eddie McLaughlin, with Director Fr. Keenan, twelve members and 1 visitor present.

The meeting was opened by the League Prayer Minutes of the last meeting were read by the acting secretary, Sharon Bury.

New business dealt with was the annual parish picnic.

First Communion classes will commence July 18 and continue until the 22nd First Communion will be held Sunday, July 24.

Church cleaning will be done Friday, July 22nd.

After the business period a study of the Vatican Council was led by Fr. Keenan. The evening was concluded by a delicious lunch served by the hostess, Mrs. McLaughlin.

## Five Point W. I.

MANNVILLE. — On Thursday, June 16 Five Point W. I. met at the home of Mrs. Ruby Young on the invitation of the Happy Centre W.I. for a joint meeting and social afternoon.

The business was conducted by both groups repeating the W.I. Creed, singing O Canada and answering the roll call with a Father's Day poem and showing a picture of each member's home.

The minutes of previous meeting were then read and approved and correspondence read and dealt with.

Thanks were received from 4-H Club for gift received from this branch on the evening of the exhibition of work.

The local executive was made toward sending the most deserving Grade XI student to the Banff convention this year. The Provincial project was again discussed. This W.I. plans on placing a number of volumes of Encyclopedia in the public library at Mannville.

At the close of the meeting Pansweat was played, also a number of outdoor games. A lovely lunch completed the afternoon and the nine Five Point W. I members returned to their homes happy to be so royally entertained by their neighboring branch.

## Pioneers Invited To Write Short History

Pioneer farmers, ranchers and business men are invited to write a short historical paragraph of the early days, for the history of Vermilion and district which is now being compiled.

Anyone doing so should have this typed out, two copies, ready within two months. (TF)

a new kind of tractor demonstration

*Place:* Hugh Stewart's
2 miles East on Highway 16 and 2 miles South.

*Date:* JULY 20 & 21

*Time:* AFTERNOONS

Right now, task force teams of Massey-Ferguson Demonstrators are on the move all over the country.
One of these teams is headed this way to stage a Command Performance Demonstration especially for the farmers in this area.
Among the surprises in store for you is a demonstration of a 90 hp tractor working one of the biggest pull-type implements to be found, and without a single wheel weight on the tractor rear wheels!
See that (and lots more) for yourself.
Try it for yourself after the Demonstration—you'll never want to heft another rear wheel weight again!
There will be valuable door prizes given away, plenty of refreshments and lots of fun.
Don't miss your Massey-Ferguson Command Performance Demonstration!

## New Seed Plant For Camrose

President C. L. Harrold has announced the intention of the Alberta Wheat Pool to commence construction in the near future of a million dollar seed processing plant in Camrose to serve central and southern Alberta.

It will be located south of Highway 13 on 5 acres of land in the new industrial site in the south east section of the city and serviced by a spur of the CNR. It will replace the old structure that has stood for a number of years in the main part of town.

The new plant will be modern in every respect and will be capable of processe cereal seeds as well as grass and legumes in bulk and sacks. It will include the latest machinery and ample storage for large stocks of both rough and cleaned seed and will employ approximately 25 persons.

It is expected a major fertilizer distribution complex will be built on the same site to handle bulk and bagged fertilizer for distribution throughout much of central Alberta.

Completion of the project is planned for Aug 1, 1967 in time to handle next year's crop.

On those hot summer days a mother should be careful not to leave her baby in strong sunlight The baby's tender skin will burn easily and his crib quickly becomes an oven. For special protection of your baby from the mosquito netting over the crib and fasten it securely underneath.

See what you buy — before you buy — by shopping the advertising columns of your home town newspaper.

Water skiing is a very popular sport but a moment's carelessness may result in injury or death. Skiers should always be two persons in the boat — one the driver of the craft and the other the spotter to watch the skier. In all kinds of watercraft and persons approved life jackets should be worn by each person including the skier.

Newspapers are the only medium where people shop the advertisements.

"If they deserve recognition — let them know"

NOMINATE AN ALBERTA JUNIOR CITIZEN NOW

Nominations Close July 31

Here is your opportunity to give recognition where due. How many times have you wished for some way to express your admiration and gratitude for an act or acts of exceptional merit, to a deserving young citizen, or a deserving group of young citizens? To ensure that these exemplary young people receive the recognition they deserve, your inventor owned power companies will again make awards to the Junior Citizens of the year as selected by a panel of outstanding personalities. Winners will receive a Canada Savings Bond and a framed certificate. Their achievements will also receive recognition through the press as an expression of your admiration.

Who Qualifies for a Junior Citizen Award

Any boy or girl in Alberta, or any group of boys or girls in Alberta whose ages are between 16 and 18 years inclusive, whose residence is supported by living mainly within the province, and who, from such as Scouts, Girl Guides, 4-H Clubs, etc., who have made outstanding contributions or have given service to their community. In the case of individuals, it may be an act of physical bravery, charitable service rendered under difficult circumstances, or continued service during illness.

How to Nominate a Junior Citizen

Send details to the editor of this newspaper. Include the name, address and age of your nominee, together with your reasons for nomination. Send also your own name and address. When nominating a group, the name of the group, and the leader's name and address should also be included with your reasons for nomination.

CANADIAN UTILITIES LIMITED

TO THE EDITOR
The young person, or group of young persons I believe should receive an award, is:

## Clandonald U.C.W. To Plan Vacation School

The July meeting of the Clandonald U.C.W. was held at the home of Mr. and Mrs. H. Campbell with ten members and three visitors present. In the absence of President Mrs. L. Goddard the Vice-President Mrs. L. Forsythe conducted the meeting. Mrs. Opel Cooper gave the devotional. Miss Duncan informed us of a member joining our church.

Vacation school was the topic for discussion. An important meeting is to be held in the manse on Tuesday, July 19 at 8 o'clock for leaders, helpers and all those wishing to help. Let's have a good turnout.

Vacation school time is an event the children all look forward to.

Lunch committee for Aug. 4th, Mrs. A. Schoonmaker and Miss J. de Jong. Meeting to be at the home of Mr. and Mrs. H. Hagen at 8 o'clock. Roll call each member bring a guest.

Miss Duncan closed the meeting with a short benediction.

A delicious lunch was served by hostess and lunch committee.

Dr. Dwight Powell from Edmonton, Superintendent of Home Missions, was guest speaker at on Sunday, June 26th. There was a good attendance to hear his message on "Love".

Are you a teen-ager? Are you a teen-age driver? Are you a good driver? Do you want to be a better driver? Your mental health has a lot to do with it, and that's why the Mental Health Association offers you, free, a helpful pamphlet entitled "How to be a Better Teen-age Driver". Write to the Canadian Mental Health Association, 619 Revillon Building, Edmonton.

## Pretty Wedding Solemnized In May

St. Stephens United Church in Edmonton was the setting of a pretty wedding on May 28th when Miss Doris de la Salle of Vegreville, daughter of Mr. and Mrs. Henry de la Salle of Vermilion, was united in marriage to Douglas Earl Greenfield, also of Vegreville, son of Mr. and Mrs. Samuel E. Greenfield of Saskatoon. Rev. Frank Chubb officiated.

The bride, given in marriage by her father, looked lovely in a floor-length sheath dress of silk organza with sicon lace insets sleeves and a long train with matching lace trim accented at the waist with a large bow. Her five layer bouffant shoulder length veil of nylon tulle was held in place by tiny white lilies of the valley centred with a rose. Her only jewelry was a three strand cultured pearl bracelet, gift of the groom. She carried a cascade bouquet of live red roses and wore white wrist-length gloves.

The bride's mother chose a turquoise suit trimmed with matching lace and wore white accessories complemented with a corsage of red roses. The groom's mother chose a beige walking suit with white accessories, also complemented with a corsage of red roses.

Attending the bride were Miss Mike Danyluk, her twin, from Vancouver and Miss Anita de la Salle, her sister, of Vegreville. They wore floor-length sheath gowns with an Empire waistline, of turquoise spay chiffon with lantern sleeves, wearing matching headpieces. They carried pearl evening bags, a gift from the bride, decorated with a corsage of white carnations and white accessories.

Attending the groom were Mr. Wm. Balmer of Edmonton and Mr. Norm Kitz of Vegreville, friends of the groom, wearing identical dark brown suits.

Following the marriage, open house was held at the residence of Mr. and Mrs. Wm Balmer, where the bride and groom opened a shower of beautiful gifts.

A reception for the immediate families was held at the High way Motor Hotel in Edmonton.

The bride's table was beautifully decorated and centred by a three-tier wedding cake.

Mr. Sam Sirr acted as Master of Ceremonies. Also present upon the head table in addition to the bride and groom were Miss Eleanor de la Salle, youngest sister of the bride, and Miss Diane Balmer, sister of the groom.

Out-of-town guests attending the wedding were from Vancouver, Calgary, Athabasca, Hay River, Edmonton, Morinville, Vermilion, Beauvallon and Saskatoon.

For their honeymoon to Las Vegas, Nevada, via Greyhound Lines, the bride wore a green green two-piece suit with matching coat of worsted wool crepe complemented with a corsage of white roses and black accessories.

Following their honeymoon the newlyweds will make their home in Vegreville

## Attends World Convocation of Seventh Day Adventists In Detroit

Seventh-Day Adventists from around the world met in Detroit, Mich., at Cobo Hall from June 16 to 25 for the 50th session of the General Conference. A General Conference session is held every four years and is the largest of any meetings held by the Seventh-Day Adventist denomination.

Those who attend the session are representatives of the over one and one-half million Seventh-Day Adventists who are scattered throughout the 14,030 churches in all the 200 countries and islands of the world where the message is preached in 1966 languages.

In attendance were some 1,641 voting delegates appointed to transact the business of the church by the 20,000 plus who comprise the delegate body. Seventh-Day Adventists in Alberta were represented by Mr. Lloyd Stevenson, president of the Alberta Conference of Seventh-Day Adventists, Mr. [illegible], president of Canadian Union College, Lacombe, Alberta, and [illegible] president of the Alberta Conference of Seventh-Day Adventists.

## Centennial Report

1867 1967

by JOHN W. FISHER
CENTENNIAL COMMISSIONER

I wish the Centennial Commission could buy a ticket and the great gang from Expo 67 in Canada to see Expo 67 next year. But I just don't have the budget to do that.

Millions of Canadians won't see Expo but most of those who can't make it to Montreal will be able to see some Centennial spectacular in the nearest city. Canada's Centennial is also shaping up for all parts of the country. It will be a performance of the Canadian Armed Forces Tattoo, one of the largest spectacles of its kind ever to be presented in North America. It could be the touring Centennial air show with thrilling flying by the Forces' formation aerobatic team the pilots specially picked for the 1967 celebrations.

Those living on or near the canals and waterways will be able to see a magnificent naval assemblage of the majestic ships of the Queen's navy and those of a number of other countries.

In major cities there will be dazzling performances on stage by top artists from Canada and abroad. Plans are in an advanced stage for a Canadian Centennial opera to be presented in Toronto.

Proposed international events in Canada next year include a balloon race across the prairies; world canoeing championships on a North American old champion ship meet and international ski jumping competitions near Ottawa; international air show at Abbotsford B.C.; international motorcycle race Toronto; world hydroplane championship races at Valleyfield, P.Q. and a water skiing world championship meet at Sherbrooke P.Q. to mention a few.

The point I make is that no one who can't afford a trip to Montreal should be disappointed about Centennial Year. In the realm of spectacular events there will be something to see in every major Canadian city.

The small towns as well, with visits by the touring Centennial Caravans representing fascinating exhibits of Canadiana and their own community Centennial events, will be gay attractions.

For those unable to leave their own home town shut tin the year 1967 will be a special one. With our coast to coast radio and television communications today all will be able to witness or listen to the great sporting events, one or more Centennial performances, before the 4,000 radio cams race — in fact they will be able to enjoy many of the events I mentioned above by electronic means. The Canadian Broadcasting Corporation has great plans for Centennial coverage and so have the magazines and newspapers of Canada.

It's going to be a big birthday celebration and no one is going to be left out of the party. There will be something for everyone young or old — to do, to see and to be happy about. But the most important event to be happy about is that this young country is moving into its second century of Confederation with a bright future ahead.

# Street Parade to Start '66 Fair

DIVIDED THE PITCHING DUTIES — These two young Cardinal pitchers, Kathleen Ross on the left and Karen Coburn on the right, subdued the Barrhead hitters on Sunday, when the Cards won the first game of a double-header. It's back to Barrhead this Sunday, July 24th.

### Widespread Hail Damage To Crops In This Area

The Vermilion district has been the centre for three separate hail storms during the past week and widespread damage to crops is reported. Hail insurance agents state that many hail claims have been made than for many years.

The torrential showers and electric storms have swept the area consistently during the last week.

VIOLENT STORM TUESDAY

The storms reached a climax on Tuesday, July 19th during the afternoon. Hail and rain poured down with the hail lying thick on streets, lawns and crops. 1.33 inches of precipitation was recorded on the 19th at the weather station.

Areas to the west and northeast were particularly hard hit by this storm. Crops of up to 90% being reported. Seldom has a hail storm lasted as long as the one on Tuesday. Even an hour after the storm, the Standard measured hailstones as large as 3½ inches in diameter, and at the time of the downpour there seemed to be millions of them to use for

WINDOWS SUFFER

Windows suffered during the Tuesday storm with the chief victim being the new greenhouse at the V.A.V.C. where hundreds of panes of glass were broken.

### Three Big Days — Thursday Friday, Saturday, July 28-30

The parade committee for the Vermilion Fair reports that interest in this popular event is very high. To date many local businesses have indicated that they will be participating. Outside interest is also keen with several floats being entered from Elk Point along with a group from that town's Saddle Club.

There is still plenty of time to prepare an entry. Join in the fun and help make this year's parade even better than that of one year ago.

MINISTER TO OPEN FAIR

The Vermilion Fair will be officially opened on Thursday evening, July 28, at 8:30 p.m. by the Hon. Harry Strom, Minister of Agriculture for the Province of Alberta. Why the Hon. Mr. Strom will be the platform will be other officials and dignitaries.

FAIR ENTRIES CLOSE WEDNESDAY, JULY 20th

Exhibitors at the Vermilion Fair are reminded that entries close on Wednesday, July 20.

HELPFUL MACHINERY DEMONSTRATION AT FAIR

Fair patrons on Saturday afternoon, July 30th will be able to gain valuable information on granting the maintenance of tractor and farm machinery.

A Dynamometer will be used to show the importance of proper clearers, proper timing, clean plugs, etc.

It is planned to have an agricultural engineer at the demonstration to answer questions regarding all farm machinery.

## Marketts A-Go-Go at Fair For Young People

The Vermilion Exhibition Association are giving special consideration to young people and as a special attraction for Saturday, July 30th the Marketts will be featured. Fair on Saturday when they will appear at the grandstand show for one performance only.

DANCE AT NIGHT

The Marketts will also play for a mammoth dance at night which will be in the stadium on the ice surface. Admission to the dance will be $1.00 per person.

THE MARKETTS

The Marketts are a very talented group of five of the finest singers and musicians from the west coast (Los Angeles) who record for Warner Bros. Records. The Marketts are presently on the charts with Batman which the disc jockeys are spinning throughout the country. Their latest single "The Avengers" is a pick to click in both billboard and Cashbox magazines.

The first hit of the Marketts was in early 1962 when they came out with "Surfer's Stomp". They followed this hit with Bal Bliss which jumped to No. 1 on the multi-of charts. Then came an album of their hits which combined with some new tunes made an album nothing but winners.

The Marketts have been to Hawaii for a big time and have also played multi-thons night and day for charity. Recently they have been heading out again on one nighters due to the many requests for their appearance in person.

25-YEAR SERVICE PIN

Mr. and Mrs. Doug Thomson [illegible] to Edmonton where Mr. Thomson was presented with his 25 year service pin and scroll by the Department of Transport for his efforts. Mr. Thomson has taken [illegible] opportunity to polish and wax to Jasper for a short stay.

## Cards Lead In Fastball Playoff

Vermilion Cardinals swept both ends of a double header on Sunday, July 17th from the Barrhead team, and thus take a two game lead in the provincial ladies fastball playoffs. The second game was an exhibition unless the series ends up in Barrhead on Sunday, July 24th, when it too becomes a playoff fixture.

The Cardinals won the first game 10 runs to 7 and came from behind twice to do it. Big bit of the game was by Laureen Ross who banged out a mighty 3 bagger to score two runs in the 5th, and this put Vermilion into the lead. Pitching duties were divided between Kathleen Ross and Karen Coburn with heaviving by Laureen Ross.

In the second game the Cards won by a score. Pitching chores were again by Kathleen and Karen with Laureen catching.

The series now moves to Barrhead on Sunday, July 24th and the city will be accompanied by the usual busload of supporters. The next step is to Calgary.

## Vermilion Teams Win At Leduc Ball Tourney

The Vermilion baseball teams showed power in the recent Leduc Senior tourney.

The Midgets finished on top by downing Leduc 6 to 5 in the coming back to hammer Lacombe 12 runs to 2.

Barrhead, some real class in downing the Edmonton Glen Park All Stars 5 to 0 in only three Edmonton players reaching first base. In the same game against Ponoka Vermilion boys finished in the first inning allowing six unearned runs and were thwarted on their comeback attempt by time limits. The final score was Ponoka 6 Vermilion 1.

The Pee Wees edged out Rollyview 10 to 9 in four innings in the tournament finals. Ponoka 10 to 9 in seven innings.

Vermilion teams looked strong in all divisions and were thanked by the tournament chairman Jim Labres for their fine show and good sportsmanship displayed by all players.

## Bobby Stuhl Killed In Highway Crash

Bobbie Stuhl, aged 18 years, of Edmonton, and well known in Vermilion district, was killed on Sunday morning when his car ran off Highway 16 at Mundare corner and crashed into an approach road. The vehicle apparently rolled several times and Bobbie was killed instantly.

The deceased is the grandson of Mr. Steve Stuhl and a nephew of Ernie Stuhl of Vermilion. In the past he had spent his summers with the Stuhl family here.

Funeral services were held in Edmonton on Wednesday afternoon.

## Injured Ontario Girl Has Aunt Here

Little 4-year-old Myrna Hall of Ontario was injured when a bus mower, in great grandmother of Mrs. Hodgins of Vermilion. The accident occurred on the Hall farm in Peterboro, some 40 miles west of Ottawa, Ontario.

The little girl's two arms were re-attached but it became necessary to remove the left arm on Monday night. Condition of the right arm is good and doctors will know Wednesday whether the arm has been saved.

Mrs. Hunt, the little girl's mother called Mrs. Hodgins by phone to tell her of the accident. The two families have always kept in close contact.

## Second Swim Session Underway

The second session of swimming classes got underway on Monday of this week with 60 pupils registered. Registration for the third session will be held Monday, Aug. 1st.

Tests for the first class were held last Saturday and results will be published as soon as they are compiled.

## No Parking For Parade Route

There will be no parking permitted on Thursday, July 28th between 51st street (Code Plant corner) and 49th Street (Imperial Block Corner) along 50th Avenue between 10:30 a.m until the parade has passed.

Your co-operation is asked.

## Applications For Home Owners Discount Mailed

By this time every homeowner ratepayer in Vermilion has received his or her application card for the Alberta Homeowners Discount.

This $20.00 is paid in cash to the Town of Vermilion, on behalf of the taxpayer, by the Alberta government.

When returning your application for homeowners' tax discount, observe the following procedures:

Fill in your first name, not just your initials; your date of birth, address, and social insurance number if applicable.

Sign the application card in ink on the reverse side. Then mail it to Box 95.

Return completed card to the office.

1966 taxes must be paid in full or the $20.00 homeowners application can be forwarded to Provincial authorities.

If your taxes are not paid, hold the card until making pay ment. If you have not received your card, check at the town office.

## Holiday Time Nears

The Vermilion Standard will be closed for holidays from Thursday evening, July 28th to Friday morning, August 12th. The newspaper issues of August 4th and August 11th will be cancelled.

The Standard will be published next week, July 28th as usual.

New Alberta Ministers Are Sworn In

Left to right: Hon. J. W. Grant MacEwan, Lieutenant Governor of the Province of Alberta; Hon. E. C. Manning, Premier of Alberta; Robert C. Clark, newly-appointed Minister of the Department of Youth; Adolph O. Flmrite, newly-appointed Minister without Portfolio; and in the background the Hon Raymond Reierson, Minister of Labour and Telephones; Hon. R. H. McKinnon, Minister of Education, at the official swearing-in ceremonies in the Legislative Building, Edmonton, July 4, 1966.

## Widespread Hail Damage To Crops In This Area

The Vermilion district has been the centre for three separate hail storms during the past week and widespread damage to crops is reported. Hail insurance agents state that many hail claims have been made than for many years.

The torrential showers and electric storms have swept the area consistently during the last week.

## Injured Ontario Girl Has Aunt Here

Little 4-year-old Myrna Hall of Ontario was injured when a bus mower, in great grandmother of Mrs. Hodgins of Vermilion. The accident occurred on the Hall farm in Peterboro, some 40 miles west of Ottawa, Ontario.

The little girl's two arms were re-attached but it became necessary to remove the left arm on Monday night. Condition of the right arm is good and doctors will know Wednesday whether the arm has been saved.

Mrs. Hunt, the little girl's mother called Mrs. Hodgins by phone to tell her of the accident. The two families have always kept in close contact.

## No Parking For Parade Route

There will be no parking permitted on Thursday, July 28th between 51st street (Code Plant corner) and 49th Street (Imperial Block Corner) along 50th Avenue between 10:30 a.m until the parade has passed.

Your co-operation is asked.

## Applications For Home Owners Discount Mailed

By this time every homeowner ratepayer in Vermilion has received his or her application card for the Alberta Homeowners Discount.

This $20.00 is paid in cash to the Town of Vermilion, on behalf of the taxpayer, by the Alberta government.

When returning your application for homeowners' tax discount, observe the following procedures:

Fill in your first name, not just your initials; your date of birth, address, and social insurance number if applicable.

Sign the application card in ink on the reverse side. Then mail it to Box 95.

Return completed card to the office.

1966 taxes must be paid in full or the $20.00 homeowners application can be forwarded to Provincial authorities.

If your taxes are not paid, hold the card until making pay ment. If you have not received your card, check at the town office.

## Holiday Time Nears

The Vermilion Standard will be closed for holidays from Thursday evening, July 28th to Friday morning, August 12th. The newspaper issues of August 4th and August 11th will be cancelled.

The Standard will be published next week, July 28th as usual.

New Alberta Ministers Are Sworn In

Left to right: Hon. J. W. Grant MacEwan, Lieutenant Governor of the Province of Alberta; Hon. E. C. Manning, Premier of Alberta; Robert C. Clark, newly-appointed Minister of the Department of Youth; Adolph O. Flmrite, newly-appointed Minister without Portfolio; and in the background the Hon Raymond Reierson, Minister of Labour and Telephones; Hon. R. H. McKinnon, Minister of Education, at the official swearing-in ceremonies in the Legislative Building, Edmonton, July 4, 1966.

MR. AND MRS. HIRAM H. HODGINS

## Pioneer Couple Wed 65 Years

A [illegible] pioneer Vermilion couple, Mr. and Mrs. Hiram H. Hodgins, celebrated their 65th wedding anniversary of their wedding on Wednesday July 13th. Despite the [illegible] event [illegible] [illegible] [illegible]

## Young People Deserve Recognition

Here is your opportunity to give recognition where due How many times have you wished for some way to express your admiration and gratitude for an act or acts of exceptional merit, to a deserving young citizen or to a deserving group of young citizens?

The Canadian Utilities are again making awards to Junior Citizens of the year, and any boy or girl in Alberta or any group of boys or girls whose ages are between 6 and 16 years are eligible

However, it is up to you to nominate anyone or group you think should receive this provincial recognition. In the case of individuals, it may be an act of physical heroism, service in the home, or scholastic success achieved under difficult circumstances, or exceptional courage during illness.

Send details to the Editor of The Standard, include the name address and age of each nominee But hurry — the closing date for 1966 is July 31st.

* * *

## National Farm Safety Week

Every year a week in July is set aside as National Farm Safety Week. This has been established in recognition of the many hazards involved in farming and of the care which is needed to avoid injury and death on the farm.

Farm accidents may be caused by machinery or animals, however, in most cases, mishaps result simply from human negligence. For this reason safety precautions and regulations are established so that farm workers may avoid injury to themselves and their property.

Farmers are warned that allowing young children to drive a tractor or other large piece of farm equipment can be a dangerous business. In spite of pictures in the press showing young children driving farm machinery, this practice is extremely dangerous. Even a sixteen year old will find trouble in operating the heavy machinery.

When safety procedures become a habit, accident on the farm are decreased.

## A Canadian Tax Haven?

Residents of the Province of Alberta may soon claim that they live in the only Canadian territory that could be called a tax haven; that is, so far as estate tax is concerned.

This appears to be the intent of a Resolution introduced in the Alberta Legislature whereby the estates of bona fide residents of that Province will have refunded to them that portion of estate tax returned to the Province by the Federal Government under present Federal-Provincial tax sharing agreement. The net result will be that an individual's estate will be subject to about 25% of the tax that would be levied on the same estate had the deceased resided in another province.

To reap the full benefit of the tax reduction, seemingly it would be necessary not only to be a bona fide resident of Alberta but also for the individual to have all of his assets physically situated and transferable in Alberta. Assets which could not as quality would be subject to the taxes applicable to the provincial jurisdiction in which they are deemed to be situated. However, by taking steps to transfer all of his assets to a holding company incorporated in Alberta, an individual can bring his entire estate within that Province

As Premier Manning has indicated, the taxing of estates and their beneficiaries causes Canadians to seek tax havens elsewhere, dampens incentive and is a costly tax to collect therefore our Country would derive greater benefit if all such taxes were eliminated. Action being taken by Alberta's Legislative Assembly is the first move towards this end Unless the other provinces take similar steps, the old cry "Go West, young man" has been given new meaning.

## The Scent of Death

Picked up by school children near Irma, this 3-weeks old fawn was brought to George Sens and is now at Storyland Zoo in Edmonton.

The young boy loved animals. young deer, and it died of starvation; many a time he was overcome with pity as he looked down at the tiny fawn, rubbing its small head against his legs. He couldn't resist its soft bleating and those big, brown, trusting eyes looking into his and cradled it in his arms Thus, the kind boy became the fawn's executioner. When the baby deer was cuddled in those sympathetic arms. It was immediately covered with the "scent of death" the human scent which spells DANGER to fawn animal kingdom.

Animals seldom, if ever, abandon their offspring unless there is reason The mother of this seemingly deserted fawn was just out of sight, loafing, before returning to care for her young one When she returned, her sensitive nostrils picked up a human scent, two scents in fact, instinct Mother instinct was replaced with fear and she took off like jet propulsion for safety. She would no longer recognize her own fawn, her inability but knew it by the trail to do

On another occasion, a Lands and Forests conservation officer, who was also a member of the Ontario river boards looked towards the shore and saw two human beings nothing unusual here, except one was holding a moose calf while the other photographed it. The conservation officer immediately beached his canoe and gave the two humans a one-minute lesson in conservation, but it was too late. The small moose died when its mother did not return

Then, there was the case of a family who, while driving along a wooded country road, almost hit a bewildered fawn. It looked so frightened and forlorn they took pity on it, and thinking it would make an interesting pet, put it in the car and headed for home However, they found that no formula served with the

## 48 Years Ago Today

JULY 13th, 1918

An important real estate deal was finalized last week when J. D. Chelmetsky bought the store premises, which he has occupied now he moves to Vermilion. Mr W J Macnab The price is understood to have been $7250.

The contract has been let to Trumbo of Islay for the erection of a two-story garage and office building on 1st St. South for I. A. Wheeler.

George Law is erecting a brick garage on the site of the old one, destroyed in the fire. The new building will be 60 by 80 feet on concrete foundation 13 foot walls and solid concrete floor throughout Owen Burns is the contractor

## 32 Years Ago Today

JULY 18th, 1935

Burglars broke into the Clendenning post office on Sunday night or Monday morning. They had accumulated to nearly $2 cents.

The Clandonald Pipe Band will be playing at the Greenham Old Timers' Picnic on July 29th at Kitchum's Lake

N. L. Dunn is attending the Edmonton Exhibition

W. A. Rosen well known local tailor is opening his own shop on Monday next, July 22nd He will be located on Main St., two doors east of the Bank of Commerce

## 16 Years Ago Today

JULY 20th, 1950

Purebred stock from the farm of W. L. Robinson swept the Shorthorn Classes at the Edmonton Fair this week.

Ideal growing weather with a nice combination of frequent showers and warmth. Crop prospects vary from good to excellent Total rainfall so far for July is 1 38 inches

Fred Goddard is to be congratulated on his initiative in purchasing a first class movie projector screen and reveal player Preparations are being made in the Legion Hall for the first show Saturday, July 22

Mr and Mrs Russell and two children Gladdon and Barbara Ann and Mrs. E R. Carroll returned last week from a very enjoyable motor trip to Calgary Banff, Wash.

## GREEN ACRES

By: Wilfred L. Cody, Associate D.A. Vermilion, Alberta

**4-H DAIRY HEIFER POLICY**

The Alberta Department of Agriculture will again buy dairy heifer calves for distribution to 4-H Dairy Club members. These calves are purchased in the Edmonton Milk Shed and are chosen from high producing herds.

Dairy club members or boys and girls who wish to join the Vermilion-Mannville Dairy Club, who require a heifer calf may place their orders at the D. A. office. The order must be accompanied by a cheque for $60. Orders should be in before Aug 1st. Boys and girls who wish to join the Dairy Club should contact Club Leaders Fred Haines, Fred Leversedge or J. C. Clement before ordering calves to be sure they are eligible to join

**4-H FAIR . . . SOMETHING FOR EVERYONE**

Again this year the 4-H program forms a very substantial part of the Vermilion Fair 3 beef clubs hold achievement days at the fair grounds on July 27th. The next day, the first day of the fair, these three are joined by two more clubs in the inter-club show which is followed by the 4-H Beef Test. These achievement days and shows prove very interesting and educational. It is to be hoped that these events will attract many visitors. The 4-H'ers will appreciate the support and encouragement. So just pick up a bit of information as well.

The beef sale is also worthy of support. If you can't use a whole animal yourself, perhaps you can find a partner who'll take half. There are also several stores in Vermilion taking orders for 4-H beef. If you can use a quarter of beef go in and place your order Supporting this sale doesn't cost it pays You buy high quality meat and at the same time you support the most highly respected rural young people's organization in Canada.

## Paradise Valley

Confirmation services were held as the United Church June 19th when Mrs. G. Henry, Miss Gwendy Guy, Miss Beverly Henry and Miss Beverly Dobson joined the church.

Mrs. F. Sivett, Mrs. J. Gordon and Mrs. E. Kragnes accompanied Mr and Mrs. A Weeks to the U.C.W. Rally held at Cold Lake June 22.

Patients in the Lloydminster Hospital are Ed Laurence, Mrs. T. Bennet and W. A. Gunn. We wish them a speedy recovery.

somewhat and come out to see what a dairy cow looks like and how a dairy showman performs compared to a beef showman. Besides, with the trend toward cross-breeding, some of you beef breeders may want to look over some potential breeding stock.

## The Homemaker

MISS E. MARION BLADES
Wainwright — Phone 842-3454
Vermilion — Phone 853-3393

**PRESS AS YOU SEW**

This should be the motto of every home sewer Your iron is as important to sewing as your machine. While cutting and sewing shapes fabric into a garment, pressing creases and maintains shape and finishes the garment. This makes pressing an essential construction technique which prevents the "homemade" look. Careful cutting, stitching and fitting all can be ruined by too little pressing inaccurate pressing or too much pressure. Final pressing can never take the place of step-by-step pressing during construction.

Before going any farther, I should probably distinguish between pressing and ironing. Pressing requires a gentle hand using an up and down motion of the iron. Ironing uses sliding motion of the iron. Ironing with the lengthwise grain of the fabric helps to keep its original shape. Ironing may tend to stretch or distort and thus pressing is the better technique on better fabrics.

There are a number of pieces of pressing equipment besides an iron and board. A sleeve board, press mitt, tailor's ham, needle board or velvet board, seam roll and point presser are all valuable aids. The average person would not have all of these articles but a press mitt, tailor's ham and seam roll can be easily made out of muslin and a bit of stuffing. In fact, a makeshift seam roll could be made by wrapping firmly woven cotton scraps & rolling pin or a glass refill bottle. Another alternative is to roll up some magazines in a clean cloth and cover with a cotton.

A relatively new area in pressing is the variety of new fabrics which require special attention. Most of the new synthetics, being thermoplastic (heat sensitive) require lower temperatures or else they melt or partner. Aside from synthetics, linens, laminates, knits, metallics, silk, velvet, leather, pile fabrics, etc., all require special pressing techniques.

We have a new pamphlet available through our office It is entitled "Press as You Sew For Professional Results" and was written by General Electric It is really an excellent pamphlet and covers all of the areas that I have just mentioned briefly. If you would like a copy of it, drop me a note or phone and I will be happy to send one out to you.

## Horse Shoe Tourney At Vermilion Fair

All persons interested in tossing horseshoes are invited to attend the Vermilion Fair on Friday and Saturday, July 29th and 30th. Three pits will be in operation and Mr Peter Wilkinson will be in charge There will be no entry fee for this tourney but the prizes will be awarded of $12.50, $7.50, and $5.00.

## Naciuk Family of Mannville Visit Carlsback Caverns

Mr and Mrs. Mike Naciuk and two children and Mrs Anne Naciuk of Mannville recently returned from a 3,000-mile holiday trip which took them as far south as New Mexico One of the highlights of the holiday was a day spent in the Carlsback Caverns, the world's largest underground caves, which are located in a national park An underground lunch room seats 754 people and is 829 feet below the surface. The beauty and variety of nature in the caverns is beyond any description

## 4-H Dairy Club Meets in Vermilion

(By Don McPhee)

The regular meeting of the Vermilion-Mannville 4-H Dairy Club took place on Wednesday, July 13th with twelve members present. In the absence of the secretary, Peter Arnold was nominated to fulfil that position.

Preparation was made for the forthcoming achievement day at the fair. It was moved that the club donate prizes of $5, $3 and $2 for the three different classes. It was decided that members wear the same uniforms as before, black pants, white shirt and black tie. Harvey Haines gave a brief talk on the trimming of calf.

Mr. Haines read a letter from the fair board which stated that grain and legume classes were open to all 4-H members. It was hoped that members would participate in the classes Horsemanship prizes on the selling of slow moving vehicle also at the fair. Harvey Haines was appointed to inquire about this

Karen Stephenson gave an interesting talk on the seminar that she attended recently in Calgary

The meeting then adjourned, following which the members and their families had a very enjoyable wiener roast.

## ISLAY Local News

Recent callers at the Potvin home were Mr. and Mrs. Walter Brown of Innisfail accompanied by her granddaughter Donna McFadyen from Holden who were visiting in the district with Mr. and Mrs. Ed McFadyen. Mrs. McFadyen accompanied them on the call.

Mr. and Mrs. Wm. Hine, Darbert, Robbie and Darlene arrived from Toronto by car last week. They are visiting at present with Mr and Mrs W Potvin but are visiting many friends in the district. On Sunday afternoon Mr. and Mrs. Eric Hine and two children joined them to celebrate

## Beauvallon Camp Meet Scheduled for July 28-31

Again the summer months have come and with them the annual camp-meetings of Seventh-day Adventists Literally hundreds of these great gatherings are held throughout the world. Thousands attend this spiritual feast.

Beginning July 28th at 7.30 p.m. will be the first meeting of the annual camp-meeting of Seventh-day Adventists at Beauvallon. Daily meetings begin at 9.30 a.m. and continue through the day with the final meeting Sunday, July 31 at 7.30 p.m. Two divisional meetings for children are conducted daily. 9.30 a.m. and 2.30 p.m.

A number of visiting guest speakers will be present. They include Pastor Carl E. Gunther Home Missionary Secretary of the General Conference of Seventh-day Adventists Takoma Park, Washington, D.C.; Pastor Herb Rebuke of Mountain View, Calif., who is the editor of the Ukrainian Signs of the Times and Voice of Prophecy speaker over two stations in the Ukrainian language. Pastor Rebuke is known in many to the district since he claims Vermilion as his home place. Also present will be returned missionary from Poland, Pastor A. Smyk. He is a native of the Ukraine with wide missionary experience

Available at the Book and Bible House store are Bibles books, children's books Bible games and a variety of Sabbath school supplies.

A wealth of spiritual inspiration awaits you. This is your personal invitation from your district pastor Sigri Gallant and members of the Seventh Day Adventist churches in the districts of Innisfree, Myrnam, Beauvallon, Vegreville, Bonnyville and Vermilion.

Everyone is cordially invited to attend.

## NEWS from ISLAY

Mr and Mrs Gerald Inman of Grande Prairie visited their uncle Mr. I. D. Inman and Mrs. Inman, also Mrs. Ridley Inman. They travelled by car and trailer.

Mr and Mrs. Jerome Durand from Carstairs were holidaying and made some calls on old time friends. They lived here about twenty five years ago.

Mrs. J. Ryan has her parents visiting her from England.

Ralph and Bessie Anderson went to Fort Saskatchewan on Sunday taking home their cousin Bruce who had spent the week here with them.

We received Tan and Bill MacFadyen with a host stop the car on their way fishing with the Cliffords.

Mr and Mrs. Dave Clark and Carol and Barbara have returned from Toronto where they were calling on friends Wednesday.

Darlene's 7th birthday at the Potvin home

Mrs. Walter McCaughan spent Sunday afternoon with Mr and Mrs. Ed McFadyen

Mr and Mrs. John Maire and Johnny are holidaying in Calgary and south points

Mr. and Mrs. Charlie Sens and children attended the Calgary Stampede. They also visited the latter's parents at Drumheller

DANCE AT CLANDONALD

A dance will be held in the Columbian Hall at Clandonald on Friday, July 22nd. Music by the Stagerders. Dancing 9 p.m. to 1 a.m. Sponsored by St. Columbus Parish. Admission $1 each. Lunch served. 5

Winners of the "Mary Poppins" prizes at the Colonial Theatre last week were Shirley Walsh who got the Mary Poppins Doll and Dennis Knight who got the record.

59 Years A Standard Reader

R. E. Stanley of Clandonald called at the Standard office this week to renew his subscription to the Standard for the 59th consecutive year. He has been a reader ever since the paper started in 1909. Readers with similar records have now become very few. Prior to the publication of the Standard Mr. Stanley was a subscriber to the town's original paper, "The Signal."

APPRECIATION

Although no announcement was made we wish to thank the many friends and neighbors who called during the afternoon and evening to help celebrate our 45th wedding anniversary. We thank those who sent us such lovely cards, letters with best wishes, and for all the beautiful flowers and other nice gifts.

We also thank those who helped in so many other ways, to those who helped to serve tea, to Mrs. Olive Clark who decorated the cake and to Jean Stitfully.

All these made the day a very happy one for us which we shall never forget.

Commences Second Century of Service

What does it cost? When a man's gets off to a wrong start in life? When a man drifts into heavy drinking and deserts his family?

When a neighbor takes a wrong turn in life, it may cost the public additional dollars in welfare services to feed and clothe a family which has no breadwinner, to provide care for a baby born out of wedlock. A boy's future is often cut short and wind up a prison inmate or narcotics addict; his unproductive life bars costing an enormous sum in money and misery.

The Salvation Army claims no simple cure-all for the world's mistakes and miseries, but its program of spiritual guidance and wholesome activities for young people, old people, all people, does contribute to family and community stability, and thus helps keep down the cost of welfare and institutional services.

There are no statistics on the subject, but it is a safe bet that just many young people who have found interesting and purposeful activities at the Salvation Army, wind up in the police courts, mental hospitals or jails.

Throughout the world, Salvation Army officers are workers in jails and correctional institutions. Thousands of prisoners are released on parole through such Salvation Army sponsored Bible Study courses. Officers frequently act as parole advisers when a man has been released from prison and continue up a prison inmate or narcotics addict; his unproductive life bars costing an enormous sum in money and misery.

The Salvation Army claims no simple cure-all for the world's mistakes and miseries, but its program of spiritual guidance and wholesome activities for young people, old people, all people, does contribute to family and community stability, and thus helps keep down the cost of welfare and institutional services.

There are no statistics on the subject, but it is a safe bet that just many young people who have found interesting and purposeful activities at the Salvation Army, wind up in the police courts, mental hospitals or jails.

Throughout the world, Salvation Army officers are workers in jails and correctional institutions. Thousands of prisoners are released on parole through such Salvation Army sponsored Bible Study courses. Officers frequently act as parole advisers when a man has been released from prison and continue to help him the most in human suffering and help the individual himself, reduce the number of society's needy cases.

These and many other services are offered cheerfully by The Salvation Army as it enters its second century of service to God and Man".

LOCAL NEWS

Miss Maybelle Knutson and Miss M. Perry of Sudbury, Ont., returned Friday from a trip to Calgary, Banff and Lake Louise. While in Calgary they took in the Stampede. Miss Perri returned with Maybelle for a visit at the Knutson home in Vermilion and renewed acquaintances with friends here. She spent several years nursing at the Vermilion hospital. The trip from Sudbury was made by air.

Mr. and Mrs. Charles Prosser and twin boys of Campbell River, B.C., were visitors at the home of Mr. and Mrs. Wm Choma. While here, Mrs. Prosser (nee Choma), was a matron of honor at the wedding of her niece, Miss Florence Choma.

Miss Dalie Beecroft and Mrs. Anne Cox of Edmonton returned last week from a vacation spent on Vancouver Island and in Vancouver.

Mr and Mrs J. V. Niddrie and their two children, Velora and Terrill, of Edmonton were week-end guests at the home of Doris' parents, Mr. and Mrs. John Hussack.

Mr and Mrs Roy Dibben and daughter Mavis plan to spend a month's holiday in the British Isles where they will visit relatives at the old home of Mrs. Dibben. The trip will be made by air

The Standard has an interesting letter from Roy Heslop well known Islay old timer who now resides at Hamilton, Ontario. As it contains, much of interest the letter will be published next week

Mr and Mrs B. A. Wilson who have been living in Tillasmoor Ont., were in town on Tuesday on their way back to Fairview, Alberta where they plan to reside in future

Mrs J. McNamara of Edmonton was a recent guest at the home of her brother-in-law Mr. Wm McNamara and Mrs. McNamara

Mr and Mrs Vic Dewhanich and family returned last week from a vacation spent in south Alberta. Mrs. Albert Wells in Lethbridge, they called on the Douglas and Fleming families in South Former Residents of Vermilion.

Mrs. Margaret Lamb of Vancouver is now located here on a visit with her son Mr. and Mrs. Keith Mrs. Mrs. Mrs.

# PLOWS FOR INDIA FUND

The Plows for India campaign that the Farmers' Union of Alberta is sponsoring is off to a good start. Two complete units have been donated to date by the Jr. F.U.A.

At the recent provincial F.U.A. Summer Board Meeting, the Board approved the formation of a "Plow for India Fund" and the machinery is presently being implemented to handle the money.

Ken Jensen, the Jr. F.U.A. president at that time, made the fund a reality by donating enough for the first plow. Cecil Hoven of Edgville, the newly elected Jr. President, reports that the Annual Junior Convention held last week at Gold Eye Camp, approved the donation of funds for the second plow and harness.

The steel mouldboard and walking plow and leather harness are manufactured co-operatively in India and cost approximately $25.00 each in Canadian money.

Paul Haney, F.U.A. President in speaking of the fund, says that the project helps the people of India in two ways. It not only assists the farmers to work their land more efficiently with better equipment to produce more food, but also creates employment in the manufacturing of the plows.

# Health Unit Notes

**RASHES**

The child's skin is much more delicate than that of the adult and the baby's skin is most delicate of all. In quite early days it is possible for a baby to produce a rash. This is frequently because the baby's delicate skin is brought into contact with something to which it is sensitive. Even the woollen coats and brushed nylon or wooden hats are frequent offenders, and these will often produce a rash around the face. This is typically below the chin from the collar of the coat, and around the ears and cheeks of the face from the parts of the hat which tend to rub them. Another common source of rash on the body is from a woolen or fluffy under vest which occasionally produces a measles like rash confined to the body only — exactly where the vest fits.

Sometimes it is not the fabric, but the dyes which are the offenders, used in processing the garment which causes the rash. The treatment is always the same. Remove the offending garment and the skin will recover. Water tends to irritate the skin in this condition, and the baby is best cleaned with olive oil or liquid paraffin until the rash subsides. Because of the tendency for water to make the skin more irritable the area around the mouth may be adversely affected where the baby drools, and occasionally an eczematous like attack develops behind the ears from the moisture of perspiration.

Certain food stuffs sometimes cause an intensely irritating rash on the body occasionally with swelling of the lips and tongue. These irritative lesions are raised from the surface and rather like those of mosquito bites. A person who is sensitive very soon finds out those articles of diet which bring on an attack and learns to avoid them. With children this type of rash is particularly likely to occur when the child is constantly widening his dietary experience.

Some of the foods known to produce such lesions are straw berries, plums, lobster oysters, and occasionally coloured "bottled" Cow's milk can cause eczema.

Diaper rash is really a "burnt bottom". It is due to organisms or germs which live in the diaper and ferment the urea in the urine until it breaks down to give off ammonia. The ammonia burns the baby's bottom. A two pronged attack is needed to cure the condition. First the diapers must be sterilized. This is best done by washing and rinsing in the usual way. After the they should be steeped for 24 hours in a solution containing a quaternary ammonia compound sterilizer. "Roccal" is a good one, but not the only one. Abut a tablespoonful to a quart of water is a reasonable strength. After soaking the diapers wring them out, do not rinse, then dry them. Use these "sterilized" diapers alternately with those ordinarily washed and rinsed.

To sooth the baby's skin a zinc and cod liver oil cream, or zinc and castor oil cream will be found useful. Remember always change a wet diaper. In warm weather the baby can lie on a diaper without its actually being pinned. This frequently helps in curing a sore skin.

**WELL BABY CLINICS**

Friday, July 22nd — Irma (School) 2 to 3:30 p.m.

Monday, July 25 — Vermilion (Health Unit Office) 9:30 to 12 noon; 2 to 4 p.m.

Tuesday July 26 — Wainwright (Health Unit Office) 9:30 to 12 noon; 2 to 4 p.m.

Thursday July 28 — Innisfree (Office) 10 - 12 noon; 1 to 2:30 p.m.

Friday, July 29 — Dewberry (School) 1:30 to 3:00 p.m.

**RESPONSIBLE, CLEAR ROAD**

When the fire siren goes, all motorists are asked to pull over to the side of the road, and stay there until you are sure you will not interfere with the fire truck. (TF)

The newspaper is the only thing that helps her in buying decisions.

# News from Clandonald

Always beware like a duck — keep calm and unruffled on the surface but paddle like the devil underneath.

Mrs. Bill Sprott and sons Joe and Gerard and Mrs. Mick Conway left via train for Prince George, B.C., to attend the wedding of Johnny McMorrow and Mrs. Conway's daughter accompanied their son and daughter-in-law Bill and Yvonne Cusack to Prince George by car where they attended the wedding of their grandson and nephew John McMorrow.

Mr. and Mrs. George Carlton recently purchased the Goddard home in town.

Steve Melnyk has accepted a position at the Wainwright Army Camp as a mechanic. Dorothy and children plan to move to Wainwright before school starts.

Miss Loretta Lovell, the eldest daughter of Mr. and Mrs. Ed Lovell is employed in the Clandonald Hairdressers.

Herb Tard arrived from Ontario and has taken the children on a three weeks' holiday.

Mr. and Mrs. Alfred Stanley and two elder children motored to Barwyn and Worsley where they visited relatives. While there several carloads made the trip north about 175 miles to Hudson Hope where a large dam is under construction. The former's sisters Mrs. Lefebvre and two children and Mrs. Kada and youngest daughter "Bubbles" at the farm in their absence, keeping stock and children under control.

Mr. Kerrase motored from Penticton to visit friends in Mannville and Vermilion and his son and two daughters at Lamdorville.

Jan Goddard is holidaying with her sister and brother-in-law Mr. and Mrs. Lyle Jackson. The Jackson's are moving from Ponoka to Calgary shortly.

Mrs. Dale Grauman flew from Scarboro, Ont., to visit her parents Mr. and Mrs. Colin West, and her sister Miss Darlene Eastman at Wainwright.

Sincere sympathy to Mrs. Beaudoel and her family on the passing of a loving husband and father.

We were pleased to hear Mrs. Medhurst (or Jean of Vermilion) enjoyed a trip to Ontario to visit her son Donald and family.

Tom O'Rourke motored from Castlegar B.C. to attend the wedding of his cousin Miss MacLellan in Vermilion. Russel Kada accompanied him back to Trail.

Old friends of the Telegraph School days were pleased to see Elbert Ketchum at the Old Timers' picnic. He is a well-known man in Edmonton.

A speedy recovery is the wish of all the friends of Mr. Sam Whitefish who is a patient in the Aberhart Memorial Hospital.

Mr Jessie Gray, an old timer of the Lamerville district accompanied his granddaughter Viola and two children by car from Prince George, B.C. They visited the latter's parents, Mr. and Mrs. George Lamerville of Wayne.

Mr. and Mrs. Henry Dejar and family motored to the Game Farm and then on to Round Hill where they visited Mr. and Mrs. Mike Dyjur and family.

Mr Norman Sutherland has sold his farm to one of the Bandorf boys and is employed with Nelson Lumber Co. In Lloydminster Mrs. Sutherland, Mary and the two boys hope to join him soon, depending on housing conditions.

Little Georgie Quickstead of Armena has been holidaying with his grandparents Mr. and Mrs. George Butz.

Miss Linda Butz is working in the Vermilion Hospital.

Mrs. Pierce is working in the Edmonton General Hospital.

**SMILE**

When a rumor got around that a certain farmer was underpaying his labor, an official came to check up.

"How many people do you employ?" he enquired.

"Two men", said the farmer.

"Is that all you employ?" he asked the men. "You are paying them below the minimum wage," said the official.

"Is that so?" snorted the farmer. He called the men. "Now, tell this fellow what your wages are."

"Forty dollars a week," each of them answered.

"Well that's all right," the official said. He turned to the farmer. "Are you sure you don't employ anyone else?"

"Only the hallboy," the farmer said. He gets his board and a little cash each week for his tobacco."

"That's disgraceful, let me talk to him!" the official said.

"Talk to him?" said the farmer, "you're talking to him now."

# Bowtell Bulletin

(Held over from last week)

Your correspondent is behind on news again folks due to summer visitors and other distractions. We are certainly in need of rain. Weather has been hot and dry.

Mrs. Harris was pleased to have her sister Mrs. McDermid of Moose Jaw and a friend Mrs. J. Miller of Wilcox, Sask., visit her recently. These ladies had attended school together in Ontario so a good time was had talking over old times.

The Robinson family are very pleased to have an aunt Miss L. Kay visiting them from England. Miss Kay visited other members of the family in Saskatchewan, Calgary and B.C.

Mrs. Cummings and Mrs. S. Regan were recent visitors at Mr. and Mrs. J. Kay's home.

Mr and Mrs. O. Rapp are enjoying a visit to Calgary and the surrounding areas.

Quite a number of our young folks are recuperating from the measles.

A turkey dinner and all the trimmings was enjoyed at the Robinson home on Sunday by twenty friends and neighbors. Frank and Thelma were celebrating their 23rd wedding anniversary and also it was their daughter Margaret's birthday.

Danny Monaghan is spending the summer vacation with his aunt and uncle Mr. and Mrs. L. Sherwood.

The July meeting of the Leaf-ery Club was held at the home of Mrs. F. Robinson. We were pleased to have Miss Kay and Mrs. L. Gould as visitors. The lucky draw was won by Chrissie. The next meeting will be at the home of Mrs. K. Harrison. Plans were made for our annual picnic at the lake which was attended by thirty and thoroughly enjoyed. We were pleased to have Miss Linda Perkins of Langley, B.C., with us. Linda left our district with her parents about 15 years ago. Quite a number of old friends enjoyed having her visit on her return trip from points in Saskatchewan and southern Alberta.

We are sorry to report Mrs. Caro is on the sick list and waiting for a bed in an Edmonton hospital.

We are pleased to welcome Miss Gayle and Miss Hazell to our midst. They are holding Sunday classes at Viscount Valley church. Fifteen enjoyed the services on Sunday.

A belated greeting to Grandad Payne on his 85th birthday, many happy returns. He still enjoys life and does his share of the farm work.

Sarah Sherwood is the latest victim of the measles.

Allen Coutts has built a lovely camper on the back of his truck.

Jack Semeniuk was noticed helping Harold Knutson build a large hog building.

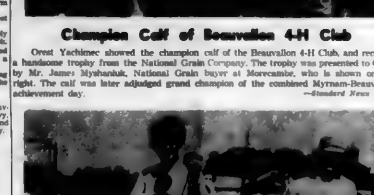
Miss F. Sherwood is attending the University of Alberta for the next six weeks.

Have tires checked before leaving on trips. It is extra heavy ask the dealer to recommend proper tires to carry it safely.

## Champion Calf of Beauvallon 4-H Club

Orest Yachimec showed the champion calf of the Beauvallon 4-H Club, and received a handsome trophy from the National Grain Company. The trophy was presented to Orest by Mr. James Sabatasuk, Agricultural Grain buyer at Morecambe, who is shown on the right. The calf was later adjudged grand champion of the combined Myrnam-Beauvallon achievement day.

*—Standard News Photo*



## Top Calves At 4-H Achievement Day

Members of the Beauvallon 4-H Beef Club won the top honors at the Myrnam-Beauvallon Achievement Day. Orest Yachimec placed first and Carol Wook second in the Beauvallon club then went on to win first and second in the inter-club competitions.

## Centennial Report

1867 1967

BY JOHN W. FISHER
CENTENNIAL COMMISSIONER

Every community big enough to have a weekly newspaper has one or more industrial or commercial plants.

With flags special decorations and a spruce-up program these plants can go a long way to help give the town a gay appearance for the 1967 celebrations.

Such companies are going much beyond a plant beautification program. Take for example the Black Diamond Cheese Company at Bellville, Ontario. It has plans for lawn beautification, an in-plant museum an auditorium and a big community picnic.

David Hedlewell, editor of a national business magazine, called Plant Administration published a special eight-page Centennial feature in its May issue on what factory management can do for 1967. There are many things that can be done without much expense. Hedlewell in his editorial suggest a clean-up war on unsightliness and an in-plant project.

From a cross-Canada mail survey of 1,000 factories Plant Administration found management in general to be slow in planning to celebrate Canada's 100th birthday.

In an editorial which wraps up the situation, David Hedlewell writes: What's needed now is action, not talk. If communities across the country are celebrating Centennial (and most are), industrial plants will look pretty silly not joining in the fun and games.

"Any you know that's not likely to happen. Community pressure is very strong. You can almost see the pressure groups being ushered into the president's office at the eleventh hour. Why wait for a last-minute stampede? Wouldn't it be better to take the initiative decide now what you're going to do? That way you'll have much more control over plans and costs.

"What to do? There are dozens of ways — while it's fine to buy a new flagpole or flower bed, a project that gets employees into the act is obviously much better. You'll feel more a part of the celebrations if they're involved.

For example if you decide on a miniature golf course don't just buy one. Donate the land for it a year let the employees construct the miniature links.

The main point is to stop procrastinating. Time's running short 1967 is only seven months away.

Well my thanks go out to Plant Administration editors for their clarion call. Their comments are representative of a new spirit I've noticed in recent weeks. Other editors and other Canadians are becoming more enthusiastic about 1967. The apathy and the negative attitudes are disappearing. Even the critics are sounding positive and constructive these days.

The spirit of 1967 is growing fast.

Newspapers are the only media where people shop the

## News From RIVERTON

**LADIES' CLUB MEETS**

The Ladies' Club met on June 7th at the home of Mrs. Edward Hyatt with eleven members and one visitor present. As it was such a hot day the meeting was held outside under the trees which was very pleasant. On it was decided to send a donation to the hungry children of India.

Miss Flire Turnanian of Edmonton is spending about ten days with Bessie and Helen.

Miss Pamela Hyatt of Lloydminster is visiting her cousin Linda Hyatt.

Dale Boatbrugh had the misfortune to fall off his horse and break his wrist.

**ATTEND CALGARY WEDDING**

Mrs. W. Harper and Bobby drove to Calgary two weeks ago to attend a wedding of Mrs. Harper's daughter Doreen Rose Miller. They also stayed on the week-end in Provo and Mrs. Cheek and their two daughters Alyth and Melanie. Mrs. Harper stated very far a fine days at Elbow in Provo and Vicinity for farming.

Among those leaving on holidays are Bill and Grace Madden who are away on a month's trip. Mr. and Mrs. Bob Cheek and children are spending a week with Provo friends and Mrs. W. Hauser and brothers.

MR. AND MRS. WILLIAM STANLEY SMITH
—leaving the United Church at Dewberry following their wedding

*Photo by Woodery of Photocraft*

## Pretty June Wedding Solemnized at Dewberry

The marriage of Miss Cheryl Ann Jones to Mr. William Stanley Smith took place in the United Church, Dewberry, on Saturday, June 11th. The bride is the daughter of Mr. and Mrs. Neal F. Jones of Dewberry. The groom's parents are Mr. and Mrs. William Stanley Smith of Waynesboro, Georgia.

The Rev. D. A. Richardson performed the ceremony during which the couple exchanged wedding rings. The grooming was a family attendant. Music was by Mrs. Lorne Brimacombe, Mr. L. W. Kruger of Stony Plain was soloist. The organ was played by Miss Margaret Laird.

The bride's floor-length gown of white peau de soie was classical in its simplicity, with flyaway sleeves, dropped rounded neckline fitted bodice and slight A-bell skirt. A straight lace-appliqued train fell from the shoulders. The veil was a mantilla of matching chantilly lace held in place with a satin ring. An attendant's bouquet which had belonged to Miss Jones' grandgrandmother had been worn by her mother at her wedding was the bride's sole piece of jewellery. She carried a bouquet of sweetheart roses centred with white orchid.

Miss Jones was attended by Miss Lori McDougall of Edmonton maid of honour; Miss Isabelle Jones, the bride's sister; and Miss Nell Smith, sister of the groom. The attendants wore identical floor length sleeveless gowns in deep rose peau de soie, with floral headpieces and short fine-sheer white gloves. They carried bouquets of white carnations accented by deep pink roses.

Attending the groom were Mr. Jim Jones brother of the bride who was best man, and ushers Arlyn and Delbert Jones, cousins of the bride.

The mother of the bride wore a straight-sweetheart peacock crepe dress with lace trim accenting the empire waist. She wore a matching lace coat. Her hat was a deep rose in matching crepe and lace and her handbag was a harmonizing rose. Mrs. G. Owen, grandmother of the bride, wore a floor-length beige brocade suit with matching accessories. The mother of the groom chose a champagne lace dress and jacket with matching champagne shoes, purse and gloves. Her hat was a floral band. All wore white orchid corsages.

At the reception held in the Dewberry Hall the U n i t e d Church Ladies catered to the two hundred and eight guests. The bride's table was covered with a white lace cloth. The toast to the bride was proposed by Mr. L. W. Kruger the former principal of Dewberry School.

The toast was replied to by the groom in a most fitting manner.

Entertainment was provided by Mr. Thelma Green, Dexter, who was accompanied on the piano by his wife and by Mr. Kruger, who sang another solo. Miss Kay Rainey was in charge of the guest book. Mrs. F. Donnell decorated the wedding cake.

Following the reception at an open house held in the N. F. Jones' home, Cheryl and Stan opened their many wedding gifts and passed wedding cake to the guests. Then the bride changed into a pale grey costume consisting of a pink, two-piece suit of silk linen with A line skirt matching bandeau hat and black patent accessories. She wore an orchid corsage and a pearl necklace the gift of the groom. The couple left for a honeymoon in the Alberta Rockies.

## Wildmere Winks

Most farms have been blessed with welcome showers over the past week. Some others not so welcome (same bad luck).

Howard and Murrey Colburn and Harry Asmo enjoyed a fishing trip to Moose Lake on Monday and report a good catch.

Billy Crothers suffered a painful accident while playing ball at Wainwright. While catching his hand struck the bat and tore his fingernail off. It is healing nicely now. Tough luck Bill.

Mrs. Cliff Crothers spent a few days in Edmonton visiting Mr. and Mrs Ken Shepherd and family and Kathleen.

Mr. and Mrs. Clarence Wilson had a few days holidays in Saskatchewan. Bill looked after things at home.

Mr. and Mrs. Bill Smith were visitors in the district last Tuesday.

It was nice to have Mrs. Bill Smith and Mrs. Joe Nelson join us for worship on Sunday morning.

Mrs. Ada Clark returned from Calgary on Tuesday reporting a wonderful visit with her old friend Mrs. June Morand.

Mr. Jack Linquist, student minister, will be helping at the United Church camp at Lake Whitney this week. The well be back for service as usual at 10 a.m. Sunday. It is gratifying to see more coming out but there are still some empty seats — the door is always open. The season is growing shorter and anyone whose church is not functional young man is missing a lot.

**AN EPITAPH**

Man's life is like a winter day
Some only breakfast and away;
Others to dinner stay and are full fed.
The oldest man but sups and goes to bed.
Long is his life who lingers out the day,
Who goes the soonest has the best to pay.
Death is the waiter, some few run on tick.
And some like, must pay the bill to Nick!

## Pioneers Invited To Write Short History

Pioneer farmers, ranchers and business men are invited to write a short historical paragraph of the early days for the part of Vermilion and district which is now being compiled.

Anyone doing so should have this typed and the copies ready within two months. (TF)

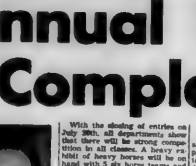
# 61st Annual Fair Plans Complete

PLEASED WITH PROSPECTS
Keith King, President of the Vermilion Agricultural Society, expressed himself as extremely pleased with prospects for a record-breaking three-day fair.



TO OPEN FAIR
Hon. Harry Strom, Minister of Agriculture for Alberta, will officially open the 61st annual Vermilion Fair on Thursday evening, July 28th at 6:30.

With the closing of entries on July 20th, all departments show that there will be strong competition in all classes. A heavy exhibit of heavy horses will be on hand with 5 six horse teams and these will be shown on Friday.

**LIGHT HORSES FILL BARN**

Light Horse entries are heavier than ever but with a much better quality of horses than in past years. A change in classes will result in less duplication of entries in the performance classes.

**EXCELLENT BEEF SHOW**

An excellent beef show is assured with some of the best herds in Northern Alberta on hand from Calgary. Dairy entries while not large will provide a good show in the Jersey and Holstein sections.

**HIGH SWINE CLASSES**

Swine entries are very good indicating that the breeders are definitely keen on the new classifications instituted this year.

Sheep will also be represented in goodly numbers.

**HALL EXHIBITS**

Hall exhibits are about the same as last year but it is anticipated that the flower and vegetable show will have suffered due to the hail and dry weather.

**4-H GRAIN ATTRACTS**

A great deal of interest has been shown in the new 4-H Grain show with many entries being made. This is sponsored by the Alberta Wheat Pool and may be run along with other 4-H and School Fair work upstairs in the Stadium.

All fairs on the B circuit report that the Grandstand Show headlining the "Harmonicats" is excellent.

The attention of all young people is drawn to an advertisement elsewhere in this issue regarding "The Markets" who are being brought to the Vermilion Fair for one show only on Saturday afternoon. This group will also play for a dance in the Stadium at night.

## FAIR PROGRAM, 1966

**Thursday, July 28 — Kiddies Day**
**(Also Morley Douglas Day)**

10:00 a.m. Judging of Hall Exhibits
4-H Calf Clubs Show
12:00 noon Street Parade
2:00 p.m. Judging of Junior Light Horse Classes and Halter Classes.
Sale of 4-H Calves.
2:30 p.m. Afternoon Grandstand Show.
Exhibit buildings open.
6:30 p.m. Official opening of Fair and presentation to M. Douglas.
7:00 p.m. Evening Grandstand Show.
9:00 p.m. Second Show if necessary.

**Friday, July 29th — Citizens' Day**

10:00 a.m. Judging of all livestock classes.
2:30 p.m. Afternoon Grandstand Show
6:00 p.m. Livestock Parade.
7:00 p.m. Evening Grandstand Show.
9:15 p.m. Second Grandstand Show.

**Saturday, July 30th — Teen-Agers Day**

10:00 a.m. Completion of Judging.
2:30 p.m. Teen-Agers Grandstand Show with the Markettes Lively
7:00 p.m. Evening Grandstand Show.
9:15 p.m. Second Grandstand Show.
Dance to the Markettes in the Stadium — commencing at 8:00 p.m

## MEN'S OPEN GOLF TOURNEY JULY 31st, AUG. 1st

One of the Civic holiday week end attractions in Vermilion is the annual open golf tourney held on Sunday and Monday, July 31 and August 1.

The tourney is open to all men over 18 years. Play commences on Sunday at 9:00 a.m. and entries are accepted up to that time. There is no qualifying round. Nine holes medal and 18 holes match play.

Entries may be phoned to Joe Winter at 853-3256 or Leroy Puckett, 853-3633. Entry fee is $3.00.

The tourney is sponsored annually by the Vermilion Golf Club with the handsome Kruger and Sons trophy going to the champion.

A steak fry will be enjoyed at the club house on Sunday evening.

**STORES CLOSE FRIDAY**

All stores in Vermilion will be at 12 noon on Friday, July 29 so that everyone may attend the Fair.

## $1,250 Cheque From "Eastern Star"

An unexpected cheque for $1,250 was handed to Dr. Jean Callaghan by Mrs. Vera Oliphant, Grand Trustee at the 39th annual Grand Session of the Order of the Eastern Star held in Banff recently. The cheque was in the name of Mrs. Mary Ellis 1965 Worthy Grand Matron of the Grand Chapter of Alberta and it represents contributions from Chapters throughout Alberta during her term of office as a "worthy cause" of Mrs Ellis' selection. Dr. Callaghan was asked to accept it for the Heart Foundation because of her interests in the field of open heart surgery.

## Joseph Goutier Ordained As Priest

Joseph Grattier was ordained into the Priesthood of the Roman Catholic Church at an Ordination Service held in the Church of St. Albert on Sunday July 17th. His Excellency Most Jordan O.M.I. D.D officiated at the ceremony.

The newly consecrated priest is the son of Mr. and Mrs. Paul Goutier of Vermilion.

Father Goutier offered his first Solemn High Mass at Holy Family Church in Vermilion on Tuesday, July 19th at 10:30 a.m. Low Mass was offered on Monday, July 18th.

Reception for the Rev. Father Joseph Goutier will be held at the H.S. Name Church on Sunday July 24th

## Catches 9 Pounder in Vermilion Lake

This 9 pound 32-inch jackfish was hooked in the Vermilion Lake, just below the spillway on Wednesday evening last week. The fisherman was Stan Jeffcott who is shown displaying his catch. Fishing has been good this season at the lake but this one tops them all for size and weight. Stan wouldn't divulge what he was using for bait but it must have been enticing to make the big wily fellow go for it.

## Thieves Make Big Cash Haul At Coke Plant

Thieves forced an entry into the office of the Vermilion Sewerpipe Co. Ltd. plant last Friday night and made off with a haul of approximately $1100.00 and $150.00 in cash.

This was in bills of $50.00 and down along with silver. Just over $950.00 bills.

Accountants are conducting an audit to ascertain the actual amount of cash on hand at the time. The thieves apparently knew what they were doing as nothing else was touched by the thieves who got away with the $1 extra brought in by the plant after the office had closed and put in another place where it was taken.

The burglars apparently had no trouble opening the safe as the door was forced and while it is generally kept locked the safe could have been left unlocked

**LEAVE CLUBS**

The burglars left some clues, a crowbar which had been in the safe was dropped on the floor, along with it a counter sales slip for gas and oil purchased from a service station in Edmonton. These will have finger prints. A nine hammer and claw hammer apparently used for the purpose of forcing an entry into the safe were also found shoved back on a shelf in the office. These have been taken for the purpose of seeing an entry into the safe was also found

The case is covered by burglar insurance.

## No Parking For Parade Route

There will be no parking permitted on Thursday, July 28th between 51st street (Coke Plant corner) and 49th Street (Imperial Block Corner along 50th Avenue between 10:30 a.m. until the parade has passed.

Your co-operation is asked.

## Cardinals Lose In Provincial Play-off

Playing in the Provincial Junior Football playoffs at Barrhead on Sunday, the Vermilion Cardinals lost both games of a doubleheader and dropped the series 2 games to 1.

The Cardinals carried a one game lead into the semi-final series as a result of their victory here but dropped the first game 14 to 9 and were robbed of the second by a decision of the referee 11 to 10

## CIVIC HOLIDAY MONDAY, AUG. 1

Vermilion will observe its annual civic holiday on Monday, August 1st, giving the people a long week-end.

All stores and business places will be closed.

Activity planned includes the annual open golf tourney which usually attracts upwards of 100 competitors

## Craig's Will Process 4-H Beef For Buyers

As a service to purchasers of 4-H Beef at the Vermilion Fair, Craig's Food Fair have made arrangements to ship slaughtered beef wrap and sharp freeze their beef. This beef will be aged for ten days before cutting and wrapping and will be delivered directly to the purchaser's home. Each animal will be cut to the purchaser's specifications and good trim, tight packaging is guaranteed. Cost of this service will be 6c per pound for cutting and wrapping plus $7.00 for freight and billing.

Craig's will have a representative at the sale in which the animals for shipping immediately following the sale

Any businessman unable to go to the sale but who wishes to have an animal purchased in his name may do so by contacting John Stewart at Craig's before the sale time

- advt.

## Rotarians Hear Plans For V.A.V.C.

William Baranyk principal of the Vermilion Agricultural and Vocational College was guest speaker at the Rotary meeting on Friday. He outlined the new changes in programs for the coming academic year. He also told of the new construction and renovation planned and underway, which program was progressing quite favorably.

Mr Baranyk also dealt briefly with what the large staff at the V.A.V.C. is employed, and the expansion program underway with much local help meant to the economy of Vermilion

## FEDERAL GRAIN, SEARLE GRAIN TO MERGE

WINNIPEG Federal Grain directors and Searle Grain directors recently proposed a merger of the two companies.

If the offer is accepted by the shareholders the merged companies will become one of the largest grain organizations in Canada.

The proposed merger which includes Federal's wholly owned subsidiary Alberta Pacific Grain Co. Ltd., would increase the number of country elevators to 1,198 and will increase the number of terminal elevators owned and operated by the eight, providing a total storage capacity of more than 109,000,000 bushels.

A general meeting of shareholders will be held here Aug. 1st if to consider the merger and changes in capital stock that will be required.

Both companies will continue business under their present names. Management and staff of both firms will not be affected by the union.

## Local Pipe Band Entertains Wally Byam Caravan

The Vermilion Legion Pipe Band was in Lloydminster last Thursday to welcome and entertain the Wally Byam caravan of 200 trailers which made a day stopover at the border city.

The members of the band were divided in groups of three and entertained the visitors to a handsome barbecue supper and luncheon during the afternoon.

## Clandonald Youth With Farm Group

Robert Stachniuk of Clandonald, Alberta, a member of the Alberta 4-H Club members, will leave Edmonton last Saturday morning for Ottawa where he will spend a week in Ottawa as part of a 4-H work

## HOLIDAY TIME

The Vermilion Standard will be closed for holidays from Thursday evening, July 28th to Friday morning, August 12th. The newspaper issues of August 4th and August 11th will be cancelled.

**The next issue of The Standard will be published August 18th.**

## Lengthy Meeting of Council Held on Monday, July 18

The following is a summary of the regular meeting of council held Monday July 18th.

Those present were Mayor R. C. Heethuer and Crs. A. F. Callas, A. C. Underdown, J. D. Vanderbeek, Frank Tarasoff, Fred S. Brimacombe and Leonard Dupre.

Also present were Dept of Public Works engineer Mr. Bowes, Vermilion Area Director of Municipal Affairs Mr. Fairbairn, Fire Chief Harry Parks, Police Commissioner Welfare Officer Mr. Bell.

## North-Eastern Alberta's Family Holiday — The Vermilion Fair

The biggest event of the year for North-Eastern Alberta, the three day Vermilion B Class Fair, gets away to a start this Thursday morning, July 28th and should be attended by everyone within a radius of 50 miles. The Fair has taken months of planning and is well worthy of the attendance of everyone within a wide territory. It rates the support of all because it is decidedly entertaining in an educational way. The rest of livestock can be seen and studied; the displays in the main buildings always present something new and are of excellent standard; the commercial displays bring to the attention of all the latest in machinery, in trucks, in cars, and enlightens the prospective purchaser as to features he should expect and look for; the school work and the handicraft exhibits are intriguing and well worth inspecting.

The planning has been completed, the attractions are engaged, everything for your entertainment has been arranged — all that is needed for an outstandingly successful event is the attendance of YOU and YOUR FAMILY at the Fair

★ ★ ★

## Beware of Sham Salesmen

An RDO a week factory worker must pay $64 a month for 5 years for goods he was told were free.

Woman tricked into signing 60 promissory notes by salesman runs up $3,940 in sawbucks.

It couldn't happen to you?

It is happening to people all over Canada, who are being tricked by sham salesmen.

These men are experts. They often represent themselves as vice-presidents or sales managers of reputable firms whose literature they are carrying.

They will assure you that your signature is just a formality. It is not. Every time you sign one of their bogus documents you may be signing your savings away.

**Be warned.**

When a salesman calls on you take these steps:

1. Ask for identification
2. Phone office of firm he says he represents or wall and write if this is impracticable
3. If you are a woman check with your husband.
4. Tell the salesman you are checking and ask him to call back in 24 hours. If he is not genuine this may put him off.

**The answer is — Deal with local firms you know — who were here yesterday, are here today and will be here tomorrow — to serve you wherever you need them.**

★ ★ ★

## Broken Homes On The Increase

The latest Canadian divorce figures, 8041 in 1965 — 45.7 per 100,000 population — are another hefty notch. They have been rising steadily since the 6363 (36.0) figure of 1961. When wider grounds than adultery are admitted (as they certainly should and will be soon) it takes no reminiscence to predict that they will skyrocket.

The causes of marital breakdown have been examined and re-examined by sociologists. We've had everything from sexual incompatibility to extreme youthfulness and working wives. No doubt all these have played their part but another cause that no one seems to have trusted out is plain old-fashioned selfishness.

As long as men and women look exclusively at their rights and desires and not at all their responsibilities, partnerships will continue to dissolve. Indeed often there never was genuine partnership.

The latter, in any field, marital or commercial, implies that the contracting parties invest in an enterprise which together they create. Inevitably in the yoking there will be tensions, the need by each to adjust the pace, so that both carry a fair part of the load as well as sharing in the hoped-for bounty.

There will be times, when for the sake of the undertaking, one partner must, temporarily at least, give ground. The ability to subjugate present satisfactions for future good is a mark of maturity; a quality noticeably lacking in many this irrespective of actual age) are making and breaking vows today.

Unless we face the unpalatable truth that no good marriage can be built by, shoddy individuals, and do something to instil integrity and manly character in the young homes will continue to fall apart leaving a tragic harvest of disturbed, insecure children and frustrated, bitter adults who feel as one writer put it "like unwatered flower plants" because they have failed in the deepest of all possible human relationships.

## GREEN ACRES

By: Wilfred L. Cody, Associate D.A.
Vermilion, Alberta

**HEAT YOUR SILO**

Although there is a bit of controversy about the value of soil silage pits and the best method of doing so one can safely say that a good seal is bound to cut down spoilage losses. Fermentation which takes place in a silo goes on in an oxygen free atmosphere. If oxygen is present other types of decomposition occur until all the oxygen is used up. This oxidation results in spoilage no matter how you look at it.

Without doubt the best method of sealing a pit or bunker silo up to now has been to cover it completely with polyethylene film. A good job done with this material will cut down spoilage to two inches or less. We have seen this and know it to be true. Covering the silo with straw bales or loose hay etc. will act as a seal but the spoilage will definitely be greater than with the polythene film.

If using the film it is best as well to buy the thinnest and cheapest film you can get. This will do just as good a job of sealing as heavier material. Both are best when feeding in the winter anyhow because the film will tear and break when handled in the cold weather. It may cost a considerable amount to buy the polyethylene every year but eliminating a few inches of spoilage will easily pay for it.

A relatively new development in sealing silos is to melt the top with molasses. This makes a very perfect seal and at the same time adds to the feeding value when mixed with the silage as it is taken out with a front end loader.

A new and excellent bulletin "Silage in Alberta" is available at the D.A. office.

**NEW DAIRY SPREAD**

A new low fat dairy spread has been developed by the Dairy Research Department of the Ontario Agricultural College. This product is reported to have a flavor of its own but similar to butter. It could be any color but so far samples are yellow. The product contains less than half the amount of fat found in butter and margarine but seven times the amount of protein.

The new product has two unusual qualities. It will not melt in the heat and yet will spread readily from the refrigerator. The ingredient costs for the product are about 30c per pound total as compared to butter at about 50 cents. These figures do not include manufacturing, etc. It is expected this low-fat dairy spread may be coming on the market within the year. It should find a ready market among the people on low-fat diets and those frightened of cholesterol.

**CONGRATULATIONS!**

The Northern Alberta Dairy Pool plant at Manneville won a second place prize at the Brandon Exhibition again this year. This plant does well consistently in butter competition, a credit to the plant personnel and to the producers who make this success possible. Congratulations!

## Contest Produces Startling Results

The "Beard Growing" contest, sponsored by the Agricultural Society, is producing some startling results as well as attracting quite a number of entries. All this has added up to a maximum of interest.

The beards range in size from the Van Dyke type to full blown foliage complete with wound mustache. They are described by wives in varying terms such as horrible — unfashionable — repulsive — and many other "ables".

Judging of entries will take place on Friday, July 29th on the grandstand immediately following the livestock parade. The judges for the event will be Honest John Baddock of Jack's Tonsorial Emporium and Vermilion's own Yukon Hilda.

**WELL KNOWN CHARACTERS IN THE RUNNING**

Entries in the contest include many well known personalities such as: Saint Cecile Croisers, Faulty Faucet George Raun, Gentleman Dave Lawrence, Paul Pump Steve Ludwig, Lord Lloyd Engelking, Barley the Beer Coutts, Mink-Lak Chuck Tweedale, Bill Bush Robinson, Reddy Fox Albert Smith, Wild Bill Whiskers Borysiuk, Sleeper Jim Barr, Hare Yard Bob McIntyre.

The Society is indebted to Col. Chris Maggs for his assistance in arranging the contestants and seeing that rules were obeyed.

Be sure to attend the grandstand show on Friday evening to see the judging of this event and all the contestants at one time.

**SPECTATORS, CLEAR RINGS**

When the fire siren goes, all spectators are asked to move over to the side of the road, and stay there until you are sure you will not interfere with the fire trucks.

## 16 Years Ago Today

JULY 27th, 1950

G. H. Whitton, pioneer resident of the Mannville district, died in Edmonton on Sunday at the age of 83.

People of Vermilion will be interested to learn that Mrs. Mary McJannet (daughter of Mr. and Mrs. R. F. Rowe has recently obtained the degree of TCM with honor marks in History and Harmony.

Two R.C.A.F. Harvards have been stationed at the Vermilion airfield this week along with personnel of some ten airmen. They are working from this field in conjunction with army manoeuvres at the Wainwright Military Camp.

Mr. and Mrs. J. H. Hebden plan to leave next week for New Westminster B.C., where they will attend the wedding of their daughter Dorothy which will take place Saturday Aug 13.

## 32 Years Ago Today

JULY 30th, 1934

Miss Clara Rothwell of Islay has received word from the Toronto Conservatory of Music that she has been awarded a first class standing in grade five in the Associate Theory given by the institute to students fulfilling the necessary requirements.

The board of Carlton S.D. has secured the services of Miss Hele. Baker as teacher for the new term.

W. Skinner of Riverton was again elected president of Battle River U.F.A. Association and Mrs. D. East Vermilion was returned as secretary.

Rev. Fraser will teach the high school room at Riverside for the coming term.

Miss Phina Hodgins is relieving as office nurse in the dentist during the absence of Miss M. Pyken on holidays.

## 48 Years Ago Today

JULY 30th, 1918

A frost varying from 7 to 20 degrees severe over practically all of this area Tuesday night. The damage to grain will not be known for a few days but it is feared a large percentage will show the effects.

A pretty wedding took place in Wesleyan Methodist Church on Wednesday July 17th when Miss Dorothy Alva Shortreed became the bride of Pte Ernest W. smith of Lloydminster.

W. R. Sutherland brought in ninety head of horses last week from Edmonton comprising Clydesdales. These are made up of work horses, young stallions, mares with colts at side registered harness and some good drivers.

## Vermilion Valley Lodge News

Have you seen the lovely new sign that has been erected by the lodge? It is admired by all who have seen it.

We all wish a wonderful time for Mr. and Mrs. James Ross during their stay in the British Isles.

Mrs. Maude Woodruff returned to the lodge last Sunday after a wonderful holiday trip to England. Some time was also spent in Calgary before her return to Vermilion.

Mrs. Fulton returned on Sunday also after holidaying in Edmonton and Minburn. The latest guest to join the others at the lodge is Mr. Boyd from Heinsburg.

Mr. Wm. Reid underwent surgery in an Edmonton hospital. Mr. Hugh Mitchell has been transferred to an Edmonton hospital and Mr Pierre Goutier is a patient in the local hospital. To all these gentlemen we say "Get well soon".

Holidays commence for the matron on Aug. 1st.

**LODGE VISITORS**

All from Edmonton: Marion Phelan, Mr. and Mrs. Gordon Robinson, Mr. and Mrs. Don Harkin, D. Chester, Mrs. J. Mc Namara, Mr. and Mrs. R. Brown and Glenda; Mrs. M. Wimbergen, Trudi, Lil and Mrs. Flora Bondsman, Mr. James Allen, Islay; Mr. and Mrs. Kenzie and family, Mr. and Mrs. N. Tyler and girls, and Vi Olstad, Mannville; Mr. and Mrs. Ed Lavell and family, Tony and Phillip Lovell, Mrs R. Lovell and Russell, all of Clonadall; Mr. and Mrs. D. ## NEWS from MARWAYNE

CONGRAT NEWLYWEDS

Congratulations and good wishes go to three newly married couples from our district this week. Jo and Mrs. Clare Isert, nee D ana Gawley married in the Sacred Heart Catholic Church on Friday, July 22nd, reception and dance followed in the Elks hall. They will make their home in Grande Prairie

Mr. and Mrs. Lawrence Hobbs nee Joan Harrington married in St. John's Lutheran Church Vermeville, Saturday, July 23rd reception and dance followed in the Elks hall Vegreville. They will make their home in Edmonton.

Mr. and Mrs. Chris Swan, nee Dawn Lethbridge were married in St. Andrew's Roman Catholic Church Edmonton. Sat staying with her daughter and family, July 23rd. They will make their home in Paradise Valley, where they are both on the teaching staff.

**BRIDAL SHOWERS**

Showers in honor of their coming marriages were held this week for Joan Harrington and Donna Gawley in St. George's Church basement. Both girls received many beautiful gifts.

Mrs. Dorothy Harrington of Calgary, Miss Kathleen Hobbs of Edmonton and Mrs. Sheila Hopkins of Lloydminster were guests at the F. W. Harrington home and attended Joan's shower.

Mr. and Mrs. John Doull, Sr. were in Edmonton Lth. this weekend and there celebrated Mr. Doull's birthday with the family. However as many of you have taken note it was Mrs. Doull's birthday on the 23rd. Many friends called to extend their good wishes. Hostesses were Mrs. Ruth Doull and Leona Frankel.

Mr. and Mrs. Wayne Reinald and Gloria McCann of Edmonton came on home after attending Joan Harrington's wedding on Saturday the 23rd. Sunday their friends called to extend their good wishes. Hostesses were Mrs. Ruth Doull and Leona Frankel.

Mr. and Mrs. Harry Hayne.

Mr. and Mrs. Bill Hobbs of Edmonton were visiting at the home of Jim Hobbs, Mrs. Hobbs and daughter Jean attended the wedding and shower in honor of Joan Harrington.

How many of you have taken note of how heavy the vegetable grounds are, also the cemetery. Credit goes to W. Crowther for a good thank you.

HOT WEATHER IS FUN TIME

The Kinsmen Playground is a popular spot this summer, and these hot days the wading pool is crowded, as witness the action picture above. One little girl apparently didn't like the look of the Standard news photographer

## Celebrates 90th Birthday July 18

Mr. Arthur Lord, a well known old timer of the Campbell Lake district celebrated his 90th birthday on July 18th. Mr. Lord came over from England in March, 1904 and in the same year filed on a homestead near Campbell Lake. He is now making his home at Gull Lake and enjoys very good health.

**GREETS FROM HOLLAND**

Mrs. Zwaantje Tichelaar of Sneek, Holland, is a guest at the home of her son Mr. Henry Nieuwenhuis and family. Mrs. Tichelaar came by plane and is enjoying her first visit to Canada very much.

CAMROSE KOLONIAL

**JOHNSON** — Mr. and Mrs. Alex Sander Johnson, on July 19, a girl, Kathy Edith.

**BUTLER** — Mr. and Mrs. Peter Dutchak, on July 20, a girl, Barbara Olga.

**WILSON** — Mr. and Mrs. Dale Wilson, on July 20th, a girl, Elaine Ilene.

Derwent — Born to L. Cpl. and Mrs Bernard Peabody of Verdalia Crossing, B.C. a baby girl, Sonia Jennie, weighing 7 lbs. 15½ ounces, on July 17th, 1966. Sonia is a sister for 2 year old Shirley.

The maternal grandparents are Mr and Mrs. Poudier of Montreal and paternal grandparents Mr and Mrs. Frank Peabody of Derwent, Alberta.

**IN MEMORIAM**

In loving memory of SARAH ELIZABETH JONES who passed away July 27, 1955. The greatest trial of the human heart

Is to have, to love, and then to part.

Lonely home, a vacant chair, Something missing everywhere. God took your hand, we had to part,

But left behind a broken heart. You can't come back I know that's true,

But one day dear Lizzie, I will come to you."

Ever remembered by her loving husband.

**IN MEMORIAM**

In loving memory of SARAH ELIZABETH JONES who passed away July 27, 1955. The golden gate stood open, Three years ago today; With farewells left unspoken You softly slipped away. An aching void each day, Your spirit did not bend; You faced your pain with courage, Until the very end. You tried so hard to stay with us Your fight was all in vain; God took you to his loving home And freed you from all pain. Fondly remembered by loving daughter Enid and family

**IN MEMORIAM**

In loving memory of a dear husband and father EVERETT DORAN Loving and kind in all his ways Upright and just to the end of his days. Sincere and true in his heart and mind Beautiful memories he left behind. —Ever remembered by loving wife Ruby and son Gerald.

**IN MEMORIAM**

LAIRD In loving memory of a loving and kind husband EVERETT CHARLES LAIRD who passed away Aug. 12, 1965. Fond memory fades not, And life departs, You'll forever remain In our hearts. Sadly missed and fondly remembered, Merl, Heather and Robbie

**IN MEMORIAM**

In loving memory of our dear brother EVERETT CHARLES LAIRD who passed away Aug. 1, 1965. A loving one of us is gone, A voice we loved is stilled; A place is vacant in our hearts Which never can be filled. Sadly missed and ever remembered by Keith, Jean and boys.

## What Do You Know About Mormons?

Last Tuesday, there arrived in Vermilion two representatives of the Church of Jesus Christ of Latter-day Saints (Mormon): Elder George R. McCall, left, from Gridley, California and Elder F. Randal Elkington, right, from Idaho Falls, Idaho. They have spent the past two years in Alberta and Saskatchewan teaching the doctrines of the Church, and are now called to labor in Vermilion. They will be calling on many of the people in Vermilion to explain and discuss the doctrines of Mormonism. Anyone who is interested in knowing more about the Church is invited to contact them at 853-3187.

## Provide Hope For Arthritis Sufferers

Arthritis (Rheumatism) may member of every family in Canada. Its pain can cripple and strike anyone at any age.

But it is not the patient alone who suffers. It is also the dear one to him — the parents who must help their child in the management of his illness the children who must care not only for themselves but also for their stricken mother, the wife who must keep up her family's spirits while her husband is forced to give up one job after another and the family that must pare its activities to the bedridden grandparent, grandparents who helpless by long standing arthritis.

Recent research has revealed whole new avenues of investigation for the physician and the scientist. This opens the door of hope for victory over arthritis.

September is "Arthritis Month" during which month it is anticipated a local canvassing committee will be sending your dollar support for its on-going programme. The Division Office of the Arthritis Society is located in Calgary at M 328 8th Ave. West. S.W. and should you desire to send your contribution direct this will be acknowledged by one of the Society officials to relieve.

## News From RIVERTON

The weather has been quite unsettled lately with violent thunderstorms, heavy rains and hail which struck the Riverton district quite hard in places. There were power failures too, the longest period being around midnight on Thursday night.

Congratulations to Mr. and Mrs. Bender Braithwaite who will celebrate their silver anniversary this week, July 31st. A family get-together was held at the home of Mrs. May Beniah Wade.

Mr. and Mrs. Jack Sherichly and family of Duncan, B.C., spent a few days in the district last week. While here they attended the wedding of Rodney Boothman and Sylvia Wilson.

## "Defensive Working" For Safer Farming

On the highways, the modern trend is defensive driving — anticipating hazards and knowing how to avoid them. The National Safety League of Canada recommends "defensive farming" — knowing where the hazards are in farm work, then planning to work around them.

Hazards are numerous on the farm, says NSL. With thought the farmer can anticipate them and plan his methods for safety. Short cuts in farm work have resulted in arms and legs being mashed off, blindness broken skulls and crushed ribs. The farmer who refuses a short cut when danger is there is the wise one," said C. E. Carson, president of the League.

Referring to Canada's observance of Farm Safety week, July 24 to 30 Mr Carson emphasized the fact that farm safety is a family affair involving everyone in habits in living working and playing in industry," he said. "there are safety engineers. On the farm, the entire family must work together to develop hazards and forestall careless acts." He recommended every farm family take advantage of Farm Safety Week to work out a safety plan for the farm. Some family rings fields machinery, shops, all aspects of farm life. Make the plan work, and reap happiness and satisfaction," Mr. Carson advised.

Mrs. Cecil Gannon returned home Wednesday morning after spending two days in St. Albert where she was taking care of two of her little grandchildren. Jerry and Alana Gannon while their parents were on a motor trip to points in British Colum-

## LOCAL NEWS

James, Laurie and Leslie Anderson returned home Tuesday evening after spending the past week in Edmonton at the home of their grandmother, Mrs. M. Rogers. While in the city they enjoyed a day at the Exhibition.

Mrs. M. Rogers of Edmonton is a guest this week at the home of her daughter Marion, Dr and Mrs. Bob Anderson and family.

Visitors for Fair Days at the home of Mrs. Lottie Urquhart are Mr. and Mrs. Al Locke and Mr. and Mrs. Elliott Urquhart and two little boys, Jamie and Michael, all of Edmonton.

Mrs. Mary Matt was a visitor to Pernie, B.C. the past week where she was a guest at "Wellington Manor" days put on by that centre.

Mrs. W. G. Urquhart, Mac Urquhart and Mrs. Lottie Urquhart went to Edmonton last Monday and spent the day with Mr. and Mrs. Elliott Urquhart and family.

Mr. and Mrs. Hunter Robson and family of Burlington, Ont. are visiting at the home of the former's parents, Mr. and Mrs. J. R. Robson, for two weeks.

Guests at the home of Mrs. Hazel Perrey over the past week end were her two sisters Mrs. Laura Jacklin of Victoria B.C. and Mrs. Lillian Robinson and Mr. Robinson from Edmonton

Mr Mac Urquhart, a member of the staff of Queen's University at Kingston, Ontario spent the past week visiting his mother Mrs. W. G. Urquhart

Parnell Simonson who has spent the past year at University returned to Edmonton in Vermilion last week end.

Sorry Free, well remembered as a former proprietor of the Silver tin Cafe visited in town for a week or more recently Mr Parnell has been living in Los Angeles and is looking very well

Mr. and Mrs. Arnst Brown and two daughters returned recently from a holiday spent at the Calmary Stampede, Jasper and Kelowna. The trip was made by car.

A cordial invitation is extended to farmers and others who may be interested to visit

THE CROP TESTING PLAN DEMONSTRATION PLOT

located on the farm of

*Mr. George McFayden*

2 miles north of Islay, Alberta

on Wednesday, August 3, at 1:30 p.m.

Present on this occasion will be a number of Field Crop Specialists, and L. H. Parker, Crop Testing Plan, Winnipeg.

## Dr. ATTENBOROUGH

ANNOUNCES THAT HIS OFFICE WILL BE CLOSED FOR HOLIDAYS FROM

## August 13—August 19

We Permanently Record All Prescriptions

No matter how long ago you secured a prescription from us, we can locate it quickly if you wish to repeat it, or if any physician you consult needs information about the case taken.

There are some medicines which can only be refilled if your physician instructs us to renew them. Sometimes a new prescription is needed. We have wise pharmacy laws which protect you against harm. We gladly obey them.

When you wish to refill such prescriptions, at your request we will phone your physician for his permission and if necessary ask for a new prescription. This sometimes takes time till we can speak to the physician, but we are glad to supply this extra service.

A great many people entrust us with their prescriptions. May we compound yours?

**Preston Students Farewelled**

Grade nine students from Preston School were farewelled at a dance held in their honor at Preston Hall on June 9. Left to right are: Gloria Osterberg, Anne Seale, William Haines, Stewart Smith, Laverne Howard and Mavis Dibben

## Farewell Frolic Is Held In Honor Of Grade 9 Students

Preston Community Centre was the scene of a "Farewell Frolic" held on June 9th in honor of the Grade nines from Preston Central School. The 150 parents and friends began the evening's dancing with the Grand March to the tune of Dark Bend and the Happy Hillbillies.

At 11 30 the dancing gave way to a half-hour program of toasts, greetings and biographies. The Grades 7 and 8 formally introduced the six Grade 9 pupils with biographies recounting their interests accomplishments and ambitions Linda Coburn, the 1965 Grade 9 general proficiency winner at PCS, presented a toast to Grade Nine to which Laverne Howard ably responded. Re-

membering their faith guidance and tolerance, Mavis Dibben presented a toast to the parents of the Grade 9. Mrs. Burton Seale thanked Mavis for her remarks and the joy they have given their parents by their continued accomplishments. Gloria Osterberg introduced the Grade 9s' four former teachers, Mrs. Dorothy McGrath, Mrs Lil Street, Mrs Alice Wright and Mr. Fred Sweet. On behalf of Grade 9 she also presented corsages to Mrs. Teasdale and Mr and Mrs. Sweet. Mr Bill Veitch, chairman of Junior Local Board, and County Councillor Mr. Mungo Forbes presented a toast to the guests of honor. Anne Seale presented gifts to two former bus drivers, Mr. Gilbert Harrison and Mr. Ray Osterberg, in token of her appreciation for their fine service. Stewart Smith on behalf of Laverne and William presented a gift to his father, Mr. Bill Smith, who conveyed them to school for nine years Grades 7 and 8 for organizing the dance. Mrs. Sweet for her help with the decorating and the many parents and friends for attending. To conclude the program Murray Coburn, Students' Union President, and Billy Cruthers, Grade 9 president, presented each of the Grade 9s with a scroll and a carnation.

Dancing resumed after a buffet lunch served by Grade 7 and 8 and continued until 2 30.

## NOTICE

The Vermilion Town Office is

OPEN FRIDAYS

From 5:00 p.m. to 6:00 p.m.

**Ardent Fastball Fans**

Ardent fastball fans at the provincial junior play-off series against Barrhead recently were the two ladies shown above. On the left is Mrs. Mabel Rohrer and on the right is Mrs. Ann Bellingham. Mrs. Rohrer's husband, Herman has organized and managed ladies fastball teams in Vermilion for many seasons. Doreen was a starry performer with the Cardinals for years.

## SUNDAY AT THE ALLIANCE CHAPEL

During the Sunday school session at the Alliance Chapel on Sunday, July 24th, Supt Albert Fewell made presentations to pupils who had qualified in the Scripture memory work for the last quarter ended June 30th. Many were absent because of illness, attendance at Bible Camp or some other reason but will receive their awards upon their return. Those pupils qualified are as follows: Carol Lucille, Marlene Fawkes and Lyall Mitchell; Mark and Ellen Swenson; Marcus Meinke; Brent and Karen Kostka; Mark, Dennis, Shari and Geraldine Cairns; Tobshorn; Rena Mosher; Jacqueline and Shelly Bell; Grace Tweedt; Stories Challenan Rebecca and Betty Lou Bell; Mary Meinke; Carol Anne and Karen Bloomer; Gerry Allgeier and Ronald Bell.

Pastor Bell was in charge of the combined service with Rev Rio Hedeen of Innisfail as guest speaker. His sermon title was: "Discerning the Love of God." Mrs. Shaffer sang a solo, "The Master's Voice."

Mr. Albert Mix was chairman of the evening session in the absence of Pastor Bell at the Alliance Camp. Children Lake Mr. Ernie Schatz of Lindbergh was guest speaker and spoke on "The Future Accomplishments of Christ." Vocal numbers included Mr Lloyd Anderson and son Doug, Red Deer visiting his sister Mrs. Ed Bellingham; Mrs. Ellen Clendenning, Red Deer visiting in the home of her parents, Mr and Mrs. E Clendenning.

## Canadian Scouts Take Part In Scottish Jamboree

Eighteen Canadian Scouts from British Columbia to Nova Scotia will take part in the 13th Scottish International Jamboree, July 19 to 29. The camp will be held at Blair Atholl which is situated in Perthshire in the heart of Highland country. The Scouts left from Montreal on July 19 aboard a new cruiser of their own between the end of the Lady Boyne and the return flight on August 8. Scouts from close to fifty countries are expected at the Jamboree.

Canada will also be represented at the Icelandic National Jamboree July 29 to August 7. Six Rovers from Ontario and six Sea Scouters and the two Assistant National Commissioners (Sea) will join Scouts.

As a leading cause of disasters and lost productivity, rheumatic diseases take a heavy toll on our income taxes, insurance rates, productivity and standard of living.

NOTHING BUT THE TRUTH by Arnold

## Marketts A-Go-Go at Fair For Young People

The Vermilion Exhibition Association are giving special consideration to young people and as a special attraction for them are bringing "The Marketts" to the Vermilion Fair on Saturday when they will appear at the grandstand show for one performance only.

**DANCE AT NIGHT**

The Marketts will also play for a mammoth dance at night which will be in the stadium on the ice surface. Admission to the dance will be $1.00 per person.

**THE MARKETTS**

The Marketts are a very talented group of five of the finest singers and musicians from the west coast Los Angeles who record for Warner Bros Records. The Marketts are presently in the charts with their hit "Out of the Blue" which are zooming throughout the country. Their latest single "The Avengers" is a pick to click in both millboard and Cashbox magazines.

The first hit of the Marketts was in early 1963 when they came out with "Surfers Stomp". They followed up this hit with "Batman" which brought them to the top on the national charts. Then came an album of their hits which sold well and the new pictures made the album nothing but sensational.

The Marketts have been together for a long time now, and have played many theatre and night clubs as well as stage shows and major shows. They have had every opportunity to polish and perfect their musical and vocal styles to perfection. They feel that they have accomplished this brilliantly.

The Marketts third album "Out of Limits" was a spotlight production by one of the major airlines and their single release of this tune was in the top 10 in 11 weeks and stayed in the No 3 spot for three weeks.

The Marketts have been playing night clubs for the past many months and will be handling our nights on the main stage for their appearance in person.

## Lana Donnenworth Manville 4-H Proficiency Winner

MANNVILLE — Miss Lana Donnenworth daughter of Mr and Mrs Walter Donnenworth of Manville has recently been named by 4-H Club officials from Edmonton as Proficiency winner of the Clothing Club at Manville.

This may be nice news for a lucky few as a number of each separate club the latter being awarded to the C Eaton Company for this delightful club competing available to 4-H work

# Initial Wheat Price Is Disappointing: Babey

The President of the Farmers Union of Alberta, Paul Babey says Finance Minister Sharpe's statement that there will be no increase in the initial price of wheat represents a serious blow to wheat producing farmers.

"I see no reason why the initial payment made to farmers has not been increased by 25c per bushel, particularly when final payments over the past four years have averaged more than 40 cents per bushel", he says.

"News of the sale to Russia was welcomed by wheat pools in Can. and created an air of optimism in agriculture, but Mr Sharpe's announcement has dispelled it.

"To continue to operate, farmers will be forced to look for funds on which they will pay interest rates — money that they could take possession on the date of grain delivery.

"Mr Sharpe's attitude, as reflected by his announcement, is unrealistic

"Stagnation of wheat producers can only be harmful to the economy of the nation as a whole", says Mr Babey.

**Cross Canada Cyclists Stop at Vermilion Park**

The two young men pictured above, George Stevens, 22 years, on the left, and Harold Ehrlich 23, are presently cycling from Vancouver to Montreal. On reaching Vermilion they set up camp in the Provincial Park where they were greeted by representatives of the Chamber of Commerce: park warden, and the Standard. The cyclists use racing style bikes with plenty of gears for use in themountains. They had travelled 1000 miles by the time they reached Vermilion, and despite the mountains had walked less than 15 miles. While in the mountains they set their gusts at 60 miles per day and this they accomplished, sometimes by noon, other times taking all day long. Ordinarily the two young men start travelling at 9:00 a.m. and stop at4:30 and set up their camp. When seen at the Vermilion park they had their pup tent set up on a tent floor and were busy writing diaries of the days travels. The outdoor life and the cycling appeared to agree with George and Harold as they were tanned, healthy looking and happy.

# ARDA Offers Assistance Under Land Reclamation

OTTAWA. — Further financial assistance by ARDA for Alberta's land reclamation program has been approved.

Federal Forestry Minister M. Sauve and provincial agriculture minister H. E. Strom announce an ARDA contribution of $600,000 over the next three years to the land conservation effort, to be shared equally by the two governments. The ARDA financing represents 50 per cent of the overall cost and extends to March 31, 1970. Half the cost of the $1.2 million 5-year program is to be met by the municipalities concerned.

Under the first ARDA agreement $200,000 was approved for this Alberta project

Most of Alberta's agricultural soils are subject to water erosion damage with watersheds and water courses extending over many farms. In addition, weed infestations are common on much of the agricultural land, and control measures are expensive. Annually the loss due to weeds is conservatively estimated at $1,000 per farm

As evidenced by a number of demonstrations throughout the province, many acres of infested land can be completely reclaimed.

There is also the problem created by salt accumulation resulting from the evaporation of subsurface water. The saline soils require special management practices. To provide a better chance of establishing salt-tolerant crops and to prevent more land being affected, drainage is required. Reclamation of salt affected lands is, of necessity, a long-term program.

Under its land conservation program, the Alberta Government offers assistance to farmers and municipalities to reclaim land damaged by wind and water erosion. In certain land surveyed by affected municipalities of noxious perennial weeds, and to certain areas of individual land affected by salinity due to natural drainage.

The assistance is to a maximum of $20 per farm per year, up to three years. Where special conditions exist, however, the total amount may be expanded to one or two years.

Supervision of the ARDA established program is the responsibility of the Field Crops Branch of the Alberta Department of Agriculture, with work administered by the respective municipal agricultural service boards.

## Pleasant Valley

The continued rain is slowing up haying again.

Last week we attended the Edmonton Fair and it rained most of the day but it didn't dampen Mr. Pay's spirits at all as he walked away with the silver cup prizes for his beautiful cattle.

Burns & Co. served a free refreshment dinner to all exhibitors with ice cream and drinks served by ladies attired in Klondike dresses.

On Saturday about fifty of us held a picnic at Big Gully Park. What a beautiful place! We all remembered Mr. Pay especially thought of this western recreation spot. That's a trip to the park and see what we really have in our own backyards.

Mrs. Lindau and Lil. Kelly surprised the writer on Friday. We enjoyed their visit over a cup of tea.

---

September is Arthritis Month. The bluebird symbol adopted by the Canadian Arthritis and Rheumatism Society has come to be known as the symbol of the fight against arthritis and of hope for its victims.

# Marwayne News

Congratulations and all good wishes go to Mr. and Mrs. Rod Boothman (nee Sylvia Wilson) who were married in the United Church, Vermilion, on Saturday, July 16th. A reception followed there. They will make their home on the farm north of Marwayne. Mrs. Boothman will teach in Dewberry next term

Dick Midgley of Vancouver Island is here visiting with his brothers, Garfield, Dwight and Colin and sister Mrs. Geo. Leslie and families. George Leslie has just returned from a visit with his sister in Minneapolis, his brother in Dubois as well as other relatives and friends.

Mr Sam Wong returned recently from a motor trip to Regina.

Sincere sympathy is extended to the families of Robert Milne, Vern Lowrie and Hobart Laley in the death of mother, Mrs. Dickison, in Islay Hospital on July 16th.

Mrs. Betty McCallum (nee Carson, of Edmonton, was critically injured when struck by a car at one of the shopping Centres in Edmonton on Thursday. Word is anxiously awaited each day.

Open house was held at the home of Mr. and Mrs. Jos. Hale on Sunday, July 17th in honor of their Silver Wedding. Many friends and neighbors called to express their good wishes. Some former residents present for the occasion were Mr. and Mrs. Summers of Penobs; Mr. and Mrs. Chas Currie and Mr. and Mrs. Clyde Allen of St. Albert; Mr. and Mrs. Then Blanchard of Edmonton. Daughter Cress was home for the occasion and Shirley planted from Arvida, Que. Mr. and Mrs. Hale received many gifts, among them a purse of money from their many friends.

There were 120 officers and men on Franklin's two ships when they left on the Arctic area in 1845. They were seen late in July of that year by another passing ship in Baffin's Bay. The Erebus and the Terror then vanished and none of the 129 ever returned from the Arctic.

Numerous expeditions were sent from England, from the United States and by groups from the Hudson's Bay Company searched for the lost explorers without success.

Evidence uncovered in later years proved that the Erebus and the Terror, trapped in Arctic ice had not been abandoned until three years after they had been sighted by that passing ship in Baffin's Bay. As late as 1850 Eskimos saw a large party of white men travelling across the mainland dragging a small boat and sledge. There are many conflicting stories about what actually happened to the 129 men.

In 1859 an expedition sent out by Lady Franklin found a written record by a captain of one of the ships. It gave an account of their horrible trials up to the spring of 1848.

Franklin was lost but the search expeditions provided in-

Just a few years ago: was thought there was no hope for the mentally ill. Now we know there is ... seventy per cent of the patients entering mental hospitals are able to return home within three months. How is this being done? Read about it in a free pamphlet distributed by the Canadian Mental Health Association. Ask for "New Hope for Darkened Minds". The address is 619 Revillon Building, Edmonton.

# Centennial Report

By JOHN W. FISHER
CENTENNIAL CORRESPONDENT

I have written before about the great 4,000-mile water route to be travelled by our Centennial Canoe Pageant next summer. Ten canoes manned by teams from the provinces, will traverse the historic waterway from the Rocky mountains to Montreal. The fact that Canada stretches from sea to sea is due partly to the existence of this and other main ways.

The "North West Passage" by water across Canada was established long before the time of Confederation. In fact, one might say, it had its beginnings when Columbus and many other explorers unsuccessfully sought a seaway to the far east through the west

The explorers discovered the first part of the waterway west of Montreal in their hunt for a route to China. Then, once found, it became the highway of the fur traders who had learned that there was local wealth to be exploited — much closer than China or India.

While the fur traders were producing considerable commercial canoe traffic between Montreal and the Rocky Mountains other people were still intent on finding a north west passage for big ships. Twenty two years before Confederation Sir John Franklin, the great Arctic explorer almost forgotten by Canadians today, set out to find a northern shipping route through the Arctic with two large sailing ships, the Erebus and the Terror

There were 129 officers and men on Franklin's two ships when they left on the Arctic area in 1845. They were seen late in July of that year by another passing ship in Baffin's Bay. The Erebus and the Terror then vanished and none of the 129 ever returned from the Arctic.

Numerous expeditions were sent from England, from the United States and by groups from the Hudson's Bay Company searched for the lost explorers without success.

Evidence uncovered in later years proved that the Erebus and the Terror, trapped in Arctic ice had not been abandoned until three years after they had been sighted by that passing ship in Baffin's Bay. As late as 1850 Eskimos saw a large party of white men travelling across the mainland dragging a small boat and sledge. There are many conflicting stories about what actually happened to the 129 men.

In 1859 an expedition sent out by Lady Franklin found a written record by a captain of one of the ships. It gave an account of their horrible trials up to the spring of 1848.

Franklin was lost but the search expeditions provided information for the mapping of a vast area of the Arctic with its complicated islands, inlets and straits.

Although much knowledge was gained through Arctic expeditions in the mid nineteenth century the canoe route across Canada remained, for a long time, the backbone of the east west transportation system and the one we will "rediscover" with our Centennial canoes. Even today, with all our techno logy the north west passage via the Arctic waterways is not for use by commerce

For the Centennial year Canadians will be looking at history with renewed interest. Like the search for the north west passage, which I have barely touched in this short column, there are many more which make fascinating reading for young and old

# Health Unit Notes

(Part 5)

**SWIMMER'S ITCH**

(Part 11)

At this time of year when children are on vacation and the weather is hot this distressing nuisance sometimes is frequent The condition is widespread over the U.S.A. and Canada and can be contracted both in the lakes and along the salt water coasts of Eastern and Western North America by persons who swim in infected waters

It is caused by the cercaria that is the larval stage of the Schistosome Trichobilharzia which infests the duck and other aquatic birds. These larvae which are free-swimming in the water are incubated in a water snail from which they emerge to find another bird and so the complicated life cycle goes on.

The free swimming larvae attack the animal that swimmers in search of food. If they are able to reach the blood stream, then a condition of developing schistosomiasis. The first symptoms of the skin irritation about a sensitization of the person and the spots produced are quite small. When a person is repeatedly infected the skin reaction becomes greater. In two to fifteen hours small raised round papules appear accompanied by extreme itching. In these a vesicle the papules may become confluent and the whole area may become swollen and may put on fierce pressure

On the second or third day small blood-like formations appear on the papules and these are frequently ruptured by rubbing or scratching. The papules disappear about a week after infection by the cercaria.

**WELL BABY CLINICS**

Lyalta July 29 — Dewberry (School) 1:30 to 3:00 p.m.

Monday Aug 1 — Ver...ilion Clinic cancelled.

Tuesday Aug 2nd — Whitewright (Health Unit Office) 9:30 to 12 noon 2 to 4 p.m. Kitscoty (School) 1 to 3 p.m.

Wednesday Aug. 3 — Clandonald (School) 2 to 3:30 p.m.

Thursday Aug 4 — Paradise Valley (School) 10:30 to 12 noon.

Friday Aug 5 — Dewberry (School) 1:30 to 3 p.m.

When a man hits bottom on skid row the Army doesn't count him out as hopeless. Rehabilitation centres are maintained by local officers in Canada. A man in need of help is referred by a concerned party. There he receives a free short clean clothes, counselling and guidance, the opportunity to regain sound work habits.

The control of the nuisance is essentially one for the community or the beach owners. The killing the snails which live in the proximity of the beaches the water can be rendered free of cercaria and before exposed persons will not be attacked by them. The snail control is best planned for early spring Two killings are desirable one just before bathing time to reduce the number of adult snails and hence the number of offspring and again shortly after breeding time to reduce the numbers of young snails and the adults which escaped the first killing.

Various methods of achieving this have been suggested A mixture of 90% copper sulphate with 10 per cent of powdered sulphur at the rate of 5 lbs. distributed from a rowboat by rubber tubing to the sandy bottom where the snails live is one method

Another method which aims at killing the cercaria is 0.02 parts per million of formaldehyde applied daily to the water surface in the early morning and stirred in. Dr. Pay (Health Unit)

Personal prophylaxis is likely to be less effective than community water but some attempt can be made to minimize the exposure. One method is not to bathe in infected waters. If one does, a shower with fresh water immediately after swimming and then drying off rubbing briskly in which the skin can be attacked

When the irritation becomes troublesome some relief may be obtained from home remedies such as witch hazel or Calamine lotion to each ounce of which has been added 10 minims of liquor picris carb If none by these relief is received your physician may wish to prescribe something like phenergan or benadryl or an antipruritic such as eserin

Rev. and Mrs. O C Seward and family of Clarendon have been visiting at the home of Oliver's parents. Mr and Mrs. F O Seward. They are now continuing their vacation at other points in Alberta and B.C.

Sgt. Ted Tyler R.C.M.P., Mrs. Tyler and the family have been visiting here with the family Pat Tyler and Mrs. Milo Quinn and the children joined Ted and the family for a few days at Cochin Beach near North Battleford.

Mr and Mrs J C Potter spent last week-end in Edmonton visiting relatives.

Mr. and Mrs. Earl Evans have now taken up residence on their farm.

# No Bids For Lake Louise Motel Sites

As no tenders were received for the four sites which were offered in the Visitor Services Centre at Lower Lake Louise North ern Affairs Minister Arthur Laing announced that Treasury Board authority will be sought to erect the maximum number of accommodation units that it is considered are needed there. Recognized motel and hotel operators will then be invited to submit bids for the furnishing and management of the units.

Mr Laing said economic reports prepared by consultants indicate a need for accommodation at Lower Lake Louise and attributed the lack of tenders for the motel sites to the fact that the Visitor Services Centre is as yet not developed and prospective investors may be reluctant to "be first in"

It is obvious from the record very similar and successful tender calls in Jasper that interest is very strong in park areas which have already been developed", said Mr Laing. In Jasper townsite two motel developments for a total of 166 accommodation units requiring an investment of over 1¼ million dollars have recently been awarded and the Department is now considering submissions for the development of another site which is estimated to cost over $500,000.

WHY NOT TRY A WANT AD?

**Sun Bathing On Vermilion Beach**

While some enjoy swimming others prefer sun-bathing on the beach. The scene was taken during one of the bright sunny days this summer at the Vermilion lake beach.

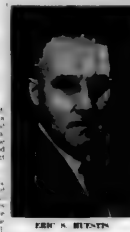
**SALAD TIME**

Summer — winter spring or Then were crunchy and added a fall any time is salad time real contrast in texture and However July has been doing flavour. I wouldn't see an real "salad" months justice. I was, while one could not add the because of the abundance of produces to an ordinary tossed fresh vegetables in the garden, green salad as I tried it and it is! Have the basic salad greens to your delicious. To make them greens and grains but it doesn't a dozen garlic quartered ½ mind. Here are a few cup salad oil 2 cups small bread different types of salads as I use cubes, about ½ inch. Add garlic, will let your imagination dream as you and let stand 2 to 3 hours at room temperature. Remove

While I was away on my holi- gation from oil and marinade days this year I was served a these salads in the garlic oil. Caesar Salad and although I have marinated bread cubes on made a caesar dressing with what seems a dozen other occasions, what I was told was the real I had never actually eaten before. I knew ingredients and how to make it some time before. A Caesar salad can a fork, make 15 inch diameter, sixty minutes at between 300 and 350 degrees oven. Toss into bite sized cubes of bread, raw or cooked, just before serving egg optional and a French dressing as directed as they will bring. What impressed me the lemons sugar if allowed to sit most was what a difference the for anchovy in the salad dressing!



ERIC S. HUESTIS

DR. VI ALFRED WOOD

# New Deputy Minister of Lands, Forests Appointed

Eric Stephen Huestis, Deputy Minister of the Alberta Department of Lands and Forests, retired from active duty June 30th after more than forty years of public service.

Mr. Huestis was first employed during the summer of 1923 when, as an undergraduate forestry student, he joined a forest survey crew of the federal government. In 1925 he was appointed full time assistant supervisor of the Crowsnest Forest in southwestern Alberta.

I hope you will try this for a real lift.

Since appearances and manners are very important in the matter of the salad, the ingredients must be fresh and of high quality. They must be handled carefully. Wilted vegetables do not appeal to the appetite at all.

Among the absolutely necessary requirements of a good salad are freshness; crispness; appetizing flavor combinations; color combinations appropriate; dress of dressing to salad, and perhaps more important than anything else coldness.

The little extra care and time it takes to make a salad look like a picture is well worthwhile and pays in the end.

For new ideas write to me for copies of an excellent pamphlet on salads, put out free of charge by the Canada Department of Agriculture

Nothing is more appealing on a hot summer day than a cool, crisp salad, so treat your family to as many different ways as you can.

He was promoted to forest supervisor at Rocky Mountain House in 1930, the year in which administration of forests and other natural resources was transferred from federal to provincial authority in Alberta. In 1933 he returned east of Edmonton office as a timber investigator and in 1934 transferred to Calgary as assistant supervisor of the newly-commissioned Crowsnest Rive River Forests.

Mr. Huestis was appointed Alberta's Fish and Game Commissioner in 1941. He held this additional position until 1959. He was promoted to the position of Director of Forestry in 1949 and became Deputy Minister of the Department of Lands and Forests in 1959.

Mr. Huestis' successor is Vi Alfred Wood, the incumbent Director of Public Lands, Department of Lands and Forests. Dr. Wood graduated from the U. of A. in 1938 and holds a PH.D. in Agricultural Economics, obtained at the University of Minnesota in 1956.

Dr. Wood began his government career in 1935 when he participated in agricultural economic surveys in Southern Alberta. He worked with the Agricultural Census Branch of the Dominion Bureau of Statistics in Ottawa from 1936 to 1941. Late in 1941 he was appointed Director of Lands for the Province of Alberta.

Dr. Wood was born in Cardston, Alberta and lives with his wife and family of five children in South Edmonton.

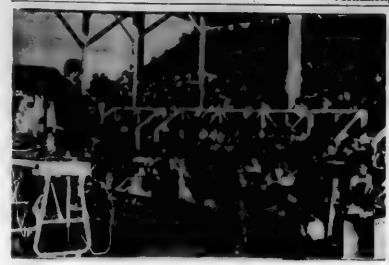
Alberta Prov Library Govt. of Alberta Dec. 68 10c



# Alta. Minister of Agriculture Opens Vermilion Exhibition

The Hon. Harry Strom, Minister of Agriculture, is shown addressing the packed grandstand at the official opening of the Vermilion three day fair.

Other dignitaries on the platform included Keith King, president of the Vermilion Agricultural Society, Dr. A. R. Anderson, the pro president; Mayor S. C. Hecthcrt, Ashley C oper, M.L.A.; Reeve P. McGuire; Claude Underdown, president Chamber of Commerce; Morley Douglas, former district agriculturist who was honored during the evenings ceremonies.

Vermilion's primary event of the year, the three day fair was well organized and ran off very smoothly. Livestock exhibits staged a parade with many cash w hards back on the circuit. Heavy horses were once again in evidence in some numbers, with the light horse show a prime attraction and by all reports the best on the B fair circuit.

The fair parade with over 90 entries and three bands started the proceedings in real festive style and ushered in a record attendance on the opening day.

The grand stand attractions were excellent with not a poor number on the program, every act being tops in its class.

The midway with its multiple ride city - 4 rides designed for juniors and adults alike, shows, games, certainly had something for everyone.

The commercial displays caught the eye of the local and district dealers and agencies augmented by several provincial and federal displays exhibits made the largest commercial display ever

More stories of the fair will appear in the next issue of the Standard.

# Local Club Plans Ski Tow, Chalet

At a meeting of the Vermilion Ski and Toboggan Club held on August 14th, it was voted to sell shares at $25.00 to cover the capital cost of land clearing, ski tow and chalet. Firm prices for power unit and tow rope were received permitting a determination of the cost of construction.

## The Student Exchange Program

*Guest Editorial — From the Rotary Bulletin*

Through the Canadian news media we have heard a great deal about the French speaking separatists. We have also been told that the most vociferous elements seeking a separate nation-hood for Quebec are from the younger generation. Well the Centennial Exchange Students, representing a cross-section of academic, social and economic backgrounds, certainly gave a lie to all the cheap and sensational misreporting propagandists.

Judging by their quality of manner, decorous behaviour, natural friendliness, health, attitude to life in general, these young men and women have proven beyond a shadow of doubt that they are Canadians above all petty prejudices, transcendent territorial restrictions and artificial language barriers.

We become extremely fond of each one of them without exception. They will always be welcome to return to us. We shall always be proud to have had the opportunity of regarding them as members of our families.

Whatever factors may be standing in the way of Canada remaining a united society, its young people certainly are not among them. Evil passions in selfish minds are responsible for most of the maladies of mankind. It is in the young people of the kind we sent to Quebec, and Quebec sent to us, that we lay our hopes for the continued unity of our country.

The Centennial Commission is to be applauded for its Student Exchange Programme. Bold and imaginative in its conception, the programme is pregnant with unrivalled possibilities.

## Trade Can Lead To Better Understanding

Canada will derive many benefits from the new big wheat deal with Russia. It means such things as continued prosperity for western farmers, farm equipment makers and the transportation industry.

The fact that Canada can produce wheat in such quantities and of excellent quality is a tribute to the enterprise of our farmers who are taking full advantage of scientific advances. Apparently Russia's program to expand farm output has been haunted by failure and frustration.

We also may be justified in feeling encouraged that Russia's continued dependence on foreign wheat to feed her own population and to meet her commitments elsewhere suggests that she is in no position to reassume aggressive policies. The Soviets appear anxious to trade, and trade in many once again prove to be a bridge to better understanding.

* * *

## Adult Education

A total of 1,936,188 Canadians enrolled in adult education courses in 1963-64, says the Dominion Bureau of Statistics. Government departments and agencies operated or assisted programs which accounted for 71 per cent of the enrolment. Some 13.8 per cent were sponsored by universities and colleges.

Vocational courses made up about two-thirds of the enrolment, and more than half of this was in agricultural extension courses, sponsored by government departments, universities, the Alberta Wheat Pool and the Inter Pools. Another 13.1 per cent of the enrolment was for credit toward a high school diploma or university degree. The balance were in social education, fine arts and cultural subjects.

## GREEN ACRES

By: Wilfred L. Cody, Associate D.A. Vermilion, Alberta

**HELLO!**

I'm Stu Duncan and I have just been appointed D.A. at Vermilion. By the time you are reading this I'll be away on my annual holidays but I hope to meet you in the near future as I'll be back at work by the first of September. I'll be real happy if you'll drop in to say hello so that I can start getting to know you.

**WEED CONTROL**

This showers weather we have been having makes it hard to keep the weeds in our summerfallow under control. One way that seems pretty effective for most annual broadleaf weeds is to use 2,4-D ester formulated 12 lbs. to the acre per acre for best results. This isn't like a lot of sprays, but the results are good and it is a lot cheaper than other types and ain't a whole lot more expensive. This won't kill wild oats and grass but they won't likely go to seed before you get a chance to work the land.

While you've got your sprayer out take a look at your roadside too because a pass along there could slow down the thistle and weeds growing there.

**MALTING BARLEY**

A lot of barley is not accepted for malting because it is threshed too close. This means that it is peeled or cracked. Damage like this can be avoided by increasing the concave clearance and slowing down the cylinder. It's worth a little trouble to have some barley you can sell early and there is a bit of a premium on it that helps too. Try to leave a little awn on the kernel and you will have barley that should go malting if it is one of the malting varieties.

## Obituaries

**FREDERICK T. MADDEN**

A long time resident of Vermilion and the Dewberry district, Frederick Thomas Madden, passed away in the Vermilion Hospital on August 3rd at the age of 82 years.

Mr. Madden was born in Essex, Ontario, on April 16th, 1884. He came west in 1905 and settled in the Dewberry district in 1909. He farmed there until his retirement in 1946 when he moved in to Vermilion.

He was predeceased by his wife in 1963 and leaves to mourn his passing three daughters Mrs. Margaret Sweet of Dewberry, Mrs. Winnie Matheson of Dewberry, Mrs. Ann Mathews of Edmonton, five sons Bill, Max and Oswald all of Dewberry, Fred of Regina and Philip of Wainwright.

There are 37 grandchildren and fifteen great grandchildren.

Funeral services were held at the Greenhaven Hall on Saturday, August 6th at 2:00 o'clock p.m. and interment followed in the Dewberry Cemetery. The Rev. Carlton Kilner officiated.

Donald Funeral Home was in charge of arrangements.

**MRS. ELIZABETH EMMOTT**

A resident of the Manville district Mrs. Isabella Emmott passed away in the Mannville hospital on Sunday, August 14. She was born in Glasgow Scotland on January 27, 1890, and had reached the age of 76 years at the time of her death.

Mrs. Emmott was predeceased by her husband, the late Riley Emmott in June 1958. She leaves to mourn her passing two daughters Mrs. Mary (George) Allen of Viking, Alta., and Miss Frank Scoggins of Mannville; and four sons Lister Allen and Clifford of Mannville and Arthur of Vermilion.

One sister Mrs. Nel Young resides in Scotland and there are fourteen grandchildren and eight great grandchildren.

Funeral services were held at Christ Anglican Church Mannville on Wednesday, Aug. 17 at 2:00 p.m. The Rev. H. A. Fuller of Vermilion officiated. Cremation. Donald Funeral Home was in charge of arrangements.

## The Homemaker

**MISS MARION E. BLADER**

Wainwright

**BEWARE!**

The Better Business Bureau advises that no amount of Provincial or Federal legislation will ever protect a person from his own stupidity. If he wishes to waste his fortune, he will find a way to do so and there will always be people who will help relieve him of it. One way is to deal with a bona fide company which manufactures and promotes almost his products and services. It also pushes the prospective customer into closing a deal, refusing him time to investigate serious shipping or pricing.

There are several fields of endeavor presently being invaded by the vendor-type boys, for example that of steel buildings for farm use. Others are selling water softeners, aluminum siding, roofing, weatherproofing, oils and lubricants, home pools and preservatives and so on. Victims of these crooked, odious salesmen have lost varying amounts of money, have not received the goods or services expected. These sums may be small compared to the financial loss which may be incurred if a farm building is purchased from a fly-by-night company.

Many people may be thinking of the erection of additional storage space or making renovations on their farms however they don't. So, another B-Noise about these items until a statement arrives to do the groundwork which formulates a plan of action. If husband joins a contract the results may be disastrous.

Shoemaker-old arthritis affects the entire body including the joints and is one of the most painful and severe forms of arthritis.

NORTHERN BLUEBERRIES ON THEIR WAY

# Mannville Elks Stage Second Successful "Slave" Sale

MANNVILLE — The energetic Elks Club of the town has undertaken to finance the complete lighting system of the new arena, the Centennial project for Mannville.

The Elks have several projects underway but the most important of these to date has been the annual Harvest Slave Sale, where each member of the Lodge here is auctioned at the block to the highest bidder for one hour's time of labor.

**$1140 REALEESED**

The 1966 Harvest Slave Sale brought in the sum of $1140. This amount, less a few expenses will be placed in savings for the project for which it is earmarked.

Marshall Jackson, the "Friendly Giant of the Auctioneer World", assisted by Fred Myrz, did the honors and kept the ball rolling in his usual competent manner.

Those two auctioneers are to be commended for their efforts and much appreciation is expressed by the Elks Lodge to them and also to those persons who did the bidding and the buying.

A sale of this kind does automatically, create a bit of amusement in general, and this was much in evidence on the night of August 13th on Main Street as the sale proceeded.

**WATCH FOR THE SLAVES**

The Hasteoff will again, no doubt, be seen slinging beer in a neighboring bar. Also there will be buying clerk for a rival liquor and Jack Cleland at the desk, the bosses at Mannville Motors are also featuring roasting Aug. 20th.

There are just a few of the occupations that will be changed for a time. There are welders, cooks, farmers and butchers who will also be doing the bidding of their bosses' employees in the near future.

One item was missed this year however, as there was no Julius Speaking present to be auctioned off this genial gentleman is having retired and left Mannville.

## St. Jerome's School VERMILION

## NOTICE

### Registration of High School Students

St. Jerome's High School students are required to fill in their registration forms on Tuesday, the 30th of August, 1966, at 10 a.m. Failure to do so may result in the student having to take courses by correspondence.

ANTHONY F. RIGHELLINI, PRINCIPAL

### Pioneer Passes On

George Brown, a pioneer of the Vermilion district who has attended here back in 1904, passed away in Victoria on July 28 at the age of 83 years. Mr. Brown farmed here until 1953 when he retired and went to Sidney, B.C. where he has since resided.

He was predeceased by his wife Phyllis in January, 1966. He is survived by his brother Thomas H. Brown, Mount Newton Crossroad, Sidney, B.C.

### VISITS AFTER 51 YEARS

Mr. and Mrs. George Grasby of Palmerston, Ontario, have been visitors in Vermilion renewing many old friendships. On their way to Vermilion they spent two weeks in Manitoba visiting relatives of George.

While in Vermilion, Mr. and Mrs. Grasby were guests at the homes of Mr. and Mrs. Charles Underdown and Mr. and Mrs. Will Little. It is 23 years since George was in Vermilion, at which time Mrs Grasby visited here 15 years ago.

### WINS PHILIPS TV SET

Mrs. Ralph Whitlock was an Electron Beauty winner in a recent contest announced by Leo Bern Electronics to choose four Electron Beauties from Western Canada. Her prize was a Philips Television set.

Mr. and Mrs. Ashley Cooper spent their holidays at Pentiction where lovely hot summer weather was enjoyed. Sid and Clara Millward came from Vancouver to join them for a weekend. On the way home stopovers were made at Cranbrook to visit Mr and Mrs. Stewart Cooper and family who have recently moved to the southern Alberta city, and in Edmonton to visit Mr and Mrs. Vic Ellison.

### A THRILLING JOB

Mrs. Wm. Steele, employed at the M. & B. Motel, was much intrigued one day to pick up a little folder advertising the English China and Gift Shop of Dick Steele and Son at Barrie, Ont., left by a passing tourist.

Mrs. Steele has a son Dick and Dick in turn has a son of his own. There is no relationship between the two families, just a coincidental sameness of names.

### MANY NEVER SUSPECT CAUSE OF BACKACHES

May Be Simply Sluggish Kidney Action

It's a pity to put up with this common backache because you just don't know the cause, and that medication that may bring you relief. Doctors say backache sometimes originates in sluggish kidneys and that when kidneys function properly they help purify the blood and help prevent backache and leg pains. This is often badly. Doctors Pills—used here by tens of thousands—are recommended to help the kidneys of those who suffer from backache when this is due to sluggish kidneys. Don't wait. Ask for Doan's Kidney Pills at any drug store. Get relief and confidence in millions for over 70 years.

JAMES C. SCOTT

### Appointed Manager At Prince George

Mr James C Scott of Vancouver, son of Mr. Castle Scott of the Claymore district, has been appointed District Manager for Canadian Securities Management Ltd., to open and operate their new branch in the thriving northern B. C. city of Prince George.

### Canadian Legion Bids Farewell To Bob and Mrs. Allan

The evening of Tuesday, August 2nd was both a happy and sad occasion for the Legion It was and because farewells were being said to Comrade Bob Allan and happy because a great member was being honored. Over the years Comrade Bob and Mary Allan have contributed above and beyond the call of duty to the Legion

During the course of the evening under the chairmanship of Comrade George Martin, and with the hall literally full of members, many tributes were paid to the honored guests.

Radio Cpl Oates gave some very fitting remarks For the occasion, Mayor S. C. Herchmer complimented Mr and Mrs Allan on not only on their service to the Legion but also to the community.

Paying tribute for the Dominion and Provincial Commands was Zone Commander Vic Tilert President Ivy Pare and Past President Ab Wolfe spoke on behalf of the Ladies Auxiliary.

Bob and Mary Allan were piped into the hall by the Legion Pipers and where President Marshall Jack, on behalf of the Legion Branch and Ladies Auxiliary, presented them with gifts. Mary Allan with a set of lawn furniture Bob fittingly thanked the members and invited them to visit their home in Oliver, B.C.

The evening was completed with a social dancing and lunch

## News From Kitscoty

Mr. and Mrs. William Murray and family have returned home from a vacation spent at different points in B.C. They also visited Bill's parents at Nanaimo.

Mr. and Mrs. Alvin Lider and family spent an enjoyable holiday in British Columbia.

Mr. and Mrs. Jack Barber and family of Creston, B.C. visited here with Dorothy's parents, Mr. and Mrs. Lawrence Watt, brother Percy Pearl Watt and family.

Mrs. J. T Perdue of Vermilion was a recent week-end visitor here with her mother Mrs. E. H. Sheppard.

Miss K. Kell accompanied by Misses Maureen and Karen Quinn spent a week in Calgary with Mr. and Mrs. A. E. Potter and family. Kathy also visited with her sister while in the city.

Best wishes for a speedy recovery are extended to Mrs. Arthur Hale in the University Hospital, Edmonton. Mr. Fred Ono, Lloydminster hospital and Mr. Charlie Simmons in the Royal Alex hospital, Edmonton.

## ISLAY LOCALS

Mr and Mrs. Garfield Povin, Ellen and Gregory, left on Friday morning for their home at Valleyview after spending a week with their parents, Mr. and Mrs. W. Povin.

Mr. and Mrs. Ed McFadyen returned home on Thursday following a visit with their daughter and son-in-law Mr and Mrs. Clarence Flood and Lori. While there they visited the Edmonton fair and visited numerous other friends.

Miss Anne Smychuk of Vermilion and Mr. and Mrs. Allan Ehl, nee Alphine Robertson of Salmon Arm, B.C., were recent visitors in the district.

The Grandmothers' Potluck dinner held at the home of Mrs. Landels on July 23rd was well attended. Mrs. Purves who had just returned from a trip to England, Scotland and the continent showed a number of slides which were much enjoyed. She also had a remembrance from Scotland for each of the grandmothers.

The next meeting of the grandmothers will be held at the home of Mrs. George Connon near Hazeldine on August 19th.

Mrs. Allen Cumberland spent five days with Mr and Mrs. Barry Mailloux at Amsterdam. Mr. and Mrs. Isabel were happy to see them as she had not seen Wayne Cumberland since moving to Holland three years ago.

Mr and Mrs Alex McEachern spent the past week-end at Moose Lake.

Mr Andrew Mowder and Will Dick Povin played in the golf tournament at Vermilion on July 31st and Aug. 1 Andrew won a prize but Wilfrid was not so fortunate.

Mr and Mrs Wm Belton Delbert, Bob and Darlene left for Meadow Lake on July 31st with the latter's mother and family. They will then go to Saskatoon to visit Mr and Mrs. Allan (Buddy) Belton before returning to their home in Toronto.

**WHY NOT TRY A WANT AD?**

**Vermilion Credit Union Farewells Departing Member**

Tom Milligan, long time chairman of the credit committee of the Vermilion and District Savings and Credit Union relinquished his post with the Credit Union after his business retirement and has since moved to Vancouver Island.

The people associated with the Milligans, and the Vermilion Savings and Credit Union, obviously were very appreciative of Tom's contribution to down through the years and turned out to a well organized buffet supper at the Provincial Park to say "Farewell" and "Adieu" to them both before they left for the west coast.

Monte Hunter the new president of the Vermilion group paid tribute to the financial prospects of the credit union and presented a set of luggage while Tom Lyons, the credit union manager, made the initial matches kept the program going and evening ably assisted it into a pick-up-sell ball match.

Introductory remarks were given by Frank Lamb, manager Border Credit Union, Lloydminster, Bill Brown, Wainwright Credit Union, both directors of Alberta Provincial Credit Union and Pat Ryan League Representative.

## Departing Families Farewelled at Alliance Chapel

Activities at the Alliance Chapel during the past few weeks have been interesting and varied. Among the guest speakers at the Sunday services have been Mrs. Ernest Harrison of Toronto, who showed slides on furlough from Nigeria West Africa. She is a daughter of Mr. M. Sproule. Another was the Vermilion Gospel Ledge Rev. Wm Hone of the Canadian Bible College Regina spoke on behalf of the College and Seminary. Rev. Boutbeek a worker with Canadian Sunday School Mission, Mr. Allen Douglas, on the staff of the Prairie Bible Institute Three Hills Miss Ruth Hall, a missionary to Japan Evangelical Mission.

Other than those mentioned activities in charge of the Elders of the Chapel Messrs Albert Carroll and Albert Mix Pastor Bell has been absent from his pulpit for a few weeks as director of the Alliance Bible Camp Whitefish Lake and on vacation which will be spent travelling to the West Coast and down to Oregon.

**FAREWELL FAMILIES**

A farewell was held in the basement of the Chapel Sunday, Aug. 7th in honor of Mr. and Mrs. Jack Ardevsen, who for the past year in Edmonton and Mrs. Anne Shaffer who have left to reside in Thompson Man. Pastor Bell paid suitable presentations to each family and presented a remembrance for their years of service in the Alliance Church. Mrs. Brown gave an appreciation of the Sun. Also present was Albert Troyer also leaving on behalf of the Young Peoples' Society was served by Jim Logan.

Andy Pioker of Wainwright, is shown accepting the Rowe and Sons Trophy from Bob Rowe. Mr. Pioker won the Vermilion Open Golf Tournament held July 31 and August 1st, under almost ideal weather conditions. There were 114 entrants. In the final 18 holes, Pioker defeated George Swelka on the last hole by sinking a long birdie putt. Starter Ken Greenwood kept the flights moving in an efficient manner throughout the two days and wound up the draws in good time. On Sunday evening a steak barbecue was held adding a fine touch to an excellent tournament.

## Party Pooper Bear Spoils Berry Picking

While cranberry picking north of the river at Helmburg Sunday, two local ladies sighted a bear lumbering toward them in a very belligerent manner. Needless to say no time was lost in a marathon sprint to their car, thus ending their berry picking for the day

## Recreational Dir. Attending Legion Coaches' Clinic

Mr Vern Miller, Recreational Director for the Town of Vermilion is attending the Royal Canadian Legion's 5th national clinic for track and field coaches at the University of Guelph, Ont. from August 16th to the 20th.

With this clinic some 800 Canadian coaches will have received training, the benefits of which are now being passed along to some 35,000 Canadian youngsters. Most of the coaches who have passed through the Legion clinics are actively engaged in track and field either with private clubs or in the school systems.

The clinic will be directed by Geoff Dyson, former British National Coach, who will be assisted by 11 outstanding coaches and a number of prominent lecturers.

Track and field coaches attending the clinic from Alberta include: Mr. T. H. Kowalczyk St Albert; Mrs. Sally Hengsen Lacombe; Mr. Gordon Sewerin Wainwright; Mr. Roy R. Gray Mary Athabasca; Mr Vern Miller Vermilion; Mr. Ron Ferguson Vegreville and Mr. Craig Hysing Edmonton

**We Permanently Record All Prescriptions**

No matter how long ago you secured a prescription from us, we can locate it quickly if you wish to repeat it, or if any physician you consult needs information about what you have taken.

There are some medicines which can only be refilled if your physician instructs us to renew them. Sometimes a new prescription is needed. We have wise pharmacy laws which protect you against harm. We gladly obey them.

When you wish to refill such prescriptions, at your request we will phone your physician for his permission and if necessary ask for a new prescription. This sometimes takes time but we can speak to the physician, but we are glad to supply this extra service.

A great many people entrust us with their prescriptions. May we compound yours?

# THE VERMILION STANDARD

Page 1—Section 2 Vermilion, Alberta, Thursday, August 18th, 1966.

## Preston Club Wins Group of Five

The Preston 4-H Beef Club exhibited five well matched and outstanding beef calves to win the Master Feeds trophy for the best group of five at the Vermilion Fair 4-H interclub beef show. These calves with their young exhibitors made an excellent display. The Preston club winners are shown above. Left to right, are Mavis Dibben, Doug Westman, Dale Smith, Linda Coburn, Murray Coburn. The club leader, Wally Westman, is shown in front holding the trophy. The Preston Club also had the grand champion of the interclub show, Murray Coburn, shown on the right, winning that top honor with the calf he is displaying.

## Trophy Awarded Preston 4-H Club

Newly appointed Vermilion District Agricultural, J. S. Duncan, right, formerly of Wainwright, is shown presenting the Master Feeds trophy to Wally Westman, leader of the Preston 4-H Beef Club. The trophy is presented for the best pen of five beef calves. The presentation was made at the inter-club 4-H show at Vermilion Fair.

## County Teachers at Banff Conference

Two district teachers are attending the 18th annual conference of the Alberta Teachers Association which commenced on Sunday, Aug 14th at the Banff School of Fine Arts. Approximately 200 teachers represent all the locals in the province were welcomed by Mr Frank Hoskyn, provincial president of the ATA. Those attending from this area include Mrs. Margaret Clark of Vermilion and Emil Wyskiwsky of Marwayne

Mr Hans J. Bergsma, executive secretary of the California Teachers Association, Northern Section, addressed the whole gathering Monday evening.

Other guests or consultants include Dr. T. C. Byrne, Deputy Minister of Education; Dr. H. T. Coutts, Dean of the Faculty of Education, U. of A.; Dr. J. W. Ivany and Mr. N. M. Purvis from the University of Alberta, and Mr. Oscar Pedum, Superintendent, County of Mountain View.

Different sections of this conference of professional educators are Professional Development, Teacher Welfare Leadership and Long Range Plans. The largest group some 20 teachers, presidents and secretaries of locals, will make up the Leadership section.

The Canadian Arthritis and Rheumatism Society in all its plans regards the family doctors as the frontline troops against arthritis

## 60th Anniversary Of Islay United Church

On Aug. 28th, Sunday, Islay Knox United Church will celebrate its 60th anniversary at 11 a.m. when Rev. Mr. Ernie Morrison of Camrose, Sask., will be guest minister. A potluck dinner will be served in the community hall following the services. There will be just the one service on the Kitscoty charge that day. You are welcome.

Excitement! One of the Clarke twins lost, telephone calling, people scurrying around looking in possible places. After two hours of search the two lad of three years was found in the tall grass behind the house by Mr. and Mrs. Earl Clarke are very grateful to all who assisted in the search

Mrs Earl Clarke won the bingo jackpot at Vermilion Fair and Jeannie Hinton won the Beaumont car and has been touring around it. Two very happy people.

The Islay streets are on the way back to being partial following installation of water and sewer. The maintainer has been used to level up the roads and gravel has been put on them.

### U. C. W. RALLY

The Islay U.C.W. annual rally will be held Sept. 7th at 2 p.m. Each district welcome Mrs. Ina Garvin filling out papers in preparation for our twenty-fifth anniversary this year. Congratulations Rita!

[illegible] and possession limits [illegible] have been raised to [illegible] which is one more [illegible] to this may be Mallard. Not more than two canvas back or redhead ducks may be [illegible] daily limits in the [illegible] and after October 14th two additional [illegible] may be taken.

[illegible] Limits for [illegible] will be [illegible] and [illegible] Limits [illegible] Limits [illegible] Limits

**ANTELOPE AND NON-TROPHY SHEEP**

**HUNTING LICENSE APPLICATIONS**

**ANTELOPE** Open Season — October 22 to October 29, 1966

**SHEEP** Open Season — September 1st

This year, a random selection of a limited number of antelope and non-trophy sheep licenses will be made from all valid applications received from Alberta residents. "Residents" means a person who has resided in the Province for a period of one year immediately prior to the date of application for a license.

Hunters applying for a license to be successful in the lottery must be in possession of a valid Alberta Wildlife Certificate. A group of hunters, up to a maximum of four, who wish to hunt in the same vicinity may submit their applications in one envelope. Each applicant is only allowed one application. An applicant cannot apply for antelope and non-trophy sheep hunting, please indicate on the front of the envelope your first, second, or third choice.

Each applicant who is not drawn on his "first choice" area has an equal opportunity to be selected in his "second choice", etc. All applications must be submitted on a special form available only at Provincial Fish and Wildlife Offices. As illegible or incomplete applications are not qualify, it is important to carefully read the instructions.

A money order or certified cheque payable to the Provincial Treasurer must be enclosed with each application.

—$7.50 FOR ANTELOPE LICENSE
—$5.00 FOR NON-TROPHY SHEEP LICENSE

Completed applications should be forwarded to:
Fish and Wildlife Division
Department of Lands and Forests
Provincial Building
Edmonton, Alberta

Application Deadline Postmarked
September 2nd for Antelope
August 30th for Non-Trophy Sheep

*Check with the local Fish and Wildlife office for length of season.

PROVINCE OF ALBERTA
DEPARTMENT OF LANDS AND FORESTS
Hon. Henry A. Bate, Minister

# Funeral Services For William Bennett Mix

William Bennett Mix was born in Oregon, Ill. on March 26, 1902. He came to Vermilion with his parents in 1909 and settled on a farm north of Vermilion. In 1926 he married Hazel Edith Wilson and resided in Vermilion most of the time until 1962.

He and his brother George started one of the first semi-trailer freight truck lines from Edmonton to Vermilion and administer They were later joined by their brother John. They sold the freight line just before the blacktop came through on highway 16. Bill carried on the trucking business in Vermilion later known as "Mix the Mover" which is now owned and operated by his only son, Ronald.

In 1962 he moved to Malakwa, B.C. where with his wife and Ben and Lea Prescott built and operated the Eagle View Motel, presently the home of Mrs. Mix.

He passed away in the Royal Inland Hospital in Kamloops, B.C. on June 16, 1966.

He leaves to mourn his passing his loving wife, one son Ronald William of Vermilion, five daughters Mrs J H. (Mildred) McAuley of Brandon; Mrs. G Muriel Tessen of Kamloops; Mrs. J. A. (Marjorie) Curtis of Lloydminster; Mrs. R. (Lea) Prescott of Revelstoke and Mrs. D. R. (Isabel) Trueman of Drayton Valley Four brothers John of Vermilion; Louis, Martin and Ben of Edmonton two sisters Mrs Percy (Anne) Ball of Regina and Mrs. Cecil (Mina) Vasey of Edmonton. Also twenty grandchildren.

He was predeceased by three brothers. Charles, Philip and George and one sister Daisy.

Funeral services were held in the Vermilion Alliance Chapel of which he was a member, on June 21, at 2 p.m. with Rev. J. H. Bell officiating. Assisting was Rev J. M. Schroeder of Kelowna a former pastor. A violin solo by harp accretion was rendered and dedicated to the family by Mrs and Mrs R. W. Greenway, long time friends of the family, singing "God Understands Your Sorrow" Interment was in the Vermilion cemetery.

Pallbearers were John, Louis and Martin Mix, Percy Ball, Cecil Vasey and Wm. Stefanyk.

Donald Funeral Home was in charge of arrangements.

# P.E.I Causeway Surprises

There were surprises for everyone at the 300-man briefing at Charlottetown on the Northumberland Strait Crossing, the causeway bridge tunnel project that will link Prince Edward Island and New Brunswick, Hartwell Griffin in The Financial Post. Federal Works Minister McIlraith was surprised some islanders still do not believe the project will ever be done a reality; provincial and municipal officials were not surprised when they were told that about 2000 men will be employed on the crossing when construction hits its peak in 1968, and the residents of Borden, the present

# Honor Farmer District Agriculturist

Thursday, July 28th, was designated as "Morley Douglas Day" at the Vermilion Fair. Morley spent 8½ years as District Agriculturist and during that time contributed immensely to the welfare of 4-H clubs, Agricultural Service Board and the Vermilion Agricultural Society. In recognition of his outstanding services he was presented with an engraved desk set by Keith King, president of the Vermilion Agricultural Society, upper picture; and in the lower picture John Barry presents Mr. Douglas with a plaque on behalf of the 4-H Clubs in the Vermilion district.

CNR ferry terminal on the island. realized their town was in for a big boom instead of becoming a ghost town. The $140 million project will be completed by

**Tenders for GENERAL CONTRACT**

For Erection and Completion of Addition to Animal Science Building, Agricultural and Vocational College, Vermilion, Alberta.

Sealed tenders addressed to the Deputy Minister of Public Works for "Erection and Completion of Addition to Animal Science Building, Agricultural and Vocational College, Vermilion, Alberta", will be received up to 2:00 o'clock P.M. Mountain Standard Time, Thursday, September 1st, 1966.

Plans, Specifications and Tender Forms may be obtained on application to the Architectural Office, Department of Public Works, Terrace Building, Edmonton, and will be available to General Contractors, Mechanical and Electrical Sub-trades on deposit of One Hundred Dollars ($100.00) which will be refunded when Plans and Specifications are returned to this Department prepaid, complete and in good order not later than ten (10) days after closing date of tenders, otherwise the deposit shall be forfeit. Plans and Specifications have been placed with Construction Associations in Edmonton, Calgary and Red Deer for the use of sub-trades.

Contractors as listed therein, shall bid according to the rules and regulations of the Alberta Builders' Exchange and through the Edmonton Construction Association.

Each tender must be accompanied by a certified cheque or bid bond for five per cent (5%) of the tender which will be returned after the contract is awarded.

The attention of tenderers is drawn to the "Public Works Act" Page 2, Clause 5 which refers to Forfeiture of Security.

The successful tenderer will be required to provide a certified cheque or negotiable or property assigned Government of Alberta Bonding Government Bond for Ten per cent (10%) of the contract or a Performance Bond.

THE LOWEST OR ANY TENDER WILL NOT NECESSARILY BE ACCEPTED.

Tenders will be opened in public in the Department of Public Works Conference Room No. 1, Block "A", Terrace Building, Edmonton.

S. E. KEAWORTHY,
Deputy Minister of
Public Works.

**PREVENT LOSS OF GRAIN FROM TRUCKS**

Moving grain in unprotected trucks results in considerable loss of valuable grain. In addition, weed seeds are spread along road allowances and the can create a serious weed problem.

A specially designed wind baffle has proven effective in eliminating this problem. Detailed plans may be obtained free from your nearest Searle Elevator Agent or by writing to: Agricultural Service, Searle Grain Company, Limited, P.O. Box 943, Winnipeg 1, Manitoba.

**Centennial Report**

'67 '67

by JOHN W. FISHER
CENTENNIAL COMMISSIONER

These films first during seasonal holidays and then "on tour" before it's back to school on September 1st for the classroom year to run right into Canada's Centennial celebrations and there will be several more films on the fall for the five and a half million children in Canada's elementary schools throughout the country.

School posters and classroom posters will announce the theme in September that all public and high school students from six to 18 years of age will be invited to participate in the Centennial Poster Awards program. There will be three "compulsory" events: one minute speed of not a 300 yard run and a standing broad jump. Participants in the awards program will choose one additional event out of three "optionals" swimming distance or cross-country run.

The Centennial Commission, with the Centennial planners of the provinces, will work on this broad program for schools so that all children will have what would have the opportunity to take an active part in the Centennial 'A' certificate program along the same lines has been organized for the summer playgrounds for the retarded children. The standards for every child six to 18 to which participants will be invited in the competitive events are those developed by the Canadian Association for Health, Physical Education and Recreation (CAHPER).

In the national events the performing standards also are those of the Canadian Amateur Sports Association. If the child is not a member of a Canadian Amateur Sports Association, it is invited to join the Canadian Amateur Sports Association membership will be used 'C' Canadian standards for a cross country run first over 1,000 yards and before at the Centennial Commission has hosted groups of school children from Alberta came to the Ottawa area and has set up special camps for the children.

In each province will be sending teachers' institutes and school for the beginning of fall term. Teachers will receive class report sheets and each student will receive a wallet size card to be signed by his or her teacher during the Centennial athletic events. Teachers sign off between Sept. 6, 1966 and December 31, 1967.

Gold silver and bronze Centennial awards will be presented to outstanding athletes in the awards program if a student does not achieve standards in athletic events to merit a gold silver or bronze award he will receive a red crest (shown below) for participation and at least a passing mark in all events.

The Commission and the provinces in planning the Centennial Athletic Awards Program, select all events that would require no special athletic equipment and that would be suitable for mass participation. All athletic training will be handled through the provincial departments of education. Teachers will conduct the compulsory events but a teacher may delegate anyone to conduct optional events.

The planning of the program has been done with sports directors of the provinces and territories and various Canadian sports organizations and with the approval of all provinces and territories Miss Hurt, Department of Indian Affairs the Department of National Defence responsible for Canadian schools overseas) and the Department of Northern Affairs and National Resources for schools in the territories and the Arctic Islands).

So there is something special to look forward to on and after September 6. I have been saying all along that everybody can take part in the Centennial celebrations. Some will participate in sports programs in just one of the many opportunities for school children to be involved in Canada's birthday.

# Greenlawn Goodwill Club

The July meeting of Greenlawn Goodwill Club was held at the home of Dagmar Holmen with nine members present.

The correspondence was read by the secretary. A motion to make a donation of $10 to the Home and School towards the awards fund was carried.

A motion was also made to continue the $10 a month donation to the South Memorial Home for another year. Sunshine Committee was to send flowers to Doris and Barb who are in Edmonton hospitals. Plans were made for the annual picnic at Whitney Lake Camp held on July 31st. The August meeting will be held at Berta's.

The meeting was adjourned by the president. A lovely lunch was served by Dagmar and her daughter Loretta.

**TOWN OF VERMILION**
**Water Works Utility Construction**

**INVITATION TO TENDER**

Sealed Tenders marked "Tender for the Town of Vermilion, West End Utilities, 1966" will be received until 4:00 p.m., M.S.T. on Friday, September 9, 1966 at the office of the Secretary-Treasurer of the Town of Vermilion.

The project will include the following:

Water Mains 8" and 6" diameter and appurtenances ..... 1,700 lineal feet

Sewer Mains 12" diameter and appurtenances ..... 2,615 lineal feet

General Water and Sewer Contractors may obtain plans and specifications from the Office of the Consulting Engineers in Edmonton after August 16th, 1966 for a deposit of $25.00 in the form of a certified cheque. This cheque will be refunded only if the plans and specifications are returned in good order prior to the closing of tenders or if a bonafide tender is received.

This work is to commence on November 1st, 1966 under the Winter Works Incentive Program.

Tenders must be accompanied by a written consent of surety and a certified cheque in the amount of ten percent (10%) of the tender or a bid bond for ten percent (10%) of the tender. The lowest or any tender will not necessarily be accepted.

MR. D. R. MITCHELL,
Secretary-Treasurer,
Town of Vermilion,
Vermilion, Alberta.

Edmonton, Alberta.

# Top 4-H Showman

Top showman at the inter-club 4-H show at the Vermilion Fair was John Barr of Vermilion. For this achievement he won the C. Leslie Trophy which was presented to him by Matt MacDonald of Manville. John also won the W. L. Robinson trophy and the W. R. Cornish award for the best Short horn in the show.

# Pretty Summer Wedding At Derwent Church

On Saturday, June 18th, 1966, the Derwent Roman Catholic Church was the scene of a lovely wedding when Jean Ann Trach, daughter of Mr and Mrs. Mike Trach of Clandonald, and Mr. Andy Pastuhka, youngest son of Mr. and Mrs. Dan Pastuhka of Derwent, exchanged marital vows in a double ring ceremony performed by Rev. Father Cherkowski.

Given in marriage by her father, the bride chose a floor length gown of rayon taffeta enriched with guipure lace appliques, graceful lily - point sleeves and lace trimmed low back.

She carried a bouquet of red roses and lily of the valley with fern. Her only jewelry was a single strand pearl necklace and earrings, a gift of the groom.

The matron of honor, Mrs. Annie Stetsko, sister of the bride, wore a blue shift dress and matching coat of lace acetate. Bridesmaids were Misses Florence Trach, Florence Zacharuk and Fay Trach, cousins of the bride. All wore blue waltz length dresses of nylon organza over rayon taffeta. Their head pieces were of corresponding net held in place by a row of ritzy mohair ribbon. All carried clutch purses with a corsage of white mums.

Master of ceremonies was Mr Nick Holowatiuk, brother-in-law of the groom. Attendants of the groom were his brother, Mr Steve Pastuhka, Archie Trach, brother of the bride and George Nykolayshuk, friend of the groom.

For her daughter's wedding Mrs. Trach wore a two-piece suit of pink silk with white accessories and a corsage of pink roses.

The mother of the groom, Mrs. Pastuhka, chose a two-piece suit of blue with white accessories and a corsage of red roses.

Following the ceremony a reception was held in the Derwent District Recreation Centre hall. A dance followed with music by Chrunik's of Two Hills. The bride's table was laid in a white lace cloth centred with a lovely three-tiered wedding cake baked by the bride's sister, Mrs. Annie Stetsko and decorated by Mrs Jacobson of Elk Point.

Given in marriage by her father, the bride chose a floor length gown of rayon taffeta enriched with guipure lace appliques, graceful lily - point sleeves and lace trimmed low back.

She carried a bouquet of red roses and lily of the valley with fern. Her only jewelry was a single strand pearl necklace and earrings, a gift of the groom.

The matron of honor, Mrs. Annie Stetsko, sister of the bride, wore a blue shift dress and matching coat of lace acetate. Bridesmaids were Misses Florence Trach, Florence Zacharuk and Fay Trach, cousins of the bride. All wore blue waltz length dresses of nylon organza over rayon taffeta. Their head pieces were of corresponding net held in place by a row of ritzy mohair ribbon. All carried clutch purses with a corsage of white mums.

Master of ceremonies was Mr Nick Holowatiuk, brother-in-law of the groom. Attendants of the groom were his brother, Mr Steve Pastuhka, Archie Trach, brother of the bride and George Nykolayshuk, friend of the groom.

For her daughter's wedding Mrs. Trach wore a two-piece suit of pink silk with white accessories and a corsage of pink roses.

The mother of the groom, Mrs. Pastuhka, chose a two-piece suit

# New Pool Elevators For District

The Board of Directors of the Alberta Wheat Pool has approved a tentative 1966-67 country building program of $1.5 million dollars. Some 25 shipping points will be involved. The net increase in Pool storage capacity will be over a million bushels.

Start of actual construction at the various points will depend on the availability of work crews and on local crop conditions. The expansion program includes replacement of a number of buildings to be dismantled.

Pool elevators are sched uled for Buffalo, Claymore, Kitscoty, Barons, Blackie, Delia, Tro-cho, Westlock, Lougheed, Ryley and Beiseker

Pool pioneers will go to Royal Park, Blossky, Hobbema, Kelsey and Empress.

New agents' dwellings are planned also for several points.

# Allandale News

Weather has been agreeable while moisture is plentiful.

From Vancouver Mr. and Mrs. Earl Nelson and daughter Lynda, Mr and Mrs Hans Nelson and son Graham, and Mr. and Mrs. George Hawkins and family Stanley and Barry arrived on July 22nd to spend a week's holiday visiting relatives and friends in Vermilion. Lloydminster and district. The families were at Athabasca visiting relatives before coming here.

From Ft Louis Ill., Mrs. Mabel Simmons cousin of the Nelsons, returned with her cousins Orbie and Ellen Omness from Montana. She had been visiting relatives at Fort Benton. Harvest there was in full swing with a wonderful crop of winter wheat.

Mrs Della Walsh and family of Edmonton spent the week end of July 29th with her sister Orbie and family and parents at the Omness farm. Saturday afternoon visitors were Mrs. Hollis Omness and family from Lloydminster and Mrs. Ida Lutz and daughter Mrs. Jack Irwin and son Wilbert with Mrs. Hollis Nelson and daughter Mrs. Ida Nelson and Mrs. Della Walsh and Mrs. Orbie Omness and Peter La Vack and family of River course.

Related birthday greetings to Mr James Martin St. was a young one on July 28th. Relatives called in the evening to honor Mr and Mrs. James Martin Jr. and family Mr. and Mrs. Ken Martin and daughter and Mr and Mrs. Jack Martin and family.

Mrs Martin Sr and son Pat Jim left on July 29th to attend a wedding in Edmonton and then on to visit friends.

Sgt Paul F. Whelan of Rivers, Manitoba is the family for two days on A 12th at the Omness home.

The Allandale UFW met at the home of Mr and Mrs Ivan Hillyer on July 21st. We were pleased to have Mrs Annie Cameron and Dorothy Watt and Mrs. Hardy Sr as visitors. The August meeting will be held at the Omness home followed by a picnic. All are looking forward to the Pool Rally on Labor Day.

The Centennial Arbutus and Bluebonnet Society has decided to plant a tree in each district in the province. We advise the Secretary to decide during the next few days and send in the name of the tree.

Meetings will be open to the public and all persons interested are invited to attend.

Persons and associations who forwarded written submissions to the Committee will be advised by the location where their briefs will be heard by the Committee

## Wildwood (East)

Summer holidays but the school children have been busy. Eight took swimming lessons in Lloydminster.

Congratulations to Karen Presley who won two seconds with her 4-H Calf Club project, and for her project book and one for grooming her calf.

David and Kathy Jack were business visitors to Edson recently. While there they visited with friends at Hinton, Alberta.

Mrs. E. Jack is travelling to Europe this summer.

The Presleys spent a few days fishing Jack and Dianne Orbeck did the chores while they were away.

Ben and Hugh Johnstone and Mrs Wyley attended the wedding of a relative in Edmonton on Saturday.

Vern Westwick's home again after some time in the Vermilion hospital. Her mother Mrs. J. Melly of Winnipeg was here visiting here at that time.

Mr. and Mrs. Dennis Sime and Ric... last week-end where they visited with Mr. and Mrs. Jeff and Shirley Sime family.

Mrs. Jack Orr is visiting her granddaughter Jeanette Wylie while Alf and Margaret Jackson are in Regina.

Vermilion — Phone 853-3300

### NON-STICK COOKWARE

Probably the name you will recognize here is DuPont's Teflon. Although it was discovered in 1938 it has been in the past five years that "non-stick" cookware has come into its own. Teflon is the smooth plastic surface applied to aluminum and stainless steel utensils which should never be cut with a metal knife as Teflon coated pan is scratched or damaged the coating is ruined. Teflon is also unsuitable for use with plastic spatulas or wooden spoons as these will scratch the surface. Since most foods cook at low heat, Teflon coated pans will prevent sticking and burning. You may use some oil when cooking but usually none is necessary unless the cookware is used for frying foods. Teflon coated pans are easy to clean. Just wipe with a damp cloth. If food has burned on, soak in warm soapy water and wipe clean. Teflon coated pans are available in many sizes and shapes. Don't worry however, as having Teflon coated Most manufacturers feel it is too expensive to be practical. On electric appliances such a service makes sense, but unfortunately it's very limited.

Teflon is amazingly easy to clean, but this advantage has been overstressed. A scrub and rinse is not enough. It takes good hot suds to get rid of grease. If not cleaning isn't thorough you get a build up of greasy film. This in turn affects non-stick qualities and leads to discoloration as well as off flavors. Especially desirable from the cleanliness point of view is a nylon brush, nylon net cloth or plastic sponge is what you may need. Never use steel wool metal pads or cleansers as they damage the finish. Discoloration can also come from over heating. Keep heat to temperatures medium or below and take special care not to let a pan cook dry. Empty and cool before you think that food will not burn in Teflon — it most certainly will. Never place Teflon directly under a broiler. To remove discoloration there are Teflon cleaners which do the trick or here is a method you can do up yourself. Boil for 10 minutes 1 cup water, 2 tablespoons baking soda and ½ cup liquid chlorine bleach. After the treatment wash the pan thoroughly rinse and dry then wipe lightly with oil.

Be sure to read the directions you get with your Teflon ware. Most if not all of the range pieces require seasoning and any pans must be greased when you bake foods with a high sugar content.

As far as latest developments are concerned, Teflon has been "toughed up" considerably extra tough, scratch handling and allowing the use of metal tools. Some of the trade names you will see are Teflon, Dexcellon, Durabond and Lubrite. In this case the somewhat porous surface of the pan is impregnated with the non-stick finish rather than just having a surface coating.

It will be interesting to see what comes next!

### Reserve Champion At 4-H Inter Club Show

Janice Bebak of Mannville won the reserve championship at the Inter 4-H club show at the Vermilion Fair. Janice is shown with her prize winning Hereford calf. At the auction sale which followed, the Vermilion-Mannville Co-op Association purchased the reserve champion as well as four other calves exhibited by Edward Haines, Preston; Emily Trachuk, Clandonald; Ralph Rogucki, Derwent; Raymond Wilson, Vermilion.

Molson's did - with 'EX'!

Always lively . . . never "on the rough" . . . That's smooth crowned EXPORT beer. For smooth character and mellow taste - you can't beat an 'EX'.

Save money two ways with an Electric Freezer

An electric freezer will double the savings in your family food budget. Buying in large quantity lets you save on quantity-purchase discounts – buying at the peak of the season lets you take advantage of seasonal low prices. You'll soon notice dollars and cents trimmed from the food bills. Notice too, the savings in time and work. Power shopping trips give you added hours for other activities. What's more, you can prepare meals in advance and store them – ready for when you need them.

Ask your appliance dealer to show you the new convenient electric home freezers that save you money, time and work. There's a size and model to fit every home and budget.

CANADIAN UTILITIES LIMITED

## Wildmere Winks

A lot of rain and some severe hail has been reported in the farms in Triangle and Battleview suffered considerable loss during the storm Wednesday, Aug. 10.

Several homes welcomed a visit from Rev. Blaine Smith, a former student on this field. He is now engaged in ordinance work in Vancouver.

Mrs. Martin Wilhelm and her sister the former Anne Synder of Red Deer and Mrs. Vern Mill ler and two children of Tisdale son visited Mrs. Waldon West over.

### 4-H WINS AWARDS

Congratulations to Preston 4-H Beef Club members and leaders for winning so many awards at the Vermilion Fair and especially to Murray Coburn for going through with his calf to win the championship of all the clubs.

Sincere sympathy from the district is extended to the following families. Mr. and Mrs. Archie Robinson of Edmonton on the loss of their infant daughter, the Maddex family on the loss of a very esteemed oldtimer, Mr. Fred Maddex; the Isler farm ily on the loss of husband and father, Mr. Cliff Isley, formerly of Triangle and for many years a business man in Vermilion.

Mr and Mrs. Frank Gibson spent an enjoyable evening at the home of Mr Adam Smith Sr and Mr. and Mrs. Bill Smith in Vermilion before the latter left to make their home in Vancouver Mrs. Jay Nelson very kindly showed her wedding pictures.

Mr Bill Sim, Basil Stewart and family attended the Wedding Sunday from a sure holiday spent at Banff and a the foothills.

Mr Albert Hoske, Mr. Adam Smith and Mr. Jack Wilson visited Granford painting and renewing the buildings at the Harold Fitzsort buildings at the Harold Fitzsort home.

Mr and Mrs. Albert Matteau and family of Edmonton visited at the home of the latter's brother and family, Mr and Mrs. Lloyd Howard, bringing with them Mrs. Howard Sr. for a visit.

Mr and Mrs. Ned Wright visited the Westman home a week ago.

### SHOWER YOUNG COUPLE

A shower at the hall in honor of Joanne Hughes and Doug Heckbert was an enjoyable and lively affair. The entertainment committee is to be congratulated on excellent management. A nice crowd danced to the music supplied by the Stage Hillbillies, after which Albert Smith very capably presented Joanne and Doug with a lovely selection of gifts. Hand the shower fired with wishes from all the community after which lunch was served.

Congratulations to the grade 8 students at Preston who all successfully passed their exams.

Lynn Hemmingway of Edmonton has been visiting at the Westman home and helping out at vacation school.

Mr and Mrs. Frank Gibson and Ruth returned on Wednesday from a week spent at Cloverdale, B.C. where they attended the wedding of the former's nephew, Ken Schroeder, to Miss Diane Covey.

### Y.P. CONDUCT SERVICE

The Sunday service at Wildmere church was taken by the young people from 4 to 14 years. This is always a very impressive ceremony and a big credit to the minister and the leaders who were Linda Colborn, Beverly Westman, Lynn Hemmingways and Lavern Howard.

Next Sunday will be Communion Service at our little church conducted by Rev Miller at 2:30 p.m. Not many Sundays to come out while you can.

Newspapers are the only medium where people shop the advertisements.

## Princess Anne W. I.

The monthly meeting of the Princess Anne W.I. was held at the home of Mrs. George Hood. Final arrangements were made for the wedding supper for a bridal shower were discussed.

Eleven members answered the roll call with a host of candy for the lodge. Two visitors were present, Mrs. Douglas Clark and Mrs. Zwozdesky. Mrs. Clark, our constituency convener, gave a very interesting talk on the meeting held at Lavoy. She told of many points relating to speeches Gyana Indira gave. These interesting folks were travelling under UNESCO's study and tour sponsorship. Mrs. Jes King is secretary of the Mothers' Union and the other lady was Miss Enid Abrahams. Mrs. Clark also reminded us of many interesting points concerning W.I. and Centennial projects.

Don't forget the tickets for the next meeting girls.

Lunch was served by Mrs. West and Mrs. Armstrong.

Next meeting at Mrs Carl Bis-at's on Aug. 18. Roll call — make a garden bat; topic Comedies. Industries: serial Mrs. Horst, lunch, Mrs. Dougan and Mrs. Eidem.

# THE VERMILION STANDAR

Vol. LVIII. No. 8. $3.00 a Year Vermilion, Alberta, Thursday, August 25th, 1966. 12 Pages Single Copy 10c

Alberta Prov. Library Govt. of Alberta Dec. 69 EDMONTON AUG 29 1966

Vermilion Bantams shown above have now reached the finals of the provincial bantam baseball playoff. They are, back row, left to right: John Ganton, 1B; Malcolm MacLean, C.F.; Ron Jones, P. and SS; Don Brennan, C; Cecil Jones, L.F. and P.. Middle row left to right: Joe Winter, 3B and outfield; Lyle Farkash, S.S. and P.; Allen Clouston, outfield; Darcy Donald, R.F. and P.; Don Jones, 2B; Eric Dowdell, outfield. Front row, left to right, Bob Pach; coach; Stan Jones, coach; Joe Winter, manager.

## Bantams Advance In Baseball Play-Offs

Vermilion Bantams advanced into the final round of the Alberta Provincial Bantam playdowns by virtue of their 15-0 victory over the Edmonton Hutchison Travelers here on Sunday. Playing in Edmonton one week ago the Vermilion team won both ends of a doubleheader; and they repeated here on Sunday.

The first game, which was the one which counted in the best 2 of 3 games playoff, Vermilion Bantams shutout the pick of the Edmonton Bantam ball teams 12-0.

Ron Jones again buried marvellous ball, turning in a one hit performance. A week ago he turned in a perfect no hit game. Here on Sunday Ron fanned 17 batters and only 22 faced him in the 7 innings.

Pitching chores were divided in the twilight encounter with Darcy Donald starting and Lyle Farkash completing the job. This was purely an exhibition game but both teams played just as earnestly as if it was in the playoffs. Edmonton was in front 4-3 going into the 7th when the Vermilion team bunched their hits and scoring 2 runs to win 5-4

### RETURNING OFFICER

That R. E. Carswell be appointed returning officer for 1966 at the same fee as in 1965 to receive nominations and, if necessary, to conduct the poll in the Elks Hall for election of councillors.

## Junior Golf Tourney Sat., Sept. 10

The Vermilion Golf Club will hold a six hole golf tourney Saturday, Sept 10th

Tee off time is 9:00 a.m. and there will be two rounds of medal play. Entries will be accepted right up to tee off time.

The age limit is 18 years and under. Entries should be phoned to Floyd Clarkson, 853-3078.

## Joins Attorney General's Dept.

Dorrien Herbert, B.A., son of Mr. and Mrs. Charles Herbert, and a recent graduate of the University of Alberta, has accepted a position with the Provincial Department of the Attorney General in Edmonton.

## Alberta Title In Next Round

On Sunday August 28th Vermilion Bantams play in a three team knock out for the Alberta title. This will be played in Central Alberta with the champion meeting Northern Alberta team which is Vermilion. Central Alberta and Southern Alberta all ready have their representatives.

The winner of the Alberta championship will then play in a series competing for the West Canada title.

## Pee Wees Lose to Edmonton Champs

Vermilion Minor Baseball Pee Wees lost to the Inter City champions from Edmonton by a score of 10-0 in a game played here on Sunday. Vermilion was a double header.

## Rotary Calendar Funds Finance Many Projects

Members of the Vermilion Rotary Club will be canned out all over town this evening week to sell their annual Rotary birthday calendars.

Many community projects decidedly worth-while are made possible by the proceeds from the sale of the calendars. These projects will be dealt with in more detail next issue but to take just a few they include:

Sending a delegate to each spring on all expenses to Rotary Leadership Institute; Information booklets for sale. Advised to inquire at town office in person or by mail.

Cr Glover to check with R.F.D. re in connection with flood land lease.

Crs and secretary to inspect rental ried buildings in Edmonton relative to possible use for workshop building.

Cr. Glover reported no progress re Vermilion Old Timers' Recreational Centre.

## 99 Learn To Swim At Vermilion Park

Another summer of swimming lessons has been successfully completed at the Vermilion provincial park. The program at the park during the months of July and August was directed by Miss Ellen Waldenberger Ellen has taught and guarded at the park for the last three summers and possesses a Water Safety Bronze Medallion, Red Cross Senior Leader and Instructors

Assisting in the program was Miss Fay Fleming of Lashburn Sask. Fay has a Water Safety Bronze Medallion and Red Cross Senior Leader

During the three 2-week sessions the lessons were as follows: Beginners 11 tested 9 passed; Junior 25 tested 21 passed; Intermediate 30 tested 18 passed; Senior 8 tested 4 passed. The program was also in charge of the Vermilion Community

## School Opens Sept. 1st

Schools in Vermilion and the County of Vermilion River will open for the September term on Thursday, September 1st at 9:00 a.m.

Latest reports indicate that all vacancies in the County have been filled with two exceptions. One teacher is lacking in the two room school at Woodside while the J. R. Robson school in Vermilion has need of a second French teacher.

## To Hear Briefs On School Centralization

The Special Committee of the Legislative Assembly of Alberta which does appointed has the purpose of enquiring into and receiving representations as to:

(1) The interest and concern of the public with respect to the centralization of schools;

(2) The educational opportunities presently being offered in elementary and secondary schools;

(3) The problem of centralization and consolidation in the rural areas and smaller cities with particular reference to vocational high schools.

will meet in this area next week.

A meeting for the district will be held at Dewberry in the school auditorium on Tuesday, August 30 at 4:00 p.m. A similar meeting is scheduled for Wainwright school auditorium on Tuesday, August 30th at 9:30 o'clock in the morning.

Meetings are open to the public and all persons interested are invited to attend.

The special committee which will receive and hear the briefs is composed of the chairman Romeo Lamothe M.L.A. Bonnyville; A. Ahlsio, M.L.A. Athabasca, Michael Maccagno, M.L.A. Redwater; E. P. Benoit M.L.A. Lac La Biche; Hugh Rowe, M.L.A. Mannville; M.L.A. Lee la Biche

## Receives Masters Degree At Oregon Graduation

Robert Wesley Waldenberger received the degree of Master of Science in Health Physical Education and Recreation at the summer commencement exercises held on Saturday, August 13, for 820 candidates at the University of Oregon at Eugene. The exercises were held in the School of Music's outdoor amphitheatre.

He is the son of Mr and Mrs Stanley Waldenberger of Vermilion He now returns to Alberta and will teach in the junior college at Grande Prairie.

Exchange students from Montreal who spent eight days as guests of the people of Vermilion district are shown above and were: Johanne Clement, Cecile Desnoyers, Roseline Chartrand, Perrette Simard, Yolande Daguis, Louise Ferri, Diane Jorks, Patricia Allaire, Andree Earl Fenus, Robert Fournier, Roger Gagnon, Andre Huberdeau, Raymond Lamoureux, Pierre Lanoue, Richard Leguerrier, Denis Blais, Alex Morgulis, Ronald Malsonneuve. Monitors Mr. and Mrs. Jean A. Gadoure

## Youth Travel Program Success in Vermilion

For eight days early in August the activity in Vermilion and district centered on entertaining twenty-three young students and their two monitors from the city of Montreal. These active, interesting and very appreciative young men and women were in Vermilion on an exchange visit under the Centennial Youth Travel program. During the time which Vermilion citizens were acting as hosts have twenty-four Vermilion and district young people, who have been in their counterparts in Montreal. Several pamphlets have been issued by the Montreal Harbour Board.

ARRANGED BY ROTARY

Arrangements for the visit were made by the Vermilion Rotary Club with Lima Fleming in the Chair.

Monday the young people visited Blackfoot where they observed as well as participated in the Indian Encampment on the River. Battlefield with a visit to Pioneer

VISIT LOCAL FARMS

On Tuesday students were driven to several farms and in the evening a dance was held at the Elks Hall. Wednesday was attended by the Vermilion students who had returned that day from Montreal.

Work on the projects for Vermilion were Gordon Ross Fred Barrie Barbara Beckhart as captain. Mrs. Percival Ross Mrs. Harry Sherk, Reg Mit Marilyn Mark Norman Sherk, Fred Dibbon, Ken Tarrant Ross Taylor Joanne Ross Jr. Bob Anderson and Susan Sherk.

The Rotary bulletin of August 12th carried the farewell message: "Farewell to our charming visitors from Quebec.

"Your visit has filled all who met you with great joy. You have been met with the greatest kindness, of goodwill from East to West but thoughtful we likely that lasting people are the ones who have come to us. Your campaign then speak. We have asked you only to come and we thank you for breathing gaiety and enthusiasm into our centre of activities. Please visit us again, and we hope you know many of us may see you again during Expo '67 and we wish to you all.

The Secretary of the committee, Bo Anderson in commenting at the end of the Youth Travel program stated that the effects were far reaching and important that the program should be continued over the years not stop with the centennial. He cited many instances to support this contention gleaned during the visit of the Montreal students.

Hosts for the students in Vermilion were Gordon Ross Fred Barrie Barbara Beckhart as captain. Mrs. Percival Ross Mrs. Harry Sherk, Reg Mit Marilyn Mark Norman Sherk, Fred Dibbon, Ken Tarrant Ross Taylor Joanne Ross Jr. Bob Anderson and Susan Sherk.

### EVERYBODY LOSES

To August 8, 73,000 U.S. airline workers lost $40 million in wages because of their strike. Even if they win big gains in pay and benefits it will take them more than two years to make up their losses, according to the Financial Post. Canada stands on the brink of what threatens to be the gravest series of labor union strikes in its history. Those about to strike would do well to consider what their new gains are likely to be. Last year the U.S. man-days lost through strikes were 23 million, Britain 3 million, France 1 million, Japan 4.8 million, Germany 48,000, Canada 2.3 million.

* * *

### Curb Inflationary Spiral

Welcome indeed was the recent report that the Prime Minister has requested his Ministers to cut back on their departmental spending in the next fiscal year, in an attempt to curb the worrisome current inflationary spiral. The Chamber of Commerce movement in Canada, through its national organization, has long called for this kind of action, believing it to be one of the most important ways to combat the dangers of creeping and ruinous inflation.

There is, however, strong reason to believe that the Prime Minister's request will be impossible to heed for at least some of the departments involved. For example, the government is committed to a number of programs which, if implemented, will probably cause overall government spending in 1967-68 to go far beyond the $10 billion already estimated for the current year — Medicare, increased old age pensions and the Canada Assistance Plan to name but three.

With inflationary pressures so strong in the country now, is it not timely and reasonable for the federal government to set up spending priorities so that the important things get done (such as in the field of education) without endangering the country's economy and the welfare of its people?

## Restore HQ Fort of Nor. West Mounted

Partial restoration of Fort Walsh, the old headquarters of the North West Mounted Police, situated 25 miles Southwest of Maple Creek Saskatchewan is the RCMP's Centennial project.

Commissioner C. R. McClellan says that the old fort has already undergone some reconstruction and Centennial plans call for the partial rebuilding of the 91 year old fort's palisade a replica of the earlier NCO's barracks and officers' two trading posts, as well as picnic sites in the area.

The fort was used by the North West Mounted Police from 1878 to 1882 during an Indian unrest in the area and was abandoned when Sitting Bull and 3,000 Assiniboine and Sioux Indians returned to the area that the old fort has already U.S.

## Rotarians will call on you for listings in the...

# BIRTHDAY CALENDAR

**Once again this is going to be the most interesting and informative calendar you have ever seen.**

Every person in Vermilion may have their names printed on the Calendar. Your name will be printed on the date you birthday falls. Everyone will know the birthday of everyone else in Vermilion and district, but it doesn't tell how YOUNG you are.

**BIRTHDAYS**
**ANNIVERSARIES**

The Wedding Anniversaries of all married couples will be listed on the date of their anniversary. Wish a bell after the names. Couples married 50 years or more receive the listing free.

**MEETING DATES**

The meetings of all organizations, lodges and clubs will be listed on the dates they will be held.

**DON'T BE LEFT OUT**

**Listings must be completed by Sept. 5. Anyone not contacted by that date please phone Lorne Pritchard at 853-3402, Ken Howe at 853-3447 or Gus Mensink at 853-3223.**

**COST IS SMALL**

Every family in Vermilion and district will want one of these novel calendars. The cost is only 75c per calendar and 25c per listing. All the money taken in with the exception of the actual cost of printing the calendars will be used for the many ROTARY CLUB community projects.

**Helping to make a friendly community more friendly.**

**VERMILION ROTARY CLUB**

# Harvest Time Presents Variety Of Conditions In The Vermilion Area

By RALPH WILSON
Agricultural Supervisor

It is harvest time by the calendar, yet few of the crops in the Vermilion area are ready for harvest. It has been said that every summer in western Canada presents a different weather pattern. The year 1966 has been no exception. Our whole area suffered a severe drought through the early part of the summer. This tended to cause many of the earlier grain crops to be short and thin and drastically reduced the hay crop. When farmers were about ready to give up in despair the rain came to stay and it continuous wet weather has made a decided change in the crop picture. It now appears that there will be a shortage of feed throughout the county. Pastures are lush and green. The crops in the various regions are as follows (listed in order of the area south to north):

Lavoie and Area — Harvesting does not appear will be general in the area in time. What is the average should yield about 25 bushels.

Allandale Campbell Lake area suffered severe hail damage. Considerable second growth in the hailed crop may make for a very late harvest and poor quality grain. Average yield 15 bushels.

The whole Islay — Dewberry district has an excellent crop which should yield an average of 35 to 38 bushels per acre. Swathing is presently commencing in one week to two days' time.

In the Blyrwayne — Kitscoty area the crops are very good. Probably 1/3 of the barley and rapeseed are already in swath and swathing of wheat should be general in about ten days' time. Wheat will probably average 25 bushels.

In the Hindville — Tolland area crops are somewhat lighter. Harvesting should be in full swing in about ten days to two weeks.

A narrow strip which included the town of Vermilion and extending to the west and south of it suffered severe hail damage. While the acreage involved is not great the overall average will be much affected. There has been no crop harvested yet but swathing should be general in about a week to two days. Wheat average will be in the neighborhood of 20 bushels per acre. We have suffered drought hail, frost and flood but a fair average crop is in prospect.

# Pretty Wedding At Edmonton Church

On Thursday August 4th, a quiet wedding was solemnized at Ebenezer United Church, when Florence Margaret Galloway only daughter of Mr. and Mrs. W. P. Galloway of Vermilion became the bride of Mr. Thomas Edward Allen of Kitscoty Alta., only son of Mr. and Mrs. Ted Allen. The Rev. Mr. Seale officiated.

For her wedding the bride chose a two piece jade green suit with white accessories. She wore a corsage of white and pink roses.

The two bridesmaids were Miss Lorraine McKinnon of Vermilion who wore a two piece dress of white and coral banded material and Mrs. Keith Lyness of Tolland dressed in a three piece suit of blue and white linen weave rep. on their corsages were white rose buds. Mr. Milton Allen acted as groomsman.

Following the wedding a reception was held in the Golden Room of the New West Hotel. The bride's table was covered with a beautiful two tiered wedding cake topped by two miniature white wedding bells. Flankled on both sides by lighted candles and a table arrangement of white chrysanthemums and pink carnations. Mr. Harold Harmson, a friend of the bride and groom was master of ceremonies. Mr. Keith Lyness proposed the toast to the bride which was fittingly replied to by the groom.

After the reception the happy couple left for a honeymoon trip to Banff and points south.

Mr. Bill Galloway were attended guests of the groom.

For her daughter's wedding Mrs. Galloway chose a two piece pink lace suit with white accessories and a corsage of white roses. The groom's mother chose a dress of teal blue with white accessories and pink roses on her corsage.

## HEALTH UNIT NOTES

MOTOR SICKNESS

At this time of year when many young people with children are travelling on holiday there is bound to be some motor sickness among the younger members of the family and it may be useful to know what can be done about it. Motion sickness and sea sickness are very common among small children. It has been estimated that in several countries only one in five children would be unaffected.

The usual age when this condition becomes troublesome is in the second and third year. Some times it begins in earliest infancy. The child becomes pale, quiet, looks unwell and then vomits. A predisposition to cause for motion sickness is the excitement which precedes the journey.

A number of compounds have been tested and been found effective in reducing the turbulence of motion sickness. Perhaps the most effective is meclizine prescribed by for combined use Cyclizine and promethazine and dimenhydrinate are also recommended as useful. For a relatively short journey where the dose does not have to be repeated hyoscine hydrobromide is effective.

Most of these substances are obtainable under their trade names for relieving motion sickness It should be remembered that these substances are potent drugs Care must be taken that only the dose appropriate to the age is given and that they are started in a mild exhilarated. This treatment should be sufficiently high and for about the event of its being left unbroken off it is still out of reach of little fingers.

**WELL BABY CLINICS**

Monday, August 29 — Vermilion (Health Unit Office) 9:30 to 12 noon; 2 to 4 p.m.

Tuesday, August 30 — Wainwright (Health Unit Office) 9:30 to 12 noon, 2 to 4 p.m.

Thursday September 1 — Dewberry (School) 1:30 to 3 p.m.

Friday September 2 — Dewberry (School) 1:30 to 3 p.m.

## Wallaceburg To Have A Big Cake

Wallaceburg Ontario will welcome 1967 in a novel manner. As a tribute to the Centennial of Canadian Confederation, a huge birthday cake weighing a ton and a half will be the highlight of a national birthday reunion will be held on January 1 at 12:01 a.m. or a public ceremony.

## 48 Years Ago Today

AUG. 30th, 1918

That Vermilion ratepayers will have to dig deep this year is indicated in the necessity of the town fathers taking the bull by the horns as it were and jumping the rate from 20 odd mills of last year to 30 for the current year.

Born at Grange Farm, Vermilion, on Aug 1, 1918, to Mr. and Mrs. Percy Tyndall, a son, Gerald.

Born on Sunday Aug. 25th at the Vermilion Hospital to Mr. and Mrs. Cecil P. Cobbin, a daughter.

Oliver Chilled-ith, who recently bought out the farm at Lamberville, is now located at Purlear, Sask.

## 32 Years Ago Today

AUG. 22nd, 1934

An interested citizen made an actual count of the number of cars passing a point and the hardcore centre of the town on Saturday morning. Starting From 11 a.m. Brunswick Hotel corner to the Standard Office the number was 164. Business is improving.

Unsettled weather has been experienced here since last publication. Friday was bad here every way to a real cloudy week-end.

Miss Graham of the Bank of Commerce staff left on her annual vacation this week.

Two and one-half degrees of frost were registered here some time Wednesday night or Thursday morning. At 10:30 p.m. Wednesday it looked as if the thermometer was in for a season frost hence 36 at that hour.

## 16 Years Ago Today

AUG. 26th, 1950

The veteran, Sandy Watt, was another honoree taking top prize in the first Motel widening from Vermilion to the East at the Lloydminster Golf Tournament on Sunday and Monday.

The threatened railway strike of all Canadian railroaders the month and breadth of the Dominion went into effect at 6 a.m. Thursday. All across Canada trains were halted and tabernacle transportation were suspended.

The first new grain material at the Wallace elevator was a load of barley from the farm of Richard and Anthony Belmont. It weighed 0 cwt 0 qrs and is named "Little Darling."

# Home and School Federation Urges Attendance At Committee Hearings

By MARY SEMENIUK
R. of S. Area 3

The special committee set up by the Legislative Assembly of Alberta will hold meetings open to the public to inquire into School Centralization in Area 3. This area includes the Counties of Vermilion River, Minburn, Two Hills, St. Paul, Big Lake Hill, Buffalo and the School Districts of St. Paul, Vegreville and Wainwright.

These public hearings will be in the following places at times noted: Wainwright School Auditorium, Aug 30th, 9:30 a.m.; Dewberry School Auditorium, Aug. 30th, 4 p.m.; St. Paul Court House, Aug. 31 p.m.; Radway Jr. High School Auditorium Aug. 31 at 10:30 a.m.

The Alberta Federation of Home and School Associations urges parents, school trustees, ratepayers and parents who have children in school, to remember these dates and to attend the meetings. This is your opportunity to express your views on School Centralization. Everyone should take a greater interest in the educational system in a constructive way. This can only be done if all are better informed about Education and how to improve it. The Home and School urges not to let others do the thinking for you but come out and hear this question discussed.

# 25th Anniversary At Clandonald

The Clandonald Hall in Clandonald was the scene of a happy celebration on the evening of Saturday, June 4th, when relatives and friends of Mr. and Mrs. Peter Bykowski gathered to honor the couple on the occasion of their 25th wedding anniversary.

Earlier in the day at the Ukrainian Greek Catholic Church, Mr. and Mrs. Bykowski, in the presence of their family and relatives, renewed their marriage vows, with Rev. Father J. Chmielowsky officiating.

For the happy occasion Mrs. Bykowski wore a sheath dress of pink lace. Mrs. Alex Mood, sister of the bride, presented the couple with beautiful rose and carnation corsages.

Mrs. Stanley Wasylenko acted as bridesmaid, and Mr. Frank Chupka, brother-in-law, was in charge of the guest book.

After a dance a buffet supper was served and toasts and good wishes were extended on behalf of all present, by Mr. Dennis McCormack, Mr. Peter Bykowski, father of the bride and other family friends.

The head table was beautifully decorated with flowers and centred by a wedding cake baked and iced by a neighbor.

Prayers for future health and happiness of the couple were offered by Rev. Father McDonald and Rev. Father Murphy.

Following a further programme of a lovely chain was made by Mr. Dennis McCormack, a gift from relatives and friends.

The honored couple have spent almost all of their married years in the district and have been blessed with six children, all of whom were present at the anniversary celebration.

Mr. and Mrs. Bykowski greek nearly hundred all those present for their gifts, good wishes and prayers, and the evening was brought to a close with everyone singing "Auld Lang Syne" and "For He's a Jolly Good Fellow".

## LOCAL NEWS

Fred Webber of Toronto spent a couple of days in town last week visiting his mother Mrs. M. Webber, and uncle Mr E. E. Webber. After many years as Supervisor of Salary Payrolls for Canadian Pittsburgh Industries Ltd., Fred has left that position and is now teaching at the Adult Training Centre in Toronto.

Mr. and Mrs. Robt. McIntyre and their three children, John, Jim and Janet, were week-end visitors in Edmonton, at the home of Bob's sister and family, Mr. and Mrs. Don Flint.

Mr. and Mrs. Bob Bowman of Placentia, California, are spending two weeks in Vermilion, guests at the home of the latter's sister, Miss Margaret Stephens.

Mr. and Mrs. John Hedland of Wetaskiwin were week - end guests at the home of Mr. and Mrs. W. J. McIntyre.

Mr. and Mrs. David Kindrachuk and family of Mundare spent the week-end visiting at their parental homes, with David's parents, Mr. and Mrs. J. Kindrachuk and Mrs. A. Goodwin.

Mr. and Mrs. John Figr and family of Bindloss, former residents of Clandonald, are visiting relatives and friends in and around the Clandonald district. After their holidays are over they are taking up residence in Rossland, near Camrose, where John is employed by the Pioneer Grain Co.

A most interesting and extensive trip has been planned by Mr and Mrs. Clayton Plewes of Paradise Valley for the coming return home Sept. 19th.

Mr. and Mrs. Gilbert Hancock of Lacombe were visitors at the home of Mrs. and Mrs. E. Hancock for a brief time over the week-end.

Mr and Mrs. Joe Ratcliffe and children, Bonnie-Lynn and Margaret Ethel of Edmonton, were visitors at the home of Sylvia's parents, Mr. and Mrs. E. T. Hooks

Visiting at the home of Mr and Mrs. Sid Burdett during the past week were Mr. and Mrs. Art Burdett and the girls from Battleford Sask.

Miss Margaret Stephens and Mrs. G. F. Stephens were in Edmonton Saturday to attend the wedding of their nephew Dr. Roger Stephens and Miss Malia the McCallum. They were accompanied back by Mrs. Lottie Taylor who also attended the wedding.

The children of Mr and Mrs [illegible] of Calgary spent two weeks [illegible] Donald's parents Mr and Mrs. [illegible] Johnson.

Miss Betty Cline returned the middle of the week from a holiday spent in Edmonton.

Mrs Annie Whittemore (nee [illegible]) returned to resume [illegible] Clandonald area.

Mr. and Mrs. Newcombe Bell [illegible] Bell were visitors to town from Wednesday to Friday of last week, guests of Mr and Mrs. R. C. Heetbert.

Mr. and Mrs. Clive Stephens of Victoria, B.C. were in town Monday and Tuesday renewing acquaintances and visiting Mrs. Grace and Billy Stephens. They had come from Victoria early in the week to attend the wedding of their son Mr. Roger Stephens.

Mr and Mrs Wm T. Rothwell and three girls Maureen Lorna and Sharon of Calgary were guests last Friday and Saturday at the home of the former's sister Mrs. Ashley Cooper.

Mr. and Mrs. Alex Linton have enjoyed summer visits from members of their family including Sig Mr. and Mrs. Harry Armstrong and the girls, Debbie and Penny. Their grandchildren Janet and Greg with their mother Mrs. Ron George of Toronto were here last week. The week previous Mrs. Barber Linton with the children, Karen, Sandra, Larrie and Ray were at the farm. Earlier in the summer Perry Lister with Phyllis and the twins Lorraine and Elaine and baby Kirk were out from Norman Wells for a visit.

Captain Keile Minchin Mrs. Minchin and their three sons were guests in Vermilion during the past week. The Minchin family have just returned from spending three years stationed with Canadian Forces in Germany. Capt. Mrs. Minchin was a former Rector of St. Saviour's Anglican Church here, and is now the Padre of the First Battalion of the PPCLI Capt Minchin now expects to be posted to Ed monton

Mr and Mrs Eddie Barclay returned recently from a two week vacation spent in Prince George, where they were guests at the home of their daughter and son in law, Mr. and Mrs. Donald Fontaine.

Recent visitors at the E. Esdahl farm, Manorville, have been Mrs. Georgiana Wesenbaugh of Cleveland, Ohio and Mrs. Mary Canderson of Wainwright.

Charlotte Walters left on Monday, July 25th for West Germany where she will visit with friends. She plans to return Sept. 3rd.

Miss Judy Fensstra and Miss Claudia Millmow are presently holidaying in Hawaii. They will return home Sept. 19th.

### CARD OF THANKS

We wish to thank Dr. King, Dr. Attenborough, Miss McPhee and all the staff of the hospital for the wonderful care and kindness given our daughter Joanne. And sincere thanks to Mrs. Allen Stefinsky and John Perbey who so kindly made the trip to Calgary with us.

Mr and Mrs John Wynnychuk.

### CARD OF THANKS

We wish to take this opportunity to thank Dr. Attenborough, the nurses and staff of the hospital for the kindness and care received, also to our many friends and relatives for flowers, gifts and get-well cards sent, during the illness of Mrs. Van den Dolder

Mr. and Mrs. H. Van den Dolder

### CARD OF THANKS

We wish to express sincere thanks and appreciation to relatives for their kind expressions during the many cards, [illegible] and cakes [illegible] during the recent illness and passing of our late husband Cliff Lake. Ruth and Fred Kristmeier

### CARD OF THANKS

The Ladies of the Catholic Women's League would like to express their thanks and appreciation to all who helped in any way to make the dinner held during the Vermilion Special thanks to all who patronized the dining hall to help make it a successful project.

### CARD OF THANKS

I wish to express my sincere thanks to the staff of the Vermilion Hospital; also my friends and relatives who sent cards, flowers and gave of their time to serve and see hallo Matthew A. Tarwoski

## Dewberry Pioneer To Celebrate 80th Birthday

Albert Dentith a well remembered and esteemed pioneer of the Dewberry district will be 80 years old on Friday, August 26. All the time he lived at Dewberry he was very active in community affairs and sports. He has resided in Edmonton since 1949 at 11635 95th street.

It is planned to hold a family re-union at Mr. Dennitt's home in the city. His many relatives and old friends in the Dewberry district extend congratulations and best wishes.

## Greenlawn Goodwill Club

The August meeting of Greenlawn Goodwill Club was held at the home of Berta Lumley with thirteen members and 3 visitors present.

A letter from the Bonnie Doon Memorial Home was read, gratefully acknowledging our donation and the interest taken in this project.

The picnic at Whitmer Lake on July 21st was well attended and enjoyed by all. The kitchen at the hall was cleaned and it is hoped more active will soon be taken in this. Although little business transpired the ladies enjoyed the flowers and time out from their busy harvest duties.

The hostess entertained with an amusing contest after which a lovely lunch was served.

The next meeting will be held at Doris Jones' for the September meeting.

## CAMROSE PICKLE CO. LTD.

**MacMILLAN** — Mr. and Mrs. Alex MacMillan, Clandonald, on Aug. 17th, a boy, Maurice Alexander.

Born to Mr and Mrs Stewart Cooper at the Holy Cross hospital, Calgary on Wednesday August 17th a daughter Cheryl Lynn, weight 8 lbs 3 oz.

## Juveniles At Oil King Camp

Four members of the Vermilion Juvenile are attending the Oil King hockey camp at the University rink in Edmonton this week. They were invited by the Oil King management. The Oil Kings have been waiving a number of the Vermilion players with the result that Derek Beattie Barry Walsh Jim McLeish and Wayne Maughan are all in the city by invitation and getting an early start on the hockey season.

## MIDGETS LOSE AT CAMROSE

The Vermilion Pee Wee baseball team, 12 years and under played against the Edmonton Wellington Park team on Sunday at the local park but lost both ends of the doubleheader. The scores were 11-1 and 19-4. This series continues in Edmonton on Saturday.

The Edmonton Wellington Park team was the best of 21 pee-wee teams entered in the Edmonton play downs, so the Pee Wees had real competition.

## MARWAYNE NEWS

Congratulations and all good wishes go to Mr. and Mrs. Gerry Jackson, nee Linda Kotzmarzyk, who were married in St. Andrews United Church, Marwayne, Sat. August 20th. A reception followed in the Kiba Hall.

Many good wishes go to Mr. and Mrs. Dennis Bacon on the birth of a son in Lloydminster hospital on August 6th and to Mr. and Mrs. Rivett on the birth of a daughter July 27th in the Vermilion hospital.

Mrs. Olive Kerr won the trophy for attaining the highest number of points at the F.W.I.A. Horticulture Show on August 19th in Marwayne. She runner up was Mrs. Lew Cleaver. There were many entries and most of them high calibre in spite of adverse weather conditions. Judging was done by P. D. McCalla, Provincial Horticulturist Edmonton; W. Cody, Asst. D.A., Vermilion and Mr. Eller from the V.A.V.C. The raffle of ceramics made and donated by Mrs. Effie Anderson were won by Mrs. Jean Dreher and Mrs. Dorothy Milne. The show was very well attended and a complete prize list will be printed soon.

The sincere sympathy of the community is extended to Mrs. Jean Barnett and family in the death of son and brother Barry. After a short illness Barry passed away on Thursday the 18th, aged 18 years, in the University hospital. Funeral service was held in the Elks Hall with interment in the local cemetery.

The sound of the hammer is ringing out on the air as granaries to hold the new crop are being built in the various areas in the town. All we need is that jolly old sun to shine every day.

Mrs. Ida Wellman has been appointed town secretary following Mr A. V. Smith's resignation.

Joan Bell, nurse in training at Medicine Hat, is on holiday at the home of her parents, Mr and Mrs. F. Bell Mr and Mrs. L. Quist and family of Edmonton visited at the home of Dunlop's parents Mr and Mrs. O. H. Quist recently.

A pioneer of this area, Mrs Pete Cornelissen, died in the Auxiliary hospital Lloydminster, celebrated her 97th birthday on August 18th. Very sincere birthday greetings to this old friend.

### IT'S A HIT

Ricky Hutchinson, 19 months old mascot of Hutchinson Truckers of Edmonton, swings his bat to show the technique in hitting a long ball. Ricky, fully decked out in baseball suit attracted much attention at the Bantam baseball game in Vermilion on Sunday. The Standard camera man caught him in action swinging his bat.

Ricky is the grandson of the sponsor of the Hutchinson Truckers team. His own dad, Richard Hutchinson was also at the game and stands 6 feet 8 inches high, so Ricky has a long way to go to catch up to his dad.

## ADDRESSES ROTARY on F.A. ORGANIZATION

Guest speaker at the Rotary self-contained organization, self Club last Friday was Newcomer N. Beatley of F.A.O. Rome, Italy. Mr. Beatley is home on leave for two months.

A former principal of the V.A. V.C., Mr. Beatley is a charter member of the Vermilion Rotary Club. His talk was a briefing on what F.A.O. (Food and Agricultural Organization) is, what it does, and what it attempts to carry out. It is an individually

## Big Vegetables Are In Season

The Editor has visions of living well and economically this fall as the crop of vegetables is apparently good and the big ones are beginning to come into the office, brought in by the proud growers.

Mike Wynnyhuk has some really fine Netted Gem Potatoes. Two of them weighed 1 lb. 13 oz. and 1 lb. 10 oz. They were regular in shape despite their size, quite smooth and really good samples. Mike who lives north west of town, has a big patch of these which is often admired by passers-by.

Graham Skinner can always be relied upon for something newsworthy and brought in a bread bean 9 inches long. First time he has ever grown broad beans so Graham thinks he has discovered good use for the soil in his town garden.

Big Vegetables are always interesting as well as being good eating.

## Celebrates Her 100th Birthday

MARWAYNE - Mrs. Samuel Barstad formerly of the Lee Park district, recently celebrated her 100th birthday. Mrs. Barstad has resided at Richmond, B.C. since 1938, living with her daughter. With the exception of two years Mr. and Mrs. Barstad lived in the Lee Park area since 1909. Mr. Barstad passed away in 1957.

## New Electrical Firm Opens Here

Ron Harris of Lloydminster has opened an electrical contracting firm in Vermilion with Roland Courchesne a fully qualified technician as resident manager Headquarters of the new firm is in the former Mix the Mover house at 4916th Ave Vermilion.

See the display advertisement in this issue of the Standard for further information.

### SOCIAL EVENING

There will be a social eve ing in the club rooms of the Canadian Legion on Saturday evening, Aug. 27th. Come along and bring a friend.

## News From RIVERTON

Rain, rain and more rain is about the only kind of weather to report in the past few weeks. This, combined with the cool weather is delaying the ripening of the crops and making gardens late. It is to be hoped that we do not get frost soon as it would cause a lot of damage.

### DRAW FOR QUILT

The Riverton Ladies' Club met on Aug. 10th in the hall with an attendance of twelve members. The big event of the day was the draw for the quilt raffle. The lucky winner was Mrs. Owen Bristow of Heinsburg. Congratulations on becoming the possessor of this beautiful bedspread which won first prize at the Vermilion Exhibition. It was decided to use some of the proceeds of the raffle to install much needed cupboards in the hall.

The sympathy of the district goes out to the families of Mr. Fred Maddrey who passed away in the Vermilion Hospital recently. Mr. Maddrey was a kindly gentleman and will long be remembered for his many neighborly acts of kindness.

Dale Boothman has been in the hospital this week for repair work on his broken arm which is not mending properly.

Mrs. Wilford Mathison and Mrs W. Hansen have recently returned home after spending some time in Edmonton and Lloydminster hospitals respectively.

Ivor Boothman recently caught a 14 pound jackfish in Laurier Lake — that's a lot of fish.

Mr and Mrs. Jack Hansen returned recently from a bus trip through the mountains.

Returning from holidays lately are Mrs. P. Hansen from Vancouver, Mrs. Durnin from Victoria and Kamloops and Mrs. Wood from Edmonton and Banff. Our apologies to those people whose comings and goings have not come to our notice.

Mr and Mrs. Ivor Boothman and Dale are away for a few days on a motor trip.

Mr and Mrs. Gordon Mathison and baby spent a few days at Hinton recently visiting Shirley. Ed and children

A Radio-Sonde, stamped with Registration No. RSC-31-S, was picked up at Walter Carlson's slough, 4½ miles north-east of Islay last month.

### Beards Prominent At Vermilion Fair

Adding amusement and entertainment at the Vermilion Fair was the beard growing contest and the judging which was carried out on the grandstand. The group above shows all the beard growers in the competition along with the two judges. Just in case some of them are well camouflaged they are: front row, left to right, Gentleman Dave Lawrence; Bench row Bill Robinson; Barbering Jack Baddock, judge; Yukon Hilda Cross, judge; Muk-Luk Chuck Teasdale; Middle row, left to right, Lord Lloyd Engelking; Barnyard Bob McIntyre, 1st prize; Blacky the Bear Coutts; Faulty Faucet George Raun; Reddy Fox Albert Smith; Back row, left to right Colonel Ed Shroeder; Saint George Cruthers; Fuel Pump Steve Ladwig; Wild Bill Borysiuk.

## Annual Flower Show Outstanding Success

MANNVILLE. — Despite the unusual weather of the past growing season the annual flower show sponsored by the United Church Women have was an outstanding success, having nearly 200 entries. Many of the flowers were of superior quality and the exhibitors showed much improvement in their arrangements and showmanship in general.

The dainty tea, which is always held in conjunction with the show was equally as enjoyable as in previous years.

After having judged the entries, the judges, Mrs Elizabeth Durie and Mrs C Fuller, assisted by Mrs. J. Lowe, were unanimous in their opinion that each exhibit was of good quality and well displayed.

Mrs Durie commented on some special techniques which would help to display the flowers to advantage, also suggesting that cutting the flowers the day before they were to be exhibited would give them time to revive and so show up better.

A hearty vote of thanks was given the judges in appreciation of time and effort expended, all so their kind words in appreciation of the efforts of exhibitors.

**LIST OF WINNERS**

Highest average of points for the first 20 items 1, Ruth Hubbard, prize awarded by Cornfield Hardware. 2. Margaret Cornish Mannville Style Shop; 3. Martha (Wessel) U.C.W.

### Beards Judged in Various Ways

This was one of the ways Yukon Hilda judged the beards in the Vermilion Fair beard growing contest. Shown quite evidently enjoying the judging is Muk-Luk Chuck Teasdale

## Province To Assist Exhibitors At The Toronto Royal Fair

The Hon. Harry E. Strom, Minister of Agriculture, states that the Alberta Department of Agriculture would again assist livestock breeders of the province with an exhibit at the Royal Agricultural Winter Fair in November.

Selectors appointed by the Provincial Breed Associations will select the exhibit under direction of the Alberta Livestock Board.

The Livestock Branch will coordinate the work of selection and assemble the shipment.

Breeders planning to nominate beef cattle, dairy cattle, sheep and bacon should forward their nominations to W. C. Gordon, Livestock Commissioner, Alberta Department of Agriculture, Legislative Building Edmonton. The nominations must be mailed to reach the Department prior to Sept. 15th as none selections will commence on that date.

There may be a few changes in the classification of some of the classes of livestock for 1966 because of this, breeders who have not exhibited for a year or two but are planning to nominate this year should write to the Royal to assure they receive a current prize list as soon as it is announced.

NOTHING BUT THE TRUTH

## Celebrate Fifty Years Of Marriage

Mr and Mrs. Oliver Goldsmith recently celebrated their golden wedding anniversary at their home in Edmonton.

The couple were married Aug 1st 1916, at the home of the bride's parents at Post. Alberta. Mr Goldsmith homesteaded in the Landonville district in 1909. Mrs. Goldsmith came to Alberta in 1912 from Oklahoma. They made their home in the Landonville district until 1944 when they moved to Edmonton. They have 2 children and 20 grandchildren.

Among the many greetings received from family and friends were those of Lieut. Gov. Grant MacEwan Premier E. C. Manning

## Clandonald U.C.W.

The Clandonald U.C.W. meeting was held at the home of Mrs. Hugh Hazen with 13 members present.

It was very nice having the ladies bring their youngsters for the devotional from the Upper Room which was given by Carol Ann Bell. Mrs Goddard read an article from the Reader's Digest "The Bible of Times" which was very interesting and something to really think about. Plans were made to push our children to band until they need portable beds.

The September 1st meeting is to be held at the home of Mr. and Mrs. Goddard. Roll call a mystery parcel. Lunch committee Mrs. Thompson and Mrs. H. Feenstra.

Vacation School was quite well attended even though we had a smaller attendance than other years. We had plenty of help and thanks a lot ladies for doing such a wonderful job. Also thanks to Peter DeJong Bar for loaning woodwork. We were glad to have children of other religious groups join us, hope you'll be back next year. We had children from Clandonald, Vim. It was nice having Mrs. Stinkens from Illinois also. Thank you ladies for assisting in the cooking for the little ones, they always enjoy a lunch after so they get pretty hungry before the noon hour each day.

## Vermilion 4H Beef Club

(Club Reporter Bob Mead)

The monthly meeting of the Vermilion 4-H Beef Club was held Aug. 2nd at the home of George Mead. Raymond Wilson opened the meeting. The treasurer Terry Simonet, gave his report.

The Achievement Day was held July 27th and the sale was the following day. This Achievement Day was held in conjunction with those of Mannville and Provost. Terry Simonet took the championship and John Barr had the reserve champion in the Vermilion Club. John Barr also won the Showmanship award.

## Vacancies On Legion Pilgrimage

OTTAWA — The Royal Canadian Legion is finding it difficult to fill the places in its last pilgrimage to Holland scheduled for September 19.

The fourth pilgrimage will bring to over 1,000 the number of Canadians who have visited war graves of relatives in Holland.

While in Holland, the Canadians will be guests of Dutch families. They will visit cemeteries in Groesbeek and Holten (other trips will be arranged for those wishing to visit other cemeteries).

Any next of kin or relative of a Canadian buried in Holland is invited to get in touch with Legion headquarters at 409 Cliff street Ottawa.

## New D. A. For Wainwright

S. S. Graham, Provincial Director for the Alberta Department of Agriculture has announced that Neville O. Wohlberg has been promoted to District Agriculturist at Wainwright. Former D.A. Wainwright Steve Hrynyk Wohlberg assumes the position held by Steve Duncan, who was recently transferred to Vermilion.

Mr Wohlberg has a Bachelor of Science degree in Agriculture from the University of Saskatchewan. He was raised on a farm near Rowan, Sask., and has a good practical farm background.

According to FAO study, there were some 13 million tractors at work in the world in 1964 compared with less than 13 million in 1950. In 1939 there were less than 2 million tractors in use.

Today the radio is almost four to

# Wildmere Winks

Everyone is busy trying to catch up after the rainy spell. Some have started to swath but by

Mr and Mrs. W. J. Garnett spent an enjoyable holiday in southern Alberta and parts of Saskatchewan.

Mr and Mrs. Noel Garnett and Brent are now busy haying on the mountains. Glen Garnett is visiting his grandmother Mrs. Julia Fairbairn while his parents are away

Mr and Mrs. Floyd Sweet have returned from attending summer classes at the U of A.

A speedy recovery is wished Mrs. Peter Jensen of town who has had her leg amputated at the University Hospital. All of us who know Mrs. Jensen's ability to entertain can easily understand why she will soon be her cheery self again.

John Walker who comes from Saskatchewan and who worked at the Wallington farm thirty years ago, called on several old acquaintances recently. He was very kindly driven around by Laurence Graham, Howard Fricker and Arnold Winter.

Mr. and Mrs. Dan Ford and family of Edmonton visited the Gilbert home Thursday bringing with them Mrs. Wilson Ford who has spent the past month visiting her granddaughters Mrs. Cliff Leonhardt of Hinton and Mrs. Grant Robinson of St. Albert and the Ford family in Edmonton.

Mr and Mrs. Lloyd Howard and family spent Friday evening in Edmonton., taking Mrs. Howard Sr. back to the Belvedere Lodge where she makes her home.

Congratulations to Kathy Nichols and Joe Howarths who are to be married Sept 3rd. There will be a shower at the Preston Hall in their honor in conjunction with their wedding dance the same evening. Will all the local ladies please bring cakes.

Another diamond is also flashing very brightly in our area and everyone is extending best wishes. It's Dan!

The wedding of Joanne Hughes and Doug Herchert was a very lovely affair and they were indeed fortunate to have such a nice sunny day after so many rainy ones.

Congratulations to Mr and Mrs. Albert Fairbairn and Mrs. Wainwright on the birth of their second son.

Norman Smith spent the week-end with his parents Mr. and Mrs. Albert Smith from his job at Johnson Electric in Edmonton where he is apprenticing.

Allister Cruthers was also home from Edmonton with his parents Mr and Mrs. Cliff Cruthers. They both returned to the city on Sunday with Don Cruthers.

Rev. C. Miller officiated in serving the Lord's Supper assisted by Mr. Lingelet, Mr. Cox Robertson and Mr. Cliff Cruthers.

The young people are planning a service on Sunday, Aug. 28th weather permitting. Mr. and Mrs. Cruthers and Mrs. of Lloydminster were week-end visitors at the Cruthers' parents. Mr and Mrs C. Wilson.

Just two more Sundays for church services at Wildmere until Mr Lingelet leaves on Sunday on Aug 28th will be at 10 a.m. and Sept 4th at 2.30 p.m.

Notice to all those concerned A discussion service will be held in the cemetery on Sunday 28th. For further information phone Mrs. Wilson.

# Dewberry News

On Sunday, Aug. 14 the Dewberry Lions Club held the annual family picnic. This year it was held at Whitney Lake. All enjoyed the fellowship, games and potluck supper.

Guests of the Ewen families over the week-end were Mr. and Mrs. Bob Rogstad, Lynn and Lee of Edmonton, Mr. and Mrs. Keith Hansen of Calgary.

Mr. and Mrs. Ralph Landon have returned from a holiday to Niagara Falls and other points down east.

Mrs. Darcia has returned from a holiday to the west coast.

The greatest intensity of farm mechanization is still to be found in Europe, with one tractor per 84 acres of arable land followed by North and Central America (one per 106 acres) and Oceania (one per 232 acres).

WHY NOT TRY A WANT AD?

**District 4-Hers Visit British Columbia**

Seventeen of Alberta's top 4-H members went to Edmonton on July 23rd to spend twelve days living with 4-H families in British Columbia. They were accompanied by two 4-H leaders, Mrs. Nellie Deering, Mayerthorpe and Mr. R. Westmacott of Ryley Alta. Half of the group visited in the Kamloops area while the others were in the Chilliwack area.

The delegates were selected on the basis of their past club record, leadership ability and knowledge of 4-H.

Providing an opportunity to develop a broader understanding of Canada was the purpose of this trip. Monies for sponsorship were received from the Canadian Centennial Commission.

Among the seventeen were Robert Stachniak of Clandonald Robert is 19 and has completed 4 years in beef club. 4 years in intermediate grain club and has served as 4-H club president, vice-president, secretary treasurer and reporter. He has attended the Vermilion Agricultural and Vocational C. Here and now plans to attend the University of Alberta where he will enrol in the Faculty of Education. Robert is shown standing 4th from the right.

Another district 111 club member chosen for the trip was Adolph Saskiw of Beauvallon Adolph is 21 years old and has spent 8 years in beef feeding 3 years in beef breeding and 1 year in field crops. He has been president secretary treasurer club reporter and junior leader in his Beauvallon club He has completed courses at the V.A.V.C. and plans to attend N.A.I.T. this fall to study heavy duty equipment technology.

Adolph is shown 4th from the right

# News from KITSCOTY

Johnston, Abbotsford, B.C., renewing acquaintances in the community; Jim Teasdale, Edmonton, visiting his family, Brian and Irene Robinson, Wainwright, visiting Mr. and Mrs. C. F. Thompson; Mrs. Emily Maher, and her sister Mrs. Mary King, Muskegon, Mich., visiting with Mr. and Mrs. F. W. Hill; Mr. and Mrs. Merle Nielsen and daughter Taryn, Calgary, visiting in the home of Mr. and Mrs. Albert Tovell.

## FEDERAL AND SEARLE MERGER ASSURES BETTER FARM SERVICE

The recent announcement that Federal Grain Limited and its wholly owned subsidiary, Alberta Pacific Grain Ltd., and Searle Grain Company Limited would merge will result in even better service for Alberta grain growers. Consolidation provides greater management depth and puts the three companies in a better position to offer increased services to customers. There are real benefits for every producer . . .

Federal Grain and Alberta Pacific have long maintained an Agri-Services Department for the express purpose of providing producers with the best information available concerning latest farming methods, weed and pest control, plant diseases, and the use of agricultural chemicals. This valuable service is now available from all Searle Grain agents.

Searle Grain is widely recognized for its research programs in farming and livestock practices, as well as for the manufacture of pellets and other feed grain products. Now, all Federal and Alberta Pacific customers can enjoy the benefits of these programs.

The consolidation will result in greater efficiency through a better distribution of country elevators, and the new organization's operational terminal elevator facilities at the Lakehead will improve grain handling efficiency there, an important factor in the light of Canada's record export wheat sales.

The new organization, all-Canadian controlled, will make no immediate changes in operating policies. Management and staff will not be affected by the merger. The three companies will continue business under their present names, offering customers expanded and improved services. Have a talk with your nearest agent or country manager and find out exactly what's in it for you.

## The Homemaker

MRS. E. MARVIN ELLIOTT
Wainwright — Phone 842-3434
Vermilion — Phone 853-3333

For garden fresh vegetables your friend, your garden and freezer are the best to serve you.

The stage and maturity of your vegetables for freezing is most important. Choose vegetables when at their prime for the table. Young, young and tender vegetables provide best results.

Speeding handle is will also affect your frozen results. It is best to gather vegetables in the early morning before they have absorbed too much heat. Pick only what you can prepare and freeze in one day. If there is a delay before freezing, refrigerate in the refrigerator to keep as cool as possible.

[illegible] vegetables for freezing. Just pop them into container and boil them into the freezer. This is a strong conception. Blanching is a form of partial cooking at high heat. It stops enzymic action which if allowed to continue will surely change color, flavor and texture of the product. Blanching may also destroy bacteria and safely wash away any spray left on the vegetables.

Blanching time varies with the type of vegetable, the size of pieces and degree of maturity. Be exact in your timing and remember timing commences after the water has returned to a full rolling boil. Chill quickly by immersing in large quantities of cold water. Water may be frozen if [illegible] is clean. Drain well and package for freezing.

For stunning times and other freezing procedures, ask your District Home Economist for the bulletin "Preserve by Freezing".

## Centennial Report

1867 1967

by JOHN W. FISHER
CENTENNIAL COMMISSIONER

Youth travel programs and cultural exchange visits between communities and ethnic groups are organized and financed by the Centennial Commission to help promote communication and understanding between Canada and [illegible] by our country's great distances.

The idea behind such programs of course, is that [illegible] a good time for everyone to get to know Canada better and to learn more about its peoples. Its varied geography and history. But government programs [illegible] most other cases are merely as catalysts. The idea will become a complete success only if Canadians motivated from within themselves [illegible] their own initiative get on the move in '67 to see more of Canada and to learn more about it.

Many [illegible] do not take the opportunity to [illegible] [illegible] [illegible]

## School Starts — Mr. Motorist — The Responsibility Is Yours

When it comes to kids, expect the unexpected.

This is the advice of the Alberta Safety Council.

Now that summer vacations are over, thousands of children are heading for school during the same hour that many motorists are driving to work.

Most of these youngsters have been told how to get to school safely. But kids — being kids — don't always remember the right way to do things, the Council says.

Younger children especially lack the experience that almost automatically tells adults what to do in an unexpected situation.

The Council offers these suggestions for those driving during the school year:

Remember that school yards, usually empty during summer hrs, now filled with shouting, racing children who do not always watch where they are going. Be prepared for a child to suddenly dash into the street.

Be ready for the unexpected whenever you see a group of children near the street.

Give yourself an even greater margin for safety in rainy or wintery weather when streets are slick.

Keep your car in top mechanical condition. Be sure it will respond to brake and throttle.

* * *

## Labor Day Leading Contributor To Tragic Toll

Nearly 5,000 Canadians will die in automobile accidents during 1966 and the upcoming Labor Day week-end will be a leading contributor to this tragic toll, according to All Canada Insurance Federation.

The Federation, which represents most of Canada's automobile insurance companies, recommends these driving hints which may help you to come home alive.

1. Slow down, excessive speed is a contributing factor in many accidents and particularly fatal accidents.
2. Be sure your car is in good mechanical condition.
3. Avoid driving when over-tired and make frequent "coffee stops" during long trips.
4. Drive "defensively" so that you are prepared to avoid the other driver who makes a mistake.
5. Obey all traffic regulations and rules of the road; while these regulations may sometimes seem overly conservative, they are generally accurate and helpful.

* * *

## Be Careful of Hail Damaged Feed

J. Martin, nutritionist with the Alberta Plant Industry Division, strongly advises farmers whose crops have been damaged by hail to have a sample of the material analyzed by the Agricultural Soil and Feed Testing Laboratory before feeding it to their livestock.

He points out that grain crops which have been badly damaged by hail can contain a high level of nitrates which could prove fatal to animals either grazing the crop or eating it in the form of hay.

The cost of having a sample of this feed analyzed is only $1.00 It should be sent to the Agricultural Soil and Feed Testing Laboratory, Agricultural Building, University of Alberta, Edmonton. Further information can be obtained from district agriculturists.

## 16 Years Ago Today

No issue of The Standard for Sept. 1st 1950.

## 32 Years Ago Today

AUG. 30th, 1934

Twelve degrees of frost were recorded here on Thursday night of this week and Friday morning Aug 29 and 30. The previous night 3½ degrees of frost were registered.

Threshing outfits are pressing for their runs are, not many days will elapse before readings.

A Wiener is erecting a brick confectionary store on First St. district. George Shepherd pulled a load of new wheat that been recently built in in the east of the on Saturday while W. E. Machine now purchased.

Many Vermilion fans will be interested to learn that the Edmonton Exhibition will be held this year from Wednesday and Thursday Sept 7th to 10th inclusive. Next Wednesday and Thursday will be the first visit here in Vermilion a big fair will be held several years, the Board of Trade events each day. While spent a week in town, moving wright band will be in attendance for the entire week.

Our little town of Chauvinville Last Wednesday saw the last day present in town full of news each holiday for businesses this from the crowded carriers anxious to visit.

## 48 Years Ago Today

SEPT. 6th, 1918

A bad[illegible] Northern branches of this province. William Robin was passed away in the Royal Alexandra Hospital on Thursday Aug 29th at the age of 42 years. He resided on the Rowdale Farm four miles west of town.

## GREEN ACRES

By: Wilfred L. Cody, Associate D.A.
Vermilion, Alberta

**BEEN THERE? CAUTION!**

Teenagers probably don't read this column however, you could draw their attention to this one!

The County of Vermilion River is co-sponsor of this year's essay contest, awarding a fifteen dollar prize for the best essay from the County. The winning essay in the County is eligible for a provincial contest and if a winner there will compete in an area including the Canadian prairies and the west central States. The major award is a $300.00 scholarship at any recognized school of college of agriculture.

Rules are simple The essay is to be entitled "How We Control Weeds On Our Farm" Any boy or girl between ages of 14 and 18 may enter The essay should be written in ink or typewritten and be not more than 1000 words. Essays should be mailed to the D.A. office before Oct 1, 1966.

Beverly Dobson of Paradise Valley won the County contest in 1965 with a very well written essay Let's have a scholarship winner this year!

**BURNS IS FIRST CHOICE!**

It might be a good idea to keep a fairly close watch in some of the later cereal crops this year for signs of aphid damage. Some areas in the south have had problems and it is entirely possible aphid outbreaks could occur here.

Damage will mostly be done while plants are still quite lush and green. The damage is done by sucking juices out of the plants thereby preventing proper kernel development It usually is first noted from a distance by the[illegible] suddenly appearing in the fields.

If aphids are active in crops which are in the milk stage of kernel development spraying with Malathion will give good control.

## Symbol On Next Year's Dollar Bill

The Canadian dollar bill will have a new look in 1967, Bank of Canada Governor Louis Rasminsky announced that the Centennial symbol and a change of wording will highlight the Centennial currency. The back of the bill will feature an engraving of the original Centre Block which was destroyed by fire in 1916.

The special $1 note will be the only one to be circulated in 1967 and the present bill will be removed in 1968.

Collectors have not been overlooked; a quantity of notes bearing the serial number 1867/1967 will be made available to them.

Mail orders for the collector's note will be accepted by the Bank after July 1 for delivery in January 1967. A nominal charge of 50 cents will be made on all orders to cover the cost of the mailing envelope. The request must be included with application.

Spraying is not recommended if crops are in the soft dough stage of development since such plants are relatively safe from serious aphid damage.

## Gideons Guests Of Lloyd'r. Camp

A large group of local Gideons and their wives travelled to Lloydminster on Monday, Aug. 29th where they were guests of the Lloydminster Camp at a Chinese dinner. The gathering was held in honor of Mr. and Mrs. Keith Clarke who leave shortly to reside in Edmonton. Mr. Clarke has been Alberta zone 2 Leader and will be sorely missed in this capacity. After supper a varied program was enjoyed. Reports were given of the recent Dominion Convention held at Niagara Falls. Colored slides of the convention were shown by Mr. Orne Davis. Mr. and Mrs. Gordon Gilchrist favored with two vocal selections. Mr Robert Adams, President of the local camp, was chairman, and also representatives from Wainwright, St. Paul and Vermilion Camps expressed their appreciation of the ministry of Mr. Clarke, he added his own remarks and presented the honored guest with a Gideon Presentation Bible. The enjoyable evening was concluded with a devotional message from Mr. C. G. White.

Those making the journey from Vermilion were: Mr. and Mrs. Albert Mix, Mr. and Mrs. H. Sorenson, Mr. and Mrs. Nel Bessey, Mr. M. L. Long, Mr. E. Clendenning. They were joined by Mr. and Mrs. Orne Davis, Elk Point; Mr. and Mrs. Gordon Gilchrist, Wainwright, and Mr. Herb Robinson, Wainwright.

After the meeting adjourned, the Vermilion group went to the home of Mr. and Mrs. Al Carlin, recently moved to Lloydminster from Vermilion. Al and Mary were valued members of the local Gideon Camp and at this time presentations were made to them in appreciation of their service locally by Mr. E. Clendenning on behalf of the Camp, a Gideon Presentation Bible to Al and a lovely cup and saucer to Mary, to which they made suitable replies.

## GIDEONS HOLD CHURCH SERVICE

Services at the Alliance Chapel on Sunday, Aug. 28th were in charge of members of the local camp of The Gideons. In the morning service Camp President Ken Isley spoke on behalf of the Association, which is active in presenting Bibles in 72 countries of the world. Mr. Keith Clark, Lloydminster, Zone 3 Leader of The Gideons, was guest soloist. In both services in the absence of Pastor Bell on vacation, Solos were sung by Mr. Albert Mix and Mr. Norman Dibbon. Piano and organ accompaniment for the singing was played by Miss Margaret McLennan, Mrs. Albert Tovell and Ken Tovell. Messrs. Bill Bessey and E. Clendenning were in charge of services at the Alliance Tabernacle. A solo was sung by Mrs. E. Bauer, and an instrumental duet played by Karen and Ken Donley on the trumpet and trombone.

The evening worship service at the Vermilion Valley Lodge was taken by Messrs. Albert Mix and E. Clendenning.

Visitors from out of town at the services were Mr. and Mrs. Neil Salisbury, Calgary, visiting his brother Bob; Mr. and Mrs. Gordon Lamont and family, Edmonton, visiting in the home of his brother Neil.

**Pee Wees Shape up as Coming Ball Club**

This team of Vermilion Pee-Wee ball players, 12 years and under, although they lost out to the Edmonton Wellington Park team in the second round of the provincial playoffs, is shaping up as a real contender. All but three of the players will be eligible to play on the team next year.

Personnel of the team as shown is: front row, left to right, Joe Miresuit, Guy Kent, Morris Ganton. Centre row, left to right, Arnold Winter, assist. coach; Raymond Schock, Randy Hobbis, Gary Rogers, Albert Schroeder, Daryl Clouston, Doug Gillman, and Owen Clouston, coach.

Back row, left to right: Allan Stoyko, Jack Upshall, Conrad Hynek, Mark Miresuit, Neil Ganton.

Playing with the team but missing from the picture are Bruce Jones, Barry Jackson, Dwayne Maughan and Gary Henderson.

## Allandale News

Weather — unpleasant for haying and harvesting due to the wet and cool days. Lots of heavy showers Later however, temperatures were in the 80s.

Mr. and Mrs. Gus Throndson of Vermilion were guests of their daughter Deisie and family Mr. and Mrs. Ralph Stirrne on Aug. 14 to honor her dad on his 81st birthday. Their son Harvey was 18 on Aug. 13 May they both enjoy many more happy birthdays.

August 15th Mr. and Mrs. Paul Whelan and family and Orlee's parents, Mr. and Mrs. Orley Clemens spent the day at Lakes Whitney and Laurier. Orley, Paul and Ida son Michael all went fishing on Aug 18th

Belated birthday greetings to Mr. Quickstad Sr. who was 84 on Aug. 19 He has been caretaker at Laurier for some time but will be leaving there shortly Our very best to them in their new location and may they both retain many more years together

Mr and Mrs Walter Peters arrived in the Deer Lake district from Athabasca Aug 17. The following week they visited relatives and friends in the surrounding districts.

Around 21st Mr and Mrs Geo English Alberta Dean of Two Hills were visitors at the Orr home.

Visitors at the home of Mr. and Mrs Bruce Olson on the week end of Aug. 20th were Mr. and Mrs. Cecil Chisholm, family of Edmonton Flats and Mr. and Mrs. Peter Lamonta and family of Riverbourne. The same week end Mr. and Mrs. Lee Hanson and family went to Drumheller to visit at the home of Mr. and Mrs. Frank Schmidt and family Susan and David Schmidt had been with their grandparents, they returned with them.

August 21st a dessert meal was held in honor of our student minister, Miss Shirley Duncan. Around forty were in attendance.

George Mead, on behalf of the congregation, presented Shirley with a purse, speaking highly of her work in the church and district during the summer and wished her the best in future endeavors. Shirley thanked all for their kindness.

Mr. and Mrs. Paul Whelan and family returned to their home in Rivers Cherry, Man. Aug. 22nd.

Mrs Della Walsh Wayne and Laura were at the farm, ending Aug 22, returning home to Edmonton on the 24th.

Mr. Mabel Lee and Mrs. Stella Mavers returned home from a European tour on Aug 23rd and report a wonderful trip After coming back to Canada they visited Mrs Lee's daughter Esther and son-in-law Mr and Mrs. Stewart Warwick and other relatives in Toronto.

Callers at the Quinless home on the afternoon of Aug. 24th were Mr. and Mrs. Alfred Logan Mrs Nora Bougahan Mrs. Mabel Lee and Mrs Mavers

## Five Point W. I.

MANNVILLE — Five Point W.I. met on Thursday Afternoon, Aug 11th at the home of Mrs. Jennie Myrtunde with two visitors, Mrs. Peter Bilyk and Mrs. Pohlmkrail, and ten members present.

This being Five Point W. I. birthday month, members sang "The More We Get Together" Roll call how you first became acquainted with a certain food item, proved very interesting and well thought out. Reports were read including that of the W. I picnic at Hamilton School, which was much enjoyed by all.

More discussion was held in regard to the Centennial project, which is to be a set of Encyclopedia for the library. A paper on Canadian Industries and Agriculture was read by Mrs. Anna Sammons, the topic being the Pocket Gopher The [illegible] period included a guessing game conducted by the president, Mrs. Myrtunde

A hearty lunch was then served by the young ladies in attendance.

## Suitability For Wildlife Study

OTTAWA — As part of the Canada Land Inventory, the settled and potential settled areas of Alberta are to be classified as to their suitability for wildlife.

Announcing approval of this study, under the ARDA program, federal forestry minister M. Halvas and provincial agriculture minister H. E. Strom said the cost, $56,000, would be met by the federal government.

Ungulate densities, age and sex compositions and distribution will be studied over an area of 129,000 square miles, determined to be related to the soil, climate, topographic and vegetative features of the area The data collected will be useful in the planning of proper land use.

This project will be carried out by the Fish and Wildlife Division of the Alberta Department of Lands and Forests.

## Wendy Brown Stands High In Dominion Meet

Wendy Brown of Vermilion competed in the Canadian Age Class championships at Richmond B.C. on August 27th, in the shot-put and acquitted herself with great credit. Although among the youngest girls in the class Wendy stood 7th in the competition which included competitors from all across Canada.

Wendy is a daughter of Mr. and Mrs. Arnot Brown.

## Popular Couple To Move To Red Deer

Vermilion is losing a popular and public spirited couple in the persons of Mr. and Mrs. Ken Greenwood, who will shortly leave Vermilion to live in Red Deer.

Ken has been grain buyer for the Alberta Pacific Grain Company in Vermilion for 16 years and now leaves that Company to join the staff of the Montana Mustard Seed Co. with his headquarters at Red Deer.

The Montana Mustard Seed Co. is the world's largest exporter of domestic mustard seed. The company's head office in Canada is in Lethbridge.

Both Mr. and Mrs. Greenwood have been public spirited and community minded citizens ever since coming to Vermilion 16 years ago. They have helped in many avenues of town activity and promotion to a very great extent.

Ken's contribution to community organizations include 12 years as director of the Agricultural Society in which he took a very active part.

He is a past president of the Golf Club, and was also secretary for two years.

A member of the Rotary Club for 8 years and seven months he had a perfect attendance record and filled the office of secretary for the last six years, making an excellent job of it.

He is also the Immediate Past Master of Vermilion Masonic Lodge and a past Ist Principal of the Royal Arch Masons.

Mrs. Greenwood leaves her position as assistant accountant in the Canadian Imperial Bank of Commerce. Included in her activities have been invaluable service as secretary-treasurer of the Board for the School for Exceptional Children. She is a Past Matron of Queen Esther Chapter Order of the Eastern Star, and Grand Representative of the Order.

Ken and Doris Greenwood are citizens any town can ill afford to lose and they carry with them to their new home, the very best wishes and kindest thoughts of a wider than usual circle of friends and acquaintances.

## LOCAL NEWS

Mrs. C. F. Stephens has returned from a two week vacation spent in Vancouver and Cross Island. She was accompanied by her cousin Miss Marie Hawerslager of New York City. Miss Hawerslaw also enjoyed a week in Vermilion visiting all the members of her family.

Mrs. Al Berglund and sixteen month old daughter Cathy have been visiting the former's mother, Mrs. Jack McLaughlin of Vermilion. Accompanying them on the return trip was Miss Gail Champion, daughter of Mr. and Mrs. Jan Champion. Jo and Al would like to let their friends know that they have moved recently to 13415-132nd Ave., and are now near several well known former Vermilionites Mrs. F. K. Glidden and daughter Mrs. Carol Patton and Mr. and Mrs. Ed Chesnick.

Mrs. Doris Randall of Flimflon, Que., left for Vancouver and Victoria on Aug 24th after spending two weeks at the home of her sister and brother-in-law, Mr. and Mrs. Alfred Logan.

Mr. and Mrs. Vic Rogers re turned recently from Vernon, B.C. where they had visited their son Terry, who is with the Army Cadet Corps taking a six weeks' training course there. Also at other Vermilion boys attending camp are Dane Manyluk, Bob McMillan and Bruce Martineau. Mr. and Mrs. Rogers took the boys to Penticton to the drag race track which they all thoroughly enjoyed.

Mr. and Mrs. George Dougan and their two daughters, Kim and Kelly of Taber, Alberta, have been visiting with George's mother Mrs. Wm. Dougan and other members of the family.

Mr. and Mrs. Carl Heckbert accompanied by Mr. and Mrs. Neil McLean went to Castor on Sunday to see the Rainbow baseball league playdowns

Miss Ruth Stewart, daughter of Mrs. Carl Heckbert has accepted a position on the teaching staff of the Ellwyon School in Calgary. Mrs. Heckbert accompanied Ruth to Calgary last week. En route they visited with Ann and Gerry Marshall in Edmonton, while in Calgary they were guests at the home of Dorothy-Jean and her husband Mr. and Mrs Bob Chernanowski

**CORRECTION**

The Standard wishes to make the following correction in the wedding report of Yvonne Shar on Meas when they visited with Kuchmerek. The name under the picture should have read Mr. and Mrs. Stanley Kuchmerek. Stanley is the son of Mr. Peter Kuchmerek of Vermilion.

**BIG LETTUCE**

Not often anyone aspires to raising the largest head of lettuce but Jim Johnson produced one in his back garden that will be hard to suppass. It weighed two pounds and measured 30¾ inches around. Comprehensive. How's that if you can?

**CARD OF THANKS**

We would like to take this opportunity to thank all our friends and neighbours who helped in any way at the accident also for the many cards and flowers received.

Mr. and Mrs. Dave Hillcox

Jean Plain

**IN MEMORIAM**

In loving memory of

LOUISA MARY WILLIS

who passed away Sept. 3 1964

Ever remembered by her husband, children and grandchildren

**IN MEMORIAM**

In loving memory of

TEODOR HARASZUK

who passed away Sept 3, 1964

His smile was kind and pleasant Jack

Are the memories he recall. He had a cheery word for each And did good deeds by all. Sadly the message to meet him Came one day without warning Suddenly he was called away And in a better land

Never to part again

Lovingly remembered by his wife Olga, children and grandchildren

Health Unit Notes

INFANT FEEDING

The decision whether a baby shall be breast fed or bottle fed is usually made on emotional grounds. There is a very small number of women who would be advised on medical grounds not to breast feed the baby. The rest would be given the choice of breast or bottle fed babies.

At present bottle feeding is in vogue and it is estimated that only 20% of babies are fed on the breast, on a strictly objective assessment there are many reasons in favor of breast feeding. Breast milk is always available at the proper temperature wherever the mother may be. It is always fresh and free from germs and contamination so that the chances of gastro-intestinal disturbances are greatly reduced. Feeding difficulties are fewer and less serious among breast fed babies. Bottle fed babies are likely to have more colds than breast fed babies. Infantile eczema is never seen in breast fed babies. Either Troy chuk, Mannville, Ph. 763-2134 for appointment. 9-11

Wedding Bells

STANLEY—THOMPSON

On the evening of August 13 at 7 p.m. a beautiful double-ring ceremony was held joining Mr. James H. Stanley, formerly of Clandonald, to Mrs. Pam Thompson of Edmonton in holy matrimony.

The wedding was held at the Peter Pond home. The minister officiating was William Prince.

The bride looked radiant in her blue chiffon afternoon dress and matching velvet stole.

The matron of honour was Claudia Thompson, wearing a beige two-piece.

Attending the groom was his brother William R. Stanley of Worsley, Alberta.

Out-of-town guests included the mother of the groom, Mrs. Vincent Stanley, brother Edmund Stanley and wife; sisters of the groom, Mrs. Frank Dolphin and husband, Mrs. Donald Guy, Mrs. Bader Wasylow and Mrs. Rob Dennison, all from the Peace River country. Mr. and Mrs. Ernest Stanley, Mr. and Mrs. Matt Kada of Clandonald, and Mr. and Mrs. Ken Hoffman of Victoria B.C.

Between a buffet honeymoon the couple will reside in Edmonton.

Local Recreational Director At Track And Field Clinic

Among the 120 track and field coaches attending the Royal Canadian Legion's fifth national clinic at the University of Guelph was Vern Miller (left) of Vermilion, Alta. The 11-day clinic opened on August 16th and featured 15 international coaches. Students came from all provinces, assisted by a fitness grant. Mr. Miller is shown here with M Marvelous and Jannet Rye (right) of Vancouver, B.C.

It was through the sponsorship of the Vermilion Branch of the Canadian Legion that Vern Miller attended the advance course of the Royal Canadian Legion's 30th National Track and Field Coaches' Clinic. The clinic is organized to improve track and field in Canada. To date 800 active coaches across Canada have been trained at these clinics.

This year 140 student coaches attended, 20 French speaking and 120 English. Four guest coaches were invited, three from the U.S.A. and one from Trinidad.

Seventy-five estimate that the planet Earth had insects for at least 200 million years before man appeared reports World Book Encyclopedia.

Dewberry News

Guests at the home of Mr. and Mrs. Dick Elliott over the week-end were Mr. and Mrs. George Elliott and family, Mr. and Mrs. Robert Elliott and family, Mr. and Mrs. Russell Elliott and family, Mr. and Mrs. Alfred Elliott and family all of Edmonton, and Mrs. Pete Morin and family of Nanaimo.

Mrs. George Ewen is visiting with her daughter and son-in-law, Mr. and Mrs. Ernie Sheen of Wainwright (Health Unit Office) 9 30 to 12 noon, 2 to 4 p.m.

Clandonald News

The difference between the right word and the almost right word is the difference between a lightning and the lightning bug.

Sorry there has been no news for months and there is really no excuse as we work the news beat every week. I must get the news written down on Friday. Then it is off to try and touch on a bit of what has been going on here.

Crops aren't so hot, we've had hail from rain and no rain in different parts of the districts hereabouts.

Three new hands were employed for the summer by the Hall Construction and all good Mates in Curves, several men of Mr and Mrs. George Lewis as a dispatcher at Valleyview, Pat Convey, third son of Mr. and Mrs. Pat Convey came out from the coast as a truck driver at Slave Lake; Harry Leslie stayed on at Mr and Mrs Matt Leslie a truck driver at Lewisin Valley.

Mr. Tom Souder was accompanied by his sister Mrs Maur Mr. Souder left Vermilion to visit friends and rela tives at Vermilion at Hall and is for a few days.

Mrs. Ross of Edmonton is holi days here with her daughter Mrs. Leslie and family.

Mrs. Hardyment and Trevor each spent a few months with us before returning to Medicine Hat.

A missionary priest to the people in Peru Mrs. God bless him in his work with those people visited people

Father Martineau has joined Father Murphy in the parish work.

Mrs. Ken Hoffman, Murray and Norm Lee of Vancouver spent a holiday with the home's parents Mr and Mrs Stanley. Ken motored to Clandonald later and took them back.

Congratulations and all good wishes for health and happiness to Mr and Mrs. George Lewis on their marriage on Friday at Mrs. Ted Edmondson once Ann Murray, formerly of Lisbon, Mr and Mrs. Pat Convey came out from the coast as a truck driver at Slave Lake; Harry Leslie stayed on at Mr and Mrs Matt Leslie a truck driver at Lewisin Valley.

## Witching Abilities Of Jim Johnson In Demand

The house pictured above is made of 97,000 glass bottles. It is located 9 miles northeast of Wetaskiwin and has been recently purchased by Nick Adams who is now living in it. Nick will be remembered as a proprietor of the former Shop Rite store in Vermilion.

Mr. and Mrs. Adams, as well as operating their new country home as a tourist lodge, are also in the process of building a log home on the property and have planned a 30 foot addition to the bottle house.

Jim Johnson, the witching specialist of Lavoy, came to the house after considerable witching and he reports:

"Jim found the witching spotted in a location close to the house after considerable witching and he reports that the water was only 90 feet deep. The well is being connected to a water pressure system in the house.

The house was saved by Mr. Adams from demolition and forms a central attraction in a 30-acre park setting.

## Bridal Shower Held In Clandonald For Miss Deanna Butz

On August 10th, Mrs. Fina Burt, Clandonald, held a miscellaneous shower at her home in honor of Miss Deanna Butz a bride-elect of August. There were over thirty ladies present. Seated beneath a pretty bell-bound and flowered arch, the many lovely gifts were presented to Deanna by a little girl dressed in a decorated baby basket by Bobby Burtz.

Deanna thanked all sincerely for their beautiful gifts and good wishes and invited all to her wedding.

The ladies served a delicious lunch to conclude a lovely evening.

## "TELESHOW" AT DERWENT ON SEPTEMBER 6th

Residents of Derwent and district will have the opportunity to see some of the most modern telephone equipment available today, together with a display of video-phone when the Alberta Government Telephones "Teleshow" is conducted for the Derwent Recreation Hall, Tuesday, September 6th, 1966.

The display is part of the free film and stage presentation sponsored by AGT to acquaint subscribers with the new equipment prior to the town's conversion to dial telephone service which will be effective Sunday, Sept. 11th.

The two-hour Teleshow program begins at 7:30 p.m. and will include demonstrations of telephone techniques by AGT representatives from the Rural, Traffic and Public Relations Departments.

## Bride Elect Feted At Landonville

On the evening of July 21st, Mrs. Myrtle Smith and Mrs. Alice McGannon were co-hostesses at a miscellaneous shower held in Landonville Community Hall, where approximately 130 neighbors and friends gathered to honor Miss Donna Rose. Pink and white streamers and flowers decorated the hall. Mrs. Linda McCaffrey, cousin of the bride-elect, made a very fitting presentation speech. After the exclamation of the large varied array of beautiful and useful gifts received which were passed throughout the crowd, Donna graciously thanked all those present for their gifts and good wishes and extended an invitation to all to attend her wedding August 20th. The prospective groom, Mr. Edwin Taylor also present, added his few words of thank you for the well Ladies of the community served a delicious lunch.

## CLAYSMORE CLIPPINGS

The Hatfield family has returned from holidays. The last week-end spent visiting relatives at Bindloss, Alta.

Congratulations to Mr. and Mrs. Ken Hatfield on the birth of a daughter on Aug. 20th at Fort Saskatchewan.

Mr. and Mrs. Steve Warawa and family, visiting Stella's sister and family the Carl Burtis.

Mr. and Mrs. Ronnie Thaler and family attended the wedding of a cousin at Rimbey on Friday.

Mr. Jack Wilkes, Dan and Lin spent the week-end in Edmonton.

Two Vermilion 4H Beef Clubs enjoyed a tour of CFCW Sports Ranch Mink and Hamm's Milled Feed used paint in Camrose one day last week.

Mr. and Mrs. N. A. McLennan of Isles are presently visiting Mr. and Mrs. Josephine Pipe and Ian Bond, Mr. and Mrs. E. V. Grindle and family, in Blairmore, B.C.

MR. AND MRS. GEORGE PEARCE

## Celebrate Golden Wedding Anniversary

On Wednesday, Aug. 3rd Mr. and Mrs. George Pearce were the guests of honor at a surprise celebration. The occasion marked the fiftieth wedding anniversary of the esteemed couple. Held in the Legion hall, the surroundings were familiar to Mr. Pearce, he being a veteran of two world wars.

Married in England in 1916, and being influenced by poor health and the persuasion of their friends, they left England [illegible] in 1922. On their arrival in Vermilion they were met by Mr. Tremlett who took them to the Windermere district. During a short stay with Mr and Mrs. Frank Hill, they set out on foot day after day, to locate their future farm. Choosing the latter quarter, formerly the homestead of Al Bredhagen, their first Canadian residence was a log house. Though all of their farming took place in the Windermere district, Mr. Pearce became widely known throughout many municipalities as his service as a cream carrier for the Vermilion creamery. Mrs. Pearce served faithfully as a teacher for many years in the Windermere Sunday School.

On their arrival at the Legion Hall they were escorted to the head table to be joined there by Mr and Mrs. J. Holden, Mr and Mrs. F. Hill and out-of-town guests brother and sister-in-law Vic and Marge. The tables were [illegible] arranged and set with many, white lace cloths, each adorned with a bouquet of gay flowers, a bouquet of flowers flanked by candles graced the table in front of the bride and groom.

Acting as master of ceremonies, Mr. Mahan Hill called upon Mrs. Albert Towell to commence the program with a telegram reception note. The Stran ger of Galilee. This was followed by group singing of "I'll Take You Home Again Kathleen" and "Bless This House" at the piano.

Nola Hill and Virginia Seed, with Cheryl Seed at the pianist, sang a duet, "I Will Make All Your Mountains Away".

Before the serving of lunch, the wedding cake was presented by Mr E. Clendenning. Willing hands then filled the tables with sandwiches, [illegible] tea and coffee. A wide variety of cakes and other dainties fol lowed.

With lunch over, to add a note of humor, Mr. Pearce was presented with a fishbowl, complete with mermaid, fish and rod, to compensate in some measure for the loss of an aforementioned fish which he might otherwise have caught.

Following this, Mrs. J. Holden was asked to address the bride and groom. She recalled briefly the days of school and early employment spent together with Mrs. Pearce in Swindon, Eng., and the happy-go-lucky days to in Alberta. Their close neighborhood over the years. Mr. Frank Hill then spoke of their first years in Canada and paid tribute to their qualities as fine neighbors and friends. Present too, for this happy occasion, was another long time pioneer friend, Mrs W. Tremlett, now a resident of Vermilion Valley Lodge, and Mrs. Grace Todd, a long time friend.

Attention was then focussed on Mrs Pearce cutting the wedding cake. Three-tiered, and flanked by tall candles, it was beautiful with gold roses and surmounted with a wreath encircling the number "50", all in gold. Thanks for this fine work of art and culinary skill is due our dear friend, Mrs. Olive Clark.

Mr. Abe Buck then rose and in a fitting brief speech told of their happy association as neighbors since

On Your Old Grey Bonnet" accompanied by Mrs. J. Hillcot on the piano.

With Hill and Virginia Seed, with Cheryl Seed at the pianist, sang a duet, "I Will Make All Your Mountains Away".

Mr. Abe Buck then rose and in a fitting brief speech told of their happy association as neighbors since

He next presented to each, on behalf of all present, a special 50th anniversary cup and saucer, to be followed by a lovely white, gold and black kitchen [illegible] mitts.

At this point, wedding cake was served all the guests proceeded to surrender a very happy and memorable afternoon.

Thanks must be tendered to Mrs. Olive Clark once again for all of their services to plan and organize this very pleasant occasion.

## Vermilion Resident Buried At Coast

James Henry Williams, late of Richardson Road, Pitt Meadows, B.C., and formerly of the Island Hill district of Vermilion, passed away on July 30, 1966 at the age of 54 years.

He leaves to mourn his passing his loving wife Catherine; his mother Mrs D Jenkins, Kimberley; three sons, Gordon, Vernon and Norman, and one daughter Charon all at home. Two brothers, Edgar Williams and Richie Jenkins of Vermilion; four sisters, Mrs. Mary Morrison, Mrs. Gweneth La Fortune of Kimberley, B.C.; Mrs. Jennie Hawkes of Cloverdale, B.C., and Mrs. Phyllis Page, Invermere B.C.

Funeral services were held on Aug. 2nd in the Pitt Meadows Community Church with interment in the Maple Ridge Cemetery.

## Junior Forest Warden Program To Youth Dept.

The Hon H A Russ, Alberta Minister of Lands and Forests, announces the transfer of administration of the Junior Forest Warden program from Lands and Forests to the new Alberta Department of Youth. Officer in charge of Jr Forest Wardens, Terence Whitely, who has served the program since its inception in 1950, will transfer to the new department. Effective date is Oct. 1, 1966.

The primary objective of the training program, to impress young minds with the values inherent in the conservation of renewable resources, remains unchanged by new stewardship.

The movement has grown from three clubs in 1950 Hinton, Edson and Slave Lake to 33 in 1966, comprising a total membership of over 700 youths. Club members range in age from boys who have reached their tenth birthday or who have not exceeded an age of 18.

Canada's position in the ranking of the world's leading exporters has changed. Years ago this country occupied fifth place, but in 1965 dropped to seventh behind the U.S.A., West Germany, the U.K. France, Japan and U.S.S.R.

## Centennial Caravan Visits Vermilion Oct. 7 & 8, 1967

[illegible]TAMA The first of eight 12½ feet high and is hailed by its creators area will permit the Confederation Caravans that will a 27-foot back. In length alone of local performances bring historical exhibits to each [illegible] each vehicle about [illegible] Centennial displays 200 cities, towns and villages across Canada during Centennial Year. Each passed by initial trial run with the public.

The first caravan, with its full complement of eight 75-foot mammoth tractor trailers went through the days of rigorous highway maneuvering and on site positioning, is ready to go, train and western Quebec recent ly.

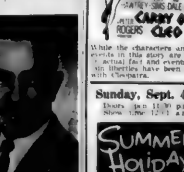
The trailers were empty and officials at Confederation Court insisted with some of the exterior panels of eight-inch-thick fire ramps, trailers, stage platforms and trackless stations.

In 1967 during Centennial Year the caravans will tour the country, taking most of Canada to communities not served by the Confederation Train. The exhibits in these 80- train and caravans will be authentic material relating to Canada's history and development, as well as cultural and technical achievements. The tour will start May 1st and continue until October.

Each caravan will be self-sufficient with its own power plant to run the air conditioning and illuminate displays etc. Its own first aid station, mechanics of fire watch shop and storage facilities. In fact, the caravan can stay on the road for days on end in many communities it is expected the visit of the caravan will be the major Centennial event in the area and extensive community planning will be done.

The tractor trailers are unique in Canada with respect to design and capacity. They're the largest vehicles to travel on North American roads. Each trailer is 50 feet long, 10 feet broad and

## Former Editor Appointed



W. W. DEATER

The appointment of Wm. W. Deater as Publications Editor with the Province of Alcoholism was announced this week by the Hon. D. J. Donovan, Minister of Health.

Mr. Deater belongs to his new position a wide experience in the printing and publishing business. He was owner and publisher of the Vermilion Times; he has been active in service to the affairs of the Alberta Weekly Newspapers Association and the Canadian Community Newspapers Association, and the Alberta Weekly Newspapers Association and the Canadian Community Newspapers Association, and has been a director of both associations. Mr. Deater will be responsible for editing and preparing for publication all departmental publications, and will supervise the production of the Alcoholism Digest. He will also be responsible for editing and preparing for publication all departmental publications produced by the Division of Alcoholism Research, and for the publication of the Alcoholism Digest. He will also be responsible for editing and preparing for publication all departmental publications produced by the Division of Alcoholism Research, and for the publication of the Alcoholism Digest.

## Campbell-Sturt Nuptials Held at Lloydminster

First Baptist Church Lloydminster was the scene of a double ring ceremony on July 2, 1966, uniting Margaret Rose, eldest daughter of Mr and Mrs Stephen Sturt of Vermilion and Mr Curtis Campbell, eldest son of Mr and Mrs Raymond Campbell of Lloydminster. Rev. K. R. Cooke brother in law of the bride of Wellington B.C. officiated.

The bride entering the church on the arm of her father, wore a floor length sheath of [illegible] over taffeta featuring two front panels of Guipure lace which also formed a [illegible] over the shoulders. Complementing the gown was a chapel train which fell from the shoulders. Her shoulder-length veil was attached to a [illegible] of matching lace. She carried a bouquet of [illegible] roses, [illegible] and [illegible] centered with [illegible] and [illegible] with [illegible] streamers.

Attending the bride were her sister Mrs. K. R. Cooke as matron of honor, and friend Mrs. [illegible] as maid of honor. They were identical [illegible] gowns of [illegible] taffeta with [illegible] bodices and [illegible] skirts. They wore [illegible] matching headpieces and [illegible] each [illegible] carrying a cluster of white carnations.

The groom's attendants were his two brothers Barney and Carrol Talbert were Mr Eric Stuart served as best man and Vermilion, and Mr. Collin Hoogerbeet of Saskatoon. [illegible] gift to the groom was a gold tie rack and cuff link set with a square stone setting.

Prior to the exchanging of the vows Mrs. W. G. Johnston, the groom's aunt of Kipling Saskatchewan sang "How this Couple". During the signing of the register she also sang "Whither Thou Goest". The organist was Mrs. J. Bell of Vermilion.

Miss Judith Hagland cousin of the groom, was in charge of the guest book.

The bride's mother chose a two-piece dress figured [illegible] over plain bibe taffeta. Her shoulder was fashioned of nylon tulle in a pill box style. She wore white accessories and a corsage of white rose buds.

The groom's mother wore a dress of French blue [illegible] The top was covered with lace that extended to a peplum all the way around. Her [illegible] style hat was of white nylon organza. Her accessories were white and she also wore a corsage of white rose buds.

At the reception held in the church parlours, Mr. C. W. Johnson acted as master of ceremonies. Rev. K. R. Cooke proposed the toast to the bride to which the groom responded. The groom then proposed a toast to the bride's attendants.

Telegrams and greetings were received from Saskatoon and Calgary as well as from the bride's grandparents in Saskatchewan and the groom's grandparents in Ontario.

For going away the bride chose a green [illegible] dress

## Appoint Dep. Clerk Alberta Legislature

W. H. MacDonald former Information Officer for the Alberta Department of Lands and Forests, has been named Assistant Clerk of the Legislature and Executive Council effective August 1st, it was announced by [illegible] Honourable F. C. Manning, Premier.

Mr MacDonald a native Albertan, was born and educated in Edmonton. After two years service in World War II he was employed as a reporter in March in Alberta Fish and Wildlife Branch for eight and nine years as information officer for the Department of Lands and Forests in Edmonton where he originated the quarterly publication Land, Forest, Wildlife.

In 1961 Mr MacDonald assumed his present duties and four grandaughters. He is past president of the Provincial Editors Association Edmonton Branch.

The newspaper is the only medium paper consulted for a buying decision.

# Sponsor 4-H Conservation Camp

Alberta's first annual 4-H Conservation Camp, sponsored jointly by by Canadian Utilities Limited, Northland Utilities Limited and Calgary Power Ltd., was held Aug. 14. to 19 at the provincial Forest Technology School, Hinton, Alberta. Delegates were divided into special interest groups, with the various areas of conservation covered being that of water, fish and wildlife, forestry and range management.

Nearly seventy delegates at Northland Utilities Limited and the District Agriculturists and 4-H Members on a province-wide scale. The companies have in the past supported 4-H in various ways mostly on the local level in the rural service areas. This support will now be channeled into two new, province-wide projects the conservation camp and the annual sponsoring of delegates to a 4-H Congress in Edmonton.

Canadian Utilities and Northland Utilities have traditionally provided support to various associations promoting the conservation of natural resources. One of the annual commitments in this area of public service, additional to the 4-H Camp, is the Alberta Forestry Association, which is the year headed by J. C. Dale, President of both Canadian Utilities and Northland Utilities. The Forestry Association carries out educational programs in schools and uses Smokey the Bear as a fire prevention symbol, and makes awards in recognition of outstanding conservation programs carried out by community or instructional groups. Trees, on a CBC television Sept. 6th. Defensive driving is basically thought it means knowing how to recognize potential dangers in traffic, then knowing how to avoid them. The television host, a repeat of a program originally broadcast in May, demonstrates a number of defensive driving tactics by showing the danger spot then providing the means to avoid it. Automobiles were deliberately crashed for several of these sequences so the points could be vividly portrayed.

The Canadian Drivers Test, sponsored by Shell Canada Ltd., was produced by the CBC in cooperation with the Canadian Highway Safety Council.

# Television Test On Defensive Driving

Defensive driving, probably the most important road safety technique today, will be featured in the Canadian Drivers Test, on CBC television Sept. 6th. Defensive driving is basically thought it means knowing how to recognize potential dangers in traffic, then knowing how to avoid them. The television host, a repeat of a program originally broadcast in May, demonstrates a number of defensive driving tactics by showing the danger spot then providing the means to avoid it. Automobiles were deliberately crashed for several of these sequences so the points could be vividly portrayed.

The Canadian Drivers Test, sponsored by Shell Canada Ltd., was produced by the CBC in cooperation with the Canadian Highway Safety Council.

# Funeral Services For Thomas John Beattie

Funeral services for the late Thomas John Beattie were held on Thursday, May 19, 1966, at 2:00 o'clock. The service was conducted by the Rev. Carlton Miller from the First United Church with interment in Mount Auburn cemetery at Saskatoon.

Mr. Beattie passed away in the Royal Alex hospital in Edmonton on Saturday, May 14, at the age of 49 years.

He was born in Moira, Largan, Northern Ireland, on November 25, 1916. He came to Canada in March 1954 and settled in Vermilion where he had been employed with the B.A. oil agent as a truck driver. He was a member of the Broomhedge Masonic Lodge in Lisburn, Northern Ireland.

He leaves to mourn his passing his loving wife, Gertie; three sons, Joe of Whitecourt, Colin and Derek both of Vermilion, two daughters Renee and Thomasina both of Vermilion, one daughter-in-law Marie and grandson Joseph Thomas of Whitecourt, two brothers, Dirk and Joe both of Ireland; two sisters Mrs. Gladys Beattie and Mrs. Isabel Boyes both of N. Ireland and the Boland family of Auburndale.

The pallbearers were Gordon Park, Bob Thompson, Carl Heck bert, Perry Walsh, Les Kreiger and Ken Greenwood.

## Director of Public Lands Appointed

The Hon. H. A. Horn, Alberta Minister of Lands and Forests, announces the appointment of Dean S. Lawson as Director of Public Lands, succeeding Dr. V. A. Wood.

Mr. Lawson was born at Lethbridge, Alberta where his father was a hardware merchant. He received his early education at Lethbridge and attended university at Calgary and Edmonton. He was an artillery lieutenant during the last war retaining the rank of Lieutenant.

Mr. Lawson came to the Department of Lands and Mines in 1946 and quickly graduated to a supervisory position. For 12 years he directed activities of the Mile-ralsevens Land the Section of the Public Lands Branch in 1965 he was appointed Administrative Assistant to the Director of Lands.

Mr. Lawson is married. He and Mrs. Lawson have two children, a son 20 and a daughter 17 years of age.

# Bowtell Bulletin

Berry folks no news for the past few weeks due to busy canning of wild fruit and a big garden.

May we extend our deepest sympathy to the Harrison family on the passing of a loving husband and father and to Mrs. Harder on the loss of a son. Also to the Monaghan family at Creston on the loss of a loving husband and father. May they be comforted to know that Dee and George are now at rest from their suffering.

Mr and Mrs. Firth of Calgary and grandson were recent visitors at the Tobdtson home.

Beverly Sherwood enjoyed a week visiting at the home of Linda Somenith of Edmonton.

Sympathy is extended to Edgar Williams and Richard Jenkins on the passing of their brother Jim recently in B.C.

The Fernan family is driving a new truck.

We noticed Howard Searle landing a small plane on the lake on the Pleasant farm.

Mr. and Mrs. J. Semenich enjoyed a visit to Jasper and Banff during the holidays.

Mr. and Mrs. Arneson and Jamie spent two weeks visiting several points in Saskatchewan recently.

We are pleased to report Mrs. F. Scott is home and doing nicely after an operation in the Misericordia Hospital in Edmonton.

Mr. and Mrs. Walter Jr. and family enjoyed a visit to the fruit orchards in B.C. last week.

Wall drillers are busy at the John Redford farm.

Bryan Robinson and Jimmy Williams enjoyed a week's holiday at an Anglican camp near Edmonton.

Mr. Jenkins and son Lawrence made a trip to Kimberley, B.C., on their motorcycle recently.

Congratulations and all good wishes to Miss J. Moore and Mr. A. Coutts who are to be married in the near future.

Mrs. Bert Hart has been busy doing the summerfallow on the Alex. Dupuit farm.

Linda Aylard celebrated her tenth birthday Aug. 26th by having a number of friends in for a party with the usual cake and all the trimmings.

Mr. and Mrs. E. Lippert of Red Deer visited their old neighbors and friends during the holidays. They informed the writer they still like and definitely enjoy the Standard.

how easy can it get to Switch to oil heating?

It doesn't cost you a cent to get started on oil heat. There's no down payment . . . and the Esso heating equipment finance plan makes it pleasant for your budget

by giving you up to 10 years to pay. Converting to oil heat is easy, and not costly. Your Esso agent will be happy to talk it over with you now. Switch to Esso Oil Heat now.

(Esso makes it very easy!)

For that nice, warm feeling
See your Esso Agent

Grand Champion Female — Dale Collison.

Reserve Champion Female — H. McCarty.

## Contennial Report

1867 1967 by JOHN W. FISHER CENTENNIAL COMMISSIONER

I mentioned the old French Fortress of Louisbourg in my last report, urging plans to visit during the summer. Year.

Back to the French at a cost of two million dollars during the years of King XV. Fortress was built to protect the French fishing industry and to defend Canada from attack by the British. Louisbourg was the key to the St. Lawrence and was vitally important to the French.

Louisbourg in the 18th century was a busy city. Ships from Europe, the West Indies and Canada constantly crowded the harbour. There were business and social relations with Louisbourg. The French government therefore, through its Governor, kept a close watch on the affairs and actions of the fortress town, a national historic park now.

At the Centennial Commission offices in Ottawa, where we customarily protect attempts perhaps we have overemphasized the battle of Louisbourg, which came it was started in 1967 and ended in 1758 — a period of fifty years, 1967 to 2017 — a real cover the years of at least $12 million.

The old city and a large part of the battle ground outside the old fortress walls were set aside by the government as a national historic site in 1928. Twelve years, in 1940, a museum was built facing the site of the citadel and it contains numerous presented by individuals and groups. The museum is also concerned in the ruins of the fortress. The site was made a national historic park in 1940 by Order-in-Council.

The new project for restoration of the fortress will restore the main features of fortress Louisbourg as it was in the 1740's. An impressive selection of artifacts, military equipment and fortress works. Some outlying fortifications such as redoubts will be restored.

As well as Canada the New England states of Massachusetts, New Hampshire, Connecticut, Rhode Island and Maine have strong historical connections with Louisbourg. Four thousand New Englanders were involved in the successful conquest of the fortress in 1745. British handed Louisbourg back to the French in 1748 but again recovered it in 1758. Louisbourg's troops blew up the last fortifications in 1760.

Louisbourg was a key factor in North American defence and trade for almost half a century. Its ruins are to be a tourist attraction centre for layman and professional alike. The restoration and the provision of the buildings and equipment, water and sewage.

Born in Barnsley B.C. Mr. Constable graduated from the University of British Columbia in 1948 with a degree in agriculture. He specialized in agricultural engineering and subsequently worked with the Canada Department of Agriculture. He joined the Alberta Department of Agriculture in March, 1960.

Mr. Constable is married and has one child.

and thousands of visitors are it for the summer.

New Citizens For Canada

Canada gained two new citizens at the Citizenship Court held in Vermilion on August 25th, when Mrs. Albertha Van Wageningen of Tolland, and Mr. Walter Johann Eichinger of Wainwright R.R.1 received their citizenship papers. Taking part in the impressive citizenship ceremony were His Honour Judge Orval W. Allen, president of the Court of Canadian Citizenship; Rev. Carlton Miller; Mrs. A. Mead and Mrs. J. L. Dowdell of the I.O.D.E.; A. Claude Underdown, President of the Chamber of Commerce and Ashley H. Cooper, M.L.A. Shown in the picture from the left are Judge Allen, Mr. Eichinger, Mrs. Van Wageningen and Rev. C. Miller. — Standard News Photo

# Championship Series Sees Saskatoon Win Ball Title

One of the most memorable days in the sports history of Vermilion took place on Sunday, Sept. 4th and was culminated by the Saskatoon Red Sox winning the Western Canada Bantam Baseball championship. In this Saskatoon won out over two other North British teams, Vermilion being the Alberta champions and the Winnipeg Transcona Colonels champions of Manitoba. The championship final of the best of three games — 3 games in order to make numbers come up to 7 — was played on Sunday, Sept. 4th at 2:00 p.m. at the Vermilion Ball Park. The game was witnessed by a huge crowd of fans whose numbers totalled up to [illegible] 2,500 for the 7 game.

## WE ARE PROUD OF THEM!

Vermilion and district people have every reason to be very proud of the players of the Bantam Elks baseball team. They matched their ability and courage with teams from the cities of Winnipeg and Saskatoon, and could well have been crowned Bantam champions of Western Canada so well did they play, and so closely were the teams matched.

Sunday was a day to occupy a prominent place in the memoirs of Vermilion, and it was the youth of Vermilion who were responsible for the glory in which the town basked.

## Albertans Lowest Taxed

Albertans inclined to feel that they are overtaxed at the provincial and municipal levels should consider themselves fortunate that they live in this province where they are much better off in tax respects than anywhere else in Canada.

The following comparison of combined provincial and municipal taxes is taken from the Dominion Bureau of Statistics and includes the very favorable spot which Albertans are in. Combined provincial and municipal levies per capita are as follows: Quebec $280.97; Ontario $300.79; Manitoba $309.98; Saskatchewan $250.76; B.C. $263.86; Alberta $184.51.

## PUBLIC NOTICE of BY-LAW No. 18-66

Notice is hereby given that there has been introduced by the Council of the Town of Vermilion a by-law of which the following is a short synopsis:

WHEREAS it is deemed expedient and proper that the Council of the Town of Vermilion should pass a by-law to authorize the undertaking and completing of the construction of a Public Works Building in the Town of Vermilion;

AND WHEREAS it has been estimated by Classic Buildings Ltd., Construction Engineers, of Edmonton, Alberta, that the total cost of the said Public Works Building will be approximately $36,000.00;

AND WHEREAS in order to construct the Public Works Building, it will be necessary to borrow the sum of $36,000.00 on the credit of the said Town by issuing debentures of the said Town as hereinafter provided;

AND WHEREAS THE said indebtedness is to be repaid over a period of 20 years in consecutive annual instalments with interest at a rate not exceeding 7% per annum, payable annually;

NOW THEREFORE, the Municipal Council of the Town of Vermilion enacts as follows:

1. The Municipal Council of the Town of Vermilion is hereby empowered and authorized to enter into contracts for the purpose of constructing a Public Works Building in the Town of Vermilion.
2. That for the purpose aforesaid the sum of $36,000.00 be borrowed by way of debenture on the credit and security of the Town of Vermilion at large of which amount the sum of $36,000 is to be paid by the Town at large.

And that a copy of the said by-law may be seen in each of the following places:

Town Office,
Office of MacMillan-Brimacombe Agencies Ltd.
Office of Stan N. Waldenberger Agencies,
Office of Hatchbert Agencies,
Office of Northwestern Utilities and Canadian Utilities Ltd.

AND FURTHER that unless within Thirty (30) days from the publication of this notice five per cent or ten hundred and fifty of the proprietary electors, whichever is the lesser, of the Town petition the Council to submit such a by-law to the vote of the proprietary electors of the Town, the Council will proceed to pass the same and it stands ill to pass the same.

Signed:
"D. R. MITCHELL",
Secretary Treasurer,
Town of Vermilion.

## GREEN ACRES

By: Wilfred L. Cody, Associate D.A.
Vermilion, Alberta

**EXTENSION ENGINEER**

We now have the services of a full time extension engineer in the north-east region of Alberta. He will work with the District Agriculturists in the region, specializing in agricultural engineering problems. This includes quite a range of subjects and is a new one which will benefit the farmers in this region greatly.

Our engineer is Rod Constable, who, with his wife and daughter, have recently moved to Vermilion. Rod has been working out of Edmonton before coming here.

Because of the heavy work load we anticipate for Rod and because he will have to spread his services over the whole region scattered from Ryley to Smoky Lake, Lac La Biche and Bonnyville, the D.A.'s will still have to handle many of the simpler engineering problems themselves. When the tough problems come up, however Rod will be available.

**D. H. E. SERVICES**

While we're on the subject of available services we would like to remind the homemakers that Miss Marion Hades of Wainwright usually is in the Vermilion D.A. office on Tuesday, Nov. 29. If you have any problems which you would like to discuss with her just phone for an appointment a couple of days ahead of time.

**WINTER SHORT COURSES**

At the moment we are attempting to plan our winter extension programs. Perhaps you have some subject in mind which you would like to have covered in a short course or clinic this winter. If so, we would be glad to hear from you as we want to work in the fields you want us in, not only those we think you need.

**MANNVILLE NAHP WINS**

Congratulations are extended once again to the Mannville plant of the N.A.H.P. They won two seconds for their butter at the Canadian National Exhibition.

## Valley Lodge News

The tantrum of the lodge, Mrs. Torrance has returned home after a month of business.

We wish to thank the Lowberry Horticultural Society for the beautiful flowers. Also Mrs. Alice Chess and Mrs. Morris who with donated cauliflower.

The Christian Alliance Prayer Band on August 19th came to the lodge and held a birthday party in honor of Mrs. Gradie, who sends along her sincere thanks to them for the lovely time.

Our sincere thanks to Mr. E. Evans of California who is visiting relatives here for taking the time to come and show slides of his many trips. They were very interesting and thoroughly enjoyed by all.

New guests at the lodge are Mr. and Mrs. Munro from Dewberry and Mr. Tom Watt of Vermilion.

**VISITORS TO THE LODGE**

Mrs. Nellie (Enst) Cherwood, Schoonover, Australia; Rev. E. E. Rooks Pembroke Ont.; Mr. and Mrs. G. Robinson Mr. and Mrs. Gomes, Nancy Thompson, G. Sproule, Mrs. A. Austin, Sandra, Bell, Mrs. G. Simonsen, D. Dube, Mrs. Rose Martin, Mrs. Edna Zapeschi, Lillian and Cliff Shaw all from Edmonton. Reeda Pennington, Idaho Falls, Idaho; Robert McCall, Gridley Calif.; Mrs. Frances Anderson, and Erling Anderson, of Bellingham, Wash.; Myrle Hensinger, Reedsmonton, Wash.; Isabelle Milburn, Cityara, South America; Mr. and Mrs. S. White, Mrs. M. Patinaude and sister from Vancouver, B.C.; Evelyn Millsted, Gormby, Ont.; Johanne Clement, Montreal; Catherine and Mrs. Teage of Port Sarkatchewan; Mrs. R. Forsythe of Smithfield, Mich.; Mr. and Mrs. Geo. Crosby, Palmerston, Ont.

## 16 Years Ago Today

SEPT 7th, 1950

Nature's greatest engineers, the beavers, have established themselves right out of their happy homes in the Vermilion River. For better or for worse several colonies have been live trapped and set overland to the Saskatchewan River, and their dams in the Vermilion River dynamited.

Since Sept 1st the high temperature has been 90 above on Sept 3rd and the low 39.3 on Sept. 5th.

Montreal: The feeling of relief that swept through Canada as the rail strike ended, run high among Trans Canada Air Lines employees, who for the first time in nine days looked forward to some relaxation from the rigorous grind that had totaled up some 20,000 hours overtime since the strike began.

Rat extermination now law as Alberta Government passed its new animal bill. Provisions of revision of Norway rats by declaring the animal pests under the provisions of the Agricultural Pests Act.

## 32 Years Ago Today

SEPT 8th, 1934

Miss Grace Bury has what the Standard believes to be the plum crown in Vermilion perfect in every way, but a trifle small in size. If you growers on a line in her garden in Pilliseville Miss Bury has four plum trees and this was the first time the trees have produced fruit.

A new barber shop will be opened in town very shortly in the building just two doors east of M. Wenzo's general store. Bruce Bailey of Minburn will be the proprietor.

W. H. Armstrong and Mrs. Armstrong have taken up residence at the Aspen School near Edgerton where they have been appointed to teaching.

Latest report from the School of Agriculture indicate that enrollment for that institution for the approaching term has now reached the embodimentary total of 150 pupils.

## 48 Years Ago Today

SEPT 10th, 1918

A farewell party and presentation was held by the young people for Kathleen and May Parker on Friday evening last at the home of Mrs. Cooper. Some 20 schoolmates assembled and did honor to their guests.

Of six provincial scholarships awarded to matriculation students in June exams one was won by Alexander Macdonell, student of the Vermilion High The scholarship was for $87.

Cadet Bert McCrone of the R C F. is home on a short furlough. Although with the mechanical branch of the service, Bert has had the experiences of flight to an altitude of 4000 feet.

Tour Cooper Bros

On behalf of the Rotary Club and the committee in charge of Student Movement I would like to express our thanks to you.

Your cooperation in taking pictures placing write-ups in the newspaper and editorials made it easier for us to keep the people informed of what was going on. Both groups our travellers to Montreal and our visitors from Montreal will have fond memories that they will be able to keep forever. Thank you again.

A. R. Anderson,
Chairman.

Thursday, Sept. 8, 1966 The Vermilion Standard, Vermilion, Alberta Page 3—Section 1

## Socred - N.D.P. Battle in B.C.

Nominations for the Sept. 12th provincial election in British Columbia closed with 178 candidates filling papers to contest fifty-five legislature seats.

Only two parties, the New Democratic Party and Social Credit, have fielded candidates in all 55 ridings.

The Liberals have 53, the Progressive Conservatives only 3, the Communists 6, Independents six.

Premier Bennett said the election is a straight-out fight between Social Credit party and the Socialist New Democratic Party.

Observers in the coastal province claim that Social Credit will win 45 of the 55 seats.

## Overseas Bound

Miss Lynne Davidson, formerly of Vermilion; Miss Lynne Purser of Dewberry, and Miss Lynne Eshet of Edmonton left Edmonton Int'l. International Airport on Tuesday, August 30 for Montreal. They were joined there by a friend and sailed on September 2 for Europe where they will vacation for three months.

## I.O.D.E. WELCOMES NEW CANADIAN CITIZENS

Adding to the impressive citizenship session in the Vermilion Court on August 25th was the presentation of scrolls by the Frog Lake Chapter, I.O.D.E., to those who had just received their Canadian Citizenship.

On the left, Mrs. A. Mead of the I. O. D. E. presents a scroll to Mr. Walter Elchinger of Wainwright R.R. 1; on the right Mrs. J. L. Dowdell of the I.O.D.E. presents a similar scroll to Mrs. Albertha Van Wageningen of Tofield.

## Sunday At Alliance Chapel

Pastor Bell returned to his pulpit, after vacation, on Sunday, Sept. 6th. His sermon in the morning service was based on Romans 9:32. The monthly observance of Holy Communion was observed at the conclusion of this service. The Pastor being assisted by men of the church, Russell Kuplo sang the solo "I'd Rather Have Jesus."

In the evening service guest speaker was Miss Hellen Kolesky, former Vermilion resident who has spent several years as a missionary to Liberia, West Africa. She gave a thrilling story about her many activities, especially in respect to the paper which she publishes. "Torch" having a circulation in 22 countries at present. Mr. J. Bell and Russell Kuplo sang the duet "Search Me O God."

Out of town visitors in the services were Mr. and Mrs. Gordon Cochrane from Calgary, visiting her mother Mrs. Grace Curtrah; Mr and Mrs. W. Kupp and family, Regina, visiting with her brother Mr. Bill Bonney; Mrs. Ron Destrick and family, Lloydminster, came to reside in Vermilion. We were also glad to welcome back to services, Mr. and Mrs. Dan Bell and family, after a lengthy stay in Calgary where Dan had been attending Technical School during the summer months. Happy to have Pastor Bell back in his pulpit after an absence of some weeks at All-Nations Bible Camp and latterly on vacation with Mrs. Bell, Stella Lois and Becky while they visited relatives on the west coast, returning on Wednesday of last week.

Have you a friend or relative in a mental hospital? Perhaps you wonder what it will be like when he comes home. There is a free booklet entitled "When a Mental Patient Comes Home" that will make it much easier for you. Write for it today to the Canadian Mental Health Association, 619 Revillon Building Edmonton.

## 4-H Goes on Tour

The Clandonald 4-H'ers went on a tour of Al Cerning's Game Farm on Aug. 25th. Leaving early the 4-H'ers arrived at the Game Farm in time to enjoy dinner. Following this the individuals accompanied by a few of the parents went on to view the various animals. Later on in the afternoon the 4-H'ers and parents left to visit Sandy Beach in Elk Island Park. Here everyone relaxed and had supper. Towards evening everyone was homeward bound after enjoying an exciting and interesting day. Everyone returned to the Charlton who was the bus driver.

## Mrs. Butler Enjoys Victoria Holiday

Mrs. R. Butler has recently returned home from visiting first in Saskatchewan with Mr. and Mrs. M. McInnis (daughter Marg) and grandson, and later on her great grandson Shane McInnis. Mr and Mrs. McInnis then visited Vermilion.

Mr and Mrs. Stephen Nadurtak (daughter Mary) and two daughters Merlin and Patricia, arrived by car from Victoria, visited the Mrs. Butler along with them. The scenery was very beautiful through the mountains with so many lovely colors They reached Vernon the first night and stayed at a motel and saw their son Bill who is working in an orchard. Then on through to Kamloops where they spent Merlin's birthday on July 26th for Toronto with the National Ballet Orchestra Rehearsing was to be carried out in Toronto before leaving on a European trip which will last until the second week in September. Bert now Merlin and Bill joined University in Victoria and this will be Merlin's third year.

Mrs. Butler visited the vast massive Crystal Gardens, the Queen Victoria Park, Mt. Marina Underwear gardens saw the flowers and the Butchart Gardens views were enhanced from Mount Douglas. Mt. Maddox and Observatory. Mt. Tolmie and Mt. Finlayson were also seen. Mrs. Butler was very impressed with the Parliament Buildings. The flowers were beautiful. Mrs. Butler took in Lower Lonsdale, Mount Seymour, Deep Cove, Grouse Mountain, Second Narrows, Lynn Valley, Capilano Canyon, Stanley Park, Lions Gate Bridge, Marine Drive, Kitsilano Beach, Point Grey, Granville Bridge, Vancouver Art Gallery, Chinatown, Gastown, Burrard Bridge, Vancouver Harbour, Lions Gate Bridge

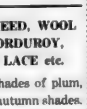
## The Homemaker



MRS. E. MARION BLAIKIE Wainwright — Phone 842-3344 Vermilion — Phone 853-3883

**How do you like your home?** Is it a place to eat or do you really enjoy it? These are not thoughtless questions. I ask, but I am really concerned about this aspect of interior decoration.

Whether you are building a new house or just parking up your old one, there are several basic guides to follow in selecting furniture, colors, accessories.

**KIND OF LIFE**

What kind of life do you lead? Do you and your husband like to live quietly -- reading or watching television, or are you happiest with a houseful of guests? Is your approach to entertaining formal or informal? Do you want your rooms completely childproof or would you rather display your treasured breakables? How much time do you have to spend on upkeep? These are questions to answer before you even start to select.

**FURNITURE STYLE**

What is your style outside your taste? Are you more comfortable in a traditional setting with abundant accessories or do you prefer an unadorned, contemporary atmosphere?

**COLOR SCHEME**

Decide on a color scheme. Some people throw on a riot of color -- others prefer something subtler. You and your husband should decide which colors you mutually like and hate. This has to be a personal choice as each outside element decide which colors you like or dislike. We all have color phobias so don't be overly concerned with your husband's "it's up to you, whatever you like" reply. The kitchen color scheme can be your choice as this is where you will be working. The living room should be a compromise of the family's tastes as this room is to be enjoyed by the largest number of people family and guests, the bedrooms can be more individual to suit personal tastes. There is a limit of course. When I was asked at one farm home helping a lady choose colors, etc., I advised on her small love what colors she liked the best and which ones he would like to have in his room. The reply was: "All black, as we can write on all the walls like a blackboard". Needless to say a compromise had to be made.

**OVERALL PLAN**

Make an overall plan. Perhaps you are starting out with bare essentials, or doing one room at a time. Very rare is the case where a family can just go shopping and get everything new. Consequently it is a good idea to have an overall plan of what you want to end up with so you can choose furnishings and accessories that will belong together. This involves a floor plan, drawn to scale. Thus you will eliminate buying all those in-betweens and tie-as-ever-untils that can be very costly.

**EYE ON SCALE**

Keep your eye on scale. All the components in a room should be compatible in size, objects to one another, furniture proportionate to the size of the room. Envision a giant sofa in a tiny room, or a miniature lamp on an enormous table. See what I mean?

**COMFORT AND QUALITY**

Comfort and quality should go hand-in-hand. Shop at reliable stores, ones you know will stand behind their merchandise. Get the top of the line in your price range. A good mattress, for instance will serve you better than a poor silk and be just as attractive.

These are just a few of the considerations your home deserves to make it individual and suits yours.

## DEWBERRY

Mrs. Otto Walker of Elbecet and Della and Lena Walker of Red Deer were visitors at the Otto Walker and the Irvine Walker homes recently.

Congratulations are extended to Mr and Mrs. Louis Lamley on the birth of a daughter, a sister for Marlene and Carol.

Mr. and Mrs. Stanley Stone and Carol of the Greenland district have moved to a farm in the Viewpoint area. They will be homesteading there.

Mrs. Lucille Perryman of Wadena, Sask., has been visiting relatives and friends in the district. While at her brother's home, Ray Wilcox of Primrose, she went to see her dad's old homestead at Middle Creek. This was where she was born, spent her childhood and went to school. It has been 32 years since Lucille last visited here.

Mr. and Mrs. Rex Partman of Tofield were Mr. and Mrs. Bob Partman of Vermilion were week-end guests at the Donald homan.

## LOCAL NEWS

Dr. and Mrs. H. J. Clarke returned last week from a very enjoyable trip to Eastern Canada. While there they visited son Bob and family who reside at Deep River, Ont., and Don and family at Toronto who were vacationing on Wiatowe Island, Lake Rosseau, Muskoka. Several days were spent sightseeing in Ottawa.

Mr. and Mrs. Stan McCrae returned recently from a month's holiday spent at the west coast. Many points of interest were visited, including a tour of a plywood plant and a paper mill.

Guests at the home of Mr. and Mrs. Roger Rowe are Marjorie Rowe Plyttie and her husband Mr. and Mrs. Verdon Burtt of Fredericton, N.B. They left on Wednesday on the return trip.

Mr. P. C. Lister of Kelowna, B.C., is visiting at the home of his daughter, Mrs. W. T. Cook.

George Garnett, son of Mr and Mrs. W. T. Garnett, left Sunday, Sept. 4, for Point Edward naval base in Nova Scotia to commence a two-year course as an officer cadet in the Canadian Coast Guard Service. DOT.

Visiting their parents, Mr and Mrs M. Burr and brothers Bob and John for the long week-end were Janet and Don MacLeod and family from Edmonton, Keith from Calgary, Louise and Lou Ellen Forrest, Edmonton, and Marian Egan and son David of Sherwood Park.

Mr. and Mrs. Frank Dibben journeyed to Forestburg over the long week-end to visit Fred and Margaret. Fred is doing very well as manager of the new sour gas plant. On Sunday a family reunion was held at the home of Mrs. G. Dibben and Robert back to Forestburg for the day. A visit was made to the power plant and coal pits, which was much enjoyed.

Dr. and Mrs. J. M. Nielson and family of Sedgewick, Alta., have been holidaying at the home of Christine's mother, Mrs. C. Morrison of Vermilion. They left Tuesday of this week on their return journey, by car, eastward through Canada.

Mr. and Mrs. Stan Waldenberger drove their daughter Elsie to Vegreville on Sunday. She is registered at St. Joseph's Hospital where she will take her nurse's training.

Mr. and Mrs. Floyd Rotroff are the proud parents of a daughter and husband, Mr. and Mrs. Robert Jessen of Pertleath spent a very enjoyable Labor Day weekend at Jasper with a side trip to Mount Edith Cavell.

Mr. and Mrs. John Klein and daughter Barbara of Hanna, B.C. have been visiting with Jessie's brother Mrs. Alex McCrimmon. They were on a return journey from Edmonton where they had visited with Roy Cameron and family. John is the victim of an accident when he was struck by a car while walking on the backshoulder of the parking space. It suffered a fractured left [illegible] and considerable bruising. He is [illegible]

Mr. Hirvonen of Marwayne announcement of full house [illegible] Canadian officials last week. Quints were three days premature. Flowers and telegrams to [illegible] Hirvonen has been all mixed up about [illegible] Flowers

Mrs. Winnifred Terrance and daughter Colleen of Calgary have returned following a month's holiday spent in the Yukon, Alaska and Vancouver. The trip was most interesting and much enjoyed.

Mr. and Mrs. R. J. Shepherd Michael and Blair of St. Albert spent several days visiting with Mrs. Shepherd's parents Mr and Mrs. T. Cudney.

Tommy King of the Driver Inspector Branch at Vermilion has been transferred to Edmonton where he and Mrs. King will make the move to their new location.

Miss Virginia Podhubny returned recently from Vedder Cross [illegible] near Chilliwack B.C. where she spent six weeks vacationing visiting at the home of her brother and sister-in-law, Larnee Cpl and Mrs. Bernard Podhubny [illegible]

Mrs. J. K. Thompson and her daughter Mrs. Ron Tipper and her small son Mark, of Chilliwack, B.C., are visiting relatives in town.

Miss Sharon Dyck daughter of Mr and Mrs. Geo. Dyck, Kitchener has written Sept 8th for Kitchener's college at Oshawa Ont. where she will take her nurse's training course.

**WEDDING ANNOUNCEMENT**

Dr. and Mrs. A. B. King wish to announce the marriage of their daughter, Pamela, to Mr Richard Shaw. The wedding took place on Saturday September 3, at the United Church, St. Albert, Alberta.

**ENGAGEMENT ANNOUNCED**

Mr. and Mrs. Henry Benson of Dewberry wish to announce the engagement of their only daughter Yvonne Marie, to Mr. Robert Allan Clark, son of Mr and Mrs. Horace Clark of Edmonton. Wedding to take place October 8th, 1966 at St. John's Anglican Church, Edmonton at 4:30 p.m.

**ENGAGEMENT ANNOUNCED**

Mr and Mrs. Frank V. Podhubny of Dewberry wish to announce the engagement of their daughter Violet Florence to Mr. Daniel Peter Barak, son of Mr. and Mrs. Peter Barak (31,2) Alta. Edmonton The wedding will take place at St. Joseph's Parish in Derwent on Saturday, October 15th at 3:00 o'clock in the afternoon

Following their golden wedding anniversary Mr and Mrs George Pearce received greetings from His Honor, Lieut Governor Grant MacEwan of Alberta and the Hon. E. C. Manning Premier of Alberta.

**CARD OF THANKS**

We wish to extend our sincere thanks to the friends who helped us celebrate and who arranged the reception and supper on the occasion of our golden wedding anniversary and for the many cards and gifts received. The reception came as a complete surprise to us, and was truly enjoyed and appreciated. Our heartfelt thanks to all responsible.

George and Annie Pearce

**ADDITIONAL MEMORIAL TRIBUTES**

Additional tributes received in memory of the late Mrs. Jane Irving and omitted from the obituary were flowers from Alex and Jessie; a donation to the Henry fund from John, Agnes, Betty and Jimmy Taylor, Wainwright.

**CARD OF THANKS**

We wish to extend our sincere thanks for the kindness, help and sympathy extended to us in our bereavement and for the floral and memorial tributes and sympathy cards. Such thought and fullness was deeply appreciated.

Jean, Donnarae and Billie; Ned and Kathy; Mrs. Farida.

**CARD OF THANKS**

We would like to take this opportunity of thanking the Field Marshal Alexander Branch of the Royal Canadian Legion the Ladies' Auxiliary, Legion Pipe Band and all those that attended our funeral service. Also for the lovely gift and social evening which we very much enjoyed.

Bob and Mary Allan.

who passed away Sept. 8 1962

Four sad and lonely years were [illegible]

Since our great sorrow fell

Still always that we [illegible]

Day

We ever let us rest

Always a thought and many a [illegible]

For

Four years I missed and loved so [illegible]

The sudden way you had to die

I'll always remember and wonder [illegible]

Why

To know I never said goodbye

Will always bring regret

But the hours that loved was [illegible]

[illegible]

[illegible]

**Lloyd. Appreciates Drum Major**

As a token of their appreciation of the many times Bob Allen has marched in the Lloydminster Fair Parade as Drum Major of the Vermilion Legion Pipe Band, the Chamber of Commerce in the ner held during the Lloyd Fair, Border City presented him with a gift. The gift was a desk ornament, a replica of an old covered wagon of the Bar Colonist days. The presentation was made at a Chamber of Commerce dinner held during the Lloyd Fair.

# Wildmere Winks

Seething is fairly general now, with the nice weather of the last few days.

Week-end guests at several homes were: At the Cliff Crutchers' home Mr. and Mrs. Ken Shepherd and family of Edmonton and Allister Crutchers. Mr. and Mrs. Cole Phillips and family from Ryley. Cole left Diamond at the age of seven and hadn't been back for 20 years or some many changes. Mr. Russel Crutchers from New Westminster, B.C. and two boys visited his brother Cliff and family, his sister Mrs. Albert Smith and family and other relatives and friends in town and surrounding area. Mr. and Mrs. Norman Smith and family and Mrs. Sander from Edmonton visited relatives on Wednesday and took back with them three children who had spent ten days visiting relatives.

Norman Smith from Edmonton visited the Albert Smith home

Mr and Mrs. Ed Regan and family from Lloydminster visited the Clarence Labbeconne home They will soon be leaving for their new home in Drumheller.

Mr. and Mrs. Charlie Good of Edmonton and Mary Good from Calgary visited the home of Mr and Mrs. Chas Good from Saturday to Monday.

Mr and Mrs. Geo Thursby and family from Forestburg visited Mrs. Frank Gibson home Sunday.

Mr. and Mrs. Clarence Wilson attended the wedding of the latter's niece in Edmonton Saturday.

A large crowd turned out at the hall Saturday evening to congratulate and wish the newlyweds Mr. and Mrs. Joe Horacko (nee Katherine Nichols) all happiness. The very best from your Preston friends Kathy and Joe'

It was nice to have Mr. and Mrs. Wallington and Mrs. Jan Nelson from town worship with us on Sunday. A nice crowd bade farewell to Mr. Leugnet after his last service Sunday. We wish him the best in his chosen work and for his marriage on Sept 10

Congratulations to Mr. and Mrs. Dick Steele on the birth of their second son.

# Health Unit Notes

**BABY FEEDING**

No two babies are alike, not even twins. Suggestions about feeding are therefore made about the average baby

For the first three months it is usual to feed the baby on the breast or on the bottle. Occasionally from the second month some cereal is introduced. This may be a thickening of the milk feed which is introduced in the bottle or a similar preparation for the breast fed baby.

Babies are conservative creatures and at first may not take readily a change in flavor or a change in the presentation of their food. This is a matter for patience and perseverance on the part of the mother.

From about three months it is time to start adding to the baby's dietary experience for remember the appetite is small, and they need encouragement, particularly when they are being introduced to something new It is impossible to hurry, and time and care are needed It is usual to start with mashed potato flavored with a little gravy. A teaspoonful or so of this may be introduced, say at middle. Only one new item of food should be introduced at a time The baby has a delicate stomach and too great a variety at one time may upset him At first a few days to a week another vegetable can be introduced such as pureed carrots or tomato At the same time baby rusks can be introduced, a teaspoonful in a cup of milk is enough to start. Then a little more than milk particularly in hot weather

Parents often wonder whether their baby is getting enough There are a number of signs of normality. A baby is gaining if his sleep is restful, if his bowels are fair in regular soft neither constipated nor diarrhoeic his weight gain is steady about an ounce a day for the first three months He should double his birth weight by 5 months and triple it by a year These are sound guide lines for the normal baby's progress, baby may actually find he will sometimes put behind every week and then suddenly he will find himself considerably ahead of his weight chart. Don't be discouraged if he is unhealthy he will soon catch up.

**WELL BABY CLINICS**

Vermilion September 9 — May
Kitscoty September 9 — May
Lloydminster September 9 — May
Marshall September 9 — May
Paradise Valley September 9 — May
Wainwright September 9 — May

Immunization against diphtheria, whooping cough, tetanus, smallpox, poliomyelitis and measles is available at these clinics. Parents are urged to have their children immunized against these diseases. Children should receive their first injection at 6 months of age and a booster dose at 18 months. Children should be immunized against smallpox at 1 year and again at 11 and 15 years of age.

FINE TOWN GARDENS

Mr. and Mrs. Graham Gardiner shown above, have very fine flower and vegetable gardens at their Vermilion home. The Editor was attracted by the beautiful display of flowers in front of the attractive house, and on walking in for a closer look, discovered a vegetable garden in the back yard which was equally wonderful. Mr. and Mrs. Skinner are standing in front of a profusion of sweet peas, the seed for which was brought from Scotland. The variety is the Winston Churchill sweet pea.

## Annual Supper Is Held At The Harrison Home

The annual supper was enjoyed by friends in surrounding districts, held at the home of Mr. and Mrs. George Harrison of Battleview on Sunday, Aug. 28th, when Mrs. Mrs. Peter Jensen and Mr. and Mrs. Veitch, Mrs. Beale, Mrs. Doyle, Mrs. Chester Kennedy of Vermilion, Mrs. Brousseau, Mr. and Mrs. Milton who were unable to join Miss [illegible] and Donald Harrison all of Wainwright; Mr. and Mrs. Albert Hoole, Mrs. C. Marrison, Mr. and Mrs. Jim Walling, Mrs. Bryon Fraser of Battleview all from Vermilion, Mr. and Mrs. present next year.

sit down to a beautiful and delicious supper.

George and Muriel Harrison came in for the hearty and sincere thanks of all present for the use of their kindness in having this old fashioned by reminiscing of old times reunion. It was surely times when most of these pres- enjoyed very much

## LOCAL NEWS

Mr. and Mrs. John O'Donnell and three children of Edmonton were visitors at the home of Gladys' parents, Mr. and Mrs. Coutts over the long week-end.

Mr. and Mrs. Arnold Erickson of Edmonton were week-end visitors in town at the home of Margaret's parents, Mr. and Mrs. Coutts, and other members of the family.

Mr. and Mrs. Munroe have taken up residence in the Vermilion Valley Lodge.

Mr. Dan Peters, at one time Assistant District Agriculturist here and more recently D.A. at Mayerthorpe, has been transferred to Three Hills as District Agriculturist.

Miss Eleanor Evans of the Treasury Branch staff left on Wednesday for the west coast on her annual vacation.

Mrs. Lottie Harve returned to Vermilion after spending several weeks visiting friends and relatives in England.

## Recreation Commission Expresses Thanks

The members of the Vermilion Recreation Commission wish to express their sincere thanks to everyone for the widespread co-operation and support received on the occasion of the Western Canada Bantam Baseball championships.

A special word of thanks to the grounds committee for their work which produced such an excellent diamond. The event was one which will long be a sports highlight for Vermilion.

Vermilion Recreation Commission

## OBITUARY

On July 26th Mrs. Steve Carpenter of North Home Valley district passed away in Edmonton at the age of 67 years.

She was born Annie Gregerson, November 22nd, 1898 in Denmark. At the age of seven she moved with her parents to Iowa. In 1910 she moved to Metiskow, Alberta.

In 1921 Annie was united in marriage to Mr. Steve Carpenter and lived near Czar for a few years. In 1926 they moved to the Landownlie district, coming to this vicinity in 1933 where she lived till she was no longer able to care for the home which she dearly loved.

Annie Carpenter was a lover of all the beauties of nature. She was dearly loved by all, especially the neighborhood children. Friends and neighbors always found a warm welcome when they went to visit her.

She was predeceased by her husband in 1955. She leaves to mourn her passing two sons, Harold of Rockyford, Alberta; Steve and his wife Eva of Hodson Hope B.C. two brothers, Fakild and George in the U.S.; four sisters Lena of New Brunswick Ellen Mary and Clara in the U.S.

Funeral services were conducted in the Riverton Hall on July 30th with Pastor Elderyne Jones officiating

## OBITUARY

A resident of the Mannville district Mr William Phillip passed away in the Mannville hospital on August 25 at the age of 81 years. He was born in Austria on May 3, 1885 coming to Canada in 1910.

He settled in the Mannville district in 1928 where he farmed until his retirement to Mannville in 1955.

He leaves to mourn his passing his loving wife Mrs Mary Philip of Mannville six daughters, Mrs Olga Philip Dwinosky of Mannville Mrs Stella Clyde Wagenaar of Vermilion Mrs Ann Joe Fedyniak of Vermilion, Mrs Helen Antle Smith of Mannville Mrs Janet (Ray) Mann ford of Dawson Creek Mrs Mary Stelk Baldwinski of Edmonton Mrs Anne Fedyniak of Edmonton Mrs Ann Alex of Mannville Peter of Mannville John of Edmonton There are 15 grandchildren and five great grandchildren.

Funeral services for Mr Phillip were held from the Mannville Greek Catholic Church on August 28 at 10 a.m with the Rev Father Roman Stanchuk as celebrant. Interment was in the Mannville Greek Catholic cemetery.

Donald Funeral Home was in charge of all arrangements

We Can Compound Cosmetic Prescriptions

It may surprise you to know ancient records mentioned that pharmacists, then called apothecaries, prepared the healing and beautifying lotions and unguents. Even now Dermatologists prescribe some for problem skins. When directed by physicians, we can color them for different complexions.

A pharmacy is a safe place to get cosmetics. Of course we carry your favorite products and we know about their ingredients. If you ask for suggestions, we can give you informed professional answers. Our cosmetic inventory is controlled like our drugs so they always will be potently fresh.

A great many people entrust us with their prescriptions. May we compound yours?

Betty King Wins Bicycle

Betty King, 12 year old daughter of Mr. and Mrs. John King of Vermilion, was the lucky winner of a new CCM Rambler bike, which was given away in the Shell-Wings Rose Company and drawn for at the Vermilion Fair by picture Ernie Heppenstall, Vermilion agent for Shell-Wings Rose Products is making the official presentation of the bicycle to the happy girl. Betty won the bike by signing a coupon at the Shell-White Rose booth in the Vermilion Fair. On her last night of the exhibition Mrs. Heppenstall drew the name of the lucky winner and this proved to be Betty.

## Grazing Land Expansion Planned Under ARDA

OTTAWA A four-year program of grazing land expansion and improvement in Alberta costing $20,000 is to be undertaken by ARDA

Federal Fisheries minister M. Sauve and provincial agriculture minister H. P. Hinton have announced that the cost is to be equally shared by the federal government the provincial government and the grazing associations.

Alberta has 77 grazing associations, all of which grow cattle, mostly on Crown-owned lands.

The present ARDA program will benefit not only the individual members of these grazing associations but will make it possible for many of them to take [illegible] and help meet the demand for [illegible] and possibly [illegible] of [illegible] [illegible] [illegible]

# Mannville Locals

Miss Marie Haverstock of New York, formerly matron of Mannville Hospital under Dr Hastings, has been a recent visitor at the home of Mr. and Mrs. James Hamilton.

Sincere sympathy is extended to the Hammond and Phillips families in the loss of their father and mother respectively.

Congratulations are extended to Mr. and Mrs. Chester Gamble on the occasion of their 40th wedding anniversary.

Larry Bauer is now employed at Edmor, Alberta.

Mannville and district bids a hearty welcome to the new principal of the teaching staff of the Mannville schools, and their families.

Mrs. Margaret Martin and Mrs. Rita Roberts have returned to their respective homes in Mannville after completing their courses at summer school.

Mrs. Marion Ross is visiting with relatives in Winnipeg at time of writing.

Much happiness and success is wished the Maisons Mortimer and daughter Heather as they leave Mannville to make their home in Bissett.

Mrs. Donald Scott's home has taken on a new breath of color, the job being done by Jim McLuckie.

Mr and Mrs. Sam Croft have returned from an enjoyable holiday to North Dakota and Bonnyville west of Edmonton.

C.N.R. employees at Mannville are having a double holiday this year, due to the rail strike.

Mr. and Mrs. Sven Kristiansen and Doug have now taken up residence in St. Paul, Alberta, where they will make their home while Mr. Kristiansen completes his course. Much success is wished him in his new endeavor.

Mannville's secretary-treasurer Mrs. Edith Johnston, is a Roy patient in a city hospital at the time of writing.

Mrs. A M Rutherford is holidaying in Eastern Canada.

Mr and Mrs. Roy McInnes are now living in Edmonton where Roy has accepted employment.

# H. Webber to Attend Vienna Conference

Harold Webber Supervisor of Co-operatives and Credit Unions for Alberta, will be one of two persons from this province attending the 23rd Triennial Congress of the International Co-operative Alliance, being held in Vienna Sept. 5 to 8.

The other Alberta delegate will be Morris Jevons of Wetaskiwin, President of the Interprovincial Co-operatives Ltd. and Vice-President of Federated Co-operatives Ltd. More than 1000 people from over fifty countries are expected, making it the largest Congress of its kind ever held.

# Funeral Services For Edwin Walter Daley

Edwin Walter Daley who was born in Lloydminster, Sask. on January 13th, 1904. He came to Vermilion with his parents in 1914 and settled on the farm west of Vermilion. In 1928 he married Anna Jane Brownlee and resided on the farm up to the time of his passing, at his home on Aug. 9th.

He leaves to mourn, his loving wife Anna, two daughters, Mrs. E. O (Lorna) Zettler of Houston, Texas, Mrs. Donalda Beckman of Toland; one son, William Walter of Reynolds, Calif.; three sisters, Mrs. Theresa R. (Doris) Cairns of Edmonton; Mrs. Wilma (Edna) Barr of Victoria, B.C.; Mrs. Ruth Steele of Lake Forest, Ill. There are five grandchildren.

Funeral services were held in the First United Church on Aug. 11th at 2 p.m. with Rev. C. Miller officiating. Interment was in the Vermilion Cemetery.

Pallbearers were Dale Williams, John Duffy, Robert Blandford, Robert Barr, Stewart Barr and James Barr.

Donald Funeral Home was in charge of arrangements.

Beautiful floral tributes were received from The Family and Ruth, Elno, Doris and Tom.

Canadian Carver Society donations Brooke and Bob Rimkus; Arthur and Mae Maggs; Mrs. Lon Kehoe; Ray and Ethel Walker; Joe Green; Art, Betty and family; Jack Wilms and family; Julia and family; Mr. and Mrs. Tim Nelson; Muriel and Carman Long, George and Dorinda Stonehouse; Dr. and Mrs. Jim Brown; George and Alma, Kay and Joe.

Vermilion Cemetery Fund: Mr. and Mrs. A. Logan; Mr and Mrs. T. Wilson Sr.; Mrs. Ruth Connes; Mr. and Mrs. C. L. Holley.

First United Church Memorial Fund: Dale and Pearl Williams; Lyle and Annabel Robinson; Mr. and Mrs. E. W. Hart; Dolly, Ras and Marilyn Williams; Mr. and Mrs. Jack Marfleet; Bill and Barbara Hart; Mr. and Mrs. Manson Barr and family.

Vermilion Retarded Children's Association: Mr and Mrs. John Jaremko; Mr. and Mrs. Harvey Anderson Sr.; Mr and Mrs. Harvey Anderson.

The Alberta Heart Foundation: Mr. and Mrs. Jim Wallington; Gideon Bibbin; Angus and Vi Anderson and family.

## CARD OF THANKS

We wish to express sincere thanks to our friends and relatives for their kind expressions of sympathy, letters, cards, food and flowers to our house during our recent bereavement.

Ane Daley and family.

# POTATO COMMISSION LEVY

The Alberta Potato Commission now has the authority to collect five cents on every 100 pounds of potatoes marketed by provincial growers. The Agricultural Products Marketing Council regulations, which give the Commission the authority to collect the levy, have been approved by Cabinet.

The funds collected from commercial growers by the 5% levy will be used to implement a program for improving the marketing of potatoes through quality standards, advertising, education and research.

"I understand Elephant Brand's got a 43% Granular Ammonium Nitrate!"

"Thirty-four percent for Pete's sake!"

He should get it right and get it this fall. New 34% Granular Ammonium Nitrate by Elephant Brand is available only through your Elephant Brand dealer. Cominco production. Canada's only 34% granular ammonium nitrate; the only one with 34% nitrogen. It gives more plant food per spreader load, which means fewer stops. It is non-caking and flows evenly for uniform application.

And consider this: New 34% granular ammonium nitrate is now being used in making Elephant Brand 23-23-0 and 27-14-0. Result—products made up entirely of fine, uniform granules that stay uniform and flow evenly through any applicator.

Taken all around, Elephant Brand 34% N is the greatest granular nitrate fertilizer to hit the ground for Pete's, or anybody else's sake!

Converting your present heating system to oil is easy, and Esso makes it painless on your budget, too. There's no down payment... and the Esso heating equipment finance plan gives you up to 10 years to pay! Choose the oil heating unit you wish—and your Esso Agent will gladly offer installation guidance. Talk it over with him soon.

For that nice, warm feeling

See your Esso Agent

why switch to oil heating?

(gives you every good reason!)

Go ahead! Choose a savings goal. Toronto-Dominion will match it with Life Insurance!

Assured savings plan

Pick yourself a five year savings goal. It could be as little as $400, or as much as $3,000. Your convenient monthly deposit can range from $10 to $50! Whatever savings goal you set for yourself, that's the amount of Life Insurance protection your family has for five years from the minute you make the first deposit in your Toronto-Dominion Assured Savings Plan. In addition to all deposits made, plus the bonus your savings have earned! Whether you're saving for your children's education, for the down payment on a new home, for a retirement nest egg . . . or even if you don't have a special objective in mind, ask your Toronto-Dominion Manager about the Go-Ahead way of saving...the Assured Savings Plan.

Great Go-Ahead idea from TORONTO-DOMINION
The Bank where people make the difference.

# Centennial Report

1867 1967

by JOHN W. FISHER
CENTENNIAL COMMISSIONER

"I expected that everyone here would speak with a real English accent and I didn't think Toronto would be as friendly as it is."

The quotation above, from a 16-year-old visiting Toronto from northern British Columbia, was used by Michael Ignatieff writing about centennial youth travellers' in the Globe and Mail. From another a 20-year Montrealer came this comment: "After visiting Vancouver I realize we have the most beautiful country in the whole world."

This year more than 4,000 young people in 160 groups will have participated in the Centennial Commission's Federal - Provincial Youth Travel program. The total since 1964, when the program was started as a pilot project will be more than 6,000 by the end of 1966.

The aims of the federal - provincial programs are to give young Canadians the opportunity to meet and know other Canadians and develop an understanding of their countrymen in regions other than their own. Another is to provide them with a first hand knowledge of the geography of the country and of the political, educational cultural and artistic achievement of other provinces.

The Centennial Commission underwrites costs of travel, pays per capita grant for incidental travelling expenses and a per capita grant for reception costs in host communities. It co-ordinates the program at the national level, provides travel maps, manuals, song books and name tags, one day tours of Ottawa for groups passing through, and makes all travel arrangements.

Each province or territory selects students and escorts (usually high school teachers) through its department of education, conducts orientation and briefing sessions, supervises reception arrangements in host provinces and hooks after general co-ordination within the province.

Provincial departments of education choose by lot the students that will take part in the program. The principal of a school chooses a number of students and his choice is not based on academic record alone. All-round students who meet people easily usually are selected.

The federal-provincial program is not the only Centennial scheme in operation. Another one, called Voluntary Youth Travel, provides for Commission grants to private agencies or organizations. The object is to expand already existing youth travel projects or encourage additional ones.

The voluntary program differs from the federal-provincial program in that the Commission is not involved in administration. Well over 10,000 young people will have participated this year in these association travel projects as a result of the Commission's 1965 grants program under the Voluntary Youth Travel scheme.

The young man from northern British Columbia visiting Toronto told his Ontario hosts: "Sometimes me is that you people aren't any different from us." If we accomplish only what is implied in that sentence among the thousands of participants Canada's investment in the youth travel programs will be well worthwhile.

# District Couple Wed In Double Ring Ceremony

On June 17th the First United Church in Vermilion was the scene of a summer wedding at which Linda Ruth, daughter of Mr and Mrs. William Smith, and Joseph Ronald, son of Mr. and Mrs. Karl Nelson, were united in marriage.

Baskets of gladioli lilacs and baby mums at the front of the church and pews marked with bows and sprays of lily-of-the valley provided the setting for the doublering ceremony performed by Rev. Carlton Miller.

Entering the church on the arm of her uncle, Mr. Adam Smith Jr., the bride wore a beautiful traditional bridal gown of lace in fallie, richly trimmed with hand-clipped chantilly lace, with matching train held in place at the neckline by a flat bow. Her shoulder length veil was held in place by a single flower made of material matching her gown. Her only jewelry was a single strand pearl necklace and match ing earrings, gift of the groom. The bride carried a white Testa mont with a floral cascade of red roses and rosebuds on white satin streamers.

The two bridesmaids, Miss Yvonne Morhead, friend of the bride, and Miss Mary Nelson, sister of the groom, wore identical A-line floor-length gowns of aqua hooded lace. The empire waist lines were accented by aqua velvet bows with bowline streamers. The velvet hood pieces matched the trim on their gowns. They carried colonial

Do you really know your child [illegible]? That is really know them? There is a little booklet published in the Mental Health Association entitled "Do You Know Your Child?" It's free and it will suggest ways of understanding yourself — and your child. Just write to C.M.H.A. 619 Revillon Building, Edmonton.

Canada's population at April 1 this year was estimated at 19 [illegible], an increase of 1,621,000 or 8.9% since the last census in June 1961. The relative import ance of the various components in the growth of the total population of Canada since June 1961 were: natural increase 2,180 000 births 940,000 immigrants 736,000 deaths and 376,000 emi grants.

*You can start a*

*STUDY DISCUSSION program*

*In Your Community*

SCIENCE — WORLD POLITICS
SOCIOLOGY — MODERN ART
PSYCHOLOGY — FOLK MUSIC
ANTHROPOLOGY — DRAMA

For any group of 14 to 15 friends, a club or community group, here is a wonderful prepared program of readings, or musical recordings for informal afternoon or evening discussions. Why not start a group in your community—You're not expected to be an expert—As "procter" for a group you will be amazed at how many different opinions will come from even a small group. You will enjoy a sense of accomplishment too as you see members participate and enjoy a good discussion.

Each program kit is complete with a text, an accompanying reader's guide and leader's guide giving selected readings and suggested study questions for group discussion. Some courses offer supplementary LP recordings of music or lectures by world figures. Some have 16 mm educational films or 35 mm slides.

**YOU CAN LEAD A GROUP**

Most program can be satisfactorily treated in ten two-hour sessions and all are designed to be conducted by amateur leaders.

**COMPLETE KITS AVAILABLE**

**All program materials can be obtained through the Department of Extension in the quantities required by your group. When requested, the Department of Extension will provide staff assistance to help get your group off to a good start.**

***HOME STUDY PROGRAMS***

For those wishing to pursue reading or listening in a subject at their own speed in the privacy of their own home, the study discussion programs and [illegible] subjects are available, on an individual basis. The home study program includes introductory statement which lays out various aspects of the subject and then guides the reader to books and articles which will illuminate these aspects.

Presents Crests to Champion Bantams

It was a great moment for the Saskatoon Bantam Red Sox when Vern Miller of Vermilion, a member of the executive of the Western Canada Baseball Association, presented each one of them with a crest, designating them as Bantam Champions in Western Canada. On each crest was the notation "WCBA Champions Bantam 1966. On the left in the picture is shown Vern Miller presenting the first crest to Jerry Fawcett, captain and catcher of the Saskatoon team. In the centre is George Parenteau, Saskatoon coach. The Red Sox, champions of Saskatchewan, won the Western Canada championship by defeating the Vermilion Bantam Elks in a close and thrilling final game played at Vermilion on Sept. 4th.

# Nomination Day Wed., Sept. 28th

## Water and Sewer Contract Awarded

At a council meeting on Monday night the contract for the extension of water and sewer lines to the new town subdivision in the west end of town was awarded to the George McLeod Construction Co of Edmonton. The contract was for the sum of $29,648.14.

Two other tenders were received as follows: Paulick & Co. Edmonton, $30,319.00; Wilson Enterprises, Wainwright, $33,945.27.

The work is scheduled to commence on November 1st

Elections loom on the civic horizon with two seats to be filled on the council for terms of three years: two seats on St. Jerome's School Board for terms of three years: and for one representative on the School Committee of the County of Vermilion River for two years

TURNS UP TWO COUNCILLORS EXPIRE

## Vermilion Beverage Trophy Race At Speedway Sunday

Everyone should remember the big trophy race at Vermilion's hard topped speedway this Sunday, Sept 18th. The Vermilion Beverages trophy is on for grabs to the winner of the grueling 30 lap race

The trophy was won last year by Robert Graupner of Lloydminster

These long races always take their toll of cars and it takes a good machine and a steady skillful driver to win.

Nine other races are featured on the program, starting at 2:00 p.m. Be sure to be on hand to take in the action. The track is only two miles west of Vermilion

## New Contracts Awarded for V.A.V.C. Building Program

Two more contracts have been let in the mammoth expansion and renovation program at the Vermilion Agricultural and Vocational College according to Ashley Cooper, M.L.A.

**LOCAL CONTRACTOR FOR ROAD WORK**

The contract for grading, gravelling and related work, Agricultural and Vocational College, Vermilion, Alberta, has been awarded to A. V. Carlson Construction Ltd., Edmonton, for the sum of $178,283.00. Five other tenders were received.

**DAIRY STUDIES BUILDING**

Last week the contract for the new Dairy Studies Building was awarded to the A. V. Carlson Construction Ltd. of Edmonton for $68,896.00

All work will commence immediately.

**TO COMPLETE ANIMAL SCIENCE BUILDING**

The contract for the erection and completion of the addition to the Animal Sciences Building, Agricultural and Vocational College, Vermilion, Alberta, has been awarded to A. V. Carlson Construction Ltd., Edmonton, for the sum of $178,283.00. Five other tenders were received.

## Nell MacLean Goes To Cavanaugh

Nell MacLean, grain buyer for the United Grain Growers in Vermilion for the past twenty years, has been transferred to Cavanaugh. He has already taken up duties at that point.

Mr. and Mrs. MacLean and family have been valued citizens of Vermilion, and have contributed much to the community, sports and social life of the town. Nell is a past president of the Canadian Legion, and has been instrumental in organizing and the operation of the Legion Pipe Band. He is also an ardent curler. The boys will be very much missed in hockey and baseball circles, and the departure of this family is much regretted.

## Registration Night For Boy Scouts And Wolf Cubs

Registration Night for all boys wishing to join the Boys Scouts and Cubs has been set for Wednesday, Sept. 21st at 7:30 p.m. at the Scout Hall.

It should be noted that for registration that the parents must accompany their sons, and all boys wishing to enrol should be on hand on Wednesday night next, Sept. 21st at 7:30.

The program for the coming year will be discussed at this meeting. Many new activities are anticipated, so boys, bring your parents to the registration meeting next Wednesday, Sept. 21st at 7:30 p.m.

## Seek Children For The School For Retarded

The establishment of the opportunity classroom at Vermilion has been partly responsible for a reduction in the enrolment at the Vermilion School for Retarded Children.

The Board of the School for Retarded Children is therefore most anxious to learn of any boys or girls in the district assessed to Vermilion who might benefit from placement in the School for the Retarded, but who are not currently attending

The co-operation of all parents and teachers is sought in this respect. Any information should be communicated to Mr. H. G. Sherk, Supt. of Schools, County of Vermilion River

## Fall Parades . . . Vermilion Cadets

The Vermilion Cadet Corps will begin fall operations on Sept. 19th Parades will be held every Monday evening from 7:30 to 9:30 at the Vermilion Armories.

Any boy 13 years old or over is eligible to enroll. The authorized strength of the Vermilion Cadet Corps is 30. Those wishing to enroll are requested to get their applications in early

## Captain Oates Is Transferred

Just at press time the Standard learns that Captain Oates, in charge of the Salvation Army work here for the past two years has been transferred to Kamloops, B.C.

Farewell services will be held in the Salvation Army Hall this Sunday, Captain and Mrs. Oates leave on Tuesday for their new charge.

## Archbishop Of Canterbury in City

On Thursday, September 29th at 8:00 p.m. the Archbishop of Canterbury will conduct services in the Jubilee Auditorium in Edmonton.

Any persons desiring transportation or able to take passengers, please contact Knight of Columbus Hall before September 20th.

## Flowers of Hope Net $180.00

The "Flowers of Hope" campaign carried out by the National Association for Retarded Children, and participated in by the local association has netted the Vermilion School for Retarded Children $180

The task of packaging the seeds and mailing was handled by Clarence Nein, with some 2300 packages being sent out.

Possibly you may have received the seeds, planted them and enjoyed the flowers, but forgotten to send in your contribution. If so, it is not too late, simply send your donation to the Secretary, Vermilion Association for Retarded Children, Vermilion. Any amount will be gratefully received.

The following letter shows how these seeds were received by one citizen in the public school:

May 13th, 1966

Retarded Children's Assn.,
Vermilion.

On behalf of the pupils in my room, and speaking for myself, thank you for the opportunity of helping the children in your school.

The seeds were planted and are being carefully tended in our flower period and we expect to get much pleasure from them. Donations, varying from one cent to a dollar in one case, were made by the pupils. They were very happy to do this and very interested in the whole project.

Please accept the enclosed cheque from Class 1c, Dorothy Oakley School, Vermilion, and Yours Id. Mossd (teacher).

## To Sponsor Bears Hockey Team

Good news for the hockey minded Gordal Ed Herzog announced today that Herzog Motors and Vermilion Beverages would once again sponsor the ever popular Bears. Plans are being formulated for the club and participation in a league is anticipated.

Watch for times dates and places of meetings and get set for another heavier hockey season by following "The Bears".

## Wins Club Title And King Trophy

Jim Kaiser was crowned as champion of the Vermilion Golf Club following the club tourney on Sunday, and thereby won the King Trophy. This trophy, presented by Dr. Ben King, is emblematic of the club championship.

Norman Henderson was the runner-up.

## Secretary-Treasurer Needed An Opportunity To Help

Would you be interested in helping Retarded Children? Work with an agreeable Board? Deal with three Counties in Educational matters, as well as the Provincial Government? Keep books, look after correspondence and handle all matters relating to running a School for Exceptional Children? Do all this and receive nothing in return except the inner satisfaction of helping the less fortunate children receive their educational rights?

If so, then you are the person the Vermilion Association for Retarded Children is looking for to take over where Mrs. Doris Greenwood is leaving off. Mrs. Greenwood leaves Vermilion later this month and we are desirous of finding someone to take over her position. If interested, please contact Mrs. Greenwood or Percy E. Cluger, as soon as possible.

## Mixed Two-Ball Tourney Sunday

The Vermilion Golf Club is holding a mixed 2-ball tournament on Sunday afternoon Sept 18th commencing at 1:30 p.m. to be followed by a potluck supper. All members and non-members are invited to enter

## New Store For Islay

[illegible] a store and [illegible] have opened [illegible] two top points at the their own track. It also speaks Victoria short on four track this very well for the soldier of the [illegible] This was Earl's first ass ing in Vermilion and Lloydminster at the [illegible] so it was con sior where Earl raced last year.

Wins Feature Race In Vermilion

Len Kohn driving old 97 won the big one at the Vermilion Auto Racing Association meet on Labor Day. Len came home first in the 30 lap All-Men feature race. A large crowd of spectators was on hand to watch the Labor Day races on the newly hard-topped race track. Another program of racing this Sunday Sept 18, at 2:00 p.m

## 4-H Grain Club Awards Made At Mannville

MANNVILLE. The Mannville 4H Grain Club held their meeting on Sept 7th in the Mannville Legion Hall. The roll call was answered by the members stating what they were doing when [illegible] called to inspect their

The following awards were announced:

Beverly Wesmiller had the highest mark in the best Junior Heifer class.

Leslie Buser had the best Jr. Beef [illegible]

Leslie Buser had the best Jr. Heifer [illegible]

Marianne Tackett [illegible] best heifer [illegible] and Robert Tackett [illegible] best heifer [illegible] and Robert Tackett [illegible] best heifer [illegible]

A [illegible] dance to be held in the Legion Hall was discussed but tabled until next meeting. The meeting closed [illegible]

Double Winner at Vermilion Races

Tommy Kibblewhite was a double winner at the races at the Vermilion Speedway on Labor Day, taking first in the [illegible] events. This was the first time the drivers had a chance to try out the new hard top and it surely speeded up the time made by the racers. With no dust rising the spectators too had a perfect view of the whole track and the entire race.

## On The Driver's Conscience The Rest Of His Life

Each year, hundreds of children are killed and injured when struck by cars while walking or riding bicycles, according to All Canada Insurance Federal.

The hazards are particularly high at this time of year when children are returning to school. The Federation, which represents most of Canada's automobile insurance companies, recommends these precautions for drivers:

1. Slow down in school and park zones — whether the law requires it or not.
2. Be particularly cautious when driving on residential streets.
3. Allow as much clearance as possible — and slow down where necessary — when passing parked cars.
4. Give children a break and the right of way, when they are crossing the street.
5. Anticipate trouble. Children are often careless and the good driver has a moral obligation to avoid an accident even though the child is at fault.

Ted Daking is typical of thousands of Canadian fire fighters who help combat muscular dystrophy, not only by raising funds for research, but also by taking a personal interest in MD's young victims. One such victim, 12-year-old Kirk Clouthier, spends a happy morning with Ted on a tour of the local fire hall and forgets for a while that he lives under the shadow of muscular dystrophy.

## National Immunization Week

With the approach of National Immunization Week, September 18th to 24th, the Health League of Canada draws attention to this timely advice from the Canadian Medical Association.

Immunization for protection against disease can be attained through a variety of methods, and many immunizations are available today, the Canadian Medical Association reports.

The procedures involved in immunization are scratching the skin or vaccinating, injecting a needle through the skin which is inoculation or drinking a vaccine.

It is important to remember that all immunizations are not equally effective and the benefit obtainable from immunization does not last forever. However, when booster doses are given when required, we can get protection against many diseases.

We can get excellent protection against smallpox, diphtheria and tetanus (lockjaw); very good protection against polio and measles; and while the vaccine against whooping cough is not quite so good it is very well worth giving to young children. Influenza vaccine is only fair and perhaps should only be given in special cases.

Other immunizations available, usually of interest only to the world traveller, include those against typhoid and paratyphoid fevers, typhus, cholera, plague, yellow fever and many others.

The C.M.A. says the most important diseases we can protect against by immunization in Canada are diphtheria, polio, smallpox, tetanus and measles.

# Spotlight On Education

This is the first of a series of articles on Education which will appear in the Standard.

Prior to the turn of the last century, G. Wyat Young Man's was the advice which was thought most likely to result in success for the youth of the day. Today however, a new creed has wide acceptance. Education is generally considered to be the royal road to success. The youth of today is encouraged to stay in school as long as possible. Departments of Education and teachers have worked hard to provide enrichment and variety in the kinds of school programs which are available to students. No one is forced to take these programs — they are optional. However, the vast majority of young people now enter the public school system with the desire to contribute significantly in scientific, professional, technical and technological occupations, commercial and service vocations. This means that the school today must provide a broad range of preparation experiences and learnings for the students who attend them.

In this age of tremendous technological progress and success, education governments and professional educators face severe challenges in keeping the methods and content of school programs in tune with the times. We may expect to see greatly expanded use of technical aids in teaching in the schools in the next few years. At the present time such recently developed devices as tape recorders, language laboratories, overhead projectors, television, 16 mm motion pictures, records, phonograph machines, field and stereoscopic trips are in common use.

Educational television holds a great deal of promise for the growing and enriching instruction in the schools. Province of Alberta is undertaking pilot projects in the area of instructional television. Several parts of the province will be engaging in experimental work with this medium during the current year. It is expected that teachers will work as teams or individually in the preparation of programs for use in one or more schools utilizing closed-circuit television. In this way it may be possible to provide students with information that might not otherwise be available to them. Furthermore, specialist instructors through carefully prepared lessons, may be able to present the information in a more meaningful way than could otherwise be done.

The new developments in the educational field at all levels — elementary, secondary and post-secondary, require ever increasing financial support. It is virtually certain that these costs will continue to increase as educational requirements continue to grow. Many people today are giving serious consideration to finding ways and means of increasing the funds that are available for education in our country. Although the British North America Act guarantees the rights of the provinces in the field of Education it may well be that within the years ahead a considerable portion of the increased money that will be required will have to come through grants from the Federal Government. Under present regulations, however, Federal Government contributions are restricted mainly to higher education (beyond the high school) to the education of service men's children, the education of Indian and Eskimo peoples, and vocational education in the area of vocational education that Federal grants have been of most assistance to the public schools in recent years. The new Vocational High School at Vegreville, and the proposed Comprehensive High School at Lloydminster are examples of institutions which are eligible for substantial provincial and Dominion grants. Consideration is presently being given by County of Vermilion River No. 24 officials and members of the Alberta Department of Education to the possibility of obtaining provincial and federal financial assistance for the building of a commercial education wing and for expansion of the academic classroom and laboratory facilities at the J. R. Robson High School in Vermilion.

What is mental illness? Well, for one thing, it's our most serious health problem, hospitalizing more people than all others combined. YOU can learn more about disorders of the mind, what they are, and how to deal with them — in the free pamphlet "What is Mental Illness?" from the Canadian Mental Health Association, 619 Revillon Building, Edmonton.

Newspapers are the only medium where people shop the advertisements.

The newspaper is the only medium people consult for buying decisions.

**GREEN ACRES**
By: Wilfred L. Cody, Associate D.A.
Vermilion, Alberta

**GREAT TROTTLER IS FALL**

W. Lobay, Supervisor of Weed Control, says spraying fields infested with Canada or perennial sow thistle immediately after harvest is an excellent control technique. The pays off when if the land is to be summerfallowed next year.

2,4-D at 16 ounces of acid per acre or a combination of 2,4-D and Dicamba used at the higher recommended rates is effective if followed by a shallow but thorough cultivation two to three weeks after the chemical application.

Fields which are heavily infested should be summerfallowed next year after spraying and cultivating this fall to weaken the plants going into the winter. Fields with lighter infestations may be sown to wheat or barley next spring and sprayed with 16 ounces of acid per acre when the grain is in the four or five-leaf stage.

**SHORT COURSES**

Cool, showery weather prevented hard winter could hardly be labeled an unqualified success but it was no failure either. In the Alberta Extension Service certainly for that short courses can be of value and are prepared to continue them. All that we need is experience and an idea of the subjects local farmers want covered.

The specialist staff of the Alberta Department of Agriculture will give short courses in various phases of Field Crops to Livestock Production Agricul

## 16 Years Ago Today

SEPT. 16th, 1950

Miss Marjorie Anne Cody Wast became the bride of Mr. Kenneth Thos. Hoths on Wednesday evening in a double ring ceremony at the First United Church.

The Hillside Cafe formerly owned and operated by Mrs. Gilles and her daughter Darla, has been leased by Mrs. Hall Wilmot.

The weather has settled down very nicely and harvest is once more progressing rapidly. Considerable grain is coming in to the elevators and is grading No. 3 and 4 tough.

Mr. Martin McBride who celebrated his 79th birthday on Monday had sixteen friends and neighbors surprise him. Mrs. Hagland baked the birthday cake complete with 79 candles.

## 32 Years Ago Today

SEPT. 15th, 1934

Bill Barr, who farms a mile west of town, completed threshing on Saturday last. Wheat on his summerfallow graded No. 1 and averaged 33 bushels to the acre.

The annual teachers' convention of the Vermilion Inspectorate will be held Thursday and Friday Oct. 4 and 5.

The weather appeared to be settling for the first time in the past week at noon on Thursday last, cloudy weather with consistent drizzle or light rain has held up threshing. Snow fell on Thursday morning and 8 degrees of frost were registered Wednesday night.

PT classes under direction of P. J. Aly will recommence in the arena gym on Friday evening.

## 48 Years Ago Today

SEPT. 15th, 1918

The City Library was completely destroyed by fire this Thursday afternoon and Services lend of its own was evacuated before the two valuable stallions, one being the first prize Clydesdale at the Vermilion Fair last week, owned by Gerrie & Stead, and lived owned by Fred Keyes and the other owned by C. D. Jones.

The Hotelier, old timer of the Wetaskiwin district, is up from Hamilton on a business trip. He reports everything moving down as usual everyone working.

The weather has turned decidedly cool for this season of the year.

Remember on Monday vote for the hospital.

## Miss Canada Pageant Tea At Two Hills Sunday

On Sunday, September 18th, at 2:00 p.m. the preliminary judging of all contestants entered in the Miss Canada Contest for Northeastern Alberta will take place at the Two Hills High School Auditorium.

The Two Hills Lions Club's year long search for a girl to represent Northeastern Alberta at the Miss Canada Pageant in Toronto in November is quickly drawing to a close. Girls from all over the Franchise area, including Vermilion, will come to Two Hills on September 18 to compete in the semi-finals. Five of the very lovely and talented contestants will be chosen to compete at the Two Hills Miss Canada Pageant on October 7th at 8:00 p.m.

The lucky girl crowned at this glamorous occasion will be signed at a very reputable charm school, then fly directly to Toronto to become one of the 3 girls to represent Alberta at the National Finals. Attend the many prizes she will receive a complete wardrobe from Cherswell.

During the casual and relaxed atmosphere of a Sunday after noon tea, which is open to the public the contestants will be interviewed then will display their chosen talents. Judging will be done by a panel of very reputable professional judges from Edmonton and Lloydminster. And master of ceremonies will be none other than the very talented Tony Blazowski of CFRN Radio.

## Princess Anne W. I.

On August 18th the Princess Anne W.I. met at the home of Mrs. Hamel. There were ten members present and one visitor, Mrs. Anderson.

After the crowd was repaired Mrs. Mead read the minutes of last meeting and treasurer's report was given by Mrs. O. Stronse in Mrs. Stewart's absence.

Mrs. M. Simonet gave the fun shine report on cards and gifts to hospital. Roll call was answered with "A Garden Flower". There were pretty and well arranged, proving we have some hidden talent in our group.

All tickets were turned in for the quilt and Mrs Anderson drew the lucky ticket.

**Three Couples Farewelled by A.F. & A.M. and O.E.S,**

Members of Vermilion Lodge A.F. & A.M. and Queen Esther Chapter O.E.S. gathered in the Masonic Temple on Friday evening to bid farewell to Bros. departing couples, Mr. and Mrs. Ken Greenwood, Mr. and Mrs. Jim Horricks and Mr. and Mrs. Robert Allan. Worshipful Master Jack Kreutz (left) made the Lawson presentations to Worshipful Bro. Ken Greenwood, Bro. Bob Allan and Worshipful Bro. Jim Horricks.

Worthy Matron Ruth Haverstock on behalf of the Queen Esther Chapter, made presentations to Sisters Doris Greenwood and Irene Horricks.

MR. AND MRS. JOHN A. HOLLEY
—Photo by Wenders of Photocraft

# LOCAL NEWS

John and Marguerite Webb are pleased to announce that a new daughter has been added to the home. Her name is Frieda Cross-foot and she is 14 years old and in grade 8 at school. She has come to us through the Indian Student Placement Programme of the Church. She will be with us until June 30 when she will return to her natural parents in Gleichen, Alberta for 2 months. Her father is Cecil Crowfoot, son of Joe Crowfoot, chief of the Blackfoot tribe at Gleichen

Rod Wasylishen spent the past ten days at the home of his parents. He returned recently from Norman Wells, N.W.T. where he was employed by the Imperial Oil Co. as a unit operator during the summer months. Rod has now returned to the University of Waterloo for his third year in Honor Chemistry.

Mr. and Mrs. George Mac-Dougall of Cold Lake spent the past week visiting the latter's parents, Mr. and Mrs. Charlie Moore. Ellen and George have just returned from a very enjoyable holiday spent in B.C. and points in the U. S. While in Oliver they visited Mr and Mrs. Robert Allan and found them well and comfortably settled in their lovely home.

Miss Donna Lee Webb, daughter of Mr. and Mrs. John Webb, travelled by car and then chartered bus from Edmonton to Youth Conference of The Church of Jesus Christ of Latter-Day Saints (Mormon) held at the University Campus in Calgary on the Labor Day week-end. Over 800 youth from the ages of 16 to 26 from Saskatchewan and Alberta gathered there to participate in a wholesome holiday of fun, music and spiritual and moral needs of youth. They also participated in sport and other recreation. Donna Lee and her companions returned with very enjoyable and rewarding trip.

Emerson and Herb Simmons returned Saturday after spending seventeen days at Seattle visiting Mrs. James Goodbey. While there they attended a three-level building 35 feet wide and sixty feet long, 12 feet high, using over 800 1 inch by 6 inch bolts. The crops they say are similar to those around here and harvesting is just ninety under-way.

Mr and Mrs. Stan Manyluk drove to Edmonton Tuesday of last week to take their daughter Marilyn to the University Hospital where she will enter the School of Nursing and commence her training course

Mr and Mrs. John Fecenko and children of Drumheller spent the Labor Day week-end visiting the family at Vermilion. John reports fabulous crops in that area.

Mr and Mrs. Bill Sutherland returned home recently after enjoying three weeks vacation at Verdun. They were visited their son-in law and daughter Mr. and Mrs. Don Lemieki and three boys

Mrs. Annie Cameron leaves this Thursday for Ottawa, Ont. where she will spend a month at the home of her son Rev and family. While in the east she will visit cousins in Quebec

Robert Wasylishen left for Edmonton recently. He will attend the University of Toronto this fall, where he will study for a Bachelor degree in Petroleum Technology.

Mr. and Mrs. Ronnie Bushell of Edmonton spent Tuesday in Vermilion, renewing acquaintances in their old home town

Gib Brimacombe drops the Standard a line to say that he is now teaching in the new Harry Airley composite high school on the south side in Edmonton

Mr and Mrs. Norman Emsland of Penticton, B.C. have returned home after visiting at the home of Mrs. Emsland's parents Mr and Mrs. Jim Hobden in Vermilion and other relatives in the district.

A Want Ad in the Standard only costs you 10c. Try one!

## Holley-Johnson Nuptials Performed in Edmonton

A quiet wedding was performed at ten o'clock in the morning on August 27th at the home of the bride's parents, Mr. and Mrs. Earl Johnson, Edmonton, and formerly of Vermilion, when their youngest daughter Linda became the bride of Mr. John "Sandy" A. Holley, son of Mr. and Mrs. John E. Holley of Vermilion. The double-ring ceremony was performed by Magistrate Colbourn of the Provincial Court.

For her wedding the bride wore a white, street-length gown of rose bengaline, featuring lily-point sleeves and a shoulder panel over train of self material. Her bouffant shoulder-length veil of scalloped illusion was held in place by a crown of daisy white roses. She wore white satin slippers and carried a bouquet of red roses with white satin streamers and red rosebuds.

Her only attendant was Miss Lorna Johnson of Edmonton, as bridesmaid, who wore a street-length dress of turquoise sheer and carried a bouquet of yellow roses.

Attending the groom as best man was Mr. Clifford Frank, of Viner, Alberta.

For her daughter's wedding, Mrs. Johnson chose a two-piece navy suit of double knit, with white accessories. The groom's mother wore a pink brocade suit, and both wore pink roses on corsage.

The wedding breakfast was served at the parental home. A reception was held during the afternoon, with open house from four to seven o'clock in the evening.

Among the two hundred relatives and friends who attended were residents of Vermilion, Mr. and Mrs. Hugh Stewart, Mr. and Mrs. Clarence Lywons and family, Mr. and Mrs. R. Thompson, Mr. and Mrs. Fred Attfield, Mr. and Mrs. L. Wilson and family, Mr and Mrs. Russell Gerster, Mr. and Mrs. Russell Gerster, Mr. and Mrs. John Wilhite and Colleen, Mr. and Mrs. J. Shewart and family Other out-of-town guests were from Mannville, Elk Point, Lindbergh, Tweedsmuir, Innisfail, Red Deer, Brosseau, Lamont, Grassy Forks, Star, Calmar, and Toronto. It was a pink affair.

STORY BOOM RANGED?

The editor wished to pay a tribute to Mr. and Mrs. Simmons Skinned for the fine vegetable garden and flower gardens they have and it was pardons at their home Gardiner. However everyone A picture showed the couple in knew of Mr and Mrs. Skinner, as the flower garden, but the wrong at least 25 people pointed out name appeared under it and they the error to the editor

### Beth Chesterton Free Ireland

Mrs. C. J. McCormack has just returned from an extended trip to the British Isles. She was accompanied on the trip by her daughter, Mrs. Irene King, of Wainwright. The journey was by Jet of Wain-Air. While in Ireland they were guests of Dr and Mrs. Kevin Barrett and also Dr. and Mrs. Jeffery Bourke. The doctors are both former staff members of the Minburn Vernil on Health Unit here, and send greetings to all who remember of them while they were residents in Vermilion.

Sandra Gould daughter of Mr and Mrs. Frank Gould, is working in the General Hospital in Fort McMurray. Sandra graduated as a nursing aide in Calgary on July 29, and worked in Drumheller prior to going to Fort McMurray.

Mr. and Mrs R A. Bosman of Placentia, Calif., who have been visiting in Vermilion for the past three weeks with Maurice and Betty Stephens, left on Monday to return home. During their stay they had a trip to Banff, Lake Louise and Jasper in Edmonton they were guests of Mr and Mrs. J. R. Beale

Mrs. Christine Morrison and Mr. John MacMillan spent the week-end at Red Deer visiting Mrs. Morrison's son, Malcolm Morrison. While there Mrs. Morrison also visited Mr. John MacDonald, an old friend of the family.

Miss Alma Cameron and Mrs. Frances Harvie of Streamstown returned Sunday night from a very enjoyable three week holiday spent visiting with relatives and friends at Calgary, Sidney and Vancouver While in Vancouver they were guests at the homes of their nieces, Mr. and Mrs. Lionel Foley (Doreen Cameron) and Mr. and Mrs. Keith Graves (June Cameron) Perfect weather was enjoyed during all of the holiday

Ralph McDonald, who has been working for the Hudson's Bay Co. at Port Resolution, N.W.T. since December, is now home with his parents Mr. and Mrs. Ward McDonald. He is planning to attend the YAVC this fall.

### CARD OF THANKS

I wish to thank the Vermilion Rotary Club for the lovely basket of gladioli received last week

Mrs. Margaret Hodgson

### CARD OF THANKS

I would like to extend my sincere thanks to Mr and Mrs John Stewart and the staff of Crain's Department Store for the lovely party and gift given to me prior to my departure for Edmonton It was a great pleasure working with all of you

Robert Wasylishen

### CARD OF THANKS

We wish to express our sincere thanks to Dr. Bryan of Dr. Hospital staff, Rev. Ford, friends, neighbours and many friends for cards, flowers, messages and kindnesses shown in our recent bereavement in our loved one.

Mr. Mrs. Blake and family

### CARD OF THANKS

We take this means of expressing our thanks and appreciation to all those who sent cards, flowers, donations and friends during the illness and passing of our dear husband, father, Thomas Lloyd

Mrs. Thomas Lloyd
Mr. and Mrs. Marshall

who passed away Sept 6 1962
The blow fell from the shock
Its pain will never cease
For those we loved and lost
Are always with us
In memory we hold them dear
Forever remembered by
Mother and Linda

## Young Couple Honored at Shower

A miscellaneous shower was held in the Buffalo Coulee School auditorium on Saturday, Sept. 3 in honor of Mr. and Mrs. Bob Cameron. Following a few games Mr. and Mrs. J. Cameron, parents of the groom, were seated with the guests of honor. A delicious lunch was then served by the Heatherbell Ladies' Group.

On behalf of those present, Beryl Duncan expressed the best wishes to the young couple. A bride's cage with a credit manager's wicker was used to bring in the gifts.

Both Bob and Eleanor greatly thanked those present for the lovely evening and the many gifts.

## Baby Sitting Course Offered By I.O.D.E.

The Fort Lake Chapter of the I.O.D.E. is sponsoring a course for baby-sitters. This course is open to Vermilion and district girls and boys ages 12 and up.

Qualified instructors will be teaching Pre for the three day course in Vermilion. An exam will be given at the conclusion of the instructions and students will be given a card to show parents when applying for work. Students may enroll by telephoning 853-3940 or on the first night, Oct. 3 and place to be announced.

Miss Evelyn Pool, daughter of Mr and Mrs Wilbur Pool, having completed her nursing course at the University Hospital is at present at home with her parents She will commence duty at the Mannville Hospital in October. Until then she will work part time in the Vermilion Hospital.

Alex Kueber, formerly of Macleod's staff here and more recently of Regina, has recently been appointed manager of Macleod's store at Humboldt, Sask.

## BOWTELL BULLETIN

Vernon Payne spent a few days in Edmonton recently visiting his sister and family, Mr. and Mrs. Sayna.

Mrs. Swanson from B.C. and Mrs. Mayers visited Thursday afternoon at the home of their cousin Nora Sherwood.

Your writer enjoyed a visit with Grandma Repp, Mrs. Lawdie, Mrs. Pullen and Mrs. Connor of Saskatoon at the home of Mr. and Mrs. J. Repp.

Mr. Tom Kibblewhite is the driver of the Bowtell school bus. School beginners are William Walker and Larry Morrison.

Mrs. Lee and Greg and Francen Sherwood journeyed to Edmonton on Sept. 6th to take in the Frontier Arabian horse show.

Congratulations go to Mr. and Mrs. Allan Coutts were married on Sept 3th.

Grandma Liddale left Saturday for a visit to Edmonton and Rochester.

At time of writing the district is enjoying wonderful harvest weather The farm folk are working early and late to get in the good crop

## Clandonald News

Nothing was made in vain but the fly came near it

Congratulations to Mr. and Mrs. Tommy O'Rourke who were married in Trail, B.C. on Sept 10th.

Constable Joe Leslie of the R.C.M.P. — Williams Lake, B.C. spent two weeks holidaying at his parental home here.

**TRIP TO AUSTRALIA**

Marie Campbell and a girl friend from Edmonton left recently for Australia. They expect to be on the boat about three weeks.

**RESIDENTS ON MOVE**

We were sorry to lose Mr and Mrs. Steve Melnick and children. They moved the week-end of the third to Wainwright. Their store has been employed for several months.

We are also sorry to have lost the Sutherland family. Norman is employed in Lloydminster but they are making their home in Kitscoty.

A cordial welcome is extended to Mr and Mrs. Art and children from Jamaica. They rent the house Mr. Art Bowcott is living. Mr. Amos is teaching at the Separate School.

**CPR AGENT MOVED**

Another family we were sorry to lose are Mr and Mrs Tony Boongosbey and three daughters. They were transferred from the CPR station here to Glenbow. They enjoyed leaf from Blackfalds to here ten months.

Mr. and Mrs. Tony Churchum of Edmonton were recent visitors of Mr and Mrs. Matt Bukowski.

Mr Tony Conroy of Grand Centre spent the long week-end at the Mark Conroy home. Also holidaying here from Saskatoon is Mrs. Conroy, Sr.

Mrs Paddy Lee has returned to the home of her daughter Mrs Charlton and family in Edmonton.

Mr and Mrs Matt Kada motored to Regina a couple of weeks ago to attend the Golden Wedding anniversary of Matt's eldest sister and husband. They were accompanied from Saskatoon by Mrs. George Mandel who spent a few days with her sister Mrs. Stanley.

Friends here will be pleased to hear Angus Macdonald, now of Vermilion, is a nurse in training at Vegreville. Her brother Randolph is employed there with Canadian Utilities.

Mr and Mrs. Jim Stanley of Edmonton and Mrs. Vivee Barnby Worsley visited the latter's sister and brother in law Mr and Mrs. Ernie Stanley, over the week-end.

**SMILE**

My grandfather used to tell the story on himself of arriving home from town one day all out of breath. His mother asked him what was the matter and he replied "I ran all the way — a thousand days were chasing me."

A thousand days Grandpa?" Well, five hundred Mother. "There was that mad bull in the village."

Well" he said finally, "four and another day."

Nowadays whenever a member of the family is out of breath, they say "Four days and another day."

# THE VERMILION STANDARD

Page 1—Section 2 Vermilion, Alberta, Thursday, September 15th, 1966.

Mr. and Mrs. Fred Stewart, mentors with the 21 Vermilion students who were the travel exchange group going to Montreal, were guests at the Rotary dinner when Mr Stewart touched on the program and gave a general outline of the activities in Montreal. Despite the fact that they were in charge of 34 high-spirited young people, Mr Stewart stated that "we had no problems what soever going, while there, or coming home."

Shown in the picture from the right are Mr. Harry Sherk, Mrs. Fred Stewart Mr Stewart and Dr. Bob Anderson. Dr. Anderson was chairman and Mr. Sherk a member of the Rotary committee in charge of the local Youth Travel Exchange pl...

## Rotarians Farewell Ken Greenwood

Ken Greenwood, left, was farewelled at the Rotary Club meeting last week by Reg Mitchell, right on behalf of the Club past tribute to Ken who has been a keen and enthusiastic member and an efficient and hard working secretary. Ken was presented with a handsome desk set suitably inscribed as a farewell gift

Ken was a member of the Vermilion Rotary Club for nine years and seven months, and during all that time had perfect attendance never having missed a meeting. He also filled the office of secretary for the last six years. Ken now moves to Red Deer where he has accepted a position with the Montana Mustard Seed Co.

## Canadian Standard For Car Tires

The Hon. Gordon Taylor, Alberta Minister of Highways, has announced that a Canadian standard will be established for automobile tires.

"The Canadian Standards Association has advised me that a committee is being set up immediately to establish this standard and for auto tires, and I am delighted with this decision as we have been making representations along this line for several months," the Minister said.

"The Americans are establishing a standard, and if one was not established in Canada, it could mean the dumping of inferior tires on the Canadian market this would be deplorable, and establishing a standard now, this can be prevented," Mr Taylor said.

"I am also very pleased that the Canadian Standards Association has asked the Alberta Government to name a member to the committee, and we have named Mr L. G. Bussard, B.Sc. P. Eng. Highway and Shop Equipment Director of the Department of Highways."

## Pioneer Laid To Rest At Paradise Valley

WILLIAM ARCHIBALD GUNN

On August 12th the Paradise Valley district was saddened to learn that Mr. Wm. Archibald Gunn had passed away in Kindersley Hospital after a long illness. Mr. Gunn had served the community as an enlisting postmaster and storekeeper for many years.

He was born on Sept. 9, 1893 in Limerick, Pictou County, Nova Scotia, and came to the Paradise Valley district in 1909. In 1911 the Paradise Valley post office was opened on the Gunn farm on Oct. 1, 1914 Bill married Effie Victoria Holmstrom. They had two daughters, Mrs. D. Dobson (Ardis) and Mrs. W. McGrath (Shirley), three grandchildren, two grandsons and one great granddaughter.

Memorial services were held in the Community Hall on Aug. 16 with the Rev D Paterson officiating. Mr. J. Sirrett played the organ. The hymns sung were "Nearer My God To Thee" and "Abide With Me". Interment took place in the Orville Cemetery.

Honorary pallbearers were Arthur Amundrud, Arnold Noble, Stuart Robinson, Minot McLeod, Olaf Rorinng, Frank McLeod and Fred Sutton.

Active pallbearers were George Gay, Jack Gallacher, Joe McAmmond, Tucker Hanson, Les Hodgate and Lewis Shaw.

The many floral tributes and donations in various worthy causes testified to the high esteem in which Mr Gunn was held in the community.

### CARD OF THANKS

We wish to express our sincere thanks to relatives and friends for the many acts of kindness, cards, letters, flowers, baking, and donations in lieu of flowers, during our recent bereavement in the loss of our loved one.

Mrs. Effie Gunn, Ardis, Shirley and families

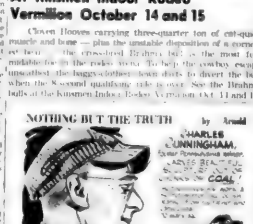
### CARD OF THANKS

We wish to take this opportunity to thank Dr G. L. Clarke and staff of the Lloydminster Hospital for their kindness and care to Mr W Gunn while he was a patient there. Thanks to all friends and relatives for the flowers, letters, cards and for all help so kindly given at this time.

Mrs. Effie Gunn, Ardis and family, Shirley and family

## At Kinsmen Indoor Rodeo Vermilion October 14 and 15

Clown Hooves carrying three-quarter ton of cut-quick pundit and bone — plus the unstable condition of owner's feet. The crosseyed Brahma bull is the most formidable foe in the rodeo world. To help the cowboy escape unscathed there are huge cotton-bean shots to divert the bull when the Kosmic Kowboy unskillfully rides to ruin. See the Brahma bulls at the Kinsmen Indoor Rodeo Vermilion Oct 14 and 15



## Funeral Service For Geo. H. Ronaghan

A resident of Creston since 1944, George Henry Ronaghan passed away in the Kimberley District Hospital on August 30th, 1966 at the age of 72 years and eight months after a lengthy illness.

The late Mr. Ronaghan was born in Stockport, England on December 14th, 1893 and at the age of three his parents emigrated from England to the U.S. to Lewiston, Idaho.

His father farmed on Craig Mountain, and operated a saw mill at Winchester, Idaho. They came to Canada in 1905 and homesteaded near Islay.

On April 12th, 1920 Mr Ronaghan was married at Vermilion Alberta. He and Mrs Ronaghan farmed in the homestead in the Islay district until moving to Creston at Alt. c. Spring in 1944 purchasing property from Mr Gus Constable. The remained there until 1948 when they moved into Creston to take an employment with the school district. He drove a school bus and fired the boilers at the schools in Creston until 1963 when he retired.

Mr Ronaghan had been an honorary life member of Union No 435 and secretary of the local union all the while at school. He greatly enjoyed fishing and hunting. He was a member of the Anglican Church.

Mr Ronaghan was predeceased by two brothers, Arthur of Islay in 1948, and Albert of Cloverdale in 1964. Surviving are his widow Gulda in Creston; three sons Chilvis of Slave Lake, Alta., Roy of Kamloops, B.C., Roland of Red Deer, Alta. three daughters, Mrs. R. Georgina Cameron of Kimberley, Mrs. G. (Shirley) Bellamy of Crows, B.C., Mrs. W. Maxine Laubaese of Creston, and seventeen grandchildren. Two sisters survive Mrs Annie Lacey of Vancouver and Mrs. Emma Trimble of Stockton, Calif.

Funeral services were held on Saturday Aug 13th at 2 p.m. from the Oliver Funeral Home with the Rev D Holt officiating. Interment followed in the Forest Lawn Cemetery.

Active pallbearers were Messrs. Ron Gilmore, Gary Burch, Eddie Langlands, Bob Marshall, Lee McKernan and Perry Robinson, all of Creston

## General Group Meeting Of Marwayne U.C.W.

The general group meeting of the Marwayne U.C.W. was held on Wednesday, August 24th at the home of Mrs. Harold Taylor. The devotional period was conducted by Mrs. Taylor and Mrs. Olive.

Minutes of the last meeting were read and adopted.

It was reported by the treasurer that the quilt raffle had realized $... and that the ... had been cleared. This completed the ... work which the group had undertaken for the kitchen. The ... were grateful to the ... for contributing so generously ... the ... and to those ... who ... their ... for the ...

## Knull-McCrae Wedding Rites At United Church

On Saturday, July 23 a pretty summer wedding was solemnized at the First United Church, Vermilion, when Marjorie Anne, eldest daughter of Mr. and Mrs. Stanley McCrae became the bride of Donald Arthur, eldest son of Mr. and Mrs. Arthur Knull of Lodor, Alberta. The Rev. Carlton Miller performed the double ring ceremony before an altar banked with baskets of gladioli and mums.

Entering the church on the arm of her father the bride looked radiant in a floor-length sheath gown of white lace, appliqued with white chantilly lace. From the fitted bodice flowed a train of the same material. Her chapel - length veil was held in place by a tiny pearl and crystal crown. She carried a bouquet of white feathered carnations and fern, centred with a mauve and white orchid and white satin streamers. Her only jewelry was a sterling engraved bracelet, a gift of the groom.

The bridal attendants were Marie and Joyce McCrae, sisters of the bride. They were all attired in identical floor-length sheath dresses of turquoise crepe organza with a sheer mandarin and Empire waistline trimmed in white daisies and seed pearls. Their headpieces were flowers of the same material.

The groom was attended by his brother Garry Knull and a friend, Doug Schoening of Wetaskiwin. The ushers were John Knull, cousin of the groom, and John Charchun. During the signing of the register Mr. Harvey Ritter of Edmonton sang "Thou This House".

For her daughter's wedding Mrs. McCrae chose a turquoise crepe dress with matching hat and a corsage of white feather carnations. The groom's mother chose a floral crepe dress with white accessories and a corsage of white feather carnations.

Following the ceremony a reception was held at the Elks Hall for two hundred guests. The bride's table was centred with a four-tier wedding cake embedded in baby's breath and banked by candles. Mr. Wilfred Etherington, uncle of the bride, was toastmaster and Mr. Doug Schoening was master of ceremonies.

Several telegrams were read. Mrs. Bill Robinson, cousin of the bride, was in charge of the guest book. A dance followed the reception in honor of the bride and couple.

For a honeymoon trip to Las Vegas and Los Angeles, the bride donned a two-piece fashion knit suit in a coral tone with white accessories.

Out-of-town guests were from Edmonton, Wetaskiwin, Lodor, Cloverdale, North Surrey, Trail, B.C., Windsor, Ont., Iron Creek, Man., and Fort Saskatchewan.

The happy couple are now settled in their new home at Lloydminster.

See what you buy — before you buy — by shopping the advertising columns of your hometown newspaper.

## U.C.W. Meet At Auburndale

The third quarterly meeting of the U.C.W. was held at the Auburndale United Church on September 7th. In the evening Mr. Lloyd Everett was the organist while Mrs. Gilbert Hartless led the worship service based on the scripture John 15 12 to 17. This was a memorial service for two who answered the call of God and followed by the meditation "Brotherhood of the Races" read by Mrs. Albert Orland which closely related to the slides shown by the Willoughby unit. The slides and comments were provided by Mrs. Freeman of Whitney and dealt with the topic "Conflict of Cultures." With a great depth of understanding and sympathy they showed the plight of Canada's Indian population. Although the filming was centered on the reserve near MacGregor Manitoba the situation is still applicable to much of our Alberta Indian population. It was pointed out that the crucial issue of the white man cannot be forced upon the Indian, as there still remains differences in cultural patterns, dress and language. The question raised then was "And Who Is My Neighbour?" Which should come first if we are to help them evangelization, education or civilization? What is our responsibility to these people? A thought-provoking mission study for the ladies present.

Should any group be interested in obtaining these slides and commentary for others, they may contact Mrs. Freeman, 710 Dorchester Avenue, Winnipeg Manitoba. Mrs. Freeman has undertaken this service as an individual project to arouse interest and aid on the Indian's behalf. Charges for the slides are most reasonable.

The business meeting followed, chaired by Mrs. Henry Hauwiese, president. Several items of business were dealt with and donations made, amongst which were contributions to the Missionary and Maintenance Fund of the United Church, and to the Alberta Nurseries of Calgary, for church vacation school projects at Morley Reserve, Morley, Alberta.

After adjournment a delicious lunch was served by the Autumn Leaf unit.

## At Kinsmen Indoor Rodeo Vermilion October 14 and 15

The classic event "Saddle Bronc" can be termed pure poetry in motion to the learned eye — when a champion pits his strength and ability against that of an equine champion possessing equal strength and ability. See the Saddle Bronc event at the Kinsmen Indoor Rodeo at Vermilion, October 14 and 15.

## JOHN VERNON STARS AS A FIGHTING CORONER

Dr. Steve Wojeck becomes involved in private and public crimes against humanity in the new CBC-TV series, Wojeck, commencing Tuesday, September 13.

# David took 17 years of love from his parents, first class honours from his school and $8,000 from your pockets.

**Then he left.**

**David left for good.**

Brilliant high school student dies in car crash and the headlines. All that love, all that brilliance, all that money, all gone for nothing.

Automobile accidents kill more young Canadians than anything. More than disease; more than all other accidents put together.

It costs some $8,000 in tax money just to prepare a student for university. A Thorough high school driver training program costs $40 per student, and takes 30 hours of instruction. Small costs against the losses.

The automobile insurance industry promotes young driver training. Scientific text books and free instruction are given to high school teachers. They in turn teach the students.

The industry also awards cash discounts on auto insurance premiums to students who pass the course.

Driver training isn't a fad. School boards with experience know it's a proven method of reducing accidents. Urge and back high school driver training in your community.

Keep the Danes safe on

## CHEVROLET ANNOUNCES SPORTY NEW MODEL

1967 CAMARO

The brand new Chevrolet Camaro, available as a two-door sport coupe or two-door convertible combines the dash and power of a competitive racer with the comfort and luxury of a four passenger car. A wide variety of distinctive appearance and equipment options permit "personalizing" to the most individual taste — such as the RS 327 option which creates the super Sport Coupe (above), a performance machine combining distinguishing appearance with an exclusive Turbo Fire 350-cu. in., 295 hp. V-8 engine with four-barrel carburetion and heavy duty chassis components. A choice of five power plants, ranging from a 140-hp. Six to the 295-hp. V-8, is available with Camaro. Camaro also incorporates a number of outstanding new safety features standard on all 1967 Chevrolets, such as the GM-developed energy absorbing steering column which telescopes up to 4½ inches. The Camaro's sweeping styling reflects the all-new look apparent throughout the regular 1967 Chevrolet line which, with seventeen models in five series, offers a diversity of models never before achieved in the automobile industry.

MR. AND MRS. LOWRY GERALD KENT

- Photo by Wonders of Photocraft

## Kent-Hancock Nuptials At First United Church

First United Church, Vermilion was the scene of a pretty wedding on July 9th, when Margaret Olive, eldest daughter of Mr and Mrs. W. T. Hancock of Vermilion became the bride of Lowry Gerald son of Mr and Mrs. G. R. Kent of Marwayne. The Rev. D. Richardson performed the ceremony. The wedding music was played by Mr. J. Brown, and Mr. and Mrs. A. Boggs very graciously sang "The Wedding Prayer"

The bride, given in marriage by her father, chose a floor length cordon satin gown in sheath style with empire waist trimmed with French imported lace and lily point sleeves. The dress was accented by a matching three yard train trimmed with imported French lace. A head piece of white roses held the bride's four tiered fingertip veil in place

She carried a bouquet of red roses centered with ivy from only jewelry was a cultured pearl necklace, a gift from the groom

Miss Phyllis Kent, sister-in-law of the bride was maid of honor and Miss Marilyn Hancock only sister was bridesmaid. They were identical floor length empire waist gowns, of cream spray green organza trimmed with matching lace. They wore headpieces of the same material as the dresses in pill box style. Dean and Debbie Kent nephew and niece of the groom acted as flower bearers. Debbie wore a floor length dress of the same style as the bridesmaids in green with white eyelet over the bodice. The attendants carried bouquets of gladioli in shades of pink.

The groom was attended by Ian Ostarlo.

Mr. Jim McLachlan and Mr Bob McKerlichan sang a duet "Because" Johnston. Allen Midgley and Art Kent.

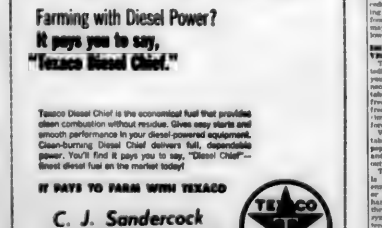
For her daughter's wedding Mrs Hancock chose a two-piece dress of pure linen with matching jacket Her accessories were white and a corsage of pink roses completed her ensemble. The mother of the groom, Mrs. Kent wore a navy suit with white accessories and pink roses for corsage.

Following the ceremony a reception was held in the church hall for some one hundred guests. The head table was centered by a three-tiered wedding cake made by the bride's mother and flanked by candles. The tables were decorated with carnations.

Mr Dave Laycock was master of ceremonies and called on Mr. Dave Marsh, a friend of the groom to propose the toast to the bride, to which the groom very ably responded Miss Janice Mary, cousin of the bride was in charge of the guest book, Miss Edith Georgia sang two beautiful numbers.

The bride's going away outfit was a dress of navy sheer crepe covered by an empire waist or jacket, with navy and daughter of brown, pink, yellow mauve and white carnation and white pumps and gloves which matched the dress.

Out of town guests attending the wedding were from Lamont, Calgary Mayerthorpe, Edmonton, Dewberry Torrington, Saskatoon, Kitscoty, Paperton, Manville, Nanaimo, B.C. White Rock, B.C. Barnsley, B.C., and Hamilton Ontario.



THE Homemaker

MISS E. MARION BLAINE
Wainwright — Phone 842-3484
Vermilion — Phone [illegible]

I think it's not human nature for people to look forward to short cuts while performing really tasks. Little do they realize that sometimes in the long run they may be harmful. What I am referring to specifically is freezing procedures With the busy housewife serving season here and freezing of foods being so popular you too may be tempted to go at the following questions

DO YOU NEED TO BLANCH VEGETABLES?

To most of us this is a rather tedious procedure and although you have considered it it is really necessary However, if vegetables are to retain their pleasing fresh qualities in colour and flavour they must be blanched (immersed in boiling water) before being frozen.

WHY? Practically every vegetable with the exception of green peppers loses its color, texture and fresh flavor if frozen without blanching

The main reason for blanching is that it stops or slows down enzyme action This is the eating or ripening stage following harvesting and can continue right through frozen storage It is an enzyme action which causes some tender peas and corn to become starchy and tasteless if allowed to mature too long

RAPID COOLING

This step is important to prevent overcooking during the blanching process. You want to blanch vegetables just long enough to stop enzyme action. Use a timer for the blanching time. follow recommendations for the correct times and stop the cooking by plunging the vegetables in ice water For the same reason, keep your blanching and cooling in small quantities as they both return to the boil and cool as quickly as possible.

CAN YOU FREEZE FOODS?

This is a common question that bothers many homemakers. Unlike canning, freezing does not kill the organisms which cause food spoilage It does, however lower the temperature to a point where these organisms become dormant and do not reproduce Once food is thawed, those organisms become active again, and begin to multiply rapidly

If food has not been completely thawed and ice crystals remain, it can safely be refrozen If it has been completely thawed, it is unfair to refreeze the food and freeze it as a cooked product.

FREEZER STORAGE

Many people get a good frozen product and then ruin it by overcooking Remember blanching has partly cooked vegetables, already and cooking time may be cut so much as now third.

Vegetables should be cooked until just tender crisp Drop the frozen vegetables into boiling water and use your timer Enjoy the finished product!

## Health Unit Notes

TEETHING

Occasionally children are born with a tooth or two but this is not too common, occurring only once in 2000 births. Teeth in the newborn are loose at first but become firm if left in. At times they cause an ulcer on the baby's tongue when sucking, but as they are loose and bend in the gum they are unlikely to hurt the nursing baby. Teeth born with the baby appear yellow in color because of deficiency of enamel and they also wear down more quickly than other teeth. They should, however, be left in as removal may be accompanied by considerable hemorrhage and removal may lead to malformation of subsequent teeth.

The more usual time for eruption of teeth is from 4 to 6 months and after this there is a steady period of teething which lasts up till about the age of 2 to 2½ years by which time permanent dentition is usually complete. It has been said that teething produces nothing but teeth. There is a great deal of truth in this, although it is not quite true The baby may produce a lot of saliva and dribble excessively. He also puts his hand in his mouth very often. There is a great deal of crying. Hard items of food may be refused and sometimes sore gums lead to the refusal of almost everything. Strangely enough sometimes the baby may refuse to sit on the pot at the time.

Many mothers still believe that teething causes bronchitis, diarrhoea, a rash, convulsions and

## Mannville Locals

Mr and Mrs. Tom Rostron are back following a three-month tour of the Old Country. They had to complete their journey by bus due to the rail strike

Mr. and Mrs. Don Rill have taken up residence in the Schumacher home in Mannville

Mr Bruce MacIlraith and his mother are welcomed as residents of Mannville. Bruce is the new National Grain Co. agent here, succeeding Doug Otis who has reached his retirement qualifications. The MacIlraiths are living in the Jenner Freed-foot home.

Mrs. Pekkyvee and Crest have returned residing in the former Hughes home for sometime.

If you're in your forties or fifties this message is addressed to you. It isn't too much to say lifestyle and prospects for a great deal of you could depend on what you do about your health in the next few years. Your health problems are complex and unique, and no single prescription distributed to you by the Canadian Medical Association could "Return to Later Years" you. Only your doctor can. Consult him regularly.

## Centennial Report

1867 1967 by JOHN W. FISHER CENTENNIAL COMMISSIONER

What inspires me most, of all Centennial plans and projects, is the fresh, enthusiastic approach of many individual Canadians to our 100th anniversary of Confederation.

At the Centennial Commission we receive hundreds of letters from individuals or families asking for no praise or assistance, merely telling us about their place to celebrate the Centennial and offering genuine expressions of their own pride in Canada's usefulness.

It is unfortunate that we cannot do much about the pessimists — the knockers and the doomers. In Canada they seem to get far too much publicity. I think we should try to turn our attention away from them as much as possible and join with those who have positive ideas about Canada's future and, for that matter, the welfare of all mankind.

It gives me a warm, happy feeling to think about the Gilchrist family from Callandar, Ontario for example, starting off on a world trip in a Model T Ford all decked out with Centennials crests and flags. Their destination was simply a desire to advertise Canada's Centennial. Mr Gilchrist who is travelling with his wife and daughter says "I spent six years fighting for Canada. Now I'm going to have advertising it"

We received a straightforward announcement in a letter from J Ward Lecaye of Dorval, Quebec describing his plan to travel from coast to coast during this and next summer

This summer Mr Lecaye, his mother, Mrs Irene Rupert, B.C., is sailing to Skagway, Alaska then driving down the Alaska High way and Mackenzie Highway southeast through the Yukon and Northwest Territories. Next summer he'll complete his Centennial trip with a tour of the Atlantic provinces.

These there are the two young Canadians. Mr. Lecaye, unlike other an immigrant, who together are encouraging Canada on a 20,000 mile backroads trip and writing about their experiences, impress us more and what they hear from other Canadians who are planning to celebrate Centennial.

One is Paul Page, 26, a former rock and painter who was born in Orillia and lives in Toronto. The other is Marc Chaumard, 27, who was born in Algeria and has been living in Montreal and Toronto since coming to Canada three years ago.

They first discussed the idea of a Centennial trip in Toronto where Paul, a graduate of the Ontario College of Art, has an art studio and where Marc has been working as a French instructor. They started out with a car and a tent and up to mid-summer, have covered Newfoundland, P.E.I. Nova Scotia and most of New Brunswick. The Ontario Wing-Command had invited Telegram in Toronto have been publishing writings and sketches they have made of during their travels. What pleases me most of all is that they are getting a stirring interest in the Centennial among all the people they meet

Without prodding by government agencies and without subsidies many Canadians are making a great contribution to the Centennial celebrations already It is their kind of enthusiasm that will make 1967 a success. It is people like the, who will make the future of Confederation a success too

## News from Allandale District

Weather is somewhat disagreeable for harvesting

Visitors at the home of Mr and Mrs. Woody Wilson over the week-end of Aug 20th were Mary's parents Mr. and Mrs Henry Martens of Chilliwack, B.C. and Mrs. and Mrs. John Pfeuls and daughter from Rabbit Lake, Sask. The best week and Mrs. Woody Wilson and sons Randy and Kevin visited her parents Mr. and Mrs. Lumley from Rabbit Lake.

We are sorry we missed seeing Jamieson McKay of Toronto, son of Rev. and Mrs. Chalmers McKay. He came to Calgary to visit his grandparents and to attend the rodeo. Unfortunately he arrived at the home of Mrs Mabel Lee in town and enjoyed supper there. Later at the home of Mr and Mrs. William Armstrong their daughters, Mrs. Myrtle Armstrong from Fort Saskatchewan and Mrs. Janet Ellsworth were home for the week-end. Mrs. Lurline Hobbis, Mr and Mrs. John Arnold, Mrs. Donnie Bell-Irwin and daughter Alana all called in the evening and video about Mrs Ruth Dunsmore who is again employed at the University of Calgary and commencing her duties there Sept 6th.

Mr. and Mrs. Wilfred Hedgie Nelson and son Leslie visited their daughter Anna and Peter Jarosh and family at Rossy Centre.

Mrs Flint Nelson, Mrs. Stella Mayers and Mrs Ellen Omieza accompanied Mrs. [illegible] to Vermilion and Marwayne on Sept 7th to attend the C.W.W. rally. The program was interesting and the delicious lunch was served and a social time was enjoyed

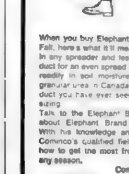
On Sept. 8th Mr and Mrs Duncan Hamilton of Vernon, B.C., cousins of the McPhee's, were visiting at the homes of Herb McPhee and Mrs. Stella Mayers. They were staying at the home of John and Edna David in town.

Closing thought: "Speak kind words and you will hear kind echoes."

The Golden Age Friendship Club will hold a potluck supper in the Legion Hall on Wednesday Sept. 21st commencing at 6:30 p.m. Members be sure to bring food for the supper.

YOUR FAMILY HISTORY

Family histories should be addressed as follows: "Flattery", Box 462, Vermilion. 10-13



CENTENNIAL GIFT. The Hon. Judy LaMarsh, Secretary of State of Canada, presents Centennial medallion to Mrs. Ruth Hancock of American Airlines, at Toronto luncheon marking 15th anniversary of Canadian operations of American Airlines' Flagship Canada. Mrs. Hancock is seven-foot-high Holland Clock, an historical instrument used in the 18th century to survey the Canadian provinces. It was American Airlines' gift to the Canadian Centennial Commission. At the close of the Centennial, the clock will be conferred in the Canadian National Museum in Ottawa.

"This new Granular Urea by Elephant Brand is the greatest, best acting, best handling, best spreading, highest nitrogen granular fertilizer ever to hit the ground!"

"Yep. I bought some."

When you buy Elephant Brand Granular Urea this Fall, here's what it'll mean to you: bigger paycheck in any spreader and less handling; a uniform product for an even spread; a fertilizer which dissolves readily in soil moisture. Convince yourself. get the only granular urea in Canada and in a bag no other product you have ever seen for excellent quality and sizing

Talk to the Elephant Brand dealer in your area about Elephant Brand Granular Urea — 45 - N. With his knowledge and experience, backed by Cominco's complete field staff, he can show you how to get the most from your fertilizer dollar in any season.

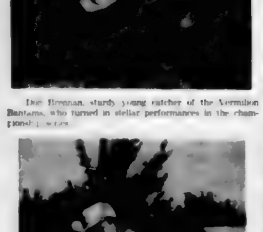
# Highlights of Sparkling Baseball Series Recalled

This group of members of the Vermilion Elks "Big Brother Bills" was taken at the first game of the Western Canada Bantam Baseball championship. The Elks sponsored the Bantam touchdowners and took a keen interest in their progress as well as supplying uniforms. Given assistance and encouragement. Pictured, from the left, are Elks, Joe Brower, Frank Welsh, Joe Winter who also managed the team, Len Jon and Jim Green.

Ron Jones, starting pitcher of the Bantams, who subdued the Manitoba Champions 2-1 in the first game of the Western Canada Championship series.



Dale Brennan, sturdy young catcher of the Vermilion Bantams, who turned in stellar performances in the championship series.

John Ganton Vermilion first baseman, had a wonderful day at bat. His single to the outfield in the first inning of the first game accounted for Vermilion's two runs. He also connected for a mighty triple in the 6th only to be left on third.

Joe Winter, third baseman, who in the first game made one of the sparkling plays when he made a running dive and speared a hot grounder and then threw his man out with a perfect peg to first. It too was a 3rd out with two men on the paths.

Carol Jones, running catch in deep left field for the third out—and two men on bases, was another of the game saving feature plays.

# Marwayne News

Sincere sympathy of the community is extended to two families in the loss of wife and mother after long illnesses, to Mr. Harry Hilleby and family in the death of Mrs. Hilleby at her home on Tuesday morning, August 30th. Funeral service was held in the Elks Hall with interment in the local cemetery. All of the family as well as other relatives were here. Mr and Mrs. Hilleby with their family came to the Silver Willow District many years ago and later moved to the Elgin District.

To Mr. A. Hollington now of Islay, Mr. and Mrs. Tom Burke and family and Mr. and Mrs. Chas Hollington and family in the death of Mrs Hollington in Vegas Hospital Saturday Sept. 10th. Funeral services were held in Irricana Anglican Church with interment in the cemetery there. Mr and Mrs. Hollington were very old timers of the Irricana district.

Mr. and Mrs. Demaschuk and family have moved into the Willis home near Mr Demaschuk has been barbering here for some time but lived in Dewberry.

Mr. and Mrs. H. Lado have bought the Allen Parker house and are now busy making alterations and repairs on it. Mr and Mrs. Lloyd Brown have bought the Blake house where Labors now live.

Mr. and Mrs. C. W. Harring ton are on a holiday trip to Edmonton, Calgary and Penticton They attended Diana Adamson's wedding in Edmonton on Saturday, August 10

Bill Brown who has been working in Regina for the summer, visited his aunt and uncle, Mr. and Mrs. V. C. Hines, this week. Bill plans to attend the University in Calgary this coming term.

This week will see many of our young folks off to University and Tech School. To date we have one new teacher on staff here, Miss Ruth Ellis from Birmingham, Eng. Another is expected about the first of October.

Congratulations and good wishes to Mr and Mrs Earl Gray on their silver wedding anniversary Sept 22nd.

Anniversary greetings also to Mr. and Mrs. Phil Miller this month.

Birthday greetings to September go to Mrs Haskell Tupper, Chance Curtis Mrs Anderson, Willow Mrs. Dos. B. A. Swanson, C. W. Harrington Art Hancock and Verne Hines.

A HEAVY STAND of a sloughgrass type of hay in the process of being cut following drainage and backflooding on a former 135-acre slough near Yorkton, Sask.

# SLOUGHS CAN BE PROFITABLE

A beautiful meadow and drainage project constructed across ... miles north ... of Yorkton, Sask., is proving the benefits that may be realized from the development of seemingly useless and annoying sloughs.

This project involves three farmers who shared a large slough covering 125 acres of land on which little or no production had been realized in 30 years. How could access of farm machinery into the area be gained, while at the same time making use of the water supply available? This was the problem to be solved.

To make the land accessible to farm machinery, and make production possible, a drainage ditch and dyke system with a total length of 7,700 feet was constructed by use of a dragline. This provided access to the area and permitted hay production. Then by the simple and relatively inexpensive installation of a control gate and culvert, it was possible to backflood the area when the weather or natural conditions dictated. This ... when relatives and ... Mr and Mrs Jim ... gathered ... to help them ... 25th ... Mrs. White ... was ... was lovely ... two piece ... Pink ... ing Mrs. Hubbard ... White were with ... At a time ... 5:30 p.m. the newlyweds danced ... the candles ... of the anniversary ... White ... Many lovely ... were received by the happy two more ... The evening was ... with friends in games.

# 75 Mannville Children Attend Vacation School

MANNVILLE — The McQueen United Church was the scene of youthful security and thoughtful leadership from Aug. 15 to 19 while Vacation Church School was again in operation.

More interest was created in the study of God's Creation, by the presence of live creatures and expeditions along streets and in nooks to gardens. Games and useful crafts added to the busy morning activities. Seventy five small children registered, ages from 4 to thirteen were enrolled.

Excellent leadership was given by the kindergarten by Mrs. J. Smith, Mrs. T. Mol, Mrs. M. Bernstad, Mrs. P. Hamilton, Pamela Young, Mrs. Walter Ayers, Mrs. Thomas Beaver. Assistants to the Vacation Church School by Mrs. J. Reid, Mrs. S. Miller, Mrs. J. Porter, Miss Ingersoll, Church Wagon.

Mrs. W. R. Ross and Phyllis Pitt were in charge of the junior class. Linda Stevenson was the organist and assisted Phyllis Miller as pianist, assistant to the director, Miss Ruth Gray. Host was again in operation.

Mrs. W. McCauley, Mrs. D. Mc Fadden and Mrs. J. Pettinger. The mothers generously donated expeditions along streets and in nooks to gardens. Games and useful crafts added to the busy morn ing activities. Seventy five small children registered, ages from 4 to thirteen were enrolled.

Excellent leadership was given by the kindergarten by Mrs. J. Smith, Mrs. T. Mol, Mrs. M. Bernstad, Mrs. P. Hamilton, Pamela Young, Mrs. Walter Ayers, Mrs. Thomas Beaver. Assistants to the Vacation Church School by Mrs. J. Reid, Mrs. S. Miller, Mrs. J. Porter, Miss Ingersoll, Church Wagon.

About 15 parents and friends attended the closing service and display of work. A staff of women was served by the World Council of Christian Education to provide Bible study for less fortunate boys and girls in other countries.

## Friends Honor Retiring Couple On Anniversary

Thirty guests attended an afternoon tea in honour of Mr. and Mrs. Michael Pus at their home.

This was a surprise because they their fortieth wedding anniversary on the 7th of May. Pus immigrated from the C.N.R. after thirty-eight years of faithful service.

Special guests included their son Steve of Regina, their daughter Joan of Vancouver, Mrs. Pus' sister, Mrs. Anne Mountain, from Cleveland, Ohio.

The party which was a real surprise for the couple was organized by Mrs. Ernie Schwarz, Mrs. Ben Pirth. Mr. and Mrs. Nick Klutz and Mrs. Ray Jaroch.

Mr. Ben Pirth was the capable master of ceremonies, while Mr. Carl Bluck, the local veteran, presented Mr. Pus with a set of pipes on behalf of the C.N.R. management. He also read two letters of appreciation for the occasion, from the vice-president of the western region, Mr. Gendron, and the district general manager, Mr. Bloomfield.

The honored couple were the recipients of a lovely kitchenette suite from the assembled guests.

Mr. and Mrs. Pus have resided in Vermilion for the past thirty-two years. Friends hope he continue to live here for the present.

## SUNDAY AT THE ALLIANCE CHAPEL

Pastor J. H Bell spoke in both sections at the Alliance Chapel Sunday Sept 11th. His sermon titles were "What's a Nice Person" and "What the Bible says About Trouble". In the morning service Mr. and Mrs. Bill Beattie, and Norman Bakes were welcomed into the church membership, in this the pastor was assisted by the Rev. and Mrs. Chapel Mr. Albert Trost and Mr A Mix.

Special music was by Russell Kage and Jim Towell Jr. the Misses Bette Lee and Sandra Bell favored with a vocal duet. The singing was accompanied by Mrs J. N. Bell and Ken Towell at the piano and organ.

In the Sunday school session, Superintendent Albert Towell made a presentation, on behalf of the school, to Gary Tidabury who is leave and attend the U of A

A baptismal service was announced for the evening service, Sunday Sept 18th.

Visitors in the services were Miss Sue Ellen Clendenning and Roger Statz Red Deer visiting in the home of her parents, Mr. and Mrs F Clendenning.

## News from ISLAY

Mr. and Mrs. Walt McCutcheon had their cousins Mr. and Mrs Mary Hewing from Calgary the holiday weekend.

Weekend Tim Shaw is home for the holidays with a friend Jim Hess attending a sparkling new sedanet car.

Trail Transport is working for Carlsberg. The new service building is situated across the road from the former place.

Congratulations to Mr. and Mrs Art Crawford as they have just welcomed their chosen son. Named Arthur Vincent, said.

School opened Thursday with almost a full house. Mr. Hewing is teaching the room with 16 of them in grade 1. as dull moments there.

The hamlet is looking forward to three new houses this next few months.

Miss Jeanne Alley left for mention by plane for Fort McMurray where she is a nursing sister. Miss Alley is a

WHY NOT TRY A WANT AD?

## Mannville Locals

Duck season opened last Friday morning with an increased hunting fee of $6.50.

Home students from Mannville High are being loaned from bus to attend the Vocational School at Vegreville.

Harvest is in progress in this district and needless to say all are enjoying the current good weather.

Mrs. M. Booth has accepted the position of hospital accountant for Mannville Municipal Hospital.

Mrs. Koch is presently employed by J. Pevsaner.

Several new teachers are now employed at Mannville schools and more news of them will be published at a later date.

Mrs. George Young has returned from a much enjoyed trip to Eastern Canada where she visited with her son Dale and family. The return trip was by plane.

Mrs. Connie Balding is nursing at the Mannville Hospital. Her children are visiting with her parents, Mr. and Mrs. Alf Gerhart here.

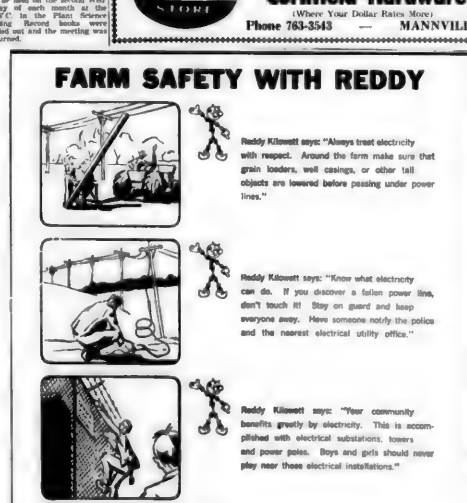
## Vermilion-Mannville 4-H Dairy Club News

The Vermilion - Mannville 4-H Dairy Club held its re-organization meeting on September 7th at the D.A. office in Vermilion. Twelve members were present and new officers were elected. They are as follows: President Sharon Clarke, Vice President, Ken Cornish; Secretary Darlene Clarke Treasurer Bruce Dixon, and News Reporter, Karin Stephenson. Junior Leaders appointed were Karin Stephenson, Harvey Haines and Bruce Dixon. Senior Leaders are Fred Haines, Fred Leversedge and J. E. Carnish.

Barbara Reichford and Patsy Arnold were appointed to meet with the President to plan the coming year's program.

It was agreed that the meetings be held on the second Wednesday of each month at the V.A.V.C. in the Plant Science building. Record books were handed out and the meeting was adjourned.



**FARM SAFETY WITH REDDY**

Reddy Kilowatt says: "Always treat electricity with respect. Around the farm make sure that grain loaders, well casings, or other tall objects are lowered before passing under power lines."

Reddy Kilowatt says: "Know what electricity can do. If you discover a fallen power line, don't touch it! Stay on guard and keep everyone away. Have someone notify the police and the nearest electrical utility office."

Reddy Kilowatt says: "Your community benefits greatly by electricity. This is accomplished with electrical substations, towers and power poles. Boys and girls should never play near these electrical installations."

Reddy Kilowatt says: "Electricity travels from farm to farm providing everyone with the benefits of modern living. Insulators on power poles play an important part in the transmission of electricity. Shooting at insulators can cause serious damage."

## Standard Ranks High In Newspaper Competitions

The Vermilion Standard ranks among the best of the weekly newspapers of Alberta in the 2,000 to 3,000 circulation class, and last week at the convention of the Alberta Weekly Newspapers Association, held in Calgary won second place in two competitions.

**SECOND IN BEST ALL-'ROUND NEWSPAPER**

The Standard was adjudged second in the best all round newspaper in the 2,000 to 3,000 circulation class, being nearly tied on by a new neighbor, the St. Paul Journal.

**SECOND FOR BEST FRONT PAGE**

Second prize for the best front page in the same class was also awarded to the Standard, with first prize again going to the St. Paul Journal. Running third in the two competitions was the Vulcan Advocate and the High River Times.

**GIVE $100 DONATION**

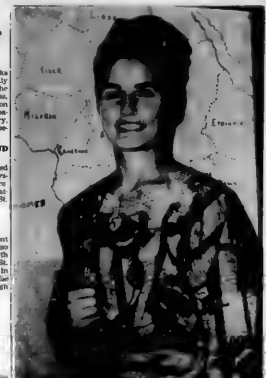
The lady members of their term in June donating $100 to the recreation centre to help buy amusement for our young boys playing ball and hockey.

## Tigers To Hold Bingo Sept. 30th

Vermilion Tigers will hold a bingo on Friday, Sept. 30th at the Vermilion Stadium. The top prize is $500 and there are nine additional valuable prizes including a radio, bicycle, vacuum, 303 rifle, luggage, camper or hard, cedar chest, floor polisher, 12-ga. shotgun. Prizes are on display at Manning's.

Master cards are $2, additional cards $1 each.

All proceeds are in aid of the Tigers Hockey Club. The attendance at this bingo will give the Tigers a financial boost to start the new season.



MISS ISABELLE JONES OF DEWEZERY

## "Operations Crossroads Africa" Heard at Rotary

Members of the Vermilion Rotary Club enjoyed a delightful speaker on Friday last when Miss Isabelle Jones of Dewberry, fourth year education student at the University of Alberta, explained "Operations Crossroads Africa".

Miss Jones has just returned from spending ten weeks in the country of Dahomey in Africa. She was a member of "Operation Crossroads Africa", one of three young people selected from the Edmonton area, and one of thirty from all of Canada to work in west Africa.

Selections are made on such considerations as scholastic achievement, leadership ability, experience in group relationship and interest in African affairs.

Miss Jones' talk was illustrated with many slides taken of the young students at work in Dahomey. It was further enhanced by the fact that she was attired in the native dress of the Dahomey women, quite attractive and very practical.

"Operation Crossroads Africa" takes about 335 North American undergraduates and young professionals to Africa each summer. They live and labor in work camp situations with African students and residents of underdeveloped areas.

Work projects building schools, hospitals, etc. most vital local needs. But Crossroads is primarily an experiment in communication. It brings Americans, Canadians and Africans together in close person-to-person relationship. As a private, voluntary effort, it achieves acceptance by many Africans who tend to suspect the motives of governments involved in foreign aid.

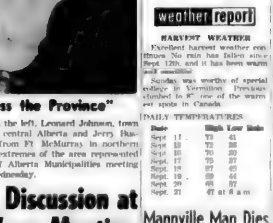
This year Crossroads has entered new areas of integration.

Recruiting doctors to serve at their own expense on a short-term, rotation basis in understaffed Kenyan hospitals supplying medical personnel to organize measles immunization projects in Nigeria and Kenya. Sending nutritionists in cooperation with the Meals for Millions Foundation to help Nigerians learn to use protein concentrates.

Bringing African youth leaders to North America to work in its campus community projects, etc "Crossroads in Reverse".

Each Crossroader undertakes to tell the story at least 50 times to church groups service clubs, university organizations, etc. within two years of his return home. This interpretation of African need and thought to Canadians is a vital part of a two-way mission. As a result from coast to coast funds have been established to aid African students and groups formed to study African affairs, support African projects or develop a direct relationship with an African church, school, hospital or village.

Miss Jones on animated and interesting speaker was introduced to Rev. Carlton Miller and thanked on behalf of the club by Gil Rampling.



"Hands Across the Province"

Three top delegates on the left, Leonard Johnson, town councillor from Innisfree in central Alberta, and Jerry Bacseres, secretary-treasurer from Ft McMurray, in northern Alberta represent the two extremes of the area represented at the District 5, Union of Alberta Municipalities meeting held in Vermilion last Wednesday.

## Interesting Discussion at Municipal Zone Meeting

A meeting of the Union of Alberta Municipalities District 5, attended by five local and a record of municipal officials, was held in the Elks Hall, Vermilion, on Wednesday Sept 14. Twenty-four mayors, councillors and secretary-treasurers were present.

D. R. Mitchell of Vermilion a director of District 5, Union of Alberta Municipalities, was the chairman at the opening session, with Mayor C. Hawkins welcoming a welcome on behalf of the town.

Resolutions submitted for discussion included air pollution, traffic by-laws the traffic act, policing, disposal of oil and bodies.

The new aerial program was outlined by Mr. Dale Joslin, Department of Welfare.

Officials were present all the way from Ft McMurray which were represented by Jerry F. Bussieres, the secretary treasurer to Bashaw with councillor Leonard Johnson in attendance from Innisfree, subdivision officer Ken Hall from Vegreville, and Mayor Ed Hawkins from Vermilion.

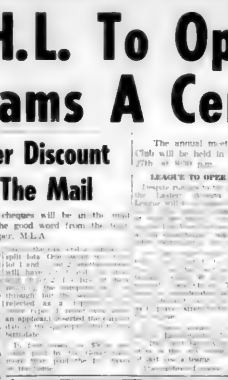
# E.A.H.L. To Operate; 5 Teams A Certainty

## Home Owner Discount Cheques in The Mail

Home owners discount cheques will be in the mail to taxpayers this week in the good word from the tax office and from Ashley Cooper, M.L.A.

The Town Office received a cheque from the Department of Municipal Affairs for $13,471.14 to be used in extending the first .20 discount until Sept. 30th. Payments will follow in the next month for 20 are about one third of the amount for the same period as last year.

Applications amount to approximately $130,000 have been received and sent back. Some have not been made out correctly.



## M.L.A. SPEAKS AT COMMONWEALTH GATHERING

Ashley Cooper, M.L.A and Mrs. Cooper were host table-guests at the dinner in Edmonton in honor of 125 members of Parliament of British Commonwealth Nations. These delegates came from all over the world and 250 delegates in all, are in Canada to attend a conference of the Commonwealth Parliamentary Association. This conference commenced in Ottawa on Monday and continues for two weeks. The delegates are being taken on a conducted tour of Canada prior to the opening of the conference.

As Deputy Speaker of the Alberta Legislature the Vermilion member was privileged to address the gathering in company with Acting Premier the Hon. Alfred Hooke the Hon. Mrs Ethel Wilson and the Hon. Arthur Fletcher M.L.A from Western Australia.

## A.T.A. Scholarship Won By Graduate Of Marwayne H. S.

The A.T.A. Scholarship of $1000 awarded annually to the Grade 12 graduate with the highest average in the County of Vermilion-Lloydminster has been won by a Marwayne student, Sharon Louise Beaumont. Her average on the six matriculation subjects written was Social Studies 80, English 81, Pure Mathematics 80, Applied Mathematics 80, French 80.

Sharon is the daughter of Mr. and Mrs. Ernest Beaumont of Marwayne. She graduated from Marwayne High School this year. She is now attending the University of Alberta in Edmonton.

## Showing Of New Fords Thursday, September 29

Plamboro, a this issue of the Standard has been in existence during the first showing of the new Ford cars and trucks. This is a typical

Actual unveiling of the

ing and attendance.

## C. of C. Members Guests At V.A.V.C. Dinner Last Week

Members of the Chamber of Commerce were invited by Principal Wm. Baranyk to hold the regular weekly dinner meeting in the elevated dining room at the Vermilion Agricultural and Vocational college, on Wednesday last

Guests for the occasion were Mr Stewart Graham Director of Extension and Colleges Alberta Department of Agriculture and Mr. J. E. Hawker Director of Agricultural Colleges.

Officials of the Department of Agriculture, newly transferred

**NEW AGENT FOR A.P. GRAIN**

Allan Armstrong, well known local man is the new grain buyer at the Alberta Pacific Grain Company succeeding Ken Grove. Allan was transferred to Vermilion from the elevator at Crossbank which is close to Fort Assiniboine.

Members of the Chamber of Commerce were invited by Principal Wm. Baranyk to hold the regular weekly dinner meeting in the elevated dining room at the Vermilion Agricultural and Vocational college, on Wednesday last

Guests for the occasion were Mr Stewart Graham Director of Extension and Colleges Alberta Department of Agriculture and Mr. J. E. Hawker Director of Agricultural Colleges.

Officials of the Department of Agriculture, newly transferred from Wainwright

Following a delicious dinner tours were conducted to the many new buildings on the college campus, to the livestock, while the new fire drill tower proved a point of interest as well.

Mr Bill Sutherland thanked Mr Baranyk and the staff of the College for the dinner and the courtesy extended to the Chamber of Commerce members

"All WITHOUT STRINGS"

## Professional Agriculturists Meet Canadian Indians

We all have a stake in the future of Indians. That this impression is gaining ground was evident at a meeting held at the Vermilion Agricultural and Vocational College.

Just what happens in the field of Indian education was outlined to the N.F. Branch of the Alberta Institute of Agriculturists (A.I.A.) by Mr Cliff Doxe, Fifty native children of the Saddle Lake Agency Reserve in the province are going to schools of various kinds and sticking with it.

It is very difficult to assess the problems of the Indians by the latter, to them what to do for Ralph Steinhauer and Mr. Tom Chagnon, enterprising farmers from the Saddle Lake Reserve, progressed this by saying that there are in great need of help

"Not without strings

"Many Indians do not own land, they cannot get Farm Improvement loans. Now they are looking to A.R.D.A. for aid in several phases of their lives, such as an ambitious cattle raising project.

Our A.I.A. branch president, Dr Ross Cairns, expressed the thankfulness of the members to help the Saddle Lake Indians if they should ask for it

# Display of Beauty at Marwayne Flower Show

The Annual Horticulture Show sponsored by the Marwayne F. W.I.'s, No. 716 was held Friday, August 19th in the Elks Hall.

The judges were P. D. Mc Calla, Provincial Horticulturist; W. Cody Asst's D.A. and Mr. A. Kier from V.A.V.C., Vermilion.

In spite of adverse weather conditions through the season, there was a large number of entries and most of them were superb. The Elds, were disappointing as it was a little early for them, but the dahlias were many and grand. There were no corn entries which is most unusual but the cabbage and cauliflower made up for this.

Exhibitors came from as far away as Vermilion, and spectators to the show cam. from all town's around.

The display by the Harrington Crew's Homes had a gr eat deal of ing appeal with its many kinds of plants and flowers.

A "Thank You" to the merchants and others who contributed in generousity of merchandise and money for the prizes. They were Lloyd Long, The Coop W. Curtis Mrs. John Doull Sr., John Doull Jr. Hancock and Ashworth, Harrington Crew's Home Horton Agency, Mac wayne Hotel C Mill, Perks and Spence, Roy Pinnent, A. Branson, Carl Tannas.

The ceramics, made and donated by Mrs. Effie Anderson, on which raffle tickets were sold, were won by Mrs. Jean Draker, Peace River (book ends) and Mrs. Dorothy Milne (the vases).

SPECIAL PRIZES

The special prizes were won by the following: The F.W.U.A. trophy for the most points was won by Mrs. Olive Kent. The runner up was Mrs. Geo. Connors. The most entries. Mrs. May Burke; Best flower of the show, Carnations, Mr. John Fry; Best vegetable, a cabbage, Mrs. Doris Hall; Best fruit, apples, Mrs. Olive Kent; Best house plant, Mrs. Collins Evill; Most points for sweet peas, Mrs. Irene Martin, Islay; Most points for Gladi. Mrs. Olive Kent; Most points for Dahlias, Mrs. Geo. Connors; Best table centre, Mrs. Geo. Connors; Biggest cabbage, Mrs. C. Engelwidt; Most points for vegetables Mrs Olive Kent

A special thank you goes to all the exhibitors, and all those who helped make the show a success. Each year we try to correct any mistakes we have seen and it is only by your honest criticisms that we can do this, so come to any member of this group with your [illegible]

MRS I. MAWDE BLAIRS Waiverley Apts. — Phone 853-3310 Vermilion — Phone 853-3503

The school bell tolls again and the lunch box brigade faces most homemakers for another season.

Take the time and forethought this term to plan a lunch that provides energy and alertness during the afternoon and one that brings you many compliments when your lunchees return home.

SANDWICHES

These are often dry and tasteless. Take time to grind or chop meats and mix with salad dressing. Also, be sure to season well. Lettuce will stay crisp in a moist wish if it is crisp to start with. For a change, try sliced cabbage. Don't skimp on the butter, and butter right to the edges This keeps moist fillings from soaking into the bread and making sandwiches soggy. Add good eating crunchy to the filling, as chopped celery or carrot, or pickles Cut sandwiches into interesting shapes for variety and a Fresh fruit or fresh vegetables are the easiest way of adding a pleasing touch — but be sure they are fresh.

FROZEN FOODS

Are the little extras that assure the lunch box comes home empty. A dill or sweet mixed pickle, carrot or turnip sticks, a hard cooked egg or a few potato chips.

EXTRAS

When baking, always make a few extra cookies for the lunch box. Puddings and jelly desserts are more easily carried if placed in paper cups before they are completely set, and it's the extras that make one look forward to the lunch hour.

FAIRMINDED

Poor packaging can dry out a good lunch. Make sure the wrap is well sealed. A colorful napkin, carrot or turnip sticks, a hard cooked egg or a few potato chips.

For further information write for these free bulletins: "The School Lunch Box" and "The Art of Sandwich Making".

# District Girls Win Scholarships

Beverly A Burk of Heinsburg has won a University of Alberta War Memorial Scholarship. She will commence her first year in University this month.

Sharon L. Beaumont of Marwayne won a City of Edmonton Matriculation Scholarship. Sharon enters her first year University this month.

CROWNED CHAMP SPUD

A potato grown in the garden at the farm of Mrs. Essie Gordon has been crowned heavyweight champion. It weighed in at 4 lbs. 6 ozs., the heaviest yet. It was a good sample — smooth, regular in shape, and solid.

# Family Gathering At Heinsburg Home

A family gathering took place on Sunday, Sept. 18th at the home of Mr. and Mrs. Floyd Bendtsen of Heinsburg. The special gathering was in honor of Floyd's sister and husband, Mr. and Mrs. Henry Otten of Sask. De. Wash, who were celebrating their 35th wedding anniversary.

Attending the celebration were Mr. and Mrs. T. Reeks of Vermilion; Mr. and Mrs. Henry Otten of Seattle; Mr. Herman Schmidt, the only daughter of Mr and Mrs. Otten, who came from California Mrs. Bert Parker, Grace and Jean of Kitscoty; Mr. Frank Bendtsen of Heinsburg; Mr. and Mrs. Alfred Fahrny of Lindberg; Mr. and Mrs. Albert Kraut of Stettler; Mr. and Mrs. Bill Evans and Bev of Vermilion and Miss Linda Evans of Edmonton; Mr. and Mrs. Floyd Bendtsen, Marilyn, George and Merle of Heinsburg. Mr. and Mrs. Russell Sutton, Herbert and Donna of Lashburn, Sask.; Mr. Herbert Sutton of Edmonton and Mr and Mrs. Gordon Palmer of Tim Point.

The 25th wedding anniversary table was overlaid with a beautiful three-tiered wedding cake, baked and decorated by Mrs. Russell Sutton, niece of Mrs. Otten.

Home movies were shown during the afternoon by Russell Sutton, nephew of Mrs. Otten, and those were enjoyed by all present.

All five sisters of Mrs. Otten were present at the anniversary, and two brothers. One brother, Roy Bendtsen of Penticton, B.C. was unable to attend.

Acting as M. of Mr. Frank Bendtsen presented the happy couple with a lovely set of dishes for eight. Mr. and Mrs. Otten both expressed their sincere thanks to everyone.

# LOCAL NEWS

Former high school teachers who were here to attend graduation on Friday last were Mr. and Mrs. Archie Hoadley and daughter Patricia. Margo was a graduand. They were guests of Mr. and Mrs. Alex Collins, while Patsy stayed with Janice Cooper. Miss Marjorie Rapp of Grande Prairie, who was a guest at the home of Mr. and Mrs. J. R. For every traffic death in Canada, there are thirty injured persons requiring hospitalization. Don't take chances behind the wheel — a moment's carelessness may result in lifelong crippling.

One female fly may be the founder of a family of 432,000 flies in a few weeks. This insect is a carrier of disease germs, through its contact with filth of all kinds. Keep flies out of your home away from food and far away from children's hands and faces.

# NEWS from MARWAYNE

**OLD TIMER PASSES ON**
It is with deep regret that we write of the passing of Mr. S. A. Berg on Saturday evening, Sept. 17th, in the University Hospital, Edmonton. Mr. Berg was one of the early storekeepers in our community, bringing his wife and family here from Saskatchewan. Sincere sympathy is extended to Mrs. Berg and the family

Mr and Mrs. Jack Swan have gone to Vancouver to spend the winter at the home of their daughter Ilene.

Mr. and Mrs. Terry Dow and two children of Victoria, B.C., have been visiting at the home of Terry's parents, Jr. and Mrs. H. E. Dow and other relatives.

**CONGRATULATIONS**
Congratulations and good wishes go to Mr and Mrs Donald Kidd, new Riley MacLeod, who were married in St. Andrew's United Church. Marwayne on Saturday, Sept. 17th. A reception and dance followed in the Elks Hall. They will make their home in Calgary.

Congratulations also to Mr and Mrs. Bobbie Miles on the birth of a daughter, Gayle Marie on Sept. 7th.

Mr. and Mrs. John Doull Sr. have another great grandchild born to Dr. and Mrs. Gordon Hodgson, nee Jeannette Doull of Edmonton on Sept. 18th.

Mr. and Mrs. Vernie Quist and children of Edmonton were in town on the week-end and guests at the Kvill - MacLeod wedding. Also there were Mr. and Mrs. Arnold Kvill.

**SILVER WEDDING**
Open house Sunday, Sept. 18, at the home of Mr and Mrs. Alf Gray in honor of their silver wedding anniversary for loved a family dinner at the home of their daughter and son-in-law, Mr and Mrs Teddy Quist Kate's father. Mr Geo Gray of Calgary returned to the U.F. in Calgary.

Doreen Killam is enrolled for the November class at McTavish Business College Edmonton

Jean Culford and Margo Pedusky are attending Northern Alberta Institute of Technology for nursing.

Margie Hancock and Sandra Rooks are nurses in training at the Royal Alex and Patsy Wheat at the Misericordia hospital in Edmonton

Louise Prevholt is going to high school in Innisfree.

Rick Hutchinson is enrolled at the Montana State University in Bozeman. Mon We wish him all success in their new endeavors

**THE TEACHING STAFF**
On the teaching staff at the school of the present time are Mrs Carlson, Mrs Spence Mrs Muriel Hesack Mrs Ann Murray Mrs Alex Milne Mrs Rose Pfeil Mrs Mary Dale Mrs Mary Hughes Mrs Jack Hedington Mrs Vivian Wrightill, Mrs Sheila Quist, Mrs Barbara Ann Martin Tyner Miss Ruth Ellis Mr Sandy Mc Intyre Mr Jerry and Mr J Gardiner Mrs Isabel Quist is substituting for the teacher who will arrive in Oct

Mrs. Gray's two sisters; their bridesmaid and husband, Mr. and Mrs. Taylor from Winnipeg; their best man and wife, Mr and Mrs. Jim Murphy of Kimberley were all present. Many friends and neighbors called. They were presented with gifts and one of money from their many friends and relatives.

Congratulations go to Sharon Beaumont and Neil Wilcox for attaining honors standing in their grade twelve matriculation exams, to Glen Lorenz for honors in Grade Nine exams. Sharon also received a City of Edmonton scholarship of $200.00.

A note on what some of our Legion and Applejes of Sea-tarbe Braid. Complementing her gown was a long flowing train falling from a bow at the waist. Her shoulder-length veil was attached to a cluster of white flowers with crystal drops She carried a cascading bouquet of red roses and fern.

The bride's attendant was Mrs. Linda Walton nee Linda Smith as matron of honor and Bev Hesack and Terry Stewart were bridesmaids. All three attendants wore identical street length dresses of red crepe of garza over taffeta styled in Empire waistline and trains mounted with ruffles, matching the bride's They wore matching headpieces and white accessories and carried cascade bouquets of white mums and carnations

Attending the groom were his brother Norman Fawcett, John Fawcett and Ken Fawcett, all of Edmonton. Ushers were Charles Russell brother of the bride, Dwayne Fawcett, brother of the groom and George Jetsen.

For her daughter's wedding Mrs. Russell chose a dress of French blue crepe with matching lace top, beige accessories complemented with a corsage of Mary Hughes Mrs. Jack Hedington Mrs Vivian Wrightill, Mrs Sheila Quist, Mrs Barbara Ann Martin Tyner Miss Ruth Ellis Mr Sandy Mc Intyre Mr Jerry and Mr J Gardiner Mrs Isabel Quist is substituting for the teacher who will arrive in Oct

Following the cutting of the cake, congratulations were read by Mr. Vern Fawcett, brother of the groom, acting as master of ceremonies and Mr. Milton Fawcett who proposed the toast to the bride to which the groom fittingly responded.

Mr. Jack Barron was called upon to present a floral horseshoe for the bride a good luck charm sent by Mrs. Barron's aunt and uncle in Scotland. A telegram followed to the guests of the Melody Rhythm Boys orchestra

For their honeymoon to Banff, the Okanagan Washington and Idaho the bride chose a three piece navy and white navy and white accessories complemented with a corsage of white carnations.

The bride's table was centred by a four tier wedding cake embedded in white tulle and pink bouvardia. Flanked on either side by a trio of tall white candles.

Following the reception at the two hundred guests held in the Coral Banquet Room of the Macdonald Hotel Edmonton, the couple left on Mr Art Boggs to ask the wedding

The bride's table was centred by a four tier wedding cake embedded in white tulle and pink bouvardia. Flanked on either side by a trio of tall white candles.

Following the cutting of the cake, congratulations were read by Mr. Vern Fawcett, brother of the groom, acting as master of ceremonies and Mr. Milton Fawcett who proposed the toast to the bride to which the groom fittingly responded.

For their honeymoon to Banff, the Okanagan Washington and Idaho the bride chose a three piece navy and white navy and white accessories complemented with a corsage of white carnations.

# Judith Russell Married In Edmonton Ceremony

Metropolitan United Church, Edmonton, was the scene of a double-ring ceremony August 19 uniting Judith Olive May, daughter of Mr. and Mrs. Wm. Russell of Edmonton, formerly of Vermilion and Mr Russell Edward Fawcett, son of Mr and Mrs. Clarence Fawcett of Manyville

Rev. L. E. Smith performed the marriage ceremony.

The bride entered the church on the arm of her father wearing a floor-length gown of white Lagasse and Applejes of Sea-tarbe Braid. Complementing her gown was a long flowing train falling from a bow at the waist. Her shoulder-length veil was attached to a cluster of white flowers with crystal drops She carried a cascading bouquet of red roses and fern.

The bride's attendant was Mrs. Linda Walton nee Linda Smith as matron of honor and Bev Hesack and Terry Stewart were bridesmaids. All three attendants wore identical street length dresses of red crepe of garza over taffeta styled in Empire waistline and trains mounted with ruffles, matching the bride's They wore matching headpieces and white accessories and carried cascade bouquets of white mums and carnations

Attending the groom were his brother Norman Fawcett, John Fawcett and Ken Fawcett, all of Edmonton. Ushers were Charles Russell brother of the bride, Dwayne Fawcett, brother of the groom and George Jetsen.

## New Fire Drill Tower To Be Initiated Today

The new tower for fire train
ing and drill purposes on VAVC
land will be used for the first
time this week. The Alberta Fire
Training School, Part 3, is in
progress at the college. With
the completion of the drill tower
here the courses, 1, 2 and 3, can
all be given and taken at the
college in Vermilion. Previous
to Part 3 had to be held in Cal
gary due to that city having the
only tower for training purposes.

Attending the school this week
are the following fire officers:
Frank Rikard and Paul Pou
lin, St. Albert; Thomas Makey,
Edmonton; V. Nielson, Lloyd
Brookes, Daniel Lutz, Red Deer;

## Graduation and Award Night at St. Jerome's

Wednesday, September 14th proved to be a great day at St. Jerome's. The evening began with a most sumptuous banquet which was served in the gaily decorated Catholic Church basement, by the ladies of the Catholic Women's League. This banquet was to honour the graduating class of 1966. The graduates were Kathleen King, Rosemary Cardinal, Patricia O'Neil, Lorna Shongrunder, Elizabeth Chrisp, Joanne LeRossignol and Gerald Trojan.

It was unfortunate that Lorna, Joanne and Elizabeth could not be present at the banquet.

**PROGRAM OF TOASTS**

The chairman at the banquet was Laurens Rose, who per formed her task with great con fidence. After a toast to Her Majesty the Queen, Rosemary Cardinal pr posed a toast to the Parents, which was replied to by Mrs Chrisp. The toast to the Class Board was proposed by Patricia O'Neil and replied to by Mr. Herbert Kriffcer. King Trojan gave the Valedictory. This was followed by a toast to the teaching staff proposed by Gerald Trojan and replied to by Mr M Lynch.

**FR. GORMAN GUEST SPEAKER**

Mrs McGeachey then intr duced the guest speaker Rev Father Gorman Father Gorman gave a very inspiring address for which he was thanked by Mr. H Kriffcer on behalf of all present.

**AWARDS PROGRAM**

At 8:30 p.m. the programme shifted to the school auditorium, where the first item on the pro gram was the Principal's Report.

Mr A MacMillan the chair man of the School Board thank ed the Principal and staff for all they had done to make St. Je rome a success.

Mr. H Sverb the School Super intendent next addressed the gathering Mr Con Mirwaill thanked Mr Sverb for his wise words.

The guest of honor and speak er for the occasion was Mr J Berlando, A.T.A. Executive Se retary. He was introduced by Mr R Goss. Mr Berlando gave a most interesting talk on Cath olic Education, and encouraged the gathering to "Stand up and be a Catholic".

Mr. J Champion thanked Mr Berlando for an address that was not only of real value to the students, but to all present.

The many awards were then distributed and the evening end ed with a dance and lunch in the school auditorium which was decorated in fine taste.

**AWARDS PRESENTED**

Crests, awarded for having achieved a high standard in any of the following Interscholast activities: Athletics, Basketball or Curling.

Athletics. Kevin Gannon. Medal Winner, 1st Cross Country.

'THE TWO BEST BEERS IN THE HOUSE!'
Lethbridge Pilsner
Many people like the hearty taste of our own home-grown hops in Lethbridge Pilsner — a blend of barley malt from the best Canadian tradition. The brewmaster adds just the right element of whole green yeast rice to give a subtle "lager" to the choice barley. Lively bottled Lethbridge Pilsner, truly satisfying beer!
Lethbridge Pilsner
Two great brews from
BICKS' LETHBRIDGE BREWERY LTD.
Lethbridge Lager
Many prefer the mellow taste of the malt in bright and bracing Lethbridge lager beer — often called 'bridge. Here's a naturally aged, smooth lager brewed with a special yeast culture, then micro filtered for extra refreshing clarity and flavor. Bright, thirst-quenching lager beer at its best.... that's 'bridge!

## Vermilion Racers Annex Prizes At Lloydminster

Sunday, Sept. 11th saw six Vermilion cars racing at the Lloydminster jalopy track. As usual the boys managed to bring home a goodly share of the pri zes. An excellent crowd was on hand and the drivers gave them a good show.

Bill Hanna and Jack Hobbs both made two trips with the checked flag, while 20 also picked up one second and one third. Ken Lawrence proved to be Mr. Consistency as he finished second in no less than five races. Steve Lisdwig worked his way from last position to win one race, and Les Kohn picked up a third place finish. Ed Radosh was plagued with mechanical difficulties and never finished in the money, but he will be back outing see you out Monday, Oct. in there running again next 3rd at the Elks Hall, 8 p.m. 13-13 week.

The Lloydminster Offices of
Dr. PATRICK DALY
Eye Specialist
Will be Closed
SEPT. 20th to 26th
While the doctor is attending a Glaucoma Seminar at the University of California in San Francisco.

### Vermilion Rotary Club Far Ahead

The Vermilion Rotary Club, despite the holiday season, was away out in front in the inter club attendance Contest. Rotary Vermilion had an attendance for July of 97.18% — second in line but a long way behind was the city of Lloydminster with 88.28, followed by Stettler with 88.16.

### SUNDAY AT THE ALLIANCE CHAPEL

Pastor J. H. Bell spoke at serv ices in the Alliance Church, Sun day, Sept. 18th. His sermon titles were "What It Means To Be In Christ" and "Believer's Bap tism". He announced his resig nation from the local pulpit, to be effective on Sunday, Oct 16th. He has accepted a call to be pastor of the Alliance Church in Yarrow, B.C. In the morning service Pastor Bell dedicated 620 Centennial editions of the New Testament to be presented to pupils of Grade 5 in three local school divisions by the local mem bers of the Gideons.

In the evening service five can didates obeyed the command of Jesus and followed Him in the water of Baptism. They were Mrs. Bert Pischke, Janet Ann Hall Kay and Jim Towell and Norma Baldwin. Pastor Bell officiated assisted by Rev. Thiel of the Church.

Ushers were appointed by Mrs. Olson assisted by Mr. Albert Mc Arthur. Mrs. Ann Smith played the and organ accompaniment for the service. She also played for Mrs. Hall and Mr. Towell. Vocal solos were Mrs. Hall Sr. Easter Lily" Going but Not Gone" by Pastor Bell and Lonely Man" by Mrs. Wilfred McLennan hosts Mr. Ardison Graham were Albert Towell Mr. and Mrs. Albert Towell Mr. and Mrs. Jack Robinson and Jan ice Walsh. Mr. and Mrs. Graham Thompson Mr. and Mrs. Francis Richards San Leandro, Calif. visiting his broth er Mr. Stanley Richards.

### Archbishop Of Canterbury in City

On Thursday September 29th at 8:00 p.m. the Archbishop of Canterbury will conduct services at the Jubilee Auditorium in Edmonton.

Any persons desiring trans portation, or able to take passen gers to this service, please con tact E. Gem, T. Knight at the Pocket not later than Monday September 26th. 13-12

### Offer Alberta Farmers Bookkeeping Assistance

Alberta farmers are being of fered bargain - basement book keeping assistance in a setting proved service operated by the province's Department of Agri culture. Under the program, prompted by evidence that many of the province's farmers don't know enough about bookkeeping to properly appraise their opera tions farmers are invited to mail their receipts cheque stubs and do the details of their operation to the agriculture economics branch of the provincial government.

along with a token fee of $10 In return they receive A detailed summary evaluating report on their past year's operations in dicating just where and how they lost money, advice on how to improve their balance sheet and performance during the follow ing year Farmers also get a short mail course on bookkeep ing to encourage the farmer to do his own analytical studies in future.

**YOUTH ALLOWANCES**

Regular attendance at school is one of the conditions to get family allowances Throughout the first 16 years a total of $1200 will be paid to any child living in Canada who meets all the re quirements On reaching 16, and until their 18th birthday, children going to school or university are then eligible to receive the $10 youth allowance

### Top Beef Cattle Purchased at Vermilion Auction Mart

Sixty four head of top grade Hereford steers were purchased by Ken Watt and Archie McLean of the Vermilion Auction Mart last Tuesday This fine herd of Herefords was bred and raised by Eugene Ferris and son Gerald of Marsayne, well known pure bred Hereford cattle breeders. The cattle were shipped by Watt and McLean to Lloydminster. Men in the picture admiring the cattle are, from the left, Bob McIntyre Gerald Ferris, Wm. Stewart, George Cruthers, Art Brompton of Saskatoon, Ken Watt and Eugene Ferris.

## Family Farewelled By Derwent Residents

Mr and Mrs. Fred Hicks who will no longer be heard in Der have been residents of Derwent for many years, left Derwent last week by the Canadian and relatives on Friday August 12th in the near future. Fred had completed over twelve years as agent of the Alberta Government Tele phones and in consequence of the closing of that service in the ing transferred to Vegreville

Fred had been post office as well for the past many years as well as taking care the duties of the telegraphic office as agent after

Mr Clarence Allen was master of ceremonies during the evening as long as he could remember. Allen had always been a friend of the Hicks family, commencing when the Y. Fred and Mrs. Hicks were living in the manse on the main street. Mr. Allen recalled many humorous incidents of the days when Fred was a bachelor and Mrs. Hicks was living in Mrs. Hicks' home. Mr. Allen also recalled the days when Fred was the local telegraph operator and the many interesting messages that came over the wires.

The farewell party was made of the Derwent Community Hall on the evening of Aug 12th. Many friends and relatives of Mr. and Mrs. Hicks from the Canadian Nat ions were present to wish them well on the occasion of August

Derwent will indeed be lonely without Fred's genial Mrs. Hicks' hospitable ways. Mr. and Mrs. Stonehouse Mr and Mrs. Clyde Hicks Haven, La Rosiere, Mrs. Lotta Hopkins, Vermilion, Mrs. Jessie Bell and Estelle Strawbridge of Wainwright, Mr. and Mrs. Bert and Jeannette from Edmonton and Miss Judy Petrachuk of Myrnam.

A very touching and sad mo ment came when Fred was pre sented with a gift of money by the ladies of the Royal Purple lodge of which Mrs. Hicks is a member and Mrs. Nick Zalasky, president of the lodge, read the address and Irene Tessem and Fred Harry Wohlfarth. All interested per sons in the community are wel come to attend the open ing of the new Post Office at Derwent on Friday, Sept. 23rd. For further information please contact Mrs. Joyce Underdown, phone 853-4134. 13

## Active 4-H Worker is Dairy Specialist

Agriculture Minister Harry E. Strom has announced appointment of Edward J. Bratzer as dairy production specialist with the Animal Industry Branch.

Mr Bratzer succeeds A. A. Hughes who was promoted to supervisor of the Alberta Dairy Herd Improvement program.

Mr Bratzer was raised on a dairy farm at Beaverlodge and is a graduate of the Fairview Agricultural and Vocational College. He received his Bachelor of Science degree in agriculture from the University of Alberta in 1960 where he majored in dairy science and animal husbandry.

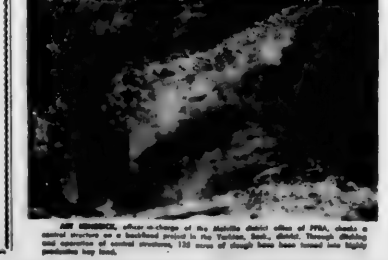
A member of the 4-H summer staff in 1961 and 1962 at Vermilion Mr Bratzer was a key representative with Federated Co-operatives Ltd. before joining the provincial agriculture department.

## Recreation Transferred To New Youth Dept.

The Honorable Ambrose Holowach, Provincial Secretary, has announced that certain divisions of the Recreation and Cultural Development branch of the Department of Education, Mr. H. A. Walters, Southern Area Consultant, and Mr. S. C. Moore, Northern Area Consultant. Some clerical staff will be affected also.

With the above changes, it is clear that the greater emphasis may be placed on programs for youth under the new Department of Youth, and more emphasis on the performing and expressive arts program may be effected by those sections of the Recreation and Cultural Development Branch remaining with the Department of the Provincial Secretary.

Newspapers call for conservation of natural resources. They talk to legislators, and take pen to the heart of a news story in the making.



ART HENDRICK, officer-in-charge of the Melville district office of PFRA, checks a control structure on a headland project in the Yarbon, Sask., district. Through building and operation of control structures, 132 acres of slough have been turned into highly productive hay land.

# "We Called Him Jim"

(By ALLEN BONAGHAN)

Plans for the observance of Canada's Centennial are reaching maturity. From coast to coast the stories of our nation's development are being told and our achievements suitably commemorated. And now, somewhere someone is preparing to tell the story of the lonely Chinese men who pioneered in hundreds of Canadian communities at a time when strict immigration laws made it difficult for them to come here and nearly impossible for them to bring wives and families.

How many communities knew a "Joe" or "John" or "Sam" who kept a cafe or did laundry?

Happy was the one who settled in a village or town where there was another Chinese to whom he could talk in his own language, or with whom he could play cards. More often he was the only one of his kind.

Jim Yen operated the Islay Cafe for many years. I don't know what part of China he came from. I don't know when he came to Islay, and I'm not sure when he left to risk his all in a final business gamble in Saskatchewan. Really, I am ashamed of how little I know about this man who was part of our community. I doubt if many knew his full name. At that time I, for one, didn't know enough to ask. We called him Jim.

My earliest memories of Jim involve ice cream. What a thrill it was to be taken into his cafe for ice cream and to sit on one of his tiny ice cream parlor chairs while you ate! Especially one in June, you loved that apple pie was his real specialty. Was there ever any lemon kind? You could watch him do his accounts on the abacus or listen to him chatter the pans in the kitchen, or marvel how anyone could read those Chinese characters in his newspaper.

Best of all was to ask for something not kept handy. A beckoning grunt from Jim and you were led into the basement or to the room upstairs. There were rubbers, all kinds of footwear, this year's styles or those of ten years ago. There were rose muzzles, work gloves, lamp wicks, lanterns, straw hats, felt boots — whatever odd and ends the seasonal work called for. Did he remember where it was? Of course he remembered. Did you want to find what you wanted"

For contrast, the display case just inside his front door always contained a very few pieces of china so fine that it would tinkle like a bell when struck with a fingernail. And at Easter time Jim gave flower bulbs to the house-wives in the same way that many businesses give calendars for Christmas.

How did he keep those patience pieces alive through our long Canadian winters, or the lushness which were like envy of many an indoor gardener" At the semi-end of the year who else could coax lush mauve stuff from the soil of his tiny back garden? Boards were laid neatly over rows to conserve moisture and give him a place to walk.

One day Jim took a friend and me into his kitchen to show us some photographs of Islay Hospital, taken and developed by himself. The job was professional and Jim was rightly proud, but I have to admit that I was astonished at this revelation of his pride in his own community and shocked at my own previous assumptions about his capacities and interests.

Well, Jim left Islay for another fling at the Canadian frontier, and the cafe stood empty for a number of years. When he came back to Islay he was coming home to die. I don't know where he was buried or whether his grave is marked, but this lonely Chinese has earned himself a place in the community's memories and in our country's roster of unsung heroes. For his epitaph I suggest simply . . . "We Called Him Jim"

## Fire Fighters Combat Muscular Dystrophy

Ted Dakins is typical of thousands of Canadian fire fighters who help combat muscular dystrophy not only by raising funds for research, but also by taking a personal interest in MD's young victims. One such victim, 12-year-old Kirk Clouthier, spends a happy morning with Ted on a tour of the local fire hall and forgets for a while that he lives under the shadow of muscular dystrophy.

## Dewberry News

Mr. and Mrs. Arley Trimmings of Calgary are visiting with Carol's parents, Mr. and Mrs. Joe Malnus.

Mr. and Mrs. Bob Rogstad, Lynn and Lee of Edmonton and Mrs. Norman Heinz, Gary and Robbie visited with Mr and Mrs. George Irwin on Sept. 11th.

Mr. and Mrs. Roy Rogstad and Rodney and Mrs. Wallace Norby of LaCross, Wisc. were guests of Mr and Mrs. Neal Jones.

Congratulations are extended to Mr. and Mrs. Lee on her 83rd birthday on Sept. 1st. A party in her honor was held at Mrs. Phyllis Pavera.

**RETURNS FROM MISSION**

Miss Isabelle Jones returned from her Crossroads Mission to Africa last week. She gave a talk and showed slides on her trip, to the UFW and the Lions Club.

**NEW TEACHERS**

A welcome is extended to Mr and Mrs Hadsar who have been married to Dewberry from Finland. Mr. Hadsar is on the teaching staff here. Other new comers are Mr. Gary Lorenz and Miss Judith Beaumont both of Vermilion. Gary was a former Dewberry individual for about 30 years.

**WATER POLLUTION**

Fresh water resources is now a subject of growing public concern, but water pollution appears to remain a matter of private responsibility. Water polluted by human and industrial sewage must be treated with chemicals or boiled if it dosbe as to the purity of your water supply. Don't ask your local or provincial public health department.

returned after three years' absence were the Dewberry staff.

Miss Isabelle Jones attended a Varsity Christian Fellowship Camp at Rocky Mountain House last week-end.

A shower was held in the community hall last Monday in honor of Miss Gloria Yschkiewich with about fifty ladies in attendance.

Congratulations are extended to Mr. and Mrs. Carl Johnson (nee Gloria Yschkiewich) who were married Sept. 17th.

It is a simple cost of having 1 ppm fluoride added to the water in a community water supply. Ask your local or provincial public health department.

POPULAR FAVORITE— BETTER THAN EVER!
1967 CHEVROLET IMPALA

The 1967 regular Chevrolet line, with 17 models in five series, offers a diversity of choice never before achieved in the automobile industry. The 1967 Chevrolets, wall-represented by the sleek Impala sports coupe (above), retain their luxury car proportions along with an elegant new look. Front fenders, hood, grille, lower body side panels, rear quarter and rear fenders all have new styling. Each new Chevrolet also offers new, rich, interior luxury with new trim styling, fabrics and colors. Significant new safety features, such as the GM-developed energy absorbing steering column which becomes standard on all models and many important chassis, and power train refinements will result in a smoother, quieter ride in 1967 Chevrolets. This year, Chevrolet offers a choice of 16 power teams, ranging from a 155-hp six to a 385-hp V-8.

## Health Unit Notes

**CANCER**

The word cancer often conjures up fears of pain and death more strongly than the facts would warrant. It is not unusual to be afraid of disease and it is reasonable to wish to delay death for as long as possible, so that it is easy to understand the basis from which such fears arise

Popular ideas frequently persist long after they have become outdated. A hundred years ago cancer was a disease for which little treatment was readily available even sixty years ago the outlook was hazardous At present much can be done to treat cancer and the earlier it is detected and treated the better is likely to be the result

It may not be generally known that deaths from cancer (cancer) grills are less than half those attributable to heart diseases. Leading chemists agree that most than twice as likely to die of heart disease than of cancer The risk of contracting the disease that is within the range of the layman's understanding can be controlled to a considerable extent by certain precautions. Recent increases in the longevity of certain groups of people are largely attributable to a reduction in the incidence of cancer.

However, apart from the possibility of contracting cancer what are the signs which would attract the attention of such detection and give the greatest likelihood of cure? Does visiting such signs is sufficient detail I will discuss them briefly. Detected most symptoms which should detect most cancers at their start. A less complete examination is frequently done by women which cover at checking for neck of the womb and the breasts. Any person who finds any unusual change in any part of the body should be examined as soon as possible. If this is not a malignancy early detection and treatment are of other serious disease

Chief among these signs are: 1. Unusual bleeding or discharge. 2. A change in the appearance of the breast (as shown by self examination). 3. Persistent hoarseness or a cough which does not disappear. 4. Persistent indigestion or difficulty in swallowing. 5. Any change of bladder or bowel habit. 6. Any hard lump or thickening in the breast or elsewhere. 7. Any sore that does not heal, especially in the mouth or on the skin. 8. Changes in a wart or mole.

The diagnosis of cancer is usually made by microscopic examination of tissue removed by biopsy. This is a minor surgical procedure in which a small piece of tissue is removed for examination.

Treatment of cancer is usually by surgery, radiation therapy or a combination of both. Surgery is the removal of the cancer by operation. Radiation therapy is the use of X-rays or radium to destroy cancer cells. Sometimes chemotherapy is used. This is the use of drugs to destroy cancer cells.

# Children's Evangelists Plan Week's Crusade in Vermilion

A week of children's meetings has been planned for this community with Mr and Mrs. H. E. Portman of Toronto as the children's evangelists. They will be the children as Aunt Vi and Uncle Bob, they have travelled across Canada and the United States with their car and trailer for fourteen years.

**ACTION MEETINGS**

There is never a dull moment in these meetings with the children. They are action meetings with much participation by the children themselves. For instance there is a real 18-piece bugle band, business is also taught in play.

On the closing night when the parents and friends are especially invited a short gospel message will render a special number. The Portmans always conclude the time of meeting. Were older Portmans will give description to portray Bible truths in a manner that will appeal to boys and girls. This is on purpose and has been successful as well as other lessons and many other things to keep the interest of boys and girls. The children learn many choruses from a large book which is well illustrated with pictures. Bible verses are also illustrated and taught.

Children of the various faiths are found in these rallies. There is no restraint in any activities.

Services are given a suitable souvenir at the end of the week. The children are not kept too long, as the program each day is set to run for approximately one hour and a quarter, for six days only, from Sept. 27th to Oct. 2.

Mr. Portman is a graduate of the Prairie Bible Institute, Three Hills, Alta. He has also taken further studies at the Bible Institute of Los Angeles, Calif. Both he and his wife are graduates of the International Child Evangelism Institute, formerly situated at Pacific Palisades, Calif. They have been engaged exclusively for the past 11 years in presenting Bible truths in a manner that appeals to boys and girls.

This is a special week in the Alliance Chapel for every boy and girl. Dad and Aunt Vi Portman will be the special weekend speakers. Each evening at 8:15 p.m. Saturday morning will also be held, at 10. Parents are invited to come with their children and to share in these good things.

Mr. and Mrs. Portman are "mobile". Children's evangelism with the Christian and Missionary Alliance, travelling over this continent from east to west and north to south every year conducting campaigns such as they will have here in the Alliance Chapel. The Portmans have sometime ago and a great number of enthusiastic boys and girls packed out the church building. Mr. and Mrs. Portman are known for their sound Bible teaching and the atmosphere way to which they "tune" their teaching to the age and understanding of the child. Their missionary emphasis is strong and sane and the bright, happy atmosphere reflects the true spirit of the Saviour they will seek to exalt. Sunday evening Oct. 2nd in the church service beginning at 7:30 the Portmans will and the children will put on a closing program to which all are cordially invited to attend.

# Clandonald News

Leslie Schuster of the city police force in Edmonton, was home for a holiday. He and his father motored to Stirone to visit relatives one week-end. Mr. Schuster accompanied her daughter Marlene, who was on holiday from the city to Kamloops and other points in B.C.

Two new babies arrived, one in the home of Mr. and Mrs. Joe Bardoul and one to Mr. and Mrs. Thomas Mahaffey, a welcome add to the great parents.

Neil McGregor, of Edmonton spent a few days visiting his parents, Mrs. Dan McMillan.

Richard Wilmot motored from Trail, B.C., to visit his sister Mrs. Pat McCormick and his uncle, Mrs. Rudyk. Rich works in the mine near Trail. His daughter, Kenny Saul, who took grades 1 and 2 here, is attending U.B.C. in Vancouver this year.

The writer was pleased to have Mrs. Brewer of Edmonton call at our office one afternoon. She is the former Peggy Elliott and lived in Clandonald a long time ago. She noted many changes "which made her feel old". However she was pleased to see their home town is now served by Farrell. Sorry! so well kept. She and her husband called on the former's brother Johnny Johnstone and wife.

The farm house formerly owned by Ed Toner, was bought last month down by Mr. and Mrs. Bill Thompson. The farm, situated directly south of town, is now owned by Mrs. Farrell.

Another house, which was formerly owned by Paddy Lee, has also been torn down and rebuilt on the acreage south of town belonging to Mr. and Mrs. Lawrence Wittaney.

The farmer Parbury has been recently here purchased by Mr. Stanley.

**STUDENTS OFF TO SCHOOL**

Teresa Lagoe and Lanette Lovell are taking a secretarial course at the Vermilion Agricultural and Vocational High. Pranees Garnier is taking her second year in secretarial. Shirley Dumeau, student nurse, is here for the summer, is in Edmonton working with the Extension Health Service in Edmonton. Also Proxybeen is attending U. of A. in Edmonton. Harry Lee is attending U.B.C. where he is leaving soon for Regina where they will commence RCMP training.

Friends were pleased to see

# Bethesda U.C.W.

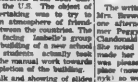
The September meeting of the United Church Women of Derwent was held with a goodly number of members present. A short business session was held during which the reading of the minutes of the last meeting and the giving of the treasurer's report.

The ladies of the district were invited to join with the U. C. W. members to hear a talk and view slides given by Miss Isabelle Jonas on her recent summer trip to Africa. She took part in "Operation Crossroads Africa" which was made up of groups of university students from both Canada and the U.S. The object of the undertaking was to help to create an atmosphere of friendliness between the countries. The project itself being a practical one the building of a new school and the students actually took part in the manual work towards the completion of the building.

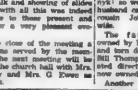
The talk and showing of slides dealing with all this was indeed enjoyable and interesting and made for a very pleasant evening.

At the close of the meeting a lunch was served by the members. The next meeting will be held in the church hall with Mrs. H. Aalry and Mrs. G. Dwee as hostesses.

# Centennial Report



1867 1967 by JOHN W. FISHER CENTENNIAL CONSULTANT

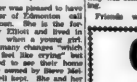


RCAF planes flying over Canada a isolated communities in the far north are going to be air-dropping some unusual cargo in the months ahead.

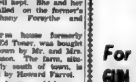
During the coming school year the planes will be making air drops of bright new medals-souvenirs of Canada's Centennial.

Is the medal worth the trouble? It's worth. Why air-drops? Well some of those communities are so isolated there simply is no other way for deliveries. To coincide with distribution of the medal items to the rest of Canada's school population in time for presentation in class rooms by June 1, 1967.

Six million of the Centennial medallions for school children are now being produced for the Centennial Commission by the Royal Canadian Mint at Ottawa. Each medallion, one inch and a quarter in diameter will be packaged in a special envelope bearing the Centennial symbol on the outside.



Obverse



Reverse

The first delivery of medallions from the mint will be a special one. 5,000 to the Centennial Commission at the end of September for the opening of the Centennial Train. The mint will make direct shipments to those areas and territories by April 1, 1967. Department of education will redistribute to all other schools for presentation toward the end of the school year.

For Indian children attending federal schools the mint will make direct shipments to those schools operated by the federal government. The Department of National Defence will distribute medallions to all Canadian service children at military bases overseas.

The medallion design, shown here was recommended this past spring by a special advisory committee to the Centennial Commission. The obverse of the design was made following a contest conducted last year among experienced Canadian designers. Winner of the Commission's award for the obverse side of the medallion was Thomas Shingler of Victoria, B.C., and for the reverse side Mrs. Dora de Pedery Hunt of Toronto, Canada.

The medallions will be of best sterling silver to all the new generation. Perhaps they will be treasured along from generation to generation of families and a century from now will appear again on the 200th anniversary of the birth.

# Mannville Sports Assoc. Reviews Year's Work

MANNVILLE. — At a recent meeting of the Mannville Sports Association it was revealed that a nice profit was realized at the Dominion Day Sports.

The Association wishes to say a sincere thank you to the committee and helpers who worked so diligently and much appreciation also is expressed to the patrons.

A bigger and better event is being planned for 1967.

## Former Mannville Man Promoted

Appointment of R. Blake Smith, 39, as Superintendent of Elevators (Western Division), Canadian Grains Group, Ltd., has been announced. With U.G.G. since 1957, Mr. Smith has served as a country agent, travelling supervisor, assistant, and manager, Edmonton Grain Division, before his appointment as divisional superintendent, Calgary, in 1963.

He succeeds Douglas J. Burch, of Calgary, who moves to Winnipeg as Associate Superintendent of Elevators (Eastern Div.). Mr. Burch joined U.G.G. in 1952 as agent at Innisfree, later moving at Mannville. He was manager at Edmonton for five years before moving to Calgary in 1961 and his subsequent appointment as superintendent of elevators.

## C. W. L. Meets At Mannville

MANNVILLE. — The September meeting of the St. Joseph's C.W.L. was held at the home of Mrs. Lillian Komenerey with 8 members and Fr. Keenan in attendance.

The usual business was dispensed with, and conveyers were heard from.

A card of thanks was received from Fr Ling for the spiritual bouquet sent to him by the members of this C W L. The Spiritual Discussion was led by the conveyer, Peggy Bader.

Lunch concluded the interesting evening.

# ISLAY Local News

Harvesting is in full swing and many acres have been combined. Fairly good yields are reported.

The Grandmothers' potluck dinner was held at Mrs. Potvin's last Thursday. Several ladies were present. Plans were also for harvesting last a very pleasant time was enjoyed by those present. They plan to meet at Mrs. Bower's in Islay on Thursday, Oct. 20th.

Mr. and Mrs. Clarence Flood are spending a week with Mandy's parents, Mr. and Mrs. Ed McFadyen. Last week with her grandparents during her father's illness. They return to Edmonton with her parents.

Father Hensel of Mayerthorpe who will have one week-end out long ago.

**SMILE**

Boys will be boys, but girls these days are rounding them in "clothes" around.

## Mannville Locals

**NOT RETIRING YET**

It seems the Mannville correspondent "jumped the gun" when she reported that Doug Otto was retiring from his duties at the National Grain elevator here. Doug is not retiring, he merely has an assistant due to his state of health at the present time.

**STUDENTS INITIATED**

The Grade 10 students were duly initiated on Sept. 15 with the usual hi-jinks taking place. These included rags and tatters for the boys and hobo garb for the girls.

Mr. and Mrs. Bert Rohleder of Lake Prairie were recent visitors in Mannville.

David McLaughlin has accepted a position in a Wetaskiwin school.

# Public Meeting To Plan Vermilion Centennial

## Graduates '66 Set Record

*Tues., Oct. 4 at 7:27*

The Alberta Centennial Workshop was attended by D. R. Mitchell in Edmonton on Tuesday, September 22, 1966. This workshop was set up by the Alberta Centennial Commission to acquaint representatives from the towns and cities in Alberta which will be visited by the Centennial Caravan and the Centennial Train in 1967 with the procedures and requirements. The Centennial Caravan will be made up of seven trailers 72 feet long and 10 feet wide, each of which will be used for display exhibits and the 7th for carrying supplies There will be 28 men including three R.C.M.P. personnel with the caravan. When set up it will be possible to enter one trailer and go through three trailers before coming out the other. The whole unit will be set up so as to form a square. At the entrance will be a stage which it is expected to be used by local talent for singing and instrumental music.

This caravan will be in Vermilion on October 8th and 10th in 1967. It will be open from 11:00 a.m. to 11:00 p.m. It is expected that appropriate ceremonies will be arranged for the arrival which will be about 9 p.m. on Sunday, October 8, 1967. Since a local committee will be needed in a Monday wherever they may be, these people will be in Vermilion on that day, October 9th. These people will be living in a similar existence to exhibition and military people and they will welcome a change in routine. This can be done by the local people by arranging either individual or group entertainment of them. It is hoped this will be done for them in Vermilion.

After witnessing a film showing the displays and exhibits which proved to be very interesting Mr Mitchell left some of the ideas for Centennial year 1967 and urged all people to notice all the information about the centennial year. He reports that

thought on the part of the business

Margo Husby expressed the thanks of the graduates to the guest speaker

**ENJOYABLE DANCE**

The culmination of the evening was a dance which was provided by the Telstars from Lloydminster.

**RETURN FOR GRADUATION**

Many of the grads traveled a considerable distance to take part in the graduation. Those returning to attend were Melvin Reid, George Cameron, Dorothy Dyck, Linda Evans and Ruby Smith, Kathleen Crofton, who was a diploma graduate plans to grad uate next year with matricula tion standing.

And so ends another graduation for Vermilion. As the size of the graduating class increases, the problems related with graduation increase but despite these problems and the amount of work involved the annual event provides sufficient satisfaction to warrant its continuance.

**BANQUET PROGRAM**

The president of the Students' Union, Jim Rennie, was chairman for the banquet program in a pleasing manner. Approximately two hundred and fifteen grads enjoyed a delicious meal prepared and served by the W.A.C.T. in the dining room at the college.

**TOAST TO PARENTS**

Following the completion of the banquet Jim Rennie, chairman introduced the sixty head table guests and then called upon Pat McCrist to propose a toast to the parents. Mr. Merlin Moncrieff, in replying, offered some sound advice to the young men and women in the graduating class.

**TOAST TO GRADUATES**

The toast to the graduates, proposed by Doris Pearman, was answered by Tom Smith who showed a remarkable degree of poise and self-confidence.

**TOAST TO DEPARTMENT**

Barbara Crocker in a few sincere words proposed a toast to the appreciation of the grads to the Department of Education, the Superintendent of Schools, the Board of Trustees, the Administration and the staff. Mr. Ken Superintendent of the County Council and Mrs. Jean Wright, Edmonton and Mr. Ed Rendell Mr David on behalf of the school thanked Barbara for her toast.

**THE STAFF**

A toast to the staff proposed by Doris Kennedy was replied to by Mr. A. Hinds in a pleasing manner. He assured the large number of students who had also graduated from Grade 12 this concluded the banquet.

**PRESENTATION OF AWARDS**

The evening held in the J. R. Parkinson Collegiate auditorium. Mr. [illegible] Smith. After a [illegible] the graduates in [illegible] chairman [illegible] Mr. [illegible] Mr. [illegible] Mr.

## Are YOU Ready For Our 100th Birthday Party?

Will Canada's great big birthday party in our centennial year be a success or a flop? That's the question that is being asked by many people. The Alberta government apparently is doing its share to make sure that the province will have a good time on Dominion Day. It has announced that it will spend $3 million on a 2-day celebration at Edmonton.

The Vermilion area will be getting its share of the centennial celebrations, too. Plans are being made for a big parade and other activities in the town on Dominion Day. Many communities in the district are also planning to hold centennial celebrations.

Whether the centennial celebrations will be a success or a flop depends on the people. If they enter into the spirit of the occasion and make it a big event, the celebrations will be a success. If they don't, the celebrations will be a flop.

Let's make sure that our centennial celebrations are a success. Let's all get behind the celebrations and make them a big event. Let's all have a big birthday party.

* * *

## A Centennial Project For Every Farm

A gate sign bearing the name of the family residing on the farm has been suggested as a laudable centennial project for every farm area. In driving through the country farm homes and well kept yards are very much in evidence, accomplishments of which every farmer can well be proud. However very few have any identification and passers-by would dearly love to know who lives where. This is particularly true of townspeople and their country acquaintances.

* * *

## The Real Fight Over Medicare

Although the government has put off the effective date for a national medicare program until July 1, 1968, it still plans to pass the enabling legislation (Bill C-277) at the next session of Parliament, Robert Cathcrwood, in the Financial Post, says this means the doctors and other critics of the proposed plan will be continuing their pressures for changes in the bill. The doctors want a guarantee of their right to practice outside the plan written into the bill and they don't want decisions which will affect the practice of medicine made solely by the government. This means strong medical representation on any administrative bodies. The whole question of cost is worrisome to both federal and provincial officials. Skyrocketing hospital costs give a good indication of where medical costs (i.e., doctor bills) may go when a national plan comes into effect. The other great medicare imponderable is whether a compulsory government plan will overburden doctor and hospital facilities.

## GREEN ACRES

By J. S. DUNCAN, D. A.
Vermilion, Alberta

**HOW'S YOUR COW HERD?**

Weaning time is the best time to take stock on the cow herd. This is a good time to cull and also a good time to breed. Calves are at their peak and are a big item in a good calving program.

If you want your cow herd to be more profitable, your cows have to go. Scrawny calves will be kept if other producers are. Some calves are better than others. Some calves will grow more than others. Some will do better on the same feed than others. Some will be more efficient feed users than others. Some will yield more milk than others. Some will have more muscle than others. Some will have more bone than others. Some will have more finish than others. Some will have more quality than others. Some will have more conformation than others. Some will have more style than others. Some will have more breed character than others. Some will have more sex appeal than others. Some will have more show ring appeal than others. Some will have more breeding value than others. Some will have more commercial value than others. Some will have more feeder appeal than others. Some will have more slaughter appeal than others. Some will have more carcass value than others. Some will have more dressing percentage than others. Some will have more yield grade than others. Some will have more quality grade than others. Some will have more tenderness than others. Some will have more juiciness than others. Some will have more flavour than others. Some will have more palatability than others. Some will have more nutritional value than others. Some will have more health than others. Some will have more vigour than others. Some will have more hardiness than others. Some will have more adaptability than others. Some will have more longevity than others. Some will have more fertility than others. Some will have more prolificacy than others. Some will have more milking ability than others. Some will have more mothering ability than others. Some will have more foraging ability than others. Some will have more grazing ability than others. Some will have more browsing ability than others. Some will have more rustling ability than others. Some will have more walking ability than others. Some will have more running ability than others. Some will have more jumping ability than others. Some will have more swimming ability than others. Some will have more flying ability than others. Some will have more crawling ability than others. Some will have more digging ability than others. Some will have more burrowing ability than others. Some will have more climbing ability than others. Some will have more swinging ability than others. Some will have more hanging ability than others. Some will have more sitting ability than others. Some will have more standing ability than others. Some will have more lying ability than others. Some will have more sleeping ability than others. Some will have more waking ability than others. Some will have more eating ability than others. Some will have more drinking ability than others. Some will have more breathing ability than others. Some will have more living ability than others. Some will have more dying ability than others. Some will have more being ability than others. Some will have more exist

## Old Timer of Islay District Passes Away

An old timer of the Islay and Irmtrieville districts, Mrs. Henri etta Olive Hollington, passed away in the Islay Hospital on Sept. 10th at the age of 82 years.

The deceased was born in Essex, England, on Jan. 7th, 1884, and came to Canada to settle in the Irmtrieville district in 1910. She later moved to Islay.

She leaves to mourn her passing her dear husband Albert Hollington of Islay; one daughter Mrs. Thomas (Hilda) Burns of Marwayne, one son Charlie of Lloydminster. There are nine grandchildren and seven great grandchildren.

Funeral services were held at the Irmtrieville Trinity Anglican Church on Tuesday, Sept. 13th at 2 p.m. Interment followed in the Irmtrieville Trinity Anglican Church cemetery.

Donald Funeral Home of Vermilion was in charge of arrangements.

Floral and memorial tributes were received as follows:

Floral tribute: The Family
Floral tribute: Georges, Bill and Eva Ella and Peggy Barbara Joe and Family, Father and Rick, Jim Dorothy, Arthur, Pam Lily and Jack Work, Arne and Peg, Jack Mr. and Mrs. Roy Sivaguard & Ted Hendry Chas. Myerscough Walter and Ruth Mitchell.

Flowers to the home: Mr. and Mrs. Anders Aalberg.

Vermilion Retarded Children: Mr. and Mrs. Ed Holdinger, Dr. and Mrs. Sweet and Dick, Mr. and Mrs. Dave Martin, Mr. and Mrs. Bill Shaw; Mr. and Mrs. P. McGagan; Mr. James Allan.

Carsey Fund: Edna Dalt and Linda Torrance, Bell and Helen McLennan, Bruce and Ann McLennan. Mr. and Mrs. Albert Beeh, Walter and Helen McCaughan and boys.

Heart Foundation: Gideon and Nancy Buthanan, B and Li Tenney.

Irmtrieville Church Cemetery—Graham Gardiner; the Knaus family; Mr. and Mrs. Earl Knaus; Mr. and Mrs. Elmer Wilson; Olive, Mac and Sheila Knaus.

Islay Cemetery: Ralph and Bessie Anderson.

Islay Church Women: John and Biddy Matre and Johnny Marwayne United Church — Mr. and Mrs. W. Fisher.

## Move to Retain Highway 16 on Present Route

At a meeting of representatives of the chamber of commerce funds committee, the town planning committee and the town council, with Ashley Cooper, M.L.A. present, it was decided to oppose the rerouting of Highway 16 as a bid is being prepared to this effect and will be presented to the Hon. Gordon Taylor Minister of Highways, by a delegation. A petition circulated by interested parties will also be presented to the minister.

M.L.A. Ashley Cooper has already made representations to Mr. Taylor along these lines and will make arrangements for a delegation to meet the minister and senior engineers of the department of highways as soon as the brief is completed.

The present survey re-routes Highway 16 approximately one half a mile further south than at present. Government engineers point out that space for interchanges with Highway 41 must be obtained and there is not enough room at the present intersection of 16 and 41 for this purpose.

Marwayne Cemetery: Mar wayne P.W.D.A.

Video Ribbon: Mr. and Mrs. Gerald Kerr, Agnes Hixon, St. George's Anglican Church Noel and Betty Kent, Oretta Art Kent.

Irmtrieville W.A.: Flowers on the Altar.

Sympathy cards: Frank and Betty McLean, Mac and Sheila Kerr, Gordon and Dot Kohn Olive Kent Beth and Ivor Boothby, Emily and Russell Rutherford, Art and Queenie Kent; Mr. and Mrs. A. Vaughan Smith, Mrs. W. Urquhart, Manager and Staff of Treasury Branch, Vermilion; August and Kathleen Ebert, Sylvia, Agnes and Marvin Gould, Muriel and Queenie Hutton; Arnold and Gladys Fortier, Jim and Vita Hanna; Lloyd and Betty Gould and boys.

Interment took place at the Irmtrieville Cemetery with Messrs. Jim Burke, Joe Brint, Rich Lennon, Jim Burke, Wm. Holroyd and Ron Hollington acting as pallbearers. The Rev. B. A. Hart conducted the service.

## Powder Puff Derby For Jo-Ed Trophy Sunday

Four stock cars from Vermilion were towed to Lloydminster last Sunday to take part in the 24-hour races. As usual the drivers gave a very good account of themselves bringing back six first prizes, four seconds and six thirds.

Trevor Clark showed up with his Dodge and came in two firsts, 1 second and 1 third.

Steve Ludwig matched Trevor, winning two, coming 2nd in one and 3rd in one.

Bill Hanna picked up one first, two seconds and one third.

Jack Hobbis who was the big winner a week previous brought back one first and three thirds.

**HERE TOO THE FUTT**

The big feature this coming Sunday will be the annual Powder Puff Derby. This will be a 30 lap race with all lady pilots. Winner of the trophy last year was Rose Bellig and Rose will be back again to defend the trophy on Sunday.

**ALL MAY ENTERTT RACE**

A Lemans start race will be run for all the main feature race. This is a novelty type race with the drivers having to set a hot dog, get into their cars, and start as soon as they finish the hot dog, bun and all. The start may be humorous but these boys get serious as soon as they start racing.

**DOUBLE FEATURE CARS**

Sunday will be a double feature race day with a full cars of racing as well so don't miss it. The crowds have been so good that the Speedway Association is giving extra measure in entertainment. The track is paved and dust free, the place is the Vermilion Speedway two miles west of town and the time is 2:00 p.m. on Sunday Oct. 2nd.

## 3 Contestants Chosen For Miss Canada Finals

At a Sunday Afternoon Tea on September 18th at the Two Hills High School Auditorium, 3 very beautiful and talented contestants competed in the Miss Canada semi-finals. The competition was so keen that the judges encountered some difficulty in selecting three girls to compete in the local Miss Canada Pageant on Friday October 7th at 8:00 p.m. in Two Hills.

There were seven official entries in the contest but two of the girls were unable to attend and take part. The contestants who took part in the finals were judging were Patricia Horaluk, Myrnan, Fay Clements, Vegreville. Rosemary Smitty, Elk Point, Shirley Elko Beauvallon, and Sharon Verbicky, Vermilion.

The successful contestants in alphabetical order were Fay Clements Shirley Elko and Pat Horaluk For the talent portion of the contest Fay played a difficult classic waltz by Chopin. Shirley performed a suggestive Hawaiian dance and Pat chose to sing "Getting To Know You". The other two contestants, Rosemary and Sharon presented a Spanish Tap Dance and a display of Art.

Miss Gail Scraba, last year's winner who is putting a great deal of effort into making the Pageant a success, addressed the contestants and wished them all success in the contest and the in general.

The judging was left in the very capable hands of Mrs. Terry Blanmorie, Mrs. Jean Swanson, Edmonton Journal and Mr. Jim Case CKSA radio and TV, of Lloydminster.

Mr. Tony Blanmorie of CFRN radio who makes any event a real success was master of ceremonies Mr. Jack Bentley, director of CFRN station was in charge of sound and for October 7th is bringing a troup of entertainers from the station to appear along with the three contestants.

To the delight of the many guests the tea was served by the newly organized Lioness Club of Two Hills. The hall was beautifully decorated and the tables liberally adorned with fresh cut flowers and hand made centre pieces.

**Everybody Bingos Friday, Sept. 30th**

Vermilion Tigers will hold a bingo on Friday, Sept. 30th at the Vermilion Stadium. The big prize is $500 and there are also additional valuable prizes including a radio, bicycle, vacuum, 300 rifle, buggaby, quarter of beef, cedar chest, floor polisher, 12-ga shotgun. Prizes on display at Macleods store.

Master cards are $2, additional cards $1 each.

All proceeds are in aid of the Tigers' Hockey Club. Your attendance at this bingo will give the Tigers a financial boost to assist the new season.

## Handicraft Classes in Manville

Any handicraft minded person will be invited to attend classes for first and third Mondays of each month starting Oct. 3rd in the Elks Hall basement. The only fee is lunch money at each meeting. Local talent and new interests are especially welcomed. A wide selection of crafts was suggested at the annual meeting last spring so this winter should prove very enjoyable and informative to all interested ladies. The new president, Mrs. Melva Jackson, will have a lot of new ideas stored up after the summer months, to keep us all busy. To start off the season a "Beauty Counselor" representative will be on hand to demonstrate, with real models, the correct make-up procedure. If this sounds interesting see you out Monday Oct. 3rd at 8:00 p.m. at the Elks Hall, Manville.

Ride the Pontiac winning streak!

Introducing the adventurous new Pontiacs for 1967!

The biggest car news for 1967 comes from Pontiac. Canada's perennial Success Car gets away to yet another flying start with new styling, new models, new interiors, new safety features and new glamor options. Grande Parisienne, Parisienne, Laurentian and Strato-Chief series all have completely new styling. Bowing in is a brand-new series called 2+2. It's the last word in full-size adventure cars. Whatever you want most from your new car in 1967—luxury, high style, performance or practicality—you'll get it from one of Pontiac's 82 new models. Pontiac is for today's kind of people. People like you!

While safety is an intrinsic part of everything engineered into Pontiac, we'd like to list here some of the more notable standard safety features in every '67 Pontiac. Four way hazard warning flasher dual master cylinder brake system with warning light; seat belts—front and rear with push-button buckles. Old-developed energy-absorbing steering column; passenger-guard door locks—all doors; inside day/night mirror with shatter-resistant vinyl-edged glass and break-away support; lane-change feature incorporated in directional signal control; energy-absorbing instrument panel with padded sun visors and more!

On display at your Pontiac dealer's now

## Saddle Club to Hold Horse Show

The Vermilion Saddle Club will hold an indoor show on Sunday, Oct. 16th in the Vermilion Rink.

The program will commence at 10 a.m. and continue through the afternoon with various exciting performance classes. Entry fee is 50 cents per class.

Vermilion can well be proud of the fine light horses in this district and you are encouraged to support the horsemen by attending this show.

The lunch counter will be open and everybody is welcome. For further information contact Chris Maggs. 13-15

## LOCAL NEWS

Mr. and Mrs. Bob Bell of Calgary spent last week visiting relatives and friends in Vermilion and district. Bob suffered a bad fall from a scaffold as was at work on sick leave. While on holidays earlier this year Bob and Muriel visited Simmons and Bob enjoyed a fishing trip with Harold Reid, who will be well remembered as a former Vermilion resident.

Mr. E. Clendenning motored to Marwayne on Sunday, Sept. 25th where he spoke in the church service at the Alliance Tabernacle. This church has been without a regular pastor for some time but expect one to take charge very shortly.

Guest at the home of Miss Anne Soutyshek over the week-end was a former Vermilion girl, Miss Mary Zaperynuk from Edmonton, who is with the law firm of Milner and George Steer, a position she has held for the past sixteen years.

Mr. and Mrs. Donald Taylor of Winfield in the Okanagan Valley of B.C. are visiting in town this week. They are guests at the home of their daughter Diane, Mr. and Mrs. Bob Green and family.

Marie McCrae who has nursed at Victoria, B.C. the past year, has returned home from an extended holiday in Europe. After spending two weeks at her home in Vermilion she left for Calgary where she has accepted a position at the new Rocky View General Hospital which opens next week.

Mr. and Mrs. Lyle Dowdell and family are presently on vacation at Penticton, B.C. They are traveling by car and trailer.

**COFFEE KOLCHEL**

LUMLEY — Mr. and Mrs. Ed Lumley, on Sept. 21st, a daughter, Cheryl Louise.

GARDINER — Mr. and Mrs. Barry Gardiner, Marwayne, on Sept. 21st, a boy, David Vincent.

**ENGAGEMENT ANNOUNCED**

Mr. and Mrs. Claude Bresman are pleased to announce the engagement of their only daughter Glenda Joyce to Mr. Glen Orville Fralik, son of Mr. and Mrs. Walter Fralik, of Dapp, Alberta. Wedding to take place Saturday, October 29th, 1966 at 4 p.m. in the First United Church, Vermilion.

Mr and Mrs F. Bottorff of Edmonton are guests this week at the home of their son, Mr. and Mrs. Floyd Bottorff.

Mr. and Mrs. Ray Hill of Strathcona, Ont., and their two daughters have spent a week visiting at the home of Mr. and Mrs. Alf Brown.

Victor J. Cunningham who lived in Vermilion and district for many years and who has resided at Fraser Gorge, B.C., for the past quarter-century, called in Vermilion on Thursday last week and renewed several old acquaintances. He has been Prince George guest from some 6000 to 60,000 during the years the city is still growing and developing. He was formerly interested in lumbering and timber rights in the area, then in real estate, both land and buildings, so has prospered with the B.C. city.

**CARD OF THANKS**

I wish to take this opportunity to thank the staff of the Vermilion Municipal Hospital, also Station 'A' of the University of Alberta Hospital for the care shown me while a patient.

A thank you to all the friends for the visits, flowers, letters, cards, baskets of fruit and for the baking left at the house for my men folk.

Mrs. Maxson Barr

The newspaper is the only medium people consult for a buying decision.

## Foresters Help Handicapped

The Canadian Order of Foresters is a fraternal organization. The local Ladies Court, Court Lookout 1880, takes pride in announcing that they have helped two handicapped children in the past year.

Court Lookout financed part of the cost for special treatment for one child. In the second case a wheel chair was purchased which is now being used by a child with a crippling disease. Court Lookout wishes to again thank the general public for supporting its projects which include sales, raffles, and the annual shoppers' spree.

**SCOUT APPLE DAY**

Saturday, Oct. 1, Boy Scout Apple Day. Tag sales all day and house sales in the evening. Please leave porch light on.

**G. E. S. BAKE SALE**

Worship God with us

"Every age is a failure for everyone who isn't trying to lead it."

No nagging backache!

He used to be bothered by backaches and tired feeling. When he learned that irritation of the bladder and urinary tract may cause backaches and tired feeling, he took Dodd's Kidney Pills. Now he's full of pep! To relieve backache due to the condition causing the backache, take Dodd's Kidney Pills. Don't suffer backache! If you are bothered by backache Dodd's Kidney Pills may help you, too. You can depend on Dodd's.

**SUNDAY EXPORTS**

Exports in first five months this year were nearly 23% higher than in same months of 1965. The Financial Post's Weekly Trend of Business feature says that grain shipments helped make up the increase. But an even larger share of the gain went to sales of finished products Most dramatic increases were in sales of motor vehicles and parts ($329 million vs $126 million a year ago) and industrial machinery ($62 million vs $30 million).

# Superintendent At Convention

Mr. H. G. Sherk of Vermilion was one of four delegates from the Alberta Association of School Superintendents who attended at the Canadian Educational Association Convention held in Vancouver last week. Mr. Sherk attended the Canadian Association of School Superintendents and Inspectors in the west coast city as well the regular Alberta convention provincial superintendents discuss educational matters of mutual concern with capable leaders from all parts of the country Not only superintendents, but many others interested in education were in attendance School board members, university professors, political leaders, department heads and teachers were all represented The Canadian C.A. convention is a clearing house for educational ideas. It is a unifying force in Canada education And it provides stimulation and motivation to its participants which helps to bring enthusiasm for improvement of education in all parts of the nation.

Keynote speakers at the CASI and CEA conventions included Dr. Malcolm Taylor, President of the new University of Victoria, who spoke on "The Changing Role of the University." The Hon. Dr. L. R. Peterson, Minister of Education for B.C.; Dr. G. N. Perry, Deputy Minister of Education, B.C.; Dr. H. Wyndham, Director-General of Education, New South Wales, Australia, whose address was on the topic "Education in the Coming Decade"; Dr. H. T. Coutts, Dean, Faculty of Education, University of Alberta, and president of the Canadian Education Association. He now Chief Education Officer, County Council of the West Riding of Yorkshire, England, who spoke on "Expanding Knowledge and the Curriculum Revolution"; Dr. JI Deutsch, Chairman of the Economic Council of Canada, Ottawa, who addressed the conference concerning "Economic and Social Planning and Education"; and Mr. J A Ouimet, President of the Canadian Broadcasting Corporation, Ottawa, who presented a stirring address entitled "The Education of a Canadian."

Mrs Sherk accompanied her husband to Vancouver for this convention. Since arrangements had been made by convention planners for wives to be included in the proceedings, she was free to attend the meetings. In addition, there were special functions planned for the ladies. They included a tour of Simon Fraser University, located on top of Burnaby Mountain, and an Oriental Fashion Show at which the host was Mrs. Peterson, wife of B.C.'s Minister of Education.

**Honour Pins Awarded At St. Jerome's**

Honour Pins were awarded to the following students of St. Jerome's at their annual awards night program: Seated, left to right, Zavelda Reghelini (Grade VII); Kathleen Ross (Grade IX); Mark Mireault (Grade VII). Camilla Reghelini (Grade VIII); Standing left to right, Dona MacMillan (Grade VII); Laurie Herman (Grade VIII); Susan George (Grade IX); Kathleen King (Grade XII); Laureen Ross (Grade IX); Olga Starko (Grade IX); George Starko (Grade VIII)

**Former Vermilion Old-Timer Dies At Wenham, Alberta**

Funeral services were held on unilee, Alberta on 1912. He Tuesday, September 13th for Ole farmed in the Thorncliffe district until 1936 when he moved Lindlord passed away at Spirit River to Scandrett and then Wenham Holy Cross Hospital on Sept. 8 in 1951. Surviving are six after several weeks illness. He daughters and sisters and a nephew and family of Wenham.

Ole Lindlord was born in Norway on June 28, 1886. He is one of twelve children. He came to the U. S. in 1907 and to Vermilion in the same year.

**Deliver Flowers**

The Vermilion Rotary Club received 50 dozen gladioli from Rotarian Jesse Hardwick Lacombe, BC. These flowers in turn were delivered to the senior citizens of Vermilion by local members of the Rotary Club. Norm Henderson, Ken Hoover, Lorne Pochert and Gus Mireault.

The Rotary Club never fails to receive numerous letters of thanks from the recipients of the flowers.

## Mrs. W. Thompson Laid To Rest

Funeral services for Mrs. Mary Thompson, 70, wife of Mr. W. Wilfred Thompson of Vermilion were held here at the First United Church on Saturday, September 10th at 12:00 o'clock in the afternoon. Mrs. Thompson passed away in the Vermilion hospital on Wednesday, Sept. 7th at the age of 70 years.

Mrs. Thompson was born at Chilliwack, British Columbia on Jan. 19th, 1896. She came to Canada in 1929 and settled in the Paardeberde district. They lived there and in the Auberon, Dale and Buffalo Coulee districts, until 1950 when they moved into Vermilion.

Mr. and Mrs. Thompson celebrated their Golden Wedding anniversary in 1962 and in Feb. 1966 they celebrated their 50th wedding anniversary.

Mrs. Thompson was a veteran of the First world war and Mr. and Mrs. Thompson were members of the Ladies Legion No. 9 A. Members of the W.A. attended the funeral in a body as a mark of esteem for their departed member.

Mrs. Thompson is survived by her sorrowing husband one son, Stanley Wilfred of Vancouver, BC; one daughter Mrs. Marjorie Hall of Edmonton and one brother Robert Davidson in England.

Interment took place in the Vermilion cemetery. The Rev. C. Miller conducted the funeral and committal services.

Donnel Funeral Home was in charge of arrangements.

Mrs. Lena Williams, Mrs. Olga Elde, Mrs. Helen Bell, with Stan Pullen at the piano, lead a sing-song at the opening social evening of the Golden Age Club.

## Golden Age Club Opens Season with Supper, Program

The fall opening of the Golden Age Club was held in the Legion Hall on Wednesday, Sept. 21st with a potluck supper, program and social evening. Fifty two members and friends were in attendance. The well-laden tables were decorated with bouquets of marigolds.

While the people gathered a musical interlude was enjoyed with Mr. Stan Pullen at the piano.

Special guests on this occasion were Mr. Ashley Cooper M.L.A., and Mrs. Cooper. Head table guests were the President Mrs. Wm. Steel and Mr. Steel, Mr. and Mrs. Wes Waldenberger (Wes was the first president of the club), and those who so kindly entertained, Mr. and Mrs. Stan Pullen, Mrs. Lena Williams, Mrs. Olga Elde, Mrs. J. Wallington, Mrs. Helen Bell, Mr. Charlie Mullen

Mr. Cooper addressed the gathering with some very kind and encouraging remarks, and was thanked on behalf of the club by President Mrs. Steel.

Music was enjoyed while the ladies were busy cleared. "Happy Birthday" was sung for Mrs. Jack who was 93 years of age that day.

Mrs. William Steel, president of the Golden Age Club who presided at the enjoyable evening

Mrs. Jim Wallington, acted as pianist at the Golden Age Club

Charlie Mullen sang with banjo accompaniment

Stan Pullen gave humorous monologues, as well as playing the piano

The tea committee served delicious refreshments. Mrs. Olga Elde and Mrs. Lena Williams entertained the members of the Golden Age Club with duets accompanied by Mrs. Helen Bell.

## Hold Presbyterial Fall Workshops

UCW Workshops were held in two points in the St. Paul Presbytery. On Sept. 19th in Elk Point United Church and on Sept. 20 in Grassy United Church, Lloydminster. The theme of these two workshops was "Leadership" and we were privileged to have two ladies from Toronto, Miss Marion Thompson, of the Board of Women, and her co-worker, Miss M. Smith; also Mrs. J. A. Ross conference vice president from New Norway.

Mrs. W. S. McLean of Lloydminster opened the morning session at 10 o'clock with the hymn "O Worship the King" and prayer. Our leaders were introduced by Mrs. R. J. Treiger of Elk Point, presbyterial president. First on the agenda was a study of this year's new curriculum adult study book "The Church In the World", by Cyrus Eaton (references, Acts 2:1-13), portraying the servant role of the church. A deep and meaningful discussion then followed, during many new fields of thought in our daily living among our fellow men.

A "Brainstorming" session followed, this approach was new to many, presenting problems of all kinds in a new and positive approach. By putting this type of thinking on this level many new ideas can be put to work in our locals and units.

**FALL COLOR**

The coloring of the leaves in the fall results when the leaves in the trees stop making chlorophyll. Pigments left in the leaves orange, red and yellow carotin and xanthophyll, brown tannins, red, purple and blue anthocyanins then become visible.

**TRENDS IN LEADERSHIP**

Lunch was served by the U.C.W. of the host churches. A singsong followed led by Mrs. C. A. Dumouchel. Following this Mrs. Ross spoke on "Trends in Leadership". She stated that in the last three to four years there has been a change in the overall planning of training. The Department of Christian Education and Leadership are organized ideas of all groups are the same and there is no such a thing as "I can't lead" as we can if we want to. With regard to our talents given by God a person is to be placed where these talents are used best. It is a sin not to use these talents loaned to us.

Some books were recommended for information on Leadership. The Church Grows in Canada this book is also studied in the U.S. Let the Bible Speak" besides helps from the clip sheets.

**COMMUNICATIONS**

Miss Thompson and Miss Smith gave us wonderful ideas and help on the subject of Communications. There are many barriers to be broken down in our understanding of others such as language usage anxiety and defense a chip on your shoulder. One must listen, share ideas be concerned to reach people. An excellent film strip presentation was "Parable of Dungeons and the book Church Meetings that Matter".

The evening closed at 4 p.m., tea was served and we returned to our homes with a deep desire to put these inspiring sessions to practical use next month.

# Annual School Color Ceremony, Dewberry

The annual Color Ceremony of the Dewberry School was held on Friday afternoon, Sept. 23rd. Many parents, friends and all the schoolchildren witnessed t h e awards.

**PRIZES FOR FAIR EXHIBITS**

# A Letter To All Parents From the Health Unit

SCHOOL PROGRAM 1966-67

Dear Parents:

The members of the staff of the Minburn Vermilion Health Unit are about to begin the school program for the year 1966-67. Most parents who have had dealings with this Health Unit are fully aware of the programs which we offer to the school children. As a reminder to the parents who are already familiar with our program and a general information for parents who are new to our unit area, I would like to make a brief review of the program.

Many parents are familiar with the preschool services which is given to all children entering the grade one year. This is a once a year examination of the children and enables the parents to be present during the examination. This year, [illegible] parents will be notified by letter of the appointment. A check is then made of the children's vision, hearing, teeth, general physical condition and posture. Children who have been referred by teachers, parents, or who had defects during any previous examinations are examined according to need.

Health education in the form of films and talks are given. These have always been met with great enthusiasm both by teachers and pupils.

Please be reminded that consents which are signed by parents, giving us permission to take care of the health and welfare of their children are designed not only for the infant and pre-school period but for the full span of the child's life from birth to the age of 21 years when these children make their own decisions. Parents wishing to withdraw consents for wound swab and [illegible] do so in writing. We are sensitive that the more deli[illegible] a child appears to be the more [illegible] he is to refer. It is of the u[illegible] importance that these [illegible] commenced at the early [illegible]

[illegible] look forward [illegible] to maintain the [illegible] and positive health of your [illegible] Mr. Hines join for the [illegible] considerations. And we are [illegible] with similar [illegible] a warm [illegible] this [illegible] [illegible] [illegible]

# Dyjur - Butz Nuptials Performed at Clandonald

A pretty summer afternoon wedding was solemnized Saturday August 20th at 2 p.m. at St. Columba Roman Catholic Church in Clandonald when Father Mac ... united in marriage Dorothy Blanche Butz, second daughter of Mr and Mrs. George Butz of Landonville, and Edwin W. Dyjur, third son of the late Mr and Mrs. Stanley Dyjur of Clandonald in a double ring ceremony.

Given in marriage by her father the bride was ... and ... charming in a floor ... gown featuring a fitted ... over lace ... and a bateau ... trimmed with pearl ... flowers. The veil ... lace over satin ... was ... with a ... and pearls ... The bride wore ... and carried ... lilies of the ... centred by a ... and had a slight train.

A cluster of ... bead-trimmed pearl centre ... fabric flow... was held in place ... veil fell ... length veil of ... scallop ... tulle. She ... a cascade bouquet of ... with red bud-trim... white tib... centred ... Her sister ... of honour ... a single ... tiered pearl ... pendant and matching ... earrings, a gift of the groom.

Mrs. Yvonne Quintal of Armona, Ontario, assisted the bride, was matron of honour. She wore a two piece dress of yellow ... with yellow lace trim, a white petal hat, gloves and shoes, and ... shade of white carnations fringed with aqua blue.

The bridesmaids Miss Lynda Butz sister of the bride, and Miss Loreen Lowe were identical knee-length dresses of sheer yellow tiered lace over taffeta. The full skirts and bodices were gathered into ... The ... length ... panels fell ... from the shoulders at the back. Their headpieces were tiny, ... bow tulle veils mounted on rhinestone tiaras. They wore white gloves and shoes and carried semi-cascade bouquets of white carnations fringed in aqua blue.

Cindy Quintal, niece of the bride, was a sweet little flower girl in a short white lace and organza dress, a replica of the bride's, with Juliet rose and headpiece. She carried a miniature bouquet of red roses and stream... to match the bride's.

David Dyjur, nephew of the groom, was ringbearer. He carried the ring mounted on a white satin, heart shaped cushion trimmed with tiny yellow roses and fern.

The groom was attended by his brothers, Henry and Robert Dyjur and Jerry Butz, brother of the bride.

The ushers were Anthony Lawrence and Larry Garnier, friends of the groom.

Mrs. Henry Schneider at the organ was accompanist to hymns sung by the choir.

For the wedding, the bride's mother wore a mallard green silk knit sheath dress, with yellow hat, gloves, sandals and corsage of yellow roses.

Mrs. Effie Allen, grandmother of the bride, wore a printed two piece dress of turquoise blue and white damask, with pink hat and gloves, and corsage of pink roses.

Following the ceremony a reception was held in Landonville Community Hall where some six hundred guests signed the guest book. The bride's table was covered with a three-tier wedding cake, embedded in yellow tulle and flanked by yellow candles in crystal holders. The cake was made by Mrs. Blanche Butz and Mrs. Elda Etherington and beautifully decorated by Mrs. Harriet Tetzlaff, with yellow rose decor, and miniature bride and groom figurines. MacDougall and the groom.

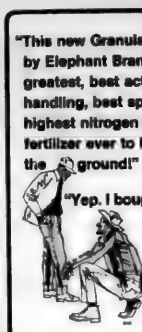
Mr. Horace Cairnduff was a very capable master of ceremonies and also proposed the toast to the bride.

Miss May Smith was in charge of the guest book and Misses Valli Lowell and Frances Cusack in charge of the gifts.

A dance followed the reception with music provided by Jan Michael and his orchestra from Edmonton.

The happy couple are now residing on the groom's farm east of Clandonald.

"This new Granular Urea by Elephant Brand is the greatest, best acting, best handling, best spreading, highest nitrogen granular fertilizer ever to hit the ground!"



"Yep. I bought some."

When you buy Elephant Brand Granular Urea this Fall, here's what it'll mean to you: bigger paydeals in any spreader and less handling; a uniform product for an even spread; a fertilizer which dissolves readily in soil moisture. Cominco's got the only granular urea in Canada; and it's like no other product you have ever seen for excellent quality and bagging.

Talk to the Elephant Brand dealer in your area about Elephant Brand Granular Urea — 46% N. With his knowledge and experience, backed by Comínco's qualified field staff, he can show you how to get the most from your fertilizer dollar in any season.

**FALL TREATMENT OF TREES AND LAWNS**

Here are some "do's" and "don'ts" on the fall treatment of lawns from F. D. McCalla, Supervisor of Horticulture with the Alberta Department of Agriculture

Dead leaves and branches should be removed from lawns. When left on, they can smother the grass. Contrary to some people's belief, dead leaves do not provide winter protection for the lawn.

As far as cutting the lawn is concerned, Mr. McCalla says it should be cut when it needs it. Similarly, it should be watered when it needs water. At this time of year a lawn will not need nearly as much water as it did in the summer because the nights are longer and the days are cooler.

A very important point to remember regarding watering a lawn at any time is that a light sprinkling is worse than not watering at all. It brings the roots of the grass to the surface of the ground where they are much more susceptible to both drought and frost damage. A thorough watering just before freeze-up, usually towards the end of October in this province is strongly recommended to help prevent winter killing. It also helps to bring the lawn through the winter in good condition.

Should one consider a lawn in the late fall is a common question which the answer is no. For one thing there is very little value to fertilizing after the end of August or of the latest the early part of September. Secondly a warm spell in the weather after the early part of September could make fertilized grass very susceptible to winter killing by causing it growing again.

Spraying lawns for weed control in the fall is not necessarily recommended. Spraying should be done in the early spring when the weeds are actively growing.

Just before freeze-up, thoroughly water evergreens, fruit trees and if possible other trees, mental trees and shrubs. This practice will considerably reduce the incidence of winter damage.

Mr. McCalla explained that most winter killing in trees is caused by the wind drying out parts while the extremely cold temperatures. In this province the frost in water is usually in March, the end of October. Not usually the watering must be done before the ground freezes, but care must be taken not to soak the trees too before a warm spell in the weather. The water and the warm weather could start them growing again which would make them very susceptible to winter damage.

**wouldn't you rather have safe home heating?**

Esso Oil heat is worry-free!

How safe is Esso Oil Heat? You could drop a lighted match into a container of it and the match would go out. Esso Heating Oil burns only in your furnace, after it's scientifically atomized there. Then you get a nice, warm feeling ... a worry-free feeling that all is well. Call your Esso Agent and he'll tell you all about its economy too, plus the budget-saving Esso finance plan—no down payment, 18 years to pay.

## Municipal Officials Hold Zone Meeting

Councillors and secretary treasurers from towns and villages in District 5, Union of Alberta Municipalities gathered in Vermilion recently at a zone conference. Some of those present can be re-grouped from this overall picture. On the front left is D. R. Mitchell of Vermilion; on the extreme right is John Koshuta Q.C., Mayor of Vegreville. In the back row to the right can be seen Walter Tym, secretary treasurer at Innisfree while next to him is Albert Schmidt, Innisfree village councillor immediately in front of the pillar. As can be seen several lady councillors and secretaries were in attendance.

# Funeral Services For John Blonke

John Blonke of Vermilion, the eldest son of Mr and Mrs. Wallace Blonke of Basshaw, passed away very suddenly on August 5th, 1966. He leaves to mourn his passing his wife Alice, two children, Shauna and Allan, both years Calvin 1 week, his father and mother, three brothers, Alan of Korea, Frank of Grand Centre, Gordon of Bashaw, three sisters, Elaine, Jennie and Doreen at home, his grandfather Mr. Frank Metzen of Ponoka and many other relatives.

John was born March 14th, 1930, and after completing part of his life in the Bashaw district, including his schooling days, he left there seven years ago, and moved to Vermilion, working with industrial equipment. Here he met his wife, Alice Allin, the youngest daughter of Mr. and Mrs. Stanley Allin of Paradise Valley. They were united in marriage April 8th, 1963. He was employed by Ron Mix Contractors of Vermilion, and was in charge of their gravel crushing equipment at the time of his death.

Funeral services were held at Vermilion Donald Funeral Home was in charge of arrangements.

Mr. Andrew Drummond officiated at the services. Interment followed in Vermilion Cemetery.

Pallbearers were Messrs. Joe Gourlay, Bill Hanna, Ken Lashyn, Conrad Nelson, Jim Knutson, Tom Gourley.

Memorial donations to the Canadian Cancer Society were received from: Mr. and Mrs. Roy Whitney, Oil and Emma Erickson Doris and Oliver Soderstrom and Elna, Gordon and Marie Olson, Art and Betty Lysons.

Crippled Children's Fund and Canadian Red Cross ... and Gladys Whitney and family; Mr. and Mrs. Arlen Adams and family, Mrs. Kate Orem, Harry and Lena Erickson, Shirley and Don Erickson, Herb Kvistead.

Belated Children's Fund ... and Norene Ahlgren and family, Dan and Sharon Coleman, Bob and Allie Coleman, Mr. and Mrs. Jack Schaumleffel, Howard Hardy, Cliff Martin, Sette and family, Allan and Nat Mead, Charlie and Olive Redmond, Alice and John Stafford.

Cemetery Fund Mr. and Mrs. J. C. Wallington, Mrs. R. B. Swail, Mr. and Mrs. Alf Mawbey and family, Mr. and Mrs. Percy Fleming, Mr. and Mrs. Glen ... Sproule; Mr. and Mrs. Harvey Clarke; Mr. and Mrs. A. Beaulieu; Mr. and Mrs. John Chisnan; Mrs. Marjorie Channon; Mr. and Mrs. Ed Kimberleman.

Bashaw United Church Building Fund Mr. and Mrs. H. J. Dahl; Mr. and Mrs. Clayton Nash.

Friends Fund Mr. and Mrs. Bert Burgess, Murray and Ben McDonald, Doug Sutton, Mr. and Mrs. Bill Spencer and family, Mel and Ruth Hoechert and family, Bill and Irene Lachyk; Mrs. Purser, Doc and Irene, Bob and Audrey and Eva Rogers; Jack and Mabel Warren, Doris and Keith Lysons and Debbie and Lee; Jim and Bunny Little; Charlie and Margaret Seiba; Mr. and Mrs. Harris Korsted, Clayton and Doris Flewelling, Mahlon and Mary Kitching; Dick and Marge Steele; Mr. and Mrs. Bill Steele; Bill and Gisby Quinn; Alex and Gertrude and Pamela.

Flowers to the house: M. J. Holt and son, Bashaw, Joe and Doreen and Timmy Gourley; Ron and June Mix Norman and Vera Nelson, Grande Prairie; Elsie Holman, Bashaw; Tom and Doreen Gourley.

**CARD OF THANKS**

Sincere thanks and appreciation for the many acts of kindness, floral tributes and cards from friends and neighbors during our recent bereavement in the loss of my husband. Special thanks to Mr. Andrew Drummond, the pallbearers, Donald Funeral Home and Mrs. Doris Lysons for minding my children.

Alice, Shauna and Calvin Blonke

**CARD OF THANKS**

Special thanks to everyone for all the kindness shown us, for the baking and those who helped following the service and to Mr. Bill Steele for looking after the house.

Mrs. Velora Allin.

## Clandonald News

Harvesting has been going full swing and will soon be finished up. We have much to be thankful for.

**FORMER RESIDENTS VISIT**

Several at Clandonald folks have been noticed visiting including Mr and Mrs. Charlie Monaghan and family, from Estevan, Sask., Mr and Mrs. Mervin Byner and sons from Edmonton (Mrs Byner is the former Mary Monaghan), Mr. and Mrs. Eddie Pierre and baby from Prince Rupert, B.C. Eddie is employed in a pulp mill making plywood. Leo McCambridge is employed in road construction at Terrace, B.C.

Howard Harden who is working in the Queen Charlotte Islands, visited friends here recently.

Mr John Kornzee of Penticton, B.C. visited friends and relatives for several days last week.

Michel Trust, employed at the TD Bank in Grand Centre, has been holidaying at his parental home.

Mr. and Mrs. Leonard McDonald of Edmonton spent the week-end at the home of the latter's parents.

Congratulations to Mr. and Mrs. Mike Pochanski on the birth of their second son in the Vermilion Hospital.

**SMILE**

A customs official was examining a suitcase in which a traveller had hidden an undeclared bottle of perfume. As his hand reamed to the danger zone, the woman's small daughter cried out: "Mummy, he's getting warm. Isn't he?"

## News From Kitscoty

Mrs. Alf Franke spent the week-end of Sept. 18th at Fort Saskatchewan, helping her grandaughter Maxine, Frankie celebrate her sixth birthday.

Mrs Wayne Shortt and the children, of Caley, Alta., were recent visitors with Wayne Shortt's mother Mrs. P. Miles.

Miss Sandra Miller, daughter of Mr. and Mrs. E. Miller is a student at Alberta College in Edmonton this year. Sandra was a recent week-end visitor to her home here.

Miss Nora Trask of Camrose teaching staff spent the week-end here with her mother Mrs. R. D. Trask.

Mr and Mrs Peter Dros and children of Swan Hills visited with the folks at the week-end.

Mr and Mrs. Chris Peterson and children of Edmonton were guests at the home of their uncle Mr. C. K. Miller for the week-end.

Congratulations to Miss Maxine Moore, daughter of Mr. and Mrs. Everett Moore who recently received her R.N. diploma. She completed her nurse's training at the University Hospital, Edmonton.

Mrs. R. D. Trask and Miss Nora Trask have moved into their suites last week-end in the new Fourplex built in the country by the townsite.

Two new homeowners were received Monday, for Mr. and Mrs. Murray Lowrie's new house and the new Imperial Bank of Commerce building.

The weather is still dry but not quite as warm as last week.

## Three Months Course In A. I. At V.A.V.C.

October the 20th is the closing date for applications for the Vermilion artificial insemination course.

According to H. B. Jeffery, supervisor of agricultural education with the Alberta Department of Agriculture this course is one of the most complete and comprehensive to be found on at the vocational level anywhere in Canada. It covers artificial insemination and related subjects, including anatomy, physiology, bacteriology, nutrition, genetics, semen processing A.I. techniques for both cattle and swine, public relations, and business administration.

Applicants, says Mr Jeffery, should have a diploma in Agriculture from a recognized agricultural school or college, or the equivalent in education and experience. Preference will be given to applicants with an Animal Science Major. Applicants must also provide a written statement from a qualified A. I. technician stating that they have spent approximately one week with the technician or his associates familiarizing themselves with an A. I. technician's work.

The total cost of the three-month course, not including cost of gasoline and mileage, is approximately $250. This figure included a $23 tuition fee, $80 a month room and board, and $20 for miscellaneous expenses. Out-of-province students will be charged an extra $30 tuition fee.

According to Mr Jeffery, salaries for A. I. technicians in Alberta ranges from $300 to $450 a month. Past experience has shown that since the Vermilion A. I. course covers a wide range of subjects some of the graduates also take related industrial fields while others use the knowledge in their own farming operations.

Mr Jeffery advises anyone interested in an artificial insemination technician's course to contact Mr. Wm. Barnett, Principal of the Vermilion Agricultural and Vocational College, Vermilion, Alberta, and ask for a 1966-67 College Calendar. The application form enclosed with the calendar should be sent back to Mr. Barnett.

**Attended Church Here In 1906**

These five revered old timers attended either Methodist or Presbyterian churches here in 1906 and were honored guests at the 60th anniversary service of the United Church held on Sunday, Oct. 2nd. From the left, they are Mrs. Evelyn McEachern (nee MacLellan) of Edmonton; Dr. H. Burris of Kamloops; Miss Alma Cameron, Vermilion; Mrs. Frances Harvie (nee Cameron), Streamstown.

## 60th Church Anniversary Observed By United Congregation

The United Church service, held to commemorate the sixtieth anniversary of the founding of the Presbyterian and Methodist churches in Vermilion, was rendered outstanding by three contributing factors:

The attendance of special guests, four ladies and two gentlemen who were in Vermilion and attended services in that far off year of 1906.

An outstanding address by the guest speaker for the occasion, Dr. E. J. Thompson of Edmonton.

The full attendance of a congregation which filled the church to capacity.

**SIX OLD TIMERS**

Recognized during the service by the Rev. C. H. Miller and introduced to the congregation by Mrs. Gordon Thompson, the six old timers were Lo six honored guests:

Dr. H. Burris, Vermilion's first doctor who came to Vermilion in 1905 and then to Vermilion, journeying by horse and buggy.

Miss Alma Cameron, a member of the Presbyterian Church here since early years.

Mrs. Frances Harvie, (nee Cameron), now living at Streamstown. She attended Presbyterian Church services here in 1906.

Mrs. Evelyn McEachern of Edmonton, well known as the daughter of the pioneer Vermilion couple, Mr. and Mrs. Duncan McClellan.

Miss Alma Cameron, a sister of Mrs. Frances Harvie, a member of a family which has lived in Vermilion since 1906 and been members of the Presbyterian Church and then of the United Church since that early year.

Letters of regret at being unable to attend were received from Miss Esther Byron, Edmonton; Mrs F. Dewar, Big Valley, Alta. All had attended either Presbyterian or Methodist Churches in Vermilion in 1906.

**SON OF PIONEER MINISTER SPEAKER GUEST MINISTER**

Dr. E. J. Thompson who presently acts as principal of St. Stephens' College, University of Alberta was a guest speaker on this anniversary occasion. Dr. Thompson's parents with their eight children, settled on a homestead south of Wainwright shortly after the turn of the century. Thus Dr. Thompson has grown up with the country and the church, experiencing the trials, tribulations and happiness of the pioneer days.

Dr. Thompson characterized these pioneer days of land and church as great days, great years, that cannot be repeated in any part of the world. The speaker's thoughts on pioneering and early days were interspersed with his themes text "The Eagle's nest and beyond" "Wherever we go, wherever we are, God is there".

The anthem "Lift Up Your Heads" chosen for the occasion by the choir was inspiringly sung by the choir, under the direction of organist Jack Brown, with Norman Thompson at the piano.

Rev. C. Miller, in the announcement period, recognized the various committees responsible for the extensive arrangements for the anniversary service, and extended to them sincere thanks.

**SOCIAL HOUR ENJOYED**

The social hour in the church hall, which followed the service, was highlighted by an address from each of the honored guests of the day.

Miss Alma Cameron recalled taking part in her first Sunday School concert in the lower hall of Presbyterian Church. She remembered her costume for that occasion and the fact that she received her first Christmas concert gift from the tree. A boy piano which actually played She had very brief reminiscences of the first minister Rev. Simons and Mrs. Simons.

Mrs. Frances Harvie, Streamstown, recalled well the Rev. and Mrs. Simons, the early church services and church functions around which much of the activities of the little town then centred. Such a gathering of old friends was a true pleasure.

Miss Beth Witherbe came with her parents from Red Deer in 1905. On the day following her arrival she attended service in the Methodist Church. She remembered the first school in Vermilion which opened with eight pupils and she named them all, even after sixty years. This school was in the second storey of Dr. Burris house and office. The number of students soon outgrew the room and the school was then moved to the Methodist Church, now the Gospel Hall.

Mrs. Evelyn McEachern of Edmonton stated that the words of Dr. Thompson in his address brought back to her vividly life on the farm in the early days of the Vermilion district. She was pleased at the invitation to attend the anniversary and to meet so many old friends.

Dr. F. C. Miller remembered very well the building of the original Presbyterian Church. He recalled all of the funds and remarked that the first car, a Ford had been purchased from a Mrs. Harvie's husband, who was the agent in Vermilion.

Dr. Burris Vermilion's first doctor came to town by team from Edmonton in 1905. He settled first at Brosseau, sharing a homestead with Harry Bassett. The move to Vermilion was soon made.

He mentioned that in that early year the townsite company was selling $900 for best town lots with $1200 the price being set for corner lots. He erected a combined office and residence on the lot now occupied by the Stan Waldenberger building. Dr. Burris was a charter member of Vermilion Presbyterian Church and a member of the first board of managers.

Dr. Burris practised in Vermilion until 1908, then, because the mosquito bite was too young and too healthy, he moved to Kamloops which had been settled for many years. He carried on the medical practice at Kamloops until 18 months ago when he retired but continues to live in that city. The years in Vermilion and Dr. Burris, was a wonderful period of pioneering, joy, fast friendliness and hospitality wherever you went.

**Mr. Carl Hechbert, member of ceremonies for the interesting hour, in addressing the honored guests, stated how pleased the congregation was to have them attend on this memorable anniversary.**

Mr Hechbert also expressed appropriate thanks to Dr Thompson for his emphasis in his address to the success of the day. It was fitting indeed that Dr Thompson, a son of a pioneer Alberta homeminister should be the speaker of the sixtieth anniversary service.

**ANNIVERSARIES OF TWO FOUNDING CHURCHES**

The sixtieth anniversary observed was that of the building now used as the First United Church. The two founding churches in Vermilion, the Methodist and Presbyterian and amalgamated in 1925 to form the United Church of Canada.

**METHODIST CHURCH**

The Vermilion Methodist Church was opened in November, 1906. It was the first Protestant Church on its town line between Lloydminster and Fort Saskatchewan. The church still stands and is used for storage by the Gospel Brethren.

The Rev. A. E. Aldridge was the first minister followed by Rev. F. J. Hodgins 1906-1912 Rev. J. C. Anderson 1912-1915 Rev. A. B. Arrow 1915-1918 Rev. M. L. Wright 1918-1922. Rev. Charles Bishop 1922-1926

**PRESBYTERIAN CHURCH**

The Presbyterian Church was dedicated on Sept 30th, 1906, and has been in use continually since. The Rev. Wm. Simons was the first pastor with the following: Rev. W. F. Allan 1913-1919. Rev. J. A. Clarke 1919-1921. Rev. Frank Chilton 1921-1923. Rev. R. S. Beer 1924-1925.

Following the Union of the Churches in 1925 the ministers who have served in the First Vermilion United Church have been: Rev. M. S. Kerr 1926-1929. Rev. H. A. Boyd 1929-1940. Rev. R. G. Hall 1940-1943. Rev. E. S. Reikie 1943-1948. Rev. W. N. Blackmore 1948-1951. Rev. D. W. MacKay 1951-1960. Rev. R. B. Layton 1960-1961

Rev. Carlton Miller took over in 1961 and continues to minister to the needs of the church.

**PLANS FOR NEW CHURCH**

A decision has been made to proceed with the construction of a new church and plans have been made for the proposed building.

# 152 Students Register For VAVC 54th Academic Year

One hundred and fifty two students have registered for the various courses at the Vermilion Agricultural and Vocational College for the Fall session. A large number of applicants deferred their registration to January because of the delayed harvest in many parts of North Eastern Alberta. The Vermilion Agricultural and Vocational College has amongst its student body students from Alberta, British Columbia, Saskatchewan, Quebec, Manitoba and Central America. Very recently enquiries were received from Dortmund Germany as well students will be subjected to a more intensified classroom and laboratory schedule to make up for time lost due to postponement of completion of the girl's residence which was delayed due to late delivery of floor finishing materials and doors. This problem has been partly solved and the somewhat cramped student living quarters will be relieved within the week.

**NEW STAFF MEMBERS**

The Vermilion Agricultural and Vocational College is very pleased to announce the appointment of Major T. Jamieson Quirk as Dean of Men. Capt. Phillip Johnson-Gore, Mrs. F. L. Knorr secretary and Mrs. Sharon Staub Librarian to the Administrative Staff. To the Instructional Staff the following have been added: Miss Anne Fowler Instructress in Commercial; Mr. Ralph Hawkes Instructor in Animal Science Mr. Gene Bunne, Instructor in Machines.

Former members of the teaching staff are: W. Barnyk Principal, Mrs W. L. Robinson, Dean of Women, Miss D. Young, Instructress in Foods: Mrs. L. C. Johnson, Instructress in Clothing; Mrs. Hazel Hunt, Secretary; Instructress in Commercial; Miss D. Margaret Hyde, Instructress in Academics and Commercial; Mrs Hilda Cragg, Nurse Instructor in Animal Science Mr. J. Harcus and R. M. Craig Instructors in Animal Science; A. Mac and K. M. Stone Instructors in Plant Science; C. Hoe, Instructor in Plant and Animal Science; L. G. Heath Instructor in Farm Management; Geo Dungela, Instructor in Mechanics; Don Bell, Instructor in Metals J. Earle Instructor in Academics; Allan Earle, Foreman of Recreation; B. Heller Farm Manager; G. Shramaland, Maintenance Engineer, Owen Closton, Accountant.

Mr Stan Geake recently appointed Dietitian, is pleased to announce the services of a joint mathematics program for junior and senior high school, and the services of a qualified educationist in the junior high school.

**SUPERINTENDENTS**

School superintendents who serve the convention area are: G. Clerk (Sam) of Vermilion River. M. G. Gault the County of Mayerthorpe, and Dr. M. Shuba of the Wainwright School Division. High School Inspector, N. J. Andrusiak will also be in attendance.

President of The Conventional Association Anthony Rogheliu and Secretary M. F. Stewart, both of Vermilion are in charge of arrangements.

A banquet and dance will be held at the Vermilion Agricultural and Vocational College on Thursday, October 13th.

## Teachers To Hold Convention Here

About 400 teachers, representing grades 1 to 12, coming from the Vegreville - Wainwright - Vermilion A.T.A. Local will hold the convention in the schools of Vermilion on October 13 and 14 in the Vermilion high schools.

**SPEAKER FROM VANCOUVER**

The A.T.A. guest speaker, R. J. Carter, will give the keynote address on team teaching Mr. Carter is the Assistant Administrative assistant at David Thompson Secondary School in Vancouver holds his B.A. and M. Ed degrees in Social Studies and Psychology and has taught extensively in this field.

Mr. Carl Hechbert, member of ceremonies for the interesting hour, in addressing the honored guests, stated how pleased the congregation was to have them attend on this memorable anniversary.

Mr Hechbert also expressed appropriate thanks to Dr Thompson for his emphasis in his address to the success of the day. It was fitting indeed that Dr Thompson, a son of a pioneer Alberta homeminister should be the speaker of the sixtieth anniversary service.

**ANNIVERSARIES OF TWO FOUNDING CHURCHES**

Rev. Carlton Miller took over in 1961 and continues to minister to the needs of the church.

**PLANS FOR NEW CHURCH**

A decision has been made to proceed with the construction of a new church and plans have been made for the proposed building.

## TIGERS TO HOLD ANNUAL MEETING

The Vermilion Tiger Hockey Committee of the senior, minor and midget teams will hold their annual meeting on Monday, October 24th at 8:00 p.m. in the Vermilion Arena.

All persons interested in the Tigers are invited to attend this meeting.

The year's activities will be reviewed and plans made for the coming season.

## Wildmere Man Feared Drowned

WILDMERE — A search is being conducted by several friends and Schneider of Cloverdale for Ernest Lloyd Hall, 30, of Wildmere, who has been missing since Wednesday afternoon.

Hall's car was found parked on the bank of the Battle River near the Wildmere bridge. Footprints leading from the car to the river bank were discovered by searchers.

Hall was last seen at the Wildmere Hotel at 2:30 p.m. Wednesday.

A demonstration in Miss M. Wisdom of dressing an infant at the baby sitters course is watched with interest by the girls. From the left are Rose Anne Beacham, Karen Wallchuk, Joan Smith, Dianne Heller, Kathryn Repp, Miss Wisdom, senior nurse of Vermilion Health Unit, Linda Stone, Pam Henry, and the centre of attraction Janis Tomashuk.

## I. O. D. E. Sponsor Course For Baby-Sitters

## Old Timers Plan Banquet, Round-Up

The Vermilion Old Timers association held a general meeting and banquet at the Vermilion Hotel on Tuesday evening. Approximately 50 members and guests were present.

Plans were discussed for the annual Old Timers Round-Up to be held in the Vermilion Arena on Saturday, October 15th. Supper will be served in the Vermilion Hotel at 6:30 p.m. and the Round-Up will start at 8:00 p.m.

All the bucking horses, wild steers and Brahma bulls will be there, with the best cowboys in Canada and the U. S. competing for the prizes.

A big dance will be held in the Stadium each night.

One hundred and fifty two students have registered for the various courses at the Vermilion Agricultural and Vocational College for the Fall session. A large number of applicants deferred their registration to January because of the delayed harvest in many parts of North Eastern Alberta. The Vermilion Agricultural and Vocational College has amongst its student body students from Alberta, British Columbia, Saskatchewan, Quebec, Manitoba and Central America. ## SOIL EROSION

Guest editorial by Ralph Wilson, Agricultural Fieldman and Soil Conservation Officer for the County of Vermilion River No 24

Many years ago when this land was new, soil-removal by water was of no concern to anyone. The rich virgin soil had a high fibre content that could soak up great quantities of water before it would go into suspension. Today, however, we see fields in every part of the country eroded with gullies, so deep in many cases that farm machinery may not pass over them.

This is a matter which concerns us all. We own our farms. The soil, however, is a sacred trust. It must be preserved capable of producing food for future generations. Our farming practices ought to be such as to cut down as much as possible the threat of erosion of our soils.

The following rules, used wherever possible have proven to be practical conservation measures on many farms.

1. Keep a trash cover. Do not burn stubble at any time especially not in the fall.

2. Cultivate parallel to the long slopes, not up and down them.

3. Smooth down water runways and seed them to grass and thus save the soil from washing away.

We cannot prevent the heavy rains We can, however, utilize our trash cover to protect our soils. We can use common sense in our tillage practices and we can grass down our water runs.

Using these means we may to a large extent prevent the depletion of our soils in our time

## SPOTLIGHT on EDUCATION

The following is a portion of an address given by Dr. R. D. Coutts, Dean of the Faculty of Education, University of Alberta, in his presidential address at the 1960 annual convention of the Canadian Education Association in Vancouver September 21, 1960:

"It is not too long ago, that our goal in Canada was a Grade VIII education for all. Although we still have some pockets of illiteracy particularly among the specialist culturally disadvantaged both in our urban centres and on our sparsely populated frontiers, we have been able to provide elementary education well beyond the level of functional literacy.

This does not relieve us of the responsibility of attacking the problem of illiteracy both here and in other countries. In a world where communication is rapid and economic and social contrasts are readily apparent, we must be more active than we have been in working for the educational improvement of the more than 700 000 000 illiterates. Surely we must use the telescopic approach more than we have done.

In the past thirty years Canadians have been moving inward provision of secondary education for all who can profit from it and high school graduation for most of our youth. To this end we have developed a composite or comprehensive junior and senior high school with multi-track programs. In most almost the whole spectrum of ability interest and need. Curricula designed for the mentally and physically handicapped, the artistically intelligently and technically gifted all the average have been developed to high levels of completion particularly in the urban centres of our economically more favored provinces. Some less favored parts of Canada and particularly remote and isolated rural areas, are far from providing adequate universal secondary education. While we are gaining on the United States in this respect, we still have a long way to go. My observations of this past year lead me to believe however that aside from the United States we are among the leaders in offering diversified programs for teenage youth. Without help from the Western nations — chiefly Great Britain, the United States, Australia and Canada — the peoples of the Far East, the Near East, and the emerging countries of Africa have little hope of providing adequate secondary school programs of any kind. Canadians must through every possible means, and largely through UNESCO contribute a larger share of our human and material resources to aid less favored nations in their efforts to expand and diversify programs at secondary school level. At home, however there is general acceptance of the concept of a high school education for all.

The next major goal and one that is fast being formulated relates to the provision of post secondary education of one sort or another for an increasingly large portion of the population. The positive correlation between gross national product and educational level, the preparation of workers with well-developed technical and vocational skills the importance of providing the basis for a culturally defensible use of leisure and the need for development of a scale of values and a set of wholesome practices in relation to civic social and personal living make necessary some fresh directions in provision for post-secondary education and some altered points of view on the part of many well-established institutions and educational members of individuals.

This article will be continued next issue

## GREEN ACRES

By J. S. DUNCAN, D. A. Vermilion, Alberta

WARBLE CONTROL

In recent years control of warble flies has moved from contact poisons to systemics. What this means is that instead of having to get the chemical directly on to the warble grubs it is only necessary to get it on the animal. The chemical is absorbed into the animal's system and transported to wherever the grubs are and kills them there. This makes it possible to kill the grubs early before they do much harm to the animal. With old methods treatment had to be delayed until the grubs had penetrated through the body to the animal's back. By the time the grub got there most of the damage was done

Systemics would be used before the end of November. After or this date the warble grubs will be of such a size and will be concentrated in the dewlap and neck region of the animal to such an extent that the dead grubs might cause periods shock — the result of having more foreign protein in the body than it can absorb.

For example it should be observed that the biggest benefit from warble control comes next summer when the cattle are not being chased hither-thither by warble flies. Beef is produced only when cattle eat and they can't eat very well on the run.

AVADEX IN AUTUMN

There's not a song title but it is kind of catchy and so is the idea. Avadex for wild oat control may be applied this fall and give good results. The main consideration is proper incorporation.

### 16 Years Ago Today

OCT. 20, 1950

The first case of robbery with violence in the history of the town of Vermilion is on perpetrated here at midnight Saturday when Gus Eisenbauer was dragged and robbed of $100 in his own home on the fair grounds where he acts as watchman and caretaker.

The local Salvation Army Corps extended a warm welcome last Sunday to their new Commanding Officer, Lieut Robert Thomasin.

Last Saturday and Sunday saw the first heavy September snow storm experienced here for many years, creating a serious situation for harvesting throughout the district 10½ inches of snow fell, and of it melted, but a depth of 4 inches was still on the ground Sunday morning

### 32 Years Ago Today

NOV. 6, 1930

A new school district has been formed in the Cummings area and will be known as the Brookville S.D. No. 4866. Ivar Larsen is the senior trustee with David Ferrell as secretary. W Hill the other two members.

What might have proved a disastrous fire was started on the farm of E. L. Lowery, northeast of town, on Sunday afternoon when a straw stack was ignited. Those who came to Wm Cummings was engaged in threshing wheat.

Vermilion district weather conditions varied somewhat from Edmonton readings. There was much less moisture here and we experienced no frost. Lowest reading was 12 degrees above, and below freezing temperatures were recorded every night for 10 consecutive nights. This was September weather. There was also a very noticeable lack of sunshine.

### 48 Years Ago Today

OCT. 26, 1916

A quiet wedding took place at Forwillow on Oct. 5th when Miss Ida, second daughter of Mr. and Mrs. E. Potvin was married to Mr Alphonse Roberge of Beaumaris.

Chief Oakley has given warning that saloon must be deposited in metal receptacles.

By his car getting out of control upon upsetting Edwin Daley sustained a broken collar bone. His sister Miss Daley who was the only other occupant, escaped serious injury.

7000 bushels of grain were threshed on the Rolphe Farm. Of this, 1800 bushels were wheat which averaged 40 bushels to the acre

## WILDMERE WINKS

Sorry no "Winks" for so long The workload hours are so long without any extras. Now that combining is nearly all done with such lovely fall days (although it has been held up since last Wednesday with that rainy weather) maybe we can get caught up. Some who are finished are busy working their land.

FURTHERING EDUCATION

Several from this area attended the graduation banquet, exercises and dance at the J. R. Robson high school. Of those from this area who graduated, Norman Smith is apprenticing as an electrician in Edmonton Karen Coburn is at Camrose College taking her first year in Education. Ruby Smith is employed in the Canadian Imperial Bank in Vermilion, and Isabelle Gibson is employed as secretary at Mac Millan-Bridmacombe Agency, Vermilion. We wish all these young people the best of success in their chosen courses

We wish all on the sick list a speedy recovery Richard Dibben with a sprained ankle; Harvey Haines who had his appendix out in Mr. Lehmann's home who had a tractor overturn with him; Mrs. Ken Shepherd in Edmonton who underwent surgery. The children, Elaine and Leonard are staying with their grandparents, Mr. and Mrs. Clifford Prather.

Mr Blaine Smith has been visiting this area for a week, staying at the Albert Smith home and helping harvest before returning to Vancouver. He is now an investment advisor.

Mr and Mrs. Roy Dibben and Mavis returned from visiting relatives in England for three weeks

Mr. and Mrs. Ron Hemming way and Angela were supper guests at the home of Mr and Mrs. Floyd Bennet a week ago Sunday

Mr and Mrs. Ken Shepherd came down from Edmonton this week to take back their children from the Crudders home.

Ernest Sweeney spent a week-end at home with his parents, Mr. and Mrs. Charles Sweeney He is in second year of Education at the U. of A

School at Preston is well under way with 15 boys and seven twelve grade 8s. Mr Sweet is again at the helm as principal and Mrs. Sweet has the Grade 1, 2 and 3 room. Mrs. Ann Lund non drives out from Vermilion each day for the intermediate room. The boys have organized and football and volley ball are in full swing

IT'S NOT ALWAYS EASY . . .

to apologize; to begin over again; to admit a mistake; to be unselfish; to keep on trying; to profit by mistakes; to forget; to shout for the Manic that's coming to us; BUT it helps to make the world a better place for every one to live in . . . and it pays.

## LUCKY GIRL

It took the Standard a long time to have Miss Jean Hannon pose for this picture Jean is shown with the new sports model Pontiac Beaumont which she won at the Vermilion Fair. The car was raffled by the Kinsmen Club. The lucky girl purchased the $1 ticket, No. 497, and says that it was a real experience to win such a grand prize.

## Graduation Exercises At Derwent High School

In the evening on Saturday September 10th Derwent High School held Graduation Exercises in the Derwent Recreation Centre The exercises commenced with grace said by Rev. Fr. L Cherkewsky. The ladies of Derwent Lodge of the Order of Royal Purple served a delicious banquet to the graduates, the teachers the parents, relatives and many friends of the graduands and the guests. The tables were beautifully decorated with native flowers, roses, gladiols and marigolds that enhanced the splendor of the beautiful gowns and corsages and the dark suits of the graduands.

TOAST LIST

After the banquet the Toast to the Queen was proposed, Mr. S J. Wysocki, vice - principal acted as master of ceremonies. Greetings to the graduands were sincerely expressed by Mr. C. A. Algot mayor of Derwent, Mr Peter P. Mudryk councilor of the County of Two Hills. Mrs. Chanasyk and Mr Matt Pulwer-bleak expressed greetings on behalf of the parents Miss Cecilia Petryk replied to the school board and Miss Lorraine Malkinson replied to the parents and the teachers Mr Larry Chanasyk reviewed the history of the grads and Miss Barbara Pulwer-bleak delivered the valedictory Mr W. A. Blaske sec. principal, presented the scrolls and graduation pins to the graduands. In his address, Mr. N. Myskiw, superintendent, proposed a toast to the graduands. Mr Leslie Yaremko president of the Derwent Students' Union, expressed thanks to all those who in many ways contributed their efforts to make the Graduation Exercises an impressive occasion. A delightful dance to the music of the Rhumba Kings followed the exercises.

TWELVE GRADUATES

Derwent High School had 12 graduating students. Cecelia Chanasyk, Barbara Pulwerbleak, Larry Chanasyk and Patricia Maierhofer obtained Senior Matriculation standing. Ed Prokopiuk Lorraine Mamyrenn, Donna Chanasyk, Cecilia Petryk Larry Chanasyk, Marilyn Pankratiuk Harry Malik and Ron Bachanski also obtained High School diplomas. The graduands will be attending the following: University of Alberta in Edmonton, Frank Chanasyk in the Fine Arts, Larry Chanasyk and Larry Chanasyk in Engineering, Barbara Pulwerbleak and Patricia Maierhofer in the Faculty of Education, Ed Prokopiuk and Diana Chanasyk hold positions in the bank Lorraine Malkinson and Cecilia Petryk attend Alberta College in Edmonton. Ronald Bachanski takes training with the R C M P. Gloria Chakowsky Harry Malik and Marcia Pankratiuk are gainfully employed

To young people graduation from high school offers a key to the door of opportunity to make well their mark. Every one

## NEWS from ISLAY

Mr. Bullock's home after spending some time in an Edmonton Hospital

Rev. Mr. Donald Richardson arrives here Tuesday after being in the Edmonton hospital for several days. We extend to him our gentlemen good health again.

ENJOY B. C. HOLIDAY

Mr. and Mrs. Ernest Lawson arrived home Monday after attending several scenic weeks holiday in British Columbia. Mrs. Lawson's two daughters Josephine and Ann Kerr also visited them.

OFFICE GETS FACELIFTING

We congratulate Mr Hollatz on the improvement with his branch office installed. Installation of a new heating unit by himself. The walls in the upstairs office are being painted. Also the partition across the front of the room is being removed to make room for the new furniture. Handsome new carpet is being laid. Some time ago the basement was completely renovated. Now we understand Mr. Hollatz is thinking of installing a sleeping room in the basement. We congratulate Mr. Hollatz on the improvements he has made to his property. We are sure he will enjoy his new home.

Mr. Vern Lee and Mr. Lawson motored to Vancouver last week. Mr. Lawson went to Vancouver to visit his daughter Mrs. Lee and Mr. Lee is visiting the coast. Mr. Lee's son Glen Lee is now in Vancouver.

Mr. Lawson and Mr. Lee motored to Edmonton last Thursday to visit Mr. Lawson's daughter Mrs. Van Der Zwaag and family. Mr. Van Der Zwaag is employed with the Canadian Imperial Bank of Commerce in Edmonton.

Mr. Lawson and Mr. Lee motored to Edmonton last Thursday to visit Mr. Lawson's daughter Mrs. Van Der Zwaag and family. Mr. Van Der Zwaag is employed with the Canadian Imperial Bank of Commerce in Edmonton.

CHURCH NEWS

October 9th is Thanksgiving Sunday. Service will be at 7:30 p.m. in the United Church conducted by Mr. Bob Jack of Lloydminster.

Mrs. Vera Hanley was hostess to Homemakers at a tea party at the Parsons home. She was assisted by Mrs. Gerda Lee. Mrs. Hanley received a vase as a prize.

GRAND SUMMER VISIT

Mrs. Lee Hanley had a grand visit during the summer with her daughter and son-in-law Cottrell. They were going to Vancouver but were unable to get as far as Lacombe on to Van Horne. Some of the scenic spots they visited were Banff, Lake Louise, Lake Minnewanka and a boat trip on Lake Louise. They also visited Mr. and Mrs. Van Der Zwaag and family in Edmonton. Mrs. Hanley is visiting the coast at present.

Brewed in Lethbridge

'THE TWO BEST BEERS IN THE HOUSE!'

Lethbridge Pilsner

Many people like the happy taste of our own home-grown hops in Lethbridge Pilsner — a blend of several fine brews in the best Bavarian tradition. The pronounced subtle malt the right amount of whole grain yeast rise to give a mellow "mildness" to the choice barley. Lively-tasting Lethbridge Pilsner, truly satisfying beer!

Lethbridge lager

Many prefer the mellow taste of the malt in bright and happy Lethbridge lager beer — often called mildly bitter — a naturally aged smooth lager blended with a delicate touch of Saaz hops. The choicest whole grain yeast rise to give a satisfying clarity and flavor. Bright, thirst quenching lager beer at its best . . . try it!

Two great brews from SICKS' LETHBRIDGE BREWERY LTD.

LOCAL NEWS

Dr. and Mrs. Brian Powell of Pembroke, Ont., have been guests at the home of Mrs. Powell's aunt and uncle, Mr. and Mrs. J. C. Watkinson for the past two weeks. Mrs. Powell is the former Peggy Graham. Also guests of the Wallingtons for the past week-end were Mr. and Mrs. Bud Graham and their two small sons from Coronation.

Mr. and Mrs. George Reasbeck and son Jack of Vancouver motored to Metz home town of Vat Kleck Hill, Ont., after an absence of 47 years. They also visited Jack's son John in Washington for the week-end. Visits were made in Port Arthur and Carleton Place where Mrs. Reasbeck has two sisters and a brother. A call was also made to see Mr. and Mrs. Roblin in Toronto, and Mr. and Mrs. McBeth at Fort. Qu'Appelle, Sask. Niagara Falls was also visited on the trip and seen by the Reasbeck's for the first time.

Mr. and Mrs. Lawrence Sherback and their eight children from Edmonton have recently taken up residence in Vermilion. Mr. Sherback is employed by the firm of Poelsover & Halwa Insurance Adjusters, who recently opened an office here.

Mrs. Rose Harle returned on Saturday from Calgary where she spent two weeks visiting her daughter Mrs. Stewart Cooper and family. During this time Stewart was absent on an arctic entation course in the northern half of the province with the Hudson Bay Gas & Oil Co.

Cpl. Bob King who is stationed at Cannon Air Base has left by jet from Vancouver to Glasgow Scotland where he will spend a month's holiday.

BORN — To Mr. and Mrs. Leo A. Gau (nee Claude Stupaych) of Ralston, Alberta, a son, Rodney Anthony, weight 5 lbs. 13 ozs., on September 19th, 1966 in the Medicine Hat Hospital.

United Church Women Meeting

ENGAGEMENT ANNOUNCED
Mr. and Mrs. Stanley N. Wallbridge are pleased to announce the engagement of their second daughter, Edith Irene, to Mr Ove Carl Aasen, second son of Mr. and Mrs. Sven Aasen of Provost. The wedding will take place on Saturday, November 5th, 1966 in the First United Church, Vermilion, at 3:00 o'clock in the afternoon.

ENGAGEMENT ANNOUNCED
Mrs. Marie Mayer is pleased to announce the engagement of her youngest daughter Emma Jane, to Mr. Robert Limoges, only son of Mrs. Albertine Limoges of Dauphin Manitoba. The wedding will take place in the Holy Name Roman Catholic Church, Vermilion on Saturday, November 5th, 1966 at 2 o'clock in the afternoon.

Mr. and Mrs. Wayne Edwards from Brooks, Alberta are visiting at the home of the former's parents, Mr. and Mrs. Bert Edwards. Wayne is now Public Officer at the Kinbrook Island Provincial Park.

Kenneth Towell son of Mr. and Mrs. Albert Towell, returned Monday, Oct. 3, to Bevan Bible College, Calgary for his second term.

J. E. Reasbeck left Monday morning for his home in North Vancouver after visiting he parents Mr. and Mrs. Geo. Reasbeck for the past two weeks

Mrs. Lottie Urquhart returned home Sunday evening after an enjoyable trip to Calgary, B.C., Lac Du Bonnet and Winnipeg where she visited with her sister Mrs. Tom Stack and Mr. Stack for ten days. On the return she was accompanied by Mrs. Stack who is spending the week here.

Mrs. E. Kitching of Sudbury Ont., has been visiting at the home of Mrs. E. Coleman in Vermilion. From here she plans to go to the west coast to visit her son who is a squadron leader with the RCAF stationed at Burnaby. Mrs. Kitching is a former resident of Paradise Valley.

CARD OF THANKS
We wish to extend our sincere thanks to the Lord Alexander Branch, Post 11 of the Canadian Legion, our friends and neighbors for their generous gifts and good wishes on leaving Vermilion.
Ted and Agnes MacLean

IN MEMORIAM
In loving memory of
ELIA (Al) G. d. Algozi
who passed away Oct 10, 1965
To live in the hearts of those we have loved
Is not to die
Remembered by Pearl and Clarence

IN MEMORIAM
In loving memory of a husband and father
ALEX PASHULKA
who passed away Oct. 7, 1960
We do not need a special day
to turn to you in our minds.
The days we do not think of you
are very few.
They are only those all sorrow
And before we can forget
But that is not to be soon
For what it meant to lose you
No one will ever know
Others are near, but we know
But you are dearest and we miss you so
Ever remembered and sadly missed by wife Anne and children Mary, Mamie, Helen, Mike and Daniel

URGENTLY REQUIRED . . .
A baby sitter is urgently required for a Brownie Pack in Vermilion. Anyone interested please contact Mrs. Wm. Hart. phone 853-2156.

CARD OF THANKS
I wish to take this opportunity, on behalf of the Golden Age Club, to thank Mr. Ashley Coop and Mr. L. and Mrs. Cooper, for taking time out of their busy lives to entertain our special evening for the fall, and for the pictures taken by Mr. Cooper.
Thanks also to the following entertainers who gave of their time and talent to make a very enjoyable evening — Mrs. Lena Williams, Mrs. Olga Erle, Mrs. Helen Bell, Mrs. Maudie Wallington, Mr. Charlie Mellon, Mr. Stan Pullen and to the club members and friends who brought such a fine and abundant assortment of delicious food, and to the members who so willingly helped with the work. Without friendship like this such a successful evening would not have been possible. Thanks also to the Standard for the generous space given to our club activities.
Mrs. Eileen Steele, President, Golden Age Club.

## CLAYSMORE CLIPPINGS

Mr. and Mrs. Allan Olstad and roast.

family were Sunday supper guests at the Ronnie Bauer home.

Janice Warawa entertained a number of her little friends on Saturday, the occasion of her 8th birthday. They, along with some of the parents, enjoyed a wiener

Mrs. Estelle MacMillan of Edmonton was a recent visitor to Claymore, coming down Saturday and returning to the city on Wednesday.

Mr. and Mrs. Vic Karstrom of Meeting Creek were week-end

visitors at the Allan Olstad home.

The Tim Nelsons and Gerry Gouchens of Vermilion were Sunday supper guests at the Jack Willes home, also Glen Nelson and two friends from Viking.

Best wishes for a speedy recovery go to Mrs. Cenie Bauer of the Cleverly district, who is a patient in Mannville Hospital.

## Beautiful Wedding At St. Saviour's Church

The St Saviour's Anglican church was the setting of a beautiful wedding on August 6 when Florence Kathleen Jones became the bride of Allan Moshuk, eldest son of Mr. and Mrs. Alex Moshuk of Hylo. Alberta

Rev. B. A. Hart performed the double ring ceremony.

The bride was lovely as she entered the church on the arm of her brother-in-law, Dr. Asani to the Wedding March played by organist Mr. Stan Pellen. who also accompanied the soloist Mrs. Nora Stangland as she sang "The Wedding Prayer".

The bride was becomingly gowned in a floor length crepe dress with the setting of a tiara of pearls and sequins which secured a short embroidered lace and pearl bodice and a pearl floor length train. The bouffant sleeved edge shoulder length veil was held in place by a pearl tiara and pearl tiara. She carried a bouquet of red roses with floor length streamers of the same. Her jewellery was a natural pearl necklace and earring set are placed in a gold setting a gift of the groom.

The bride's attendants were Mrs. Rosemary Asani sister of the bride as matron of honour. Miss Jeanette and Miss Marion MacDonald were brides maids. They were identical street length gowns of pink sheer over taffeta in yellow blue and yellow respectively. They carried white pearlized evening bags gifts of the bride.

Miss Sonia Glowitski cousin of the bride was in charge of the guest book.

Attending the groom were Mr Art Asani brother-in-law of the bride Mr Tom Moshuk cousin of the groom and Mr. Marvin Waltz. Ushers were Mr. Peter Tkach and Mr. Wes Dyck.

For her daughter's wedding Mrs. Moshuk chose a navy blue pink dress with accessories complemented with a blue rose corsage with white accessories.

A reception for one hundred guests was held in the Three Link Hall where the bride's table was centred with a three tiered wedding cake with pink and white trimmed with a white colour

## Sunday At Alliance Chapel

The closing meetings of the "Sunshine Hour" Children's Gospel Campaign were held on Sunday, Oct. 2nd at the Alliance Chapel. These meetings had been held daily throughout the week with Aunt Vi and Uncle Bob Portrey of Toronto.

Registration was 101 with an average attendance of 135. Rally Day was held in the Sunday School on Monday, and Uncle Bob told a very interesting story to the girls and boys. In the evening service he was assisted by Aunt Vi and the children who attended the campaign meetings. They presented items of the scripture memory work, a Bible record drill (Won by Marion Ills' group presentations and a puppet band. The Portreys endeared themselves to the child ren and their meetings will long be remembered by each. Uncle Bob brought the campaign to a close with a story illustrated by coloured slides and a picture to hold light.

WE NEED YOUR SUBS

Among other subjects discussed was the kind of work that could most profitably be performed by A.Y.'s, Sub-Locals, and it was agreed that attention should be focussed on professional development.

## Pioneer Hudson Lady Dies At 95

A 95 year old pioneer lady of the Hudson's district died in Edmonton on Friday.

Mrs. Jack (Ruth) Gamble of 7718-118 Ave., was born in Grand Valley Ont. She and her husband moved to the West in 1904.

The couple homesteaded at Dunstable and later at Minburn. They retired in 1946. Mr. Gamble died in September, 1956.

Funeral services were to be held today at 2 p.m. at Park Memorial Chapel, 97th Street and 111th Avenue. Burial was to follow in Evergreen Memorial Gardens.

Mrs. Gamble is survived by three sons, Chester of Mannville, Wilbert of Penola, Lewis of Edmonton; two daughters, Mrs. Edna Cornish and Mrs. Kay Anderson, both of Edmonton; nine grandchildren and 16 great grandchildren.

## Sub-Local A.T.A. Elects Officers

The Vermilion Sub-Local of the Alberta Teachers' Association met at the J. R. Robson High School on Wednesday evening, Sept. 28th. The following officers were elected for the coming year: President, Mr. D. McMullan; Vice-President, Mr. Kindrosky; Secretary - Treasurer, Miss F. Sherwood. Executive Committee members — Rev. C. Gardiner and Mrs. Wilson. Press Reporter, Miss S. Pashyniuk.

Among other subjects discussed was the kind of work that could most profitably be performed by A.Y.'s, Sub-Locals, and it was agreed that attention should be focussed on professional development.

## Mannville Locals

Miss Lois Rathje has recently returned from an enjoyable visit with Mr. and Mrs. Les Persons at Fairview.

Mrs. Jim Summers and daughter Pearl Lynne have recently returned from a visit with their granddaughter and niece, Mrs. Roy North in Edmonton.

Mrs. Dave Smith was guest of honor at an afternoon tea recently held at the home of Mrs. Jim Hills, prior to her departure for Edmonton.

Miss L. Rathje recently visited her brother Percy at Dunvegan Creek, enjoying the trip in her new Ford very much.

Mr. and Mrs. John Batey and family are wished much happiness in their new home at Vermilion where Mr Batey has accepted employment with the M A Ltd.

Many farmers in this district have completed the combining of their crops. Dandelion for the unsettled harvesting weather is mostly enjoyed.

Dennis Hess was a recent visitor to his home here from R.A.I.T. where he is taking a course in Banking.

Plans for the Centennial Arena at Mannville are taking shape. More will be heard about this at an early date.

Rev. and Mrs. S. Clarke have been recent visitors at the home of Mr. Smith home.

Visiting at the home of her grandparents Mr and Mrs. D. W. Croft is little Miss Carla Croft, daughter of Mr. and Mrs. David Croft.

Mrs. D. Swain and Mrs. F. Sillars have recently returned from a visit to the southern part of the province.

Mrs. D. Watson (nee Gladys Calder) has returned to her home at Pennyfarthing after spending some time with relatives at Mannville and Vermilion.

Mr. and Mrs. Bill Underhart and Lloyd Mitchell of Edmonton have been recent visitors here with the Lavender, Simpson and Herbert families.

## Centennial Project For Lewseed W.I.

The September meeting of the Lewseed W.I. was held at the home of Mrs. Art Larcombe at Minburn. All members were present.

The cook books were discussed and all recipes were handed in. These books will be on sale in time for Xmas. Orders can now be taken for gate signs at the cost of $4 each. This is our Centennial project. Anyone wishing to have one with their name and land description on them may do so by contacting Mrs. Dave Shields or Mrs. Edwin Maron, at Mannville.

An interesting paper was read by Mrs. Frank Williams on paper dress uniforms, sheets, etc. This proved very interesting.

The meeting was adjourned and a social half hour was very much enjoyed.

## Saddle Club to Hold Horse Show

The program will commence at 10 a.m. and continues well into the afternoon with various exciting performance classes. Entry fee is 50 cents per class.

The Vermilion Saddle Club will hold an indoor show on Sunday, Oct. 16th in the Vermilion Rodeo dome.

Vermilion can well be proud of the fine light horses in this district and you are encourage the horsemen by attending this show.

The lunch counter will be open and everybody is welcome. For further information contact Chris Maggs. 13-15

SAVING TEETH IS YOUR FIRST CONCERN

Do not wait until they become so decayed that an extraction is necessary. Preventive dentistry will save you time, money and much future pain.

Let your dentist arrange for your regular periodic visits to re-examinings, cleaning and protecting your teeth and gums. Any problems he finds in the future, will usually be minor ones that are easily and painlessly corrected.

We have a complete stock of Dental-Aids, plus the special products and tooth brushes any dentist may specify.

A great many people entrust us with their prescriptions. May we compound yours.

# Labatt's Public Service Unit To Visit Vermilion Kinsmen Indoor Rodeo

The "S. S. Centennial", the new public service unit of Labatt's Alberta Brewery Limited, will be in Vermilion, Friday, October 14th, and Saturday, October 15th, for the Kinsmen Indoor Rodeo. This 32' long replica of the paddle-wheelers of the early 1900's, will take part in the Street Promotion Program, from 2 - 4 p.m. each day. The unit features a moving paddle-wheel, a sound system, and lighting facilities. When in a stationary position, one wall of the unit folds out providing a 200 square foot stage area. The 7200 pound unit is of wood and aluminum construction, and was built in Edmonton, making its debut during this year's Klondike Days.

## New Look For Legis. Grounds For Centennial

As a Centennial project, the Alberta Department of Public Works has embarked upon an extensive program of upgrading of the landscape surrounding the Legislative Buildings in Edmonton.

Work is underway around the building itself, with grass and shrubbery replacing a number of the existing flower beds. Flowers will continue to be used, but in combination with shrubs and trees, rather than in isolated beds scattered about the lawns. More trees and shrubs will be planted and it is the hope of the Department of Public Works that by 1967 the grounds of the Legislative Building will present a truly beautiful setting, for the many special ceremonial events which will mark Centennial year.

### ETERNAL FLAME

Focal point of Centennial year activities will be an "Eternal Flame" which will be constructed in the centre of the lawn at the foot of the steps south of the Legislature Building. This flame will be lit in a ceremony on New Year's Eve simultaneously with similar flames to be lit before the Parliament Buildings in Ottawa and in provincial capitals across the country. The flame will remain alight throughout the minum standard set in the centennial ceremonial year.

### NEW EXTERIOR LIGHTING

The stateliness and dignity of the Legislature Building itself will be enhanced by a new, subtle bright lighting system, presently being installed on the grounds. The building will be entirely illuminated by recessed lights placed in square 3 foot x 3 foot x 3 foot concrete bases.

The entire project is under the direction of the provincial Landscape Architectural Section of the Department of Public Works.

## ISLAY Local News

Mrs. Beaver from Edmonton spent a few days with Mr and Mrs. Purvis recently.

Sympathy is extended to the family of Walter Swan Mr Swan, an old timer of this district, passed away suddenly last Thursday.

Mr. Ed McPeake and Mr. Walter McCaughan spent the week end on a fishing trip to Pierce Lake.

Mr. and Mrs. Eddie Daddy from Edmonton were recent visitors with their parents here.

# Mannville Honors 29 H. S. Graduates

MANNVILLE Congratulations were extended to 29 graduates of the Mannville school recently when parents and teachers gathered to honor them at a banquet.

Miss Audrey Polishuk and Miss Audrey Panter presented each of the guests with a rose on behalf of the school. The floral arrangements for guests and head table room were done by a group of girls and boys in the high school.

Tables were also decorated in the graduating class colors of red and white.

Mr. Ken Thompson was M.C. for the evening and welcomed the guests. Mr. Joe Bilanski, chairman of the school board, welcomed the graduates and their parents to the banquet.

The banquet was catered to by the United Church Women.

The toastmaster's duties were handled by William Lahiere. He extended a welcome to the guests on behalf of the Quest.

### RECORD FOR ACHIEVEMENT

The presentation of certificates, scholarships and awards was handled by Mr. Kinsley. Mr. Kinsley stated the standard for graduation was set high and that the graduating students would not receive their diplomas unless they had reached the standard. He congratulated the graduates on their achievements and said that the standard was set high so that graduates would be recognized as capable of meeting the challenges of the future.

Gerald Malin replied to the Light for the way toast expressing the graduates' appreciation for guidance and encouragement given by parents and teachers.

### TOAST TO STAFF AND REPLY

The toast to the staff was proposed given by Verner Thompson. At the close of Miss Ruth Gray's reply she read the following poem which had been sent to her by Mrs. Rex Mills of Saskatchewan. The poem might also be a message for the graduates as they begin their new lives.

Don't quit
When you've had a setback
When the world has treated you rough
When people pick on you
Because you're broke
Don't quit
Life is queer with its twists and turns
As every one of us sometimes learns
And many a person turns about
When he might have won had he stuck it out
Don't give up though the pace seems slow
You may succeed with another blow
Often the goal is nearer than
It seems to a faint and weary man
Success is failure turned inside out
The silver tint of the clouds of doubt
And you never can tell how close you are
It may be near when it seems afar
So stick to the fight when you're hardest hit
It's when things seem worst that you must not quit

### ETERNAL FLAME

HAROLD S. TAGGART

## Elected President Of Canadian Kinsmen Clubs

Harold S. Taggart of Lindsay, Ont., was elected president of the Association of Kinsmen Clubs at the annual meeting held in Fort William. A well known orator Mr. Taggart served as vice-president of the association last year and now succeeds Will Kiser of Regina.

During the past year more than two-thirds of an estimated $250 000 for a workshop for trainable persons for work with retarded children has been raised by the 422 Kinsmen and K-nette Clubs in Canada. It is hoped to turn the sod for this building in Toronto next year.

MR. AND MRS. DOUGLAS ROBERT HECKBERT
Photos by Wooders of Photocraft

## Double Ring Ceremony Heckbert-Hughes Rites

In Saturday August 20th Jo-anne Mae Hughes daughter of Mr. and Mrs. L. Ewart Hughes and Douglas Robert son of Mr. and Mrs. C. T. Heckbert were united in marriage at the First United Church, Vermilion. Rev. Carlton Miller conducted the double ring ceremony. The wedding music was played by Mrs. Harry Moreau and Mr Joe Thomas sang "The Lord's My Shepherd" during the signing of the register.

The bridal party entered the church while the congregation sang the responsorial hymn "O Father, All Creating". The bride entered the church on the arm of her father. Her gown was of pearl de lyzeen in empire style with a lace train flowing from the shoulder of the bodice. She wore her veil held in place with a headpiece of orchids and stephanotis petals. A single strand of pearls, a gift of the groom, complimented her gown. She carried a bouquet of deep pink roses. Maid of honor was Miss Marie Towell, cousin of the bride. Bridesmaids were Miss Ruth Towell cousin of the bride, and Miss Jane Heckbert sister of the groom, while Miss G i n g e r Hughes sister of the bride, was junior bridesmaid. The attendants' maids' gowns were floor length empire style in two shades of blue and were trimmed with white lace, they carried pink carnations.

The groom was attended by Mr. Don Heckbert best man, and Mr. Mike King Brown and Mr. Allister Cruthers, friends of the groom, and Mr. Ivan Hughes brother of the bride.

Mrs. Hughes chose a beige lace dress with pink accessories for her daughter's wedding and her corsage was of pink roses. Mrs. Heckbert wore a pink two-piece ensemble with pink and white accessories, her corsage was pink roses and white carnations.

The reception, catered to by the Ukrainian W.C.W. groups was held in the church hall. The head table was centred with a three-tier wedding cake. decorated by Mrs. Bill Arthur.

Mr. Eric Towell, cousin of the bride, proposed the toast to the bride and Mr Tim Robertson was master of ceremonies. Mr. Mike King Brown took the formal wedding pictures. Misses Dorothy Evey and Lorraine Lahay were in charge of the guest book.

For travelling the bride chose a suit of navy and white pure silk, with navy and white accessories and a corsage of deep pink roses.

Out-of-town guests were from Edmonton, Calgary, Red Deer, Lethbridge and New Westminster.

**NEW FACE FOR YOUR WALLS**

Putting a new face on the walls of your home is almost as easy as applying makeup to your face. Many homeowners are doing it every day and with the increasing variety of paints, stains and varnishes available you can create almost any effect you wish on any kind of surface.

A new coat of paint can do wonders to a room and it is probably the quickest and most economical thing to change. This is why when you plan your home and color schemes those big drapery and furnishings come first as these are the more expensive areas and thus the most permanent.

With the paints on the market today amateurs can do an admirable job in a day or two.

Before rushing to buy paint at the neighborhood paint store ask for the best. Cheap paint is cheap. Thick three horse and at one time to obtain the colours you want and the type of paint you'll need.

**INTERIOR PAINTS**

Interior paints come in three general types.

Flat wall paint should be specified in rooms where there is no problem with stains, smoking vapors and moisture. Living rooms, dining rooms, bedrooms and the ceiling of rooms in these rooms are the areas of the house where flat wall paint is at its best advantage. The non-shiny appearance of the paint is ideal and velvets looking. However, the doors and window frames and woodwork of these rooms should be painted in a semi-gloss paint finish since these will require washing to remove smudges and finger marks. Semi-gloss paint is available in exact the same shade of color as the shade of flat paint you use on the walls.

Semi-gloss paint should be used on the walls of kitchens and bathrooms since the moisture in these areas is greater and the paint requires washing more than the normal finish of flat paint. Semi-gloss finish paints are also recommended for use by children's rooms.

Gloss paint or high gloss enamels have a hard, shiny finish and are extremely durable. Gloss paints should be used where extreme practicality is desired, such as the woodwork in porches, some bathrooms and kitchens where the moisture and steam is a problem. Kitchen cupboards and cabinets in bath rooms are a good place to use gloss paints.

## C. W. L. News

The reports given at a meeting of the Holy Name Council at the Y.W.I. show that the ladies have had a very successful summer due to the generosity and patronage of all. A large donation was sent to help the underprivileged in foreign missions. $100 was sent to our Centennial Home for Indian and Metis girls in Edmonton and a $50 scholarship for a Grade XI student at St Jerome's. The ladies catered to the St Jerome's graduation banquet. They are sponsoring a clothing drive and any clothing may be left at the church basement from Oct. 9 to 15 and will be on display for anyone who needs clothing from the 16th to the 21st. The rest will then be sent to the Marian Centre in Edmonton.

The Ladies' Retreat at St. Albert will be from Oct 18 to 20. For further information contact Mrs. Howgate or Mrs Champion.

**MOTORISTS, CLEAR DOAD**

When the fire siren goes, all motorists are asked to pull over to the side of the road, and stay there until you are sure you will not interfere with the fire trucks.

## Will Study Pipelining of Bulk Materials

The Hon. A. Russell Patrick, Alberta Minister of Industry and Development, and of Mines and Minerals, met with federal officials this week to sanction an agreement between the Government of Alberta and the Federal Government to finance a major study of the feasibility of pipelining bulk materials. This study will be undertaken by the Alberta Pipeline Research and Development Association and the Research Council of Alberta, and will employ various consulting firms who will examine the economic and engineering aspects in considerable depth.

The Solids Pipeline Research and Development Association is an association presently formed by 18 companies doing business in Alberta.

The agreement was signed on behalf of the Government of Alberta by the Hon. A. R. Patrick

## Chamber Sponsors Value Days Again

Reporting for the Retail Committee at the Chamber of Commerce, Erale Clendenning announced that the annual fall promotion, Vermilion Value Days, would be held on Nov. 3, 4 and 5. The Vermilion Standard had agreed to send out 3000 copies of the paper and this blankets the shopping area As considerable work is required in issuing the special Standard, newsletter for advertising in Friday, October 21, Anyone desiring advertising in this special promotion should phone the Standard office 853-3402 at once to reserve their space.

Mr. Clendenning, now programming for the promotion, announced every meeting of the Chamber, had decided to retire from the town council following six years of active service on that senior administrative body. Mr. Underdown paid tribute to the untiring thought, effort and work which Mr. Waldenberger had put into the Chamber as executive and thanked him on behalf of the Chamber and of the town generally

**COMPLIMENT RETIRING COUNCILLOR**

The president of the Board of Trade also thanked Councillor Waldenberger for his services every meeting of the Chamber, had decided to retire from the town council following six years of active service on that senior administrative body. Mr. Underdown paid tribute to the untiring thought, effort and work which Mr. Waldenberger had put into the Chamber as executive and thanked him on behalf of the Chamber and of the town generally

**TRADE ENTERTAINMENT COMMITTEE**

Mr. Alderic Kent, Mrs. Pauline Andrushyshen and Mr. Grover Alexander came in for the thanks of the Chamber for the very fine potluck supper and presentation event arranged in honor of the Bantam baseball team, which won the Alberta Championship The event was very successful and had been well arranged by the committee.

**TOURIST ASSOC. MEETS**

G. W. Sutherland, chairman of the Parks Committee reported on the first meeting of the Lakeland Tourist Association which he and president Claude Underdown had attended in Lac La Biche to advertise advertising the whole area of North Eastern Alberta Zone 6, would be printed for circulation early next year prior to the tourist season. This brochure will advertise all the tourist attractions in this north eastern section of Alberta.

**TO PRESENT HIGHWAY BRIEF**

Mr Roger Ross, chairman of the Roads Committee reported on a meeting which had been held regarding the possible re-routing of highway 16. The meeting decided that it was in the interests of the town to oppose the re-routing of highway 16 which would be a half mile further south. A brief will be prepared for presentation to Highways Minister Gordon Taylor by local M.L.A. Ashley Cooper is being asked to arrange a meeting with Mr. Taylor for a local delegation.

## New Officer In Charge Of Salvation Army Here

Captain Lushe Brodlow has just arrived to take charge of the Salvation Army work here in Vermilion. She was transferred from Olds, Alberta.

Captain Brodlow was born and raised on her parents' farm just northwest of Wetaskiwin. She received her public school education there and then graduated from the Wetaskiwin High School. She was then employed at the Dewdrop Mental Hospital in Red Deer before entering the William Booth Memorial training college for officers in Toronto in September, 1960.

Upon completion of the two-year course of active studies she received the rank of lieutenant and was appointed to assist Capt. Lois Lowry in Cranbrook for a year.

Captain Brodlow's field appointments were of a year's duration each in Cranbrook, Captain Brown and Newton in North Surrey, B.C. She then returned to Cranbrook and remained with captain Brown for another year in charge of the corps.

Captain Brodlow has come to Vermilion to serve God and the people of this area because of her varied experiences of city and country life she feels that she will be able to assist in helping the young and the old alike She is looking forward to meeting everyone sometime during her stay in Vermilion and district.

Captain Brodlow extends a warm welcome to the general public to attend any of the public meetings held at the Salvation Army Citadel here

PHYLLIS KENT

## Marwayne Girl Graduates As R.N.

Phyllis Roberta Kent of Marwayne successfully completed her three-year course at the Archer Memorial Hospital, Lamont. The graduation exercises will be held on Oct. 16 in the Lamont Town Hall Lamont. She will be working in Grande Prairie.

## E. A. H. L. Meeting Sunday, Nov. 6th; Maidstone Out

The next meeting of the East Central Alberta Hockey League will be held in the Vermilion Stadium on Sunday, Nov. 6 at 2 p.m. The meeting will be in Session for the purpose of discussing the application of a female curiously aroused she was granted to Maidstone as the rink there has been condemned.

The league will consider a change in the officials electing a president and secretary to replace the secretary manager. The secretary manager has managed the league for the past seven years.

The regular league schedule will commence the weekend of Nov. 26 and 27. A 24 game schedule will be played under the new five team arrangement

## Cow Didn't Jump Over the Moon, but—

Allandale News

An exciting event happened at the home of Mr and Mrs Lee Nelson on the morning of October 5th. Mr. Nelson's cows were being brought into the barn for milking. One of the cows, with a brown and white face and a brown and white body, was heard bellowing for help. From the barn Mrs. Nelson heard the cow and ran to the barn. There she found the cow in the creek. Mrs. Nelson ran to the house to telephone for help. Mr. Nelson and Mr. Ken Hall came to the rescue. They had to use a rope to get the cow out of the creek. The cow was not hurt.

## Junior Hockeyists Asked To Register

The lunch counter will be open for the afternoon with lunch and everybody is welcome For further information contact Chris Maggs 18-15

## Kills Two Bears In One Day

Jack Wooders hunting photographer and well known outdoor man and big game hunter, had the unique experience of shooting two bears in one day recently while hunting in the Sundance area about 20 miles west of Edson. He was actually hunting moose at the time.

The black bear was shot during the morning when Jack was out alone he was walking by a gravel and spotted a black bear 25 yards away It was a cow shot kill This bear on the right weighed in estimated 250 to 300 pounds

The afternoon of the same day while hunting with Ken Smithbey a professional guide the second bear a 500 pound grizzly was encountered. The bear was surprised to circle a muskeg hoping to spot a moose but when Jack spotted the grizzly coming down a game trail. It stopped suddenly on seeing him, a pot 75 yards away. This bear was a one shot kill.

Mr Wooders has been hunting big game for years and has been successful in getting over some across a bear and moose during this time.

The bears were in excellent condition the hides are prime and both Jack and Ken's family will be more pleased in Vermilion

## Fred Brimacombe To Visit Russia

Fred Brimacombe of the travel agency of MacMillan and Brimacombe has been chosen by Air Canada and Kentours, to be a passenger on the inaugural flight to Moscow which will leave during a new Canada to Moscow air service.
